SUMMARY OF COMPLAINT:

This is an Administrative Review of an Officer Involved Shooting which occurred in the City of Sonoma. On May 13, 2018, at approximately 1057 hours, the Sonoma County Sheriff's Office received a call for service at the "Jolly Washer" car wash located [redacted] Highway 12, Sonoma, within the city of Sonoma. The reporting party, [redacted] told dispatch one of his employees was acting "crazy' and refusing to leave work. [redacted] also reported his employee "Ryan Ortel" (later determined to be Ryan Pritel) was in possession of a "BB" gun in his waist band but was not sure it was actually a BB gun. Deputies Schemmel, Hals and M. Matelli responded to the scene. Upon their arrival they contacted the reporting party, [redacted] After interviewing [redacted] all three deputies began to approach Pritel who was washing a car in the car washing lane. During their approach, Pritel drew a semi-automatic pistol from his waistband and shot a single round at Deputy Matelli. The round was "Snake Shot" and numerous pellets struck Deputy Matelli in the face, arms and chest area causing injuries. Deputy Matelli returned fire by shooting two rounds at Pritel. Neither of the two rounds hit Pritel. Pritel surrendered moments later and was arrested without further incident. The Sonoma County Critical Incident Protocol was invoked and ultimately investigated by the Santa Rosa Police Department.

Background Summary

This is an Administrative Review of an Officer Involved Shooting which occurred in the city of Sonoma. On May 13, 2018, at approximately 1057 hours, the Sonoma County Sheriff's Office received a call for service at the "Jolly Washer" car wash located [redacted] Highway 12, Sonoma, within the City of Sonoma. The reporting party, [redacted] told dispatch one of his employees was acting "crazy' and refusing to leave work. [redacted] also reported his employee "Ryan Ortel" (later determined to be Ryan Pritel) was in possession of a "BB" gun in his waist band but was not sure it was actually a BB gun. Deputies Schemmel, Hals and M. Matelli responded to the scene. Upon their arrival they contacted the reporting party, [redacted] After interviewing [redacted] all three deputies began to approach Pritel who was washing a car in the car washing lane. During their approach, Pritel drew a semi-automatic pistol from his waistband and shot a single round at Deputy Matelli. The round was "Snake Shot" and numerous pellets struck Deputy Matelli in the face, arms and chest area causing injuries. Deputy Matelli returned fire by shooting two rounds at Pritel. Neither of the two rounds hit Pritel. Pritel surrendered moments later and was arrested without further incident. The Sonoma County Critical Incident Protocol was invoked and ultimately investigated by the Santa Rosa Police Department.

[redacted] Highway 12, Sonoma, The Jolly Washer

Complaint / Authorities

This investigation began after deputies from the Sonoma County Sheriff's Office were involved in an 'Officer Involved Shooting' at [redacted] Highway 12, Sonoma. In the beginning of this investigation there were no specific allegations of policy violations or misconduct on behalf of any Sonoma County Sheriff's Office employees therefore there were no specific authorities to address; however, there are policies that govern some of the actions that were taken by employees. Based on those policies, the actions of the employees will be examined to determine if the policies were followed or if any policy can be improved upon.

The following policy, procedures, or protocols will be reviewed:

Sonoma County Sheriff's Office 'Department-Wide Policy and Procedure':

Press Release Policy
Critical Incident Debriefing/Defusing
Major Incident Notifications
Use of Force
Authorized Firearms
Body Worn Camera Policy

INVESTIGATION

This is an Administrative Review of an Officer Involved Shooting which occurred in the City of Sonoma. On May 13, 2018, at approximately 1057 hours, the Sonoma County Sheriff's Office received a call for service at the "Jolly Washer" car wash located [redacted] Highway 12, Sonoma, within the city of Sonoma. The reporting party, [redacted] told dispatch one of his employees was acting "crazy' and refusing to leave work. [redacted] also reported his employee "Ryan Ortel" (later determined to be Ryan Pritel) was in possession of a "BB" gun in his waist band but was not sure it was actually a BB gun. Deputies Schemmel, Hals and M. Matelli responded to the scene. Upon their arrival they contacted the reporting party, [redacted] After interviewing [redacted] all three deputies began to approach Pritel who was washing a car in the car washing lane. During their approach, Pritel drew a semi-automatic pistol from his waistband and shot a single round at Deputy Matelli. The round was "Snake Shot" and numerous pellets struck Deputy Matelli in the face, arms and chest area causing injuries. Deputy Matelli returned fire by shooting two rounds at Pritel. Neither of the two rounds hit Pritel. Pritel surrendered moments later and was arrested without further incident. The Sonoma County Critical Incident Protocol was invoked and ultimately investigated by the Santa Rosa Police Department.

On **May 13, 2018,** at **1057** hours, [redacted] the manager at the Jolly Washer car wash located [redacted] Highway 12, Sonoma, called the Sonoma County Sheriff's Office to report one of his employees was acting "Crazy". Sonoma County Sheriff's Office dispatcher Nicole Grace was working as the "Call Taker" that morning and took the initial call from [redacted] In reviewing the audio recorded call for service, [redacted] was very difficult to understand. In

essence he told Dispatcher Grace that one of his employees "Ryan" was carrying a "BB" gun in his waistband, while at work. [redacted] offered limited information to dispatch. Dispatcher Grace was able to get a physical description of "Ryan". This subject was later identified as Ryan Pritel.

10:58:47 hours, Deputies Hals and Matelli were initially dispatched to the call for service as a "415" involving a female employee refusing to leave.

11:00:07 hours, the call was updated to "Ryan Ortel" being a male employee possibly in possession of a BB gun.

11:00:19 hours, the reporting party stated "Ryan" showed up to work with the "BB" gun and was told to leave work and he refused. Reporting Party stated "Ryan was calm outside, and washing cars".

11:02:58 hours, Deputy Hals inquires to dispatch via radio if the reporting party knows it to be a BB gun or was he assuming and taking the subject's word it was a BB gun.

This prompted a second call to the reporting party [redacted] and another employee at the Jolly Washer.

11:03:10 hours, Dispatcher Grace called and spoke with a female employee (later identified as [redacted] who was able to relay information better than [redacted] Dispatcher Grace tried to clarify if in fact the gun was a real gun or a BB gun. The female employee described the gun was tucked into his waistband. [redacted] said, "I don't know if it's a real gun or a BB gun, it's real concerning". Dispatcher Grace specifically asked if they knew it was a BB gun or not. Both the original reporting party, [redacted] and [redacted] "assumed" the gun was a BB gun, but had no information to confirm it was or was not.

11:04:28 hours, Dispatch updates Deputies Hals and Matelli about the gun, stating the reporting party and witness "assumed" the gun was a BB gun and that he always carries the gun.

11:06:24 hours, Deputy Hals makes contact with [redacted] for the first time (on scene). Deputy Hals had activated his Body Worn Camera prior to arriving on scene at **1105 hours**. His first video was 30:31 min/sec long and later placed into "Restricted" status after the Officer Involved Shooting. Deputy Hals initially went to "Oil Changers 3000" a across the street from the Jolly Washer car wash ([redacted] Hwy 12, Sonoma). Upon learning of the correct address, he walked over and met up with Deputies Matelli (Motor cycle unit M-91) and Schemmel. The three of them walked into the store and made contact with [redacted] inside the Jolly Washer.

[redacted] was interviewed about the facts surrounding Ryan carrying a gun while at work. Deputies Hals, Matelli, and Schemmel agreed to contact Ryan. Deputy Hals told [redacted] that if he wants to fire his employee then he needs to terminate him, not the Sheriff's Office/Sonoma PD. [redacted] said [redacted] would be putting himself in danger. She said it's not safe if Ryan has a gun. Deputy Matelli told Deputies Hals and Schemmel, they needed to make contact with

Ryan first. At approximately **5:30** min/sec into Deputy Hals' video was when he told [redacted] that it was not his job to fire Ryan. Seconds later Deputy Matelli stated something similar to "Let's contact him". Deputy Matelli activated his Body Worn Camera upon arrival at **1107** hours. Approximately **2:04** min/sec into Deputy Matelli's video, he made a comment to Deputies Hals, and Schemmel, "let's go contact him'.

The three of them walk from the inside of the store/cashier area over to the area where the employees were washing the cars. Pritel had been previously described as having his hat on backwards and washing cars. Upon arrival Deputy Schemmel confirmed the employee with the gun was the subject with the hat on backwards. At **2:11** min/sec into Deputy Matelli's Body Worn Camera video, he made contact with Ryan by stating, ***"Hey Ryan, come here real quick, man.", "Keep your hands where I can see them alright"***, Deputy Matelli drew his duty pistol from his holster and sternly yelled ***"Keep your hands where I can see…..DROP IT RIGHT NOW".*** A single shot can be heard from Pritel's pistol. In Deputy Matelli's Body Worn Camera video, you can see Pritel next to a silver colored pickup truck in the carwash isle. At **2:19** min/sec a single round is fired. At **2:20** min/sec, Deputy Matelli returned fire, shooting two rounds at Pritel from his department issued pistol.

SURVEILLANCE VIDEO (STILL) PRITEL DRAWING PISTOL FROM WAIST

Deputy Schemmel activated his Body Worn Camera at **11:11** hours, immediately after the shot was fired by Pritel, and the two shots fired by Deputy Matelli, but prior to taking Pritel into custody within the carwash area. The video records for **30:32** min/sec, continuously.

AFTER PISTOL WAS REMOVED FROM WAIST BAND PRIOR TO SHOOTING

The two rounds fired by Deputy Matelli struck the silver Chevy truck that Pritel was taking cover behind. One round struck the driver's side bed of the truck at the top apex of the wheel well. Pritel was observed on surveillance video at the rear of the truck as depicted in the above photograph. After drawing his pistol from his waistband using his right hand he began to move behind the cover of the pick-up bed. After he fired at Deputy Matelli striking him in the face and body area, Pritel continued to move towards the front of the truck on the passenger side. This was when Deputy Matelli fired his rounds. After the shooting occurred and Deputy Matelli was being medically evaluated by Sergeant Percy in the parking lot of the Jolly Washer. Deputy Matelli provided a "Public Safety Statement" to Sergeants Percy and Toney. Deputy Matelli said, ***"I fuckin sent one back, I sent one through that dudes truck".*** Moments later Deputy Matelli stated, ***"I returned I think two rounds", "I think I shot twice", "one round went through the windshield, I was trackin".*** Deputy Matelli's public safety statement provided to Sergeants Percy and Toney was consistent with the video evidence obtained from the surveillance video, the Body Worn Cameras, the evidence at the scene and the evidence contained within the photos below. At **6:55** min/sec into Deputy Matelli's video was when he made his initial public safety statements.

FIRST ROUND FROM DEPUTY MATELLI

SECOND ROUND FROM DEPUTY MATELLI

Deputy Matelli was struck by numerous pellets. This was later determined to be snake shot from a 9mm round. Deputy Matelli sustained injuries near the eyes, cheek, hands, forearm, and in his abdomen area. Deputy Matelli retreated to an area of cover and concealment after being shot. He radioed he had been shot, and was running towards Ramon Street thinking the suspect fled from the initial scene and was concerned Pritel was going to double back behind the deputies. Deputy Matelli radioed his partners asking where Pritel went. Unbeknownst to Deputy Matelli, Pritel had thrown his firearm into the parking lot on the opposite side of the silver Chevy Truck. Pritel raised his hands in a surrender fashion and ultimately laid prone on the ground.

Deputy Matelli provided a statement to SRPD Detective Ryan Cogbill on May 14, 2018. Regarding Deputy Matelli's initial observations of Pritel drawing and pointing the handgun at Deputy Matelli he provided the following statement;

DEPUTY MICHAEL MATELLI'S INTERVIEW WITH SRPD

Deputy Matelli provided a voluntary statement to Detectives with the Santa Rosa Police Department on May 14, 2018. Present in the interview was Deputy Matelli's attorney Jonathan Murphy (Rains, Lucia and Stern).

. Um, I start walkin' out. I walk a short distance and, and, um, I see Ryan, who they described as having, uh, a backwards baseball cap on. So I call out to Ryan, hey Ryan, come here, and, uh, I believe I say somethin' to the effect of let me see your hands. Um, and immediately at that point, Ryan is at the back of a pickup that he's washin'. So the pickup is – as I'm facin' – the pickup's facin' westbound. He's at the east end of the pickup.

RC: ***Okay.***

MM: ***As soon as I call out to him, um, I immediately see him go – I believe it's his right hand – to his waistband, and as he's doin' so, um, I see what I recognize as a, as a black handgun comin' out of his waistband. So at that point I immediately draw my firearm and, um, I yell somethin' to the effect of, of drop it or somethin' like that, as he comes out with, with the gun and starts bringin' it up. At that point, uh, I hear his gun discharge, and I feel an impact on my face and on my hand, and at that point I know that I had just got shot. So, um,***

I immediately, I, I already had my, my firearm out. I get in a shooting stance, get sight picture on him and, um, I believe I, I shoot, shoot twice back in his direction, um, tryin' to, tryin' to, uh, stop the threat at that point. Um, uh, after my two shots got off, um, I yell out that I've been shot. Uh, I remember distinctly Greg, Deputy Hals as sayin', uh, shots fired, officer down, over the radio. Um, at that point, I turn and try and run to go get cover or somethin', and I get on the radio and say, hey, uh, Mary 91, I've, I've been shot. Um, uh, and then from that point, I didn't know where the – I just, I remember the suspect as after I engaged him, going, running westbound, like, behind the pickup.

RC: ***Mm hmm.***

MM: ***So my first thought was that he was gonna go try and, um, come around on us. Um, so I turn and I go runnin' towards Ramon Street to see if he's gonna pop out, 'cause I, I honestly had no idea where the other two deputies were.***

RC: ***Mm hmm.***

MM: I didn't know where the suspect was. So I run back to the street, and I see some citizen runnin' across the street and I, I'm like hey, where, where'd he go? He keeps runnin'. So I turn back around and I go back up, and at that point as I'm comin' up, I can hear the guys yellin' and then, uh, I see Deputy Hals come out from, from the front of the pickup, and he comes up to me and, uh, uh, he asks me – I believe he, he's like, hey, take a seat
(Pages 8,9,10 of transcripts)

During the interview Deputy Matelli was asked and/or offered his thoughts and opinions about his safety, the safety of Deputies Hals and Schemmel, and the citizens at the carwash. He provided the following statements;

RC: ***Okay. Um, when did you first un-holster your firearm?***

MM: ***Uh, I believe it's when, um, so when I walked out I called out to 'em, and I asked hey let me see your hands or something to that effect, um, and then at that point when he goes for his waistband that's immediately when I go for my gun and, and, pull it out and –***

RC: ***Okay.***

MM: ***– start yelling at him or, so.***

RC: ***So you didn't walk out with your gun drawn, pointed at him –***

MM: ***No.***

RC: ***– until you saw this threat.***

MM: ***Yes.***

RC: ***Okay. Um, and have you, do you know the suspect at all? Have you ever dealt with him?***

MM: ***No.***

RC: ***Okay. How 'bout the, any issues at the gas station before? Have you been at that location for any issues?***

MM: ***Uh, I, I don't think I've ever, I can't recall ever going there for, like, call for service.***

RC: ***Okay.***

MM: ***I filled up my patrol car there every once in a while.***

RC: ***Yeah. And, and I think you kind of explained this, um, but you were obviously afraid for your own life, afraid for other peoples' lives –***

MM: ***Absolutely.***

(Page 16 of transcripts)

RC: ***Okay. Um, and then takin' into consideration, uh, was it, I think we, uh, Detective Andrews hit on it, but it was, was it busy, you remember the carwash being busy at that time?***

MM: ***Yes. It was, um, what I said earlier was when we were in talking to the manager there was customers comin' in and out, um, and it, from what I recall it was extremely busy that day. That gas station was, was pretty filled, um, -***

RC: ***Okay.***

MM: ***– which obviously when he started shootin' that was another thing that not only was I concerned for I thought that I was gonna get killed but my partners and then also all the citizens around.***

RC: ***Mm hmm.***

MM: ***So.***

RC: ***Okay. Which kinda leads me to my next question is had you and the other deputies not stopped the threat, what do you think would've or could've happened?***

MM: ***I, I think he woulda continued trying to kill either us or, or citizens around.***

RC: ***Okay. Anything?***

VA: ***Nope.***

JM: ***Yeah. Just really quickly, um, would it be fair to say this happened really quickly?***

MM: ***Yes.***

JM: ***Rapidly evolving?***

MM: ***Very rapid.***

JM: ***A lotta stuff going on?***

MM: ***Yeah.***

JM: ***Fairly traumatic considering the fact that you were injured.***

MM: ***Yeah. Yup.***

JM: ***With all of that in mind and everything that was going on how quickly this happened, has your accounting you've shared with us just now to the best of your recollection as we sit here?***

MM: ***Yes. Absolutely.***

(Page 19 of transcripts)

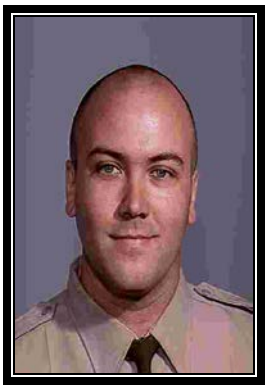

END OF INTERVIEW

Deputies Hals and Schemmel both had their duty pistols drawn and pointed at Pritel who was partially concealed on the passenger side of the truck near the front fender area and behind the engine block. In reviewing their Body Worn Camera footage I noted the following; After Pritel shot at Deputy Matelli and he returned fire, Deputies Hals and Schemmel advanced on the suspect. Watching Deputy Hals' Body Worn Camera footage I saw Pritel throw the pistol into the parking lot in the direction of Deputies Hals and Schemmel. At **6:05** min/sec (B.W.C.), I could see a black pistol sliding on the pavement. I could also hear the gun hitting the ground. (Refer to the still photograph taken from the video surveillance camera.

Deputies Schemmel and Hals contacted Pritel and ordered him to show his hands and to get on the ground. Pritel was handcuffed without incident. Deputy Hals stated the following in his interview with Detectives Cogbill and Andrew on May 14, 2018;

DEPUTY GREG HALS' INTERVIEW WITH SRPD

Deputy Hals provided a voluntary statement to Detectives with the Santa Rosa Police Department on May 14, 2018. Present in the interview was Deputy Hals' attorney Jonathan Murphy (Rains, Lucia and Stern).

I remember him stepping out from behind the truck, and I, I distinctly remember reaching down and he pulled, and I remember seeing a black gun like this, this action, um, and all, all I remember is, "Drop it." Um, "Drop the gun." Something to that effect.

From that point forward it's, it's, um, kind of a little blurry. Um, I, I remember yelling at him, and I remember hearing our guys yell at him, but I don't remember exactly what is was, and I don't remember the exact sequence of who said what and when.

Um, I hear pop, pop, pop and I don't remember exactly how many. I just remember hearing shots. It could have been, my initial thought is three to five.

Um, he ducked behind the truck. I, as I was walking up I had seen one person in the driver's seat of the vehicle. It had black tinted windows around the back so I didn't know who was in that Chevy truck and how many people were in that Chevy Truck at that point, but I knew there was at least one and I knew that there was workers. One was, one worker was still on the driver's side of the vehicle maybe about middle of the, um, the bed. Um, he ducked behind the truck. I don't, I don't see him coming out so I'm thinking and, and I hear Mike say, "I'm hit." Um, I remember putting out officer or shots fired, shots fired, officer down and then I remember thinking engage. Just go. Push. So I went around the, I kind of, I don't want to say pie'd the front of the truck, but I remember kind of creeping, kind of going around, but I was pushin' forward and then as I get I don't know 8 to 10 feet from the truck maybe, um, I'm kind of at an angle.

I can't see everything on this side, but I see the gun fly out somewhere, and it skates across the ground in front of me. Um, I looked down at it. I confirmed it was a gun. Um, so I'm thinking okay, he tossed the gun, but I didn't let them. I, I don't remember, like, breathing a sigh of relief or anything. I just, it's and keep, keep going. Um, and I see as I'm coming around I'm, I see him at the passenger side of the bed near the front tire, um, maybe near the front grill area. Um, he's kinda standing there. I don't know if he has his hands up. Maybe he does, but, um, he's not in an aggressive manner or like he's gonna run or like fight. It was just he was kind of like I don't know. Maybe unsure but I just remember seeing him. Um, I know Mike Schemmel at some point comes into my peripheral, and we're giving commands, "Get on the ground. Get on the ground." Um, I don't know, "Show me your hands," or who said what first. Um, I remember going over. Um, he had his hands out to the side like this. Um, Mike comes into my side. Um, I see him grab one hand. I step onto one guy's hand just in case he's gonna try to get up and fight or anything. I'm standing on his hand. Um, and then, uh, Mike's got him proned out, an arm up, kind of, kind of an arm bar up, but and then I'm tryin' to grab cuffs, put cuffs on him.

(Page 9 of Transcripts starting at line 399)

Deputy Hals was asked during the interview if he ever asked dispatch for clarification about the gun being a "BB gun". Deputy Hals provided the following statement and answer(s).

RC: Yeah. I have some questions for you and then you might think of stuff and we can go re-visit it.

GH: Okay.

RC: Um, so goin' back to when you first, let's go back to the dispatch. Um, you asked about how does, how do you know this is a, a BB gun. Did you ever get a response? I may have missed it. Did they ever?

GH: I think dispatch said something that they were going to call back the RP or they were going to try to talk to him to find out further.

RC: Okay.

GH: I don't, I don't remember getting, I don't remember hearing a "Yes, we know it's a BB gun" or a, "We don't know" answer.

RC: Okay.

GH: I remember asking it.

RC: Okay.

GH: I was on West Main. I did, I mean that part I totally remember.

RC: ***Mm-hm.***

GH: ***How do we know, um, and I think they maybe even asked like 10-9, you know, what, what did you say? And I said something, I said it again. Maybe clarifying it. Um, but that's what I remember about that. I was trying to, 'cause I was trying to confirm how do we know this.***

RC: ***Yeah.***

GH: ***Are we takin' somebody's word for it?***

VA: ***Yeah.***

VA: ***That's what I was going to say. What was your concern when, while asking, you know, trying to confirm if it was a BB gun? What were you thinking?***

GH: ***Well, I mean, if somebody actually could say, "Yes, I, I did see, it is a BB gun," um, then my, um, I wanna say awareness or whatever, uh, uh, it might be lowered some. Not a lot, but it might be lowered some that they're, and I'm not, I know well enough not to take somebody's word for it completely, especially somebody callin' in because we've all been there where you get dis, dispatch to somethin' and it turns out to be something completely different.***

RC: ***Mm hmm.***

GH: ***So, if somebody could say yes, it's confirmed it is, he saw it, it is a BB gun, then okay. Um, I'm still gonna handle things the way I'm going to but maybe that just changes a little bit to, to my tactics.***

RC: ***Mm hmm. At, at any point, whether it was from Dispatch, and then I know you talked to the RPs for a while, at any point, was anybody able to confirm one way or the other, yes this is a BB gun for sure? Or no, this is a real gun for sure? Did anybody ever confirm that?***

GH: ***No.***

RC: ***Okay. So, you guys, you didn't know whether it was or was not. There was just some speculation that they were, it was a BB gun?***

GH: ***There was, yeah. I would say it was speculation.***
(Page 12 of transcripts starting at line 543)

Deputy Hals was asked if he was in fear for his safety and the safety of his partners and public. He replied with the following statement(s);

GH: ***Well, when he shot and, uh, didn't say anything and it, it, that, I think that's, which, there was no verbal interaction. There wasn't a, "Fuck you guys," uh, there wasn't a, there wasn't anything coming back at, like, coming at us when we said, "Hey, man! Come over here," and it's just, Pop! Pop! Like that quick, um, I mean, I can only think when he dives behind the truck, I think that's why I kept going. I didn't duck for cover or try to hi, like, take, you know, get behind anything, um, with all the people there, I was thinking it's gonna continue. This is gonna, uh, this is gonna continue. Um, he's taking cover but I, I need to stop. I need to stop. I need to stop this threat. I need to, uh, engage and end it. Um, and then as I'm, like I said, as I'm comin' around, that, that gun flies out, skates across the cement, and it, it was actually kinda surprising, um, 'cause I remember looking down at it, confirming that's a gun, um, but I don't know that, I know that he's still a threat.***

RC: ***Mm hmm.***

GH: ***Um, and I don't know anything further other than there's a gun here but he's still there. He's not in custody.***

RC: ***Okay.***

GH: ***Um, so, I, uh, I mean, I, I kinda wanted to, I remember wanting to get an angle on him, keep eyes on him when I could see him and then I think Schemmel may have been thinking the same thing and that's why we both went in together like that, or if –***

RC: ***Okay.***

GH: ***– um, –***

RC: ***And, and you say he was a threat. Who was he a threat to specifically?***

GH: ***He was a threat to everybody there. Every civilian that was there, every worker, me, Mike and Mike. I mean, an unprovoked shooting at us, directly at us. That, I mean, I personally had never had any contact with this guy before. Never saw him before. Didn't recognize the name as being somebody on, you know, uh, something that we've discussed about a, a habitual criminal. I didn't recognize who it was. But somebody just out of the blue start, pulls a gun and starts shooting at three cops? That's, that's somebody that needed to be neutralized.***

RC: ***Okay. You answered one of my next questions. Um, at what point do you remember unholstering your firearm?***

GH: ***Um, it was some point advancing towards him, um, I saw the gun. I didn't, I didn't have my gun out or even a hand on my gun as, uh, we were walking but I remember pulling it out after I saw the gun.***

(Page 16 starting at line 732)

Once the threat was controlled by placing Pritel in handcuffs, Deputy Hals ran back to Deputy Matelli to triage his injuries. Deputy Hals had already put out via the radio "Shots fired", "Officer down". While Pritel was being handcuffed, Deputy Hals requested "Code 3 medical". Deputy Hals completed a head to toe medical evaluation of Deputy Matelli. In reviewing the video, and based on Deputy Hals' statement, Deputy Matelli was very much still in the "fight". Deputy Matelli repeatedly asked if the suspect was in custody. Deputy Hals tried to have Deputy Matelli sit down on a chair outside the store in an attempt to calm Deputy Matelli. The term, (still in the fight), was referenced in Deputy Hals' interview with Detective Cogbill.

While Deputy Hals was attending to Deputy Matelli an unknown male subject who identified himself as an off duty law enforcement officer came over to assist. He later told Deputy Schemmel his name was "Pablo". This was captured on all three deputies' Body Worn Cameras.

Deputy Hals realized that Deputy Matelli did not have life threatening injuries so he placed rubber gloves on and recovered the loaded pistol which was loaded and unsecured in the parking lot. Deputy Hals later placed the firearm on the hood of Sergeant Percy's patrol vehicle and later rendered it safe and secured it in a patrol vehicle.

Deputies Hals and Matelli gave public safety statements to Sergeants Percy and Toney who had arrived on scene with minutes of the shooting. Sergeant Percy physically examined Deputy Matelli for any traumatic injuries, beyond the ones that were obvious. Medics arrived on scene and began to further evaluate and treat Deputy Matelli

[redacted]

DEPUTY MICHAEL SCHEMMEL'S INTERVIEW WITH SRPD

Deputy Schemmel provided a voluntary statement to Detectives with the Santa Rosa Police Department on May 14, 2018. Present in the interview was Deputy Schemmel's attorney Jonathan Murphy (Rains, Lucia and Stern).

MS: ***So as that happens, um, Greg and I together walk across the street and, uh, Deputy Mike Matelli, who just arrived, got off his bic, his motorcycle, I guess, and all***

three of us walk into the, um, the front store, which is like the convenient center where you can buy seeds and monster drinks and stuff like that, and so I stand back while Deputy Gregs Ha, Greg Hals talks to, um, who I believe to be a female clerk, uh, there, and then we tried to ask questions about who called. He asked questions about who called. I didn't ask. I was just listening.

RC: *Mm hmm.*

MS: *And it turn, turned out that somebody was on the phone, which I'm assuming was with the dispatcher, uh, but I don't know who he's on the phone with and we're, we're asking questions, uh, regarding, um, which employee it was. Um, you know, he asked, he was asking questions about, you know, trespass admonishments, if he wants him to be, uh, trespassed out of there. At one point the conversation kinda was lull, so I said do you want him fired. I don't really understand what we're doing here.*

RC: *Mm hmm.*

MS: *That was the thing. We were kind of tryin' to explain to him, you know – I heard Deputy Hals ask, you know, how do you know it's a BB gun, have you seen it, um, and they, they all heard, from what I heard, them saying. Um, prior to walking into the store I remember seeing a, a male that was in the car, car wash who had his hat on backwards, appeared to be a white male, blue shirt, you know, washing cars, but kind of watching us as we walked in, so I think one time I interjected and said is that him? You know, and they all, they looked and they, they said that yeah, that's him.*

RC: *Mm hmm.*

MS: *Um, okay, so we, I stood by and continued to, to hear Deputy Hals speak with, uh, the manager, the male, which I believe to be the RP, but I'm not sure, and then, uh, Mike, who was standing right next to me, Mike Matelli, say let's just go, go contact this guy. Mike walked out of the store. I walk out behind him, you know. Um, at this point, uh, I hear, I, I'm not a 100 percent certain, you know, my recollection is a little cloudy –*

RC: *Mm hmm.*

MS: *– about what happens next, but my best is hearing him say let me see your hands.*

JM: *Sorry, I don't know how that got switched back to loud. Keep going, sorry.*

MS: *Um, something to the effect of let me see your hands and I, I think I heard someone say gun, but I'm not sure, I'm really not.*

RC: *Mm hmm.*

MS: *Uh, and as, as that's happening I, I have my gun out, um, and I look over. I see there's*

a driver in a vehicle sitting right there and I also see there's this, the same male I saw from inside the convenient store that was washing cars, um, at the, the, kind of the tail end of the, the pickup truck.

RC: *Mm hmm.*

MS: *Pull, um, had, had like a, a black handgun, like it was like pulled up and I thought I saw **** silver thing on the end of it.*

RC: *Okay.*

MS: *Like it, it's, I don't – this is so quick.*

RC: *Mm hmm.*

MS: *And I, I briefly, and run to the side, um, nervous about the guy in the car.*

RC: *Mm hmm.*

MS: *Um, at the same time I hear about three shots. I'm, I'm not sure if there was more, but what I could recall is about three –*

RC: *Mm hmm.*

MS: *– shots. You know, as that happens, uh, I'm lookin' to see where he went. Um, I hear on the radio that, uh, there's officers been hit from the shots that I just heard.*

RC: *Mm hmm.*

MS: *'Cause, um, when I peel off to the left of where, um, Deputy Matelli was, he, he was a little further back than I was 'cause I ran over to the left and I'm looking to see where, where this guy went. Um, at that point I see a gun thrown out into the, the middle of the, of the road from where I was. I was like, uh, there's a car path between where I was. I was like on a little sidewalk.*

RC: *Mm hmm.*

MS: *And there, a car could drive through to the back part of the car wash and then the vehicle and then I believed the offender to be on the other side. Um, then I hear, uh, Deputy Hals and I believe I was yelling too. I don't remember what I was yelling, something to the effect of get on the ground, get on the ground, let me see, get on the ground. I think it was put your hands forward, but I, I heard just get on the ground.*

RC: *Mm hmm.*

MS: ***At that point I see subject, the same person with the hat on, uh, fall face down on the ground with his hands forward. Uh, Deputy Halls and I had our guns out and we were drawin' on, on him to secure him. Um, I made a motion to Greg, uh, that I'm gonna put my gun away and you keep, keep your gun on him. I holster my gun, uh, pull his hands together, and I wanted to hold him. I felt like I couldn't let go –***

RC: ***Mm hmm.***

MS: ***– of him once I had him because I didn't know if he had more guns or anything further, so as I continued to hold him, um, I said give me your cuffs. Greg put his gun away and we cuffed him.***

While Deputy Schemmel was handcuffing and searching Pritel next to the silver truck, Deputy Hals ran over to check on Deputy Matelli. A male subject who verbally identified himself as "[redacted]", an "off duty" officer assisted in controlling Pritel while Deputy Schemmel thoroughly searched him. After the search was completed, "[redacted]", later identified as [redacted] contacted Sergeant Toney. He provided Sergeant Toney with contact information. [redacted] was never interviewed by Santa Rosa Police Department. I was able to identify him by watching Body Worn Camera footage from Deputies Schemmel, Hals and Sergeant Percy.

I contacted Lake County Sheriff's Office, Marin County Sheriff's Office and Napa County Department of corrections to determine if [redacted] worked for any of those agencies. I finally contacted San Quentin State Prison and learned [redacted] worked for the California Department of Corrections. I called [redacted] on January 28, 2019, and obtained a statement from him.

[redacted] said on May 13, 2018, he was off duty driving his personal vehicle on Hwy 12, when he was passing the Jolly Washer carwash/gas station. He had his windows up but heard the sound of guns shots. He pulled over and saw police action at the Jolly Washer. Fearing it might be an "Active Shooter" incident he stopped to see if any law enforcement personnel needed assistance. He did not see the actual shooting incident. Upon exiting his vehicle he went to check on the injured Deputy (Deputy Matelli). He observed some non-life threatening injuries so he then went to assist Deputy Schemmel who was securing Pritel. [redacted] assisted in securing and searching Pritel but took no enforcement action. He said Pritel was screaming but no force was used in the cuffing or securing of Pritel.

Involved Deputies
Deputy Michael Matelli-ACTOR

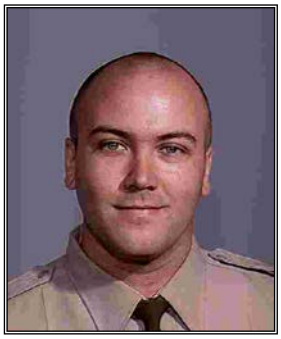

Deputy Michael Matelli was hired by the Sonoma County Sheriff's Office on June 17, 2014. He was a lateral hire from the Rohnert Park Department of Public Safety. Deputy Matelli is a member of the SWAT team, a Motor Officer for the City of Sonoma and a firearms instructor.

[redacted]

[redacted]

[redacted]

Deputy Greg Hals-WITNESS

Deputy Greg Hals was hired by the Sonoma County Sheriff's Office on July 25, 2006, as a Correctional Deputy. Deputy Hals was promoted to a Deputy Sheriff and attended the academy on July 15, 2008. Deputy Hals is a member of the Tac-Team.

[redacted]

[redacted]

[redacted]

Deputy Michael Schemmel-WITNESS

Deputy Michael Schemmel was hired by the Sonoma County Sheriff's Office on September 17, 2013. He was a lateral hire for the Marin County Sheriff's Office. Deputy Schemmel is a FTO, and a member of the HNT unit.

[redacted]

Conclusions and Findings

In comparing and contrasting the actions of Deputies Matelli, Hals and Schemmel with the Sonoma County Sheriff Office's policy and procedures; I believe the deputies acted within the best practices of the industry standards, within the expectations of the Sonoma County Sheriff's Office, within the parameters of the Sheriff's Office policy and procedures, and within the law.

Federal Case Law, Graham v. Connor, concludes in its findings that;

> "The right to make an arrest carries with it the right to use objectively reasonable force. In determining whether force used by an officer is objectively reasonable, all of the facts and circumstances with which the officer was confronted are considered including:
>
> 1. The information available to the officer at the time of the incident;
> 2. The actions of the suspect;
> 3. Whether the suspect reasonably appeared to be a threat to the officer or to other persons;
> 4. The severity of the crime of which the individual was suspected.

California Penal Code Section 835a states:

> "A peace officer who makes or attempts to make an arrest need not retreat or desist from his efforts by reason of the resistance or threatened resistance of the

person being arrested; nor shall such officer be deemed an aggressor or lose his right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance."

Following the guidelines in the aforementioned federal case and California law; Deputy Matelli's use of deadly force was reasonable based on Pritel's actions of using a firearm as a deadly weapon, subsequently creating the perception of a threat to life.

English | Español

Advisory **Sonoma County Sheriff's deputy shot by suspect, in good condition.**

This morning shortly before 11:00 AM deputies were dispatched to the Jolly Washer gas station/car wash in the 19200 block of Hwy 12 in Sonoma. A manager of the car wash told dispatch that a 19-year-old employee was acting strange at work and was told to go home, but refused to leave. The manager also said the employee appeared to have a BB gun with him.

Two deputies, who are assigned to the Sonoma Police Department, responded to the call. They saw the employee standing behind a grey pickup in the car wash line. The employee was behind the truck and acting suspicious. The suspect then pulled out a handgun and fired at the deputies.

At least one deputy then used his service weapon to return fire, but did not hit the suspect as he was ducked down behind the truck. The suspect's handgun appears to have jammed and the suspect threw his gun down, at which time the deputies took him into custody. The suspect's loaded 9 mm semiautomatic handgun was retrieved and secured.

One deputy was struck by the suspect's bullet. The projectile fired by the suspect was one that had multiple pellets, commonly called a snake shot. The deputy was struck in multiple places on his body. The suspect's handgun was loaded with several more rounds of this type of ammunition. He was flown to a local hospital. He is in good condition and is expected to survive his injuries. We are thankful that our deputy is going to be ok and we appreciate the community's support during this difficult time.

Media Inquiries: 707-565-3941

Address/Location
Sonoma County Sheriff's Office
2796 Ventura Ave
Santa Rosa, CA 95403

Findings: No violation noted.

Radio Policy

The purpose of this policy is to set guidelines for the radio system and the conduct of those using it. The radio system is designed to utilize the radio to communicate "calls for service, to enhance and support officer safety, to coordinate information and activity between field units, and to provide incident documentation."

A review of this incident did not reveal any policy violations. A copy of the Computer Automated Dispatch (CAD) log was attached to this report as well as the recording of the incident.

Findings: No violation noted.

Critical Incident Defusing/Debriefing

The purpose of this policy is to provide members, who have been exposed to incidents that involve traumatic injury or death, a means to minimize potential health problems by discussing and receiving support for their involvement.

Deputies Matelli, Hals and Schemmel were aware of the peer support program. They were also aware there was a debriefing which they attended.

A review of this incident did not reveal a policy violation.

Findings: No violation noted.

Major Incident Notifications

The purpose of this policy is to ensure everyone who is required to be notified within the Department about a major incident be advised of such. In this case everyone was notified as required by this policy.

A review of this policy did not reveal any policy violations.

Findings: No violation noted.

Use of Force

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation; every deputy of the Sonoma County Sheriff's Office is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner. Even at its lowest level, the use of force is a serious responsibility and the Sonoma County Sheriff's Office recognizes the need for constant evaluation.

The policy states that:

> "Deputies shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the deputy at the time of the event to accomplish a legitimate law enforcement purpose.
>
> "The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that deputies are often forced to make split-second

decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

"Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

"It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by the Office. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

"While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires a deputy to retreat or be exposed to possible physical injury before applying reasonable force."

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factor include, but are not limited to:

(a) Immediacy and severity of the threat to deputies or others.
(b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time.
(c) Deputy/suspect factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of deputies available vs. suspect(s).
(d) The effects of drugs or alcohol.
(e) Suspect's mental state or capacity.
(f) Proximity of weapons or dangerous improvised devices.
(g) The degree to which the suspect has been effectively restrained and his/her ability to resist despite being restrained.
(h) The availability of other options and their possible effectiveness.
(i) Seriousness of the suspected offense or reason for contact with the individual.
(j) Training and experience of the deputy.
(k) Potential for injury to deputies, suspects, and others.
(l) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the deputy.
(m) The risk and reasonably foreseeable consequences of escape.

(n) The apparent need for immediate control of the suspect or a prompt resolution of the situation.
(o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
(p) Prior contacts with the suspect or awareness of any propensity for violence.
(q) Any other exigent circumstances.

In regards to when a deputy may use that force, and when it is justified, the policy states:

> "A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance of the suspect being arrested; nor shall such officer be deemed an aggressor or lose their right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance."

A deputy may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.

Deputies Matelli, Hals and Schemmel were aware of several factors that led them to believe Pritel may be armed with a firearm (possibly a BB gun). Upon contacting Pritel he retrieved a firearm from his waistband and fired a single shot, striking Deputy Matelli. Pritel had physically assaulted Deputy Matelli with a firearm. The suspect was still in the possession of a handgun when Deputy Matelli fired his duty weapon engaging in deadly force. All of these factors led Deputy Matelli to believe Pritel presented such a threat that deadly force was the only option to cease the ongoing assault and/or any further elevated aggression.

Findings: No violation noted.

Authorized Firearms

The purpose of this policy is to ensure that there is an established procedure for the use and reporting of incidents involving the discharge of firearms. It also ensures that a member of this Department who uses a firearm, has successfully passed a Department approved qualification course.

In reviewing Deputy Matelli's shooting records, they indicate he qualified for the first and second quarter of 2018, as required by this policy.

Signature _____ Title _____ Date _____

In further review of this policy, under sections 304.2 Reporting and 304.3 Investigations, it states that the involved deputy (who uses his firearms) as well as his supervisor shall write memorandums regarding the use and circumstances respectfully. The only exception is if the Sonoma County Law Enforcement Chiefs Association countywide Protocol 93-1 (commonly known as the 'Employee Involved Fatal Incident Protocol') is invoked.

In this instance, the Employee Involved Fatal Incident Protocol was invoked. Members of the Santa Rosa Police Department Violent Crimes Unit completed the criminal investigation utilizing the format of the Sonoma County Sheriff's Office Critical Incident Guidelines Manual.

A review of this policy did not reveal any policy violations.

Findings: No violation noted.

Sonoma County Sheriff's Office Law Enforcement Division Policies

400 – Patrol Function

The purpose of this policy is to define the functions of the Patrol Bureau. Based on the information gathered through this investigation, the deputies realized they needed to contact Pritel and detain him if necessary. The means to affect the arrest included the use of deadly force. The deputies fulfilled the requirement to "apprehend criminal offenders." (400.11)

A review of this policy did not reveal any policy violations.

Findings: No violation noted.

425 – Body Worn Camera

The purpose of this policy is to provide guidelines for the use of the recording device. The policy states:

> "The purpose of body worn cameras (BWC) and audio recorders is to provide documentary evidence for criminal investigations, internal or administrative investigations and civil litigation. Members shall utilize the BWC's and audio recorders in accordance with the provisions in this policy to maximize the effectiveness of the audio/video documentation to achieve operational objectives and to ensure evidence integrity."

5.6 ACTIVATION OF THE BWC

This policy is not intended to describe every possible situation in which the BWC should be used, although there are many situations where its use is appropriate. Unless, it would be unsafe, impossible, or impractical for the situation, members are required to activate their BWC prior to making contact when responding to all calls for service, and during any law enforcement related encounters and activities that occur while the member is on duty. Examples include, but are not limited to:

(a) All enforcement and investigative contacts including arrests, pursuits, suspicious detentions, and field interview (FI) situations.

Use of Force - Case Details

Use of Force: 18-UOF-0143

Incident Type:	Use of Force		**Incident Number:**	18-UOF-0143	
Call Type:	Disturbance (415)		**Incident Date:**	5/13/2018	**Time:** 10:58
			Date Reported:	5/17/2018	**Time:** 11:26
Zone:	Zone 9	**Region:** Sonoma PD	**Shift:**	Day	
Status:	Closed - General		**Date Closed:**	5/17/2018	

Details

Division:	Law Enforcement
Type of Force/Effectiveness (Check All That Apply):	Firearm Used - Ineffective
Type of Force/Effectiveness (Other):	
Subject Age:	18-25 years
Subject Race:	White
Subject Gender:	Male
Subject Intoxication:	Unknown
Deputy Injury:	Yes
- If yes, did injury paperwork get completed?:	Yes
- Photos taken of deputy:	Yes
Subject Injury:	No
- Photos taken of subject:	Yes
Injuries qualified as "serious bodily injury":	Yes
Were witnesses interviewed?:	Yes
Was BWC video reviewed?:	No
- If not please explain why:	OIS CRITICAL INCIDENT PROTOCOL ENVOKED
Was evidence collected?:	Yes
Lighting conditions:	Ambient light (natural)
Did you respond to the scene:	Yes
- If no please provide brief explenation :	
Were all required reports completed?:	Yes
Summary of Reason for the contact:	Deputies were dispatched to the Jolly Washer Carwash business, located at [redacted] Highway 12 Sonoma for the report of an unwanted employee. The reporting party, a supervisor at the carwash, told the 9-1-1 call taker that an employee arrived to work with a BB-gun and he was acting crazy. The supervisor asked his employee to go home, but the employee was refusing.

Summary of use of force:	Sonoma PD deputies Greg Hals and Michael Matelli were dispatched to the above call for service. Upon their arrival, they entered the service station store and contacted the clerk. The subject with the gun was identified with the assistance of the store clerk. Deputy Matelli and Deputy Hals exited the store. Sonoma County Sheriff's Deputy, Michael Shemmel arrived and the deputies began approaching and verbally engaging the subject who was identified by the clerk as the person with the gun. He was behind a vehicle in the adjacent carwash. Without notice, the subject removed a firearm from his waistband and shot at Deputy Matelli. Deputy Matelli fired two shots at the suspect from his duty firearm, which did not impact the suspect. The bullet shot from the suspects firearm struck Deputy Matelli causing significant non-life threatening injuries to his face, abdomen, hands, left arm, and legs. The suspect surrendered his firearm, by throwing it onto the ground and he was taken into custody by the deputies on scene.

Narratives

On 051318 at about 1100 hours I heard, via radio, Sonoma Police Department Deputies dispatched to a report of a subject, later identified as Ryan Pritel, carrying a gun the reporting party suspected was a BB gun at the Jolly Washer Car Wash [redacted] Hwy 12). Dispatch further advised the reporting party, [redacted] was Pritel`s employer at the carwash and told Pritel he could not have a gun at work and had to leave. Pritel refused to leave work and was outside washing cars. No description of Pritel was provided except that he was possibly wearing a uniform and "dressed like everyone else". I checked my MDC and noticed Deputy Schemmel also attached to the call.

I was traveling southbound on Arnold Drive near the Sonoma Developmental Center in Eldridge and heard Deputy Hals advise he was on scene and clarify with Dispatch that the reporting party was certain the firearm was a BB gun or if Pritel said it was a BB gun. Dispatch advised a female employee was on the telephone stating the employees were assuming it was a BB gun. The female admitted Pritel did not brandish the gun but had it with him. Dispatch advised [redacted] told Pritel he could get shot carrying the gun and Pritel responded, "I don`t care".

At 1109 hours I heard Deputy Hals (E92) announce "shots fired, officer down". I activated my BWC and began responding Code 3 then heard Hals announce "Mary91 has been shot". I continued my response and heard Deputy Matelli (M91) announce he was shot in the hand and he felt like he had also been shot in the face. Matelli then advised the suspect was detained.

I arrived on scene and Deputies Hals and Schemmel were escorting the handcuffed Pritel toward me. Pritel was placed in the rear of my patrol vehicle and I began photographing the scene. I took four photographs of Deputy Matelli and noticed he had blood running about two inches down the left side of his face from over the outside, upper, corner of his left eye. I observed a blood pattern about one half of an inch in length and less than one quarter of an inch in width, on the back of his right ring finger at the middle knuckle. I observed a blood pattern about one quarter of an inch in diameter on the back of his left little finger near the distal knuckle. Medical personnel removed Matelli`s protective vest and lifted his shirt and I noticed a blood spot less than one quarter of an inch in diameter on his lower, right abdomen surrounded by a one inch in diameter area of swollen, discolored skin. Deputy Matelli was transported by Sonoma Valley Fire Ambulance to the Sonoma County Sheriff`s Office helicopter (H1) staging at Maxwell Park, then airlifted to Memorial Hospital in Santa Rosa to receive treatment for his injuries.

I contacted witness [redacted] standing next to his white Mercedes Benz parked just south of the front door to the station. [redacted] motioned toward the north portion of the property and advised he observed Pritel with a handgun. As the Deputies arrived, [redacted] ducked down onto the floor broad of his vehicle. I obtained contact information for [redacted] which I provided to Sergeant Toney. I contacted the remaining subjects inside the property and escorted all persons and vehicles, who were not present during the event, off the property.

Narratives

Deputy Hals contacted me and showed me a spent 9mm shell casing he advised ejected from Pritel`s firearm when Hals unloaded it. Hals explained he cycled the slide on the handgun to unload it and the casing fell out of the extraction port. I examined the casing and noticed it was grey in color and appeared to be made of aluminum or similar metal. The casing was distorted and the end that held the projectile was not a perfect circle. Hals showed me the loaded magazine he removed from Pritel`s handgun and I noticed the first two rounds at the open end of the magazine were 9mm full metal jacketed projectiles with brass casings. Further inside the magazine I could see another round with a blue projectile and a grey casing similar to the spent casing. I recognized the blue tipped round as consistent with the appearance of a "snake shot" round (a round designed to propel multiple small projectiles with a single shot, typically for shooting snakes and birds because of the spread of projectiles).

I began an Incident Log which I maintained until relieved by Deputy Keller. I assumed control of the log again when Keller transported Pritel to the Main Office. At about 1150 hours Sergeant Toney assigned me to sequester Deputy Hals at the Sonoma Police Department. I provided Sergeant Toney the log and transported Deputy Hals to SOP where I remained with him until he was released from duty at about 1630 hours.

I burned the photos of Deputy Matelli to a disc and entered the disc into evidence (JA-1).

Forward to Santa Rosa Police Department.

Supplement Narrative

On 05/13/2018 at approximately 1200 hours, I was off duty and summoned to work as a result of an officer involved shooting. As soon as i was available, Sheriff`s Capt. A. Vernon contacted me and directed me to touch basis with the involved Deputies as I am the Peer Support Supervisor. The Deputies I was to contact were Mike Matelli, Mike Schemmel and Deputy Greg Hals.

I contacted Deputy Matelli at Memorial hospital. He was in good spirits and I spoke to him regarding the services availble through the Sheriff`s Office and the Peer Support Program. I also told him I would be checking in with him throughout the week. After about an hour at the hospital I left and drove to Sonoma PD where I was told Hals and Schemmel were waiting.

Upon arriving to Sonoma PD, I contacted Hals and Schemmel seperately and spoke to them about the services available through the Sheriff`s Office and the Peer Support Program. I made sure they both had my telephone number and let them know I would be checking in with them in the future. I also met with Capt Vernon and let him know I had contacted each of the involved Deputies.

At the conclusion of visit to Sonoma PD, I learned Deputy Hals needed a ride back to the main office to get his personal vehicle. I gave him a ride to the main office.

I also notified Peer Support Deputy Erick Baarts and gave him information related to this event, the telephone numbers of those involved and asked him to help me stay in contact with the involved.

Nothing further.

Supplement Narrative

On 05/13/18 at approximately 1120 hours I was dispatched to an officer down at the Jolly Washer located at [redacted] Hwy 12 in the town of Sonoma. I was responding to assist with scene security and to sequester witnesses to the incident.

I arrived at approximately 1140 hours.

I placed the suspect, Ryan Pritel, who had already been handcuffed and detained in another Sonoma County Sheriff`s patrol car into the back seat of my patrol car.

I transported Pritel to the Sonoma County Sheriff`s Office and arrived at approximately 1230 hours.

I brought Pritel into interview room number 2 on the second floor and shut the door. The in-room security camera was already activated by Detective Vellis.

I remained on guard outside the interview room until approximately 1400 hours when Santa Rosa Police Officer`s took custody over Pritel and transported him to the Santa Rosa Police Department.

My body worn camera was activated during this incident.

Case turned over to investigations; nothing further

Supplement Narrative

On 05/13/2018 at approximately 1130 hrs I was driving to the Valley substation in my personal vehicle to start my shift at 1200 hrs I learned there was a critical incident at the 76 gas station located at [redacted] Hwy 12, Sonoma.

At approximately 1159 hrs I was received a telephone call from Sgt Percy requesting I come to the crime scene to assist with Spanish translations for several employees of the Jolly Washer car wash.

At approximately 1209 hrs I arrived at the crime scene and met with Deputy Pasero who advised me there were 12 Spanish speaking employees who needed to be contacted to get personal information such as name, date of birth, address and phone number. Deputy Avina arrived to assist. I spoke with 6 of the employees and Deputy Avina spoke with the other 6 employees.

At approximately 1350 hrs VCI Detective Mitchell requested I move over to the Starbucks located in the Maxwell shopping center to guard the rear of the building which was blocked off with yellow crime scene tape. At approximately 1420 hrs Deputy Mignalia relieved me at Starbucks.

Supplement Narrative

On 5/13/18 at 1209 hours, CSI Sgt. Lawson called and advised that a SCSO Deputy M. Matelli had been shot during a call for service in Sonoma and had just arrived at Memorial Hospital for treatment. Sgt. Lawson stated that SRPD would be completing the investigation per the Critical Incident Protocol and requested that I respond to Memorial Hospital as a CSI liaison to meet with LT. Duke and Det. Hanshew.

I retrieved my county car and necessary gear from my residence and started towards Memorial Hospital. I received a telephone call from Det. Hanshew at approximately 1240 hours advising that Dep. Matelli was receiving treatment in Emergency Room #21. Det. Hanshew advised that he and Sgt. Murphy were responding to the scene in Sonoma and that Det. Parks was going to be standing by with Matelli as his sequestering officer.

I made telephone contact with Det. Parks and advised him that I was en-route. Det. Parks stated that the doctor was starting the process of BB removal from Matelli`s wounds in the ER room. Since SRPD did not have a unit on scene at the hospital I requested that Det. Parks begin taking overall photos of Matelli and the BB removal procedure until my arrival.

I arrived at Memorial Hospital at 1310 hours and made contact with Det. Parks, Det. Seibold and various friends whom had gathered outside Matelli`s room. I made entry to the room and spoke with Matelli who appeared to be in good spirits. I noted that Matelli had multiple small wounds about his face, arms, fingers, stomach and upper legs. Some wounds were actively bleeding and others were covered in dried blood. I contacted treating ER physician [redacted] who was in the room with Matelli. [redacted] advised that she had just started the removal process and had yet to locate a BB. [redacted] drew my attention to a monitor displaying x-rays of Matelli`s body. Per [redacted] the x-rays showed the location of 16 possible BB`s (3 Left thigh, 1 right thigh, 4 face, 4 left forearm, 1 right ring finger, and 3 abdomen). [redacted] allow me to photograph her medical treatment and BB removal. [redacted] attempted to removal BB`s from all listed areas but was only successful in the removal of 8. The BB`s removed were as follows:

Right side of abdomen (1)
Left forearm (3)
Left thigh (1)
Right eye brow and face (3)

[redacted] placed the BB`s in plastic screw top medical containers labeled by region of removal.

SRPD Det. J. Jucutan arrived and took custody of the BB`s from [redacted] Do to the tight quarters and in progress medical treatment I was unable to photograph the injuries with scale and complete detail. I advised Det. Jucutan of the photos taken thus far and the need to have SRPD Tech`s complete follow up photos in order to completely document all injuries, sizes, locations and severity. Matelli`s injuries were in various stages of swelling and discoloration from the imbedded BB`s and per [redacted] will continue to swell and discolor in the days to follow.

Matelli`s left eye brow and right ring finger were very swollen and discolored. [redacted] was unsuccessful in removing BB`s from either of these location due to the swelling and depth of imbedded BB`s. There was a BB imbedded in Matelli`s right abdomen that [redacted] was unsuccessful in removing. The wound began to bleed heavily on each retrieval attempt and she ultimately decided to leave the BB in place. Matelli`s abdomen continued to discolor and swell at the point of entry.

Dep. Matelli was cleared from the hospital at 1525 hours.

All photos were transferred to a CD-R and booked into evidence (Item TM1).

I burned a second CD-R to be provided to Det. Jucutan on 5/15/18

Nothing further at this time.

SUPPLMENTAL

On May 13, 2018 at approximately 1232 hours I was at the Sonoma County Sheriff`s Department Main Office. I was in the back lot when Deputy Keller arrived with the suspect from this case, Ryan Joseph Pritel. I helped Deputy Keller escort Pritel to the
2nd floor, #2 Interview room. Deputy Keller placed him in the interview room and stood by for securtiy.

It should be noted, throughout my involvement in this incident I was equipped with a Body Worn Camera and it was recording. This report is merely a summary of the incident and is not intended to be an exact transcript of the entire investigation.

SUPPLEMENTAL REPORT
SONOMA CR 18-0000577
DETECTIVE BRIAN PARKS

On 5/13/18, at approximately 1133 hrs., Detective S. Singleton advised me that Deputy M. Matelli had been shot in an officer involved shooting in the city of Sonoma. He further advised that Deputy Matelli was just airlifted by HENRY 1 and was currently being flown to Memorial Hospital. I was off duty but immediately responded to Memorial Hospital to see if I could be of any assistance.

I arrived at approximately 1145 hrs and was asked to remain with Deputy Matelli as his sequestering deputy per the officer involved shooting protocol. Sgt. P. Quartarolo, whom was the tactical flight officer on HENRY 1 briefed me of the circumstances involving the shooting. Sgt Quartarolo later provided me with a two paper bags of clothing that was removed from Deputy Matelli during flight. I did not examine the contents of the bags and later released the items to SRPD Detective J. Jucatan.

At approximately 1250 hours, CSI Detective T. McNeil phoned me and advised that he was enroute to Memorial Hospital to photograph Deputy Matelli`s injuries. Detective McNeil asked that I take overall photos of Deputy Matelli`s injuries due to his extended response time

I took several digital photographs of his injuries and later booked them into evidence as item BP1. He had several small puncture wounds about his body (3 Left thigh, 1 right thigh, 4 face, 4 left forearm, 1 right ring finger, and 3 abdomen).

At approximately 3 PM, Deputy Matelli was released from Memorial Hospital. Deputy Matelli did not discuss the particulars of the case during the time period I had spent with him.

End or report.

SUPPLEMENTAL REPORT RE SOP 18-0000577
Sonoma County Sheriff`s Office
Valley-Sub Station Patrol Sergeant
Sgt. James Percy S21 (968)

INCIDENT:
Responded to the Jolly Washer / 76 Gas Station for OIS - Officer Shot

LOCATION:
[redacted] Hwy 12, City of Sonoma

NARRATIVE:
On Sunday 05-13-2018, I was working day shift at the Sonoma Valley Sub Station as the on-duty patrol Sergeant. At approximately 1058 hrs, while monitoring radio traffic, I heard Sonoma PD deputies dispatched to the Jolly Washer, located at [redacted] Hwy 12, regarding an employee who may possibly be in possession of a BB gun. Sgt. Jeff Toney, who is assigned to Sonoma Police Department, was at the valley sub-station with me.

At approximately 1109 hrs. (Per CAD), I heard radio traffic "Shots fired" and that an officer was down. Dispatch then broadcasted that the Sonoma Units made the broadcast. I immediately left the sub-station and drove code-3 to the scene directly behind Sgt. Toney.

While enroute, I heard Deputy Mike Matelli (M91) broadcast that he had been shot in the hand and the face.

Sgt. Toney and I arrived on scene at approximately 1111 hrs. I pulled my patrol vehicle into the gas station parking lot, in between the fuel pumps and the gas station convenience store. I immediately saw Deputy Mike Matelli walking around the parking lot stating he had been shot. Deputy Matelli was wearing a clearly marked Sonoma Police patrol uniform and tactical vest with a cloth badge displayed, and he was wearing his patrol motorcycle helmet.

I escorted Deputy Matelli over to my patrol car to have him sit on my push bumper, in the event he would fall. I observed an injury (some sort of unknown laceration/puncture) directly above his left eye, which was bloody, and blood was running down the side of his face. I also noticed he had blood spots on his hands/knuckles.

I asked Deputy Matelli what had occurred in an attempt to better assess his injuries and gain a public safety statement. Deputy Matelli told me he believed he had possibly been struck by a bullet that had fragmented off his new trauma plate in his bullet proof vest. Once I had Deputy Matelli seated on my patrol car push bumper, I began to search his body for bullet wounds. I did not want to remove his motorcycle helmet from his head because Fire/EMS had not arrived on scene yet, and I did not want to dislodge any potential projectile in Deputy Matelli`s head without EMS present.

Deputy Matelli indicated he had return fired with 2 shots in a northern direction (indicating to me that he had shot at the suspect 2 times).

Deputy Matelli complained of pain to his abdominal area. I then opened Deputy Matelli`s bullet proof vest carrier to inspect his upper torso. While doing so, I noticed a quarter-sized blood mark on his white-colored under shirt, in the area of his lower abdomen. I raised his white-colored undershirt and I saw at least 3 small pin-sized puncture marks with blood. It was unclear to me whether or not projectiles had entered his body.

NOTE: Sometime around this time, I realized that my BWC had not been activated so I activated it. I thought I had activated it when I arrived on scene.

I then checked Deputy Matelli`s legs and rest of his body for visible injures and I did not see any.

Shortly after, Fire/EMS arrived on scene and attended to Deputy Matelli.

While EMS was evaluating Deputy Matelli, I began to visually scan the parking lot to ensure the scene was secure. There were several motorists and pedestrians in and around the parking lot. I asked responding units/deputies to determine who on scene is a witness and who is not, and to clear everyone else from the scene. I then instructed deputies to place crime scene tape up all around the gas station perimeter and I assured a crime scene log was started.

Deputy Greg Hals blocked the south entrance of the gas station lot (on Ramon St) with his patrol vehicle (S113), directly behind my patrol vehicle (A848).

I requested Henry-One (the Sheriff`s Office Helicopter) land at Maxwell Park and provide a medical transport of Deputy Matelli to the hospital.

At Deputy Matelli`s request, I removed his cellular phone from his duty vest so that he could call family members and notify them of the incident. I retrieved his cellular phone from his tactical vest and gave it to him. I noticed that Deputy Matelli`s Body Worn Camera was attached to his vest.

Once Deputy Matelli was seated on the ambulance gurney, I assisted EMS with removing Deputy Matelli`s duty belt, which contained his handgun. I inspected the outer portion of both his tactical vest and his duty belt and I was unable to see any projectile impact marks. I placed both Deputy Matelli`s tactical/bullet proof vest and his duty belt on the hood of my patrol vehicle (A848).

Deputy Matelli was transported by ambulance to Maxwell Park, and ultimately flown by H-1 to Santa Rosa Memorial Hospital.

I continued to evaluate the scene and ensure we had all of the witnesses contacted and placed in areas to not compromise the scene. I assigned arriving deputies to contact and FI witnesses. There were several

employees who work at this location that we escorted to the North/West side of the property/lot to be FI`d. I observed a silver-colored Chevy Silverado parked at the entrance of the car wash. The truck had a broken rear window and the rear passenger`s side window was broken.

I walked the north side exterior perimeter of the scene to ensure there were no other subjects injured. I make contact with one person, through an opened door of a business, and confirmed there was nobody injured in the direction that Deputy Matelli indicated he fired his weapon. The whole north back-drop appeared to be the back side of the Maxwell Village Shopping center and the exterior walls were made of concrete.

Deputy Pasero advised me that several of the employee/witnesses were Spanish speaking so I requested a Spanish speaking deputy respond to assist. Deputies Avina and Lomas responded and assisted.

I contacted an employee of the gas station store and I asked where the occupant(s) of the above-mentioned Chevy truck (which was parked at the car wash entrance) were, and I was directed to the north side of the store. I contacted a WMA who stated he was the driver of that vehicle. I asked the WMA if he was injured and he indicated he was struck by a piece of glass. I had medical personnel evaluate him.

I provided the license plate and vehicle description of the WMA`s vehicle Ca: [redacted] (Silver Chevy Silverado Z71) to dispatch.

When Lt. Martinez arrived on scene, Sgt. Toney and I briefed him of the status of the scene. At this time, I turned off my BWC.

Sgt. Toney informed me that the suspect`s wallet, personal belongings and handgun magazine was placed on the hood of my patrol car (A848). At Lt Martinez`s request, I secured these items into a paper bag and I gave them to Sgt. Toney to be secured in Deputy G Hals patrol car (S113).

I spoke to Deputy Schemmel while he was interviewing a witness and discovered he was a witness to the events as they unfolded. I immediately removed him from conducting witness interviews and I had Deputy Lucchetti sequester him, and take him to the Sonoma Police Department. Deputy Schemmel told me that he had repositioned his patrol car (A843) at the East parking lot entrance, located off Hwy 12. Deputy Schemmel gave me the key to his patrol car.

DVSA Detective Singleton had arrived on scene to offer assistance. I asked Detective Singleton to contact the witness that Deputy Schemmel had been talking to (on the west side of the gas station store).

Sgt. Toney determined that Deputy Hals was also a witness to the events that unfolded and he had Deputy Anderson sequester him, and take him to the Sonoma Police Department.

At Lt Martinez`s request, I secured Deputy Matelli`s tactical bullet proof vest and duty gear, including his handgun, into the back of Sgt. Toney`s patrol vehicle (S111) and I turned off Deputy Matelli`s BWC. Later, Sonoma County Sheriff`s Violent Crimes Detective Jesse Hanshew requested Deputy Matelli`s BWC, so I retrieved it from the back of Sgt. Toney`s patrol car and provided it to him so that the contents could be downloaded.

I determined who the Reporting Party (an employee at the scene), "[redacted] was and I separated him from the other witnesses, and I had him sit on the East side (front) of the store.

I learned that the suspect had been placed into the backseat of Deputy Anderson`s patrol car. I asked Deputies to double check the suspect and ensure he was uninjured and it was determined he was uninjured. I had the suspect transferred to Deputy F. Keller`s patrol vehicle and she transported him to the investigations bureau of the Sheriff`s Office in Santa Rosa.

I maintained the scene until Santa Rosa Police Detectives arrived on scene at approximately 1530 hrs, at which time I briefed them of the scene. I provided SRPD Detective Ryan Cogbill with the key to Deputy Schemmel`s patrol car (A843). I spoke to Santa Rosa Police Sergeant Tommy Isachsen and I also provided him with the scene status.

Sgt. Toney arrived back to the scene (He had gone to Sonoma PD to brief investigators) and we left at 1658 hrs. My vehicle (A848) remained inside the crime scene for SRPD to process.

This report is a summary of my actions on this call and is not intended to be an exact transcript. For specific details, see my BWC video.

Supplement Narrative

On 5/13/2018, I was assigned as flight crew on Sheriff`s Helicopter Henry 1 along with Pilot Bradley. At about 1109 hrs, we heard a Sonoma Police Department Deputy announce over the radio that shots had been fired and a deputy was down. We began preparing the helicopter for takeoff and within a minute, we were dispatched to the incident located at [redacted] Highway 12, Sonoma. We were airborne when we were canceled shortly after at about 1114 hrs.

We continued to the area and made contact with REDCOM dispatch, offering medical transport if required. We were advised to use Maxwell Park as a landing zone as it was very near the scene. We arrived overhead at about 1121 and observed that although there were people in the park, a large area of the field was open. We determined that we could use a portion of the field on the north end of the park that would not interfere with pedestrians using the park but would allow easy vehicle access for the ambulance.

Once we landed, I reconfigured the helicopter for a medical transport. Within minutes, Sonoma Valley Fire Medic 303 (ambulance) arrived at the landing zone with Deputy M. Matelli. I walked to the ambulance and opened the rear doors. Matelli was lying supine on a gurney in the back of the ambulance. The back of the gurney was raised and he was in a semi-seated position. He was alert, recognized me and engaged in normal conversation. Matelli`s uniform shirt and undershirt had been removed and were located near the head of the gurney. I did not see Matelli`s load bearing vest or his duty belt in the ambulance.

At about this time, ambulance personnel were removing Matelli`s duty pants to further examine him for injuries. He stated that his backup gun was in his pant pocket. I collected his pants and then removed his back up gun (Glock subcompact) from his right pant pocket. I removed the magazine, cleared one cartridge from the chamber and placed the gun, magazine and one loose cartridge in my flight suit pocket. I noted that the magazine was full at that time. I collected Matelli`s uniform shirt, pants, belt, boots and undershirt from the ambulance and maintained custody of them.

I confirmed that a paramedic was available from Sonoma Valley Fire Department who would ride with us in the helicopter and maintain advanced care while en-route to the hospital. Sonoma Valley Fire Department personnel assisted in carrying Matelli to the helicopter on the gurney. Matelli then stepped from the gurney, into the helicopter. I secured him in the helicopter and assisted paramedic Derner in boarding the helicopter. Santa Rosa Memorial Hospital was selected, as it is the designated trauma facility in Sonoma County. We departed Maxwell Park at about 1136 hrs. and arrived at Santa Rosa Memorial Hospital at about 1145 hrs. During the flight, I observed several red raised wounds to Matelli`s lower right abdomen, left hip and above his left eye. He complained of an injury to one of his hands but I did not have opportunity to observe that

injury.

Once at the hospital, Matelli`s care was transferred to emergency department staff. Sergeant Jones was on scene in the emergency department and remained to sequester Matelli. I remained in the emergency department until about 1250 hrs. At that time, I released Matelli`s uniform, clothing and backup gun to Detectives Parks and Seibold. I placed all items in paper bags before releasing custody of them. We returned to Sonoma and dropped off Paramedic Derner at Sonoma Police Department.

As we were departing Sonoma Police Department, Sergeant Murphy requested, via radio, that we return to the scene, [redacted] Highway 12, Sonoma to take aerial photographs of the scene. We arrived overhead at about 1318 hrs. and I took digital photographs of the scene with my department camera. I later transferred the digital photos to a CD-R and retained the CD-R as evidence item PQ-1.

I later contacted Sonoma Valley Fire & Rescue Authority and learned the following personnel had been assigned to the incident:

Engine 3382 - Captain Joe Pierson, Engineer Dustin Garcia (First Engine at scene began pt care)
Medic 303 - Firefighter Paramedic Nate Sussex, Firefighter Paramedic Chris Kirkwood (Treatment and transport to LZ)
Engine 3383 - Captain William Harper, Engineer Chris Derner, Firefighter Francisco Soto-Pomeroy (Dispatched to prepare LZ, Engineer Derner transporting Medic from LZ to SRMH in Henry 1)

I prepared a patient care report for this incident in the normal course of business for EMS response.

Item PQ-1 booked into property as evidence.

Supplement Narrative

On 05-13-2018 at approximately 1130 hours, I received notice that Deputy M. Matelli had been shot and was being transported to Memorial Hospital via Henry One. I arrived at Memorial Hospital at approximately 1145 hours where I remained as a sequestering Deputies. Deputy B. Park was also present as a sequestering Deputy.

I took custody of Deputy Matelli`s backup firearm from tactical flight Officer Sgt. P. Quartarolo prior to him leaving the hospital. The firearm, magazine and one additional round was placed in a brown paper bag and secured in my vehicles gun locker. The paper bag and its contents remained in my vehicle until Santa Rosa Police Detective J. Jucatan arrived. With Detective Jucatan present, I removed the bag from my vehicle gun locker. Detective Jucatan inventoried the contents of the bag confirming a Glock handgun, magazine and additional round were accounted for. He then took custody of the items.

I remained at the hospital with Deputy Matelli until he was medically discharged and an interview was scheduled with Detective Jucatan. During the time Deputy Matelli was sequestered, he did not discuss the incident and made no statements or admissions.

Nothing further.

Supplement Narrative

On 5/13/18, at approximately 1110 hours, I was on routine patrol in west Santa Rosa when I attached to a reported Officer down call, on [redacted] Highway 12, in Sonoma.

I arrived at the Jolly Washer and logged into the Major Incident log at approximately 1142 hours. I escorted W-[redacted] from the crime scene to Sonoma Police Department, to await an interview with Detectives.

I returned to the Jolly Washer and logged into the Major Incident log at approximately 1452 hours to assist with scene security. I assisted with scene security as well as tracking the Incident log until approximately 1532 hours, until I was relieved by Santa Rosa Police Detective Terry White.

I scanned the Major Incident Log (LS-1) and attached it to this report, then booked both pages into evidence at the main office.

End of Supplemental report.

Supplement Narrative

On 05/13/18 at 1110 hours I was investigating a possible vandalism at [redacted] Ely Road in Petaluma (SD event #181330068) when I heard "Shots fired! Shots fired! Officer down!" from my radio. I left the scene at [redacted] Ely Road and responded to [redacted] Hwy 12 in Sonoma Code-3, with my emergency lights and sirens activated. I arrived on scene at 1116 hours and contacted a witness, [redacted] who told me the following in summary:

[redacted] was at the scene prior to the arrival of Law Enforcement. [redacted] observed the involved subject, and witnessed the shooting. Please see my body worn camera for further regarding this interview. I contacted VCI Detective Mitchell regarding this witness for a follow up interview.

I provided scene security beside [redacted] Hwy 12 in Sonoma from 1619 hours to 1700 hours. I was relieved by SRPD Officer Turner (SRPD #527).

This investigation was captured on my body worn camera.

Nothing further.

SUBJECT: **Administrative Review Investigation**

This memorandum will formally notify you that this office has been directed to conduct the above investigation, and further that you are an involved party of that investigation.

This investigation is an Administrative Review of the circumstances surrounding a critical incident which took place on May 13, 2018.

There have been no allegations of misconduct or policy violations on your part. As the subject (involved party) of an Internal Affairs Investigation/Administrative Review, you have certain rights and obligations as provided for by policy and law.

You are not to discuss this administrative investigation with anyone other than your representative, Lieutenant Naugle, or myself. This is a potentially serious matter and you are admonished to carefully follow these directives. Any violation of these directives will be considered an act of insubordination, and can lead to disciplinary action against you, up to and including termination of your employment with this Department. * You are authorized to speak with Santa Rosa Police Department should you choose to do so*

In order to complete the investigation it may be necessary to formally interview you. If so, a representative of Internal Affairs may be in contact with you in the future to schedule the date and time of your interview. If you have any questions or concerns please feel free to contact me via email or by phone. Please reply to this email so I know you have received the notice.

"Confidential – Pending Litigation or Claim"

DATE: June 26, 2018

TO: HR – Risk Management

FROM: Sergeant Andrew Cash #1039

SUBJECT: Claim of Liberty Mutual a/s/o Larbre Well Drilling & Pump, Inc.-2018090

ACCEPT LIABILITY

Summary of Claim:

Claimant and/or insurer, alleged their vehicle sustained damage from bullets fired from a deputy's handgun.

Investigation:

On May 13, 2018, Deputies were dispatched to a subject with a firearm at [redacted] Hwy 12, Sonoma CA. Deputies contacted the suspect in the car wash area of the Jolly Washer Gas Station. The suspect fired a handgun at a Sonoma County Sheriff's Office Deputy, striking him in the face.

Simultaneously and while in immediate danger of great bodily injury or death, the deputy returned fire using his department issued handgun. One of the projectiles struck the driver's side bed of the truck and the other projectile struck the rear cab window causing damage.

The damage sustained was on the driver's side of the vehicle. This was consistent with the Sonoma County Sheriff's Office Deputy firing his handgun. The projectile that struck the bed of the truck was consistent with where the subject "popped" up and fired at the deputy. The suspect then ran towards the front of the vehicle near the rear window area. This was consistent with the second projectile that struck the rear window.

The damage to the vehicle was captured on Body Worn Camera footage from the three deputies on scene. These videos have been reviewed and are currently in evidence.com in restricted status pending Administrative Review.

Attachments: NONE.

Advisory

Sonoma County Sheriff's deputy shot by suspect, in good condition.

This morning shortly before 11:00 AM deputies were dispatched to the Jolly Washer gas station/car wash in the 19200 block of Hwy 12 in Sonoma. A manager of the car wash told dispatch that a 19-year-old employee was acting strange at work and was told to go home, but refused to leave. The manager also said the employee appeared to have a BB gun with him.

Two deputies, who are assigned to the Sonoma Police Department, responded to the call. They saw the employee standing behind a grey pickup in the car wash line. The employee was behind the truck and acting suspicious. The suspect then pulled out a handgun and fired at the deputies.

At least one deputy then used his service weapon to return fire, but did not hit the suspect as he was ducked down behind the truck. The suspect's handgun appears to have jammed and the suspect threw his gun down, at which time the deputies took him into custody. The suspect's loaded 9 mm semiautomatic handgun was retrieved and secured.

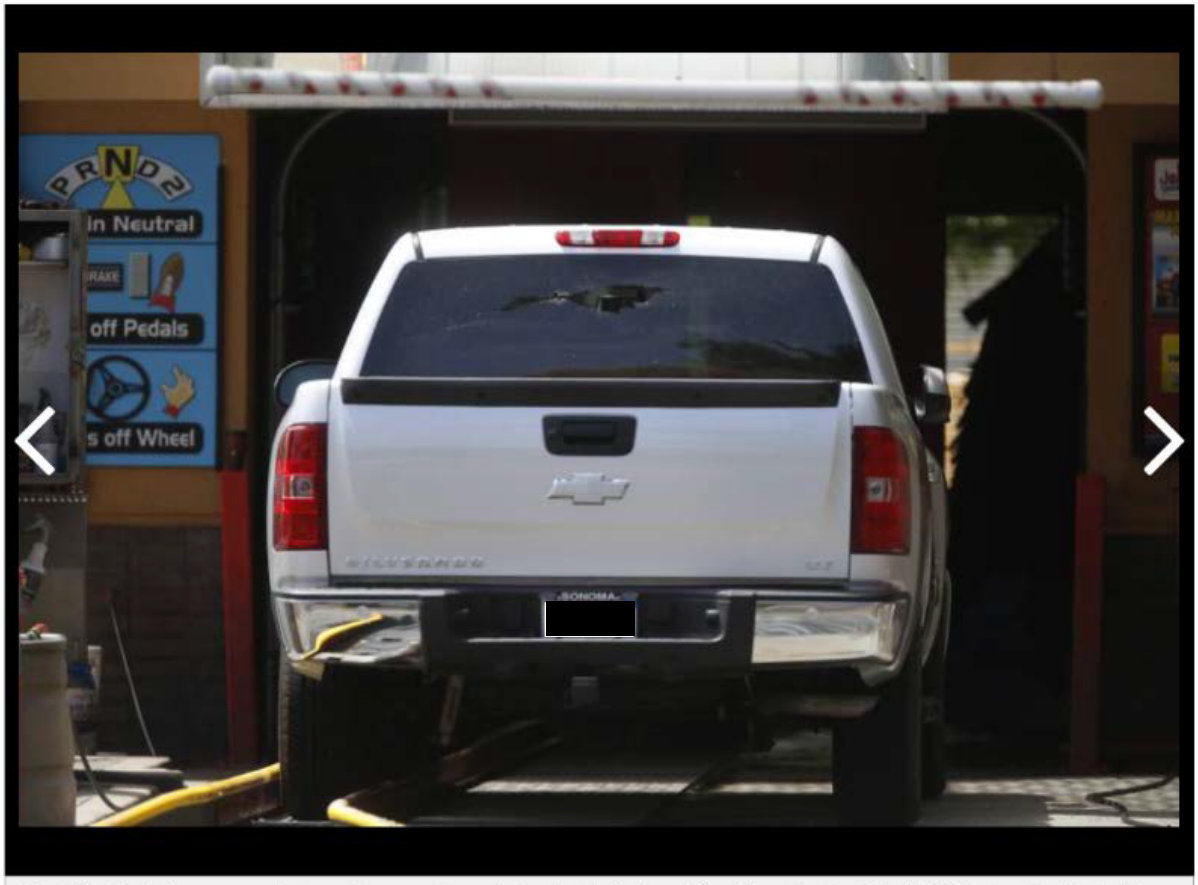

One deputy was struck by the suspect's bullet. The projectile fired by the suspect was one that had multiple pellets, commonly called a snake shot. The deputy was struck in multiple places on his body. The suspect's handgun was loaded with several more rounds of this type of ammunition. He was flown to a local hospital. He is in good condition and is expected to survive his injuries. We are thankful that our deputy is going to be ok and we appreciate the community's support during this difficult time.
