b7E

Full Investigation Initiated: 11/02/2013**Details:**

On 11/2/2013, [REDACTED]
[REDACTED] reported an eye witness account of an individual resembling the LAX shooter on Sunday, October 27 at approximately 12:30 PM at LAX prior to the shooting incident. [REDACTED] noted that the unknown individual resembling the LAX shooter was wearing a Hawaiian shirt unbuttoned with the t-shirt visible underneath with a white t-shirt with an anti-police statement on the front. [REDACTED] noted the t-shirt advertised "Police (noun)- A person who is legally authorized to kill."

Re: [REDACTED] 11/03/2013

"I spotted a person who fits the description of the LAX shooter a few days earlier on Sunday, October 27 at approx. 12:30PM at LAX. I was a passenger in my friend's black Range Rover driving on Century Boulevard on our way in to LAX. I spotted a young man walking away from the airport on a grass shoulder on the right side of the road as we were driving in to LAX. He

drew my attention because he was walking on the shoulder not really meant for pedestrians. He was tall, well over 6 feet, Caucasian short brown hair. He was wearing a white t-shirt with an anti-police statement on the front. I don't remember what it said exactly but it was phrased like a dictionary definition, something like

"Police(noun)-A person who is legally authorized to kill.." He was wearing a short sleeved Hawaiian shirt unbuttoned with the t-shirt visible underneath. I made a comment to the other 4 passengers "That guy looks crazy, did you read his t-shirt?". I thought I should report this in case it could have been the suspect at the airport a few days before the shooting. After we parked in Virgin America short term

parking I walked to security in Terminal 1 to catch my 1:35 flight to SF on Southwest. The line was VERY long out the door backed up along the sidewalk all the way to Terminal 2. Frequent LAX fliers commented that it was not normal for the line to be that long. Please feel free to call me if you would like further details."

To whom it may concern,

On December 16, 2021, members of the FBI Firearms/Toolmarks Unit delivered three containers firearms and firearm related items to the U.S. Steel Plant in Braddock, Pennsylvania, for destruction. These items were collected over the past year, and are currently maintained in sealed containers. The integrity of that seal has been maintained from the original seal date until destruction. Every firearm was inspected to ensure the chamber was clear, and that there was no live ammunition in any of the magazines. Additionally, each container was inspected to ensure it was clear of live ammunition and ammunition components, as well as any other hazardous materials, prior to sealing. The containers were all destroyed upon the same date as delivery.
