The enclosed subpoena has been issued in connection with an official criminal investigation being conducted by the Federal Bureau of Investigation. If you would like to do so in order to avoid a personal appearance, you must (a) deliver or mail the documents so that they are received in advance of the date specified on the subpoena; and (b) have an appropriate custodian of records from your business fill in the declaration enclosed with this letter. Unless you comply with both of those requirements, a custodian of records must appear in person to produce the documents.

If you choose to mail the records, please send them to the following address:

Please do not deliver or mail any of the subpoenaed documents to the United States Attorney's Office.

Because this subpoena relates to an ongoing criminal investigation, this Office requests that you not disclose the existence of or compliance with the subpoena for an indefinite period of time or until the Office notifies you that the investigation has been completed or until a court orders disclosure. Premature disclosure could impede the investigation and interfere with the enforcement of the law. In addition, you do not have an obligation under Right to Financial Privacy Act, 12 U.S.C. § 3401, et seq. to disclose to a customer your receipt of or compliance with a federal grand jury subpoena for that customer's records. MASS KILLINGS

Synopsis: (U) Opening communication.**Full Investigation Initiated:** 05/28/2014**Details:**

On the evening of May 23, 2014, Elliot Rodger, a student at Santa Barbara City College, killed his two roommates and a friend of one of his roommates with a knife. Rodger then drove around Isla Vista, the community adjacent to University of California Santa Barbara (UCSB) and where many UCSB students live, and began shooting people. He shot three people to death and wounded seven others. Rodger then shot and killed himself after exchanging gunfire with law enforcement officers.

Prior to conducting this mass killing, Rodger released a 140 page manifesto as well as several YouTube videos in which he professed his hatred of women.

The Santa Barbara Sheriff's Department (SBSD) received information about the internet forum www.puahate.com which stated that many members
