

"I am Antonio. I work with the Liciado, the Cholon, & ah with "el nalgon." (el nalgon = he with the booty)
We sell rock, crystal.

And suddenly we throw down, when it becomes possible to partake in some assaults.

We rob stores, cars... when it is possible also a kidnaping or two.

[cuts scene, guy says aaaiiii@0:21 and a the guy in the background says what resembles to be the word for "shame," before the guy in yellow continues...]

We work

well actually

we pay the rent("dues," or "tariffs," probably) to the police; municipal[police], state[police], and judicial [police]... to let us work, in all of the district that is Tula, (at this point gun is placed on his left temple) titalaka, sal juapa,

All that... (I don't know if I spelled the last two city names right; count on them being spelled wrong)

[cuts scene]

Cha

we are 8 in the corporation

Cholo is there, El Nalgon is there, El Chivo is there(chivo means goat), also there is...

ehhhhh...

Theeeee eh

el

El Chalo

EL CHALO

Also there is El... el... Phaiit(????)

Also there is El ehh

Chavo(not chivo, chavo means "the kid.")

Also there is

ehhhh

Well ahh I don't remember all of the names very well (shrug)

All-All of the businesses that belong to ehh

well it is to say that

sales of vehicles

stores

all that

[They] pay for our quota"

(Now the guy in the background starts to talk...)

"This is what's going to happen to all the putos that are around throwing "philodon," to the people in the street." (whatever philodon is, I can't be sure what he says but it probably means drugs)
