Flood of 1993 Facts and Figures

Flood waters went over the spillway from July 5 to August 2, 1993

Maximum inflow (cubic feet/second).....41,000

Wettest 12 consecutive months in history
Oct. 1992 to Sept. 1993

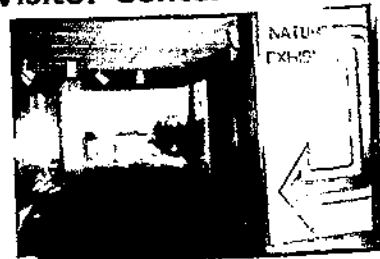

Total rainfall (inches)

May 1993	6.51
June	12.31
July	10.83
August	15.16

Total (Oct. '92 - Sept. '93) 72.36

Runoff into Coralville Reservoir between March 1 to September 30, 1993 was enough to fill the reservoir 11 times.

The Visitor Center

The Visitor Center is located on the east side of the dam, atop the hill. Flood videos, a geology display, sales items, and area information are available. Hours are seasonal and are subject to change. Please call: (319) 338-3543.

Daily lake levels and information can be obtained by calling (319) 354-4466.

Welcome to

Coralville Lake

US Army Corps
of Engineers
Rock Island District

History of the Dam

Coralville Lake was authorized by the Flood Control Act of 1938 as a means of moderating stream flows on the Iowa River. Construction of the dam began in 1949, was delayed by the Korean Conflict and was completed in 1958. Coralville Dam regulates runoff from 3,084 square miles of land upstream providing flood protection to 1,703 square miles of Iowa River Valley below the dam. During drought conditions, water stored in the lake is released at a minimum rate of 150 cubic feet per second to provide a sufficient flow to meet downstream domestic and industrial water needs. Less evident is Coralville Lake's important role in the comprehensive flood control system for the Mississippi River.

The US Army Corps of Engineers manages Coralville Lake as a multiple use project providing primary benefits in flood control and low flow augmentation, and secondary benefits in recreation, fish and wildlife management, forest management and water quality improvement.

The Devonian Fossil Gorge

This unique limestone exposure has an informational Entry Plaza directly south of the spillway. Fossils estimated at 365 million years old were uncovered by floodwaters in 1993. Specimens of corals, brachiopods and crinoids are common here.

The background image you see on this page is that of a Crinoid.

INTERNATIONAL
Rates!**

*A first-minute surcharge of \$0.79 applies to all calls within the U.S. and \$1.56 for all international calls, except Mexico (\$1.99). A weekly fee of \$0.12 will be applied beginning 7 days after first use. An additional surcharge of at least \$0.75 (subject to increase) applies to pay phone calls. Rate applies to calls within the U.S. International rates vary according to destination called and are subject to change without notice. See reverse for complete terms and conditions.

Card has no value until activated by cashier.

Pennies Rule!™ Phone Card Terms & Conditions Agreement

By using this Phone Card, you consent to the Terms and Conditions below and to the applicable provisions of the Consumer Services Agreement, including Service Guides for prepaid cards, which you may access at www.prepaidserviceguide.com or by calling Customer Service at 1 800 385-2266.

1. A first-minute surcharge of \$0.79 applies to all calls within the U.S., and \$1.50 for all international calls except Mexico (\$1.99). A weekly fee of \$0.12 will be applied beginning 7 days after first use. An additional surcharge of at least \$0.75 (subject to increase) applies to pay phone calls. International rates and surcharges vary according to destination called and are subject to change without notice. Rates may be higher for calls made to international mobile phones. Call Customer Service for exact rates, surcharge information, and available countries.
2. The Pennies Rule! Phone Card (Card) can be used to place the following types of calls: • In-state and state-to-state consumer calls where SmartTalk is authorized to carry such calls. • Outbound international calls from the U.S. to over 200 locations around the world. • Inbound international calls to the U.S. and from country to country outside the U.S. from select countries with the use of UniSpeak™ Service. Call Customer Service for available countries and country codes before you leave the U.S. Card cannot be used to place 500, 700, 800, 888, 877, 866, 855, 900 or 976 number service calls; or to place certain operator-assisted calls such as third-party-billed and collect calls. Directory assistance rates are higher to 555 numbers than other domestic calls.
3. Safeguard your Card and PIN; you are responsible for unauthorized use, loss or theft.
4. SmartTalk and the retailer make no warranty, express or implied, regarding the condition(s) or fitness of the services offered for any particular use or purpose. As permitted by law, the liability of SmartTalk and the retailer shall be limited to direct damages for any personal or property injury, and for all other claims to an amount equal to the charge for the affected service(s). IN NO EVENT WILL SMARTALK, THE RETAILER, THEIR EMPLOYEES, AGENTS OR ANY COOPERATING SERVICE PROVIDER(S) BE LIABLE FOR ANY PUNITIVE, SPECIAL, INDIRECT, RELIANCE, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
5. You and SmartTalk agree that the exclusive remedy for all disputes arising out of purchase or use of this prepaid Card, except for matters you take to small claims court, is arbitration under the Consumer Arbitration Rules of the American Arbitration Assoc. and under the Consumer Services Agreement referenced above. YOUR DISPUTE WILL NOT BE HEARD BY A JURY OR IN COURT AND MAY NOT BE MADE PART OF A CLASS ACTION.
6. If SmartTalk reasonably suspects fraudulent use of this card, it may be suspended or terminated without notice. Cards are not returnable or exchangeable unless defective. Call times are billed in one-minute increments. Partial minutes used are billed as whole minutes.
7. If your Card is rechargeable, minutes added to your Card may have different rates, which are available by calling Customer Service. Maximum equivalent of 900 U.S. minutes or \$225 U.S. dollars can reside on a Card at any given time. Recharge minutes are not refundable.
8. If any complaint not resolved to your satisfaction to appropriate regulatory agency in state where card was purchased. Service provided by SmartTalk. Your Card expires 180 days from first use.

Weds

nice, pleasant, polite Spanish man
bought 2 \$20 phone cards
had problem ringing them up and
he wasn't stressed about it
he said if she couldn't do it

\$43.79 in cash - commented on there being tax

didn't see what he was driving
white T-shirt, he was clean, not smells
5' 8" 210 lb

Saw him come in

- maybe bought soda
- looking at phone cards - asked what she had - she showed him the \$5, \$10 - he said he needed more - she found \$20 - he said he needed 2,
- not much of an accent - very understandable
- she tried to activate them - needed help from
- he was alone

[redacted] was the original caller on this report (07/22/03 2:25PM). I then spoke with [redacted] directly. [redacted] agreed to keep his cellular phone available and to expect a call from law enforcement. It may be best to start with him directly and get directions and the description direct from him. [redacted] has not been to the site in years however, I inquired if he had any friends in the Hammond area. He directed me to an [redacted]. [redacted] I spoke with [redacted] and he was familiar with the site and his description of the site was close to that provided by [redacted]. There description is a close match to what we are operating with and in the right geographic location. [redacted] however, was not real familiar with our case. [redacted] agreed accompany law enforcement to the site in order to take a look around.

If you have any questions please feel free to contact me at [redacted] or Detective Sgt.

LOCATION OF INTERVIEW: [REDACTED]

BRIEF GIST (CRITICAL ELEMENTS):

Poss. Location - in Hammond Indiana possibly known as Bastik Field
near the old Caterpillar Plant. This location is approx 4-5 mi
off of I-80. The field is described as having several old concrete
cylinders, a green water pump coming out of the ground and the Caterpillar
plant can be seen from the site. Also the area is described
as a pretty spot of woods hidden from the road.

Description of the Suspected Burial Site off US I-80

The search for the suspected burial site has thus far been focused on I 80 between Grove City, PA and Iowa City, Iowa. Though no portion of this highway can necessarily be ruled out, authorities are now concentrating their efforts on rural areas off I 80 between the Indiana/Ohio state line and Joliet, Illinois.

Approach to the Suspected Burial Site:

Exit I 80 Westbound and make a right turn at the end of the exit onto a two lane paved roadway (one lane each way). Take another right turn onto another two lane roadway. This roadway may run parallel to I 80 at this point and has a yellow line down the middle, which may have been a dotted yellow line.

To the right off this roadway is an opening in tall grass. The grass may be 3 to 4 feet tall, green at the bottom and tan or brown at the top with seeds at the top. There is a downhill slope from the roadway then an uphill slope to the opening in the grass. The grass is somewhat matted down, apparently from other vehicles traveling through it in the past.

Suspected Burial Site:

The suspected site is approximately 50 feet from the two-lane road described above. The following is a list of identifying features present near the suspected gravesite:

1. Five to six cement cylinders four (4) feet in diameter and three (3) to four (4) feet high standing on end. They are similar to large sewer drainage pipe sections. They have been in the area for some time as they have trash and other refuse inside them.
2. Six (6) foot high wire fence line with a rectangular or square pattern.
3. Mound of white or gray rocks about two (2) to three (3) inches in diameter similar to rocks used in drainage applications.
4. Old fashioned hand lever-operated water pump with a chrome/silver body and a green top and green handle or lever.
5. An irregularly shaped of cement slab about four (4) to five (5) feet across and about three (3) to four (4) inches thick. Slab is laying flat on the ground.
6. Several very large shade trees similar to willow trees but having leaves that are more broad and darker green than willow leaves. The limbs of the tree bend down to the ground.
7. Embankment with soil that has eroded.
8. Pile of firewood that is weathered and gray in color.
9. There is said to be a large yellow or tan building (possibly a metal building) that is within view

of the burial site.

10. It is believed that this suspected burial site is within ten (10) miles north or south of I 80.

Concord Regional Crimeline has authorized a \$5000 reward for information that assists authorities in locating Philip and Sarah Gehring. Please contact your local, state or federal law enforcement office if you have any information that may be helpful.
