Captioned case concerns an attempt by subjects Tarrants and Ainsworth to bomb the residence of Meyer Davidson, a prominent Meridian, Mississippi, businessman during the early morning hours of 6/30/68.

SAC Roy K. Moore telephonically advised that although the wrappers from the dynamite seized by the Meridian Police Department in this case had been removed and were available for examination, he strongly recommended that a latent fingerprint examiner be dispatched to Meridian, Mississippi, for examination of this material. He explained the demolition expert who had examined the explosives felt that the wrappers would be too sensitive to send through the mail to the Bureau. SAC Moore felt there was an excellent possibility that latent fingerprints could be developed from these wrappers and other evidence seized by the Meridian Police Department to tie in other Mississippi Klan members in this bombing attempt who are associates of Tarrants.

Mr. [redacted] was advised of this above request from SAC Moore and the fact that SA [redacted] of the Firearms, Toolmarks and Explosives Unit, Laboratory Division, concurred with the opinion of the demolition expert. Mr. [redacted] advised in view of the foregoing, he was in favor of dispatching the latent fingerprint examiner to Mississippi and instructed this be cleared through Mr. [redacted] (for Mr. [redacted]). Mr. [redacted] also instructed that Crime Records Division be advised, and if this travel was approved by Mr. [redacted] that a request for an examiner be made to Mr. [redacted] Duty Agent.

At 3:20 AM, 6/30/68, SAC Roy Moore, Jackson Division, advised recently that under the above heading his office has had an informant who has furnished much valuable information regarding members of the Ku Klux Klan (KKK) involved in some of the bombings in the State of Mississippi. This informant furnished information that members of the KKK, namely, Thomas Albert Tarrants and [redacted] were going to bomb the residence of Meyer Davidson, 2904 36th Street, Meridian, Mississippi, a prominent member of the Jewish community, sometime during evening of 6/29-30/68.

b6
b7C

This information was furnished to the local authorities who staked out Davidson's home and at approximately 1:00 AM (Jackson time), 6/30/68, Tarrants accompanied by one Kathy Ainsworth, 5606 Plymouth Drive, Jackson, Mississippi, in a 1966 Buick Electra, 4-door, green body, black top, stopped in front of Davidson's home. Tarrants placed a device next to Davidson's residence and was immediately challenged by the local police whereby Tarrants immediately started shooting at the officers with a machine gun. A gun fight ensued whereby Tarrants was hit and Ainsworth was killed. One officer was hit and his condition is not known at this time.

Deceased
6-30-68

Moore stated that Tarrants is in critical condition at hospital, and believes he may give a confession to local officers involving [redacted] (Imperial Wizard of White Knights of KKK) as well as other KKK members.

Enclosed herewith is the original and seven copies of an LHM reflecting information concerning captioned attempted bombing.

One copy of the LHM being furnished USA, Jackson, Secret Service, Jackson and two copies furnished MIGp, Jackson.

JN CS 414-R, telephonically contacted Bureau Agent at 12:20 a.m., 6/30/68, and advised that a bombing of the residence of MEYER DAVIDSON, 2904 36th Street, Meridian, Mississippi, was planned and that this bombing was to occur within the hour. Source advised that a large quantity of dynamite and an elaborate timing device would be used in the bombing of the DAVIDSON residence. Source stated that this bombing would be done by two top "hit" individuals in the White Knights of the Ku Klux Klan of Mississippi. He knew one to be THOMAS ALBERT TARRANTS, III. He did not know the name of the other individual but referred to her as "the woman" and described her as a white female, approximately 25 years of age, with black hair. He further advised that both of these individuals with the timing device, large quantity of dynamite, and numerous weapons, including a machine gun, would be traveling in a 1966 Buick, dark green bottom, black vinyl top, bearing 1968 Mississippi License HD-11088.

Chief of Police C. L. GUNN, Meridian PD, was immediately advised and appropriate arrangements made by his department for coverage of this residence, including alerting the victim and his family.

The above information, furnished by JN CS 414-R, is not being set forth in the LHM, which is to be disseminated, in order to further protect this extremely valuable source.

OF RESIDENCE OF MEYER DAVIDSON,
2904 36TH STREET, MERIDIAN,
MISSISSIPPI, JUNE 30, 1968

Chief C. L. Gunn, Meridian, Mississippi, Police Department, advised representatives of the Federal Bureau of Investigation that his department had been maintaining a stakeout at the residence of Meyer Davidson, 2904 36th Street, Meridian, Mississippi. He had reason to believe that Davidson might be a target for an act of violence in view of his public statements against recent acts of violence in the Meridian area, including the recent bombing of the Temple Beth Israel, of which Davidson is a member.

At about 12:45 a.m., June 30, 1968, a dark green 1966

Buick automobile was observed to park in the dark, with lights out, in the close proximity of the driveway to Davidson's residence. A white male was then observed by officers departing the car and walking toward Davidson's residence, with a large brown pasteboard box in his hands. Chief Gunn stated that as the man walked toward the carport of the Davidson home, police officers from across the street commanded that this individual halt, but this man ignored the order, dropped the brown pasteboard box, and began shooting with a pistol in the direction of the police. Police then opened fire at this man as he ran back to the Buick automobile. He stated this man was wounded upon his return trip to the Buick.

Gunn also advised that several shots were fired into the Buick as this individual was in the process of making a getaway. Gunn related that a police radio alert then was broadcast and a high-speed chase began in pursuit of the Buick automobile and the two occupants of this automobile. Chief Gunn stated that two of his police officers, Tommy Tucker and Mike Hatcher, took up chase and were in close pursuit of this Buick car several blocks from the Davidson residence. The Buick slammed into a curb and the police car, occupied by the two officers, then rammed the rear of the Buick. The man then came out of the passenger side of this Buick car with a 9mm machine gun and immediately began firing at the police car and officers. Chief Gunn

stated that Officer Hatcher was hit by two shots in the middle of his upper body. Gunn stated that this individual also turned his machine gun on a bystander, one Robert E. Burton, an enlisted man attached to the Naval Auxiliary Air Station in Meridian, who came out of a nearby residence to observe the gunfight. Chief Gunn stated this man, after firing upon police officers with the machine gun, dropped the gun and fled into a nearby backyard and was then apprehended by other Meridian, Mississippi, Police Officers.

Gunn advised this man was then identified as Thomas Albert Tarrants, III, born December 20, 1946, of 7 Kirby Street, Mobile, Alabama.

Officers at the scene then found one Katheleen Madelyn Ainsworth of Jackson, Mississippi, dead on the floorboard of the Buick automobile.

Gunn advised that a search of the personal effects of Ainsworth revealed she was born August 30, 1941, and resided at 5605 Plemon Drive, Jackson, Mississippi. She was in possession of a membership card indicating "United Klans of America, Imperial Honor Passport, Realm of Mississippi, Unit Number Four," showing dues paid through December 19, 1967. She also possessed a membership card issued to Kathy Ainsworth, "The Ladies Auxiliary of the Americans for the Preservation of the White Race, Incorporated, signed Johnnie Hawkins, Secretary." AMERICANS FOR THE PRESERVATION OF THE WHITE RACE (APWR)

The records of the Secretary of State, State of Mississippi, Jackson, Mississippi, reflect that the Americans for the Preservation of the White Race was granted a charter of incorporation on June 25, 1963, at Jackson, Mississippi. According to the charter of incorporation, this organization was formed for bettering the conditions and improving the welfare of the white race and to insure peaceful coexistence between the races of the South, maintaining law and order at all times and to provide for the general welfare of the physical, mental and moral condition of mankind, and to promote the cultural, social, literary, and mental welfare of its members.

A source advised on August 25, 1967, that the APWR is not dominated, controlled, or directed by any Klan organization and does not advocate or engage in violence. Many of the members of the APWR belong to the various Ku Klux Klan organizations; however, only one of the national officers of the APWR is known to be a member of any Ku Klux Klan organization. No Ku Klux Klan organizational funds are designated or used by the APWR.

This source advised that the APWR is primarily concerned with providing separate educational facilities for the white children of Mississippi and is engaged in various money-raising projects for this purpose, as well as actively attempting to nominate and support candidates for state offices who are sympathetic to their cause. This source also noted that members of the Ku Klux Klan support the APWR by engaging in the money-raising activities. Roland N. Scott, Natchez, Mississippi, continues as national president for the APWR.

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri. Robert B. DePugh, Norborne, Missouri, has been publicly identified as the National Coordinator of the organization. DePugh has stated the membership of the "Minutemen" to be in excess of 35,000 members, however, confidential sources state this figure is greatly exaggerated and that a more true estimate would be between 800 and 2,000 members. Statements by DePugh and literature distributed by the organization indicate its purpose to be the resistance to, and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star newspaper has on numerous occasions contained articles concerning the "Minutemen", wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms. DePugh has publicly stated the "Minutemen" as an organization does not buy or store arms or ammunition; however, individual members are urged to maintain arms and ammunition, which is their constitutional right. "Minutemen" has given instructions in the use of explosive compounds from such readily accessible ingredients as common fertilizer, ammonium nitrate. Robert DePugh, along with his close associate Walter Patrick Peyson and Troy Haughton, West Coast Regional Coordinator, were convicted in U. S. District Court of violation of the Federal Firearms Act. All were sentenced to prison and all are free on bond pending their appeals to the 8th Circuit Court of Appeals, St. Louis, Missouri.

On October 30, 1966, the New York City Police Department arrested 19 members of the "Minutemen", charging them with "conspiracy to commit arson", and "Illegal possession of

firearms". An inventory of firearms seized as a result of these arrests included 115 rifles, 26 handguns, 8 automatic weapons, 3 bazookas, 2 mortars, 1 anti-tank gun and an unknown quantity of ammunition.

In April, 1966, DePugh stated the "Minutemen" organization was then dividing itself into two bodies: One group to be members who have been able to maintain their identity in complete secrecy from the public and government investigative agencies, and the other group to be made up of members who have been publicly identified and who will become active in the Patriotic Party. The first group will go completely underground and will continue to emphasize intelligence activities and resistance warfare training programs. The first national convention of the Patriotic Party was held July 3 and 4, 1966, at Kansas City, Missouri, with DePugh acting as chairman. About 300 individuals attended this convention. The second annual convention of the Patriotic Party was held July 2, 3, and 4, 1967, Kansas City, Kansas, with approximately 240 persons attending. DePugh resigned as National Chairman at the convention; however, he stated he would continue in an advisory capacity. The delegates, at DePugh's urging, endorsed former governor of Alabama, George Wallace and William Penn Patrick, millionaire cosmetics manufacturer of San Rafael, California, as president and vice-president candidates in the 1968 elections.

ORIGINAL KNIGHTS OF THE
KU KLUX KLAN (OKKKK)
REALM OF MISSISSIPPI

A source advised that at an election of the Original Knights of the Ku Klux Klan of America, Incorporated, (OKA) held at Polkville, Mississippi, on December 7, 1967, Ernest Gilbert was elected Grand Dragon replacing Ferrall Mc Cormick, Sr.

Ernest Gilbert in reorganizing this group renamed it the Original Knights of the Ku Klux Klan, and stated the organization will hereafter be known as such.

Gilbert stated this organization is not affiliated with any national or other state group.

Gilbert said that it will be an independent, self-supporting, organization within the State of Mississippi, whose function will be to serve the people of Mississippi.

The purpose of this organization is to promote Americanism, the supremacy of the white race, and furtherance of segregation between the races. In addition, to educate the people; for example, if changes are to be made they should be made through political means and not through violence.

UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in the U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with Units in several Southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1966, that the UKA is currently an active organization, with Klaverns in several states. This source said that ROBERT M. SHELTON is the Imperial Wizard of this organization and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. Source stated that during April, 1966, the National office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of SHELTON's residence, #18 Lake Sherwood, Star Route, Northport, Alabama, which space he had converted into a room.

WHITE KNIGHTS OF THE KU KLUX KLAN OF MISSISSIPPI (WKKKKOM)

A source advised that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan from the State of Mississippi met at Brookhaven, Mississippi. Those present decided to defect from the Original Knights and to form their own Klan group in Mississippi to be known as the White Knights of the Ku Klux Klan of Mississippi.

This source advised that the aims and purposes of the WKKKKOM are to preserve Christian civilization, protect and promote white supremacy and the segregation of the races, to fight Communism and to extend the dignity, heritage, and rights of the white race of America.

The same source advised on August 25, 1967, that the WKKKKOM is an unincorporated, secret organization existing in the State of Mississippi and formed for the sole purpose of preserving white supremacy regardless of the cost and including the use of force and violence. The official constitution and other directives of the organization do not openly advocate the use of force or violence; however, it is generally conceded among the members that in the end force and violence will be the salvation of the white man regarding his relationship with the Negro race. The WKKKKOM is controlled by the Imperial Wizard and state officers. The state is divided into districts and provinces. There is an estimated membership as of August 25, 1967, of 400 to 600 dues-paying members of this organization. The aims and purposes of the organization continue to be the same as when the organization was created in February, 1964. Sam Holloway Bowers, Jr., Laurel, Mississippi, continues to be the Imperial Wizard.
