but it was changed to 2:00 p.m. She advised that she was going to speak to the counselor first, alone, prior to having her husband present. Additionally, she advised that her daughter had been suspended for ten days because she had been in a fight at school, as well. When asked how the victim got to school, she advised that her husband would take the victim to school, which is located on Miami Beach, and that she would pick her up after school and bring her home.

When asked if she knew anything about any of the victim's boyfriends, she advised that she knew of a boyfriend that the victim had had awhile ago, but that she did not like the boyfriend, so they had broken up. She advised that his name was RICHARD, he was Nicaraguan, between 17 and 18 years of age, and he was a relative of her husband.

Due to this fact, she asked her daughter if her husband had ever done anything to her, at which time she stated, "No." She further advised that she took her daughter to a female pastor less than a year ago to ask her specifically about any sexual contact between her and her stepfather. She advised that that came up negative.

Additionally, this investigator asked the witness if her husband had abused her physically, at which time she stated, "No." She also advised that she never suspected her husband of molesting her daughter, and that he knew about the pastor and the questions that were asked.

A second follow-up meeting occurred approximately a week later, at which time it was learned that the victim did not tell her mother about the incident involving her stepfather.

Witness DE LA ESPRIELLA contacted the victim's mother on Thursday, to confirm a change in the appointment, from 1:30 p.m. to 2:00 p.m., because the victim's mother was unable to get out of work early enough for the 1:30 p.m. appointment.

This witness did not know that the victim's stepfather would be attending the meeting. When asked if she was aware of any of the victim's boyfriends, she advised that she was aware of RICHARD, DARLING and DANIEL, as well as a fourth, unidentified boyfriend. She stated that DARLING was her last boyfriend and that he was very nice and they always had a good time together. The victim's stepfather did not like DARLING because DARLING was older. MATA advised she understood the contents of the forms presented and consented to the search of the aforementioned items.

At approximately 11:53 a.m., this detective returned to Interview Room #2086. This detective explained to MR. MATA my desire to review the information gathered from our previous interview and to review again the events leading up to and including the day of MISS MEJIA'S murder. This detective again presented MR. MATA with a standardized Miami-Dade Police Department Miranda Rights form.

At approximately 11:55 a.m., MR. MATA waived his Miranda rights and agreed to speak to this detective without having an attorney present during questioning. This detective structured the interview in a chronological fashion to outline the week of September 12 through September 17, the day in which MISS MEJIA was found murdered.

Sunday, September 12: MR. MATA stated his wife took MISS MEJIA for ice cream to celebrate her birthday. He added MISS MEJIA had spent that night at her aunt HILDA'S residence. Monday, September 13: MR. MATA stated his wife awoke at approximately 4:45 a.m. or 4:50 a.m., because she had to be at work at the MSE Food Court, located inside the Miami-Dade County Government Center. MRS. MATA showered, got herself ready, and departed their trailer sometime between 5:30 a.m. and 5:40 a.m. MR. MATA advised that he, too, awoke but quickly fell back asleep. He added most often he remains in bed; but at times, he will walk his wife to her vehicle to see her off. MR. MATA stated he normally wakes up each day sometime between 6:30 a.m. and 6:45 a.m. He uses the bathroom, brushes his teeth, and gets dressed. He advised MISS MEJIA normally awoke at 6:30 a.m., as well, but most times was already up and getting ready herself. MR. MATA advised neither he nor MISS MEJIA normally ate breakfast; instead, MISS MEJIA was given money and normally went off campus to eat lunch. MR. MATA indicated he picked MISS MEJIA up from HILDA'S residence and drove her to school. After school, he advised his wife picked MISS MEJIA up from school and then took her to work, but then expressed he was uncertain whether he actually did so or not. MRS. MATA had planned on picking up items for MISS MEJIA'S surprise birthday party, which was to be held at HILDA'S house. MR. MATA then had a hard time recalling whether he had picked MISS MEJIA up from work and then drove to HILDA'S house. Then he recalled his wife's car was inoperative, thus the reason why he drove to HILDA'S house. When asked, MR. MATA stated it was approximately a 10-minute drive to HILDA'S house and they made no stops along the way. MR. MATA advised as they got close to HILDA'S house, he drove around the block and telephoned his wife to see if they were ready, referring to the surprise party for MISS MEJIA. When they pulled up to the house and despite the amount of vehicles parked, MISS MEJIA was still caught by surprise. MR. MATA stated they celebrated by presenting MISS MEJIA with a cake. There was food and family photos were taken. MR. MATA advised the party ended sometime between 9 p.m. and 10 p.m.

This detective then abruptly asked MR. MATA and questioned why MISS MEJIA locked her bedroom door. He advised MISS MEJIA had been locking her bedroom door since she was a child. MISS MEJIA'S mother never questioned this nor was there any need for concern. Continuing, MR. MATA stated after dropping MISS MEJIA off at school, he probably drove to his mother's house since he had family visiting from El Salvador. Additionally, Wednesday was his mother's birthday. MR. MATA indicated he wanted to wish his mother a happy birthday in person and expressed his desire to take her, his aunt, and his mom's cousin to breakfast. MR. MATA stated he responded to Mount Sinai to print out some items for school since he had no printer at home, but he was unsure whether that occurred on Monday or Tuesday. When asked, MR. MATA acknowledged he heard a voicemail message left on the answering machine at home. The school principal had called stating MISS MEJIA had been involved in a fight at school and she and two other girls were being suspended. The principal indicated MISS MEJIA'S parents were required to see him in order to get the suspension reduced. MR. MATA stated his wife possibly was going to visit the principal on Wednesday. He added he did not call and inform her about the principal's message but rather was waiting for her to get home. MR. MATA stated his wife picked up MISS MEJIA from school Tuesday night. Once they returned home, MR. MATA told his wife about the voicemail message left by the principal and suggested she should go to the school and speak with him. He added they discussed her work schedule and the logistics that would allow her the time to do so. Furthermore, MR. MATA stated they spoke about the incident, and he expressed his concern for MISS MEJIA'S safety. MR. MATA advised his wife spoke with MISS MEJIA about the fight and mentioned she had sustained a mark on her left arm. According to MR. MATA, he did not know what had prompted the fight. When I asked him about a cellular telephone MISS MEJIA may possess, he advised he and MISS MEJIA'S mother had previously taken it away from her. MR. MATA stated a "Discipline Officer" at the high school removed MISS MEJIA'S cellular telephone battery. He further stated he confronted MISS MEJIA if this disciplinary action was a result of her continued tardiness and she advised him, no, it was due to getting caught talking in

class. As a result, MISS MEJIA'S mother was very upset with her and stripped her of all privileges, and she was to stay at HILDA'S house.

MR. MATA added, he told his wife the importance of her seeing the principal and convinced her to do so relatively soon, citing MISS MEJIA would miss all of her classes and it could adversely affect her grades.

Wednesday, September 15, 2004: MR. MATA advised his wife awoke very early that morning but remained in bed. He awoke around 5:50 or 6 a.m., and wished her a happy birthday. MR. MATA stated he had to go to Northshore Hospital to attend school, which was a clinical day. He went on to state MISS MEJIA was still asleep when he left the trailer sometime between 6:25 a.m. and 6:30 a.m.

MR. MATA continued by stating he drove to Northshore Hospital and remained there from 6:45 a.m. until 2 p.m. He advised his wife was going to drop MISS MEJIA off at school and, from there, respond to work by 8 a.m.; but he added she had a flexible schedule as to when she was actually required to arrive.

MR. MATA stated his wife spoke with the school principal by phone. The other two involved girls, along with their parents, were present at the school, and he stated his wife apologized. MR. MATA advised the school principal warned all involved that any further confrontations could result in all three girls being transferred.

MR. MATA indicated his wife may have taken MISS MEJIA to HILDA'S house before going to work, and he could not recall if she came home that day or spent the night. He stated after clinical, he returned home and took a nap. He awoke sometime between 4 p.m. and 5 p.m. and when his wife had come home from work, he again wished his wife a happy birthday. MR. MATA stated they may have gone out to eat; however, he could not recall if it was on Wednesday/Thursday.

Thursday, September 16, 2004: MR. MATA stated it was a typical morning as usual. His wife left for work and he went to school at 8 a.m. He advised he finished class(es) at 11 a.m. MR. MATA stated he may have gone home, first, and then gone to Hialeah to purchase his wife a gift. He stated he purchased

perfume, body lotion, and shower gel by "HUGO" for her at Westland Mall, along with flowers and a card from Walgreens near the mall, more specifically next to a Wendy's and Just for Feet shoe store.

Afterwards, he came home, cleaned up the trailer and kitchen table where he placed the flowers. MR. MATA then added how much he liked to clean the house, floors, and kitchen. He stated his wife brought MISS MEJIA home a bit later than usual, sometime between 4 p.m. and 5 p.m.

MR. MATA stated they went to dinner at "Cabanas," a Salvadorian restaurant, which is located in the vicinity of NW 12 Street and 22 Avenue in Miami. He advised they had a wonderful time, laughing and engaged in general conversation and there was no discussion about the fight at school. MR. MATA indicated he left MISS MEJIA and her mother at the restaurant while he went to Walgreens to drop off a prescription for his wife. He added the medication was for the pain caused by her endometriosis. MR. MATA advised dinner lasted approximately two hours and his visit to Walgreens lasted about 20 minutes. After dinner, they drove home and did not make any stops along the way.

MR. MATA stated he was aware there was a meeting, previously scheduled with the school counselor a week prior, which had to be rescheduled. He added MISS MEJIA had spoken with her mother reference "Something important," which required the counselor to speak with his wife. MR. MATA stated MISS MEJIA had attended a meeting with the counselor regarding something she had written in a composition.

MR. MATA added his wife told him the meeting had to do with MISS MEJIA expressing her dislike for him and MISS MEJIA wishing to share those feelings with MRS. MATA. MR. MATA acknowledged the conversation took place Thursday night and that he told his wife that he needed to be present. He denied knowing exactly what details MISS MEJIA was going to share with her mother.

MR. MATA then clarified the prescription which he dropped off at Walgreens had not been ready; so he returned to dinner. Afterwards, together they returned to the Walgreens, and he went inside while MISS MEJIA and her mom remained in the vehicle. MR. MATA indicated there was a discrepancy on the prescription label, which needed correcting.

From there, they returned home and MISS MEJIA walked the puppy while he and his wife remained inside the trailer. MR. MATA stated afterwards, MISS MEJIA returned and watched television in the living room. He stated MISS MEJIA remained in the same clothes and had not changed. Meanwhile, he and his wife went to their bedroom.

MR. MATA advised he may have telephoned his immediate supervisor "EMILY" reference possibly being late for work on Friday due to the 2 p.m. meeting at MISS MEJIA'S school. MR. MATA advised the meeting was originally scheduled for 1 p.m. but had to be changed. He stated he made the call from his wife's cellular telephone as his cellular telephone's battery was charging. MR. MATA stated sometime between 9 and 10 p.m., he called his mother (305-622-7223) regarding breakfast plans for Friday morning and again the call was made from his wife's cellular phone.

MR. MATA advised shortly thereafter, he went outside to switch the tags on the vehicles, as he needed the larger vehicle in order to take his family to breakfast. He stated MISS MEJIA was still on the couch in the living room watching television. He indicated the puppy is usually inside, but when it's time to retire for the evening, the puppy sleeps outside in the screened in patio.

MR. MATA advised he took the puppy outside, locked the front door to the trailer, and said goodnight to MISS MEJIA, who was still watching television in the living room. He then returned to his bedroom to retire for the evening. MR. MATA went on to state he and his wife went to bed but remained awake as they discussed his breakfast plans with his mom and relatives, the upcoming meeting at school, and MISS MEJIA'S recent fight that resulted in her suspension. MR. MATA again acknowledged to me that he told his wife he felt he needed to be present at the meeting.

MR. MATA advised the plan after breakfast was for him to pick up MISS MEJIA at home around 12:45 p.m. and then drive to the Government Center to pick up his wife and to allow MISS MEJIA the opportunity to eat something. He then stated he was going to return home and possibly meet them at the school, followed by: "I don't know what I was going to do maybe just go to the school and wait for them."

MR. MATA then commented to me that it was the school's plan that he be in attendance for the meeting involving MISS MEJIA. This statement completely contradicted what we were previously advised by MS. ROSSI. MR. MATA then stated he was very concerned as to why MISS MEJIA would be expressing negative feelings toward him.

Friday, September 17, 2004: According to MR. MATA, he started by saying his wife awoke between 5:30 and 5:45 a.m. He stated he, too, awoke and got out of bed while she was getting ready for work. MR. MATA then advised that as she was getting ready to leave and was in the car when he removed the license plate from the Civic. He then quickly corrected himself and stated his wife awoke every day between 4:30 and 4:45 a.m.

MR. MATA went on to state his wife leaves the trailer for work every day between 5:35 and 5:40 a.m. having to be at work by 6 a.m. When asked, MR. MATA advised that when he walked out with his wife, MISS MEJIA'S bedroom door was closed, locked and no light was on; therefore, no one checked on her. He then quickly added, "I wouldn't allow my daughter to keep her door locked." After seeing his wife off, he returned inside and placed the license plate on the dining room table.

MR. MATA advised he returned to bed, turned the television on, channel surfed, and did not see anything in particular he wanted to watch. He advised he was still very sleepy, turned off the television and dozed off. Continuing, MR. MATA then stated, "My alarm, no I woke up on my own. My phone was set up already, the alarm set for 6:30 a.m." He added that right after he dozed off, he awoke sometime between 6:15 a.m. and 6:20 a.m. and claimed he shut off the alarm.

After waking up, MR. MATA stated he walked into his bathroom, urinated, brushed his teeth, and retrieved underwear from a drawer. He then grabbed a towel and indicated he may have had to retrieve the towel hanging from a chair that was in the kitchen. MR. MATA was asked in doing so was he able to determine if MISS MEJIA was awake. He responded by stating she was not up as her door was still closed and no lights were on. Additionally, he added, "That's how I check to see if she is up, the lights on in her room."

As he was about to shower, he stated his alarm went off yet again. MR. MATA then showered, a "quick one" lasting only five to six minutes. He advised he did not shave. MR. MATA then retrieved clothes from his closet and then did his hair. Once he was done, he retrieved his wallet, money, and cellular telephone. He stated he did not consume anything and grabbed the previously mentioned license plate.

MR. MATA advised MISS MEJIA was still not awake; again, he based this on the fact her door was closed and no lights were on from within her room. He added, when asked, he never made any attempt to check on her.

MR. MATA stated he exited the trailer, checked on the puppy, which usually lays behind the washing machine, and check to see if it required more food or water.

This detective then asked MR. MATA about the front door lock. He informed me the lock had been changed approximately one year ago and MISS MEJIA did not possess a key, indicating her mother did not want her to have one. MR. MATA added his wife did not trust MISS MEJIA by claiming she was fearful MISS MEJIA would get out of the trailer at night when they slept. It should be noted the deadbolt on the front door required a key to lock/unlock from both the interior and exterior. The privacy doorknob was a standard turn-button locking mechanism that utilized a key to lock and unlock from the outside.

This detective quickly asked MR. MATA about MISS MEJIA'S relationship with "RICHARD" and his wife's knowledge thereof. He responded by stating she knew of RICHARD but not of any relationship. He then stated MISS MEJIA'S mother would approve of her having a relationship but stressed it was a give-and-take type of an agreement.

We continued on where we left off, outlining his activities of that morning. MR. MATA stated he locked the front door of the trailer and that normally he does not leave a key in the door i.e. deadbolt. He advised both screen doors front and rear were closed. MR. MATA indicated when he left the trailer, he first had to use the key to unlock the deadbolt in order to exit. He then had to unlock the screen door and exit while trying to keep the puppy inside the patio. MR. MATA advised that when he exited the trailer, he locked the doorknob only and not the deadbolt.

This detective questioned MR. MATA regarding the condition of the doorknob, deadbolt, and doorjamb. He advised the doorknob lock alone does not secure very well, and with a tug at the door, it is very easy to open unless the deadbolt is locked. Furthermore, this detective advised him there were no signs of fresh damage or tampering to the doorframe, which he agreed. MR. MATA then stated, "The cousins feel it was my fault not giving TITI a key. I took her rights away by not giving her a key."

He continued by stating he locked the patio screen door, responded to his vehicle, and departed at approximately 7:30 a.m. MR. MATA stated he did not place any calls or receive any before leaving the trailer. He provided his house number (305) 283-3850 and his wife's cellular telephone number (305) 283-4089. When asked, MR. MATA stated MISS MEJIA'S cellular phone was still activated but had no battery.

MR. MATA remained in the driveway two to three minutes before departing. Once he pulled out, he stated he did not observe anyone/anything suspicious. He observed no one either entering or leaving the trailer park and indicated both the entry and exit security gates were closed. MR. MATA advised the security gates do open and remain thus at 8 a.m. He advised in order to enter the trailer park, one either has an access card or places a call. MR. MATA again advised he did not see anyone walking or driving, "Nothing out of the ordinary."

Continuing, MR. MATA stated once he was on the road is when he placed his first call to his wife from his cellular telephone. His call to his wife was to her cell and then he placed another call to his mother's home. MR. MATA indicated he asked his wife how she was feeling and told her that MISS MEJIA was still asleep and he had not locked her inside the trailer. He also told her he would be picking MISS MEJIA up at 1 p.m. and discussed the meeting at the school. MR. MATA advised his discussion with his mother was that he was on his way and would be there soon.

MR. MATA was asked to provide the route he drove to his mother's residence at Honey Hill Mobile Home Park, located at 4955 NW 199 Street, Miami Gardens, Florida. He advised he traveled to Northwest 95th Street, east and from there to Interstate 95 (I-95). He travelled north on I-95 to State Road 826/Palmetto

Expressway, travelled west, and exited at NW 27 Avenue. He continued north on NW 27 Avenue to NW 183 Street and then headed west to NW 47 Avenue. Once at NW 47 Avenue, he then headed north to NW 199 Street and then west to the third entrance of the Honey Hill Trailer Park and on to his mother's mobile home. MR. MATA advised he made no stops along the way.

Once he arrived at his mother's mobile home, MR. MATA advised he exited his vehicle and entered his mother's screened-in patio where his nieces answered the door. He met with his sister and stated his mother was dressed but still doing her hair. MR. MATA said hello to the remaining members of his family comprising of his aunt, her ex-husband, along with "ELENA" and her two daughters.

MR. MATA stated he did not use the restroom during the 10-to-15 minute stay. He advised he needed to attach the license tag to the "Montero" and asked for a screwdriver. Afterwards, he departed, along with his mother, Elena and her two daughters. From there, they drove to the residence of his aunt's mother, located in the vicinity of NW 37 Avenue and 170 Street. MR. MATA could not provide an exact address.

Again, MR. MATA advised after leaving his mother's residence, there were no other stops along the way. He stated he traveled south on NW 37 Avenue from 199 Street in order to reach the residence of his aunt's mother. Once they arrived, MR. MATA stated he remained in his vehicle with "GABBY" while his mother went inside the residence. He advised after approximately 5 minutes had passed, he himself went inside where he said hello to everyone and engaged in small talk regarding family, MISS MEJIA, his wife et cetera. MR. MATA again advised he did not use the restroom. Shortly thereafter, everyone reentered the vehicle and discussed where they should eat breakfast but could not come to any decision.

MR. MATA then stated he realized he had forgotten to bring a camera as he wished to take family pictures. He stated he had mentioned to his mother the possibility of bringing a camera, as he had not seen his relatives for over a year. MR. MATA indicated his relatives had never been to his house before. When asked, MR. MATA stated he mentioned wanting to pick up the camera just as they were pulling out of the driveway.

As before, this detective requested he provide his route back to his home. MR. MATA stated he traveled south on NW 37 Avenue and mentioned construction was underway. He then stated he turned eastbound on either NW 119 Street or 103 Street. MR. MATA then corrected himself and said it was NW 119 Street to 27 Avenue and south onto NW 27 Avenue to 103 Street. He then traveled east on NW 103 Street to either 8 Avenue and /or 9 Avenue and indicated he had to stop along the way due to four-year-old "GABRIELLA" who had to throw up, reference motion sickness. After cleaning her up, they continued to his home.

MR. MATA stated he drove through the open security gate at the entrance of the mobile home park. He made his way to his trailer and pulled into the driveway. He exited along with everyone else and invited them to come inside his trailer. MR. MATA advised he unlocked the front screen door, and in doing so, he saw that the puppy was now entering from the open rear screened patio door. He advised one of the girls to grab the puppy. MR. MATA stated while standing there, he warned everyone to watch their step as there was dog feces on the patio floor.

Continuing, MR. MATA stated the front door to the trailer was open outward approximately 2 inches. After stepping into the trailer, he advised observing MISS MEJIA'S bedroom door partially opened and could see her light was on. MR. MATA added she never had her light on and stated, "It is not like her to just lay there with her door open and light on." MR. MATA further stated all of the bedroom blinds were closed, and despite the closed blinds, plenty of sunshine comes into her room.

MR. MATA indicated he called out to MISS MEJIA, "What's going on?" and upon entering her room, he observed the blood on the headboard. He stated he then rushed toward her and now noticed more blood on her face and pillows. MR. MATA then stated, "I was already shaking. I was afraid. I don't know if I can explain the feeling, tension, fear like you don't want to know."

MR. MATA stated he moved MISS MEJIA a little bit with both hands by touching her on her hip and shoulder. He stated he used his left hand to check her pulse on the right side of her neck. He advised he leaned forward to check for any breathing. In the meantime, he was trying to extract his cellular telephone from his right front pant pocket. As this was taking place, MR. MATA stated his mother was

standing behind him at the trailer's front door and then stepped into MISS MEJIA'S bedroom. MR. MATA stated he believed as he was retrieving his cellular telephone, he was performing one-handed chest compressions. He added his hand was shaking as he was dialing 911. MR. MATA instructed his mother to keep the kids out.

While performing cardiopulmonary resuscitation (CPR), MR. MATA stated he was speaking with the 911 operator who was asking for his information et cetera. As he continued, the 911 operator then suggested he turn the phone over to someone else. MR. MATA then stated, "My legs were weak, and I fell against the drawer," making reference to the dresser at the foot of MISS MEJIA'S bed. When asked, MR. MATA stated his mother was in the living room/outside and did not witness this because he had to call her into the bedroom to grab the cellular telephone.

Again, this detective questioned MR. MATA, and he responded by stating he did not recall seeing his mother when he fell but that he was supporting himself with the dresser when he handed her the telephone. He went on to state the 911 operator was now providing her with instructions that she was relaying to him. MR. MATA then stated, "I have a CPR certification" followed by describing how he was giving MISS MEJIA 15 compressions and 2 breaths. He advised despite his efforts, she was not breathing and was pulseless.

MR. MATA advised he continued with CPR until the arrival of a female police officer. He stated he asked for help, and she advised him Fire Rescue was on their way and then asked his mother to leave. MR. MATA stated paramedics had arrived and recalled they were wearing gloves but could not recall whether they were carrying any equipment. He advised there were too many people in the room and stated, "I had to get out."

When questioned, MR. MATA stated he had received the injuries to his arm from falling against the dresser.

At approximately 3:10 p.m., we took a break. This detective offered MR. MATA water or a bathroom break, both of which he declined.

At approximately 3:45 p.m., we continued and MR. MATA stated the only two boys MISS MEJIA was involved with were RICHARD and DARLING. It was unknown if MISS MEJIA was seeing anyone else. MR. MATA stated KAREN/TYINA was MISS MEJIA'S best friend, of whom he knew, as well as ERICA a new girl from school. He described her as a good friend with whom MISS MEJIA "hangs." MR. He stated he did not know if DARLING and RICHARD knew one another.

This detective then confronted MR. MATA about the incident involving DARLING, whereby MR. MATA had caught DARLING and MISS MEJIA engaging in sex. MR. MATA admitted that he kept it between MISS MEJIA and himself, did not share it with his wife, and acknowledged holding it over MISS MEJIA'S head. He denied confronting MISS MEJIA reference any information she had shared with friends or the school's counselor reference his inappropriate touching/comments. Furthermore, this detective asked MR. He further advised he did not recall seeing the marks on her chest while performing CPR.

At approximately 7:55 p.m., they broke briefly to provide MR. MATA with water.

At approximately 8:03 p.m., DETECTIVE MALOTT confronted MR. MATA with photos depicting his injuries and that of the mark on MISS MEJIA'S chest, described as a post mortem carving by Miami-Dade County Deputy DR. EMMA LEW. MR. MATA observed the photo stating he did not recognize the marking but then uttered it looked like the word "HO." DETECTIVE MALOTT continued to repeatedly confront MR. MATA with the inconsistencies reference his injuries, and he insisted they were sustained when he struck MISS MEJIA'S dresser.

At approximately 8:45 p.m., DETECTIVE GUNNELLS confronted MR. MATA with the upcoming meeting to be held at the school and the ramifications he was facing once his wife would learn what MISS MEJIA was about to reveal, as well as the results of the polygraph. Furthermore, she discussed the incident involving DARLING and the fact he held this over MISS MEJIA as a means of control. DETECTIVE GUNNELLS addressed MR. MATA'S frustration that he and his wife had not been engaging in any means of sex and the proposition made to MISS MEJIA. MR. MATA then stated, "She's a liar!" referring to MISS MEJIA.

When asked about the apparent scratches to his face, MR. MATA stated the scratch was possibly caused by the puppy when walking it.

Despite not being able to provide any plausible explanations to alleviate our suspicions, MR. MATA continued to deny any involvement in MISS MEJIA'S death.

MR. MATA was provided a variety of plausible explanations to explain why he or his wife felt the need to murder MISS MEJIA. Explanations such as quieting her due to knowing she was about to report what he had been doing, or his wife may have committed the murder because she was jealous of her own daughter who was not only attractive but sexually active. MR. MATA exhibited a stern, almost confrontational stare and continued to claim MISS MEJIA was a liar.

DETECTIVE MALOTT questioned MR. MATA if he abused alcohol, drugs, or prescription medication. Additionally, he was asked if he had episodes of blacking out or felt like he was a different person who may have carried out the murder of MISS MEJIA. MR. MATA denied having any addiction or mental disorders, again denying any involvement in MISS MEJIA'S murder. DETECTIVE MALOTT departed the interview room leaving DETECTIVE GUNNELLS with MR. MATA. At approximately 7:45 p.m., DETECTIVE GUNNELLS continued with the interview. She again went over all that had been previously discussed, having him repeat himself. DETECTIVE GUNNELLS also posed to MR. MATA that he had met the crossroads, and he should stick either to a story no one believed or to finally tell the truth. At approximately 9:30 p.m., a break was taken, and MR. MATA was provided a bottle of water and a slice of pizza. He remained in the interview room alone and undisturbed affording the opportunity to consume his beverage and meal. It should be noted, throughout the entire interview with MR. MATA, when he was provided with any version of a plausible explanation as to why he would have committed the murder of MISS MEJIA, he was continually observed shaking his head in an up and down manner as if acknowledging "Yes" but without verbally saying so. Although MR. MATA never became confrontational, he never shed any tears or showed any emotional distress concerning MISS MEJIA but more so for his wife by claiming MISS MEJIA had disrespected his wife. At approximately 10:05 p.m., this detective, along with DETECTIVE GUNNELLS, continued the interview. We again went over the morning of the September 17. MR. MATA also acknowledged providing MISS MEJIA with a cellular telephone of (305) 283-3850, in the beginning of 2004. He added MISS MEJIA originally used his phone (305) 283-4089. MR. MATA admitted to us he had given MISS MEJIA a cellular telephone and did so without his wife's knowledge. MR. MATA stated he had received calls from MISS MEJIA'S friends since she had used his telephone. He received calls from DANIEL who called about the funeral and from LAURA. He stated they were the

only two who had called. MR. MATA then stated he tried to return LAURA'S call but received no answer. He advised he had no other conversations with anyone else. MR. MATA then stated KAREN may have called. Additionally, he recalled an additional individual, possibly a girl leaving a text message reference the fight at school involving MISS MEJIA, but then he indicated he had erased the text message.

This detective addressed MR. MATA regarding his use of the family personal computer (PC). He advised he often visited Salvadorian chat rooms and provided his screen name "ROCKO." He advised MISS MEJIA'S screen name was "Flaca1341." MR. MATA told us he used to be online "a lot" until starting school. He acknowledged visiting adult/Latin pornographic websites such as "Petardas.com," the last time being one to two months ago. MR. MATA stated MISS MEJIA did not visit those sites.

MR. MATA stated he did not visit strip clubs; however, he advised patronizing one a few years ago when his cousin from Chicago had visited. Otherwise, there was no pornography in the house, no dirty magazines, pictures, or videos. This detective confronted MR. MATA in regards to the VHS videotape previously recovered from the garbage that had been thrown out. He then admitted the VHS tape was his and was in fact a porno that he did not want his wife to find out about.

We discussed with MR. MATA his previous relationships. He stated prior to his wife, he had dated SOPHIA for about a year, and she had lived in the 1200 block of Alton Road. He advised she was 29 years old and he was 23. MR. MATA acknowledged he had primarily been involved with older woman. He mentioned JOHANA who was 23 or 24 years old and he was 20. He mentioned Nancy who was "30-something" while at the time he was 22 or 23. MR. MATA mentioned several other girls he dated, THERESA, SONIA, and MABEL.

MR. MATA spoke about friends in California, friends such as OVIDIO, AUGUSTO, VICTOR, IVES, and GUAYO. MR. MATA said he last spoke to any one of them in December.

MR. MATA stated his wife had no known enemies.

MR. MATA denied having an affair with anyone. When asked of any female friends, he stated he was "Good friends" with his boss "EMILY."

At approximately 11:55 p.m., a break was taken. MRS. MATA had been advised by DETECTIVE GUNNELLS why she was to see the school counselor. We informed her the information MISS MEJIA wished to expose to her about her husband's proposal for sex and questionable behavior.

On Thursday, September 30, 2004, at approximately 12:05 a.m., we then escorted MRS. MATA into the interview room occupied by MR. MATA. She confronted him and asked him if he killed her daughter. After a long pause and for the first time, MR. MATA exhibited emotion and cried. He denied that he was responsible for her death.

At approximately 12:55 a.m., DETECTIVE GUNNELLS departed the Homicide Bureau to transport MRS. MATA home. Prior to her departure, MRS. MATA expressed to us it was her belief and she was convinced her husband was in fact the person who murdered MISS MEJIA.

At approximately 1:00 a.m., MR. MATA was brought to the restroom at his request.

At approximately 1:15 a.m., the interview continued, whereby despite being presented with several crime scene photos, MR. MATA exhibited no tears whatsoever. MR. MATA continued to deny his involvement.

At approximately 2 a.m., collectively, the decision was made to conclude the interview. MR. MATA agreed to make himself available at a later date. With that, MR. MATA was released.

INVESTIGATION INTO THE HOMICIDE OF DILCIA MEJIA, W/LATIN/F/16, WHO WAS DISCOVERED DECEASED ON FRIDAY, SEPTEMBER 17, 2004, AT APPROXIMATELY 9:18 A.M., AT THE COLONIAL ACRES TRAILER PARK, LOCATED AT 9674 NW 10 AVENUE, LOT E-544, IN UNINCORPORATED MIAMI-DADE COUNTY, FLORIDA.

NARRATIVE SUMMARY:

On Saturday, September 25, 2004, at approximately 12 p.m., MR. FERNANDO HERNANDEZ, who is the cousin of MS. KEISY IRIARTE, telephoned this detective and advised MR. RAUL MATA had returned to the trailer and was in the process of disposing garbage. He stated the garbage was being placed in the community trailer park dumpster. MR. HERNANDEZ stated he had collected the garbage from the dumpster and was presently storing it, and he planned on bringing it to his business, Miami Roofing, located at 675 NW 101 Street, Miami, or planned on keeping it in his shed for safekeeping.

MR. HERNANDEZ expressed he was always disturbed by MR. MATA'S demeanor/behavior. He added whenever MR. MATA either placed and/or received a telephone call on his cellular telephone, he always made it a point to step away or outside because he did not want anyone to overhear his conversation. Furthermore, MR. MATA was very possessive with the victim, MISS DILCIA MEJIA. MR. HERNANDEZ stated any time he wished to speak with her, he would always take her outside so they could speak in private.

MR. HERNANDEZ went on to state MR. MATA had made a statement to his wife indicating he was willing to go to jail until the person responsible was arrested. Again, MR. HERNANDEZ thought this statement was highly unusual, in and of itself, in regards to the reason MR. MATA would want to go to jail if he had had nothing to do with MISS MEJIA'S death.

Continuing, MR. HERNANDEZ advised he questioned MR. MATA regarding the marks on his arm. MR. MATA'S explanation was he had suffered the injury by burning himself on a car muffler.

On Monday, September 27, 2004, at approximately 10 a.m., this detective responded to 8095 NW 8 Street, Apartment #109, Miami. MR. FERNANDO HERNANDEZ had contacted this detective and advised he had transported the previously mentioned garbage bag to his brother's residence for safekeeping. Upon arrival, contact was made with MR. FERNANDO HERNANDEZ and his brother, MR. ARISTIDES HERNANDEZ, W/L/M/32, DOB: 05/101972, home telephone number (786) 388-9677, work telephone number (305) 662-1792.

MR. FERNANDO HERNANDEZ advised he had removed a "Quince's/15's" photo album from MISS MEJIA'S room on September 25, when MR. MATA was cleaning out the trailer. He pointed to a photo contained therein of a person named JOSE PORTILLO, W/L/M/17, who attended Miami Jackson Senior High. He stated JOSE PORTILLO and MISS MEJIA had known each other since childhood. Thursday morning, September 16. Additionally, MR. MATA commented he had not locked the front door to the trailer, citing the installation of new locks and MISS MEJIA not having a key. No additional information was provided.

Following my conversation with MR. FERNANDO HERNANDEZ, this detective spoke with MS. KEISY IRIARTE. She confirmed MISS MEJIA was at MR. FERNANDO HERNANDEZ'S residence after school on Tuesday, September 14. MISS MEJIA arrived with clothes. MS. She could not advise who picked MISS MEJIA up from work Wednesday evening but stated MISS MEJIA again spent the night at MR. FERNANDO HERNANDEZ'S residence. MS. IRIARTE advised MISS MEJIA returned home on Thursday, September 16. She added MISS MEJIA had run out of clean clothes and expressed she wasn't feeling well. MR. MATA indicated that on a daily basis he was responsible for taking DILCIA to school except on Wednesday, reference his classes at Miami-Dade Community College (MDCC). He advised his wife departed the house daily for work around 5:30 a.m., having to be at work by 6 a.m. When asked, he stated she primarily drove their Mitsubishi Montero and him, the Honda Civic.

He went on to state he often had difficulty in waking DILCIA most mornings and getting her to school on time. For that reason she had been previously suspended. He always tried to leave their residence no later than 7 a.m. in order to get her to school by 7:25 a.m. He stated DILCIA was a student at Miami Beach Senior High School and because he worked at Mount Sinai it enabled her to attend.

MR. MATA advised DILCIA had been caught skipping school, which upset her mother. He stated DILCIA had received what he described as a "beating" from her. Additionally, he was recently told by his wife that DILCIA had written a composition expressing her fondness for firearms. This prompted a scheduled visit with the school's "psychologist". Apparently the visit with the "psychologist" yielded that DILCIA expressed her dislike for him, but RAUL could not elaborate any further claiming that was all he knew.

It should be noted that it was later determined in the course of the investigation that no such composition existed and was only used as a ruse to establish a meeting with the school counselor, DILCIA, and her mother. The meeting was to divulge to DILCIA'S mother, MR. MATA'S sexual proposals/advances toward DILCIA.

MR. MATA was asked about to DILCIA'S suspension. He stated she was involved in a fight on Wednesday the 15th and he learned this from checking phone messages. The suspension was originally imposed for a period of ten days. His wife told him that DILCIA had a fight with several girls (N.O.I.) from the school. It was unknown to MR. MATA what prompted the fight. He also advised the school principal had stated to his wife she could meet with him in order to get a reduction of "TI TI'S" suspension. MR. MATA stated his wife had spoken with the mothers of the other students involved in the fight. According to MR. MATA, he first learned that a meeting was scheduled for 2 p.m. today at the school.

This detective questioned MR. MATA about someone by the name of RICHARD. RICHARD was an individual DILCIA was fond of and this information was provided to this detective through DETECTIVE LEWIS' interview of MS. IRIARTE. MR. MATA stated RICHARD was a boy DILCIA liked yet her mother was very strict about her dating anyone and was not open to the idea. MR. MATA added DILCIA didn't express herself very well with her mother concerning her feelings for RICHARD.

MR. MATA then abruptly expressed, "I'm angry this happened. She is a very good girl," followed by "I see her as my daughter not my stepdaughter. I've got to be there for her. She needs me. I loved 'TI TI'". MR. MATA then stated he was fine with the idea that she was interested in boys yet urged that she should be careful. He indicated this was a normal stage in her life and then stated, "I was okay with it."

MR. MATA advised it was obvious DILCIA was sexually active, again unbeknownst to her mother, and believed the only person she was having sex with was DARLING. He went on to advise DILCIA was upset and crying over the incident in which he caught DILCIA and DARLING having sex. Yet, MR. MATA then abruptly stated, "'TI TI' was betraying my wife". He spoke of his wife's devout religious beliefs and how DILCIA had betrayed her mother and she should seek forgiveness. MR. MATA then continued to use and stress the word "betrayal" throughout the interview when speaking of DILCIA and the first time he exhibited any emotional response up to this point in the interview.

At approximately 7:50 p.m., MR. MATA was provided a can of Pepsi and a bag of plantain chips. He remained alone and undisturbed in the interview room while he consumed the beverage and chips.

At approximately 8:30 p.m., Crime Scene OFFICER C. GREEN, ID #3749, was contacted and requested to respond to the Homicide Bureau.

At approximately 9:50 p.m., OFFICER GREEN responded to the Homicide Bureau and requested to take additional photographs of MR. MATA. In addition to the photographs, this detective also requested OFFICER GREEN obtain samples of MR. MATA'S hair along with additional DNA, taking swabs from MR. MATA'S arm, chest, and penis. MR. MATA'S clothing was also collected for evidentiary purposes. All of the aforementioned items were collected at approximately 9:50 p.m. For additional details, refer to

OFFICER GREEN'S supplemental report contained within this case file. Afterwards, MR. MATA was provided with Nomex coveralls and he remained alone and undisturbed in the interview room.

At approximately 10:30 p.m., the interview resumed. When questioned, MR. MATA advised he was right hand dominate, but stated he was capable of "cutting a steak or peeling an orange" with his left hand.

This detective then turned toward RICHARD and DARLING. MR. MATA stated DILCIA met RICHARD approximately two years ago at "SELENA'S house". He advised DILCIA had been seeing DARLING for the past several months. RICHARD presently lived in the vicinity of NW 36 Street and NW 17 Avenue and DARLING in a trailer just around the corner for an undetermined amount of time.

MR. MATA stated that he, his wife, and DILCIA had been living inside their trailer for approximately four years. Previously, they resided at 2400 NW 22 Avenue. He added the reason for the move was too much criminal activity in the neighborhood and not wanting to expose DILCIA to such an atmosphere.

MR. MATA further advised his wife's brother-in-law, CARLOS BRIZO, W/Latin/M, 35-36 years of age, previously resided with them, needing a place to stay for approximately one year in 2001. Afterwards, he moved out and presently lives in the trailer park #757. MR. MATA stated he rarely visits, but when he did, he assisted in fixing one of their vehicles. He recalled the last visit was when MR. BRIZO helped them with Hurricane "Frances" preparations.

The focus of the interview was then directed to the injuries upon MR. MATA'S person. According to MR. MATA, he stated he fell several times after discovering DILCIA'S bloody body. He advised his first fall occurred when he was attempting to hand his cellular phone to his mother at some point during the call to 911. MR. MATA stated he fell on the west corner of the dresser located at the foot of DILCIA'S bed. The second, he claimed that he was distraught becoming weak in the knees and then fell at the opposite corner (east) of the same dresser. When asked how he suffered an injury to his right hand, MR. MATA could not recall, stating "I didn't feel anything".

MR. MATA advised he wore light green and black pajama pants and no shirt when he retired for bed last night. He further advised the clothing worn when he left his residence this morning was the same clothing he was brought into Homicide with, stating he had not changed.

At 12:15 a.m., Saturday, September 18, 2004, MR. MATA was escorted to the bathroom upon his request.

After conferring with this detective's immediate supervisor and detectives from my squad, a collaborative decision was made to suspend any further questioning of MR. MATA at that time.

At 12:40 a.m., MR. MATA'S brother was contacted to pick him up.

At 1:30 a.m., MR. MATA was released.

On Saturday, September 18, 2004, at 8 a.m., this detective attended the autopsy of DILCIA MEJIA reported under M. E. Case Number: 2004-2067. For details pertaining to the postmortem examination, refer to the Scene and Body portion of this report.

At 11:45 a.m., this detective followed-up and spoke with KEISY IRIARTE. MS. IRIARTE relayed the following information. She advised DILCIA'S employer was GEMMA MORENA, the General Manager.

MS. IRIARTE then relayed the following information based upon her conversation with DILCIA'S mother, DILCIA MATA. She advised upon leaving for work, DILCIA'S mother did not lock the front door to the trailer, but had locked the screen patio door. She also stated she didn't check on DILCIA when she departed for work, but added that she often kept her bedroom door locked and the only way to enter DILCIA'S room was if it were unlocked from the inside. The only other option is if DILCIA opened the door after knocking.

Continuing, DILCIA MATA told MS. IRIARTE that on the morning of DILCIA'S death and prior to leaving for work, RAUL MATA was awake, he remained in bed, and they spoke about the upcoming meeting at

her death. It was relayed that CLARISSA preferred to be interviewed by investigators at the school. CLARISSA BRITO was subsequently interviewed by DETECTIVE LEWIS

DETECTIVE LEWIS interviewed a number of individuals at the school, most notably CHRISTINA DE LA ESPRIELLA, W/Latin/F/23, who attends Nova Southeastern School and is interning as a counselor at Miami Beach High School, cell phone: (786) 488-6554. This witness is studying to be a therapist and does Family Therapy at Miami Beach Senior High School.

Witness DE LA ESPRIELLA told DETECTIVE LEWIS she first met the DILCIA on August 26, 2004, approximately one week after school had started. She advised the victim initiated the contact, due to the fact she was having boyfriend problems. Their first meeting lasted approximately 15 or 20 minutes, at which time she learned the victim was very introverted and she wanted to build a better relationship with her mother.

She also wanted to stop dating her then current boyfriend, who was older than her, being approximately 19 years old, and stated her mother did not know about the relationship. She also advised the boyfriend did not attend Miami Beach Senior High.

Witness DE LA ESPRIELLA was advised by DILCIA that she did not like her stepfather and she did not have a good relationship with him. DILCIA confided with witness DE LA ESPRIELLA that her stepfather had given her a cell phone, and her mother did not know about it. She also advised her stepfather knew about a boyfriend, but the mother did not know about this particular boyfriend.

Additionally, DILCIA advised witness DE LA ESPRIELLA the stepfather "wanted to be good" to her and on one occasion he told her he wanted 15 minutes with her, in a sexual way. DILCIA denied having any sexual contact and stated she was not afraid of her stepfather.

A second follow-up meeting occurred approximately a week later, at which time it was learned DILCIA had not spoken to her mother about the incident involving her stepfather.

Witness DE LA ESPRIELLA contacted the victim's mother on Thursday, to confirm a change in the appointment, from 1:30 p.m. to 2 p.m., because the victim's mother was unable to get out of work early enough for the 1:30 p.m. appointment.

W/Latin/F, DOB: 10/09/1964. MS. MORENA advised that DILCIA had been working at the company since June 22, 2004, in the capacity of an order Entry Clerk. Her shift was 3 p.m. – 7 p.m. MS. MORENA described DILCIA as a good employee, a “nice, quiet girl”. This detective was afforded the opportunity to peruse through DILCIA’S calendar. This detective took possession of the sheet reflecting the month of September, in furtherance of the investigation.

This detective then spoke with employee, MS. NOELY TORIBIO, W/Latin/F/24, DOB: 12/19/1980. She advised she was made aware by DILCIA that she was experiencing problems with several girls at her school, adding it was a friend at school who was the main focus of the hostility and DILCIA was simply defending her. MS. TORIBIO stated DILCIA exchanged words with someone via email the night prior to the fight at her school. MS. TORIBIO further advised the contents of the email stated “they” were going to get her at first period. She recalled seeing the screen name “PLUTO”.

Continuing, MS. TORIBIO stated the same week of the fight, DILCIA mentioned to her she liked a boy, but she couldn’t provide a name or any additional information pertaining to this individual. She also advised DILCIA’S best friend was “SASKIA”.

In closing, MS. TORIBIO stated other than the rift with the girls at school, she wasn’t made aware of any other problems DILCIA was experiencing.

Next, this detective then interviewed MR. JIM BURKE, W/M/66, DOB: 08/31/1938. MR. BURKE is the companies plant supervisor and been so employed for the past 14 years. MR. BURKE described DILCIA as a vibrant yet sensitive young lady.

MS. URENA advised CLARISSA not only shared with her the aforementioned details, but with her mother as well.

MS. BRITO advised a rumor was circulating about JOSE". She mentioned the names of "CHRISTINE", a ninth grade student and "AMALIA", a tenth grade student at Miami High. She advised AMALIA had spoken to CHRISTINE, who claimed JOSE had abruptly left town after DILCIA was murdered.

Directing the interview in reference to JOSE, MS. BRITO stated that according to DILCIA, he was a violent and jealous person. She further advised JOSE drew a symbol suggesting if they couldn't be together the symbol represented their desire to "die together".

She learned from DILCIA that in March of 2004, JOSE had slapped her because she had talked to another boy. MS. BRITO stated she had only met JOSE on two occasions. The first was the introduction and the second was a double date in February 2004. MS. BRITO was accompanied by ALEX MARTINEZ, W/Latin/M/21, along with JOSE and DILCIA, all of whom went to see a movie at the Lincoln Road Theater on Miami Beach.

According to MS. BRITO, she never knew JOSE to carry any weapons nor had DILCIA expressed such. Additionally, despite being physically abusive, DILCIA stated JOSE was not abusive when they engaged in sex. MS. BRITO stated because of the physical abuse, DILCIA ended their courtship.

MS. BRITO stated on Saturday at approximately 10 a.m., one week prior to DILCIA'S murder, JOSE called her. DILCIA told MS. BRITO of the call at 3 p.m. the following Sunday. DILCIA told MS. BRITO that JOSE stated he was sorry for everything they had gone through and expressed his desire to rekindle their relationship. DILCIA told JOSE she was seeing someone else and despite being disappointed, he was cordial. They continued their conversation discussing their lives and eventually they ended their conversation on good terms.

According to MS. BRITO, and based upon her conversations with DILCIA, she advised that JOSE had never been to DILCIA'S residence, although he was aware of where she lived. MS. BRITO stated that

INVESTIGATION INTO THE HOMICIDE OF DILCIA MEJIA, W/LATIN/F/16, WHO WAS DISCOVERED DECEASED ON FRIDAY, SEPTEMBER 17, 2004, AT APPROXIMATELY 9:18 A.M., AT THE COLONIAL ACRES TRAILER PARK, LOCATED AT 9674 NW 10 AVENUE, LOT E-544, IN UNINCORPORATED MIAMI-DADE COUNTY, FLORIDA.							
<u>NARRATIVE SUMMARY:</u> On Wednesday, October 6, 2004, at approximately 2:30 p.m., this detective met with Miami-Dade County Associate Medical Examiner DR. EMMA LEW to follow-up with her findings concerning the postmortem examination of the victim, MISS DILCIA MEJIA. According to DR. LEW, she provided her opinion that when MISS DILCIA MEJIA was initially attacked, she was sound asleep, and the perpetrator covered her with the pillow, which was used as a means to not only smother the victim while cutting her throat but to also prevent and/or reduce spurting blood consistent with severing the carotid artery. DR. LEW further advised that the bruising to MISS DILCIA MEJIA'S left forearm could be consistent with a bite mark, but she indicated that it was not associated with the terminal event and it appeared that it had occurred days prior to her death. Lastly, DR. LEW indicated that from her on-scene examination of MISS DILCIA MEJIA'S body, she advised that her death was consistent with the time frame during which she and her stepfather were alone in the mobile home or sometime between 5:30 a.m. and 7:30 a.m. On Tuesday, October 12, 2004, at approximately 1:30 p.m., this detective responded to the Little Havana Institute Alternative School, located at 300 SW 12 Avenue, Miami, Florida 33130, telephone number: (305) 649-2952. At approximately 10:20 a.m., this detective met with MS. CHRISTINA DE LA ESPRIELLA, W/Latin/F/23, DOB: 10/13/1980, of 1627 Brickell Avenue, Apartment #1506, Miami Beach, Florida 33129, residence telephone number: (305) 854-7046 and cellular telephone number: (786) 488-6554, to follow-up and ascertain more specific details surrounding her conversations with MISS DILCIA MEJIA prior to her death. MS. DE LA ESPRIELLA was previously interviewed by DETECTIVE LEWIS. At the time of MISS DILCIA MEJIA'S murder, MS. DE LA ESPRIELLA had been working as an intern at Miami Beach Senior High School for approximately one month. She was a second-year student at Nova Southeastern University and was obtaining her master's degree in Marriage and Family Therapy. According to MS. DE LA ESPRIELLA, she was required to obtain client contact hours, which resulted in her getting the internship at Miami Beach Senior High School. MS. DE LA ESPRIELLA advised that her supervisor was MR. MANUEL "MANNY" TORRES. She stated that she was assigned to work at the high school on Thursdays and Fridays from 7:30 a.m. to 2:30 p.m.

MS. DE LA ESPRIELLA stated that she reported for her first day of work at Miami Beach Senior High School on Thursday, August 26, 2004, one week after the school term began. MS. DE LA ESPRIELLA advised that on her first day at work, MR. TORRES and MS. HAMM came to her in reference to concerns that they had about a student by the name of MISS DILCIA MEJIA MEJIA, who had initiated contact with them. MS. DE LA ESPRIELLA advised that she went to MISS DILCIA MEJIA'S class and summoned her to her office.

MS. DE LA ESPRIELLA advised that MISS DILCIA MEJIA shared with the faculty that she was afraid of her stepfather and that on the weekend of August 21 or August 22, he had asked, "Would you do anything, anything for your boyfriend? Just give me 15 minutes." MISS DILCIA MEJIA advised that she responded by stating, "That's why you married my mom." MISS DILCIA MEJIA had interpreted her stepfather's 15-minute remark as a proposition that he wanted to have sex with her. In addition, MISS DILCIA MEJIA was too afraid to tell her mother what was going on between her stepfather and her. MS. DE LA ESPRIELLA indicated that there was an immediate concern within the school that ongoing sexual abuse was occurring, but MISS DILCIA MEJIA advised and stressed that there was not. MISS DILCIA MEJIA advised MS. DE LA ESPRIELLA that her boyfriend was older and that he was 19 or 20

that MISS DILCIA MEJIA did not have the confidence to share her issues with any of her friends, but MISS DILCIA MEJIA believed that she could share her issues with her cousins and certain members of her family. MISS DILCIA MEJIA told MS. DE LA ESPRIELLA that she felt comfortable with her and expressed that she could trust her. MS. DE LA ESPRIELLA encouraged MISS DILCIA MEJIA to inform her mother of their discussion and that she would follow up with her next week. MS. DE LA ESPRIELLA advised that when MISS DILCIA MEJIA spoke of her stepfather during their meeting, she had an angry demeanor. Following their meeting, MS. DE LA ESPRIELLA stated that she met with MR. DE LA ESPRIELLA stated that MISS DILCIA MEJIA failed to inform her mother of the incident involving her stepfather, and again, the issues of trust and her anxiety about her mother surfaced. She added that it weighed heavily on MISS DILCIA MEJIA. MS. DE LA ESPRIELLA advised that she suggested that MISS DILCIA MEJIA'S mother respond to the school. MS. DE LA ESPRIELLA inquired of MISS DILCIA MEJIA if she would feel more comfortable if she (MS. DE LA ESPRIELLA) were present when she informed her mother of the incident and expressed her feelings. MISS DILCIA MEJIA agreed that it would be best if she (MS. MS. DE LA ESPRIELLA advised that on Thursday, September 8, 2004, she called the residence to confirm the upcoming meeting and advised that MISS DILCIA MEJIA had answered the telephone. MISS DILCIA MEJIA informed her that her mother was not going to be able to make the meeting as planned because she was unable to leave work. It was MS. DE LA ESPRIELLA'S belief that MISS DILCIA MEJIA never mentioned anything to her mother about a meeting at the school. MS. DE LA ESPRIELLA rescheduled the meeting with MRS. MATA and MISS DILCIA MEJIA for Friday, September 17, 2004, at 1:30 p.m. MS. DE LA ESPRIELLA stated that on Thursday, September 16, 2004, sometime in the early evening, she telephoned MISS DILCIA MEJIA to confirm their upcoming meeting on Friday, September 17, 2004, at 1:30 p.m. She advised that the meeting was rescheduled for 2:00 p.m., due to her mother's work schedule and to allow her mother enough time for travel. She advised that she did finally speak with MRS. MATA and requested that they meet at the school. She advised that she neither divulged the contents of what was going to be discussed nor mentioned that MISS DILCIA MEJIA'S stepfather could not attend. MS. DE LA ESPRIELLA advised that MRS. DE LA ESPRIELLA advised that on Friday, September 17, 2004, by approximately 2:40 p.m., both MRS. MATA and MISS DILCIA MEJIA failed to show up for their scheduled meeting; therefore MS. DE LA ESPRIELLA departed the school. MS. On September 17, 2004, the victim was discovered lying on her bed by her Stepfather, (Mata, Raul). Mr. Mata called 911 and began administering Cardio Pulmonary Resuscitation. Northside District uniformed officers, and Miami-Dade Fire Rescue personnel arrived a short time later. Fire-Rescue units pronounced the victim deceased. The victim was discovered lying on her bed in a supine position, with a large laceration to the left side of her neck. The victim also had superficial lacerations on her abdomen.

Mr. Mata was transported to the Homicide office for questioning. Mr. Mata voluntarily submitted DNA, and clothing for further analysis. Mr. Mata further submitted voluntarily for a polygraph examination. Although the results of the polygraph examination were questionable, Mr. Mata made no post-Miranda admissions to any involvement in the victim's death. Extensive crime scene processing and evidence collection was conducted on the scene.

The investigation continues.
