FD-302 (Rev. 5-8-10)

FEDERAL BUREAU OF INVESTIGATION

Date of entry 06/08/2016

On June 8, 2016, Special Agent [redacted] U.S. Deputy Marshal [redacted] and Sergeant [redacted] assisted [redacted] in a vehicle stop of DARREN L. SEALS as he was driving his known 2012 Jeep Wrangler [redacted] SEALS vehicle was located in the parking lot area of [redacted] Uniformed officers [redacted] were advised that SEALS had several active warrants for arrest [redacted] including driving with license revoked. Several marked units [redacted] initiated the traffic stop of SEALS as he was leaving the parking lot area.

b6 -1,2,7
b7C -1,2,7
b7E -2

SEALS immediately stopped his vehicle for the officers and was compliant during the stop. SEALS was present in the vehicle with [redacted] later identified as [redacted] SEALS advised the officers that he was an outspoken activist on social media and that he had been shot several times during violent encounters in the past. Officers conducted a Terry search of SEALS for officer safety based upon his prior arrests for unlawful use of a weapon. Officers also visually inspected the interior area of SEALS vehicle as they stood outside the vehicle. (The top of the Jeep Wrangler had been previously removed by SEALS prior to the stop which allowed full view of the interior of the Jeep from outside the vehicle.) No officer safety items were identified during the stop.

b6 -3
b7C -3

SEALS was advised of the outstanding warrants against him and was told he was free to leave. The stop lasted approximately twenty minutes. After being released, SEALS drove to a corner of the parking lot area and began filming the officers with his cell phone.

OFFICIAL RECORD

FEDERAL BUREAU OF INVESTIGATION

Date of entry 06/08/2016

On June 8, 2016, Special Agent [redacted] U.S. Deputy Marshal [redacted] and Sergeant [redacted] Highway Patrol assisted [redacted] Police Department in a vehicle stop of DARREN L. SEALS as he was driving his known 2012 Jeep Wrangler [redacted] b6 -1,2,7
SEALS vehicle was located in the parking lot area of the T-Mobile store b7C -1,2,7
located at [redacted] b7E -2
[redacted] Uniformed officers [redacted] Police Department were advised that SEALS had several active warrants for arrest [redacted] including driving with license revoked. Several marked units [redacted] Police Department initiated the traffic stop of SEALS as he was leaving the parking lot area.

SEALS immediately stopped his vehicle for the officers and was compliant during the stop. SEALS was present in the vehicle with [redacted] b6 -3
[redacted] later identified as [redacted] SEALS advised the b7C -3
officers that he was an outspoken activist on social media and that he had been shot several times during violent encounters in the past. Officers conducted a Terry search of SEALS for officer safety based upon his prior arrests for unlawful use of a weapon. Officers also visually inspected the interior area of SEALS vehicle as they stood outside the vehicle. (The top of the Jeep Wrangler had been previously removed by SEALS prior to the stop which allowed full view of the interior of the Jeep from outside the vehicle.) No officer safety items were identified during the stop.

SEALS was advised of the outstanding warrants against him and was told he was free to leave. The stop lasted approximately twenty minutes. After being released, SEALS drove to a corner of the parking lot area and began filming the officers with his cell phone.

IN THE MATTER OF THE APPLICATION OF THE UNITED STATES OF AMERICA FOR AN ORDER PURSUANT TO 18 UNITED STATES CODE SECTION 2703(d) CONCERNING CELL TOWER DATA	))))	No. FILED UNER SEAL 4:16MC00703DDN

APPLICATION
OF THE UNITED STATES FOR AN ORDER PURSUANT TO 18 U.S.C. § 2703(d)

The United States of America, moving by and through its undersigned counsel, respectfully submits under seal this *ex parte* application for an Order pursuant to 18 U.S.C. § 2703(d). The Order would require AT&T, SPRINT, T-MOBILE, VERIZON WIRELESS, and any other carrier of electronic communications ("the Service Providers") to disclose certain records and other information pertaining to the cellular telephone towers described in Part I of Attachment A. The records and other information to be disclosed are described in Part II of Attachment A to the proposed Order. In support of this application, the United States asserts:

LEGAL BACKGROUND

1. The United States may use a court order issued under 18 U.S.C. § 2703(d) to require a provider of electronic communication service to disclose records or other information pertaining to a subscriber to or customer of such service, not including the contents of any communications. Cellular service providers are providers of an electronic communications service, as defined in 18 U.S.C. § 2510(15). Accordingly, the United States may use a court order issued under 18 U.S.C. § 2703(d) to require the Service Providers to disclose the items described in Part II of Attachment A, which are "record[s] or other information pertaining to a subscriber to or customer of such service." 18 U.S.C. § 2703(c)(1).

FBI(20-cv-2175)-5880

2. This Court has jurisdiction to issue the proposed Order because it is "a court of competent jurisdiction," as defined in 18 U.S.C. § 2711. *See* 18 U.S.C. § 2703(d). Specifically, the Court (Eastern District of Missouri) is a district court of the United States that has jurisdiction over the offense being investigated. *See* 18 U.S.C. § 2711(3)(A)(i).

3. A court order under § 2703(d) "shall issue only if the governmental entity offers specific and articulable facts showing that there are reasonable grounds to believe that ... the records or other information sought, are relevant and material to an ongoing criminal investigation." 18 U.S.C. § 2703(d). Accordingly, the next section of this application sets forth specific and articulable facts showing that there are reasonable grounds to believe that the records and other information described in Attachment A are relevant and material to an ongoing criminal investigation.

FACTS ABOUT THE ONGOING CRIMINAL INVESTIGATION

4. Based upon conversations with the Federal Bureau of Investigation (FBI) your Applicant has been informed and certifies that the FBI and the St. Louis County Police Department (hereinafter referred to as the "investigative agencies") are conducting an investigation involving known and unknown individuals. The investigation concerns criminal offenses including, violations of Title 18 U.S.C. Sections 844(i) (malicious destruction by means of fire property used in interstate or foreign commerce or any activity affecting interstate or foreign commerce), and 875 (interstate threats).

5. For its reasonable grounds in support of its application for the disclosure of transactional records, the Government states as follows:

Investigators with the FBI are conducting an investigation involving Darren Seals and others for communicating threats to injure other persons. According to agents, Darren Seals was a self-described activist who started organizing protest activities in the Ferguson, Missouri area

FBI(20-cv-2175)-5881

in August 2014. Seals was known by the activist community as a "day one" activist because he was at or near the Canfield Green Apartments organizing protest activities shortly after the incidents that took place in Ferguson in August 2014.

Through June 2016, Darren Seals remained active in the St. Louis area and on social media. Seals has been described as an individual who attempts to incite violence. He encouraged and supported others to engage in violent acts while seeking to insulate himself from potential criminal activity. For example, on July 5, 2016, Seals used his Twitter account, under the name King D Seals, and posted the following statements: We don't need no marches, peaceful protestors, voting ballots, we need soldiers that's ready to kill and be killed. Period. [sic]. Similarly, on the same day, he also posted: If you see this pigs are about to murder an unarmed black man/woman/child don't film it blow they mother fucking brains out. Fight back [sic]. Seals also posted later that day: Eye for and eye is the only solution. . . Killers don't respect peace they respect other killers.

On Friday July 8, 2016, following the news of the shooting of several Dallas police officers, Seals made numerous posts over social media accounts that are affiliated with him. The posts included praises for the Dallas shooter, celebrating the death of the Dallas Police Officers, and suggestions that more individuals should take similar action. Seals also planned a meeting at the Forest Park Pavilion at 5:00 p.m. on Friday July 8, 2016.

On September 6, 2016, Seals' body was discovered in St. Louis with a single gunshot wound to his head. His body was located inside his Jeep Wrangler at a parking lot located at 9640 Diamond Drive, St. Louis, Missouri. The Jeep was incinerated. An unnamed witness stated that he/she saw Seals' Jeep Wrangler enter the parking at approximately 1:00 a.m. The witness stated that the Jeep was followed into the lot by two other vehicles. The witness stated that the two unknown vehicles departed the parking lot, rapidly following an explosion and that

FBI(20-cv-2175)-5882

fire was coming from the parked Jeep Wrangler. At 1:18 am., St. Louis County Fire Department received a call regarding the Jeep Wrangler being on fire. Shortly after putting out the fire, the St. Louis County Fire Department discovered the remains of Seals inside the vehicle.

St. Louis County initiated an investigation in the incident. Following Seals' death, numerous individuals have claimed that members of the local police department had Seals killed and burned his vehicle in a remote location as a way to hide the evidence of his death. The FBI continued its investigation of Seals and his confederates threatening activities. The FBI has also begun assisting the St. Louis County Police Department with the investigation of Seals' death and the arson associated with burning his Jeep. Investigators indicated that witness have reported that there were numerous threats made to, and directed at Seals on his Facebook page.

Investigating agents stated that during their careers as law enforcement officers, they have conducted investigations concerning threat cases, arsons, and violent crimes. Based upon their training and experience in such investigations, they know that co-conspirators engaged in these type of criminal endeavors commonly communicate with each other utilizing cellular telephones to facilitate the overall scheme of their illicit endeavors. Cellular telephones are also capable of accessing social media forums. Individuals engaged in these type of activities routinely communicate via mobile telephones to orchestrate the crimes, plan for their escapes from the scenes, and otherwise discuss the nature of the criminal activities. Investigators believe it is likely there will be data, records, and other information collected and stored by the Service Providers through cellular towers that were used to facilitate any calls, texting or mobile social media access that may have occurred in the time leading up to the events that led to Seals' death. Thus, investigators seek an order compelling the Service Providers to release stored cellular tower data and records concerning specific cellular towers that provided service to areas in proximity to where the aforementioned crimes occurred - within the Eastern District of Missouri.

FBI(20-cv-2175)-5883

In the present case, phone numbers used by any suspects are not currently known to law enforcement. By obtaining the data, records, and information of cellular towers servicing wireless devices near the location of the crimes, and near the time of the crimes, investigators will attempt identify the particular devices used by any targets and suspects as well as any conspirators.

Specifically, the information in Attachment A Part I provides the locations where the offenses were committed and will enable the Service Providers to identify the towers that have serviced mobile devices such as cellular telephones used by the subjects as they travelled and committed the offenses. There are two ways to do this: (1) by street address, and (2) by identifying specific cellular towers in the relevant location. Cell tower log information for the time period shortly before and after the respective robberies (see dates and times listed), may likely reveal the cellular telephone number used by the perpetrators during the offenses, and therefore aid in identifying one or more of the perpetrators.

Investigators determined that the area where Seals was killed was near or in a parking lot located at 9640 Diamond Drive, St. Louis, Missouri. Therefore, cellular towers servicing that area at or near the time Seals was present and at or near the time of the criminal activity would likely contain relevant evidence as previously described.

Investigators seek to limit the collection and disclosure of data, information and records, from service providers by: (1) limiting the request to the respective towers within the vicinity of the crime was committed; and, (2) by requesting a limited temporal period (time frame) concerning the release of the data, information and records collected by the Service Providers and the relevant cellular towers. The investigative agencies and the Government do not seek the content of any communication. Investigators will also take step to minimize any non-pertinent data. Data, including unique identifying information, which does not appear to be relevant and

FBI(20-cv-2175)-5884

pertinent to the individuals were involved in the commission of the aforementioned offenses will not be retained, analyzed or used in any affirmative way.

FACTS ABOUT CELL TOWERS IN GENERAL

1. Many cellular service providers maintain antenna towers ("cell towers") that serve specific geographic areas. Each cell tower receives signals from wireless devices, such as cellular phones, in its general vicinity. These cell towers allow the wireless devices to transmit or receive communications, such as phone calls, text messages, and other data. The tower closest to a wireless device does not necessarily serve every call made to or from that device.

2. In addition to a unique telephone number, each cell phone is identified by one or more unique identifiers. Depending on the cellular network and the device, the unique identifiers for a cell phone could include an Electronic Serial Number ("ESN"), a Mobile Electronic Identity Number ("MEIN"), a Mobile Identification Number ("MIN"), a Subscriber Identity Module ("SIM"), a Mobile Subscriber Integrated Services Digital Network Number ("MSISDN"), an International Mobile Subscriber Identifier ("IMSI"), or an International Mobile Equipment Identity ("IMEI").

3. Cellular service providers routinely maintain historical cell-tower log information, including records identifying the wireless telephone calls and communications that used a particular tower. For each communication, these records may include the telephone call number and unique identifiers for the wireless device in the vicinity of the tower that made or received the communication ("the locally served wireless device"); the source and destination telephone numbers associated with the communication (including the number of the telephone that called or was called by the locally served wireless device); the date, time, and duration of the communication; the "sectors" (i.e., the faces of the towers) that received a radio signal from the locally served device; and the type of communication transmitted through the tower (such as

FBI(20-cv-2175)-5885

phone call or text message). No content of such communications can be maintained or accessed through the cell tower information.

4. Based on the above facts, there is reason to believe that the records described in Attachment A would identify which wireless devices were in locations where the aforementioned vehicular arson and homicide took place. This information, in turn, will assist law enforcement in determining which persons were present when the criminal activities were occurring as well as potentially identify any suspects that may have committed the aforementioned acts.

REQUEST FOR ORDER

5. The facts set forth in the previous section show that there are reasonable grounds to believe that the records and other information described in Attachment A are relevant and material to an ongoing criminal investigation. Specifically, these items will help the United States to identify and locate the individual(s) who are responsible for the events described above, and to determine the nature and scope of their activities. Accordingly, the United States requests that the Service Providers be directed to produce all items described in Part II of Attachment A to the proposed Order.

6. The United States further requests that the Order require the Service Providers not to notify any person, including individuals whose wireless devices connected to the cellular telephone towers described in Part I of Attachment A, of the existence of the Order until further order of the Court. *See* 18 U.S.C. § 2705(b). Such a requirement is justified because the Order relates to an ongoing criminal investigation that is neither public nor known to all of the targets of the investigation, and its disclosure may alert the targets to the ongoing investigation. Accordingly, there is reason to believe that notification of the existence of the Order will seriously jeopardize the investigation, including by giving targets an opportunity to flee or continue flight from prosecution, destroy or tamper with evidence, change patterns of behavior,

FBI(20-cv-2175)-5886

or notify confederates. *See* 18 U.S.C. § 2705(b)(2), (3), (5). Some of the evidence in this investigation is stored electronically. If alerted to the investigation, the subjects under investigation could destroy that evidence, including information saved to their personal computers.

7. The United States further requests that the Court order that this application and any resulting order be sealed until further order of the Court. As explained above, these documents discuss an ongoing criminal investigation that is neither public nor known to all of the targets of the investigation. Accordingly, there is good cause to seal these documents because their premature disclosure may seriously jeopardize that investigation.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

I. The Cell Towers

This Order applies to certain records and information associated with the following cellular telephone towers ("cell towers") at the following dates and times:

Cell Towers	Dates	Times ([[list time zone]])
The cell towers that provided cellular service to 9640 Diamond Drive St. Louis, MO latitude 38.74040 longitude -90.20981	09-05-2016 to 09-07-2016	7:15 p.m. to 1:15 a.m. Central Standard Time

II. Records and Other Information to Be Disclosed

For each cell tower described in Part I of this Attachment, the Service Providers named in the Order are required to disclose to the United States all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframe(s) listed in Part I, including the records that identify:

A. the telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including Electronic Serial Numbers ("ESN"), Mobile Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifiers ("IMSI"), and International Mobile Equipment Identities ("IMEI");

B. the source and destination telephone numbers associated with each communication (including the number of the locally served wireless device and

FBI(20-cv-2175)-5888

the number of the telephone that called, or was called by, the locally served wireless device);

C. the date, time, and duration of each communication;

D. the "sectors" (i.e., the faces of the towers) that received a radio signal from each locally served wireless device; and

E. the type of communication transmitted through the tower (such as phone call or text message).

These records should include records about communications that were initiated before or terminated after the specified time period, as long as part of the communication occurred during the relevant time period identified in Part I.

ORDER

This matter having come before the Court pursuant to an application under Title 18, United States Code, Section, Section 2703(c)-(d), by Matthew T. Drake, Assistant United States Attorney for the Eastern District of Missouri, an attorney for the Government, for an Order requiring AT&T, SPRINT, T-MOBILE, VERIZON WIRELESS, and any other carrier of electronic communications ("the Service Providers") to disclose the records and other information described in Attachment A to this Order.

IT APPEARING that, pursuant to Title 18, United States Code, Sections 2703(c)(1)(B), (c)(2), and (d) there are reasonable grounds to believe that the information sought is relevant to a legitimate law enforcement inquiry by agents/officers of the Federal Bureau of Investigation (hereinafter referred to as "investigative agency(ies)") into possible violations of Title 18, United States Code, Sections 844(i) (malicious destruction by means of fire property used in interstate or foreign commerce or any activity affecting interstate or foreign commerce), and 875 (interstate threats).

IT FURTHER APPEARING that, in making its application, the Government does not seek the contents of any communication such that a search warrant or other legal process would be required;

FBI(20-cv-2175)-5891

IT FURTHER APPEARING that disclosure and notifying any other person, including individuals whose wireless devices connected to the cellular telephone towers described in Part I of Attachment A, of the existence of the application of the United States, or the existence of this Order, will seriously jeopardize the ongoing investigation. See, 18 U.S.C. §§ 2705(b)(2), (3), (5).

Order - Telecommunication Records and Information

IT IS ORDERED, pursuant to 18 U.S.C. § 2703(d), that the Service Providers shall, within ten days of the date of this Order, disclose to the United States the records and other information described in Attachment A to this Order.

IT IS FURTHER ORDERED that the government will (a) notify the court when either an indictment or information in this underlying investigation has been returned and unsealed or the government finalizes or closes the underlying criminal investigation, and, when appropriate, (b) move for a court order that allows the telecommunications service provider to notify others of the existence of the court order.

IT IS FURTHER ORDERED that the application and this Order are sealed until otherwise ordered by the Court.

On June 8, 2016, Special Agent [redacted] U.S. Deputy Marshal [redacted] and Sergeant [redacted] of the Missouri Highway Patrol assisted the Ferguson Police Department in a vehicle stop of DARREN L. SEALS as he was driving his known 2012 Jeep Wrangler, MO license DM5N0X. SEALS vehicle was located in the parking lot area of the T-Mobile store located at the corner of West Florissant Avenue and Pershall Road in Ferguson, MO. Uniformed officers of the Ferguson Police Department were advised that SEALS had several active warrants for arrest issued by St. Louis County, including driving with license revoked. Several marked units of the Ferguson Police Department initiated the traffic stop of SEALS as he was leaving the parking lot area.

SEALS immediately stopped his vehicle for the officers and was compliant during the stop. SEALS was present in the vehicle with [redacted] later identified as [redacted] SEALS advised the officers that he was an outspoken activist on social media and that he had been shot several times during violent encounters in the past. Officers conducted a Terry search of SEALS for officer safety based upon his prior arrests for unlawful use of a weapon. Officers also visually inspected the interior area of SEALS vehicle as they stood outside the vehicle. (The top of the Jeep Wrangler had been previously removed by SEALS prior to the stop which allowed full view of the interior of the Jeep from outside the vehicle.) No officer safety items were identified during the stop.

b6 -3
b7C -3

SEALS was advised of the outstanding warrants against him and was told he was free to leave. The stop lasted approximately twenty minutes. After being released, SEALS drove to a corner of the parking lot area and began filming the officers with his cell phone.

stated the two unknown vehicles departed the parking lot rapidly following fire and an explosion coming from the parked Jeep Wrangler. St. Louis County Fire Department received a call regarding the Jeep Wrangler being on fire at 1:18 am. Shortly after putting the Jeep fire out, the St. Louis County Fire Department discovered the charred remains of SEALS inside the vehicle.

(U) Following the death of SEALS, the activist community has promulgated numerous conspiracy theories that members of local police had SEALS killed and burned his vehicle in a remote location as a way to hide the evidence of his death.

OFFICIAL RECORD

FEDERAL BUREAU OF INVESTIGATION

Date of entry 06/08/2016

On June 8, 2016, Special Agent [redacted] U.S. Deputy Marshal [redacted] and Sergeant [redacted] of the Missouri Highway Patrol assisted the Ferguson Police Department in a vehicle stop of DARREN L. SEALS as he was driving his known 2012 Jeep Wrangler, MO license DM5NOX. SEALS vehicle was located in the parking lot area of the T-Mobile store located at the corner of West Florissant Avenue and Pershall Road in Ferguson, MO. Uniformed officers of the Ferguson Police Department were advised that SEALS had several active warrants for arrest issued by St. Louis County, including driving with license revoked. Several marked units of the Ferguson Police Department initiated the traffic stop of SEALS as he was leaving the parking lot area. b6 -1,7 b7C -1,7

SEALS immediately stopped his vehicle for the officers and was compliant during the stop. SEALS was present in the vehicle with [redacted] later identified as [redacted] SEALS advised the officers that he was an outspoken activist on social media and that he had been shot several times during violent encounters in the past. Officers conducted a Terry search of SEALS for officer safety based upon his prior arrests for unlawful use of a weapon. Officers also visually inspected the interior area of SEALS vehicle as they stood outside the vehicle. (The top of the Jeep Wrangler had been previously removed by SEALS prior to the stop which allowed full view of the interior of the Jeep from outside the vehicle.) No officer safety items were identified during the stop. b6 -3 b7C -3

SEALS was advised of the outstanding warrants against him and was told he was free to leave. The stop lasted approximately twenty minutes. After being released, SEALS drove to a corner of the parking lot area and began filming the officers with his cell phone.

FD-302 (Rev. 5-8-10)

FEDERAL BUREAU OF INVESTIGATION

Date of entry 06/08/2016

On June 8, 2016, Special Agent [redacted] U.S. Deputy Marshal [redacted] and Sergeant [redacted] assisted [redacted] in a vehicle stop of DARREN L. SEALS as he was driving his known 2012 Jeep Wrangler [redacted] SEALS vehicle was located in the parking lot area of [redacted] Uniformed officers [redacted] were advised that SEALS had several active warrants for arrest [redacted] including driving with license revoked. Several marked units [redacted] initiated the traffic stop of SEALS as he was leaving the parking lot area. b6 b7C b7E

SEALS immediately stopped his vehicle for the officers and was compliant during the stop. SEALS was present in the vehicle with [redacted] later identified as [redacted] SEALS advised the officers that he was an outspoken activist on social media and that he had been shot several times during violent encounters in the past. Officers conducted a Terry search of SEALS for officer safety based upon his prior arrests for unlawful use of a weapon. Officers also visually inspected the interior area of SEALS vehicle as they stood outside the vehicle. (The top of the Jeep Wrangler had been previously removed by SEALS prior to the stop which allowed full view of the interior of the Jeep from outside the vehicle.) No officer safety items were identified during the stop. b6 b7C

SEALS was advised of the outstanding warrants against him and was told he was free to leave. The stop lasted approximately twenty minutes. After being released, SEALS drove to a corner of the parking lot area and began filming the officers with his cell phone.

Ferguson frontline activist Darren Seals laid to rest

Michael Brown Sr. offers condolences to the family of Darren Seals during his funeral Saturday at Greater St. Mark Famil Lawrence Bryant

Hundreds of people gathered inside Greater St. Mark Family Church Saturday morning to mourn and celebrate the life of Ferguson activist, Darren Seals, whose death shocked the region.

"I first met Darren on August, 9 2014, Michael Brown Sr. said. "He showed a lot of love to me and my family – and I just wanted to come up here and show some love to him and his family."

Brown was the first of many speakers who came forward to remember the young man who was remembered mostly for his activism in response to the shooting death of unarmed teen Michael Brown Jr. Family members, fellow activists and civic leaders were among those to come forward to honor his memory during the funeral.

"What I remember most about Darren is that he kept it real." Lewis Reed, President of The St. Louis Board of Alderman, said during the services before issuing a proclamation to the family. "He was focused on moving you where you needed to move so that some positive change can happen for the people in our community. That was his focus and that needs to remain the focus of the movement."

Seals, 29, was found dead on Sept. 6 in the north St. Louis County neighborhood of Riverview. Seals' body was discovered in his jeep, which was set on fire. St. Louis County Police said Seals suffered from one gunshot wound. His death was ruled a homicide by police.

"I want people to know that Darren Seals was a Ferguson frontline activist. He was a rebel with a cause." Ebony Williams, a Ferguson activist and friend of Seals, said. "His only objectives was to learn from his mistakes and teach other boys from the hood like him that there is hope in the future."

Seals was a factory line worker at General Motors in Wentzville, Mo. He was also a hip-hop musician who also took on the role of managing artists. On that fateful day in August of 2014, Seals was on the scene in the Canfield Green Apartments to protest the death of unarmed teen Michael Brown – who was fatally shot by former Ferguson police officer Darren Wilson – soon after the tragic incident took place.

He was a mainstay in the movement. Because he began calling for justice immediately after Brown's death, Seals was considered a "day one" activist. Dr. Cornel West and Louis Farrakhan are just a few black political leaders Seals has conversed with and stood alongside with in Ferguson.

During the funeral Seals' mother, older sister and younger brother – who all referred to Seals as "Man-Man" – spoke on fond memories they had of him; all mentioned how Seals had an unbreakable love for the movement and black history.

Byron Seals, 14, is Seals' younger brother. Byron says Seals was "like a father" to him; always taking him places in his jeep and teaching him about black historic figures like Malcom X and Nat Turner. Byron said there wasn't a day he and Seals didn't talk.

"Ya'll know him as King --King D Seals." Byron said at the funeral. "I know ya'll loved him. I loved my brother too...but, ya'll still got a king, it's me." Byron's speech was followed by a standing ovation with black power fists in the air.

Although Darren often clashed with other Ferguson protest leaders on social media, his loved ones said he never grew tired of speaking out against police brutality and social injustice.

"He shared so many stories about what you guys were doing," his older sister Latoya Seals said. "I thank you guys for standing in the gap while I couldn't be here, for standing on the frontline with him when I was terrified that something was going to happen to him – I want to thank you for having his back."

Also in attendance at the funeral, was Cephus "Uncle Bobby" Johnson, the uncle to Oscar Grant. Grant was fatally shot in 2009 by a police officer in Oakland, California at a transit station. Grant's death was later retold in the cinema movie 'Fruitvale Station.' Uncle Bobby said Seals was the second person he met upon arrival in Ferguson following Michael Brown's 2014 death.

According to Uncle Bobby, Seals told him "we are in a state of emergency" and "there has been a war lodged against people, specifically of African descent."

"All I can say is represent what he brought to us. About the injustices that are happening to our people that will be the demise of our children. This is about our babies." Uncle Bobby said at the procession. He went on, encouraging people to "put on their gear, stand up and fight the system."

Chants of "black power" and "power to the people," echoed the church after his speech.

Seals' funeral was held in church that served as a meeting hub for the Ferguson movement. Immediately following Mike Brown's death community forums and marches were held at Great St. Mark family Church.

In 2014, Al Sharpton stood on the pulpit where today giant pictures of Seals' face where placed and declared that this Ferguson had become the spark of the new civil rights movement. During Seals funeral session, a black panther meeting was held in the basement of the church. Members of the party would file in and out of the funeral ceremony periodically.

Seals' mother, Mary Otis, said Darren would've loved to see all the people who came to show condolences to him and celebrate him for his efforts in Ferguson.

"To be able to see him stand up for justice [for Michael Brown] and what he believed in…I thank God for that," Otis said. "He went hard to make a difference and I loved the way that he loved his people.

My son said he would never let Mike Brown's name get swept under the rug. Will y'all please do the same thing for my son?"

HOMICIDE - 11/6/2016
CAST

Synopsis: (U) Request to open new CAST case

[redacted]

Details:

Detective [redacted] has requested assistance from CAST with captioned homicide investigation. [redacted] advised that Seals was found shot when his vehicle was discovered burning in an apartment complex [redacted] The cause of death was a single gun shot wound to the head. Witnesses to the car fire stated that shortly after 1 a.m. on November 6, 2016, a vehicle, which was registered to Seals, pulled into the parking lot of the apartment complex and a slender black male with dread locks exited the vehicle. The male appeared to have socks over his hands. The male entered one of two vehicles which were seen pulling up with Seals' vehicle and departed the area. Within minutes, Seals' car was noted to be on fire. The fire department responded and discovered the body of Seals.

Synopsis: (U) Request to open new CAST case

[redacted]

Details:

Detective [redacted] has requested assistance from CAST with captioned homicide investigation. [redacted] advised that Seals was found shot when his vehicle was discovered burning in an apartment complex [redacted] The cause of death was a single gun shot wound to the head. Witnesses to the car fire stated that shortly after 1 a.m. on November 6, 2016, a vehicle, which was registered to Seals, pulled into the parking lot of the apartment complex and a slender black male with dread locks exited the vehicle. The male appeared to have socks over his hands. The male entered one of two vehicles which were seen pulling up with Seals' vehicle and departed the area. Within minutes, Seals' car was noted to be on fire. The fire department responded and discovered the body of Seals. b6 b7C b7E
