Meeting with Contreras went fine today, feel free to give me a call for more color. The agent's going to write a 302, so we will forward that when it's final. Thanks again!

Thanks for letting me know, [redacted] And yes, confirmed that we don't need to be there for this. I know you guys are steering clear of the MS-13 stuff.
If you wouldn't mind just giving me a copy of the notes or the 302 from the proffer, I'd appreciate it, only because Andy is certain to reference this in his mitigation submission to us/DOJ.
Thanks, and good luck!

Hi [redacted],

FYI, we are meeting with Contreras on 9/3 at 1 SA. Andy preferred not to have a proffer agreement. I know we discussed this, but can you confirm that no one from your side wanted to be there? Thanks again.

Thanks! If you're good with it, we'll reach out, copying you, to set up a proffer within the next week or so. Copying [redacted] who's also working on this.

Subject: Johnny Contreras – Investigation of Jeffrey Epstein Death

Dear [redacted]:

This email concerns the investigation into the death of Jeffrey Epstein in the MCC. We realize that it is unlikely your office is involved, but we thought that we should inform the government of the following so you can take whatever action you believe is appropriate.

Jhonny Contreras was recently returned to the SHU in the MCC. At the time of Mr. Epstein's death, it is my understanding that Mr. Contreras was housed in a cell on the same tier and across the hall from Mr. Epstein's cell. Mr. Contreras did not see Mr. Epstein hang himself, but he would be willing to speak to investigators, in the presence of counsel, about his observations.

Please let us know if there is anything further we should do to follow-up.

Andy
