"Gentlemen:

"This statement is to request an investigation by the Department of Justice of the United States into wiretapping and electronic monitoring activities of the Mayes County Sheriff's Office, Oklahoma State Bureau of Investigation, Sidney D. Wise, District Attorney, and S. M. Fallis, District Attorney, of conversations between Gene Leroy Hart and his attorneys, [redacted] and [redacted]

b6
b7C

"On April 7, 1978, [redacted] and [redacted] met with Hart in the Mayes County jail concerning the charges filed against him for three counts of murder in the first degree. This meeting was arranged after the District Attorney of Mayes County, [redacted] had attempted to prevent [redacted] and [redacted] from seeing Hart, by stating to [redacted] and [redacted] that 'Hart had retained another attorney--Larry Oliver'. After visiting with Hart on the evening of April 7, it was determined that Hart had not retained an attorney nor had Oliver communicated with him.

b6
b7C

"On April 9, District Attorney Wise visited with Hart in the Mayes County jail and told Hart that [redacted] and [redacted]

had not been sent there by any authorized person and that they were there merely for publicity purposes and not due to any insistence or intervention by any other organization. Shortly after that visit, Larry Oliver appeared in the Mayes County jail to confer with Hart concerning possible representation of Hart.

b6
b7C

"On Sunday when [] and [] returned to the jail, Hart informed them of these conversations with Oliver and Wise. It was at that time agreed that Oliver, [] and [] and [] would represent Hart. An agreement was also made that no one would comment to the press concerning defense strategy or in any way comment upon the facts involved in the litigation.

"Oliver, however, failed to follow the rules agreed to by Hart and his attorneys and was discharged by Hart.

"Later Hart was transferred to the state penitentiary at McAlester and without permission of [] and [] [] and [] were permitted to visit Hart. Oliver made the statement to Hart before he was discharged that Stipe owed him a favor and that he could help Hart.

b6

"District Attorney Wise went to great extremes to see to it that Oliver represented Hart and not his present attorneys, [] and []. b6

[] and [] conversed with Hart concerning tennis shoes and placed tennis shoes in an easily accessible area in hopes that law enforcement officers would go to that area and pick up the shoes. [] returned several days later, the shoes had not been disturbed. Statements made to [] by one [] a witness for the prosecution, substantiate that conversations between Hart and [] were monitored.

b6
b7C

[] and [] have decided to hide a portion of a bath towel on the south side of Lindsey Mayes Bridge. After the towel is hidden, [] and [] will converse with Hart concerning the towel.

Title:

GENE LEROY HART

Character:

UNLAWFUL FLIGHT TO AVOID PROSECUTION -
BURGLARY

Synopsis:

On 9/18/73, District Attorney's Office, Mayes County, Pryor, Oklahoma, requested Federal UFAP process be issued for subject GENE LEROY HART, American Indian male, born 11/27/43, FBI Number 832 000 F, following subject's escape from custody Mayes County Jail, Pryor, Oklahoma, on 9/16/73. On 10/29/73, an authorized complaint was filed before United States Magistrate, Northern District of Oklahoma (NDO), Miami, Oklahoma, charging HART with violation of Title 18, U.S. Code, Section 1073. Warrant issued same date and lodged with U.S. Marshal, Tulsa, Oklahoma. \$10,000 bond recommended. Extensive investigation to locate subject through contact with relatives, friends, and associates, as well as with State and local law enforcement agencies has failed to develop any positive information as to subject's whereabouts or activities since the date of his escape. Other logical investigation to include employment checks and check of all state driver's license and motor vehicle divisions disclosed no record identifiable with subject under his true name or known aliases. Investigation of periodic reports that subject observed in home town of Locust Grove, Oklahoma, has been negative. On 6/23/77, charges of three counts of Murder were filed against subject by Mayes County, Oklahoma authorities after investigation by Oklahoma State Bureau of Investigation and Mayes County Sheriff's Office linked subject to the death of three Girl Scouts at Locust Grove on June 13, 1977. Efforts to locate and apprehend subject intensified. Subject's description and FBI Identification Record set forth. ESCAPE RISK; SUBJECT MAY BE ARMED WITH SAWED-OFF SHOTGUN - ARMED AND DANGEROUS.

STATE PROCESS

On October 15, 1966, subject GENE LEROY HART was received at the Oklahoma State Penitentiary, McAlester, Oklahoma, to commence serving a 10-year sentence following his conviction in Tulsa County, Oklahoma, for the crime of First Degree Rape. Subject was paroled on March 19, 1969. Because of HART's involvement in four burglaries committed in Tulsa, Oklahoma, his parole was revoked and he was returned to the Oklahoma State Penitentiary at McAlester on November 19, 1969, to serve a sentence of 40 to 140 years. While serving this sentence, subject, in September, 1973, was released to Mayes County, Oklahoma, authorities to await trial on Second Degree Burglary charges. On September 16, 1973, HART, accompanied by two other inmates, escaped from the Mayes County Jail, Pryor, Oklahoma, after successfully sawing their way through the bars.

On September 18, 1973, the Mayes County District Attorney's Office in a letter to the United States Attorney, Northern District of Oklahoma (NDO), requested Federal Unlawful Flight process be issued for the subject.

FEDERAL PROCESS

Following receipt of information that the subject had fled the State of Oklahoma on October 29, 1973, [redacted] Assistant U.S. Attorney (AUSA), NDO, Tulsa, Oklahoma, authorized a complaint charging GENE LEROY HART with violation Title 18, U.S. Code, Section 1073, in that he fled the State of Oklahoma to avoid prosecution for the crime of Burglary Second Degree. On October 29, 1973, an authorized complaint was filed by SA [redacted] before U.S. Magistrate CHARLES F. BURNS, NDO, Miami, Oklahoma. A warrant was issued that same date, and together with copies of the outstanding State warrants, were forwarded to the United States Marshal, Tulsa. A \$10,000 cash or surety bond was recommended.

SUMMARY OF UNLAWFUL FLIGHT INVESTIGATION

During the period from October 29, 1973, to date, extensive investigation conducted to locate and apprehend HART met with negative success. Repeated contacts with subject's relatives, the majority of whom reside in the Locust Grove, Oklahoma area, as well as with his known associates and acquaintances, failed to develop any information as to the subject's current whereabouts or activities. Further, investigation conducted to include periodic contact with local law enforcement agencies, as well as with logical individuals in locales where subject was known to have resided, or was reported to frequent, provided unsuccessful as well. State employment record checks, a review of all state driver's license and motor vehicle departments, and review of long distance telephone toll records for subject's immediate relatives failed to disclose any information as to subject's location.

Later, investigation located a cave approximately two and one-half miles Southwest of the campsite containing the roll of tape, plus other items of an evidentiary nature indicating that subject HART had been living there and implicating him to the crime.

OC 88-9740

Based on the above, on June 23, 1977, SID WISE, District Attorney, Mayes County, Pryor, Oklahoma, filed three separate First Degree Murder charges against GENE LEROY HART in the death of the three Girl Scouts.

An extensive search is currently being conducted by members of the Mayes County Sheriff's Office, Oklahoma Highway Patrol, Oklahoma State Bureau of Investigation (OSBI), FBI; and other local law enforcement agencies of a ten square mile area located South of Locust Grove wherein the subject was believed sighted. HART has been described as an excellent backwoodsman and is extremely knowledgeable of the terrain in the Locust Grove area.

Further, all subjects' known relatives, friends and associates are being recontacted in this matter for any information they may have which would assist in HART's apprehension.
