It was found that the female YouTuber, who was transported to the emergency, died after stuffing red rice balls into her throat during live delivery.

On this April 8th, a female YouTuber ate a red rice ball at a stretch while delivering live on his own channel, but it was overwhelmed by a stuffed throat.

The situation where the body was convulsing and the situation where he was losing consciousness was delivered as it was, and after a few minutes the emergency personnel who thought that the viewer would call arrived, and the delivery ended.

After that, there was no information on safety, and many voices worried about the female YouTuber had risen on the net, but the son replaced the Twitter on April 11th, "April 10, 19:00 pm Thank you for your concern, and I think my mother is happy, but as a funeral, I decided to do it only in my body after consulting with my aunt, "said I made it clear.

It is one of YouTuber's staples to eat rice ball and eat it fast, and in the past HIKAKIN, Shosha Shocho, Tsuyoshi Kusanagi, famous YouTuber of puddles and other famous YouTuber have also published challenge videos.
