LONGING

The vibrant show was one of the best I've ever seen. Because you were there, & I got to see you at your best. To see you happy. It feels good to ~~see you~~ see you be loved, feel love, and give love into the entire atmosphere. There were several loud, vibrant spirits in the air, but yours ~~made~~ made my heart scream out because your love is the LOUDEST in my heart. I ache for your sake. Sounds lame but it's true. I am better off watching you from a distance ^{where} your love fills the air as the smoke ^{fills the air} high and low at the same time. It's hard to explain. My heart beats loud, because of how loud your love is - ^{the only} loudness that attracts me. Loud as in vibrant, full of light, sparkling out through your beautiful smile. Seeing you dance, love on your friends, even a stranger. I saw the child I used to know again. The child that knew how to smile, to be funny, to pour out your soul into what you love, who you love the most; ~~but~~ it can be overwhelming sometimes. I just can't help it when my heart flutters while you were on the dance floor. It's just how I remember you when you were a child. Your youth is still alive, and that's what I can't escape from. ~~To whom~~ To whom ever you love, it's the sweetest child I know that stays young, bearing much fruit: reach out your hand to clasp another, ^{like your heart} ~~your~~ strong but soft at the touch ^{as your} arms when in them. I was twice 4 seconds in total. Painfully short. ~~Now I~~ I wished it could last forever. ~~If not, I'll~~ If not, I'll ger. maybe in another life. ~~Aiden~~ Aiden

MY BRAIN!!!

THIS LIFE...

2/7/23

I need my brain for creativity and to live out

my passions. I need my brain to survive. It functions

on basic science of my senses ~~to help me~~ to help me breathe, eat, smell, sleep, more

yet cognitively I just processes information differently. I think differently

I've always been different. A lot of people run away from

my difference like its the plague or something. Because of

my brain that I think different, say words that make no

sense to the neurological minds of others. My brain makes me

smart & brilliant imaginatively/creatively, but at all the while

makes me suffer every day. Why did God make me this way?

I feel wrong. I was born wrong. m. i'm told that I have the

wrong perspective or think wrong ideas about my reality of life

I can't be consistent w/ anything since I left school.

And since Syd died - ~~all~~ all my efforts feel meaningless

cause I don't work enough, don't make enough, don't do enough.

I can't sleep right. I can't eat right. My brain taunts me.

My thoughts are an ever ending Abyss. A DARK ONE.

I'm not eating 3 meals a day like I'm supposed to. Not on

the job search like I'm supposed to (art job). I've been doing ~~well~~ well

at preparing my self to die. I want to die. This life is so ~~just~~ just

difficult for me to accept. People have trouble accepting me in

their lives b/c I'm difficult to understand. I'm just too different.

I have to have friends like [redacted] she's all I have - to share

everything and she doesn't isolate me. she keeps me. the closest

thing to [redacted] was Syd. Syd understood me ~~when~~ when

did or could. She would comfort me & knew what ~~to do~~ to do

saying a word. ~~she~~ she was my friend b/c she did see me as rap,

well, I'm much more rare than people think or know. She knew that

000. 1% chance of that ~~and~~ of reality for me.

And in that 1% - I was someone - felt appreciated because I was

able to exist through her mind at that time, I will exist if

people love me, ^{genuinely} not use me, or choose to ignore my rarity. If they

ever wished to see it, ~~they~~ they'd have more friends. But I don't.

I tried. I'm 27. My youth is resting in the Abyss. I want to eat & rest

with it - w/ all my dreams. My dreams cannot be here, I must

die. But I feel too bad. Hurt too much. Sad all the goddamned

time. Either I have too much ^{biological} estrogen, or I'm just a sad lonely

boy. Relentless, ongoing, everyday sadness. ^(from within) Every day

would relate on so many levels. I belong in the imaginary world

where I exist & those characters exist ^{on my perspective of} my brain - my brilliance, ^{to see their brilliance} ~~my perspective of~~

but earth - to be stuck in a body that is destined to rot someday.

I hope that day is soon. I have no one to talk to, no one of

more than one. I talk to myself. I'm with myself all the time.

I can only see what people share on a public level. Levels

of deep ^{private} connection I will never have in this realm. I only

observe and they have things I don't have. I

have things others don't have. Human existence will ^{never} never

seek full contentment. I know hard work will earn dreams. And

I don't want a free golden star to an opportuned new life. I just

want another life beyond this realm. ^{I want a ticket out on railroad} Goddammit how trapped

I am in myself that can't get along or understand how life should

or could work - to do it on my own. Its simple, yet everything I

to me of adult life sucks - more complicated than it should be.

Death is simple. My brain is ^{simple} simple. No one seemed to notice me

the real me. All of me. If I can't exist here, I exist ^{in my mind} somewhere

else. Anywhere but here. Here is where there is nature

animals, & creativity. Those forms ~~will~~ see me. I appreciate

them. I just ~~don't~~ don't exist anywhere else. I feel so ~~lost~~ lost.

Being me sucks...

It shouldn't be a problem getting up at 7 every morning. But unfortunately, for me, it is. I've missed several morning orders this week. I missed 3 today. God, whyyy??! I hate myself for not making myself get up. It's more going to someone else who actually works consistently & gets more consistent pay. Not me. The morrow of life is hollow. I swallow bones instead cause I'd rather die hard than try to live better life while suffering to do so. I repeat my same patterns - can't sleep routinely, or eat, or stick to be more strict on myself. Do I really not give a fuck? I hate waking up that I'm still here but no one gives a fuck if I am. No one, I mean, no one will think my life meant something after I die. No one by no friends but who are around my age or 3 yrs older. None of this shit will matter to them once I'm dead. I don't care myself to live, then how way they will even to notice when I'm gone. It meant nothing to them alive; it won't after death. (Sure as fuck.)

And whoever he/she/they may be, they are not American, & have no care in the world about what "Land of the Free" means. Whatever fucker is taking away human rights is not of a human at all; just a robot.

Soon this goddamned country will turn out no fun like England or ~~the~~ Europe. No guns, no gender rights, no freedom of speech or pursuing of radical ideas, no mischief. You can't even carry a knife in England. Fucking pussies.

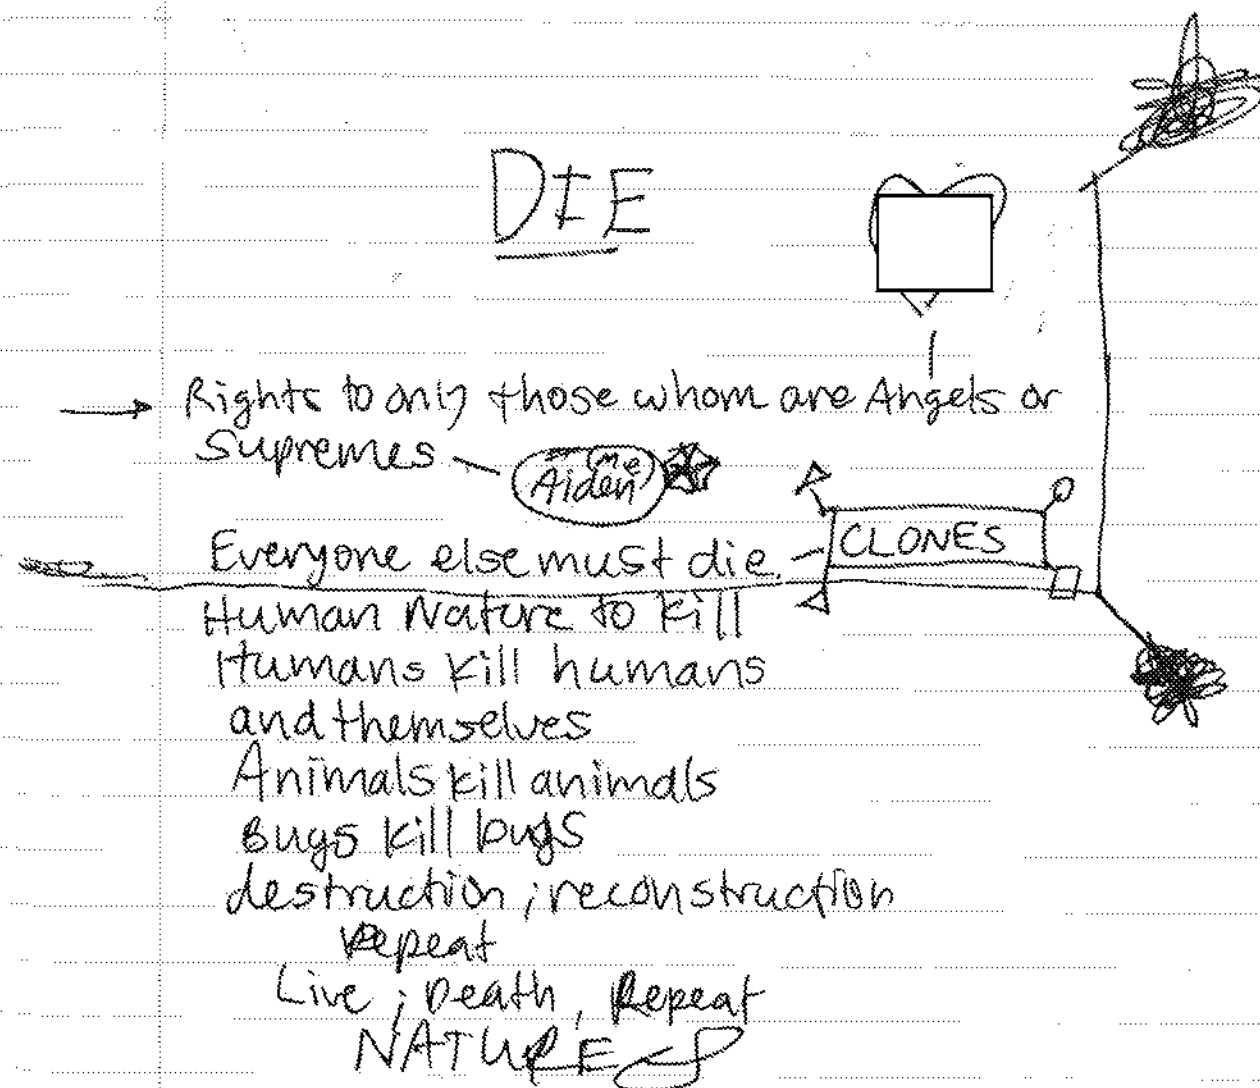

And just forget about the Disability Liability Act, good luck finding or keeping a job w/o that, cause no one with a disabled have rights, ~~and~~ civil races have rights, LGBTQ have rights, gun owners have rights. Landowners own property, people have guns. Disabled people ^{need more rights to medical treatment} have trouble adapting to society. It's just you talking air heads don't recognize or ignore it. Our rights are there for a reason: so called American name.

So now b/c of you, I wish death on myself cause ~~of~~ ^{the} pure hatred of my female gender with no rights, and ones country is a shitty dictatorship.

Male brain → my autism?

2/21/23

I was actually identified as a male today and it felt right but ~~un~~barrest of my female body.

I SHOULD NOT BE IN THIS BODY!!!

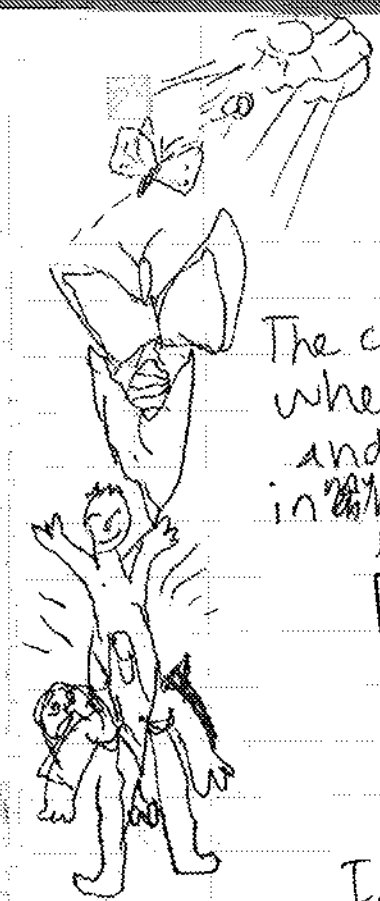

The guy who runs the comic shop is cool and he ~~even~~ has friendly customer service skills. He really knows his stuff and treats all the guys fairly. I like being called bud, bro, and man. It just ~~feels~~ directed ~~very~~ 100% accurate to ~~who~~ who I am as a guy inside. If only all other men + boys could see me that way, that my body doesn't make me a female 100%. More like 5 to none. Sometimes people do identify me right away as a he since I am smaller and look younger than others my age. It helps, but ~~when~~ when I'm called a lady or ma'am - damn it it makes me ~~not~~ not want to exist. The body in me exists only to me. I'm just damn tired of being called + identified by a gender I am not. AT ALL. At least I don't have big boobs or a butt, but yet I hate having boobs at all. They might have grown just a bit + ~~it~~ I want to die.

and the boy in me will be free;

If God da won't give me a boy

a faggot.

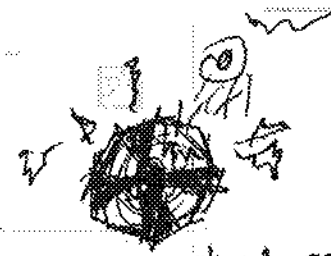

2/28/23

I looked behind this bastard & it was so disgusting
I lost my appetite. I felt sick looking at it. That
ugly flannel that looks ugly on it and its hair
was the nastiest, ugliest hobo head I've ever
seen on it.

This faggot is so goddamned ugly, and I'll
be damned I had to look at this miserable
fuck for 10 years. Disgusted with that like
disgusted being in a female body.

~~It~~ Makes me think about dying... ~~It~~

~~It~~ What is pure ugly, and then seen what is
pure beauty. She is the most beautiful girl that
I ever layed eyes on. No other woman has
touched my heart more than her. The times I
have seen her in person, how I feel like dying b/c
I ~~can~~ die to be a part of that kind of love. Love
amongst the rarest through my heart's desire.
But my heart knows that I can't be with her or
have any close connection. At least she would
be able to talk to me a couple seconds, look in
her eyes, look in mine and her hands that
are gentle at the touch - that's sweet. It makes
me shrivel ^{it shake} in this cocoon ^{much desire to rest & be released} ~~and I can't~~, so I
can be a butterfly transformed in another dimension.
For all this time of shaking inside to her,
All my inner butterflies of her will fly away w/me. Sam,
A love ~~the~~ I never known... ~~Anders~~

I am one,
THANK GOD,

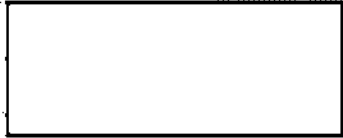

3/2/23
(Feb.)

The 27th was a beautiful night, just like my brown girl. She looked so beautiful that night, I could not take my eyes off her. Call it lust or pervertedness, I know who I am attracted to, and I can't unchange that. It's like my soul is spell bound to her spirit or something. It ^{has to be} her personality; personable & the ways she connects w/ people makes her so likeable. It's why she has a whole team of supporters, and why she's loved the way she is. I just wish I was more a part of it. So many aspects I love about her - physical & spiritual. The two mingle perfectly together in harmony. Yes, she's just as beautiful with her heart than her body. But for the life of me I cannot help but gaze into her beauty; her arms, her back, her hips, her lips. Every part of her I desire to latch onto. So when her hand layed onto me after the show, it ~~was~~ ^{her hands} being touched by an angel. But my problem is living in hell. My mind & my body is a prison. Anything that ^{stimulates it} triggers it, only makes ^{things} worse. She made history that night even if she was nervous and her ~~back~~ back felt clammy. Only natural to sweat with having a first live show, and she's still beautiful. She knows who she is, and all the rest of the world in time will too. She's famous to me; a star to many. Little does she know she know how we will soon share the same fate. She will live a legend and I will die a shooter - hopefully to become famous. No one will forget neither of us. She will be the blessing, and I will be the horror to inflict pain.

Dear

arent parents manipulative? Its total ignorance when parents step in & try to change thier child's environment. Make them go to youth group & force christian friends in thier life because the old ones were a "bad" influence. I Can't fucking stand that shit. Parents actually believe religion can change nature. That could explain why I don't practice religion anymore. Let kids think for themselves, listening to parents does no damned good but to mold thier premature minds into a pre-formated program: like clones do ^{the way} manipulative forms teens hate. My Imaginary Penis

3/11/23

My penis exists in my head. I swear to god I'm a male. I think about sexual fantasies, about how if my dick was real I'd fuck the girl I love in the ass.

I want to know what that's like, but I never will because I was damned to be born this way. I swear to fuck I hate it so goddamned ^{so much} ~~much~~. It's a fucking curse. Having a brain like mine has its godliness but also prone to making poor ass decisions. Like putting my Aiden name while filling out paperwork for instacart, & how my B6 check didn't clear & I'm possibly not going to get the job.

Fuck me, man [redacted] just says I'm young and young people make mistakes. But with me, its ^{And the biggest shit} ~~that~~ painfully more than that. The torture of ~~me~~ being raised a girl, and actually believed I just had to deal with it, and tried to be feminine. But that didn't last long after high school ended & no longer ^{with being} ~~autistic~~ had to fear of being called a dyke, or a fagot. I was and only until my early 20's I finally found the answer - that changing one's gender is possible. ^{that who I really was & finally embraced who I was} But oh fucking no, not w [redacted] time what she believes, how she grew up conservatively, and that all LGBTQ - especially transgender ^{in her era} ~~was~~ ^{an illness} ~~was~~ ^{in childhood} ~~an enigma~~ ^{was} ~~non-existent~~ ^{in childhood} ~~at the time~~ ^{that's how she made me} I might have told her once I was h I was a boy when she made me put my shirt back on as a kid. But would say "you a girl, and that's how you were born" Some kind of bullshit like that. It made me mad. Because being a boy as a kid was when I was ~~felt~~ most like myself. A bare, flat chest made me free. Girl ^{life} ~~prepuberty~~ ^{sentence} ~~inprisoned~~ me. And so does my mind. Puberty ^{life} ~~inprisoned~~ me. The people in this world adds more bullets to shoot violent thoughts into my head ^{full} ~~on~~ auto. I hate parental views; now [redacted] sees me as a daughter - and she'd not bear to want to lose that daughter because a son would be the death of Audrey.

② My Imaginary Penis

Pain of losing a daughter? That's not pain, that's selfishness. Just like any rest of the parents with that mind set. They are all full of shit. How could they ^{not} ever think of their own child suffering, and that they hate their gender so bad they cut & want to kill themselves? Fuck ~~my~~ parents like them who think of themselves first, and their preference of ~~conservative~~ conservative religion-gay shit makes them believe that the child they are given should stay that way ^{in how}. Even if transgender treatment ~~was~~ was discovered ^{now} and tested during my time, I know how the situation would ^{prefer} have turned out. [redacted] would not have paid a cent. Children who were able to successfully take puberty blockers ^{to be} and never enter a tormented puberty, those little faggots don't know how good they fucking have it. I'd kill to have parents who ^{out} would let their child be happy no matter how different it is to ^{of} their viewpoints or don't agree, or scared of it. They are willing to ^{be} listen to their children, not the other way around. I'd kill to have had those resources ⁱⁿ; 2007 was the birth of puberty blockers and a newfound ~~re~~ discovery ^{for} for treatment of non-conforming transgender children. 2007 was when I was when I was in the 6th grade, puberty already hit me. The only reason I could conclude why it didn't bother me too much is that my boobs were small. I thought they'd stay that way forever. My artistic brain... change in body fucked ~~me~~ me over now, even if my boobs are still small for the most part. I started ^{with} setting new underwear for my big bears (my two tabbies, my lion & fox) And there I was ^{plastic} thinking of porn and doing surgery on my boy stuffed animals giving them penises b/c their middle ^{why not give them a little more of a male cat in} looked like a vagina. No boy should ever have that. If I can't change ^{my} my appearance, I can pretend how it would be by my imagination of child's play through my stuffed animal's spirit through me.

3/11/27  Toy sex (My Imaginary Penis.) 
I can pretend to be them & do the things boys do experience ^{w/ their} dicks. My boy self as Tony - my stuffed boy doll is like the ~~big~~ boy I am in another form. I constructed for him a penis, then got out my girl doll named Ashley (who is Tony's life-long boyfriend). Ashley was represented as my dream girl. I wished to have ^{as a child, I liked blonde white hot girls like Ashley} her in real life, and Tony is me having those intimate ^{w/ Tony} relationships w/ a beautiful girl. Tony is a boy, inside and out. Ashley is a girl inside and out. Two straight lovers who are in full nature of themselves by awareness. I let Tony fuck Ashley in the ass ^{hard-humping} and stuffed Tony's big penis in aggressively into her ass hole. It took several attempts for Tony to put his dick into her vagina because he has a big dick (and was even bigger since he had an erection) finally went in and Ashley cried and moaned for a good ten minutes. Tony humped slow and ~~slowly~~ ^{gentle} from vaginal sex, in but sex, he humped speedily and hard, Tony grunting w/ all his strength. Then after I fucked Ashley for a good ten minutes ^{remember} (Tony is me). Then I let her suck his dick and touch his erected penis. After that they wrapped each other in their arms & legs as a sloth ~~climber~~ ^{After love they made,} hugging a tree. They ~~then sat~~ gracefully sat side by side naked holding hands ~~and~~, surrounded by the scattering of their clothes. I took pictures of their sex positions. My penis ^{was in 95% way} was hard for hours. Rock hard as a Flintstone, hours making ~~the~~ cloth penises for my boy bears, only to realize I missed the gym cause they closed at 7. I was mad already cause I had no work that afternoon. Walked around the mall browsing ~~pop~~ t-shirts at Spencers and got some boots for Tommy, my stuffed lion. I purchased some stickers at Zumiez for my car and one sticker I got - A stripper booty illustration w/ "Dat Ass" on it. God, I am such a pervert. ~~and I waste~~ I waste too much time in my fantasies.

Soon I will leave this world; ~~and~~ you + your friends
will be just fine. Does it even matter I am alive?

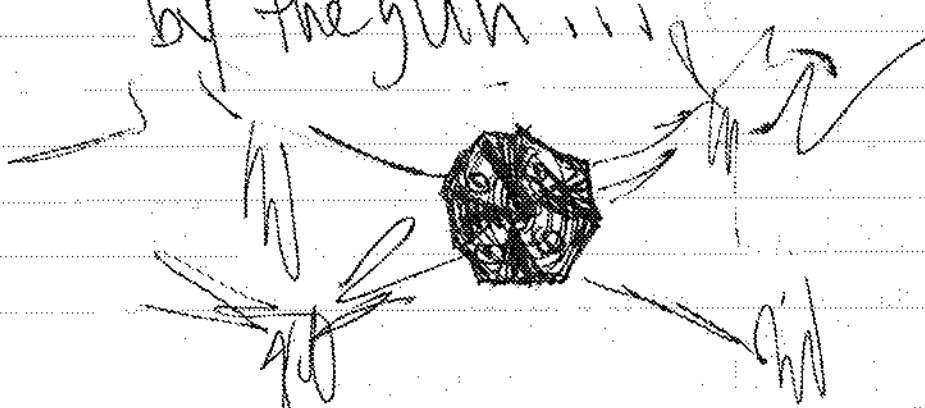

I will regret

nothing

I regret
nothing in my death!!

I playing Syd? Am I better than I was? I feel stronger,
my shot is more confident. I think of you shooting
the ball as you did and pretending I'm in your shoes.
I did feel that I was, they were my shoes, but
spiritually (since #2 + your name is imprinted on the

So no wonder I felt you move in me - made me
feel strong and my passion for ball. Your spirit ever
so close to me when I am surrounded by people, places,
and ~~things~~ ^{objects} that were in relation to you. Its weird
feeling knowing I never thought about things like this until
you passed away. Ever since, my thoughts about
death have altered significantly. I think about death
every day + fascinated / curious with the idea of dying too much.
I know its unhealthy, but I just don't care if its anymore.

[redacted] living life best he can. I'm living while I can

I've been crying about you all week so far. Anything I do
what I love to do, it brings me back to you. McCabe
community center I've visited since last Saturday and
my heart keeps pulling + tugging my mind to go back tomorrow
and the next day and so on. I hoped for an hour, worked
out in the weight room for an hour + 20 min, then back to
the gym to watch a basketball camp [redacted] was coaching.
He seems like such a natural teaching about ball just like
you were. Patient, kind, but honest only to push his
players mentally. Basketball is a more mental game
rather than physical. "Basketball is a lot like life" was
what stood out to me as [redacted] spoke when camp was over.
Mixed feelings. Not just about the boys playing, but
the boys dunking and wishing I was a boy to do that. I
watch the boys connecting + having fun w/ their friends,
(reminds me being w/ you playing ball in middle school).
One little boy was crying b/c 2 other boys were mean to him.

I watched the pain in his face, the tears in his eyes, the
way he crumbled into a ball + dug his face in. Damn it
reminds me just the kid I was doing just that. And there
[redacted] was so kind + good to me that I forgot what I
was sad about. A black former ball girl spoke in a voice that
sounded a little like yours. Another black girl who hung out
at the center had the eyes + lips, braces similar to [redacted]
physical features, + even showed the personality similar to [redacted]

2/26/23

Aiden

Shooting outside is fun. On Yeah, I love shooting my shotgun! I've been practicing for the 4th time yesterday (2/25/23) and learning about the velocity range of the bullet. When I have my pistol grip at above weight (tucked under my armpit), the shells rise up -- →, when I am pointed down they ~~go~~ range up then down -- ↘.

I'm learning about my pellet mole clusters in the tree trunks and that they all are around the same area. So I'm not shooting all over the place, but learning how to shoot just straight ahead.

For Accuracy:
P.S.

learning how point, & hold a pistol grip
56 is a path in the dick (for beginners)

my shot range

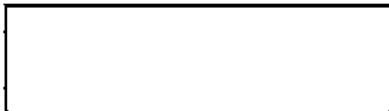

it takes years of practice to shoot

where you want with a pistol grip. With a stock, however, easy. I was able to hit the targets right where I wanted shell to go.

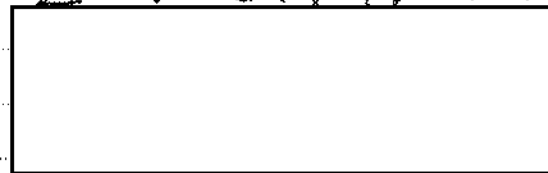

2/26/23

Went shooting practice again. Found some ~~lost~~ glass bottles, cans, and a styrophone cup ^(along with a few other found) ~~as targets~~ over on River Road Pike. Drove ~~to~~ then to 155 Briley Pkwy south near Nashville Gun Club range. As I backed in to the shrubs, I got my front tire stuck in mud... I was able to drive out of it, but my car got filthy from the pursuit. Anyway... setup my soda can, s-cup, & bottle and shot from about 5-6 yards. I could shoot where I want, but the bullet shell / pellet PBs ~~you~~ would just barely breeze slightly above them. After 25 attempts (thus 25 shells after) I was unsuccessful to hit any of my ~~ideas~~ targets. I did use 7/8 shot, which doesn't hurt but only w/ small game. ~~But~~ Yesterday the pellets fucked up my paper targets, so shooting at cans & bottles was more fun. I kept shooting at the dirt... oh well. Fuck, why am I such a bad shot w/ slugger? It's only solution is to practice more. I might get 'em next time! Aiden

Old cranky men
all should die

Fag [] "If I was in that bad
of health, I'd want to die" (about
Grandma)

Aiden: ^{No} You do want to die now
Faggot. Your miserable ass is
pitiful as fuck. If I put my Shotgun
up to your head, I bet you'd want me
to pull the goddamn trigger."

PUT YOU OUT OF YOUR
MISERY AND DIE!!

I have to kill,

so I can be remembered...

in the most horrific way possible!
(that way no one will ever forget)
