The image shows a passport with the following visible elements:

- Visa Section:** A grid with columns for "Departures / Sorties / Salidas" and "Entries / Entradas".
- Central Stamp:** A large, irregular stamp with the text "NATIONAL POLICE" and "2004".
- Bottom Right Stamp:** A rectangular stamp with the date "25-01-2004" and the text "ALBANY" and "45".
- Other Text:** "THE NEW ZEALAND PASSPORT" is visible on the left page.

The image shows a heavily degraded and noisy scan of a passport page. The most prominent features are:

- Visa Stamp (Left):** A rectangular stamp from Ethiopia. It includes the text "ETHIOPIA" and "VISA". There is also a date "1984-11-11" and a signature area.
- US Customs and Border Protection Stamp (Right):** A circular stamp with the text "U.S. CUSTOMS AND BORDER PROTECTION" and "APR 14 2004". It also includes the text "CLASS" and "FEE PAID".
- US State Department Stamp (Bottom):** A circular stamp with the text "U.S. STATE DEPARTMENT" and "APR 14 2004". It also includes the text "CLASS" and "FEE PAID".

 The page is covered in heavy noise and artifacts, making much of the text illegible. The overall appearance is that of a low-quality, high-contrast scan of a document.

Enclosure(s): (U) Two (2) Offense Reports from the University of Oklahoma Police Department referencing the arrests of Nicholas Evan Berg.

Details: (U) On 03/30/2004, writer coordinated with Lt. [redacted] University of Oklahoma Police Department (OUPD) regarding the arrest record of Nicholas Evan Berg, date of birth, 04/02/1978, social security number, 242-29-6273. [redacted] provided writer with copies of all reports of arrest. The following is a brief summary of Berg's two arrests:

(U) On 04/11/2000, Berg was arrested for trespassing in the OU Memorial Student Union (OMU). Berg was caught sleeping in the lounge of the Student Union.

Re: (S) [REDACTED] 03/30/2004

Incidentally, in the past, Berg had been warned by OMU staff and OUPD officers about sleeping in the Union. During this time, Berg worked as a janitor for the Loyd Nobel Center (center for major events) on campus. Berg told officers he was homeless and was currently staying at the Salvation Army.

(U) On 05/28/2000, Berg was again arrested for trespassing. Berg was found sleeping in the union lounge. Berg told officers he knew he was not supposed to be sleeping in the union and was aware of the previous trespass warning he was issued on 04/11/2000. Berg did not have money on his person to post bond and was subsequently arrested and transported to Cleveland County Detention Center.

b3
b6
b7A
b7C
b7E

(U) OUPD records show Berg was arrested twice for trespassing but his arrest on 05/28/2000 was documented with the Municipal Court in Norman, Oklahoma. Berg had no other arrests on record with OUPD.

(U) Lt [REDACTED] verified Berg was enrolled at the University of Oklahoma during the Fall 1999 session. Berg was listed under the field of Construction Science but withdrew during the Fall 1999 session. Berg's records showed he transferred from Cornell University and also attended the University of Pennsylvania. Berg's residence at the time was 1901 E Lindsey, Norman, OK.

(U) Writer ran a driver license check on Berg. His criminal history (local/county) came back negative. Berg presently holds a driver's license in Pennsylvania. His address comes back to 20 West Chestnut St, West Chester, PA.

(U) This lead is returned upon completion.

(U) On 03/26/2004, Nicholas Evan Berg, DOB: 04/02/1978, SSAN: 242-29-6273, US Passport: 096296554, was interviewed at the One West Iraqi Police Station in Mosul, Iraq by Special Agent [redacted] Special Agent [redacted] and Special Agent [redacted] of the Federal Bureau of Investigation (FBI). Other United States government personnel were also present. After being advised of the purpose of the interview, Berg provided the following information:

(U) While working at the University of Oklahoma, an unknown subject (UNSUB) stole Berg's computer log-on and password. The UNSUB did not use Berg's Electronic Mail (E-Mail). If the UNSUB had used Berg's E-Mail he would have known about it. Berg has no idea who stole his log-on and password. Someone could have watched Berg's fingers as he logged on at the student Union. Berg does not remember his log-on, but his password was the first four letters of his last name and the last four digits of his Social Security Number. Someone working for the University of Oklahoma could have accessed his information and stolen his password. Also, many times people forget to log off the computer, and then other people sit down at the same computer terminal and continue using the computer without logging on themselves. These are all possible explanations for what happened with regard to Berg's computer log-on and password.

(U) Berg knew several Arabic individuals who were students at the Airmen's School. They would ride on the same bus which he road to the YMCA from the University of Oklahoma. The bus was run by the university. The Arabic individuals stayed at the university. Berg knew this because he not only worked as a rigger at the university, he also cleaned dorm rooms.

{(U) At this point, Berg was confronted with the statement he had made to the Federal Bureau of Investigation on [redacted]

NICK BERG, white male, date of birth April 2, 1978, Social Security Account #242-29-6273, 205 West FM17, Dickinson, Texas 77539, cellular telephone #832-493-5473, was interviewed at

[REDACTED] telephone [REDACTED] BERG was advised of the identity of the interviewing agent and that the interview concerned [REDACTED] BERG provided the following information:

BERG stated that he began college at CORNELL, got fed up and left. Later, he decided to finish up his degree and started at OU in August 1999. BERG's major was civil engineering. BERG had 100 credits and was trying to finish up. He attended OU as a student for one semester and never did get his degree, but stayed at OU until June 2000. BERG advised that he had a job working at the Lloyd Noble Center, which was OU's basketball arena. He was on the Event Staff there. BERG liked the job and decided to stay on. Technically, he worked part time at the center, but he was working full-time hours.

BERG was familiar with the Airmen's School because he took the bus out that way when he went to work out at the YMCA. BERG explained that the airport used to be a Navy base. Now, OU has a flight school, and next door on the same road is the Airmen's School, which is only fight instruction and is not connected with OU, and then next to the Airmen's School is the YMCA where he worked out. BERG stated that he met some of the airmen from going on the bus to the YMCA. He recalls one guy being from Hong Kong. BERG stated he saw some Arabs on the bus but did not know them. BERG stated that he met a Latino guy on the bus and talked to him occasionally. The guy was a student at Airmen's. BERG stated that the Airmen's students lived in the dorms and used some OU facilities, but did not have access to the computers. BERG stated that the name [REDACTED] seemed familiar to him and might possibly be the name of the Latino guy he talked to. BERG stated that the Latino guy asked him if [REDACTED] one day. BERG cannot recall if this was on the bus or the computer lab, but he believes that it was on the bus, because in the computer lab, security people always challenge people who are hanging around and not on the computers. BERG stated the Latino

guy told him that he was an Airmen's student and [redacted]

BERG stated he felt a little weird about this request, but since he has not been using [redacted] much, he was not too concerned about [redacted] and decided to [redacted] The guy told him he wanted to write to his friends. The guy used it a fair amount. At that point, BERG was only getting on the computer every month or so. One time when he got on [redacted]

[redacted] after one month. The messages seemed to be friend to friend or friend to family. He knows this because sometimes he [redacted] BERG seems to recall that there [redacted] He stated that when he [redacted]

BERG stated that [redacted] should have been closed and does not know why it was not closed. He was not taking classes, but he was still getting class information and student information in his e-mail. BERG stated that he still has his OU ID. BERG stated that the conversation with the Latino guy would have occurred right after he obtained his Oklahoma driver's license. His driver's license is the same number as his social security number, 242-29-6273. BERG explained that the network ID, BERG6273, was assigned to him by OU and consists of the first four letters of his last name and the last four numbers of his social security number. BERG stated that each student then made up their own password.

BERG was then shown the Western photo spread and was unable to identify anyone in that photo spread. BERG stated he does not recognize the names [redacted]
