He offered several possible explanations for how this had occurred. He admitted to knowing [REDACTED] at [REDACTED] who would ride on the same bus he would take from the YMCA to the University. When confronted with his previous statement from a January 2002 FBI interview, when he stated that he had [REDACTED] to a passenger on the bus, he quickly changed his story to conform to the 2002 account.³ He also stated that he had been arrested by the OU police three times for trespassing at the student union.⁴

(U) On 04/03/2004, a third follow-on interview was conducted at the One West Iraqi Police Station in Mosul, Iraq by FBI Special Agents. Agents attempted to obtain a time line for Berg's whereabouts in the years 2000 through 2001 in order to clarify Berg's possible link with [REDACTED] in the [REDACTED] area which is covered by the Philadelphia Division. Agents further questioned Berg in order to clarify inconsistencies regarding Berg's link to the PENTTBOM investigation, [REDACTED] his multiple involuntary hospitalizations for depression, and Berg's consistent lack of candor with interviewing agents dating back to his 2002 interview by FBI Philadelphia. Berg's PENTTBOM link raised concern that Berg may be harmful to others, particularly to American troops and civilians in the Iraqi Area of Operations. Berg stated that he was being treated well at the One West Iraqi Police Station by the Iraqi Police and

the US Military Police. He stated that he was being treated like some sort of celebrity.⁵

(U) ~~(S)~~ By way of background, it should be noted that in [redacted] Nicholas Berg was interviewed by the FBI under the PENTTBOM investigation after it was discovered that [redacted] was used by [redacted]. According to Berg, while attending OU (through the fall of 1999), he [redacted] to an unknown individual from [redacted] used some of OU's facilities and dorms, but did not have [redacted] was passed to incoming students at [redacted] on a regular basis and became widely used by numerous individuals, including [redacted]. Berg stated he did not recognize a photograph of [redacted] or his name. At the time, Berg did not otherwise appear to be connected to [redacted] or other terrorism-related activities.⁷

b6
b7C
b7E

(U) ~~(S)~~ Of further note during the questioning on 3/25/04, Berg advised that [redacted] but did not admit to any acts of violence. The referenced report stated that Berg has suffered from depression and has been hospitalized for mental health treatment several times; however, no reference is given as to how this information was derived.⁸

(U) ~~(S)~~ More recent information came from FBI reporting on 4/28/2004, when the Mosul Operations Base (MOB) submitted a case update on the disappearance of Nicholas Berg. In this reporting FBI SA [redacted] makes reference to 4/26/2004 contact had with Deputy Consul [redacted] of the US Department of State, who advised of Email received from the US Consular Officer [redacted] in Baghdad. In his Email regarding Nicholas Berg, Mr. Boyd stated the following:⁹

b6 per FBI, DOS
b7C

- "Regarding Nick Berg: I've talked to [redacted] a couple of times (most recently on April 18) and have corresponded with her by e-mail. Nick did register but did not leave any other contact information. He told [redacted] that he was staying at the Al-Fanar hotel, however, when my local assistant visited the hotel to check, they said Nick had never been there. [redacted] told me she didn't believe that. I've tried to explain to her that in the current situation authorities in Iraq won't be able to conduct an effective search without specific information on Nick's itinerary. She said she doesn't believe conditions are that bad here.
- [redacted] also sent one of Nick's business contacts to talk to me in the office. This person said that Nick frequently visited very dangerous parts of Baghdad, and that when he was in public he would act in ways guaranteeing that hostile attention would be drawn to him. He said [that he] had no information on Nick's whereabouts after April 8 or so, when Nick told him he was headed overland for the Jordanian border with some unidentified people he had met. [redacted] is aware of this information."

(U) According to the reference, FBI MOB forwarded this information to other agencies locally, along with pictures of Berg, and a request that agencies query sources in an attempt to locate Berg. All subsequent reporting was negative.

(U) FBI MOB closed their communication by advising that the United States Department of State was handling the matter.¹⁰

(U) Other information that has been developed, included interviews with [redacted] who resident in [redacted] by FBI Philadelphia, Newtown Square Resident Agency representatives, Detective [redacted] and SA [redacted] related the

following information regarding their son, Nicholas Evan Berg:

- (U) Nicholas Evan Berg, Passport #0962965544 is president of Prometheus Methods Tower Services Inc. which uses [redacted] as the business address. Nicholas created the company which services and builds radio towers. He has one employee named [redacted]. [redacted] Home phone [redacted] Cell Phone [redacted]. [redacted] The company is incorporated in Virginia where [redacted].
- (U) [redacted] confirmed that Nicholas' current address is 20 W. Chestnut Street, apartment 3F, West Chester, PA 19380. He was born in Charlotte, NC and [redacted]. [redacted] Nicholas lived on [redacted] from 1981 to 1996 when he left to attend Cornell University. He attended Cornell University from 1996 to 1998. From around February until May 1998 Nicholas moved to Uganda where he was an exchange student. In May 1998 he returned to [redacted]. In the fall of 1998 until around February 1999 Nicholas returned to Cornell where he was dismissed because of health reasons [redacted]. [redacted] that likely began during his trip to Uganda. He returned to [redacted] in February 1999 and shortly thereafter attended Drexel University for a short time. He then moved to an apartment on Nutt Rd. in Phoenixville, PA for a few months. At the end of the summer of 1999 Nicholas attempted to get back into Cornell but became ill. He had an infected boil that required intravenous antibiotic treatment. In the fall of 1999 through Christmas he went to the University of Oklahoma in Norman, Oklahoma. Sometime in 2000 he lived in an apartment in Norman, Oklahoma. Between 2000 and 2002 he moved back and forth between Oklahoma, Texas and West Chester, PA. Around May 2002 Nicholas moved into his apartment located 20 W. Chestnut St., West Chester, PA.
- (U) (S) Nicholas decided to attempt to generate business in Iraq after attending a conference titled "Rebuilding Iraq" in Washington DC. He first went to Iraq around Christmas 2003. He transited through Tel Aviv, Israel and Amman, Jordan during his first trip and returned via the same route. While attempting to return to Israel, he was stopped by authorities because he had an Iraqi stamp in his passport. During his first trip to Iraq, Nicholas was robbed and needed to obtain money from his parents for his return trip around February 2004. He did not succeed in generating any business during this trip.
- (U) On Sunday 3/14/2004, Nicholas began his second trip to Iraq. He left JFK airport for Amman Jordan, where he continued on to Iraq. He was staying at Burq Al-Kalaa hotel across from the hospital on Sharaa Mahadta Rd. Mosul, Iraq. He provided [redacted] with [redacted]. [redacted] He was due to return to the United States on Tuesday 3/30/2004 at 4:20 PM, on Royal Jordan flight RJ125 to JFK Airport. [redacted] went to the airport to pick him up and learned that he did not make the flight.
- (U) [redacted] became concerned for [redacted] welfare when he did not arrive on his scheduled flight. They last heard from [redacted].

(U) The investigating agents interviewing [redacted] were of the opinion, that based on the information they had developed, there was nothing to suggest that Nicholas Evan Berg was a threat to U.S. Forces. All information developed by the investigators in Pennsylvania seemed to support the explanation that Berg was in Iraq to generate business for his company, Prometheus Methods Tower Service.

(LES) Other information concerning Nicholas Berg is his pattern of travel during the last 16 months. This information supports Berg's stated time line of travel to and from Iraq. Crossing information derived from [redacted] using Passport Number 096296554 (issued 8/5/2003) includes:

Analyst Comments: *The situation surrounding the activities and personal conduct of Nicholas Berg, his appearance, overseas travel, presence in Iraq, and then his unexplained disappearance poses several unanswered questions.*

b6

- While it may appear that Berg was attempting to conduct legitimate business in Iraq, his complete disregard for his personal safety seems extremely odd for a Jewish American traveling openly in Iraq. Realizing that [REDACTED]
[REDACTED]
- His reported behavior after his arrival in Mid-March 2004, would suggest that something unusual and/or unknown was at work. Because of his [REDACTED] ties in Mosul, as previously mentioned, may have thought himself immune to the dangers posed by the armed struggle ongoing in that region.
- Looking at Berg's previous travels prior to Iraq (mid-March), could suggests some possible scenarios that might involve any number of organizations or state actors. Travel to Uganda, with admittedly most of his time spent in Kenya and Somalia, with some travel to Ethiopia (all confirmed by numerous passport stamps).¹² [REDACTED]

There appears to be similarities between Berg, and [REDACTED]
[REDACTED]

- The appearance of an over-indulged, free-spirited young man, traveling the world, in search of adventure, is strikingly similar to [REDACTED]

DHL EXPRESS
TERMS AND CONDITIONS
OF CARRIAGE
("Terms and Conditions")

IMPORTANT NOTICE

When ordering DHL's services you, as "Shipper", are agreeing, on your behalf and on behalf of anyone else with an interest in the Shipment, that the Terms and Conditions shall apply from the time that DHL accepts the Shipment unless otherwise agreed in writing by or on behalf of DHL. Your statutory rights and entitlements under any defined service feature (for which additional payment has been made) are not affected.

1. Customs, Exports and Imports

DHL may perform any of the following activities on Shipper's behalf in order to provide its services to Shipper: (1) complete any documents, amend product or service codes, and pay any duties or taxes required under applicable laws and regulations; (2) act as Shipper's forwarding agent for customs and export control purposes and as Receiver solely for the purpose of designating a customs broker to perform customs clearance and entry and (3) re-rect the Shipment to Receiver's import broker or other address upon request by any person who DHL believes in its reasonable opinion to be authorised.

2. Unacceptable Shipments

Shipper agrees that its Shipment is acceptable for transportation and is deemed unacceptable if:

- it is classified as hazardous material, dangerous goods, prohibited or restricted articles by IATA (International Air Transport Association), ICAO (International Civil Aviation Organisation), any applicable government department or other relevant organisation;
- no customs declaration is made when required by applicable customs regulations; or
- DHL decides it cannot transport an item safely or legally (such items include but are not limited to: animals, currency, bearer form negotiable instruments, precious metals and stones, firearms, parts thereof and ammunition, human remains, pornography and illegal narcotics/drugs).

3. Deliveries & Undeliverables

Shipments cannot be delivered to PO boxes or postal codes. Shipments are delivered to the Receiver's address given by Shipper (which in the case of mail services shall be deemed to be the first receiving postal service) but not necessarily to the named Receiver personally. Shipments to addresses with a central receiving area will be delivered to that area. If Receiver refuses delivery or to pay for delivery, or the Shipment is deemed to be unacceptable, or it has been undervalued for customs purposes, or Receiver cannot be reasonably identified or located, DHL shall use reasonable efforts to return the Shipment to Shipper at Shipper's cost, failing which the Shipment may be released, disposed of or sold by DHL without incurring any liability whatsoever to Shipper or anyone else, with the proceeds applied against service charges and related administrative costs and the balance of the proceeds of a sale to be returned to Shipper.

4. Inspection

DHL has the right to open and inspect a Shipment without prior notice to Shipper.

5. Shipment Charges & Billing

DHL's Shipment charges are calculated according to the higher of actual or volumetric weight and any Shipment may be re-weighed and re-measured by DHL to confirm this calculation. Shipper shall pay or reimburse DHL for all Shipment charges, storage charges, duties and taxes owed for services provided by DHL or incurred by DHL on Shipper's or Receiver's or any third party's behalf and all claims, damages, fines and

"Shipment" means all documents or parcels that travel under one waybill and which may be carried by any means DHL chooses, including air, road or any other carrier. A "waybill" shall include any label produced by DHL automated systems, air waybill, or consignment note and shall incorporate these Terms and Conditions. Every Shipment is transported on a limited liability basis as provided herein. If Shipper requires greater protection, then insurance may be arranged at an additional cost. (Please see below for further information). "DHL" means any member of the DHL Express Network.

expenses incurred if the Shipment is deemed unacceptable for transport as described in Section 2.

6. DHL's liability

DHL contracts with Shipper on the basis that DHL's liability is strictly limited to direct loss only and to the per kilo/lb limits in this Section 6. All other types of loss or damage are excluded (including but not limited to lost profits, income, interest, future business), whether such loss or damage is special or indirect, and even if the risk of such loss or damage was brought to DHL's attention before or after acceptance of the Shipment unless special risks can be insured by Shipper. If a Shipment combines carriage by air, road or other mode of transport, it shall be presumed that any loss or damage occurred during the air period of such carriage unless proven otherwise. DHL's liability in respect of any one Shipment transported, without prejudice to Sections 7-11, is limited to its actual cash value and shall not exceed the greater of **SUS 20.00/kilogram or SUS 9.07/lb for Shipments transported by air or other non-road mode of transportation; or**

SUS 10.06/kilogram or SUS 4.54/lb for Shipments transported by road (not applicable to the US).

Claims are limited to one claim per Shipment settlement of which will be full and final settlement for all loss or damage in connection therewith. If Shipper regards these limits as insufficient it must make a special declaration of value and request insurance as described in Clause 8 (Shipment Insurance) or make its own insurance arrangements, failing which Shipper assumes all risks of loss or damage.

7. Time Limits for Claims

All claims must be submitted in writing to DHL within thirty (30) days from the date that DHL accepted the Shipment, failing which DHL shall have no liability whatsoever.

8. Shipment Insurance*

DHL can arrange insurance for Shipper covering the actual cash value in respect of loss of or physical damage to the Shipment, provided the Shipper completes the insurance section on the front of the waybill or requests it via DHL's automated systems and pays the applicable premium. Shipment insurance does not cover indirect loss or damage, or loss or damage caused by delays.

*Not available for mail services

9. Delayed Shipments

DHL will make every reasonable effort to deliver the Shipment according to DHL's regular delivery schedules, but these are not guaranteed and do not form part of the contract. DHL is not liable for any damages or loss caused by delays.

10. Circumstances beyond DHL's control

DHL is not liable for any loss or damage arising out of circumstances beyond DHL's control. These include but are not limited to: "Act of God" e.g. earthquake, cyclone, storm, flood, fog; "Force Majeure" e.g. war, plane crash or embargo; any defect or characteristic related to the nature of the Shipment, even if known to DHL; riot or civil commotion; any act or omission by a person not employed or contracted by DHL e.g. Shipper, Receiver, third party, customs or other government official; industrial action; and electrical or magnetic damage to, or erasure of, electronic or photographic images, data or recordings.

11. Warsaw Convention

If the Shipment is transported by air and involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention ("Warsaw"), if applicable, governs and in most cases limits DHL's liability for loss or damage.

12. Shipper's Warranties and Indemnity

Shipper shall indemnify and hold DHL harmless for any loss or damage arising out of Shipper's failure to comply with any applicable laws or regulations and for Shipper's breach of the following warranties and representations:

- all information provided by Shipper or its representatives is complete and accurate;
- the Shipment was prepared in secure premises by Shipper's employees;
- Shipper employed reliable staff to prepare the Shipment;
- Shipper protected the Shipment against unauthorised interference during preparation, storage and transportation to DHL;
- the Shipment is properly marked and addressed and packed to ensure safe transportation with ordinary care in handling;
- all applicable customs, import, export and other laws and regulations have been complied with; and
- the waybill has been signed by Shipper's authorised representative and the Terms and Conditions constitute binding and enforceable obligations of Shipper.

13. Routing

Shipper agrees to all routing and diversion, including the possibility that the Shipment may be carried via intermediate stopping places.

14. Governing Law

Any dispute arising under or in any way connected with these Terms and Conditions shall be subject, for the benefit of DHL, to the non-exclusive jurisdiction of the courts of, and governed by the law of, the country of origin of the Shipment and Shipper irrevocably submits to such jurisdiction, unless contrary to applicable law.

15. Severability

The invalidity or unenforceability of any provision shall not affect any other part of these Terms and Conditions.
