One day...um...I can't pinpoint the exact day but he's...um...talking about car jacking somebody or whatever. Then he was like, naw he wasn't gonna do it. He wasn't gonna do it. So...uh...one...one late afternoon he told me he wanted me to go meet his friend. So we...me, him, and some other dude, we get in a little white car and go to some apartments to meet his friend.

SS: Um hmm.

LC: So we pull into the apartments. We drive around and we park...back into the parking spot. Two...a couple...a few seconds later...um...they jump out of the car and run to a white SUV and...um...there was two people...a man and a woman at the SUV. They jump in pointing guns at them and...and um...they carjacked them I guess. I guess you call it and...um...so we...we left. He had told me to follow him. And I, "what's y'all doing brother, what is...what is you doing?" He said, "come on go to the house just go to the house." So I drove the white car to the house. So...um...I get to the house, I...I go in the house. And...uh...my...my brother parked the white truck in front of the house. He still in the car, the four of them are still in the SUV. I go in the house, started talking to G. That's George. I'm like, "man they just did some crazy shit and we gotta get the fuck out of here. We...I ain't...I...look, I ain't down with all this." LC: Yeah, I went into the house first.

SS: Right.

LC: I started telling G like, "look they did some crazy shit and I mean, slowly but surely start packing your shit cause we fittin' to leave. I'm not telling my brother nothing, cause we fittin' bounce." So about a few seconds later the four of them get out of the SUV and come in the house. They was in the front of the house. They never came all the way into the living room or nothing. They just stayed in the front of the house. Then my brother and the girl came in the house and E and the dude left back out.

SS: Okay.

LC: And the girl slid to the passenger seat and my brother was driving.

SS: Okay. How did you know to follow them?

LC: Cause when they pulled out...um...he said, "come on follow us...follow us" I'm like, "what the fuck...why...I ain't...naw I ain't going to...what y'all doing...what y'all?" SS: Did you see something in his hand? Did he have his hand in the boy's back?

LC: Yeah.

SS: Okay. What was he saying to the boy as he left the house?

LC: Nothing. Just guiding him cause he couldn't see so he was just guiding him. Like he was, "step down, step down one."

SS: So he was still blindfolded and hands tied behind his back?

LC: The dude was blindfolded the whole time I seen him.
