Public Law 513-91st Congress
2nd Session
H.R. 18583
AN ACT

To authorize subpoena in connection with the enforcement of the laws related to controlled substances.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

* * * * *

SEC: 506 (a) In any investigation relating to his functions under this title with respect to controlled substances, the Attorney General may subpoena witnesses, compel the attendance and testimony of witnesses, and require the production of any records (including books, papers, documents, and other tangible things which constitute or contain evidence) which the Attorney General finds relevant or material to the investigation. The attendance of witnesses and the production of records may be required from any place in any State or in any territory or other place subject to the jurisdiction of the United States at any designated place of hearing; except that a witness shall not be required to appear at any hearing more than 500 miles distant from the place where he was served with a subpoena. Witnesses summoned under this section shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

(b) A subpoena issued under this section may be served by any person designated in the subpoena to serve it. Service upon a natural person may be made by personal delivery of the subpoena to him. Service may be made upon a domestic or foreign corporation or upon a partnership or other unincorporated association which is subject to suit under a common name, by delivering the subpoena to an officer, to a managing or general agent, or to any other agent authorized by appointment or by law to receive service of process. The affidavit of the person serving the subpoena entered on a true copy thereof by the person serving it shall be proof of service.

(c) In the case of contumacy by or refusal to obey a subpoena issued to any person, the Attorney General may invoke the aid of any court of the United States within the jurisdiction of which the investigation is carried on or of which the subpeonaed person is an inhabitant, or in which he carries on business or may be found, to compel compliance with the subpoena. The court may issue an order requiring the subpoenaed person to appear before the Attorney General to produce records, if so ordered, or to give testimony touching the matter under investigation. Any failure to obey the order of the court may be punished by the court as a contempt thereof. All process in any such case may be served in any judicial district in which such person may be found.

Re: Paul Bunyan Rural Telephone Company
Our File No. 16106.4

Dear Mr. Loven:

Paul Bunyan Rural Telephone Company ("Paul Bunyan") is in receipt of a subpoena dated April 7, 2005, from your office requesting certain telephone records from November 1, 2004, through March 27, 2005. Although Paul Bunyan has some concerns about the FBI's authority to issue administrative subpoenas in this instance and Paul Bunyan retains concerns that the scope of the subpoenas is oppressive in nature, Paul Bunyan wishes to help the FBI in its investigation and will volunteer information to assist the authorities. This voluntary assistance does not constitute a waiver of Paul Bunyan's objections to the FBI's administrative subpoenas.

In accordance with previous discussions we have had concerning similar subpoenas issued by your office to this company, Paul Bunyan will produce all telephone records that you requested that are in its possession. As you now know, in August of 2004, Paul Bunyan implemented an in-house billing records system. Using queries from its in-house automated system, Paul Bunyan has commenced the process of culling this information for the FBI. You have agreed that Paul Bunyan will be entitled to reimbursement for all reasonable expenses incurred in the information gathering process and Paul Bunyan will do its best to keep costs low. Although the query process of the in-house billing records is lengthy, Paul Bunyan anticipates meeting your deadline of April 15, 2005. If Paul Bunyan it is unable to meet this deadline, it will notify your office immediately.

[redacted]

198A-MP-66145-SBP-13

Paul Bunyan has agreed to work directly with you and your agents but if you have questions for me, please feel free to call.

Very truly yours,

MOSS & BARNETT

Re: Paul Bunyan Rural Telephone Company
Our File No. 16106.4

Dear Mr. Loven:

Paul Bunyan Rural Telephone Company ("Paul Bunyan") is in receipt of several subpoenas from your office requesting telephone records. Although Paul Bunyan has some concerns about the FBI's authority to issue administrative subpoenas in this instance and Paul Bunyan retains concerns that the scope of the subpoenas is oppressive in nature, Paul Bunyan wishes to help the FBI in its investigation and will volunteer information to assist the authorities. This voluntary assistance does not constitute a waiver of Paul Bunyan's objections to the FBI's administrative subpoenas.

In accordance with our conversation earlier today, Paul Bunyan will produce all telephone records that you requested that are in its possession. It is my understanding that in August of 2004, Paul Bunyan implemented an in-house billing records system. Using queries from its in-house automated system, Paul Bunyan has commenced the process of culling this information for the FBI. In an effort to best assist your agents, Paul Bunyan has started its information gathering with records from March 21, 2005, and is working backwards in time from there. Should the scope of your investigation require Paul Bunyan to request records from its billing service, who, as I understand it, keep records prior to August 2004, the expense Paul Bunyan will incur will be substantial. You agreed that Paul Bunyan will be entitled to reimbursement for all reasonable expenses incurred in the information gathering process and Paul Bunyan will do its best to keep costs low. However, if it is required to request information form its billing service, the cost Paul Bunyan will bear is substantial. If you wish to subpoena Paul Bunyan's billing service directly for the records prior to August 2004, Paul Bunyan would be willing to execute the necessary releases to assist you.

198A-MP-60145-SBP-14

Paul Bunyan has agreed to work directly with you and your agents but if you have questions for me, please feel free to call.

Very truly yours,

MOSS & BARNETT
