After the office's tour, [redacted] explained that the reason for his complaint to the FBI is that this unknown male called several times on the HLFRD's 800 number and made threats against the HLFRD and the Arabs. The caller also insulted the Muslims and the Muslims religion.

b6
b7C

[redacted] expressing his concern and fear that the caller may have the means to carry out his threats, gave a verbal consent to the FBI to retrieve the HLFRD 800 phone records from [redacted] Phone Company.

On May 29, 1996, SA [redacted] received a phone call from [redacted] of the HLFRD, and gave him (SA [redacted]) two phone numbers located in [redacted] claiming that these are the phone numbers for the person who has been calling them. [redacted] also advised that he just obtained these phone numbers from [redacted] Phone Company who informed him that they just received a fax from the [redacted] FBI requesting the HLFRD's telephone records for May 23, and 24, 1996.
