NARRATIVE

HAROLD DANIELS INTERVIEW

On Thursday, May 3, 2012 at around 7:00 a.m. I held an interview with Harold at his ranch. Harold told me that Neftali had worked for him for approximately one year, starting on June 9, 2011. He stated he was at a store in Springer, New Mexico during the early months of 2011 and noticed a flyer posted for ranch hands searching for employment. Harold called the number listed on the flyer and spoke with the individuals that posted the flyer, who Harold identified as Neftali's parents. Harold told them he only employed legal citizens and Neftali's parents told him they were leaving to Mexico shortly but their son, Neftali, would work for them. Neftali started working for Harold on June 9, 2011 and had worked there until I spoke with Harold on May 3, 2012.

Neftali stayed on the ranch in a guest house owned by Harold. Harold also provided Neftali with a cellular telephone to use that was registered to Harold. The telephone number associated with the telephone Neftali was using was 575-447-7111.

On Tuesday, May 1, 2012, Neftali told Harold he needed the day off to go to Santa Fe to get a passport so he could go to Mexico to spend time with his mother at her boyfriend's residence in Cuauhtemoc, Mexico. Harold stated Neftali never mentioned anything to him about an interview with me on Tuesday. Harold said Neftali was very reliable and had never left before like he did now. He said Neftali did not show up to work as scheduled on Wednesday, May 2 or Thursday, May 3. After observing Neftali's behavior during the past couple of days, Harold was concerned about having an employee work for him that was being interviewed by law enforcement. We told Harold the reason we were looking for Neftali and he said we could take a cell phone that was registered to him (Harold) and retrieve the data that was on it as well as swab the phone for DNA left behind by Neftali. While I was speaking with Harold, a male walked down the driveway towards Sergeant McFaul, who was standing near his unmarked unit. I asked Harold who the male was and he told me it was Neftali.

NEFTALI ROYBAL INTERVIEW-WAGON MOUND

I walked outside and met up with Sergeant McFaul and Neftali. Sergeant McFaul had already been speaking with Neftali when I walked up to them. For details of the conversation with Neftali, refer to Sergeant McFaul's report.

During the conversation with Neftali, I requested a saliva DNA sample from him because I told him it would provide an elimination standard for him since his name had come up a lot during the investigation. Neftali said he would voluntarily provide a saliva sample for me and signed the Biological Sample Waiver Form. The buccal swab was then transported to the Department of Public Safety Forensic Laboratory for comparison with evidence located at the crime scene. Refer to attachment 1 for a copy of the Biological Sample Waiver and the Department of Public Safety Forensic Laboratory Evidence Receipt. Once I returned to the New Mexico State Police office, I went to Agent Joseph Casarez, New Mexico State Police Online Predator Unit (Santa Fe) to inquire about extracting the data from the cellular telephone Harold provided to me. Agent Casarez looked at the phone and attempted to extract the records but the phone was empty and did not contain any pertinent information. I made arrangements to have the phone returned to Harold.

Based on the inconsistencies in Neftali's statements as well as the interview he failed to show up for, I drafted up a subpoena to obtain the cellular telephone records from the date of initial contact with Neftali while I was at his grandfather's residence

until the date I spoke with him on Harold's Ranch. (4/26/2012 to 5/3/2012) It was pertinent to the investigation to know who Neftali spoke with after we arranged the interview. Also, based on the statement he made that he went to Santa Fe to get a passport so he could leave the country caused some concern based on information that Neftali may have been involved or had information regarding the homicide.

Lieutenant Ted Collins drafted a preservation letter and faxed it to Plateau Telecommunications Incorporated requesting the preservation of subscriber information, in-coming and out-going call logs, sms text messages, mms text messages, e-mails, and data plan information for telephone number 575-447-7111. Refer to attachment 2 for a copy of the preservation letter faxed to Plateau Telecommunications Incorporated.

JOSE ROYBAL INTERVIEW-POJOAQUE POLICE DEPARTMENT

On Thursday, May 3, 2012, Sergeant McFaul and I went to the Pojoaque Tribal Police Department and held a voluntary interview with Jose Roybal. Present with Jose was his mother, Pamela Salazar. The purpose of the interview was to obtain consent from Pamela and Jose to get his DNA as a standard for comparison and elimination with evidence obtained at the crime scene. After a short interview with Jose, both he and his mother consented for us to obtain a DNA saliva sample from Jose. Jose and Pamela were explained the Biological Sample Waiver and both of them signed it, affording me the opportunity to obtain the sample from Jose. I removed two sterile applicators from their packaging and obtained one saliva swab from the inside of each oral cheek of Jose and placed them in the sterile envelopes and transported them to the Department of Public Safety Forensic Laboratory for processing. Refer to attachment 3 for a copy of the Biological Sample Waiver, Department of Public Safety Forensic Laboratory Evidence Receipt and the SP205 form for the buccal swabs.

NICHOLAS ORTIZ INTERVIEW-POJOAQUE POLICE DEPARTMENT

On Thursday, May 3, 2012, Sergeant McFaul and I held a voluntary interview with Nicholas Ortiz and his mother, Desiree Ortiz, at the Pojoaque Tribal Police Department. The purpose of the interview was to obtain consent from Desiree and Nicholas to get his DNA as a standard for comparison and elimination with evidence obtained at the crime scene. After a short interview with Nicholas, both he and his mother consented for us to obtain a DNA saliva sample from Nicholas. Desiree and Nicholas were explained the Biological Sample Waiver and both of them signed it, affording me the opportunity to obtain the sample from Jose. I removed two sterile applicators from their packaging and obtained one saliva swab from the inside of each oral cheek of Nicholas and placed them in the sterile envelopes and transported them to the Department of Public Safety Forensic Laboratory for processing. Refer to attachment 4 for a copy of the Biological Sample Waiver, Department of Public Safety Forensic Laboratory Evidence Receipt and the SP205 form for the buccal swabs.

On Thursday, May 17, 2012, Agent Clay Goret, New Mexico State Police Investigations Bureau, Las Vegas, NM, went to Harold Daniels's ranch in Wagon Mound to return the cellular telephone to him. Harold signed the Department of Public Safety Receipt and Release Form and regained possession of the telephone. No data was able to be extracted from the cellular telephone so there are no records produced as evidence. Refer to attachment 5 for a copy of the receipt and release form.

MARK ROYBAL INTERVIEW

On Thursday, May 17, 2012 at around 2:10 p.m., I conducted a voluntary interview at the New Mexico State Police Headquarters Office with Mark Roybal, family friend of the Rios family. Present during the interview was Sergeant Scott McFaul. Mark started the interview by saying he and Jesse Rios met approximately seven years ago because they both worked construction together at a company called Honeydew Home Repair, which was no longer in business. Shortly after they met, they became very close friends and spent a lot of their spare time together. Jesse and Mark would go fishing and hunting together. Mark said he met Lloyd and Dixie through Jesse and Cherie. Mark also said he had a very good relationship with Robert and Catalina Rios.

Mark said around the first week in July, he and his wife, Amy Roybal, would go camping with Jesse and Cherie and the kids. They would fish there for a few days and then Jesse and Cherie would go to Red River and meet up with Lloyd and Dixie for the Fourth of July. I asked Mark if they had made plans for July 2011 to go camping. He said money was tight with him and his wife, as well as Jesse and Cherie were having money issues, so they said to plan it and hopefully they would have enough money to do it. Mark believed that Lloyd and Dixie made the plans to go camping in July of 2011 because it was a yearly trip they would always plan.

I asked Mark to recall the weekend of the homicide. For Father's Day, he and his wife had plans to going to go to Jesse and Cherie's residence and have dinner with Lloyd and Dixie. Jesse was doing some tile work near his residence during the morning. Mark and Jesse then went together to Grace Gomez's residence to complete the tile job after Mark and Amy got there. Jesse and Mark returned to the Rios residence between 3:00 and 5:00 p.m. When they returned to Jesse and Cherie's, he remembered Robert and Catalina were not at the house. Cherie made the comment to them that she wondered where her parents, Lloyd and Dixie were at, stating they may have gone to the flea market in Albuquerque. Cherie told them she hadn't heard from her parents all morning. Mark thought she attempted to contact them by telephone without success.

Mark stated that in the late afternoon, Cherie looked over the fence between her residence and the Ortiz's residence and saw their vehicles were all there and the newspaper was still in the driveway. Shortly after, Robert came home and Cherie got the key to her parent's residence from him so she could go next door and take a look at the house. He said it was earlier in the evening when this occurred. She walked through the same fence she earlier looked through, towards the Ortiz's residence with the house key. Immediately after he heard a door slam, Cherie ran back in screaming someone had shot her parents. At that point, Jesse got up and went next door to see what was going on. Mark told his wife, who was six months pregnant at the time, to get his little girl and get in the truck so they could leave. Jesse ran back into his residence and told Mark they had been shot, that their faces were gone and that Steven was in the kitchen. Mark told his wife to get in the truck so they could get out of the area.

Mark said Cherie did not bring any food or anything else with her when she went over to the Ortiz residence. Nobody placed any food on any plates during the time that Cherie went next door. According to Mark, Cherie was gone between twenty and thirty seconds before she came back to her residence screaming. Cherie then grabbed the telephone and called 911. Since Mark's wife was pregnant, they left the Rios's residence and went home. The following morning, between 7:30 and 8:00 a.m., while Mark was at work, Jesse called him, crying, and told him "they killed them." Mark left work and drove to the Rios's residence and stayed there for a while. Mark brought Robert and Catalina to his residence so they would be safe with him. Robert and Catalina spent the night with Mark

for two nights and then he brought them back to Jesse and Cherie's the day after that. Mark went on to describe a conversation that he and Jesse had in reference to Saturday night, June 18. Sunday, when Mark and Amy arrived at the Rios's residence, he told Mark he didn't sleep so well on Saturday night. He told Mark that on Sunday morning around midnight, 1:00 or 2:00, the dogs were barking and going crazy so he got up and went outside. Approximately one or two hundred yards before Jesse's house on the County Road, he could hear people talking outside and observed a car. Jesse told him he recognized one of the voices and thought that maybe it was some young kids partying. Jesse told him at one point, the car started up and moved right past the turn to the Rios's residence. Jesse told him he got up and got into his truck. As he started his truck, the car started up, the headlights came on and the vehicle went around to the other side of the river. The vehicle went to the paved road, Evergreen, turned right and went across the bridge and turned right once again onto a different dirt road. Jesse described the car to him as a smaller silver car. Jesse told Mark he recognized the voice of the person talking and described the person as a younger male voice in which he was acquaintances with the boy's father.

I asked Mark what his opinion was in reference to the homicide. The only thing that Mark could think of was that someone was attempting to steal the marijuana plants growing in the back yard of the Ortiz's.

We asked Mark if there were any family problems or issues with the Rios's and Ortiz family. He stated there were days where they didn't want to see each other. Some days the relationship was great and other days they would be angry at each other. Lloyd would get mad if there was trash outside that he didn't like and told Jesse he needed to clean stuff up. If things didn't look how Lloyd wanted them to, he would get upset. He told us the family was getting along really good during the time of the homicide. This concluded the interview with Mark Roybal.

This interview was recorded. Refer to the case file for review.

AMY ROYBAL INTERVIEW

On Thursday, May 17, 2012 at around 4:30 p.m., I held a voluntary interview with Amy Roybal, wife of Mark Roybal, at the New Mexico State Police Headquarters office. Present during the interview was Sergeant McFaul.

Amy started the interview by saying she had known Jesse and Cherie for approximately seven years and they had met because Mark and Jesse were coworkers. She only met Lloyd a couple of times because he was always busy with their business and saw Dixie more than Lloyd. She said Mark would go over the Rios's more frequently than she did because she worked all the time at Pet Smart in Santa Fe.

I asked her to explain to me their family plans during the weekend of the homicide. She told us that she was pregnant during the time that Lloyd, Dixie and Steven were found dead. She said when they arrived at the Rios's residence on Sunday, Cherie had just finished cooking dinner and was getting a plate of food together to bring next door to Lloyd and Dixie. The plan was to have dinner at the Jesse and Cherie's residence. Mark and Amy got to the Rios's during the early evening hours on Father's Day. Amy said Robert and Catalina were at the residence but they were probably in the back room because she really didn't remember seeing them. She thought that Cherie brought the plate of food over to Lloyd and Dixie's residence and discovered Lloyd, Dixie and Steven

had been murdered. Cherie then began to scream and Jesse went out towards her. Amy and Mark left the Rios's residence and went home. Amy did not know what happened until the next morning.
Amy provided a similar statement as Mark did with no notable discrepancies. This concluded the interview with Amy Roybal.

This interview was recorded. Refer to the case file for review.

On Thursday, May 17, 2012 I went to the Santa Fe County Grand Jury at the First Judicial District Courthouse in Santa Fe, New Mexico in reference to obtaining subpoenas for records. Refer to attachment 6 for a copy of a Grand Jury Subpoena Duces Tecum, presented to the Grand Jury. This subpoena, presented by First Judicial Assistant District Attorney, Petra Schwartz, was presented so the cellular telephone records of the telephone belonging to Harold Daniels could be released to the New Mexico State Police. The records requested were for all incoming and outgoing telephone calls and text message details from (575)447-7111 during the date range from 4-26-2012 at 12:00 p.m. until 5-3-2012 at 12:00 p.m. The subpoena was approved and signed by Petra Schwartz and the Grand Jury Foreperson. On Friday, May 18, 2012, I called Plateau Wireless and they told me to fax a copy of the subpoena to Addison Foskey at Plateau Wireless, (575)389-1037.

Sergeant McFaul received information through an interview with Robert Rios that a female by the name of Javien Barros was the girlfriend of Jose Roybal. According to the information received by Sergeant McFaul, Javien was on the telephone with Jose Roybal during the commission of the homicide and said Jose was at the Ortiz residence while the homicide occurred. First Judicial Assistant District Attorney, Petra Schwartz, presented a subpoena to the Grand Jury to release the telephone records of the telephone belonging to Javien Barros or Sandy Quintana, mother of Javien, for the release of the records to the New Mexico State Police. The records requested were for all incoming and outgoing telephone calls and text message details from (505)795-0915 during the date range from 6-15-2011 at 12:00 p.m. until 6-25-2011 at 12:00 p.m. The subpoena was approved and signed by Petra Schwartz and the Grand Jury Foreperson. On Friday, May 18, 2012, I called Verizon Wireless and they told me to fax a copy of the subpoena to the Custodian of Records at 1-888-667-0028. The subpoena was faxed to the above mentioned department at 4:40 p.m., May 18, 2012. Refer to attachment 7 for a copy of a Grand Jury Subpoena Duces Tecum, presented to the Grand Jury.
On Thursday, May 17, 2012, while at the First Judicial District Courthouse, I was present while First Judicial Assistant District Attorney, Petra Schwartz, presented four subpoenas to the Grand Jury for bank records regarding this investigation. I requested bank records for the accounts of; Lloyd Ortiz, Dixie Ortiz, Ortiz Tile, Estate of Lloyd Ortiz, Jesse Rios, Cherie Ortiz-Rios, Kristofer Spinks and Angela Spinks for the time frame of January 2007 to the date on the subpoena, May 17, 2012. The financial institutions that I requested the information from were; US Bank, Wells Fargo, Zia Credit Union and Bank of America. On Friday, May 18, 2012, I delivered a copy of the subpoena to US Bank at 3787 Cerrillos Road, Santa Fe, New Mexico and served Beverly Chambers, Sales and Service Manager, with a copy of the subpoena. Refer to attachment 8 for a copy of the subpoena. After that, I went to the Wells Fargo Bank, 4384 Rodeo Road, Santa Fe, New Mexico and served Maxine Bransford, Service Manager, with a copy of the subpoena. 1001 Central Avenue, Los Alamos, New Mexico and served Natalia Tretiak, Vice President of Member Services, with a copy of the subpoena. Refer to attachment 11 for a copy of the subpoena.

On Wednesday, May 23, 2012, I received the information from Verizon Wireless regarding telephone number 505-795-0915. Refer to attachment 12 for a copy of the returned subpoena, text message detail and call detail. The information received from Verizon Wireless was placed on a CD and the original will be placed into the Santa Fe State Police Headquarters Evidence Vault. After reviewing the information, I determined there were numerous text messages sent and received from the telephone number 505-501-5544 during the approximate time frame of the homicide. I would need more information to confirm or deny the information that Javien was speaking with Jose during the homicide. I contacted A.D.A. Petra Schwartz and she told me she agreed I should draft a subpoena for subscriber information as well as for all incoming, outgoing, forwarded, replies, etc. for cell phone calls and SMS/MMS messages. This information was necessary to corroborate the story that Javien had contact with Jose, if this cellular telephone number returned to him or his parents. On May 23, 2012, I drafted a preservation letter to Sprint Corporate Security, owner of the telephone number 505-501-5544 and faxed them a copy of it, attention Custodian of Records.

On Thursday, May 24, 2012, I went to the First Judicial District Courthouse for Grand Jury subpoena presentation. TWO ADDITIONAL PICK AXES LOCATED IN EL RANCHO

On Friday, May 25, 2012, I received information from Lieutenant Ted Collins that a male in Espanola who wished to remain anonymous told Lou Mattei with the Rio Grande Sun Newspaper, he had information there were three suspects that participated in the homicide and he knew where the other two pick axes were that were used in the crime were at. Agent Joseph Schiel was contacted and asked to respond to #31 A-B Sandy Way, El Rancho, New Mexico to process the two pick axes. Sergeant Chris Valdez, New Mexico State Police Investigations Bureau (Espanola) went to the scene with other New Mexico State Police Agents and secured the area until Agent Schiel arrived on scene. For processing of the scene, refer to Agent Schiel's supplemental report. After I arrived on scene, Agent Schiel released the chain of custody of the two pick axes to me, which were wrapped in bags sealed with evidence tape, so I could transport them to the Department of Public Safety Forensic Laboratory in Santa Fe for examination for latent fingerprints and DNA. The two pick axes were relinquished to the NMDPS Forensic Laboratory at around 4:30 p.m. Refer to attachment 14 for a copy of the SP205 Evidence Property Control Form and the Department of Public Safety Forensic Laboratory Evidence Receipt.

I agreed with the extension and they faxed a confirmation letter to me containing the new compliance date. Refer to attachment 16 for a copy of the compliance letter.

On Thursday, June 7, 2012, I received a packet containing the requested subpoenaed information from Sprint Nextel Corporate Security. Inside of the packet contained a CD which contained call data. The information contained in the packet mentioned the telephone number 505-501-5544 belonged to the subscriber, Jose Roybal, RR5 Box 412B, Santa Fe, New Mexico, 87506. Based on the subscriber information, I viewed the CD enclosed in the packet. On the CD were numerous calls to and from the phone number that belonged to Javien Barros (505-795-0915). During the evening of June 18, 2011 around 9:00 p.m. until June 19, 2011 at 4:33 a.m. numerous calls were logged through Sprint. Three unidentified phone numbers appeared on the call log during those hours, which corroborated the time frame of the homicide. Based on Javien's previous statement about being on the phone with Jose during the homicide, subscriber information was necessary to identify the individuals Jose communicated with on the night of the homicide. The three numbers were; 505-913-9157, 505-412-9513, and 505-629-3405. These three telephone numbers were provided to the New Mexico State Police Criminal Analyst, Rosa Manning for further information. Also inside of the packet were documents including instructions for opening the CDs as each of them required a password for security purposes. The passwords were printed on separate pieces of paper, contained in the packet. Refer to attachment 18 for a copy of the paperwork received from US Bank. The original CD's will be placed in the evidence vault once disseminating copies are made. The information received from the US Bank will be included in a supplemental report once the information is reviewed. At this time, the CD's have not been opened nor have the financial records been investigated. The results of the financial institution investigation will be included in supplemental reports once the information is complete.

JOSE ROYBAL PHONE RECORDS

On Thursday, August 23, 2012, while reviewing cellular telephone records from Jose Roybal's Sprint/Nextel cellular telephone, I observed numerous telephone calls and texts both sent and received by Jose's telephone. I wrote down seven of the main telephone numbers observed during the estimated time frame of the homicide and provided them to the New Mexico State Police Investigations Bureau Investigative Analyst. I requested she assist me by providing as much subscriber information available. She returned me an

e-mail containing the information I requested from her. Refer to attachment 25 for a copy of the Microsoft Word document she forwarded to me.
On October 17, 2012, Officer Bryan Waller contacted me and told me he received a laboratory report from the New Mexico Department of Public Safety Forensic Laboratories regarding this investigation. He provided me with the laboratory report. The report provided a conclusion comparing shoeprints located at the crime scene on a door to photographs submitted to the crime lab. The results concluded there were no sufficient comparisons between the shoe prints and photos. Refer to attachment 26 for a copy of the laboratory report.

SANTA FE COUNTY SHERIFF'S OFFICE

On Wednesday, October 17, 2012 at around 3:00 p.m., Lieutenant William Pacheco, Santa Fe County Sheriff's Office contacted me and told me Detective David Jaramillo was with a female who wanted to provide information to law enforcement regarding the homicide of Lloyd, Dixie and Steven Ortiz. He said Detective Jaramillo, Santa Fe County Sheriff's Office, would contact me with the information she provided him with.

At around 3:20 p.m., Detective Jaramillo contacted me via department issued cellular telephone and told me Ashley Roybal had some intimate details regarding the evening of the homicide. Detective Jaramillo provided me with a briefing of the information she relayed to him. She told him around 3:10 a.m., on the morning of June 19, 2011, Nick Ortiz contacted her via cellular telephone and asked her to pick him up in a little while. She said Nick had a pattern that he would burglarize a residence and then contact her for a ride afterwards. Nick called her again around 3:45 a.m. and asked her to pick him up near Steven's house. She told Detective Jaramillo she picked him up in her gray Saturn passenger car, which she recently sold to Ace's Towing because it broke down on her.

Ashley said when she arrived to pick Nick up near the Ortiz residence, he was covered in blood and was wearing a black t-shirt, black jogging pants and black Nike brand shoes with a white Nike symbol on them. She noticed when Nick got into her vehicle, he had a white grocery bag tied around one of his feet. Between his foot and the plastic bag was some type of tissue. He told her he went into a house to rob the Ortiz's for twenty thousand dollars, which he had knowledge was inside of their residence. Nick told Ashley he had socks on his hands when he killed them. Ashley also told Detective Jaramillo that Jesse Rios's truck left his residence while she was there to pick up Nick. Nick also told Ashley he threw the pick axe in a yard.

I contacted New Mexico State Police Lieutenant Ted Collins and advised him of the situation and he assigned me to go to Santa Fe to interview Ashley. I left my residence and proceeded to the Santa Fe County Sheriff's Office.

ASHLEY ROYBAL INTERVIEW

At around 3:54 p.m., I interviewed Ashley Roybal at the Santa Fe County Sheriff's Office. Ashley was incarcerated at the Santa Fe County Adult Detention Center regarding unrelated burglary charges. She was under the custody of the Detectives of the Santa Fe County Sheriff's Office. Since Ashley was handcuffed during the interview, I read her the Miranda Rights and she agreed to speak with me. While I was introducing myself, at 1:51 into the video recording, Ashley interrupted me and said, "I know who did it." Again at 1:54 into the video recording, she said once again, "I know who did it." I

told Ashley I would allow her to explain the events surrounding the homicide and I would ask clarification questions as they arose.

Ashley started the interview by saying on Saturday, June 18, 2011 at around 3:00 a.m., Nick called her and told her he was going to need a ride. She told him to give her a call when he needed the ride and she would go pick him up. At around 3:45 a.m., he called her back and told her he needed her to go and pick him up over near Steven's house. Ashley told me when she got over by Steven's house, she called him on his cellular telephone and asked him where he was at. He told her he was running across the river. She drove to the opposite side of the river and picked him up. She said when she picked him up, he had blood all over his clothes and had a trash bag on one of his shoes. He told her later he had one trash bag on each foot but lost the other one he was wearing in the river. He also told her he had socks on each of his hands during the murders and threw them away before she picked him up on the other side of the river. In between his shoe and the trash bag, was tissue. She drove him to her residence, 7 Little Lous Avenue, El Rancho, NM, so he could take a shower and clean up. While he was in the shower, she could hear him crying. She said the shower he was using was upstairs and her bedroom was downstairs. She was in her bedroom while he was in the shower and could hear him crying from there. She went upstairs and knocked on the door and asked if he was ok and he told her "yea, just leave me the fuck alone, I just need to go home, I need to go home." She told him she would give him a ride and asked him what was going on. According to Ashley, he said to her "I fucked up, I fucked up." She asked him what was wrong and he replied to her he would be right out. She asked him if he was ok and he replied that he was and asked her to bring him to his residence. After he got out of the shower, he put the same bloody clothes back on. On the way to his house, he didn't say anything to her, instead, he just cried the whole way home. Just before 5:00 a.m., she dropped him off at his house, behind the car wash on State Road 502, Pojoaque, NM.

Nick called her the next day and told her he killed them with a pick axe. He never told her where he got the pick axe from but he did tell her he threw it after he killed the Ortiz's. Nick wasn't specific who "them" were but he kept stating "I killed them." According to her, he told her "not to fuckin say anything." Ashley said she took it as a threat and thought he would kill her. She was also in fear for her family and grandparents. During that same phone conversation, Nick told Ashley he intended to go and rob the Ortiz's for twenty-thousand dollars he knew was in a safe in the closet. Nick told her he had robbed the Ortiz's residence previously and stole one thousand dollars in one dollar bills, so he knew they had more money and was going back to get a bigger amount. Ashley also said Lloyd caught Nick when he was trying to rob them previously.

Ashley mentioned when she was parked near the Ortiz residence and called Nick, she saw Jesse Rios's Dodge truck leave his residence. She said he saw her car. Ashley described the vehicle she was driving as a gray two door Saturn passenger car. At the time, the vehicle was registered to her sister, Glenda Lujan. Ashley told me she sold her car to Ace's Towing, Pojoaque, NM, approximately three to four months ago because the motor quit working. She thought Ace's Towing probably crushed the vehicle. She told me she had not cleaned the interior of the vehicle since the night of the homicide. According to Ashley, she did not vacuum it nor scrub it clean. She stated "there could be" blood inside of the vehicle, but did not recall seeing any.

I asked Ashley to clarify the date and time Nick first called her requesting a ride. She said it was Sunday, June 19, 2011 when he first called her, not Saturday. She said

he was calm the first time he called her arranging the car ride. The second time he called, she said he sounded like he was panicking. She said the first conversation lasted approximately two minutes and her telephone number was 505-412-9513, which was still registered to her. She said Nick had the telephone number 505-692-3405 or 505-629-3405, either or. She couldn't remember if the number began with 692 or 629.
The second conversation with Nick was between thirty to forty-five minutes later. She said he sounded panicked, was crying, and told her to come pick him up right away. Ashley left her residence, travelled between four or five minutes, alone, to pick Nick up. Nick told her he was by Steven's residence and then hung up the telephone. When she arrived near Steven's, Nick wasn't there, so she said she drove past the Rios's residence, turned around, and parked near a tree on County Road 84A. She then attempted to call him, but his phone went to voicemail after he didn't answer. She called him back again and he answered and told her he was running across the river. She said when she was driving away from the tree she parked by, she saw Jesse's truck leave his residence. Ashley told me she had the vehicle's headlights on the entire time and never turned them off when she was by the Rios's residence. Ashley travelled on Co Rd 84A towards County Road 101E to pick up Nick. Once she reached Co Rd 101E, she turned right until she arrived at the intersection of County Road 84D. According to Ashley, she turned right onto Co Rd 84D and picked Nick up, directly across from the Rios's residence. After Nick got into the front passenger seat of her vehicle, she turned the vehicle around and went back towards her house.

Ashley told me she and Nick had four telephone conversations during the events. Ashley remembered Nick was wearing a black short sleeved t-shirt, black jogging style pants with a thin white line down the outside seam. She told me he was covered in blood and could see it on his black clothes, especially on his pants. She said he took the plastic bag off of his foot and threw it out the window by the river, prior to her turning around, but never saw him do it. She described the bag to be a white, plastic, grocery style bag. She described the shoes he was wearing to be black and white Nike's. The sides of the shoes were black and the soles were white. They were similar to Air Jordan's and high tops. She recognized the shoes on Nick's feet again when he and her cousin, Jose Roybal, called her from the Nambe Falls Gas Station, after they committed a burglary.

According to Ashley, Nick told her all three of the Ortiz's fought back. He told her he killed Lloyd first, Steven second in the kitchen, and Dixie third in the bedroom. She didn't believe what he told her because nobody had said anything about the homicide yet, nor had anything been on the news.
Ashley went on to describe that Nick was "twisted" and she had seen him do some weird stuff. She said Nick had done some mean stuff to animals in the past. She said he once tied a shoelace around a cat's neck, threw it up in the air, and then slammed it on the ground. Also, she said "he would stick firecrackers up their ass." Nick would also throw bricks at dogs.

She told me during the interview she would testify to the statements she told us about if we needed her to. Ashley said she started using heroin to cope with her emotions of knowing about the suspect in the homicide.

Ashley said a few months ago, she told her aunt, Bernadette Lujan, in a vehicle, she knew who killed the Ortiz family but did not provide her with any names.

Agent Gomez conducted the second portion of the interview. During his interview, Ashley

said while she was leaving her house and getting into the car with Nick to bring him home, Jose saw them. She said he opened the door to his house and was standing there in the doorway. She noticed he was fully dressed and the lights were on inside of the house. She said it was not common for Jose to be up at 3:00 a.m. According to Ashley, Jose was messed up on drugs and needed help because he was an addict. She said Jose had hurt her grandfather, his mother and her (Ashley) before. She said he would hit them with his fists. Ashley went to the hospital one time because he beat her up so badly. She said she thought Jose was capable of killing the Ortiz family but was unsure if he had anything to do with it. Moments later, she said she thought Jose had something to do with the homicide. She said when she left her residence to go pick up Nick, the lights were all off inside of Jose's house but when she returned to her house with Nick, all of the lights were on, which was not normal, according to her.

Agent Gomez asked her who else was there during the homicide and she responded by said Nick told her Jose was supposed to help but he "punked out." She said Nick told her Jose walked up to the house, got scared and left, on foot, back to his house. Nick went inside of the residence and did it himself. Based on Jose's temper, Ashley felt she thought Jose was involved. Ashley said when she went around the other side of the river to pick up Nick, he told her Jose punked out, he got scared and left. Ashley believed Jose didn't punk out, but rather he was inside the Ortiz residence with Nick during the homicide.

END OF INTERVIEW

This interview was recorded. Refer to the recordings for further details and exact wording.

ARROYO SEARCH NEAR ORTIZ RESIDENCE

On Thursday, October 18, 2012, I arranged for several New Mexico State Police Investigations Bureau Agents to assist with locating evidence in El Rancho. At 8:00 a.m., I briefed Lieutenant Collins, Sergeant McFaul, Agents Chris Rodriguez, Rafael Gomez, and Alvino Vigil. I assigned Sergeant McFaul and Agent Rodriguez to locate a manager or owner of Ace's Towing to find the gray Saturn and then to interview Bernadette Lujan in El Rancho. Sergeant McFaul and Agent Rodriguez were also assigned to locate Jesse and Cherie and collect the FBI questionnaire previously dropped off to them. I assigned Agents Gomez and Vigil to locate information on the vehicle such as; a VIN, plate information, or current registered owner. Agent Vigil was assigned to complete and FAX a preservation letter to Verizon requesting call log and text message details from June 19, 2011 to June 20, 2011 for the cellular telephones of Nick Ortiz and Ashley Roybal.

At 10:00 a.m. on the same morning, I briefed Agents, Paul Chavez, Clay Goret, Nicholas Carlson, Mark Alsfeld, and Ryan Boone. I told them we would be conducting a search of the arroyo adjacent to the Ortiz property attempting to locate the two socks, two white plastic bags from Nick's feet as well as any other evidence pertaining to the investigation. Agents were assigned to start underneath the bridge on County Road 101E and search east towards where County Road 84D intersects with the arroyo. Agent Chavez was assisting these Agents and would process any evidence located in or near the arroyo.

Refer to agents reports for details of their involvement with the investigation. Agents that did not locate or process any evidence will not be completing supplemental reports.

Their presence was noted in this report.

After Sergeant McFaul and Agent Rodriguez went to Ace's Towing, they gained knowledge that Ace's sold the vehicle to Gallegos Recycling in Espanola. Agent Joey Gallegos, New Mexico State Police Investigations Bureau, Espanola, was contacted to follow up on the location of the vehicle. Refer to Agent Gallegos's report for details of the location of the vehicle.

After the interview with Ashley, I looked into the cellular telephone records previously obtained of Jose Roybal's telephone number. On page 45 of 122 of the records, I observed one telephone call from Jose's phone to Ashley's phone on 6/19/11 at 3:22:35 a.m. The duration of the call was 24 seconds. Also, during the same timeframe, there were four texts sent to and from the telephone number that Ashley stated belonged to Nick. All of the texts occurred between 4:24:05 and 4:33:08.

INTERVIEW #2 WITH ASHLEY ROYBAL

On Friday, October 19, 2012, I faxed a letter to Warden Mark Gallegos, Santa Fe Adult Detention Center requesting to remove Ashley Roybal from their possession on Friday October 19, 2012 for approximately two hours for an interview. The Warden's assistant contacted me and advised me that the request had been approved. I asked her if I could pick Ashley up on Monday morning around 10:00 a.m. instead and she told me that my request had been approved. Refer to attachment 27 for a copy of the request sent to Warden Mark Gallegos.

On Monday, October 22, 2012, I went to the Santa Fe Adult Detention Center and signed custody of Ashley over to myself from the jail. I advised them I would return her within two to three hours. Booking Lieutenant Lopez was the supervisor who allowed me to obtain custody of her. I placed my handcuffs on Ashley in the booking area and transported her in my unmarked patrol unit with Agent Gomez to the New Mexico State Police Investigations Bureau office for an interview. The entire contact with Ashley was audio recorded. Ashley was not questioned regarding the homicide until I read her the Miranda Rights at the office. Once at the office, the handcuffs were removed from Ashley and her Miranda Rights were read to her. Ashley agreed to speak with me.

I started the interview by telling Ashley I knew she had more information regarding the investigation. I asked her to tell me the entire story again and not omit any details.

Ashley provided the same story to me one more time, except during this interview, she added several details.

The first new detail Ashley added was during the first conversation with Nick, when he was requesting a ride from her, she heard a noise in the background on the other end of the line, something similar to a cell phone ringing. She was unclear whether it was an incoming telephone call or a text message.

She said when she went around the river to pick Nick up, he told her Jose punked out and that he fucked up. Once they drove up to Ashley's residence, she saw Jose walking up the back road, Olive Lane, behind her house. Ashley asked him what he was doing and Jose replied, "nothing."
Jose turned to Nick and asked him "did you do it?"

Nick replied "yea" to Jose and said, "I fucked up, I fucked up bad and I didn't get the money."

Ashley asked them what they did and they replied to her "don't worry about it." Ashley then told Nick to go inside her house and take a shower. After Nick finished taking a shower, she told him to get dressed. Nick told her he was not going to put the bloody clothes back on, so she gave him some of her clothes to wear home. She gave him sweatpants and a t-shirt. He put her clothes on, put his clothes in a white trash bag and left the residence. He wore the same shoes from her residence to his house. As Ashley and Nick were getting in her car, she said Jose was standing in the doorway to his house. All of the lights were on in Jose's house while she was leaving. After she returned from dropping off Nick, all of the lights at Jose's were off.

Ashley drove Nick to the car wash in Pojoaque on State Road 502. He got out of her vehicle and ran to his house. According to Ashley, Nick called her the next day and said "I killed them, I fuckin killed them." She didn't believe him because nothing had been released on the news or anything yet. Later that night, the cops were everywhere. Approximately twenty minutes later, he called her and told her "you fuckin say anything, I'm not even joking, you know I ain't playing, they don't call me Dangerous for nothing." When Ashley asked him why he did it, he replied to her he went into their house to get the money and things got out of control. He told her he got Lloyd first, then Steven and then Dixie.
Ashley also said Jose called her around 3:30 or 3:45 a.m., close to the time that Nick called her. He told her he was walking and needed a ride. She told Jose she was picking up Nick. This conversation occurred around the same time that Ashley was arriving back at her residence. She thought they were up to no good robbing people. She said she didn't think Nick would kill the Ortiz's but she thought Jose, on the other hand, was capable of it because of the messed up life he had lived. According to Ashley, Jose's parents were alcoholics and he probably was too. She said he started using heroin and cocaine. Ashley described Jose to be "fucked up."

Ashley stated later on that day, Jose called her again and told her he went to help Nick but he punked out and got scared. He said he got to the house, got scared, turned around and walked away.
Ashley said Jose had a gun of Dixie and Lloyd's at his residence from a previous burglary. The rifle was a brown .22 caliber rifle, with an eighteen round magazine. She described the gun to be an older model gun. She said he got rid of the gun and did not have it anymore. According to Ashley, approximately two weeks after the homicide, at around 3:00 or 4:00 a.m., Jose was standing on his porch drunk, yelling, "If anybody says anything, I'm gonna fuckin take everybody out."

In the past, Ashley went over to Jose's residence, after Jose beat up his father, to find Jose's father passed out unconscious on the floor with his head split open, covered in blood. She said she dragged him to her grandmother's residence. After that, Jose told Ashley she was next.
Ashley said Nick and Jose were the only two that were involved in the homicide that she was aware of.

I asked Ashley again how Nick and Jose got to the Ortiz residence prior to the homicide. She told me she gave the both of them a ride to the bridge near the Ortiz residence, on County Road 101E. Ashley clarified the scenario for me as to how she brought Nick and Jose to the bridge. She said Nick called her and told her he was going to need a ride

later on in the evening. Nick then went to Jose's and met up with him prior to going to Ashley's. Both Nick and Jose walked into Ashley's house together. They walked upstairs to Ashley's bedroom and told her they needed money so they were going to hit a house (burglarize). They asked her if she could bring them to the bridge on County Road 101E. She could not remember what Jose was wearing but described Nick's clothing exactly as she had done previously in the last interview. Ashley said Nick or Jose did not have anything with them as they got out of her vehicle. She brought them straight to the bridge and she went straight home.

While Ashley was at home, she received a telephone call from Jose telling her that he was walking and he didn't know where Nick was at. Ashley told me while she was on the phone with Jose, Nick called her. She switched lines over to Nick and he told her to pick him up over by Steven's.
I asked Ashley if it was common for them to burglarize a residence with plastic bags on their feet and she said it was not and she had not ever seen Nick or Jose wear plastic bags during a burglary.
Ashley told me she provided Nick with sweatpants and t-shirt, which he never returned to her. She described the sweatpants as a size large or extra large, men's black Hanes brand with front pockets. The bottoms of the pant legs had elastic, as well as the waist band. The sweatpants were faded from being old, according to Ashley. Also, the pants had a drawstring, which had four or five knots tied in them by Ashley. The string is one big loop and the knots are tied near the body. The shirt she gave Nick was a plain white men's medium shirt that was in new condition. Ashley said she had never been to Nick's house and had never given him those two items in the past. She also said she gave him a pair of her white no show style socks.

END OF INTERVIEW

This interview was recorded. Refer to the recordings for further details and exact wording.

SEARCH WARRANTS FOR ASHLEY ROYBAL AND NICK ORTIZ PHONE RECORDS

On Tuesday, October 23, 2012, I drafted up search warrants for the telephone records for Ashley Roybal and Nick Ortiz, both Verizon Wireless subscribers. The warrants were sent to Chief Deputy District Attorney, Petra Schwartz, for approval. After the search warrants were approved, I faxed them over to the subpoena compliance section, custodian of records, at Verizon Wireless on Thursday, October 25, 2012. Refer to attachment 28 for a copy of the search warrants.

ACE'S TOWING WITH PRC

On Monday, October 29, 2012, I, Agent Gomez, Rodriguez and Boone went to Ace's Towing to speak with them about additional paperwork needed from them regarding the sale of the vehicle. Also present with us was; Paul Montoya, Transportation Division Investigations Unit Manager, Public Regulation Commission and Ryan Jimenez, Transportation Division Detective and Criminal Investigator, Public Regulation Commission. Upon arrival to the business, a male identified as George Luna was outside and approached us. I told him I was there because I needed to be pointed in the direction of the gray Saturn. He told me the car was there at Ace's Towing, letters were sent out and the people responded to the letters. The vehicle then sat at Ace's Towing for forty-four days and then went to the scrap yard. He said Ashley surrendered the car to his son, David Luna. He said the

Saturn was brought to Gallegos Recycling by means of a tow truck and brought there as a whole vehicle. I asked George where the receipt was for bringing the vehicle to Gallegos Recycling and he said I needed to talk to David.

George took us inside of the Ace's Towing to show us the files they kept in regards to the above described vehicle. George said on one of the forms, he used the business name Una Towing because he was going to open another business in that name. Instead of naming the company Una Towing, they decided to change it to Champ's. George said he did not keep paper copies of the Samba records but saved them on his computer's hard drive instead. Samba was a program provided to tow truck business owners to verify the registered owner(s) of the vehicle. George was unable to retrieve the Samba file on his computer and he said it would be on a compact disc but was unable to provide me with that documentation as well. I told George to contact me once he located the documents I requested from him. I provided him with my business card so he could contact me. Ultimately, as of Friday, November 9, 2012, George had not attempted to contact me in reference to the files he was supposed to produce.

This interview was recorded. Refer to the audio files for further details and exact wording.
This report will be continued on the next supplemental report by Agent Kraig Bobnock.

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and

impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that

the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that

subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that

the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

(505) 827-5000

TO BE PRINTED ON EACH SUBPOENA

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection

has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection

has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

Dear Kraig Babnock:

This letter is to acknowledge receipt of the preservation request submitted on 5/23/2012 4:20:00 PM for stored content.

Please be advised, the retention of stored content is different for Sprint and Nextel handsets.

The following information **is not available for Sprint phones**: Email records, Text Message content.

Your request includes information for 5055015544, **a Sprint phone number.** Please note, a thorough search has been completed and the following information was available, and has been preserved in response to your request:

_X_ Call Detail Records/Direct Connect Detail (if available)
_X_ Subscriber Information
___ Stored Picture Mail

For Stored Picture Mail, dates vary depending on picture category (i.e.: uploads, sent, saved, inbox and albums). Due to the variables involved in Sprint Picture Mail service, we are unable to determine dates associated with pictures. Please include the verbiage, "any and all preserved Sprint Picture Mail" on your Search Warrant or Court Order (including probable cause) for production.

If you requested one of the above listed items, and you do not see a check mark beside that item, it means there were no records found for that item during the requested time period.

*** In order for us to provide information or records, please remember to**

send a request indicating your authorized date range. To avoid delayed compliance in the future, please include a date range on any and all future requests, including requests for subscriber information.

Pursuant to 18 U.S.C § 2703 (a), we must have a search warrant or court order with a probable cause statement signed by a judge in order to release any content of stored communications. Once records have been preserved, the request is considered fulfilled. Sprint will not preserve stored content on a daily basis. If you would like records to be preserved for future dates, please submit a new preservation request.

Sincerely,

If your request includes subscriber information, call detail records, or cell site information, please note, all available records have been preserved. As a regular business practice, Sprint Nextel only stores incoming digits and cell site information on its CDMA and iDEN networks for a finite period of time in an "online" call detail record (hereinafter, "CDR") archive. For the CDMA network (formerly known as the Sprint PCS network), we are able to provide CDR information for approximately the most recent 18-24 months. For the iDEN network, (formerly known as the Nextel network), those records are kept for approximately 18-24 months from the date of processing. Prior to these time periods, Sprint Nextel maintains CDR only in the format of customer bills, which provide the date and time of an incoming call, but not the incoming digits or location information.

TO BE PRINTED ON EACH SUBPOENA

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

IMPORTANT CONTRACT OF ARBITRATION

The following Arbitration provisions significantly affect Applicant's, Co-Applicant's or Guarantor's ("I/we") rights in any dispute with Dealer, DaimlerChrysler Financial Services Americas LLC, DCFS Trust and any finance company, bank, or other financial institution to which the Dealer or DaimlerChrysler Financial Services Americas LLC submits Applicant's application ("you" or "your"). Please read this carefully before signing the Application/Contract of Arbitration.

For purposes of the Arbitration provisions, the term "us" refers to the Applicant, Co-Applicant or Guarantor, and Dealer, DaimlerChrysler Financial Services Americas LLC, DCFS Trust and any finance company, bank, or other financial institution to which the Dealer or DaimlerChrysler Financial Services Americas LLC submits Applicant's application.

1. If either of us chooses, any dispute between us will be decided by arbitration and not in court.

2. If a dispute is arbitrated, each of us will give up the right to a trial by a court or a jury trial.

3. I/we agree to give up any right I/we may have to bring a class-action lawsuit or class arbitration, or to participate in either as a claimant, and I/we agree to give up any right I/we may have to consolidate my arbitration with the arbitration of others.

4. The information that can be obtained in discovery from each other or from third persons in an arbitration is generally more limited than in a lawsuit.

5. Other rights that each of us would have in court may not be available in arbitration.

6. Any claim or dispute, whether in contract, tort or otherwise (including any dispute over the interpretation, scope, or validity of this Contract of Arbitration or the arbitrability of any issue), between us or our employees, agents, successors or assigns, which arise out of or relate to this Application, an installment sale contract or lease agreement, or any resulting transaction or relationship (including any such relationship with third parties who do not sign this Application and Contract of Arbitration) shall, at the election of either of us (or the election of any such third party), be resolved by a neutral, binding arbitration and not by a court action. Whoever first demands arbitration may choose to proceed under the applicable rules of the American Arbitration Association, or its successor, which may be obtained by mail from the American Arbitration Association, Attn: Customer Service Department, 335 Madison Ave., 10th Floor, NY, NY 10017-4605 or on the Internet at http://www.adr.org/, or the applicable rules of the National Arbitration Forum, or its successor, which may be obtained by mail from The Forum, P.O. Box 50191, Minneapolis, Minnesota 55405-0191, or on the Internet at http://www.arbitration-forum.com.

7. Whichever rules are chosen, the arbitrator shall be an attorney or retired judge and shall be selected in accordance with the applicable rules. The arbitrator shall apply the law in deciding the dispute. Unless the applicable rules require otherwise, the arbitration award shall be issued without a written opinion. The arbitration hearing shall be conducted in the federal district in which I/we reside. If I/we demand arbitration first, I/we will pay the initial arbitration filing fees or case management fees required by the applicable rules up to $125, and you will pay any additional initial filing fee or case management fee. You will pay the whole filing fee or case management fee if you demand arbitration first. You will pay the arbitration costs and fees for the first day of arbitration, up to a maximum of eight hours. The arbitrator shall decide who shall pay any additional costs and fees. Nothing in this paragraph shall prevent either party from requesting that the applicable arbitration entity reduce or waive the fees I/we are required to pay, or that you voluntarily pay an additional share of said fees, based upon the financial circumstances of any party or the nature of the claim.

8. This Application and Contract of Arbitration evidences a transaction involving interstate commerce. Any arbitration under this Application and Contract Arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. 1, et seq). Judgment upon the award rendered may be entered in any court having jurisdiction.

9. Notwithstanding this provision, both you and your successors and assignees retain the right to exercise self-help remedies and to seek provisional remedies from a court, pending final determination of the dispute by the arbitrator. Neither of us waive the right to arbitrate by exercising self-help remedies, filing suit, or seeking or obtaining provisional remedies from a court. If any provision of this arbitration agreement is found to be unenforceable or invalid, that provision shall be severed and the remaining provisions shall be given full effect as if the severed provision had not been included.

10. If any clause within this Arbitration section, other than clause 3 or any similar provision dealing with class action, class arbitration or consolidation, is found to be illegal or unenforceable, that clause will be severed from this Arbitration section, and the remainder of this Arbitration section will be given full force and effect. If any part of clause 3 or any similar provision dealing with class action, class arbitration or consolidation is found to be illegal or unenforceable, then this entire Arbitration section will be severed and the remaining provisions of this application shall be given full force and effect as if the Arbitration section of this contract had not been included in this application.

In any such event, you must submit immediately to the Selling Dealer in writing the following: the agreement number, vehicle identification number, current mileage, the make and model of the vehicle, and evidence of current ownership of the covered vehicle. In determining the amount of any refund, the purchase price of the agreement shall be multiplied by the fraction obtained by dividing the number of months this agreement has been in effect since the time of sale by the difference between the maximum number of months covered under this agreement and the number of months the vehicle was in service since the agreement sale date. The difference between the number so obtained and the price of this agreement, less a Cancellation Fee (as determined below), shall be refunded to you and/or the lienholder. In the event of repossession or total loss, the lienholder will be the sole payee. If this agreement is canceled within thirty (30) days (sixty (60) days for California residents) of your purchase of this agreement (the Initial Period) and no claims have been made under the agreement, the amount of the refund shall be equal to the full amount paid for this agreement. After the Initial Period, or if a claim has been made under this agreement, the amount of the refund shall be a pro rata share of the selling price of the agreement as determined above or the selling price less the retail value of all services performed under this agreement, whichever is less. However, if you cancel the agreement during the Initial Period, no Cancellation Fee will be charged. Solely for the purposes of determining the pro-rata refund under this section, the maximum number of months covered by this agreement shall be sixty (60) months.

CANCELLATION FEE: The Cancellation Fee is $50.00 ($25.00 for California residents).

LOSS DOCUMENT PROCEDURES: In the event of a Constructive Total Loss, you must notify and provide all of the following to **The One GAP Administrator** (at the address shown above): (1) a complete copy of the primary insurance settlement, including the valuation report; (2) a copy of the original Financing Contract and this addendum; (3) a copy of the accident/police report; (4) a copy of your automobile insurance policy; (5) a copy of the payoff from the dealer/assignee as of the Date of Loss; (6) a copy of the insurance settlement check; and (7) any additional reasonable documentation requested by our GAP administrator or us. The GAP Administrator will not obtain this information for you.

TERMINATION OF ADDENDUM: This addendum will terminate on the date that any of the following events occur: (1) the date your Financing Contract is scheduled to terminate; (2) upon payment in full of the Financing Contract; (3) upon the sale of the Covered Vehicle; (4) expiration of any redemption period following the repossession or surrender of the Covered Vehicle; (5) in the event of a Constructive Total Loss or theft of the Covered Vehicle; or (6) the date the Financing Contract is prepaid or the Financing Contract is refinanced. It is your responsibility to notify the dealer/creditor, in writing, of your request to cancel this coverage and to request a refund/credit of the GAP charges.

DEFINITIONS

Actual Cash Value (ACV) – The retail value of the Covered Vehicle, on the Date of Loss, as listed in the National Automobile Dealers Association (NADA) guide book or such other guide or valuation tool predominantly used in the region in which the Covered Vehicle is principally garaged. For a Covered Vehicle which has no retail value available, or is located in territories where NADA or an equivalent national or regional guide is not customarily used, ACV will be determined using the best information available to our GAP administrator, or which GAP administrator reasonably believes accurately reflects the retail value of the Covered Vehicle.
Customer/Borrower (I, you or your) – The person(s) named in the Financing Contract from the dealer/creditor or assignee.
Constructive Total Loss – A direct and accidental loss of or damage of Covered Vehicle, which meets one of these criteria: (1) the total cost to repair the Covered Vehicle is greater than the ACV of the Covered Vehicle immediately prior to the Date of Loss; or (2) the Covered Vehicle is stolen and is not recovered within 30 days from the date a police report was filed, and your Primary Carrier declares the Covered Vehicle a total loss. If the Covered Vehicle is damaged and there is no primary insurance coverage, the Covered Vehicle must be available for the GAP Administrator's inspection or appraisal to determine if the Covered Vehicle is a Constructive Total Loss. If the Covered Vehicle is not available, the claim will not be paid.
Commercial Vehicle - Any vehicle in excess of 10,000 lbs, and/or used for commercial purposes including but not limited to: (1) transportation of persons or property for hire, compensation, profit, or in the furtherance of a commercial enterprise, (2) having a business name permanently displayed on the vehicle; or (3) the primary insurance for the vehicle is a Business Auto Policy or Commercial Vehicle Policy. Trailers, special commercial usage optional equipment, accessories, and body components are excluded from coverage. Share-the-expense car pools are not considered a commercial purpose.
Covered Vehicle– A four-wheel private passenger automobile, van, or light truck, as described in the Financing Contract, utilized for personal purposes. This definition is subject to the **Limitations** and **Exclusions** set forth in this addendum.
Date of Loss - The date on which Covered Vehicle is reported stolen or incurs physical damage that is severe enough to constitute a Constructive Total Loss.
Delinquent Payment - Any payment, as described in the Financing Contract, which remains unpaid for a period of more than 30 days after the due date stated in the Financing Contract. The Delinquent Payment will be determined as of and limited to amounts past due on the Date of Loss.
Financing Contract –The contract which represents the financing agreement between dealer/creditor or the assignee and customer/borrower for the purchase or lease of the Covered Vehicle, and which explains the terms, conditions, inception date, and expiration date of the financing agreement.
Maximum Eligibility Limit – The actual Manufacturer's Suggested Retail Price (MSRP) for new vehicles or the National Automotive Dealers Association (NADA) retail value for used vehicles multiplied by the Maximum Eligibility Limit percentage stated in the schedule on the reverse side.
Net Payoff – The unpaid balance of the dealer/assignee's interest in the Financing Contract as of the Date of Loss; as reduced according to the original payment schedule of the Financing Contract, and as adjusted due to the **Limitations** and **Exclusions.** The Net Payoff amount also does not include any unearned interest; Financing Contract charges; late charges; any Delinquent Payments; uncollected service charges; refundable prepaid taxes and fees; disposition fees; termination fees; penalty fees; the recoverable portion of financed insurance charges; or the recoverable portion of financed amounts for unearned insurance premiums or refundable charges (including, but not limited to credit life, vehicle service coverages/warranties and guaranteed automobile protection charges) that are owed by you on the Date of Loss; and amounts that are added to the Financing Contract balance after the inception date of the Financing Contract.
Payable Loss - The difference between the Net Payoff and the greater of: (1) the Primary Carrier settlement; or (2) 90% of ACV of the Covered Vehicle on the Date of Loss. The Payable Loss will not exceed $50,000. Payable Loss includes the amount of your physical damage deductible on the Primary Carrier's policy up to $1,000. In the event that there is no Primary Carrier coverage in effect on the Date of Loss, or if the Primary Carrier is declared insolvent, we will pay the difference between the Net Payoff as of the Date of Loss and the ACV..
Primary Carrier – The insurance company that is selected by the customer/borrower to provide physical damage coverage on the vehicle or provides liability coverage to any person who has caused your vehicle to incur a Constructive Total Loss.
Self-financed – A Financing Contract that is funded and retained by the dealer/creditor or an affiliate.

CONDITIONS

Exclusions – This addendum will not provide coverage for loss:
1. Resulting from losses occurring prior to the effective date of this addendum.
2. Resulting from confiscation of Covered Vehicle by a government body or public official.
3. Caused by theft, unless customer/borrower or dealer/creditor/assignee files a police report.
4. Resulting from being operated, used, or maintained in any race, speed contest, or other contest.
5. To a Covered Vehicle held as security under any wholesale, floor plan, field warehouse, or any type of financing to a dealership.
6. To the following vehicles which are excluded from coverage: Daewoo, Bentley, Lamborghini, Lotus, Maserrati, Ferrari, Rolls Royce, Yugo, Aston Martin, RV's, boats, ATV's, snowmobiles, motorcycles, trailers and commercial vehicles.
7. Attributable to other than the standard or optional equipment available from the manufacturer or dealer, including but not limited to: special carpeting, furniture, bars, audio, video, or data equipment, cooking and sleeping facilities, customized paint, or any equipment installed to overcome a physical handicap. Factory approved conversion packages and dealer installed options usually included in used car value guidebooks are not excluded.
8. Occurring after Covered Vehicle has been repossessed by the dealer or assignee or placed in the dealer/assignee's possession or in possession of the dealer/assignee's employees or agents.
9. For any amounts deducted from the Primary Carrier's settlement due to unpaid insurance premiums, towing or storage
10. To a Covered Vehicle with a salvage or rebuilt title at the time of sale or for which title has been changed or re-issued as salvage or rebuilt prior to the Date of Loss.

Arbitration – The following provision shall apply only if the Financing Contract does not contain an arbitration provision: It is understood and agreed that the transaction evidenced by this addendum takes place in and substantially affects interstate commerce. Any controversy or dispute arising out of or relating in any way to this addendum or the sale of this addendum, including for recovery of any claim under this addendum including the applicability of this arbitration clause and the validity of this addendum shall be resolved by neutral binding arbitration on an individual basis without resort to any form of class action or any other collective or representative proceeding by the American Arbitration Association (AAA), under the Commercial Arbitration Rules in effect at the time the claim is filed. All preliminary issues of arbitration will be decided by the arbitrator.
1. The arbitration shall take place in the county of residence of the customer/borrower unless another location is mutually agreed upon by the parties. The arbitration shall take place before a single arbitrator selected in accordance with the AAA Commercial Arbitration Rules. AAA rules and forms may be obtained and all claims shall be filed at www.adr.org. or at any AAA office.
2. The cost of the arbitration shall be borne by us except that each party must bear the cost of filing and the cost of its own attorneys, experts and witness fees and expenses. You may seek a waiver of the filing fee under the applicable AAA rules. If the arbitrator holds that a party has raised a dispute without substantial justification, the arbitrator shall have the authority to order that the cost of the arbitration proceedings be borne by the other party.
3. It is understood and agreed that the arbitration shall be binding upon the parties, that the parties are waiving their right to seek remedies in court, including the right to a jury trial. You will not be able to participate as a representative or member of any class of claimants. An arbitration award may not be set aside in later litigation except upon the limited circumstances set forth in the Federal Arbitration Act. An award in arbitration will be enforceable under the Federal Arbitration Act by any court having jurisdiction.
4. All statutes of limitations that would otherwise be applicable shall apply to any arbitration proceedings.

If any portion of this arbitration provision is deemed invalid or unenforceable, the remaining portions of this arbitration provision shall nevertheless remain valid and in force.
Fraud and Misrepresentation - This addendum is issued in reliance upon the truth of all representations made by you. We will not pay a claim as to any Financing Contract where you: (1) Intentionally concealed or misrepresented any material fact; (2) Engaged in fraudulent conduct; or (3) Made a false statement relating to submitting a claim. If you have concealed or misrepresented any material fact(s) concerning this coverage, or in case of fraud, attempted fraud, or the false swearing affecting any matter relating to this coverage, whether before or after Payable Loss, this addendum may be voided and all charges will be returned, less a $35.00 processing fee.

OTHER IMPORTANT AGREEMENTS

1. ***FINANCE CHARGE AND PAYMENTS***
   a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount *Financed*.
   b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.
   c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the *final scheduled payment* is due.
   d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. *If you do so, you must pay the earned* and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

2. **YOUR OTHER PROMISES TO US**
   a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.
   b. ***Using the vehicle.*** *You agree not to remove* the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to *expose* the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.
   c. **Security Interest.**
      You give us a security interest in:
      - The vehicle and all parts or goods put on it;
      - All money or goods received (proceeds) for the vehicle;
      - All insurance, maintenance, service, or other contracts we finance for you; and
      - All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

      This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You *will make sure the title shows our security interest* (lien) in the vehicle.
   d. **Insurance you must have on the vehicle.**
      You agree to have physical damage insurance *covering loss of or damage to the vehicle for the term* of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we *decide to buy physical damage insurance*, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium of the insurance and a finance charge equal to the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.
   e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. **IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES**
   a. **You may owe late charges.** You will pay a late charge on each late payment as shown on the front. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments.
      If you pay late, we may also take the steps described *below*.
   b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
      - You do not pay any payment on time;
      - You start a proceeding in bankruptcy or one is started against you or your property; or
      - You break any agreements in this contract.

      The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.
   c. **You may have to pay collection costs.** If we hire an attorney who is not our salaried employee to collect what you owe, you will pay the attorney's reasonable fee and court costs the law permits. The maximum attorney's fee you will pay will be 15% of the amount you owe.
   d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. *If you do not ask for these items* back, we may dispose of them as the law allows.
   e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may pay to get it back (redeem). *We will tell you how much to pay to redeem. Your right* to redeem ends when we sell the vehicle.
   f. **We will sell the vehicle if you do not get it back.** If you do not redeem, we will sell the vehicle. We will send you a *written notice of sale before selling* the vehicle.
      We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.
   g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we repossess the vehicle, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to *reduce what you* owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to *reduce what you owe.*

4. **WARRANTIES SELLER DISCLAIMS**
   If the vehicle you purchased is a new vehicle, unless *the Seller makes a written warranty*, or enters into a service contract within 90 days from the date of this contract, the Seller makes no warranties, express or implied, on the vehicle, and there will be no implied *warranties of merchantability or fitness for a particular purpose.*
   If the vehicle you purchased is a used vehicle, unless the Seller makes a written warranty, or enters into a service contract within 90 days from the date of this contract, the Seller makes no express warranties on the vehicle, and there will be no implied warranties of fitness for a particular purpose. The vehicle is subject to an implied warranty of merchantability, but only to the extent required by New Mexico law. The implied warranty of merchantability expires at midnight of the 15th calendar day after delivery of the vehicle or until the vehicle is driven 500 miles after delivery, whichever is earlier. This implied warranty of merchantability does not extend to damage that occurs after the sale that results from: (1) off-road use; (2) racing; (3) towing; (4) abuse; (5) misuse; (6) neglect; (7) failure to perform regular maintenance; and (8) failure to *maintain* adequate oil, coolant and other required fluids or lubricants.
   The above provisions do not affect any warranties covering *the vehicle that the vehicle manufacturer may provide.*

5. **Used Car Buyers Guide. The information you see on the window form for this vehicle is part of this contract. *Information on the window form overrides* any contrary provisions in the contract of sale.**

b. How we will apply payments. We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.

c. How late payments or early payments change what you must pay. We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. 2. YOUR OTHER PROMISES TO US

a. If the vehicle is damaged, destroyed, or missing. You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.

b. Using the vehicle. You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.

c. Security Interest.
You give us a security interest in:
- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service, or other contracts we finance for you; and

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle.

d. Insurance you must have on the vehicle.
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium of the insurance and a finance charge equal to the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. 3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

a. You may owe late charges. You will pay a late charge on each late payment as shown on the front. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments.
If you pay late, we may also take the steps described below.

b. You may have to pay all you owe at once. If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
- You do not pay any payment on time;
- You start a proceeding in bankruptcy or one is started against you or your property; or
- You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. You may have to pay collection costs. If we hire an attorney who is not our salaried employee to collect what you owe, you will pay the attorney's reasonable fee and court costs the law permits. The maximum attorney's fee you will pay will be 15% of the amount you owe.

d. We may take the vehicle from you. If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

e. How you can get the vehicle back if we take it. If we repossess the vehicle, you may pay to get it back (redeem). We will tell you how much to pay to redeem. Your right to redeem ends when we sell the vehicle.

f. We will sell the vehicle if you do not get it back. If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.

g. What we may do about optional insurance, maintenance, service, or other contracts. This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we repossess the vehicle, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

4. WARRANTIES SELLER DISCLAIMS

If the vehicle you purchased is a new vehicle, unless the Seller makes a written warranty, or enters into a service contract within 90 days from the date of this contract, the Seller makes no warranties, express or implied, on the vehicle, and there will be no implied warranties of merchantability or fitness for a particular purpose.

The above provisions do not affect any warranties covering the vehicle that the vehicle manufacturer may provide.

...SS PROTECTION ADDENDUM: Although You are not required to do so, You and the Dealer hereby agree to amend the Retail Installment Sales Contract/Lease Agreement for the vehicle referenced herein dated the date hereof.

DEFINITIONS:

Amount Owed means the net payoff as of the date of loss according to the original payment schedule of the Retail Installment Sales Contract/Lease Agreement, and does not include:

- Any refund made or due for service contracts, prepaid maintenance plans, credit insurance or similar items.
- Any missed payments, payment extensions, accrued interest, late fees or other fees assessed on Your Retail Installment Sales Contract or Lease Agreement.
- Any disposition fees, penalty fees, early termination fees or any other fees charged in connection with the termination of Your Retail Installment Sales Contract or Lease Agreement.
- Any finance or other charges incurred after the date of loss.
- Any item which was added to the initial Retail Installment Sales Contract or Lease Agreement balance after the initial inception date.
- Any amounts not reimbursed by Your Primary Insurance Company, including but not limited to: prior damage not related to the Total Loss, condition adjustments, excess towing and storage fees, aftermarket products/accessories and/or reconditioning fees.

Actual Cash Value: If You select the "GAP" option, Actual Cash Value means the total loss payment including the value of salvage retained by You and sales tax paid or payable plus Your insurance company deductible, if charged. If You selected the "GPP" option, Actual Cash Value means the total loss payment including the value of salvage retained by You and sales tax paid or payable, plus any portion of the insurance deductible that exceeds $1,000, if charged. If physical damage coverage is not maintained for the full coverage of the vehicle, the N.A.D.A. value will be used as the "Actual Cash Value" for both "GAP" or "GPP" option. If the total loss payment by the insurer is less than 90% of the N.A.D.A. value of the vehicle as of the date of loss, 90% of the N.A.D.A. value will be used as the "Actual Cash Value" for both the "GAP" or "GPP" option.

N.A.D.A. means the N.A.D.A. Official Used Car Guide, or at the sole discretion of the Program Administrator, another market retail valuation method when the N.A.D.A. Official Used Car Guide vehicle valuation is unavailable.

Date of Loss: The date on which the subject Vehicle is reported stolen or incurs physical damage that is severe enough to constitute a total loss.

Total Loss means the unrecovered theft of, or accidental damage to, Your Vehicle which meets one of the following criteria; (1) Your Vehicle is declared a Total Loss by Your Primary Insurance carrier; (2) no insurance exists and a vehicle inspection service selected by the Program Administrator determines that the total cost to repair Your Vehicle is greater than or equal to its Actual Cash Value as determined using N.A.D.A. as of the date Your Vehicle was damaged; or (3) Your Vehicle has been stolen and not recovered after a minimum period of thirty (30) days from the date of the police report. You expressly authorize a vehicle inspection service selected by the Program Administrator to inspect the Vehicle to determine whether there has been a total loss.

In the event of a **Total Loss,** this **Addendum** shall terminate, and all amounts paid by You for this **Addendum** shall be retained in full by Dealer/Financial Institution. However, in lieu of a waiver benefit, You may submit a written request to the Dealer for a pro rata refund of the enrollment charge. Such refund request will be processed in the manner set forth on the front of this **Addendum** for cancellations. You shall not be entitled to both a waiver benefit and a pro-rata refund.

EXPIRATION: This **Addendum** expires on the earliest date that any of the following events occur: (1) the original date Your Retail Installment Sales Contract/Lease Agreement is scheduled to end; (2) upon payment in full of the Retail Installment Sales Contract/Lease Agreement; (3) expiration of the redemption period following the repossession or surrender of the subject Vehicle; (4) the date the Retail Installment Sales Contract/Lease Agreement is refinanced. If the **Addendum** expires prior to the original date Your Retail Installment Sales Contract/Lease Agreement is scheduled to end, a pro-rata refund may be available. **In order to receive a refund You must submit a written request to the Dealer within sixty (60) days after Expiration. You are not entitled to a refund if one is not requested within sixty (60) days after Expiration.**

SCOPE: The maximum amount of the waiver set forth in this **Addendum** is $25,000 per vehicle.

OVERFINANCING: The waiver does not include any amount financed in excess of 120% of: (1) Manufacturer's Suggested Retail Price for new vehicles; or (2) N.A.D.A. average retail value for used vehicles at the inception date of the Retail Installment Sales Contract/Lease Agreement. The amount financed in excess of 120% at the inception date of the Retail Installment Sales Contract/Lease Agreement will be deducted from the waiver amount.

GAP: You are responsible for the entire amount of Your Insurance Company deductible.

GPP: You are responsible for the amount of Your Insurance Company deductible that exceeds $1,000. If there is no balance waived because the Actual Cash Value of Your vehicle exceeds the Amount Owed, You will be responsible for Your entire deductible.

This **Addendum** will not apply in the event of a Total Loss to the vehicle if You choose to accept a substitute vehicle and continue Your regular Retail Installment Sales Contract/Lease payments. It will, however, apply for any subsequent Total Loss of the substitute vehicle.

This **Addendum** will not apply to losses arising out of racing, speed contest, confiscation, acts of terrorism or acts of war, declared or undeclared, fraud, the vehicle being used by Your agents or employees, gradual wear and tear, repairs or an intentional act by You, or when there is insurance coverage, if Your primary insurance carrier denies Your claim based on any of the foregoing reasons.

This **Addendum** will not apply to financing/lease terms longer than eighty-four (84) months. If the actual term exceeds eighty-four (84) months, the waiver amount will be amortized as if the term was eighty-four (84) months. This **Addendum** does not apply to financed/leased vehicles with a Manufacturer's Suggested Retail Price or N.A.D.A. retail value greater than $100,000.

Installment payments must be scheduled for a date that is within ninety (90) days of the Retail Installment Sales Contract/Lease Agreement inception date. If they are scheduled to start beyond such ninety (90) day period, we will amortize the Retail Installment Sales Contract/Lease Agreement as if the first payment had been paid ninety (90) days after the Retail Installment Sales Contract/Lease Agreement inception date when determining the balance for loss purposes.

PROGRAM EXCLUSIONS: This program excludes: (1) vehicles used for police or emergency service, principally off-road use, or any commercial use, including but not limited to snow removal, carriage of passengers for hire, commercial delivery/service/repair, rental purposes, road repair, construction activities, hauling activities, and/or where the primary insurance for the vehicle is a Business Auto Policy or Commercial Vehicle Policy; (2) vehicles over 10,000 pounds gross weight; (3) any loss of personal property not a part of Your vehicle at the inception date of Your Retail Installment Sales Contract/Lease Agreement; (4) total losses occurring prior to the effective date of this **Addendum;** (5) total losses occurring after the vehicle has been repossessed or placed in the possession of a financial institution or its employees/agents; (6) vehicles with a salvage or rebuilt title at the time of sale or for which title has been changed or re-issued as salvage or rebuilt prior to the date of loss; and (7) any total loss by theft where a police report is not provided. The **Addendum** does not apply if Your Total Loss occurs outside the United States or Canada.

ASSIGNMENT BY DEALER: Assignment of the Retail Installment Sales Contract/Lease Agreement by the Dealer to the identified Financial Institution, or to any other person or entity, shall not in any way affect this **Addendum** to the Retail Installment Sales Contract/Lease Agreement provided herein.

ARBITRATION: You agree that all individual, class action, or other claims arising from or relating to this **Addendum,** whether in contract, tort, pursuant to statute, regulation, ordinance or in equity or otherwise, are subject, at Your, the Dealer's, or Jim Moran & Associates, Inc.'s ("JM&A") election, to neutral binding arbitration by The American Arbitration Association under the applicable AAA rules then in effect as modified by this Arbitration Provision. This includes, but is not limited to, claims asserted by You against the Dealer, JM&A, their affiliates, and/or their and their affiliates' employees, officers, successors, or assigns. Any arbitration hereunder shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) and not by any state law concerning arbitration. The Arbitrator shall follow applicable statutes of limitations, shall honor claims of privilege recognized at law, and, if timely requested by either party, shall provide a brief written explanation of the award's basis. Each party shall be responsible for its own attorney, expert, or other fees unless applicable law provides otherwise. **Any claim or dispute is to be arbitrated on an individual basis and not as a class action. You expressly waive any right to arbitrate a class action or in a private attorney general capacity, and there shall be no joinder or consolidation of parties, except for parties to the same contract.** In the event of a conflict between this Arbitration Provision and any other applicable arbitration provision, the other provision's terms shall apply; provided however, that this Arbitration Provision's prohibition on classwide arbitration shall apply. If any portion of this Arbitration Provision is deemed invalid or unenforceable, it shall not invalidate the other provisions or the **Addendum;** provided however, that if the provision prohibiting classwide arbitration is deemed invalid, then this entire Arbitration Provision shall be null and void. This Arbitration Provision shall not apply to any individual claim brought by You in small claims court, unless such claim is transferred, removed or appealed to a different court. **Neither You, the Dealer, nor JM&A will have the right to have a jury trial on any claim for which arbitration is elected. Discovery and rights to appeal are generally more limited than in a lawsuit, and other rights applicable in court may not be available in arbitration.** This Arbitration Provision will survive any termination, payoff, or transfer of this **Addendum.** Information regarding AAA and its procedures for filing a claim can be found at www.adr.org.

STATE AMENDMENTS: If this **Addendum** is purchased in any of the following states, the applicable amendments will apply.

Colorado: GPP is the only available program. GAP is not available.

Kansas: GPP is the only available program. GAP is not available.

Vermont: We must assign, sell or transfer, within fifteen (15) business days, the financing contract to a financial institution/lender as defined in subdivision 11101(32) of Title 8 or a credit union or entity licensed under subdivision 2201(a)(1) or (3) of Title 8 or this **Addendum** is void and You will receive a full refund of the charges of this **Addendum.**

PURCHASER/LESSEE UNDERSTANDS THAT THIS ADDENDUM IS NOT REQUIRED IN ORDER TO OBTAIN FINANCING OR TO PURCHASE OR LEASE THIS VEHICLE.

OTHER IMPORTANT AGREEMENTS

1. FINANCE CHARGE AND PAYMENTS

a. How we will figure Finance Charge. We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.

b. How we will apply payments. We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.

c. How late payments or early payments change what you must pay. We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.

d. You may prepay. You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

2. YOUR OTHER PROMISES TO US

a. If the vehicle is damaged, destroyed, or missing. You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.

b. Using the vehicle. You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.

c. Security Interest.
You give us a security interest in:
- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service, or other contracts we finance for you; and
- All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle.

d. Insurance you must have on the vehicle.
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium of the insurance and a finance charge equal to the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.

e. What happens to returned insurance, maintenance, service, or other contract charges. If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

a. You may owe late charges. You will pay a late charge on each late payment as shown on the front. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments.
If you pay late, we may also take the steps described below.

b. You may have to pay all you owe at once. If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
- You do not pay any payment on time;
- You start a proceeding in bankruptcy or one is started against you or your property; or
- You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. You may have to pay collection costs. If we hire an attorney who is not our salaried employee to collect what you owe, you will pay the attorney's reasonable fee and court costs the law permits. The maximum attorney's fee you will pay will be 15% of the amount you owe.

d. We may take the vehicle from you. If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

e. How you can get the vehicle back if we take it. If we repossess the vehicle, you may pay to get it back (redeem). We will tell you how much to pay to redeem. Your right to redeem ends when we sell the vehicle.

f. We will sell the vehicle if you do not get it back. If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.

g. What we may do about optional insurance, maintenance, service, or other contracts. This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we repossess the vehicle, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

4. WARRANTIES SELLER DISCLAIMS

If the vehicle you purchased is a new vehicle, unless the Seller makes a written warranty, or enters into a service contract within 90 days from the date of this contract, the Seller makes no warranties, express or implied, on the vehicle, and there will be no implied warranties of merchantability or fitness for a particular purpose.
If the vehicle you purchased is a used vehicle, unless the Seller makes a written warranty, or enters into a service contract within 90 days from the date of this contract, the Seller makes no express warranties on the vehicle, and there will be no implied warranties of fitness for a particular purpose. The vehicle is subject to an implied warranty of merchantability, but only to the extent required by New Mexico law. The implied warranty of merchantability expires at midnight of the 15th calendar day after delivery of the vehicle or until the vehicle is driven 500 miles after delivery, whichever is earlier. This implied warranty of merchantability does not extend to damage that occurs after the sale that results from: (1) off-road use; (2) racing; (3) towing; (4) abuse; (5) misuse; (6) neglect; (7) failure to perform regular maintenance; and (8) failure to maintain adequate oil, coolant and other required fluids or lubricants.
The above provisions do not affect any warranties covering the vehicle that the vehicle manufacturer may provide.

5. Used Car Buyers Guide. The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.
Spanish Translation: Guía para compradores de vehículos usados. La información que ve en el formulario de la ventanilla para este vehículo forma parte del presente contrato. La información del formulario de la ventanilla deja sin efecto toda disposición en contrario contenida en el contrato de venta.

6. Applicable Law
Federal law and the law of the state of our address shown on the front of this contract apply to this contract.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

The preceding NOTICE applies only if the "personal, family or household" box in the "Primary Use for Which Purchased" section of this contract is checked. In all other cases, Buyer will not assert against any subsequent holder or assignee of this contract any claims or defenses the Buyer (debtor) may have against the Seller, or against the manufacturer of the vehicle or equipment obtained under this contract.

NOTICE TO CO-SIGNER

You are being asked to guarantee this debt. Think carefully before you do. If the borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the borrower does not pay. You may also have to pay late fees or collection costs, which increase this amount. 2683625

The creditor can collect this debt from you without first trying to collect from the borrower. The creditor can use the same collection methods against you that can be used against the borrower, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become a part of YOUR credit record.

This notice is not the contract that makes you liable for the debt.

Case Summary

On Sunday 06/19/2011 at about 7:15pm, Cherie Ortiz-Rios (hereafter Cherie) called the Santa Fe County 911 Emergency Line to report that she had just walked into her parents' home located at 3B Coral Street in El Rancho, New Mexico, and discovered that her parents (Lloyd and Dixie Ortiz) and her adopted brother Steven Ortiz (hereafter Steven), had all been shot to death there. Cherie said that she had walked into the residence and observed her mother, Dixie Ortiz (hereafter Dixie) in bed,

unresponsive and "covered in blood from her head". Cherie said that she then found her father Lloyd Ortiz (hereafter Lloyd), dead inside the kitchen. Cherie said that upon finding Lloyd's body, she ran out of the house. NMSP responded to investigate.

Upon arrival, the NMSP located the body of Dixie, age 53, in her bed. The body of Lloyd, age 58, was found in the back yard of the Ortiz residence and the body of Steven, age 21, was found lying on the floor in the kitchen. Dixie was clearly asleep when she was murdered. Lloyd and Steven were dressed such that it appeared they had been either on their way to bed, or had been awoken abruptly. Blunt force, aimed primarily at their heads, had been employed to murder all three of these victims. Subsequent search of the immediate area located what has been determined to have been the murder weapon, a pickaxe, that was found in a field adjacent to the Ortiz property.

Autopsies

On Tuesday 06/21/2011, autopsies were performed on all three victims at the Office of the Medical Investigator for the State of New Mexico, located at the University of New Mexico Health Sciences Center, Albuquerque, New Mexico. The autopsies were performed by Chief Medical Examiner Ross E. Zumwalt, MD. Dr. Zumwalt determined the manner of death for all three victims to have been homicide. For Lloyd and Steven, Dr. Zumwalt determined the cause of death for each to have been blunt force injuries of the head. Dr. Zumwalt determined the cause of death for Dixie to have been blunt force and penetrating injuries of the head. Below are the pathologic diagnoses determined for each of the victims at autopsy (relating to the murders only):

Steven: Multiple abraded lacerations of the face and scalp; multiple linear and depressed skull fractures; subdural and subarachnoid hemorrhage; lacerations of the brain; laceration of the right thumb; abrasion of the right leg; remote infarcts of right cerebral hemisphere.

Lloyd: Lacerations and abrasions of the face and scalp; fractures of the mandible; subscapular contusion; subdural and subarachnoid hemorrhage; patterned abrasion of the left arm.

Dixie: Abraded lacerations of right side of the face; penetrating puncture wounds of the skull and brain; lacerations of the brain; subdural and subarachnoid hemorrhage.

Victimology

Complete information about the victim of a violent, personal crime is an important part of the crime analysis process. Detailed information regarding an individual's personality and lifestyle assists law enforcement in determining a victim's risk level as well as in assessing how that victim might react to a confrontation with an offender.

The following is a synopsis of the information regarding Lloyd, Dixie and Steven available at the time of this analysis:

Lloyd was a 58-year-old, white, Hispanic man, who was born on 12/10/1952. At the time of his death, Lloyd was 5'9" tall and weighed 216 pounds. He was in reasonably good physical health. Lloyd had no documented mental impairments, although Cherie reported that he did suffer from depression sometimes, especially around the holidays. Lloyd lived with his wife, Dixie, and his adult adopted son, Steven, at their common residence, 3B Coral Street, El Rancho, New Mexico. Lloyd was described as meticulous in the care of his belongings, highly organized, hard-working and conscientious.

In the distant past, Lloyd used hard drugs; however, at the time of his death, he drank alcoholic beverages socially and smoked marijuana daily. Also in the distant past (1988), Lloyd and Dixie experienced marital problems, resulting in Dixie filing for divorce. Lloyd's drug abuse figured prominently into the basis for Dixie's request for divorce. Lloyd entered a drug detoxification program, and the family also attended counseling. The problems were thereby addressed and resolved, and the divorce petition was discontinued. At the time of their deaths, Lloyd and Dixie had a stable, long-term marriage with no significant conflicts or difficulties.

Lloyd had his own small construction/tile installation business. Dixie assisted him in bookkeeping for the company. He had engaged in some business-related disputes; however, there were none that were outstanding at the time of his death. For the most part, he was well regarded professionally.

Although neither Lloyd nor Dixie had legal permission to do so, they grew marijuana on their property. The purpose for this was to cultivate enough marijuana for their personal use, not for sale or distribution. During the investigation into their deaths, investigators found (and seized) 17 marijuana plants growing on the southwest corner of the Ortiz's property.

Dixie was a 53-year-old, white, Hispanic woman, who was born on [redacted]1957. At the time of her death, Dixie was 5'3 ½" tall and weighed 179 pounds. She was in reasonably good physical health, but had problems with insomnia and had been prescribed sleep medication. Dixie also reportedly smoked marijuana regularly. She was not known to use any substance excessively, whether legal or illicit. At the time of her death, Dixie held the position of Activity Director at the Sombrillo senior center in Los Alamos, New Mexico. Dixie was not known to have any personal or professional conflicts. She and Lloyd spent the majority of their time together at their residence, and together the two had a fairly tranquil, orderly existence characterized by adherence to daily routines. Reportedly, Lloyd, Dixie and Steven did not socialize outside of their home much, preferring to stay home most of the time.

Lloyd and Dixie had two biological children: Cherie, who was born on [redacted]976, and Angela, who was born on [redacted]1981. Steven was adopted. Both Cherie and Angela were married. Cherie lived with her husband, Jesse Rios, in a mobile home situated on the Ortiz property, adjacent to the property occupied by the Ortiz residence. Angela lived with her husband, Kristopher Spinks, nearby. Lloyd and Dixie had conflicts with both daughters and their husbands. Kristopher Spinks had at one time worked for Lloyd and Dixie as a caretaker for Steven. However, he was fired for his negligence in that role and because he was suspected of stealing a quantity of marijuana from the Ortizes. Cherie and Jesse Rios conflicted with the Ortizes based upon Cherie's dislike of Steven, the Rios' failure to maintain an orderly and tidy yard or residence, Lloyd and Dixie's perception of Jesse Rios as being lazy, and because of the Rios' regular requests from the Ortizes for money.

Steven was a 21-year-old white Hispanic man, who was born on [redacted]1989. At the time of his death, Steven was 5'6" tall, 196 pounds, and was in reasonably good physical health. Steven had sustained severe brain damage as a baby, the result of "shaken baby syndrome" suffered when he had been in the care of his biological parents. This condition resulted in some developmental delay and psychological issues. As a child, Steven had seizures and was prescribed medication to address that condition, but the seizures eventually subsided. Steven regularly smoked marijuana, for which he had a medical prescription.

Steven did not work; he was supported by Lloyd and Dixie, who had adopted him at age two and were his legal guardians and caregivers. He spent a lot of time riding his all-

terrain vehicle around the neighborhood. He had few friends and preferred the company of young boys. There were questions regarding whether this preference was sexual in nature or due to his delayed mental development. In 2007, he was treated based upon his report of auditory hallucinations of voices that told him to stab people (no specific target), and to "look at kids and to touch them".

Steven's tendency to gravitate to younger boys resulted in concern on the part of parents, who feared that he would molest their sons. In one case, this resulted in a confrontation with a parent of a young boy (Sanchez), and Steven being denied further contact with the boy. No charges were filed upon Steven in this regard, nor were any of these suspicions corroborated.

Based upon a review of the facts provided at the time of this analysis regarding the Ortiz's lifestyle and activities, Lloyd and Dixie would be thought by BAU-2 to be living at a low to moderate risk for victimization of violent crime. The sources of risk enhancement for them were their involvement in ongoing conflicts with their daughter Cherie and her husband Jesse, past conflicts with their daughter Angela and her husband Kristopher Spinks, their cultivation and use of marijuana, and their vicarious risks resulting from sharing their residence with Steven.

In the opinion of BAU-2, Steven was living at a moderate to high risk for violent crime victimization. His independent travel on his all-terrain vehicle prevented constant monitoring by his parents. As a result of having suffered severe brain trauma as a child, Steven was developmentally delayed, exercised questionable judgment, and was vulnerable for victimization as a result. Also, Steven's questionable contact with young boys, whether or not it was sexually motivated, increased his risks of violent victimization resulting from the perception that he was a pedophile. Finally, Steven had a contentious relationship with Cherie that had resulted in violence in the past (Cherie throwing rocks), to the extent that legal intervention became necessary.

Related Demographics and Statistics

The U.S. Census Bureau's data for 2011 estimated the population of Santa Fe County, New Mexico ,to be 145,648. In 2011, the population of Santa Fe County was comprised as follows: Adults between 18 and 65 years of age (the age group for all three of the victims in this case) comprised 20.6% of the total population. The racial data indicated that the 2011 population

was comprised of 91.5% White persons, the majority of whom were of Hispanic descent (56.2%). The next most prominent racial group in Santa Fe County in 2011 was American Indian and Alaska Native persons (4.0%). The 2006-2010 median household income for owner-occupied housing units in Santa Fe County was $291,700.00, compared to the overall median value of owner-occupied housing units in the State of New Mexico, which was $158,400.00.

The FBI's Uniform Crime Report's most current completed data pertains to the year 2010 (UCR-2010). For that year, there were 12,996 murders committed in the United States. There were 118 murders reported to have occurred in New Mexico. Most of those murders were committed with the use of firearms (56.8%). Knives or cutting instruments were used to commit 24.6% of the murders. Weapons other than firearms; knives/cutting instruments; or hands, fists, feet, etc., were used in only 15 of the 118 murders; or 12.7% of the total. There was only one incident reported in the "Murder and non-negligent manslaughter" category for Santa Fe County in 2010.

Crime Analysis

Based upon a review of all available case materials and other information provided by the NMSP, BAU-2 offers the following observations:

1. **The offender was likely to have been an adult white, (possibly Hispanic), male acting alone.** The UCR-2010 did not capture the age-related statistics for multiple victim murders; however, for single victim/single offender murders, almost 90% of the adult victims were murdered by an adult offender. The racial make-up of Santa Fe County is predominantly white, and over half of the white population of Santa Fe County is Hispanic. The victims in this case were white Hispanic. The UCR-2010 reported that about 83.5% of the murders of white victims in the United States that year were committed by white offenders. According to the Bureau of Justice Statistics (BJS), from 1976 to 2005, males committed 88.8% of all homicides. The UCR-2010 reported that approximately 90.3% of the homicides committed in 2010, in which the gender of the offender was known, were committed by males. According to the UCR-2010, of the 12,996 murders that occurred in the United States that year, 1,305 (slightly over 10%), involved multiple victims. Of those, the number of offenders was not known in 359 cases. There were 197 cases in which it was known that the murders of multiple victims had been

committed by more than one offender; however, there were almost four times as many cases (759), in which it was known that the murders of multiple victims had been committed by a single offender. The FBI's Uniform Crime Report has consistently reported that perpetration by single offenders is significantly more common in murders with multiple victims than perpetration by multiple offenders in those cases.

2. **The motives for the murders were personal and possibly financial.** There was no evidence of theft from the Ortiz residence. There was no evidence of sexual motivation on the offender's part. No similar crimes had occurred in the area. Murder in the commission of a burglary is statistically rare event; for example, according to the UCR-2010, in 2010 only 80 murders of the 12,996 that occurred in the United States that year were committed in the course of a burglary (0.62%). Further, It would be unlikely for a burglar to target a residence where three adults were present at the time. All three of the victims were targeted for murder. If only Lloyd was targeted, there was no need to enter the residence and kill Dixie and Steven. If Steven was the sole target, there may have been cause to also kill Lloyd, but not to kill Dixie, who was apparently asleep during the murders. If Dixie was the only targeted victim, the offender would have had to also plan to disable or kill Lloyd and possibly Steven, as Dixie shared her bed with Lloyd and her residence with Steven. An offender would be unlikely to plan to murder a targeted woman while two adult males, who were not targets, were in the home with her. Overall, it is more likely that the offender knew all three victims and intended to murder all of them. The likely motives for these murders was personal, i.e., retaliation, revenge and/or other conflict; financial benefit, i.e., life insurance, inheritance, or other financial gain resulting from the deaths of the victims, or a combination of these motives.

3. **The offender's covering of Lloyd's face with branches is significant.** The offender, after murdering the Lloyd, covered his face with branches from a conifer tree near to where Lloyd's body had come to rest. It is unlikely that this was done in an attempt to conceal Lloyd's body, because the rest of the body was left uncovered and visible. It is also unlikely that Lloyd's face was covered because the offender was

repulsed by the sight of the damage he had inflicted on Lloyd's head. Lloyd's murder likely occurred at night, in low lighting/poor visibility conditions. Further, Lloyd is likely to have been the offender's first victim, and thus the offender spent little time with Lloyd's body after he murdered him. Had the injuries been repulsive to him, he would have been unlikely to choose to employ the same type of violence when murdering Dixie and Steven. This covering could reflect the offender's symbolic efforts to "undo" the murders. Undoing is typically seen in murders where a close association existed between the victim(s) and offender. It would be expected that undoing efforts would be observed in the offender's treatment of all three bodies, unless the offender was emotionally closer to Lloyd than the other two victims. Another possible motive for covering Lloyd's head in this case, however, is that the offender, knowing that Lloyd's body was outside of the residence and visible from nearby locations, attempted to shield nearby person(s) who might have visual contact with the scene from viewing the gory injuries inflicted upon Lloyd's head. In such a scenario, the offender would be motivated by consideration for these individuals' feelings, which would likely indicate a close relationship with them. The fact that covering was only done for Lloyd's body supports this theory, in that Lloyd's body was the only one left outside the residence and would be the only one visible to nearby observers, unless they entered the Ortiz house.

4. **The offender had been violent prior to these murders. He is able to maintain focus even when engaging in extreme violence.** It is likely that the offender has been violent prior to these murders. The offender was able to kill Lloyd, Dixie, and finally Steven in three separate, consecutive attacks. The commission of the prior murder(s) did not interfere with his focus and rational adherence to the goal of murdering all three of the victims. If the offender had never engaged in violence before, such composure in the commission of repeated, extremely violent murders would be very unlikely. It is particularly likely that the offender has engaged in blunt force attacks in the past, as that was his chosen method of attack in these murders. It is likely that his prior violence is reflected in descriptions and accounts of his character and past

behavior. It may also be reflected in his criminal history.

5. **The offender lacks empathy; he is observably, pervasively, unemotional and callous.** Even for someone who has engaged in violence in the past, these were exceptionally gruesome and violent murders. Having murdered Lloyd, it is notable that the offender was still composed and focused enough to continue with his plan to murder all three victims and murder Dixie and Steven in the same manner as he murdered Lloyd. The ability to engage in such violence against three victims, one of whom was asleep and defenseless at the time, is reflective of the offender's callous, unemotional lack of empathy. These traits are likely to be observable of the offender throughout his life in total.

6. **The offender demonstrated confidence and experience in using a pickaxe.** The offender in this case used a pickaxe to inflict lethal blunt force and penetrating wounds to his victims' heads. The pickaxe, a statistically unusual murder weapon, was the offender's chosen weapon, despite his likely access to other weapons or items that could have been used to commit the murders. Such a choice supports the assertion that the offender had confidence in his ability to effectively use a pickaxe, even in close spaces. Such confidence suggests that the offender has familiarity and experience with using a pickaxe.

7. **The offender was not concerned about the discovery of the murder weapon.** The pickaxe used to murder the three victims was found adjacent to the Ortiz property, discarded openly, without effort to conceal it. It is therefore asserted that the offender had no concerns that the pickaxe would be recognized as his property or having been in his possession at any time. It is also asserted that the offender believed that the pickaxe bore no evidence that would lead to his identification as the offender or link him to the murders.

8. **The offender is likely to have demonstrated alterations to his normal activities, behaviors and routines immediately following the commission and/or discovery of these murders.** An offender, particularly one with limited experience in murder, will commonly underestimate the disruption that the event will have

upon his life and psychological and emotional states. Such individuals commonly alter their use of intoxicating substances, either increasing the use in attempts to self-medicate and calm themselves, or decreasing, even discontinuing such usage. They may appear nervous, have trouble sleeping, miss work or school, initiate unplanned travel out of the area where the offense occurred, alter their personal appearance, change their mode of transportation, change their address, alter their social activities, and/or display uncharacteristic mood changes. Such offenders may pay very close attention to media coverage regarding the offense and discuss the victims, murder, and investigation extensively with associates, or conversely refuse to discuss those subjects with anyone. These post-offense behavioral effects may be more pronounced when the offender had a significant association with the victim.

Jesse Rios and Cherie Ortiz-Rios

The NMSP has, since these murders occcurred, focused upon a number of possible suspects. Investigators have not been able to eliminate Jesse Rios and Cherie Ortiz-Rios as suspects. BAU-2 opines that Jesse and Cherie are appropriately prioritized suspects in this case. This opinion is based in part on the following:

- Jesse and Cherie had a problematic relationship with Lloyd and Dixie. Although dependent to a great degree upon Lloyd and Dixie, they openly disapproved of Jesse and Cherie's lifestyle. Lloyd even erected a fence to obscure Jesse and Cherie's residence and surrounding property from his view, because he was disgusted with its slovenly appearance. Lloyd considered Jesse to be very lazy. Cherie had a very contentious relationship with Steven, which at times prompted her to throw rocks at him. Her aggression toward Steven resulted in legal action in the past. The conflicts between Jesse and Cherie and the victims were the most significant shared by all three victims and, therefore, the most significant shared source of risk for violent crime victimization.

- Jesse and Cherie's accounts for the night of the murder conflict. In her first two statements, Cherie denied that Jesse had left their residence that night. Only during her third police interview, when confronted with

the fact that Jesse had admitted to leaving the residence, did Cherie concede that he had left. Jesse had ample opportunity to commit the murders. He and Cherie had both financial and personal motivation to kill the three victims.

- During the 911 call in which Cherie reported the murders, she commented that the victims had been dead since that morning, thereby supplying a detail that would not have been obtained merely by finding the victims' bodies.

- In her 911 call, Cherie reported that she entered the Ortiz home, and first found Dixie's body in the master bedroom. She then reported that she saw Lloyd's body in the kitchen. In fact, Steven's body was in the kitchen, and Lloyd's body was outside of the residence, in the back yard. Steven's body was recognizable as Steven and bore no close resemblance to Lloyd. It is possible that this misstatement was attributable to stress in relating the details of the scene; however, it is at least as likely that Cherie never entered the crime scene/residence, and so erred in her report of the scene details, because those details were not based upon her own observations, but a description supplied by the murderer.

- Jesse and Cherie, by Cherie's description, were experiencing extreme financial problems at the time of these murders. They habitually depended upon financial support from Dixie and Lloyd. Their continuous requests for financial support enhanced the animosity that existed between them, and Lloyd and Dixie.

- With all three of the victims dead, Cherie, Jesse, and their family were the beneficiaries for insurance and stood to inherit the majority of assets that had been possessed by Dixie and Lloyd. The only exception would be whatever was bequeathed to Angela and Kristopher. In order to gain this benefit, all three of the victims had to die. Steven's death also eliminated the responsibility for his care after the deaths of Lloyd and Dixie. This responsibility would have likely fallen to Jesse and Cherie in the event of Lloyd and Dixie's deaths.

- The victims were killed on Sunday 06/19/2011; Father's Day. While this may be insignificant and coincidence,

if Jesse and Cherie are responsible for the murders, the choice to commit the murders on that holiday may have been deliberate and symbolic.

The focus upon Jesse Rios and Cherie Ortiz-Rios should not be maintained to the exclusion of consideration of other suspects if information develops in the course of the investigation supporting suspicion toward other individuals.

Investigative Suggestions

BAU-2 suggests the following investigative measure be taken regarding the murders of Lloyd, Dixie, and Steven Ortiz:

1. **Maintain regular contact with Angela Spinks nee Ortiz.** Although Angela had some conflict with the victims regarding her husband, she maintained a distance from her other family members and was not known to have taken a part in any disputes between the Ortizes and the Rioses. Angela is an important source of information regarding the Ortiz family's history and the internal dynamics between family members. She has been either involved in, or at least witness to matters pertaining to insurance and inheritance. She is at times a confidant of Cherie Ortiz-Rios regarding personal and family matters, and in that capacity is likely to have gained knowledge in addressing the Rioses' possible involvement in the murders.

2. **Explore the possibility of eliciting cooperation from Robert Rios.** Robert, the eldest son of Cherie and Jesse Rios, reportedly maintained a strong bond with his grandparents even when his parents feuded with them. Robert was likely to have been quite upset about his grandparents' murders. He lives in the same household as both Cherie and Jessie and would therefore be a possible witness to pertinent post-offense behaviors and discussions. He may also have been a witness to discussions between his parents regarding their interactions with, or resentment toward the victims. Robert was given a key to the Ortiz residence by Dixie and Lloyd, who did not give a key to either Cherie or Jesse. Cherie's account regarding her entry into the Ortiz house on the evening of 06/19/2011 was confusing, as were her statements regarding the status of the residence locks and obtaining the key from Robert. For that reason, obtain Robert's detailed account of the transfer of the Ortizes' residence key

from him to Cherie, (time, circumstances, any commentary, observations, etc).

3. **Attempt to corroborate Cherie's statement regarding dinner plans on 06/19/2011.** Cherie contended that she had dinner plans with the Ortizes on the evening of Sunday 06/19/2011. These plans prompted her to go to the Ortiz home on that evening, where she discovered the victims' murdered bodies. Cherie had a contentious relationship with her parents and Steven, and so these plans are somewhat unexpected. For this reason, the plans should be verified, if possible, with anyone who may have known the Ortizes' plans for 06/19/2011.

4. **Obtain the cellular records for the victims as well as Cherie, Jesse, Angela, and Kristopher.** It is important to determine the telephone contacts and activities of the victims up until their murders and for family members, both prior to and after the murders. If a conspiracy existed to murder the victims, such an analysis may shed light on these connections, identify possible participants, and identify individuals who may possess information pertaining in some manner to the investigation.

5. **Continue to collect facts pertaining to the pickaxe.** The pickaxe was not likely to have been the possession of the offender. It was not reported to be the possession of Lloyd either. It was likely stolen by the offender, possibly shortly before the murder. The reason for the theft may not originally have been for the murder, but for another purpose; however, it is unlikely that the offender openly used the pickaxe, because he discarded it nearby the murder scene and did not attempt to hide it, or otherwise demonstrate concern that its discovery may lead to his identification/arrest. Efforts should be made to identify the origin of the pickaxe, the brand of manufacture, the retail distribution within the El Rancho area, and the identities of past users/owners of the tool.

6. **Obtain details regarding the verbal exchange between the Rioses and the Ortizes on 06/18/2012.** On the evening before the murder, there was reportedly a verbal exchange between the Rioses and the Ortizes. Cherie was washing her dog in her yard at the time, while Jesse was cutting down a tree between the

residences. The exact nature of the exchanges between the three victims, Jesse, and Cherie may have significant bearing on the case.

7. **Verify the location of the Ortizes' dogs in the house upon Cherie's reported discovery of the murders.** Cherie claims that when she entered the Ortiz residence on the evening of 06/19/2011, the dogs came to the door from within the residence when she entered. This is surprising in that there was no evidence of the dogs having neared the bodies (e.g., tracking blood with feet). Determine the regular practices of the victims regarding their dogs, and compare them to their reported behaviors on the night of the murder.

8. **Conduct full financial analyses on Cherie, Jesse, Angela, and Kristopher.** As those who stood to inherit the victims' assets, it is important to determine their financial statuses prior to the murders as part of the consideration of possible motives to commit the murders. Further, Cherie, through her attorney, Will Wagner, reportedly filed a false document with the court that named her as sole heir, and on that basis, requested to be given power of attorney regarding the Ortiz estate. Money transfer to Will Wagner from Cherie should be examined in light of his role in filing false statements with the court.

9. **Determine the status of the life insurance pay-outs for Lloyd and Dixie and the settlement of the Ortiz estate.** At the time of this analysis, Cherie was demanding that the New Mexico State Police attest that neither she nor Jesse were suspects in the murders. Her demand was prompted by a refusal of the insurance companies to pay out benefits to potential suspects. The potential aggregate pay-out for three policies was approximately $900,000.00. Neither Dixie nor Lloyd had made a formal will, but Dixie did complete an informal will in which she made provisions for Steven's care and support, as well as a caveat that made Cherie's inheritance conditional: Cherie was only to receive it if she was maintaining sobriety. All movement of money in this case, and all efforts to control, manipulate, or expedite transfers of funds, from before the murders and then in the aftermath are important to this investigation, in that they may shed light on financial motives. Equally important are the situations that prompt such behaviors, both on the part of Lloyd and

Lloyd Ortiz, Dixie Ortiz, Steven Ortiz - (Deceased) Victims

Dixie before their murders and their family after the murders.

Any questions or comments regarding this analysis may be directed to SSA Robert W. Drew, BAU-2, NCAVC, CIRG, FBI Academy, Quantico, Virginia, (703) 632-4303.

EXAMINATIONS REQUESTED:

Footwear Comparisons

RESULTS AND CONCLUSIONS:

The item CDJS-1 had multiple photographs of footwear impressions on the right side of a vehicle car door. The door was detached from the vehicle and appeared to be in the repainting process. Photographs of four (4) separate partial impressions were observed on the item CDJS-1 compact disk. The impressions were labeled Q1, Q2, Q3 and Q3a for identification.

The item CDWP-5 compact disk had several photographs of a pair of Jordan brand shoes. There were only two (2) photographs of the left outsole. There were no photographs of the right shoe outsole. Since there were no photographs of the right outsole I could not conduct a comparison with it.

The item Q1 partial impression shared a similar herringbone type pattern as the left outsole of the left shoe, however; other tread pattern differences were observed. Based on these differences, the left outsole was eliminated as having created impression Q1.

The item Q2 impression displayed a limited portion of a herringbone pattern. As a result, the left outsole of the suspect shoes could neither be identified nor eliminated. Due to the lack of sufficient detail, a more conclusive association could not be made.

The item Q3 impression displayed a multitude of different tread characteristics in the pattern including a herringbone pattern. A possible second pattern (Q3a) was next to the main impression. Other than the herringbone pattern, the other tread characteristics of the Q3 impression did not appear in the left outsole

Account numbers, subscriber information, and billing information for the phone numbers listed as incoming, outgoing, and missed phone calls.
3. Records for the call detail of any and all cellular repeater sites which incoming, outgoing, and missed phone calls were documented for these numbers for the period encompassing June 19, 2011 to June 20, 2011.
4. Estimated or computed latitude and longitude information for the for the above described telephone(s), including but not limited to Per Call Measurement Data, Timing Advance, Round Trip Time, or any similar method and/or data, if such information is available.

The facts tending to establish the foregoing grounds for issuance of a Search Warrant are as follows:

Affiant, Kraig Bobnock, is a full time salaried law enforcement officer who has been employed by the New Mexico State Police for a period of approximately four years. Affiant has received specialized training in criminal investigations through the New Mexico Law Enforcement Academy and the New Mexico State Police Academy. Affiant has received training in the investigation of violent crimes including but not limited to homicide investigations. Affiant has received both classroom and on the job training

concerning the investigation of the above offense(s). Affiant has conducted numerous criminal investigations that led to the arrest and conviction of persons in violation of New Mexico State Statutes.

On Sunday, June 19, 2011, at approximately 7:50 p.m., Affiant was contacted by New Mexico State Police, Investigations Bureau Lieutenant Ted Collins. Lieutenant Collins requested affiant to proceed to #3 Coral Road in El Rancho, New Mexico, to assist in an investigation of a triple homicide. The decedents were identified as Dixie Ortiz, Lloyd Ortiz, and Steven Ortiz.

The case agent at the time of the call for service was Agent Bryan Waller, New Mexico State Police Investigations Bureau. He arrived at #3 Coral Street in El Rancho at 10:19 p.m. Shortly after his arrival, he was briefed by New Mexico State Police, Uniform Bureau Officer Michael Mariscal. Officer Mariscal advised him that he was dispatched to #3 Coral Street in El Rancho in reference to three individuals that were shot in the head. Officer Mariscal arrived on scene at approximately 7:26 p.m., and met with the reporting party, Cherie Ortiz. Ms. Ortiz is the daughter of Lloyd and Dixie Ortiz. Ms. Ortiz advised Officer Mariscal that she went to her mother's residence and found her brother mother and father deceased. She then exited the residence and used her husband's cell phone to immediately contact law enforcement. Officer Mariscal advised Agent Waller that he then conducted a security sweep of the residence. While conducting the security sweep, Officer Mariscal observed a deceased female lying face down on the right side of the bed in the master bedroom. He also located a deceased male subject lying face down in the kitchen. When Officer Mariscal exited the backdoor of the residence, he located another deceased male subject lying face down near a tree. Officer Mariscal did not locate any weapons and indicated that all three deceased subjects appeared to have suffered from head trauma.

Through interviews conducted, information was collected that the one of the neighboring family members got up out of bed and looked out of the kitchen window and saw a suspicious silver car parked on the road in front of his house and to the west. The car then passed by the front of his house in an easterly direction and went out of sight. Jesse, son in law to the deceased, described the car as a small silver or gray in color with no other description. According to Cherie, daughter and sister of victims, she saw and heard Jesse leave the house in his Dodge truck after seeing the car pass by his house. During a clarification interview with Jesse, he did in fact state that he did leave his house in his truck after he heard the dogs barking, heard some voices in the dirt lot directly behind the victim's house, and then seeing the suspicious car in front of his house. Jesse stated that he drove towards the silver or gray car and actually drove right by it as it was parked on the east side of his house. After he drove past the car, it left the area and Jesse went in the opposite direction of the suspicious car up to the El Rancho Community Center. Jesse could not provide any other description of the suspicious car other than it was silver and had round tail lights. Jesse specifically stated that he never contacted the individuals in the suspicious car and never saw them again after they drove out of sight.

On Wednesday, October 17, 2012 at around 3:00 p.m., Lieutenant William Pacheco, Santa Fe County Sheriff's Office contacted me and advised Affiant that Detective David Jaramillo was with a female that wanted to share information with law

enforcement regarding the homicide of Lloyd, Dixie and Steven Ortiz. He advised Affiant that Detective Jaramillo, Santa Fe County Sheriff's Office, would contact Affiant with the information that she provided him with.

At around 3:20 p.m., Detective Jaramillo contacted Affiant via department issued cellular telephone and advised him that Ashley Roybal had some intimate details regarding the evening of the homicide. Detective Jaramillo provided Affiant with a briefing of the information she relayed to him. She stated to him that around 3:10 a.m., on the morning of June 19, 2012, Nick Ortiz contacted her via cellular telephone and requested her to pick him up in a little while. She stated that Nick had a pattern that he would burglarize a residence and then contact her for a ride afterwards. She stated that Nick called her again around 3:45 a.m. and requested her to pick him up near Steven's house. She told Detective Jaramillo that she picked him up in her gray Saturn passenger car that she recently sold to Ace's Towing because it broke down on her.

Ashley stated that when she arrived to pick Nick up near the Ortiz residence, he was covered in blood and was wearing a black t shirt, black jogging pants and black Nike brand shoes with a white Nike symbol on them. She noticed that when Nick got into her vehicle, he had a white grocery bag tied around one of his feet. Between his foot and the plastic bag was some type of tissue. He stated to her that he went into a house to rob the Ortiz's for twenty thousand dollars, which he had knowledge that was inside of their residence. Nick told Ashley that he had socks on his hands when he killed them. Ashley also stated to Detective Jaramillo that Jesse Rios's truck left his residence while she was there to pick up Nick. Nick also stated to Ashley that he threw the pick axe in a yard. Affiant contacted New Mexico State Police Lieutenant Ted Collins and advised him of the situation and he assigned Affiant to go to Santa Fe to interview Ashley. Affiant left his residence and proceeded to the Santa Fe County Sheriff's Office.

At around 3:54 p.m., Affiant interviewed Ashley Roybal at the Santa Fe County Sheriff's Office. Ashley was incarcerated at the Santa Fe County Adult Detention Center regarding unrelated burglary charges. Ashley was under the custody of the Detectives of the Santa Fe County Sheriff's Office. Since Ashley was handcuffed during the interview, Affiant read her the Miranda Rights and she agreed to speak with him. While Affiant introduced himself, at 1:51 into the video recording, Ashley interrupted him and stated, "I know who did it." Again at 1:54 into the video recording, Ashley stated once again, "I know who did it." Affiant told Ashley that he would allow her to explain the events surrounding the homicide and he would ask clarification questions as they arose.

Ashley started the interview by stating that on Saturday, June 18, 2011 at around 3:00 a.m., Nick called her and stated to her that he was going to need a ride. She told him to give her a call when he needed the ride and she would go and pick him up. At around 3:45 a.m., he called her back and told her that he needed her to go and pick him up over by Steven's house. Ashley told Affiant that when she got over by Steven's house, she called Nick on his cellular telephone and asked him where he was at. He told her that he was running across the river. Ashley then drove to the other side of the river and picked him up. She stated that when she picked him up, he had blood all over his clothes. Nick had a trash bag on one of his shoes. He told her later that he had one trash bag on each foot but lost one of them in the river. Nick also told her that he had socks on each of his

hands during the murders and threw them away before she picked him up on the other side of the river. In between his shoe and the trash bag, was tissue. Ashley drove Nick to her residence, 7 Little Louis Avenue, El Rancho, NM, so he could take a shower and clean up. While he was in the shower, she could hear him crying. She said that the shower he was using was upstairs and her bedroom was downstairs. She was in her bedroom while he was in the shower and could hear him crying from there. She went upstairs and knocked on the door and asked if he was ok and he told her that "yea, just leave me the fuck alone, I just need to go home, I need to go home." She told him that she would give him a ride and asked him what was going on. According to Ashley, he said to her that "I fucked up, I fucked up." She asked him what was wrong and he replied to her that he would be right out. Ashley asked him if he was ok and he replied that he was and asked her to bring him to his residence. After Nick got out of the shower, he put the same bloody clothes back on. On the way to his house, he didn't say anything to her, instead, he just cried the whole way home. Just before 5:00 a.m., she dropped him off at his residence, behind the car wash on State Road 502, Pojoaque, NM.

Nick called her the next day and told her that he killed them with a pick axe. He never told her where he got the pick axe from but he did tell her that he threw it after he killed the Ortiz's. Nick wasn't specific who "them" were but he kept stating that "I killed them." According to her, he told her "not to fuckin say anything." Ashley stated that she took it as a threat and she thought he would kill her. She was also in fear for her family and grandparents. During that same phone conversation, Nick told Ashley that he intended to go and rob the Ortiz's for twenty-thousand dollars that he knew was in a safe in the closet. Nick told Ashley that he had robbed the Ortiz's residence previously and stole one thousand dollars in one dollar bills, so he knew they had more money and was going back to get a bigger amount. Ashley also stated that Lloyd caught Nick when he was trying to rob them previously.

Ashley mentioned that when she was parked near the Ortiz residence and called Nick, she saw Jesse's Dodge truck leave his residence. She said that he saw her car. Ashley described her vehicle as a gray two door Saturn passenger car. At the time, the vehicle was registered to her sister, Glenda Lujan. Ashley told Affiant that she sold her car to Ace's Towing, Pojoaque, NM, approximately three to four months ago because the motor quit working. She thought that Ace's Towing probably crushed the vehicle. She told Affiant that she had not cleaned the interior of the vehicle since the night of the homicide. According to Ashley, she did not vacuum it nor scrub it clean. She stated that "there could be" blood inside of the vehicle, but did not recall seeing any.

Affiant asked Ashley to clarify the date and time that Nick first called her requesting a ride. She stated that it was Sunday, June 19, 2011 when he first called her, not Saturday. Ashley stated that Nick was calm the first time that he called her arranging the car ride. The second time he called, she said he sounded like he was panicking. Ashley said that the first conversation lasted approximately two minutes and her telephone number was 505-412-9513, which was still registered to her. She said that Nick had the telephone number 505-692-3405 or 505-629-3405, either or. She couldn't remember if the number began with 692 or 629.

The second conversation with Nick was between thirty to forty-five minutes later.

She said he sounded panicked, was crying, and told her to come pick him up right away. Ashley left her residence, travelled between four or five minutes, alone, to pick up Nick. Nick told her that he was by Steven's residence and then hung up the telephone. When she arrived near Steven's, Nick wasn't there, so she said that she drove past the Rios's residence, turned around, and parked near a tree on County Road 84A. She then attempted to call him, but his phone went to voicemail after he didn't answer. She called him back again and he answered and told her that he was running across the river.

Ashley drew a diagram of where she parked that evening. She said that when she was driving away from the tree she parked by, she saw Jesse's truck leave his residence. Ashley told Affiant that she had the headlights on the entire time and never turned them off when she was by the Rios's residence. Ashley travelled on Co Rd 84A towards County Road 101E. Once she reached Co Rd 101E, she turned right until she came to the intersection of County Road 84D. According to Ashley, she turned right onto Co Rd 84D and picked Nick up, directly across from the Rios's residence. After Nick got into the front passenger seat of her vehicle, she turned the vehicle around and went back towards her residence.

Ashley told Affiant that she and Nick had four telephone conversations during the events. Ashley remembered that Nick was wearing a black short sleeved shirt, black jogging style pants with a thin white line down the outside seam. She told Affiant that Nick was covered in blood and could see it on his black clothes, especially on his pants. She said that Nick took the plastic bag off of his foot and threw it out the window by the river, prior to her turning around. She described the bag to be a white, plastic, grocery style bag. She described the shoes that Nick was wearing to be black and white Nike's. The sides of the shoes were black and the soles were white. The shoes were similar to Air Jordan's and high tops. She recognized the shoes on Nick's feet again when he and her cousin, Jose Roybal, called her from the Nambe Falls Gas Station, after they committed a burglary.

According to Ashley, Nick told her that all three of the Ortiz's fought back. He told her that he killed Lloyd first, Steven second in the kitchen, and Dixie third in the bedroom. She didn't believe it because nobody had said anything about the homicide yet, nor had anything been on the news.

Ashley went on to describe that Nick was "twisted" and that she had seen him do some weird stuff. She said that Nick had done some mean stuff to animals in the past. She said that he once tied a shoelace around a cat's neck, threw it up in the air, and then slammed it on the ground. Also, she said that "he would stick firecrackers up their ass." Nick would also throw bricks at dogs.

She told Affiant during the interview that she would testify to the statements she told Affiant about if he needed her to. Ashley stated that she started using heroin to cope with her emotions of knowing about the suspect in the homicide.

Ashley said that a few months ago, she told her aunt, Bernadette Lujan, in a vehicle, that she knew who killed the Ortiz family but did not provide her with any names.

Agent Gomez conducted the second portion of the interview. During his interview, Ashley stated that while she was leaving her house and getting into the car with Nick to bring him home, Jose saw them. She said that he opened the door to his residence and was standing there in the doorway. She noticed that he was fully dressed and the lights were on inside of the house. Ashley said that it was not common for Jose to be up at 3:00 a.m. She said that Jose was messed up on drugs and needed help because he was an addict. She stated that Jose had hurt her grandfather, his mother and her before. He stated that he will hit them with their fists. Ashley went to the hospital one time because he beat her up. She said that she thought that Jose was capable of killing the Ortiz family but was unsure if he had anything to do with it. Moments later, she stated that she thought that Jose had something to do with the homicide. She said that when she left her residence to go pick Nick up, the lights were all off inside of Jose's house but when she returned to her house with Nick, all of the lights were on, which was not normal, according to her.

Agent Gomez asked her who else was there during the homicide and she responded by stating that Nick told her that Jose was supposed to help but he "punked out." She said that Nick told her that Jose walked up to the house, got scared and left, on foot, back to his house. Nick went inside of the residence and did it himself. Based on Jose's temper, Ashley felt that she thought Jose was involved. Ashley said that when she went around the other side of the river to pick Nick up, he told her that Jose punked out, he got scared and left. Ashley believed that Jose didn't punk out, but rather he was inside the Ortiz residence with Nick during the homicide.

After the interview, Affiant advised Sergeant Scott McFaul to make contact with an employee at Ace's Towing to locate the Saturn that Ashley sold to them. New Mexico State Police Agents went to Ace's Towing and they advised that they did not have paperwork on that particular vehicle and did not remember purchasing the vehicle from Ashley. Agents went back to Ace's Towing later the same day and the worker then remembered purchasing the vehicle. He stated to Agents that Ashley drove the vehicle to them and they paid her cash for the gray Saturn, and then sent it to Gallegos Recycling, Espanola, New Mexico as scrap metal. Sergeant McFaul advised the Espanola State Police Agents of the information and Agent Joey Gallegos began an investigation regarding the location of the vehicle. Refer to Agent Gallegos's supplemental report for details.

After the interview with Ashley, Affiant looked into the cellular telephone records previously obtained of Jose Roybal's telephone number. On page 45 of 122 of the records, he observed one telephone call from Jose's phone to Ashley's phone on 6/19/11 at 3:22:35 a.m. The duration of the call was 24 seconds. Also, during the same timeframe, there were four texts sent to and from the telephone number that Ashley stated belonged to Nick. All of the texts occurred between 4:24:05 and 4:33:08.

Based on the information that Ashley stated to Affiant that she had cellular telephone contact with Nick Ortiz on the evening of the homicide, it is imperative that the cellular telephone records be obtained from Verizon Wireless for both the telephone of Ashley Roybal and Nick Ortiz.

Documents maintained by Verizon Wireless may be material and relevant to this investigation based on numerous interviews that have been conducted in this case.

Affiant is also aware that suspect(s), victim(s) and/or witness(s) often make and/or receive telephone calls before, during and/or after the commission of crime(s). Such information, if it exists, may be material and relevant to this investigation.

Affiant is aware through training and experience that people who have apparent knowledge of the incident often make telephone calls to the scene and/or attempt to communicate with each other during the time that law enforcement personnel are executing the search warrant. These people often utilize a variety of communications equipment, including, but not limited to cellular telephones to communicate before, during, and after the incident.

Therefore, Affiant respectfully requests that the Court issue a Warrant commanding the search of the above-described cellular telephone.

The facts tending to establish the foregoing grounds for issuance of a Search Warrant are as follows:

Affiant, Kraig Bobnock, is a full time salaried law enforcement officer who has been employed by the New Mexico State Police for a period of approximately four years. Affiant has received specialized training in criminal investigations through the New Mexico Law Enforcement Academy and the New Mexico State Police Academy. Affiant has received training in the investigation of violent crimes including but not limited to homicide investigations. Affiant has received both classroom and on the job training

concerning the investigation of the above offense(s). Affiant has conducted numerous criminal investigations that led to the arrest and conviction of persons in violation of New Mexico State Statutes.

On Sunday, June 19, 2011, at approximately 7:50 p.m., Affiant was contacted by New Mexico State Police, Investigations Bureau Lieutenant Ted Collins. Lieutenant Collins requested affiant to proceed to #3 Coral Road in El Rancho, New Mexico, to assist in an investigation of a triple homicide. The decedents were identified as Dixie Ortiz, Lloyd Ortiz, and Steven Ortiz.

The case agent at the time of the call for service was Agent Bryan Waller, New Mexico State Police Investigations Bureau. He arrived at #3 Coral Street in El Rancho at 10:19 p.m. Shortly after his arrival, he was briefed by New Mexico State Police, Uniform Bureau Officer Michael Mariscal. Officer Mariscal advised him that he was dispatched to #3 Coral Street in El Rancho in reference to three individuals that were shot in the head. Officer Mariscal arrived on scene at approximately 7:26 p.m., and met with the reporting party, Cherie Ortiz. Ms. Ortiz is the daughter of Lloyd and Dixie Ortiz. Ms. Ortiz advised Officer Mariscal that she went to her mother's residence and found her brother mother and father deceased. She then exited the residence and used her husband's cell phone to immediately contact law enforcement. Officer Mariscal advised Agent Waller that he then conducted a security sweep of the residence. While conducting the security sweep, Officer Mariscal observed a deceased female lying face down on the right side of the bed in the master bedroom. He also located a deceased male subject lying face down in the kitchen. When Officer Mariscal exited the backdoor of the residence, he located another deceased male subject lying face down near a tree. Officer Mariscal did not locate any weapons and indicated that all three deceased subjects appeared to have suffered from head trauma.

Through interviews conducted, information was collected that the one of the neighboring family members got up out of bed and looked out of the kitchen window and saw a suspicious silver car parked on the road in front of his house and to the west. The car then passed by the front of his house in an easterly direction and went out of sight. Jesse, son in law to the deceased, described the car as a small silver or gray in color with no other description. According to Cherie, daughter and sister of victims, she saw and heard Jesse leave the house in his Dodge truck after seeing the car pass by his house. During a clarification interview with Jesse, he did in fact state that he did leave his house in his truck after he heard the dogs barking, heard some voices in the dirt lot directly behind the victim's house, and then seeing the suspicious car in front of his house. Jesse stated that he drove towards the silver or gray car and actually drove right by it as it was parked on the east side of his house. After he drove past the car, it left the area and Jesse went in the opposite direction of the suspicious car up to the El Rancho Community Center. Jesse could not provide any other description of the suspicious car other than it was silver and had round tail lights. Jesse specifically stated that he never contacted the individuals in the suspicious car and never saw them again after they drove out of sight.

On Wednesday, October 17, 2012 at around 3:00 p.m., Lieutenant William Pacheco, Santa Fe County Sheriff's Office contacted me and advised Affiant that Detective David Jaramillo was with a female that wanted to share information with law

enforcement regarding the homicide of Lloyd, Dixie and Steven Ortiz. He advised Affiant that Detective Jaramillo, Santa Fe County Sheriff's Office, would contact Affiant with the information that she provided him with.

At around 3:20 p.m., Detective Jaramillo contacted Affiant via department issued cellular telephone and advised him that Ashley Roybal had some intimate details regarding the evening of the homicide. Detective Jaramillo provided Affiant with a briefing of the information she relayed to him. She stated to him that around 3:10 a.m., on the morning of June 19, 2012, Niek Ortiz contacted her via cellular telephone and requested her to pick him up in a little while. She stated that Nick had a pattern that he would burglarize a residence and then contact her for a ride afterwards. She stated that Nick called her again around 3:45 a.m. and requested her to pick him up near Steven's house. She told Detective Jaramillo that she picked him up in her gray Saturn passenger car that she recently sold to Ace's Towing because it broke down on her.

Ashley stated that when she arrived to pick Nick up near the Ortiz residence, he was covered in blood and was wearing a black t shirt, black jogging pants and black Nike brand shoes with a white Nike symbol on them. She noticed that when Nick got into her vehicle, he had a white grocery bag tied around one of his feet. Between his foot and the plastic bag was some type of tissue. He stated to her that he went into a house to rob the Ortiz's for twenty thousand dollars, which he had knowledge that was inside of their residence. Nick told Ashley that he had socks on his hands when he killed them. Ashley also stated to Detective Jaramillo that Jesse Rios's truck left his residence while she was there to pick up Nick. Nick also stated to Ashley that he threw the pick axe in a yard. Affiant contacted New Mexico State Police Lieutenant Ted Collins and advised him of the situation and he assigned Affiant to go to Santa Fe to interview Ashley. Affiant left his residence and proceeded to the Santa Fe County Sheriff's Office.

At around 3:54 p.m., Affiant interviewed Ashley Roybal at the Santa Fe County Sheriff's Office. Ashley was incarcerated at the Santa Fe County Adult Detention Center regarding unrelated burglary charges. Ashley was under the custody of the Detectives of the Santa Fe County Sheriff's Office. Since Ashley was handcuffed during the interview, Affiant read her the Miranda Rights and she agreed to speak with him. While Affiant introduced himself, at 1:51 into the video recording, Ashley interrupted him and stated, "I know who did it." Again at 1:54 into the video recording, Ashley stated once again, "I know who did it." Affiant told Ashley that he would allow her to explain the events surrounding the homicide and he would ask clarification questions as they arose.

Ashley started the interview by stating that on Saturday, June 18, 2011 at around 3:00 a.m., Nick called her and stated to her that he was going to need a ride. She told him to give her a call when he needed the ride and she would go and pick him up. At around 3:45 a.m., he called her back and told her that he needed her to go and pick him up over by Steven's house. Ashley told Affiant that when she got over by Steven's house, she called Nick on his cellular telephone and asked him where he was at. He told her that he was running across the river. Ashley then drove to the other side of the river and picked him up. She stated that when she picked him up, he had blood all over his clothes. Nick had a trash bag on one of his shoes. He told her later that he had one trash bag on each foot but lost one of them in the river. Nick also told her that he had socks on each of his

hands during the murders and threw them away before she picked him up on the other side of the river. In between his shoe and the trash bag, was tissue. Ashley drove Nick to her residence, 7 Little Louis Avenue, El Rancho, NM, so he could take a shower and clean up. While he was in the shower, she could hear him crying. She said that the shower he was using was upstairs and her bedroom was downstairs. She was in her bedroom while he was in the shower and could hear him crying from there. She went upstairs and knocked on the door and asked if he was ok and he told her that "yea, just leave me the fuck alone, I just need to go home, I need to go home." She told him that she would give him a ride and asked him what was going on. According to Ashley, he said to her that "I fucked up, I fucked up." She asked him what was wrong and he replied to her that he would be right out. Ashley asked him if he was ok and he replied that he was and asked her to bring him to his residence. After Nick got out of the shower, he put the same bloody clothes back on. On the way to his house, he didn't say anything to her, instead, he just cried the whole way home. Just before 5:00 a.m., she dropped him off at his residence, behind the car wash on State Road 502, Pojoaque, NM.

Nick called her the next day and told her that he killed them with a pick axe. He never told her where he got the pick axe from but he did tell her that he threw it after he killed the Ortiz's. Nick wasn't specific who "them" were but he kept stating that "I killed them." According to her, he told her "not to fuckin say anything." Ashley stated that she took it as a threat and she thought he would kill her. She was also in fear for her family and grandparents. During that same phone conversation, Nick told Ashley that he intended to go and rob the Ortiz's for twenty-thousand dollars that he knew was in a safe in the closet. Nick told Ashley that he had robbed the Ortiz's residence previously and stole one thousand dollars in one dollar bills, so he knew they had more money and was going back to get a bigger amount. Ashley also stated that Lloyd caught Nick when he was trying to rob them previously.

Ashley mentioned that when she was parked near the Ortiz residence and called Nick, she saw Jesse's Dodge truck leave his residence. She said that he saw her car. Ashley described her vehicle as a gray two door Saturn passenger car. At the time, the vehicle was registered to her sister, Glenda Lujan. Ashley told Affiant that she sold her car to Ace's Towing, Pojoaque, NM, approximately three to four months ago because the motor quit working. She thought that Ace's Towing probably crushed the vehicle. She told Affiant that she had not cleaned the interior of the vehicle since the night of the homicide. According to Ashley, she did not vacuum it nor scrub it clean. She stated that "there could be" blood inside of the vehicle, but did not recall seeing any.

Affiant asked Ashley to clarify the date and time that Nick first called her requesting a ride. She stated that it was Sunday, June 19, 2011 when he first called her, not Saturday. Ashley stated that Nick was calm the first time that he called her arranging the car ride. The second time he called, she said he sounded like he was panicking. Ashley said that the first conversation lasted approximately two minutes and her telephone number was 505-412-9513, which was still registered to her. She said that Nick had the telephone number 505-692-3405 or 505-629-3405, either or. She couldn't remember if the number began with 692 or 629.

The second conversation with Nick was between thirty to forty-five minutes later.

She said he sounded panicked, was crying, and told her to come pick him up right away. Ashley left her residence, travelled between four or five minutes, alone, to pick up Nick. Nick told her that he was by Steven's residence and then hung up the telephone. When she arrived near Steven's, Nick wasn't there, so she said that she drove past the Rios's residence, turned around, and parked near a tree on County Road 84A. She then attempted to call him, but his phone went to voicemail after he didn't answer. She called him back again and he answered and told her that he was running across the river.

Ashley drew a diagram of where she parked that evening. She said that when she was driving away from the tree she parked by, she saw Jesse's truck leave his residence. Ashley told Affiant that she had the headlights on the entire time and never turned them off when she was by the Rios's residence. Ashley travelled on Co Rd 84A towards County Road 101E. Once she reached Co Rd 101E, she turned right until she came to the intersection of County Road 84D. According to Ashley, she turned right onto Co Rd 84D and picked Nick up, directly across from the Rios's residence. After Nick got into the front passenger seat of her vehicle, she turned the vehicle around and went back towards her residence.

Ashley told Affiant that she and Nick had four telephone conversations during the events. Ashley remembered that Nick was wearing a black short sleeved shirt, black jogging style pants with a thin white line down the outside seam. She told Affiant that Nick was covered in blood and could see it on his black clothes, especially on his pants. She said that Nick took the plastic bag off of his foot and threw it out the window by the river, prior to her turning around. She described the bag to be a white, plastic, grocery style bag. She described the shoes that Nick was wearing to be black and white Nike's. The sides of the shoes were black and the soles were white. The shoes were similar to Air Jordan's and high tops. She recognized the shoes on Nick's feet again when he and her cousin, Jose Roybal, called her from the Nambe Falls Gas Station, after they committed a burglary.

According to Ashley, Nick told her that all three of the Ortiz's fought back. He told her that he killed Lloyd first, Steven second in the kitchen, and Dixie third in the bedroom. She didn't believe it because nobody had said anything about the homicide yet, nor had anything been on the news.

Ashley went on to describe that Nick was "twisted" and that she had seen him do some weird stuff. She said that Nick had done some mean stuff to animals in the past. She said that he once tied a shoelace around a cat's neck, threw it up in the air, and then slammed it on the ground. Also, she said that "he would stick firecrackers up their ass." Nick would also throw bricks at dogs.

She told Affiant during the interview that she would testify to the statements she told Affiant about if he needed her to. Ashley stated that she started using heroin to cope with her emotions of knowing about the suspect in the homicide.

Ashley said that a few months ago, she told her aunt, Bernadette Lujan, in a vehicle, that she knew who killed the Ortiz family but did not provide her with any names.

Agent Gomez conducted the second portion of the interview. During his interview, Ashley stated that while she was leaving her house and getting into the car with Nick to bring him home, Jose saw them. She said that he opened the door to his residence and was standing there in the doorway. She noticed that he was fully dressed and the lights were on inside of the house. Ashley said that it was not common for Jose to be up at 3:00 a.m. She said that Jose was messed up on drugs and needed help because he was an addict. She stated that Jose had hurt her grandfather, his mother and her before. He stated that he will hit them with their fists. Ashley went to the hospital one time because he beat her up. She said that she thought that Jose was capable of killing the Ortiz family but was unsure if he had anything to do with it. Moments later, she stated that she thought that Jose had something to do with the homicide. She said that when she left her residence to go pick Nick up, the lights were all off inside of Jose's house but when she returned to her house with Nick, all of the lights were on, which was not normal, according to her.

Agent Gomez asked her who else was there during the homicide and she responded by stating that Nick told her that Jose was supposed to help but he "punked out." She said that Nick told her that Jose walked up to the house, got scared and left, on foot, back to his house. Nick went inside of the residence and did it himself. Based on Jose's temper, Ashley felt that she thought Jose was involved. Ashley said that when she went around the other side of the river to pick Nick up, he told her that Jose punked out, he got scared and left. Ashley believed that Jose didn't punk out, but rather he was inside the Ortiz residence with Nick during the homicide.

After the interview, Affiant advised Sergeant Scott McFaul to make contact with an employee at Ace's Towing to locate the Saturn that Ashley sold to them. New Mexico State Police Agents went to Ace's Towing and they advised that they did not have paperwork on that particular vehicle and did not remember purchasing the vehicle from Ashley. Agents went back to Ace's Towing later the same day and the worker then remembered purchasing the vehicle. He stated to Agents that Ashley drove the vehicle to them and they paid her cash for the gray Saturn, and then sent it to Gallegos Recycling, Espanola, New Mexico as scrap metal. Sergeant McFaul advised the Espanola State Police Agents of the information and Agent Joey Gallegos began an investigation regarding the location of the vehicle. Refer to Agent Gallegos's supplemental report for details.

After the interview with Ashley, Affiant looked into the cellular telephone records previously obtained of Jose Roybal's telephone number. On page 45 of 122 of the records, he observed one telephone call from Jose's phone to Ashley's phone on 6/19/11 at 3:22:35 a.m. The duration of the call was 24 seconds. Also, during the same timeframe, there were four texts sent to and from the telephone number that Ashley stated belonged to Nick. All of the texts occurred between 4:24:05 and 4:33:08.

Based on the information that Ashley stated to Affiant that she had cellular telephone contact with Nick Ortiz on the evening of the homicide, it is imperative that the cellular telephone records be obtained from Verizon Wireless for both the telephone of Ashley Roybal and Nick Ortiz.

Documents maintained by Verizon Wireless may be material and relevant to this investigation based on numerous interviews that have been conducted in this case.

Affiant is also aware that suspect(s), victim(s) and/or witness(s) often make and/or receive telephone calls before, during and/or after the commission of crime(s). Such information, if it exists, may be material and relevant to this investigation.

Affiant is aware through training and experience that people who have apparent knowledge of the incident often make telephone calls to the scene and/or attempt to communicate with each other during the time that law enforcement personnel are executing the search warrant. These people often utilize a variety of communications equipment, including, but not limited to cellular telephones to communicate before, during, and after the incident.

Therefore, Affiant respectfully requests that the Court issue a Warrant commanding the search of the above-described cellular telephone.

SYNOPSIS
This report documents the ongoing homicide investigation of Lloyd, Dixie and Steven Ortiz. Refer to the narrative portion of this report for details.

NARRATIVE

On October 18, 2012, I faxed a preservation letter to Verizon Wireless so they could preserve the telephone records of Ashley Roybal and Nick Ortiz's telephone information. Refer to attachment #1 for a copy of the preservation letter.

On November 6, 2012, I brought a CD containing the interviews with Ashley Roybal to Lisa Quintana, New Mexico State Police Transcriptionist so she could transcribe the interviews. I received one transcription from her on November 9th and the other one on the 16th. Refer to attachment #2 for a copy of both transcriptions.

On November 7, 2012, I received the records I requested from Verizon for the telephone number 505-629-3405, registered to Leonard Ortiz, Nick Ortiz's father. Refer to attachment #3 for a copy of the phone records.

On November 8, 2012, I went to the First Judicial District Court house in Santa Fe to present the Grand Jury with two Subpoena Duces Tecum's requesting subscriber information for two telephone numbers. The numbers were 505-999-7854 and 505-913-9157. After the subpoenas were approved, I faxed them to their appropriate destinations, one being Sprint and the other Verizon. Refer to attachment #4 for a copy of the subpoenas. On November 13, I received a letter from Sprint informing me their records indicate the telephone number 505-913-9157 was serviced by Verizon during the timeframe indicated on the subpoena. I notified the District Attorney assigned to the case and she instructed me to draft up a new Subpoena Duces Tecum and present it to the Grand Jury for approval. I completed a separate subpoena and the District Attorney presented it to the Grand Jury on November 15. Refer to attachment #5 for a copy of the letter from Sprint and the Subpoena Duces Tecum. The subpoena was faxed to Verizon on November 16.

On November 20, 2012, I received a Laboratory Report from the New Mexico Department of Public Safety Forensic Laboratories regarding tool marks on a Duravault safe previously submitted to the Forensic Laboratory. The results concluded item Y-2, True Temper pick axe, could neither be identified nor excluded as having created the tool marks found on item A, Duravault safe. Results concluded there was some agreement of individual characteristics, but insufficient for an identification. Refer to attachment #6 for a copy of the Laboratory Report.

During the investigation, from New Mexico State Police Agents, I was provided with documents Ace's Towing was able to produce. Also, I was given miscellaneous information regarding Ace's Towing from Gallegos Scrap Metal, Espanola. Refer to attachment #7 for a copy of all documents provided by Ace's Towing and Gallegos Scrap Metal.

On December 5, 2012, I received two faxes from Verizon Wireless providing me with results from subpoenas I faxed to them. The faxes contained subscriber information for New Mexico telephone numbers 505-913-9157 and 505-999-7854. The number 505-913-9157 returned to the subscriber Humberto Zubea and 505-999-7854 returned to Dyane Montoya. Refer to attachment #8 for a copy of both subpoena compliance information.

On December 7, 2012, Ryan Jimenez from the Transportation Investigations Division, New Mexico PRC, sent me an e-mail with information provided to him by Ace's Towing's attorney, Matthew Ortiz. The e-mail contained numerous documents regarding the Saturn Ashley Roybal sold to Ace's Towing. Many of the documents had been altered or changed than the previous documents submitted by Ace's Towing directly to NMSP Agents. Refer to attachment #9 for a copy of all paperwork sent by Matthew Ortiz.

On December 12, 2012, Lt Ted Collins provided me with a copy of letters that were exchanged between NMSP Office of Legal Affairs and Cullen Hallmark, Attorney for the Estates of Lloyd and Dixie Ortiz. The letters contained conversation regarding personal property that Cullen Hallmark was requesting to be released from NMSP custody. Refer to attachment #10 for a copy of the letters.
On December 14, 2012, I received a timeline from the NMSP Analyst outlining the phone calls and texts placed between Erik Zubea, Ashley Roybal, Nick Ortiz and Jaiven Barros. This information was provided to me on both a disc and a timeline that was taped together. The timeline will not be attached to all reports but will be available in the agent's case file due to its length.

HAROLD AND BERNADETTE LUJAN INTERVIEW AT LEA

On December 28, 2012, I held an interview with Harold and Bernadette Lujan and Bernice Roybal at the Law Enforcement Academy conference room. Prior to the interview, they approached Sergeant McFaul and told him they wanted to meet with us regarding some important information they received from their niece, Alyssa Roybal. Alyssa Roybal told Bernadette Lujan the information that Harold was providing us with.

Harold began the interview by saying Jose Roybal was drunk, at Alyssa's house, talking about the Ortiz murders. The night he was talking about the murders, Alyssa recorded some of the conversation on her cellular telephone. She sent Bernadette a text saying that Jose was drunk and talking about the Ortiz murders. She said she recorded him and would send them to Bernadette. During the interview, Harold showed us numerous text messages from Alyssa's phone, which I photographed. Refer to attachment #11 for a copy of the text messages.

Bernadette told me her parents, Luciano and Bernice Roybal's residence got broken into around the time frame their electricity went out. After one of the burglaries, Luciano was going through his belongings and writing down items which appear to have been missing. While he was doing that, he fell down and hit his eye on something, causing it to bleed. Bernice took him to the hospital and the staff said his blood was too thin and said it was caused by his medication.

Bernadette Roybal told us her brother, Carl Roybal, died at St. Vincent's Hospital or a bleeding stomach. Prior to Carl passing away, he told Bernadette he found out who killed the Ortiz's and was going to go confront Jesse, who he thought was the mastermind. St. Vincent's told Harold and Bernadette Carl did not die of liver cirrhosis but rather bleeding of his stomach. Bernadette said Carl had a bad drinking problem and she had taken all of his liquor bottles away from him so he could not drink. She said after Carl was buried, she found one bottle of alcohol that appeared to be pink or red and appeared to be oil or something similar. Bernadette threw the bottle in the trash and was disposed of.

One of the text message said Jose had some people give Aaron Roybal a hot shot, which killed him. Another message said Jose told Carl Roybal about the murder and Carl told on Jose, and that's why Carl is dead. Another message said a man told Jose to mess with Luciano's pills, but he lived. Bernadette said she went over to her father's house every week to fill his pill box up with the correct amount of medication he is supposed to take for the day. She believed the pill box was altered during one of the burglaries, who she suspected to be Jose. While Luciano was at the hospital, his Coumadin levels were dangerously high, which made Bernadette suspect Jose altered

Luciano's medication box. During the burglary, fireworks were taken from Ashley Roybal's bedroom. Jose and his friends lit those fireworks off for two evenings after the burglaries. One of the text messages said when Jose got evaluated at juvenile detention, they told him he had the mentality of someone who had killed in the war. Jose told Alyssa he had taken three souls. Refer to the attachment for a copy of all texts send by Alyssa.

This concludes the interview with Harold and Bernadette Lujan and Bernice Roybal. Refer to the attached audio file for entire interview.

On January 8, 2013, I received a telephone call from Cherie Ortiz-Rios reference a pillow she found belonging to Dixie, with some possible evidence on it. I went to the Ortiz-Rios residence and consensually gained possession of the pillow. I got back to the NMSP Investigations Bureau office and examined the pillow and the pillow case for any evidence. The pillow case had what appeared to be a shoe print on it but did not contain any specific detail. Based on the circumstances that evidence did not lead Agents to believe the suspect got on top of Dixie and Lloyd's bed to commit the murders, the shoe print was not believed to be directly related to the suspect. I captured four photographs of the shoe print. The pillow case was entered into the New Mexico State Police Headquarters Evidence Vault, but does not seem to have any evidentiary value at this moment in the investigation. Refer to attachment #12 for a copy of the photos and the SP205, Evidence Property Control Form.

On January 8, 2013 at around 2:35 p.m., I held a voluntary interview with Alyssa Roybal at the NMSP Investigations Bureau office in Santa Fe, New Mexico. Alyssa started the interview by telling me on an unknown night in 2012, between Christmas and New Years, at her house, she was lying on the sofa in her living room with her son and her cousin, Jose Roybal was there and drunk. Alyssa's boyfriend, Will Angel and her sister, Brianna Roybal, were in her room watching a movie while the incident occurred. Jose kept telling her some guy paid him to steal guns and a safe and that he needed to tell her some information pertaining to a murder. Later on in the evening, Jose told Alyssa that a guy named Jesse paid him to steal the guns but did not clarify a last name for Jesse. Alyssa assumed Jose was talking about Jesse Rios. Jose said he and Robert brought the guns to Jesse after they stole them. He told her he had no choice but kept telling her he knew about a murder but would not tell her which murder.

Jose told her the detectives went to him and that there were nine documents and there were seven left. She was unclear what he was talking about. During the conversation with Jose, she said she recorded him talking on her cellular telephone. At one point during their conversation, he asked her what she was doing with her phone, and she replied nothing, and put her phone away. Jose asked Alyssa if she liked her baby and told her the baby would die for her. Jose told her that the people associated with the seven documents were going to die. Jose told her he was paid to go rob a house for a fix and stuff got out of hand and they had to do it. He was telling her that with his lord, he could get through anything. He kept talking about his lord.

Earlier that day, William went to pick Brianna up from school with Alyssa. While they were picking up Brianna, Jose was there and didn't have a ride, so they brought him to their house with them. When they picked him up, they noticed he was already drunk. Alyssa said when Jose drinks Vodka, he gets sad, wants to hug everyone and wants attention. That night, Jose drank something similar to Captain Morgan, which made him a different person. He gets violent and could kill someone, according to Alyssa. The

first night Jose got out of juvenile detention, in October; he drank Vodka and beat up his mother and father.

During the same conversation, Jose brought up an incident which involved their grandfather, Luciano Roybal. Jose told Alyssa "a man told me to mess with grandpa's pills, but he lived." She described his voice as though he was disgusted and sarcastic. Jose told her if he ever had to move out of his trailer, he would burn down every house starting from the top, which would be Bernadette and Harold Lujan's residence. He kept bringing up the seven documents and everyone was going to die.

Jose mentioned Carl Roybal to Alyssa. He told her he trusted Carl and "the devil caught his soul like a rat trap," according to Alyssa. Alyssa said Jose brought up her cousin, Aaron Roybal, Carl's son. He told her he didn't give him a hot shot but rather Aaron was dead because of him, Jose. Jose told Alyssa to tell whoever she wanted because his god would keep him alive. Alyssa said she almost called his probation officer and told them he was doing heroin and using fake urine for his probation urine tests, just so he would go back to jail. She said he would go to a place called 420 Smoke Shop in Espanola, New Mexico to get the urine. He told her he has to shoot up five cc's of heroin to make himself feel normal.

Alyssa told me during the interview that she heard Jesse paid Daniel and Phillip Roybal to murder the Ortiz family. She could not recall exactly who she heard it from, but it was right after the murder that she heard it. She also heard that her grandpa was "loopy on his medication" and murdered the Ortiz's.

Alyssa said the only people she told about Jose talking while he was drunk, was her mother, Harold and Bernadette Lujan.

According to Alyssa, Jose told Brianna, that when he was being evaluated while he was at the juvenile detention center, they told him he had the mentality of someone who had just come back from a war, like he's seen death or something.

I asked Alyssa if she was aware of Jose being in a gang with a person named Nick. She said she heard Nick Ortiz was involved in the murders but did not know his level of involvement or any specifics. Alyssa said she used to see Nick quite frequently when Jose and Nick used to hang out but hadn't seen him in a while. This concluded the interview with Alyssa. For details and exact wording refer to the attached audio file.

On January 11, 2013, I contacted Chief Deputy District Attorney, Petra Schwartz and told her I was going to complete a search warrant for Dixie's laptop computer and four thumb drives, which were in the NMSP Headquarters Evidence Vault. I explained to her the laptop and thumb drives were removed from the Ortiz's residence by means of consent and placed into the vault. The items were not believed to contain any evidence pertaining to the investigation until this point. Based on recent information relating to the erection of a fence Lloyd built, there may have been documents, receipts or photographs of the fence that would assist in the investigation. Also, through interviews, it was learned that Dixie communicated by e-mail with relatives. By completing this search warrant, it would allow me to analyze the computer as well as the four thumb drives for information that would assist with this investigation.

On January 15, 2013 I went to the Regional Forensic Computers Laboratory in Albuquerque, New Mexico to extract information from the four thumb drives and submit the laptop

computer to be analyzed, which were entered into the evidence vault earlier during the investigation. I signed the laptop computer over to them for analysis and they instructed me on how to extract the information on the thumb drives, on their kiosk at the facility. The search warrant was filed and sealed with the First Judicial District Court on January 17, 2013. The original discs will be placed into the evidence vault and copies will be attached to this report. Refer to attachment #13 for a copy of the search warrant.

On Friday, March 15, 2013, I met with Cullen Hallmark at the NMSP Investigations Bureau office to release property seized during the search warrant execution of the Ortiz residence in June 2011. Property to be released consisted of items no longer pertinent to the investigation that were of evidentiary value to the estates. Cullen told me he planned to sell the items released to him to continue making payments for the Estate of Lloyd and Dixie Ortiz. I spoke with District Attorney, Angela Pacheco and Chief Deputy District Attorney, Petra Schwartz and they expressed to me they had no interest in being present during the release of the firearms and ammunition. Also, they told me the items were not pertinent to the investigation and may be released to the representative of the Estates of Lloyd and Dixie Ortiz.

Items released to Cullen Hallmark are as follows:
Item 4C- Marlin, bolt action, .22 rifle and scope, S/N 18656111
Item 6A- FIE, .22 revolver, S/N 892465 and holster
Item 6B- Smith and Wesson, .38 special, no S/N, and holster
Item 6C- 8 boxes of ammunition, .38 special by Sandia, PMC, Parker, Amtech, .22 by Remington
Winchester, CCI, and .25 auto by Winchester
Item 5A- Western Field semi automatic, .22 rifle with scope, S/N M23749
Item 5B- Western Field lever action, .22 unknown S/N
Item 4A- Ruger single action .22 revolver
Item 4A-1- holster

Refer to attachment #14 for a copy of the Department of Public Safety Receipt and Release Form signed by Agent Kraig Bobnock, Cullen Hallmark and New Mexico State Police witness, Agent Rafael Gomez.

During the investigation, the FBI provided me with a general assessment questionnaire (GAQ) to be given to the immediate family members of the deceased victims and request them to fill out information pertaining to their siblings or relatives. The questionnaires were provided to Jesse Rios, Cherie Ortiz-Rios, Robert Rios, Catalina Rios, Kristopher Spinks and Angela Spinks. The purpose of this questionnaire was to provide background information and family history. This would assist with any risk factors or disputes the family may have been involved in. The questionnaires were all returned to me and are attached to this report as attachment #15.

During the investigation, I received information that Lloyd constructed a fence on his property to keep neighborhood kids out of his back yard and I needed clarification on when the fence was built. During an interview at the Rios residence with Jesse, Cherie and Robert, Robert told me he helped his grandpa (Lloyd) build a fence that would enclose his entire property the week before they were killed. He said Lloyd built the fence because he caught Nick Ortiz in the backyard two weeks before the homicide. I asked Cherie if she had any documentation that would clarify the date the materials were purchased to build the fence. Cherie called me and told me she found an online receipt

dated June 10, 2011 itemizing wood panels, timbers, padlocks, hinges and other items used for building a fence. I went to the Rios residence and obtained a copy of the receipt. It appeared $547.03 worth of merchandise was purchased from the Lowe's in Espanola, New Mexico on June 10, 2011. Items purchased were: wood fence panels, PT timbers, bagged goods, KD Whitewood and Fir studs, padlocks, batteries, and Stanley specialty hinges. Refer to attachment #16 for a copy of the receipt obtained from Lowe's.

On Monday, July 1, 2013 at around 10:05 a.m., I went to Jose Roybal's residence in El Rancho to ask him and his mother if he could go to Santa Fe for an interview with me. I asked a female at the residence Pam Salazar was home and she told me she was with Jose in Espanola for his urinary analysis tests. The female told me Jose had a job in Los Alamos with the Forestry. I spoke with Pamela on the telephone while I was at their residence. She told me she would call me back in about one hour to see if they were available to go to Santa Fe for an interview.

At around 10:40 a.m., I received a telephone call from the State Police telling me Jose Roybal called and left a message for me to call him back. I called Jose and asked him if he was willing to go to Santa Fe for a voluntary interview and he said he was. We told him we would pick him and his mother up at the Pojoaque Police Department and give them a ride to Santa Fe and we would bring them back when we were done with the interview. Shortly after our conversation, we met them at the Pojoaque PD and provided Jose and his mother, Pamela Salazar to the Investigations Bureau office in Santa Fe where the interview was held.

INTERVIEW JOSE ROYBAL

At around 11:30 a.m., I began the interview with Jose, with his mother in the interview room with him. Agent Rafael Gomez was present during the interview and assigned to document the interview. Refer to his supplemental report for a synopsis of the interview. The entire trip both to and from Pojoaque PD was audio recorded and will be attached to this report.

On Monday, July 1, 2013, at around 2:50 p.m., I went to Nick Ortiz's residence to see if his mother or father was at the residence to request permission from them to interview their son, Nick. I spoke with Nick's sister and she told me both of her parents were at work and should be home around 4:00 p.m. She said Nick's friend Troy just had a baby and he was with them. His sister called Nick's father and he told her he would be home shortly. At around 3:10 p.m., Desiree Ortiz, Nick's mother, arrived at the residence. I spoke with Ms. Ortiz at the residence and asked her if she would give us permission to speak with Nick. She said she would call us when Nick was available for an interview. She asked me if she could be present during Nick's interview and I told her that she was welcomed to be there if she wanted to.

On Tuesday, July 9, 2013, I went with Sergeant McFaul and Agent Gomez to Jaiven Baros's residence in El Rancho to see if she could come to Santa Fe for an interview. A female was inside of a vehicle parked outside of her residence. I asked the female if I could speak with her for a couple of minutes and she said I could. I identified myself and asked her if she was Jaiven Baros and she said she was. After a couple of minutes of speaking with Jaiven, Sergeant McFaul asked her how old she was and she replied that she was sixteen years old. At that point, we stopped talking to her and asked her to have a parent or guardian call me and I would request an interview from him or her. It was

unknown Jaiven was a juvenile until that moment when he asked her age. An interview was set up with Jaiven and her mother, Sandy Quintana, for Friday, July 19, 2013 at the Investigations Bureau office at 2:00 p.m.
On Tuesday, July 9, 2013, at around 11:15 a.m. I went to Nick Ortiz's residence to see if he was available for an interview. Nick answered the door and I asked him if he was willing to go to Santa Fe for a voluntary interview, which he said he would.

INTERVIEW NICK ORTIZ

At around 12:00 p.m., I held a voluntary interview with Nick Ortiz at the Investigations Bureau office in Santa Fe. Prior to the interview, I advised Nick he was allowed to stop the interview at any point he felt like he wanted to and I would bring him back home. This interview was brought to the New Mexico State Police Transcription Unit to be transcribed on Monday, July 22, 2013. During the interview with Nick, I asked him to clarify the evening he got caught int he back yard of the Ortiz's. He did not add any further details than he previously provided in a different interview. Refer to attachment #17 for a copy of the transcript.

The entire trip both to and from Nick's residence was audio recorded and will be attached to this report.

During the interview with Nick, he told me he was in a relationship with Whitney Martinez. I made arrangements by telephone with Whitney's mother to hold a voluntary interview with Whitney. Her mother spoke with Whitney regarding an interview and they both agreed on coming to Santa Fe for the interview. Initially Whitney's mother, Diana Lopez, was going to bring Whitney to the NMSP Investigations Bureau office and later decided it would cost too much money in gasoline. I offered to Ms. Lopez to go and get her and Whitney and provide them with a ride to the office if they would prefer. At around 2:00 p.m. on Thursday, July 11, 2013, Agent Gomez and I arrived at 1A Calle Orilla to pick up Whitney and her mother. We provided them with a ride to the office in Santa Fe for the interview. The case was not discussed during the transportation to the office.

INTERVIEW WITH WHITNEY MARTINEZ AND DIANA LOPEZ

At around 2:43 p.m., I began the interview with Whitney. Present in the interview room was Ms. Lopez and Agent Gomez. Whitney started the interview by saying she was in a relationship with Nick Ortiz. She said the last time she saw Nick was yesterday, when she was at his house. Whitney told me she told Nick we would be interviewing her and he told her to be careful. He also told her I would be asking her questions pertaining to the investigation with Robert Rios's family. I asked Whitney to describe Nick and she told me he was stubborn and was not home very much because he was busy with his friends. She said he dropped out of school. Ms. Lopez said she did not approve of Nick being in a relationship with her daughter. Ms. Lopez described Nick to be controlling, jealous and was in a lot of in trouble.

Ms. Lopez said one of the times Nick got into trouble with Whitney was when Nick stole Ms. Lopez's friend's Ford Explorer. Her friend left his vehicle and keys at her house and Nick stole them and crashed the vehicle with Whitney inside.

I asked Whitney when the last time she was at Nick's house, with the exception of yesterday, and she told me last weekend, referring to the weekend of July 7th. She said

she was at his house probably three times, but did not give a time frame of exactly when those three times were. Whitney said Nick and his friend, Chris Sanchez, picked her up at her house in his Honda Civic on Tuesday night. I asked her how they arranged for him to pick her up and she said Nick texted her phone around 8:00 p.m. or 9:00 p.m. and told her he was going to go to her house and pick her up. She spent the night at Nick's house and her mother picked her up on the road near Nick's residence around 11:00 a.m. the following morning. Whitney lied to her mother where she was spending the night. She told her she was staying at a friend named Julie's house and showed her mom where Julie's house was. Ms. Lopez went to the house Whitney identified as Julie's and asked for Julie and a male told her she was at the wrong house and nobody named Julie lived there.

Whitney said she had never met Lloyd and Dixie but had seen Steven a couple of times. Whitney said she never heard Nick say he was going to hang out with Steven but did hear him say he would go hang out with Robert Rios.

I asked Whitney if she could remember a time around the time frame of the homicide where Nick stayed at her house for a couple of nights. Ms. Lopez said she stayed at her house every night around the time frame of the homicide and said Nick stayed there one time that she could remember but not around the time of the homicide. She also said that was only for one evening.

I asked Whitney to explain everything she knew about the triple homicide. She said she did not know where Nick was at the night of the homicide. She said Nick was close to Robert and his family but Nick never talked to her about hanging out with Steven. Whitney had heard a lot of the rumors about what happened to the Ortiz family, which she did not mention exactly what they were, but she did say that she didn't think Nick could do that or have any part of the homicide. In her opinion, he was not a violent person. Nick told Whitney that Robert blamed him for the homicide. Whitney also said that approximately three years ago, when Nick was a freshman in High School, that he broke into the Ortiz residence. She said Nick told her he broke into their house for Marijuana. Whitney said Nick had a lot of enemies in the Pojoaque, El Rancho area because he used to get into a lot of fights. Whitney said Nick used to hang out with the wrong people and steal from other people. Nick told Whitney approximately two years ago that he broke into Robert's house and stole Marijuana from him. She thought Jose Roybal and Eric Zubea were with him when they broke into Robert's house.

We asked Whitney if Nick respected her and she said "somewhat." She said he wants everything his way and is controlling. She said the other night, she was texting a male and he was saying goodnight to her and Nick saw the text and called the guy and was asking for a fight. He told her he didn't want her talking to that guy anymore. According to Whitey, Nick tells her she cannot wear certain articles of clothing or makeup. She said he has told her this approximately five times since June 21st, when they got back into their relationship. Agent Gomez asked Whitney if she thought Nick needed help and she replied that he did.

Sergeant McFaul entered the interview room during the interview and asked Whitney a couple of questions. He asked her if she remembered when Nick was staying with Robert Rios at his house and she said that didn't make sense to her because he never told her anything like that. After Sergeant McFaul was done with his questioning of Whitney, he asked her to leave the room and she was escorted to a waiting area in the Investigations Bureau office. Whitney left the interview room and we continued to speak to her mother.

Sergeant McFaul asked Ms. Lopez what her insight was on Nick since she had known him for approximately five years. Ms. Lopez said Nick always controlled her daughter, convinced her to do things, lie to her mother, got her pregnant when she was fifteen years old had her ditching school. Ms. Lopez said she had never liked Nick and when Whitney talks to him, there were always problems.
This concluded the interview with Whitney and Ms. Lopez. All interaction with Whitney and Ms. Lopez was recorded and will be attached to this report. For exact wording and details, refer to the attached audio file.

On Friday, July 19, 2013 at around 2:00 p.m., Jaiven and her mother, Sandy Quintana, showed up at the NMSP Investigations Bureau office for a voluntary interview.

In the beginning of the interview, we asked Jaiven to tell us what kind of a person Jose Roybal was. She described him to be a person who didn?t tell her anything, he drank and smoked a lot and had guns. She said he used to hang out with Eric and Mario Zubea prior to him breaking into their residence.

During the interview with Jaiven, I asked her what way she and Jose communicated with each other. She said they would text each other throughout the day and talk on the phone all night. She said they talked during the late hours of the day around three days per week. She said during the time frame of the homicide, Jaiven had the telephone number 505-795-0915. Jaiven changed her telephone number after she broke up with Jose. Jaiven said she broke up with him because he changed into something different and wasn't the person she met. According to Jaiven, she said he changed into the person she never thought he could be. She said Jose never hit her and would treat her with respect. She said she and Jose would tell each other stuff but not every part of their day. She said he told Eric Zubea everything. Jaiven said Jose was in a gang with Nick Ortiz, Eric Zubea and Mario Zubea. Javien said after the homicide, Jose and Nick stopped talking. She didn't know the reason they stopped talking. According to Jaiven, the day after the homicide, she asked Jose what he was doing and he told her he just got home from hanging out with Nick and that Nick was being messed up with him. The night the homicide occurred, she said she was staying with her father in Albuquerque for the week. She remembered talking to Jose on Sunday night around 9:30 or 10:00 p.m. She said she went back to her house in El Rancho on Monday.

Previously when I spoke with Jaiven, she told me she was on the telephone with Jose during the evening of the homicide. During this interview, she said the conversation occurred between midnight and 1:00 a.m. on Sunday evening. She said Jose and Nick were going to Cherie or Steven's house to burglarize it. She said she could hear them walking during their phone conversation. During the interview, Jaiven couldn't remember whether this telephone conversation occurred prior to or after the homicide. After the homicide, she asked him if he heard anything regarding the homicide and he didn?t mention anything to her about it. Jose also never told Jaiven whether or not they robbed their house or not. Jaiven's instinct told her that she was shocked when she found out what happened to the Ortiz's. We asked Jaiven if she thought Jose was a person who talked big but didn't normally act on it. We asked Jaiven how she felt after talking to us and she got started crying and said she didn't know.

Jaiven said Jose changed around the time he was thirteen years old when he started drinking and smoking. She described him as being bi-polar with her. She said when Jose drank, he would be in a good mood. She said Jose would get mean with her when he fought with her or his parents. I asked her if she thought Jose went to the Ortiz's residence

to burglarize it. She said she thought Jose went to their house with the intention of robbing it and Nick talked him into doing it, referring to the homicide of the Ortiz's. She said it was just the two of them that went to rob their house. Jose told her that he and Nick went for a walk around midnight or 1:00 a.m., which was unusual to her. Jaiven said Jose changed after that evening. She said he started treating her different and they separated after that evening. Jaiven said on that evening after he hung up on her, she tried calling him back between three or four times and he didn't answer, so she texted him. He finally answered her telephone call and she asked him why he didn't answer her calls or texts and he told her that he was busy. Jaiven clarified that Jose told her they were going to rob them for the Marijuana.

Jaiven told me that she cheated on Jose one time and he found out about it. After that, he threatened her that he would go to her house and burn it down and kill her mom and brother if she ever did it again. Jaiven started crying again as she was telling me that information.

This concluded the interview with Jaiven. For exact wording and details regarding the interview, refer to the attached audio file.

On Tuesday, March 4, 2014, I met with Homeland Security Analyst Ernie Leggett in reference to completing some frequency reports regarding the cellular telephone records received during this investigation. He will be compiling all records and completing documentation for call frequency comparison to establish communication patterns between involved individuals.

On Thursday, June 5, 2014, Sergeant McFaul, Agent Gomez and I went to Erik Zubia's residence in El Rancho to see if he had any additional information regarding this investigation. In the beginning of this investigation, Erik provided information that Nick Ortiz called him the morning after the homicide and told him that he was responsible for their death. I wanted to confirm the statement he previously made. We arrived at Erik's residence and his sister came to the door and told me he was at work at the China Moon in Los Alamos, New Mexico. She called him on the telephone and spoke with him. She handed me the telephone and I asked him if he was willing to have a voluntary interview with me so I could clarify some information with him. He told me he could meet me right now at his place of employment. I agreed and went to the China Moon to speak with him. Once we arrived at the restaurant, he was standing outside waiting for me. I approached Erik, introduced myself to him and asked him if he was willing to have a voluntary interview with me in Sgt. McFaul's unmarked patrol unit. He said he was willing. Erik sat in the rear seat on the passenger side of the unit and I sat on the rear seat on the driver's side. I told Erik our conversation was completely voluntary and he could terminate the conversation at any moment he wanted to. He said he understood and agreed to speak with me.

I told Erik I was following up on the investigation of the homicide of the Ortiz family. I told Erik I wanted to go over the information he previously provided to NMSP Agents regarding Nick Ortiz. I asked him if he remembered if Nick called him around the time of the homicide. He said he talked to Nick in the morning and told him that "I did this." Nick told him that he did something bad last night. Erik thought Nick was playing and didn't believe it. He said Nick was referring to killing the Ortiz's. According to Erik, Nick seemed to be normal when he told him. Erik said he didn't talk to him that long and had to go so he hung up with phone. He said Nick specifically told him that he killed them and sounded serious. He told Erik he was at Robert's house.

Erik said after the homicide, Nick wouldn't stay around the area and moved to Pojoaque.

I asked Erik what he thought happened. He said when he would hang around with Nick, he seemed like the same person to him and didn't appear to have changed. Erik said he doesn't talk to Jose Roybal anymore since he broke into his residence. I asked Erik when the last time he talked to Nick was and he told me it had been approximately two or three months.

Agent Gomez asked Erik who had the worst attitude amongst the people he used to hang out with and he replied that Jose was. He said Jose was always getting into fights at school if someone would look at him wrong. Erik said Nick was always the scared person and would never get into fights.

This concluded the interview with Erik. For exact wording and details, refer to the attached audio file.
On Friday, June 6, 2014, I faxed a preservation letter for Fernando Cruz's telephone (505) 670-4234 to Verizon Wireless requesting records preservation. I also faxed a preservation letter to AT&T Cingular Wireless for the telephone number (505) 803-5156, used by Erik Zubia. I faxed a preservation letter to Sprint Wireless for the telephone number (505)501-3090, utilized by Nick Ortiz. All three of the above preservation letters were faxed to the appropriate cellular provider to preserve telephone records from 5-31-2014 until 6-6-2014. On 6-16-2014, I faxed three preservation letters for the same numbers mentioned above preserving records from 6-6-14 until 6-16-2014. After speaking with the telephone providers, they advised it would be beneficial to submit a new preservation letter every ten days to obtain the most information out of the requests. Refer to attachment #18 for a copy of all preservation letters.

This report will be continued in another supplemental report.

Case # 11-23-1-0065

Sergeant Kraig Bobnock

New Mexico State Police

Investigations Bureau

Santa Fe

DETECTIVE DAVID JARAMILLO SFSO: These are uh State Police Agent's from Santa Fe. That's Kraig Bobnock, Sergeant Scott McFaul, and Gomez there okay. So everything that we've talked about today (UNINTELLIGIBLE) be as honest as you can, truthful as you can. They have the details, I didn't, I couldn't ask you so whatever details you have just, just provide it okay.

ASHLEY ROYBAL: K.

DJ: Okay, if you guys need anything, just knock.

KRAIG BOBNOCK: Okay, alright. First of all let me introduce myself okay. I'm Kraig Bobnock uhm I'm a criminal investigation agent with the state police and I'm actually the lead case agent on the triple homicide of the Ortiz family in El Rancho okay. Uhm I'm sure you've been through some interviews before and by state police policy I just have to read you your Miranda Rights. Just the kind of let you know that you don't have to talk to me, okay, alright.

UNKNOWN: Hold on real quick, hold on let me uh change out things in here.

KB: Okay (clears throat.) (Chair moves)

UNKNOWN: You doing okay?

AR: Yeah, detoxing.

SCOTT MCFAUL: Oh yeah, been hard?

AR: A little better.

SM: Remember us Ashley we came out there and uh talked to your grandpa that day, me and this guy? You told me all about how you were doing a home health care with that dude.

AR: Oh yeah…

SM: Remember we talked to you out there?

AR: Yeah.

SM: We asked you about this back then remember?

AR: Yeah.

SM: Okay, I just wanna make sure you remember us…

AR: Yeah. I remember him.

SM: Yeah.

RAFAIL GOMEZ: You remember me, Gomez? Been doing good?

AR: Nah uh.

RG: No? Withdrawing still?

AR: Uhm today's better.

RG: Better, that's good.

KB: How long you been…

AR: Eighteen.

RG: Uh no, off… off the drugs.

AR: Friday.

RG: Since Friday?

AR: Unknown response.

RG: That's good.

AR: I was supposed to go to rehab on Monday.

RG: Are you?

AR: I was supposed to.

RG: Where was where was it gonna be?

AR: In Albuquerque.

RG: In Albuquerque.

AR: (UNINTELLIGIBLE)

RG: Well let's see what happens you know.

AR: Yeah.

RG: You know the game so.

KB: Is it court ordered rehab or are you just going by yourself?

AR: Going by myself.

KB: Are you, good for you.

RG: (UNINTELLIGIBLE)

KB: Alright, okay and your name is Ashley Roybal, correct?

AR: Yes.

KB: Okay. And what's your date of birth Ashley?

AR: 5-20-87.

KB: Is it okay if I call you Ashley?

AR: Unknown response.

KB: Alright. I'm just gonna read the Miranda Warnings like I said alright. You have the right to remain silent. Anything you say can and will be use against you in court. You have the right to consult with an attorney and have an attorney present during questioning. If you cannot afford an attorney one will be provided to you before questioning at no cost. Do you understand these rights?

AR: Yes.

KB: Okay. With these rights in mind do you wish to speak to me?

AR: Yes.

KB: Okay. Alright Ashley and like I stated I'm the case agent for the Ortiz homicide and going through the investigation you know we come across people with some information and that's why we're here.

AR: Okay.

KB: Okay. I understand that you know some details…

AR: I know who did it.

KB: About the, about the investigation, so uhm I'm gonna leave it up to you. I'll be honest with you, I'm not gonna sit here and question you, try and get stuff out of you uhm, I'm just wanting to hear as much detail from you as you can, just by telling a story to me you know and I'm gonna be writing a little bit of stuff down. I won't, I won't write much down, but I am still paying attention okay. So just go ahead and uhm you know whatever details you can remember uhm if you can remember day before, day of, day after. Any significant events that is important to me, you know cuz these, these the living, the living their victims you know, the…

AR: right…

KB: the living victims need to…

AR: Yeah…

KB: have the closure and you're related. You know and that community is pretty close, so we're hoping you can help us out and…

AR: I know who it is…

KB: get the responsible person for it, you know but…

AR: I know who did it…

KB: and another thing you need to keep in mind is when we do an investigation we need to be able to prove some of the stuff that or prove all of it I should say. That said you know if you can help us by giving us any details uhm to help us get physical evidence is what we need as well.

AR: Right.

KB: And so whatever you whatever you can think of that happened that's what we need to know okay.

AR: Okay.

KB: Alright, so I'm gonna leave it open to you and I'll ask questions you know, I'm gonna try not to interrupt you to answer, to ask any questions, but uhm I'll ask you questions towards the end.

AR: Okay.

KB: And if there's anything that needs clarification hopefully you'll be able to do that for us.

AR: Okay.

KB: So I'll just let you go ahead and tell me a story.

AR: (UNINTELLIGIBLE.) It was Saturday; it was like maybe 3:00 o'clock in the morning. Nick called me and he said he was gonna need a ride and I told him, well just give me a call; I'll go pick you up. And uhm about 3:45 he called me, he said I need you to come pick me up dude. I said well where you at, he's all I'm over here by Steven's, I said alright I'll be right there, so I went over there and I called him, I said well where are you at. He's all I'm running across the river. So he ran across the, well I drove around to the other side of the river and picked him up. He had blood all over his clothes. He went to my house, he took a shower and then he was in the shower and he was crying. I'm like what the fuck, I said are you okay, he's all yeah I'm fine. He's all can you just take me home and he, I took him home, I dropped him off at his house. The next day he called me, he's like I killed them, I killed them. I was all what, I said

killed who, and he was all I just, I killed them he's all... and I didn't know nothing, cuz I didn't believe him, because nothing had come out yet, you know what I mean, it didn't come out until later on in the evening, 'til like almost eight o'clock at night that they were dead. And then when it came out I was like oh my God (UNINTELLIGIBLE) fucken say anything and I was like fuck. But when I was parked over there by when I went over there to go look for him, when he called me the first time, Jesse did leave, I saw Jesse's truck leave.

KB: Mmm hmm.

AR: He saw, he saw my car. I don't know if he saw it, knew it was me or what but it was my car and then I drove around to the other side and pick him up, pick em up but he had a trash bag on one of his uh one of his shoes with tissue on the bottom when he got in my car.

KB: Tissue on the bottom?

AR: Tissue that was, it was his shoe then tissue then he had a trash bag tied around one of em.

KB: So uh let's kind of back up a little bit okay. You said Saturday he called you, was it…

AR: It was like 3:00 3:30 in the morning.

KB: So…

AR: Sunday morning.

KB: So it'd be technically Sunday morning, okay at three about three o'clock you said?

AR: 3:00 - 3:30 yeah.

KB: So he called you initially and said I need a ride.

AR: Yeah.

KB: Did he tell you where he would be?

AR: No.

KB: He just, is that kind of common practice for…

AR: Yeah… well I always help out all the neighborhood kids.

KB: Okay. So he calls you for uh and says, hey I'm gonna need a ride, but did he tell you what time he needs a ride, what he was up to, where he was going?

AR: Nothing.

KB: What he was up to anything like that?

AR: Mmm mm.

KB: Do you remember how he sounded on the phone?

AR: Like panicked.

KB: He sounded like he was in trouble?

AR: Yeah.

KB: Did you ask him if something was wrong?

AR: I asked him are you okay, what's wrong, and I told him he's all I don't know, he's all I just, just come and get me he said. And then I, that's when I went over there to by where Steven lives.

KB: No the, the first time, the first time he called you.

AR: Oh the first time…

KB: the first time he called you, right to arrange the ride.

AR: Oh no, he didn't seem he seemed fine.

KB: He seemed fine, so you had no, no reason to worry about what he was up to?

AR: No reason, not at all.

KB: Okay. And then uh…

AR: Well he told me is that his intentions were to go in and rob them. He was gonna get like twenty thousand or something.

KB: When did he tell you that?

AR: After, the next day.

KB: So after you had already picked him up and the next day, okay. So it's kind of, I'm just gonna try and stay on a time, a time line okay.

AR: Okay.

KB: Uhm, so the first time how long was the conversation on the phone, do you remember?

AR: Maybe two minutes.

KB: And what was your phone number at the time, do you still have it?

AR: 412-9513…

KB: 9515?

AR: 13.

KB: 9513.

AR: Yeah, it's a pre-paid phone.

KB: That was?

AR: Yeah.

KB: Through what provider, who?

AR: Verizon.

KB: Yours was for through Verizon?

AR: Yeah.

KB: Okay.

AR: It's still active, (UNINTELLIGIBLE) minutes on it right now.

KB: Okay. And he called you; do you remember his phone number at the time?

AR: I wanna say 692-3405, I wanna say that but um… 629-3405.

KB: Okay, so he called you. How long was the conversation the first time?

AR: Like two minutes.

KB: Like two minutes, okay. And then he called back.

AR: Like about 45 minutes later.

KB: So we're talking…

AR: 30 – 45 minutes later he called me back and he said, he sounded all panicked all scared. He was like come pick me up right away, he was crying and everything. I said well where you at, he's all I'm over here by Steven's. And I drove over there and I called him and I said where are you at, he's all I'm running across the river. And that's when I saw Jesse leaving and I drove around to the other side and I picked him up.

KB: So when he initially called you uhm and said come pick me up, where were you at?

AR: At home.

KB: At your house, and what's, what's your address there?

AR: 7 (UNINTELLIGIBLE)

KB: Okay. So you left there…

AR: Yeah.

KB: And how long did it take you to get to the Ortiz property in, in front of their house there?

AR: Maybe four or five minutes.

KB: Okay. So you went there four or five minutes. Was anybody else with you?

AR: Mmm mm (negative)

KB: Okay, so you went there uhm and he said he was in front of Stevens.

AR: Mmm hmm.

KB: How long was that phone conversation? Did you stay on the phone with him until you got there?

AR: No, he hung up on me. He's all I'm here at Steven's and he hung up on me.

KB: Okay.

AR: And I went over there and he wasn't there, and I called him back and he wouldn't answer, then I called him back again and he was all… I said well where are you at and he's all, I'm running across the river, come pick me up. So that's when I drove around and picked him up.

KB: Okay. So when you went there you weren't on the phone with anybody…

AR: Mmm mm (negative)

KB: You were just trying to look for him…

AR: Mmm hmm…

KB: And uhm how did you park? Did you park in front of Cherie's and Jesse's, did you park further down, did you park in front of the Ortiz'?

AR: No there was a tree there and I went around and I made the turn and I parked right there to call him to see where he was at. There was a tree…

KB: But can you draw it for me?

AR: Yeah.

KB: Would you mind doing that?

(Paperwork shuffling0

KB: I'll just let you go ahead and draw the, the property and the road as, as you remember it, okay.

AR: Okay. This is Dixie and (UNINTELLIGIBLE) house right here.

KB: Okay.

AR: And then this is Cherie's and Jesse's trailer, and here's the road, and then there's a tree right here that goes around, I was parked right there.

KB: So you were, you weren't actually on this road?

AR: Well I was on this road at the river's right here.

KB: Right.

AR: And then there's this other road right here. Well I call; when he called me to come here he said he was in front of Steven's. I came here and parked here. I called him and I said where are you at, and he said I'm over here, I'm running across the river, which would be over here. So I, when I was leaving here, Jesse was leaving out of here.

KB: So did you stop at any point going through here to look for him? Did you slow down or did you just kind of go to that tree and assume that he would be there?

AR: Yeah.

KB: Okay, and which way were you facing when you parked, do you remember?

AR: Towards like the leaving… yeah…

KB: Towards this direction?

AR: Yeah.

KB: So you turn your car around and like you were gonna head back the other direction?

AR: Yeah.

KB: Okay. And did you have your headlights on/off do you remember shutting them off or anything?

AR: They were on.

KB: They were on the whole time?

AR: Mmm hmm.

KB: Okay and how long were you there?

AR: Maybe well like park, once I parked I called him, he didn't answer. I called him back and I said where you at, he said I ran across the river, I'm running across the river. So I left and I drove all the way around and came picked him up on this side of the river.

KB: Okay, so you left this, this location here…

AR: mmm hmm.

KB: Drove this way, came around to the main road that that's blacktop…

AR: mmm hmm…

KB: that goes this way?

AR: Yeah, across the bridge.

KB: And you turned right after you, after you get across the arroyo.

AR: Yeah.

KB: Okay. And then do you remember where like could you see Jesse and Cherie's house when you were parked on the other side?

AR: Yeah.

KB: Were you over here, over here, in the middle…

AR: like right here…

KB: Do you remember where, where you came out of?

AR: Directly across from directly across, directly across…

KB: So it was, it was kind of like a straight line…

AR: sure…

KB: right here?

AR: Yeah.

KB: Okay. And which way did you park then, do you remember?

AR: I was… he jumped in the car. I was facing this way and I turned around and I went back to my house.

KB: Okay, so you turned around on this road?

AR: Yeah.

KB: And went back out.

AR: Mmm hmm.

KB: Okay, would you mind signing that for me just so I can remember who, who wrote it or who drew it?

(Scraping noise)

KB: Thank you. Alright, so you, how many phone conversations did you have with him that night? I mean you had the initial one?

AR: Like maybe four.

KB: Okay, can you remember?

AR: The first one was when he asked me for a ride and then the second one when he said he was by Steven's and then the third one when I called to see where he was at.

KB: Mmm hmm.

AR: And then after I dropped him off at home to see if he was alright.

KB: Okay and then one of the times he didn't answer?

AR: Yeah, one of the times.

KB: Okay, did it go to his voice mail, do you remember?

AR: Yeah.

KB: It did, okay. Alright uhm do you remember what time you got back to your house at?

AR: It was maybe …

KB: …did you get stopped anywhere?...

AR: … four… uhh uh …

KB: just went straight from there to your house…

AR: …went straight to my house yeah…

KB: … okay. Now when you picked him up uhm…

AR: He had blood all over his pants.

KB: Okay tell me about the clothes he was wearing. Do you remember what he was wearing?

AR: He was wearing a black; he was wearing a black short sleeved shirt, and like black jogger pants…

KB: mmm hmm…

AR: … and black Nike's.

KB: Do you remember was there any logos on the shirt, anything?

AR: No, nothing.

KB: Plain black?

AR: There was a white strip on the, on his pants.

KB: He did have a white stripe on it?

AR: Just a thin white line.

KB: Okay. And when he got, did you see him walking out, did he have a flashlight or anything, anything with him, cuz it was…

AR: Nothing at all…

KB: cuz it was pretty dark that time of morning?

AR: All he had when he got in my car was that trash bag on his foot.

KB: Okay. So…

AR: he took it off and he threw it out the window.

KB: Do you remember he where he threw it out the window at?

AR: By the river.

KB: Okay, on the same side?

AR: Where I picked him up, yeah.

(Papers shuffling)

KB: So he took it off his foot, you picked him up here, you were still facing this way…

AR: yeah. And by the time I turned around he had already thrown it out, so probly on this side of the road.

KB: Okay, did he have anything on his hands, what was he handling the bag with?

AR: He just took the bag off his foot.

KB: Just bare hands.

AR: Mmm hmm.

KB: Okay. What color was the bag?

AR: white…

KB: was it a trash bag, like a Wal-Mart bag?...

AR: like grocery bag…

KB: Okay, a little plastic one, paper?

AR: Mmm hmm… plastic…

KB: Okay. What else, what else seemed to auto mote him at that time, did he have anything on his body?

AR: Nothing at all. He told me that they all fought back. He said that he got Lloyd first and then Steven in the kitchen and, and Dixie in the bedroom. He said that they all fought back.

KB: When did he tell you this?

AR: The day after.

KB: Was this the day after?

AR: I didn't believe it because nothing had come out, you know what I mean?

KB: So, so we're talking about Nick, what's his last name?

AR: Ortiz.

KB: How do you, do you know Nick?

AR: I knew him through Jose, their, their friends, my little cousins.

KB: So if somebody showed you a picture of him you would recognize who he is…

AR: Oh yeah.

KB: There's no mistaking that… that was him that night that he called you?

AR: Yeah.

KB: Okay. So now, you pick him up, you notice the trash bag on his foot uhm, did he have anything else on him?

AR: I just saw the blood on his pants.

KB: How'd you see the blood on his pants?

AR: It was red I could see red all down his pants.

KB: Okay, even though the pants were black …

AR: yeah, red…

KB: you saw the red through it?

AR: Yeah.

KB: Okay. And then you drove him back to your place…

AR: Mmm hmm.

KB: And then who was at your house at that time?

AR: Mmm my grandma and grandpa, but they were asleep.

KB: So did anybody see him walk in?

AR: Mmm mm (negative.)

KB: Okay, was he barefoot, did he have shoes on what did he have?...

AR: No, he had shoes on; his Nike's they were black and white Nike's.

KB: Okay, so what, what kind of Nike's do you mean?

AR: Like high tops I guess. Not like Cortez' they were like not jor… like something like Jordan's but Nike's I guess.

KB: Okay, do you know if he still has those shoes, have you seen him wearing them, have you see him around?

AR: I haven't seen him, at all.

KB: Nothing?

AR: No.

KB: Okay, did you see him anytime after that with those shoes on?

AR: Mmm yeah.

KB: yeah?

AR: Yeah, when they him and my cousin Jose called me and they needed me to pick em up, they said they were by the Nambe Falls Gas Station.

KB: Do you remember him having those shoes him.

AR: yeah when I picked them up they had just robbed a house.

KB: What did the bottoms of them look like, do you remember a pattern.

AR: They were white, it was a white sole, the white, the bottom of the shoe was white and the rest of it was black with a white Nike.

KB: But I mean did they have any type of, do you remember a pattern, do they go straight across, I mean I don't really know what the shoes look like.

AR: Uhm like just the bottom of it was white, the bottom part of the shoe.

KB: Mmm hmm.

AR: Like this part was white and then the rest was black and it had a white Nike. They were high they were not I don't know like one of like, like basketball shoes.

KB: Okay. How 'bout the bottoms of the shoes, do you remember what the bottoms look like?

AR: I don't.

KB: (UNINTELLIGIBLE) okay. So he goes to your house uhm and then you said he gets in the shower.

AR: He took a shower.

KB: Which shower did he get into?

AR: The um my shower upstairs.

KB: So you have your own shower up…

AR: …stairs.

KB: And that's where your bedroom's at, is upstairs?

AR: My bedroom is downstairs but I have my bathroom and then they have a boy's bathroom upstairs.

KB: Okay. So he takes a shower um, gets cleaned up and you said he was crying at that point?

AR: Yeah.

KB: Where were you at when he was in the shower?

AR: I was in my room.

KB: Downstairs?

AR: Yeah.

KB: So you could hear him crying from down there?

AR: Mmm hmm.

KB: Okay.

AR: So I went upstairs and I knocked on the door, I asked him if he was okay and he's all yeah; just leave me the fuck alone. He's all I just need to go home, I need to go home. I said well I'll give you a ride, I said what's going on calm down. And he's all, I fucked up, I fucked up I was like well what's wrong, he's all I'll be right out. I went downstairs; he got out of the shower and came down. He's all, just take me home and I went and I dropped him off. He didn't say nothing in the car, he was just crying.

KB: Let me back up, speaking of that. When he got to the car and you recognized that he was bloody and he had a bag on his foot did you say anything to him at that point, did you ask him what happened, did he tell you what happened?

AR: Nick is twisted, you know what I mean? He is a twisted kid, like he does, I've see him do some fucken weird shit and I don't… why get involved, you know, why ask questions.

KB: So you didn't ask him?

AR: No.

KB: Okay. So he's at your house uh he takes a shower and what does he put on after he gets out of the shower, what clothes does he put on?

AR: The same clothes.

KB: So he puts the ones on that you recognize that had blood all over them?

AR: Yeah.

KB: Okay. So he puts those on, uhm what time did you guys end up leaving? I mean you said you got home…

AR: drop him off?

KB: Yeah. Was it the same day?

AR: I dropped him off about 4:45 in the morning.

KB: So you…

AR: before 5:00 in the morning.

KB: So it was, it was pretty quick. You went and picked him up, went to his house, or went to your house, he showered and then you left right after?

AR: Mmm hmm.

KB: Okay. Did he sit and talk to you at all, did anybody wake up?

AR: The next day he said…

KB: (Clears throat)

AR: that's when he told me that he had killed them, that he had used a pick axe and that he got Lloyd first, then Steven and then Dixie.

KB: Was there any conversation at your house when he was there taking a shower other than the fact that you know he said he fucked up?

AR: Nothing at all, until the next day and he's like I killed them, I killed them. I was all what do you mean killed who and nothing had come out yet, cuz I guess you don't, you guys didn't find out until later on in the evening. And then when that came out I said oh my God.

KB: So you dropped him off…

AR: he called me and told me you don't fucken say nothing.

KB: So you dropped him off around, before five you said?

AR: Mmm hmm.

KB: How do you know it was before five?

AR: Because I remember looking at the clock.

KB: Okay. So you drop him off and then you go where?

AR: Home.

KB: Then you go to bed, you stay up?

AR: I went to bed.

KB: Okay and then when's the next time that you hear from him?

AR: The next day. Like about…

KB: which would be Sunday?

AR: Yeah (UNINTELLIGIBLE)…

KB: So technically the same day.

AR: Yeah.

KB: Okay so Sunday about what time?

AR: Maybe 3:00.

KB: 3:00 p.m.

AR: Mmm hmm.

KB: Okay and this is Father's Day, correct?

AR: Mmm hmm.

KB: Okay so 3:00 p.m. he calls your cell phone, house phone?

AR: Yeah, cell phone.

KB: Okay and then he tells you?

AR: I killed them, I killed them, I fucked up.

KB: It's the first thing he says to you?

AR: now what do I do, I said you killed who, what the fuck you talking about, he's all you see I fucked up, he's all you better not fucken say nothing.

KB: What else did he say along those lines about not saying anything? Did you feel it as a threat, or how did you feel when he said that?

AR: Yeah, I thought he was gonna come and kill me.

KB: So you were actually in fear that he was gonna…

AR: Or my family, my grandparents.

KB: Okay and then did he ever give an explanation why it happened, why he went over there?

AR: What he said his intentions were to go rob them.

KB: Rob them for what?

AR: Money.

KB: Did they…

AR: He said he was gonna get like $20.000 in cash.

KB: Were they known to have that much money, so if somebody said how much money do you think Lloyd…

AR: he had robbed them before he said… he said he had robbed them before and he got probly like a thousand dollars from them in just one dollar bills and then he said he was going back to get a bigger amount to set him up he said.

KB: Okay. Now how did, did he say where he got the weapon from?

AR: Mmm mm (negative)

KB: Never came up, did he say he brought it, did he say it was there?

AR: He never said anything, all he said was the pick axe, he used a pick axe and he threw it before he ran across the river.

KB: Okay. Did he say anything that he was uhm was he wearing anything else; I mean did he dispose of any other clothing that you know of? I mean did he have…

AR: he said that he had two trash bags on; he lost one running through the river.

KB: Okay so he had two trash bags on his feet?

AR: Mmm hmm. And he used socks on his hands he said.

KB: He used socks; did you see the socks at all?

AR: Mmm mm (negative)

KB: Did he say anything about the socks, where he got them from?

AR: He said he threw everything…

KB: if they were his… he just said he threw everything and you didn't see that up to the point where he got in your car so you're assuming that he got rid of them before hand?

AR: yeah…

KB: cuz you haven't seen him after that he got in your car?

AR: No, no (UNINTELLIGIBLE)

KB: Okay, and uh as far as your car, uhm it was, it was a what kind of car did you have?

AR: Saturn.

KB: It was a Saturn, what color was it?

AR: (UNINTELLIGIBLE) gray.

KB: Okay, who was it registered to at the time? Was it your car?

AR: in my sister's name.

KB: Who's your sister?

AR: Glenda Lujan.

KB: Glenda Lujan?

AR: Yeah.

KB: Okay. Now about the car, when he got in the car did he sit in the front seat, back seat?

AR: Front seat, it was a two door, passenger.

KB: So he was driving or the passenger?

AR: I was driving, he was the passenger.

KB: Okay, so he sat in the front seat and where's the car at today, do you know?

AR: I sold it to Ace's Towing.

KB: Okay, how long ago did you sell it?

AR: Maybe three or four months ago.

KB: So not that long ago.

AR: No.

KB: Okay, and have you cleaned the car since uhm the, the night of the triple homicide, have you cleaned it since that night until you sold it? (UNINTELLIGIBLE, BOTH TALKING AT THE SAME TIME) so you don't vacuum it, you don't' scrub the…

AR: no.

KB: anything out of the car?

AR: No it's a little (UNINTELLIGIBLE)

KB: Okay, so how would, did you, did you see any blood from him, get in the car? I mean from the bag, from the trash bag, from him, did you see any on the door handle, the?

AR: I didn't see anything; I didn't pay attention to it.

KB: Okay.

AR: I know I saw blood on his pants though.

KB: Okay, so do you think that there's some blood in the car?

AR: There could be, it's possible.

KB: So you sold it to Ace's Towing three, four months ago. Why did you sell it?

AR: Just to get rid of it, it gave out.

KB: Oh so it?

AR: The motor blew.

KB: Died on you huh. Okay, did they say what they were gonna do with it I mean?

AR: They probly crushed it.

KB: Think so?

AR: Mmm hmm.

KB: Alright, so you dropped him off, uhm so he's been in your car twice this time, right during the timeframe that this would of, would of occurred.

AR: Yeah.

KB: And then you drop him off at home, or his house, you go back to your house, he calls you uh about 3:00 o'clock the next, well that same day really, and then tells you that he killed em, and does he give any specifics, you said that he said that they, they each fought back…

AR: They all fought back, yeah. He said they all fought back. He said he got Lloyd first and then Steven in the kitchen, and then Dixie in her bedroom.

KB: So that's the order he said that he killed each three of them?

AR: Mmm hmm, I'm not lying to you guys …

KB: You know what…

AR: (UNINTELLIGIBLE) shit but I'm not. You guys can give me a lie detector test, whatever…

KB: It's not…

AR: I'm not lying.

KB: You know what Ashley, I believe you… the thing is, is when I document everything that, that comes across to me, I have to be very thorough.

AR: Right.

KB: And you know if we're gonna make sure that someone actually is held accountable for this we don't want anything to slip through the cracks, that's why I'm asking you ever little question, every little detail cuz there's like right now you know, it's taking you, you wanted to talk to us. You know, I know you've wanted to talk to us, but it's been hard for you to actually say…

AR: I was waiting for you to come pick me up. I really was cuz you said you were gonna come and review me and you never came back.

KB: And I'll be honest with you, you're, you're number two on the list to talk to. We have a list of people that we needed to go interview, you were number two. I'll be honest with you. You were right there at the top. You know when we have other stuff come up um some other stuff comes in, we have to look into that and then the people that interview, as soon as we can get to them, we get to them. You know so we actually have a list of people that we have to actually talk to.

AR: Right.

KB: And then what happens like some of the (UNINTELLIGIBLE) everything that you say, I have to verify you know, I have to go through and I have to be able say, yeah this did happen, this does make sense, this happened here, this happened here. That's why I asks so many questions. You know and if, if, if you didn't think I believe you why am I here right now?

AR: Right.

KB: You know, the sheriff's department could of easily taken the report and forwarded it to me.

AR: Right.

KB: That's not the case, three of us actually came out, we're also supposed to have been home a few hours ago. So we came out because we feel that every time somebody has something to say, it's valuable information, you know we have to either uhm decide that it's valuable, or it's valuable to the point where we have to…

AR: I'm scared now I'm worried about my grandparents.

SM: Don't worry about that right now.

AR: (UNINTELLIGIB LE) I don't care about myself…

SM: Cuz this isn't going to go anywhere right now.

AR: I care about my grandparents.

SM: Okay, I wanna go back real quick and cover a few things real… that you already talked about okay. When you said you were at that tree, and you saw Jessie leave…

AR: I didn't know if it was Jessie, it was his truck…

SM: his truck, which way did he go?

AR: He…

SM: when he came out?

AR: He, he passed me.

SM: He drove by you, passed you…

AR: back to… (UNINTELLIGIBLE BOTH TALKING AT THE SAME TIME)

SM: and then to the dead end?

AR: Yeah.

SM: Show you that diagram…so he passes you…

AR: he drove out like that.

SM: And then what happened did you see him again?

AR: No, I left.

SM: You left; did you see headlights behind you or anywhere else?

AR: Nothing.

SM: No. Okay and it was his truck?

AR: Yeah the Dodge.

SM: The dually or the Dodge?

AR: The Dodge.

SM: The Dodge.

AR: The gold one…

SM: The gold Dodge. Okay. When uh when Nick called you the next day and said what he did, and he told you kind of what went down and what not, he said he used a pick axe.

AR: Mmm hmm.

SM: Those are his words?

AR: Yes.

SM: Did he say where he got that?

AR: Mmm mm (negative)

SM: And, and, and this has been it's been a year and a half since this happened okay and my guess is that you've probly hung out with him many, many times since then.

AR: hmm.

SM: Not at all?

AR: Not at all.

SM: You haven't partied with him…

AR: maybe once after…

SM: nothing like that?

AR: Maybe once after I picked him up.

SM: Okay, have you seen him?

AR: I haven't seen him at all.

SM: He's not hanging around with Jose anymore?

AR: Mmm mm.

SM: They're not running together?

AR: At all.

SM: But they did.

AR: They used to.

SM: In the past. Okay. So but he didn't tell you that…

AR: He disappeared like after that happened I seen him once, he asked me to give him a ride, him and Jose. I picked them up at, behind Nambe Falls the gas station…

SM: mmm hmm…

AR: I picked them up, I dropped them off in Nambe and I haven't seen them since.

SM: So you didn't see him from that night 'til the they called you, and you picked them up in Nambe Falls you hadn't any dealings with him for that whole time frame?

AR: Nothing.

SM: He's been missing in action?

AR: Mmm hmm.

SM: Okay, with uh in regards to he told you he was gonna go rob them and he had previously robbed them, and got what you said like a thousand dollars or something like that.

AR: Yeah.

SM: And he was gonna go get.

AR: Lloyd had caught him I think.

SM: Okay and he was gonna go get another twenty?

AR: Twenty-thousand he said.

SM: Did he tell you how he knew there was twenty thousand and where it was gonna be?

AR: He had been there before. He said it was in a safe in their closet.

SM: A safe in their closet is where he said it was? Okay, but yet when you saw him that night he didn't have anything?

AR: Nothing.

SM: Okay. Is there anything else that you feel you want to share with us?

AR: That's it.

SM: What's, what's your long term?

AR: What do you mean?

SM: Plan right now, what I mean we're not…

AR: (UNINTELLIGIBLE)

SM: I'm not here to talk about you're the charges that you're in on okay.

AR: When I get out?

SM: When you get out uhm…

AR: go to rehab.

SM: Uhm, you know we're gonna follow up on what you told us okay. But also understand that we're what position it puts you in, okay.

AR: I'm going to go to rehab in Albuquerque.

SM: Okay, and then I mean is there something you're gonna be willing to help us out with down the road?

AR: Are you guys gonna help me?

SM: I can't make you promises, but we can do we… we can try.

AR: (UNINTELLIGIBLE) testify…

SM: we can try, okay.

AR: You might need me to testify?

SM: We can try… maybe.

AR: If I have to I will.

SM: Okay. I mean cuz it's a thing, I can't make you promises, you know that.

AR: Yeah I've been carrying this on my shoulders for…

SM: Well yeah you know, you know when we talked to you that day, the briefly… both of us got in the car and we; we knew you knew something else. You know what; I mean we knew there was something else there. So you know it's honestly you're very, over a year you've been carrying this around, that's gotta be tearing you up…

AR: (UNINTELLIGIBLE)

SM: that you have this knowledge you know and everybody in the community has been so on edge.

AR: I started doing heroin, and I never did drugs ever.

SM: After or before?

AR: After, I never did drugs before that.

SM: Before that so you the drugs you've been coping with this knowledge…

AR: that part of it.

SM: Okay.

AR: (UNINTELLIGIBLE)

SM: Okay, and I mean you, you've got a track record. Some previous arrests, some pervious issues and stuff like that you know, people are gonna look at that and they're gonna ask that question. You know why, why now.

AR: Alright.

SM: You know, I'm just being realistic with you…

AR: Right.

SM: So we're gonna do everything we can to make sure that all this stuff you're telling us pans out, that it all adds up. But with the… do you have a hearing date or anything for the stuff that you're in for now?

AR: UNKNOWN RESPONSE

SM: No? You're just in, k do you have anything Gomez?

RG: Why are you here?

AR: Huh?

RG: Why are you here?

AR: On a burglary charge.

RG: Burglary charges? Ashley uhm let me tell you this okay. I'm a polygraph-er okay. So I know what people do for when they lie okay. Uh that's what I do…

AR: right…

RG:… all day alright. I'm not gonna talk to you, you know nice to you or anything like that okay. Uh if I offend you it's not because I want to offend you, okay.

AR: Okay.

RG: Alright, I'm gonna be straight up. Alright, but you need to do the same okay.

AR: Okay.

RG: If you're straight up with me I'm gonna find out, if you start lying to me I will find out alright, and once you start lying to me it's not gonna be good. Cuz I'm gonna tell these guys you know she's full of it. And once these, they know that I'm telling them that you're full of it, who do you think they're gonna believe?

AR: You.

RG: Me, alright so cut it off, be honest with me.

AR: Mmm hmm.

RG: Alright if you really want to help your parents, your grandparents, like you say you wanna do it, do it for them okay, cuz they're out there, you're in here. There's nobody to help em…

AR: Uh huh.

RG: Right? Okay so be honest with me and be honest with them okay. Uhm I believe that you know more than what you're talking about, I really do okay…

AR: I don't.

RG: I, I think you know for sure who did it and you just don't wanna say who did it.

AR: I did, I am telling you who did it. I just told you who did it, didn't I? I told you it was Nick Ortiz.

RG: So if I polygraph you that's what you're gonna say?

AR: Yeah.

SM: Was there anybody else there?

AR: Huh?

SM: Was there anybody else there?

KB: Who else was there?

AR: Nobody.

SM: Where'd you drop him off at?

AR: At his house.

SM: Which house?

AR: His dad's house right there by…

SM: The one by the car wash?

AR: Mmm hmm. I'm being straight up with you.

RG: Do you need help?

AR: Do I need help, yeah.

RG: You do right, who can help you?

AR: I don't know.

RG: You.

AR: Yeah.

RG: You're the only one who can help yourself.

AR: Mmm hmm.

RG: Okay, we can't do it.

AR: Yeah.

RG: Alright, our hands are tied. The DA when we talked the other night they're not gonna listen to Agent Bob, they're not gonna care what Sergeant McFaul says, they're not gonna care what I say. You're the only person that can help yourself alright, so if you know more…

AR: I'm telling you, I told you who did it and you guys are not taking me serious.

RG: No we are, we are that's why we're here.

AR: I told you to give me a lie detector test.

RG: Okay, well it doesn't work that way. Unfortunately it doesn't okay. Like I told you I'm not gonna bullshit you. Okay, unfortunately it doesn't work that way, alright. But you know is there anything else you I mean this is your best opportunity, it is. I mean there's no…

AR: I can't think of anything else.

RG: There's only certain things we can do for you.

AR: I think of anything else, that's pretty much all that happened.

RG: We're gonna do our best when we follow up on this stuff, and we've talked to Nick a couple of times already, okay and we'll probly talk to him again, and we're gonna do our best to lead us to a situation that, that we found out on our own, okay. Gonna put it in the preliminary parts of this, but if he decides to give it up and starts naming a bunch of other names…

KB: we need to know…

RG: we need to know if you're gonna come up.

AR: He was alone, no I'm not gonna come up. I mean I did pick him up that night, but that's all I did and took him home, he took a shower at my house. That's it.

RG: Okay, nobody else?

AR: Nobody else.

RG: …that you know of.

AR: that I know of, no.

RG: You, do you thing somebody might of helped him?

AR: I don't so; he said he did it himself.

RG: Who else did he communicate with, or who else did he tell about, tell nobody else?

SM: You don't think he confided in Jose?

AR: I don't think so.

SM: You don't think he told Jose what he did?

AR: Mmm mm. Jose would of told me.

SM: One other clarify-question uh clarification question I had for you. You said that he told you kind of how that he got Lloyd first and then Steven and then Dixie; did he say where he met Lloyd?

AR: He didn't.

SM: He didn't tell you where it was, where it happened at?

AR: Mmm mm.

SM: No? Do you know where it happened at, after listening to the media or anything like that?

AR: I didn't even listen; I didn't watch that, I didn't wanna hear it.

KB: So right now you have no idea where Lloyd was found at?

AR: No.

KB: Okay.

SM: How do you feel right now? You feel a little relieved?

AR: Yeah.

SM: You feel like there's some pressure off?

AR: Oh yeah.

SM: But you still got your concern right?

AR: Well I'm detoxing so (UNINTELLIGIBLE)

SM: Who else is living at the house now?

AR: What house, my house?

SM: Yeah you're in the two story or you gonna…

AR: Yeah, it's a two story.

SM: Okay.

AR: Just me and my grandma and grandpa.

SM: That's it?

AR: Mmm hmm.

SM: Okay, who was your cousin that was there that one day, there was a younger girl, she was pregnant once.

AR: Melissa.

SM: Melissa, she still around there?

AR: She lives on the other side of the river.

SM: On the other side of the river now? And Jose still lives in the trailer in front?

AR: Mmm hmm.

SM: With his mom and dad?

AR: Mmm hm.

SM: And the brother lives at the, on the hill right in front of the two story, right?

AR: Uh Larry, my uncle Larry.

SM: Larry, Larry lives there, okay.

AR: Yeah.

KB: Who's your uncle that has the Eclipse?

AR: Oh Moses.

KB: Moses, okay. Does he live; did he live at that house during that time?

AR: The two story, yeah.

KB: Was he home that night?

AR: Mmm hmm.

KB: Did you see him, was he, where was he at? Was he sleeping?

AR: He was in his room, yeah.

KB: Was he awake?

AR: UNKNOWN RESPONSE

KB: And nobody else in the house can verify that Nick was there?

(UNINTELLIGIBLE)

AR: Uhm you know where the kitchen is…

RG: Downstairs or upstairs?

AR: Downstairs.

RG: Downstairs.

AR: You know where the kitchen is?

RG: Mmm hmm.

AR: In the front corner, to the back.

SM: K I don't have anything else but you're gonna have to roll with it.

KB: Is there anything else that you can tell us to help this more concrete. I mean you have very good facts but, is there anything else that you can say to me that you remember that puts something that could be uh that could be questioned absolute, to make it known; this is exactly how it happened. Do you know what I mean? Is there anything else that you can remember, any other colors any, any other clothing, any marks on him when he got cleaned up after, after the shower, I mean what else can do you remember?

AR: (Whispering) took a shower (UNINTELLIGIBLE)

KB: So how did, did you see him when he got out of the shower, did he have a towel on him, did he have the clothes again?

AR: No, he put his clothes back on and then came out.

KB: So you didn't see him other than fully clothed…

RG: He put the same bloody clothes back on?

AR: UNKNOWN RESPONSE

SM: Every time I've talked to Nick he wears a ball cap, was he wearing one that night?

AR: No.

SM: No?

AR: At all.

RG: Does he like to wear ball caps?

AR: I've never known him to.

RG: Never seen him with a ball cap?

AR: Never.

RG: How big is this Nick Ortiz?

AR: He's a little dweeb, he's a little kid.

RG: Little kid, about how much weight?

AR: Maybe 120.

RG: Okay a real skinny dude.

AR: Mmm hmm.

RG: Dark complex?

AR: Light.

KB: Do you think he could of done this?

AR: Yeah.

KB: You think he's…

AR: …He did do it.

KB: Why I, I understand what, that's not really what I'm asking, do you think that he's physically capable of actually doing that to, to a human being?

AR: UNKNOWN REPLY

KB: Why do you say that?

AR: Because of the shit I've seen him do to animals.

SM: You said he's twisted, why is he twisted?

AR: No, cuz the shit I've seen him do to animals.

SM: What have you seen him do?

AR: He tied a shoe lace around a cat's neck and threw it up in the air, and slammed it on the ground; he'd stick fire crackers up their ass, like weird shit.

RG: Who else saw this?

AR: My cousin Robert, but he's dead now so it's Carl, Carl's dead too.

KB: Did he ever hit the animals with anything, any object? Ever swing at them with anything?

AR: Bricks, I've seen him throw bricks at the dogs.

KB: Did he ever have like a stick or anything, anything like that he'd hit them with?

AR: Uh uhh.

RG: Was Jose ever around him whenever he…

AR: … would do that (UNINTELLIGIBLE)

RG: No?

SM: Jose's your nephew?

AR: Cousin.

SM: Cousin. He never was around whenever Nick was doing this to the animals?

AR: Mmm mm.

SM: This was all I mean you said you didn't have any interaction with him since, so obviously you've known Nick for a while prior to…

AR: to yeah…

SM: so that's when you were… see him do these things.

AR: Right.

SM: with the animals and stuff like that. With uh in regards to other information if, if I mean for over a year, you've been holding this in; there has to be somebody… I mean I couldn't keep that, I have to get it out…

AR: I told my Aunt Berna, I didn't tell her who it was, but I told her I knew who it was.

SM: You told your Aunt Berna.

AR: I told her I knew who it was.

SM: Bernadette?

AR: Lujan.

SM: Bernadette Lujan?

AR: Yeah.

SM: That lives on top of the hill?

AR: Mmm hmm.

SM: Melissa's mom and you told her you knew who it was?

AR: Yeah.

SM: but you didn't tell her who it was?

AR: UNKNOWN REPLY

SM: Is she gonna remember that?

AR: Yeah.

SM: Yeah? I'm gonna talk to her.

AR: She will tell you, we were sitting in the car…the red car…

SM: when did that happen?

AR: A few months ago.

SM: A few months ago, okay.

AR: She told me just come forward and I told her I can't, I'm too scared. I don't know what he's capable of.

KB: Have you seen any of Lloyd and Dixie's immediate family around the area?

AR: Well yeah, they're my cousins.

KB: Okay, what, what's your interaction with them?

AR: I can't even look at em.

KB: Why is that?

SM: You went to the services, right?

AR: Cuz I didn't go and (UNINTELLIGIBLE) services.

SM: You didn't go to any of the services…

AR: UNKNOWN REPLY

KB: Why can't you look at em?

AR: Cuz I feel guilty, it's my fault

KB: Like what's your fault.

AR: Like it's my fault.

KB: If what is?

AR: That they died.

KB: If it's your fault that they died?

AR: It's like, like I feel like it's my fault that they died cuz I haven't said anything.

SM: You haven't told anybody. What do you know about Nick's gang affiliation?

AR: The Sorreno I think.

SM: Is it legit, or is it just a wannabe?

AR: Wannabe.

SM: Does he have tattoos or anything that you're aware of; you ever see anything on him?

AR: He has a South Side across his whole back.

SM: Yeah, okay. How about Jose?

AR: Jose he's a little wannabe.

SM: A little wannabe too. But this guys been like ranked in officially they go over there all just talk…

AR: talk…

SM: just all talk.

AR: I think Nick was ranked in, but I'm not sure.

SM: Okay.

AR: I don't know.

SM: But your, in your opinion I man you obviously probly been around it, some people you know people you just say they're more of a wannabe aspect.

AR: Right.

SM: Right, okay.

KB: Why did you want to talk to us?

AR: I just wanna get it off my shoulders. I didn't even wanna talk to them…

KB: To who?

AR: The, the sheriff's, the detectives.

KB: Okay.

AR: And he kept asking me, and asking me and I kept telling him no, no, no, no, no. And I started crying and I broke.

KB: Is there anything that you told them that you didn't tell us?

AR: I don't think so. I told you everything I told them.

KB: Okay. Well we appreciate your honesty you know and this information is… if everything that you say is true, which we're gonna, we're gonna have to prove it you know what I mean, I can't… unfortunately I can't just take a statement and say this is what she said, let's, let's go get him.

AR: Right.

KB: You know so we have to go through and remember this. But we know who you are, and we know where you've been, we know what , what you've been up to I mean everybody in that town kind of knows everybody and what's going on you know so do good for yourself you know. This is it's like the first step you can take. You know clean yourself up, get out of the town.

AR: I was supposed to turn myself…

KB: you know distance yourself from there…

AR: in to rehab, I ended up here.

SM: Well you still can.

AR: But how long am I gonna have to stay here?

KB: I can't answer for the current charges, but don't, don't get frustrated you know, you're an adult and you gotta take your lumps of what, what you've done and then roll with it from there.

AR: Right.

SM: You know? If the judges believe you they'll help you out, they'll put you where you need to be to try to get clean, stay clean and all that jazz. We'll leave some contact information with you okay and there's, there's no reason to hesitate at all any more, none.

KB: I mean we can meet you anywhere, we can do whatever, I mean we're gonna try and, we protect people is what we do, you know what I mean, we don't go… I'm not gonna go up to anybody and say hey guess what Ashley just told me… that doesn't… it's not the way it works.

AR: Mmm.

KB: You know uhm we've done a lot of interviews, we've interviewed a lot of you know the little, the little gang banger wannabe's out there, adults, everybody. We don't tell anybody who we talked to we get that information, it's not how we work. You know, we work to figure out who the hell did this and have the people there to help us out, like you. You know, so we're gonna go through and make sure everything is the way it is and you know you'll, you'll we hope you contact us you know we'll keep in contact with you but, like I said we try and protect you, we don't want to be showing up at your house and…

AR: right…

KB: doing all this stuff, so you know, it kind of, it goes both ways for… sun comes up, you remember it, call us, call me. I'm the case agent.

AR: K.

SM: What did you think when we showed up there to get your grandpa's DNA? Weren't you the least bit concerned that I mean, what if…?

AR: well I know my grandpa didn't do it.

SM: Right but…

AR: …I knew my grandpa didn't do it.

SM: What if something he owned, we found at the house you know, I mean you had this information and you know your grandpa was… I know he was sick cuz he had come back from the doctor…

AR: yeah…

SM: that day you know I mean, how did that make you feel?

AR: I was I was mad I was like what the fuck. I knew he didn't do it.

SM: Right. You can just think of how much it would have saved you, months of what you've been going through, had you said something then. Now people are gonna ask that, why didn't you come forward.

AR: Maybe I shouldn't of huh…

SM: No it's not it. (UNINTELLIGIBLE) forget who you are… this pans out; we'll do something with it. We'll do what we can.

AR: You guys don't believe me, it's alright.

KB: Why do you say that?

AR: Nobody ever believes in me.

KB: Well that's not the case.

AR: yeah it is.

KB: You ever have anybody help you out before?

AR: Huh?

KB: You ever have anybody help you out before? Is that why you think this about us?

AR: UNKNOWN REPLY

KB: Alright well we're gonna go do the rest of our job. We'll be in touch, okay.

AR: I'll be in jail.

SM: Like I said if something pans out we'll do what we can do.

KB: Do you want… do you want one of my business cards; you can take it back with you and put it somewhere where nobody knows that you talked to me?

AR: Yeah.

KB: Okay. I'm gonna do that and I want you to call me, whatever you have to do, get a hold of me if something comes up. Okay, we're, we're not gonna put you on the back burner, that's not the way it works you know, we're not just saying oh we need to use her for information and then away with her. We don't forget about people. And I'm saying that…

SM: And in, in regards to what you said, like this gentleman already explained to you, it may be okay uh that at this point I'm not sure its necessary right at the moment but, if need be you said you were willing to take that polygraph. Is that something that's on the plate okay, it's available to us you know that you can, you can go beyond a reasonable doubt take that test, see what the results are. Are you willing to do that?

AR: Mmm hmm.

SM: Okay. We'll get back with you on that one. I'm good, thank you Ashley.

AR: mmm hmm.

KB: Alright …

END OF INTERVIEW

CERTIFICATION:

I CERTIFY THAT THE FOREGOING IS TO THE BEST OF MY KNOWLEDGE AND BELIEF A TRUE AND CORRECT TRANSCRIPTION OF THE STATEMENT MADE BY ASHLEY ROYBAL ON OCTOBER 17, 2012, AND TRANSCRIBED ON NOVEMBER 9, 2012.

Lisa M. Quintana

Lisa M. Quintana

KRAIG BOBNOCK: Alright (Papers shuffling) okay, same thing as the last time I talked to yeah, since…

ASHLEY ROYBAL: my rights…

KB: You're in cuffs; I gotta read em to you okay.

AR: UNKNOWN REPLY

KB: Alright Ashley you have the right to remain silent. If you give up that right anything you say can be used against you in court. You have the right to talk to a lawyer now and have him or her present during questioning. If you cannot afford a lawyer; one will be appointed to you at no cost. If you decide to answer any questions now without a lawyer present you still have the right to stop answering at any time. You also have the right to stop answering at any time until you talk to a lawyer. Do you understand your rights?

AR: Yes.

KB: Do you wish to talk to us?

AR: UNKNOWN REPLY

KB: Okay. When we talked last week uhm about some information regarding the, the homicide of the Ortiz'…

AR: Yes.

KB: And you know I'm, I'm just gonna get right to the point, I don't' want to take up all your day you know, we did a lot of checking in, it's a lot of information and we came up with a lot more stuff than what you're telling us. Uhm we know, I believe, I believe you with what's going on okay, and that's what we're here for today is because I feel that what you have is valuable alright, and I've been able to check into a lot of the stuff realizing that there's a lot more that you're not telling us. Again, there's a lot more involvement from some different people and that's what we need to clarify. You know we're not, we're not here to get you in trouble, we're not here to press any charges on you okay. We're here to use you to help us out, that's what we need, we need help on this case.

AR: Right.

KB: You know and I under, I understand after getting some of this stuff back that there's more. You know, so what we need is we need nobody to be protected, we don't want you protecting anybody family, not family, friends, whatever it may be you know, whoever did this to your family members definitely needs to, to get the investigation underway.

AR: Okay.

KB: You know we need to get to the bottom of it, we need to I mean, like you said, your grandparents are still right there and if you're protecting one person that you said Nick Ortiz did it right?

AR: Yes.

KB: So if there's anybody that helped him and they find out that he gets put in jail, who's this person gonna come after?

AR: Right.

KB: And even if they know that you said something they could come after your family.
AR: Right.

KB: You know so we need to have everybody that's involved taken care of.

AR: Right.

KB: You know we don't need anybody to slip through the cracks.

AR: Right.

KB: You know if somebody uhm whether it's anybody involved in the distance, if they made a phone call of somebody saying hey, can you do this for me, I'll give you this much, stuff like that. We don't want anybody being left out. You know and I'll be honest with you I did, I did a lot of digging, we got a lot of stuff back, this is just preliminary stuff of what I've gotten back so far. It's, this is just a scratch of the surface you know and we're in the process of getting your car back you know. We know it sold to Ace's Towing

AR: Right.

KB: You know so…

AR: And he sold it to Gallegos.

KB: Right. So we need more information. You know you didn't tell us that it got sold to Gallegos…

AR: well I figured you knew…
KB: you know, we kind of had to figure that out so.

AR: I told the sheriffs that it did.

KB: Okay so we need to get to the bottom of everything.

AR: Mmm hmm.

KB: You know so what I what I really want is this information that I have I want this included in your statement that you give me now. I don't want to have to tell you on it because I wanna believe what you say.

AR: Right.

KB: You know I don't wanna think that you're full of crap. I don't want to call the District Attorney and say she gets of information but for some reason she withheld this from us, we don't need that. You know

I need to call the District Attorney and say, hey this girl was legit, what she told us you know we got enough to do Arrest warrants for these people cuz we know there's more than what's out there you know we need that on the table and I want to be able to believe you as a credible witness.

AR: Right.

KB: You know if you got some burglary charges right now, if you go in front of the judge and you know say I don't know what, what you know we haven't promised you anything like that, but I mean if you go in front of em and it's up on the table to help you out with something else, it's gonna be kind of hard to say that when she lied to us on this part, she forgot to tell us this part but, she told us this part.

AR: Right.
KB: They're gonna be well she's not very credible then.

AR: Right.

KB: You know so we need you to be a completely uhm credible person you know, you're a witness in all this and that's why we're talking to you. You're a very credible person and I believe what you said you know so you said we're gonna believe you, we're you in for another interview cuz of the stuff that we checked into its true. Some stuff there's more you know, so we don't want you to hide anybody, you know this is it. You know it's this is, this is the last time that we need to, to go through this so we can actually move forward.

AR: Right.

KB: You know we don't need anybody finding out what's going on with anything and then that's a whole another mess to deal with.

AR: Right.

KB: When you see if we're responsible out there, done.

AR: Right.

KB: You know and I don't want you withholding anything. Even if it came down to you having more involvement in it than you're telling us I want you to be honest cuz right now I don't want anything against you. You k now I don't want, I don't' wanna file charges against you…

KB: Right.

KB: For not telling information that I know you have, cuz there's, there's a law against that. If I know you have (SCRAPING SOUND) (UNINTELLIGIBLE) on a triple homicide and you're not telling us you know we can hold you accountable for that and I don't want to do that, that's, that's not that's not the way I do business.

AR: Right.

KB: Alright, I just want to find out the facts and that's it. So what I'm gonna do is I'm gonna give you the opportunity to tell me the entire story. I want additional phone calls to be told in your story, kay cuz I

know there are more between certain individuals. I want you to be able to tell me that, I don't want to put the words in your mouth cuz who's gonna believe me, right cuz then you can just say oh yeah, he told me and I agreed. So I want you to be able to tell that to me.

AR: Right.

KB: You know, cuz we have proof you know, we have proof of where people were when those phone calls were made.

AR: Right.

KB: So we're not trying to hang anything we're, we're just trying to get all the information on the people that you say were involved. Understand?

AR: Yeah.

RAFAEL GOMEZ: And everything that you have to keep in mind Ashley is that you know, you're a good person, you are. You've made mistakes in life okay but, the thing is that you're paying something that you, you know might of never been caught if it would of been for you know who. Alright now there's people out there that really depended on you a long time ago, they really did, depended on you and at this point I mean they don't care for you, they really don't. And, and I'm gonna tell you one thing, okay. You know what's gonna happen is that if they get the opportunity before you do, things are gonna turn around and they're gonna look real bad for you…

AR: (UNINTELLIGIBLE)

RG: You know and we don't wanna go through that, we really don't alright. You're a nice person, we can tell that you wanna help, but for some reason you're (LOUD SCRAPING NOISES) don't hold back and (UNINTELLIGIBLE) right now is the best time to do it I mean because if you don't this other person's you know, they're gonna come around and they're gonna say you know what before things gets worse, I wanna talk and then guess who's gonna have the opportunity, guess who's gonna the DA's gonna listen to…

AR: (UNINTELLIGIBLE)

RG: You know so thing about that you know it's, it's really gonna you know, like he said, Agent Bobnock, if you had anything to do with it don't worry about it really, really leave that out of the way, you know take this opportunity, cuz I mean look we've done homework alright and we're still not stopping, we still got a lot of homework that's still moving as we speak right now and if you don't take advantage of this opportunity somebody else will. Alright…

AR: mmm hmm.

RG: So really.

KB: And also when that's why we need to have all of your story cuz we need to have all your stuff documented and guess what, we're gonna go talk to the other people you know, we're gonna go talk to Nick, we're gonna go talk to Jose and then when they start throwing you under the bus saying well she

was here doing this, she was here doing that and we find out that it's true you know, we can't go to the DA and say…

AR: right…

KB: sorry, but she lied on this part. Then they're gonna say well she's full of crap on the rest then how do you know that that's true you know, and that's why we're giving you the opportunity to come in this, this, this one time and clear it up for us you know, we don't want anybody protected cuz I'll be honest with you, in a time like right now, which you're in, if they're faced with the same situation, they're not gonna help you, they're not gonna care about you. Cuz what, what does one person care about…

AR: (UNINTELLIGIBLE)

KB: Exactly. And who's gonna help you but yourself. So if you're gonna cover for these guys, whoever they are, I mean somebody off in the distance maybe involved and guess what they're the first person that they're gonna throw under the bus, everybody else. They're gonna make themselves look good and that's, that's not what we think you're here doing. You're here doing the right thing for your family, these are distant relatives of yours that got killed that night.

AR: Yeah.

KB: You know all three of em. It's been it's been a little time you know, you've wanted to get this off your chest.

RG: And like you said they helped you, you know they helped you when you guys went through tough times with your mom. You know they were there, you know they was good people you know, whatever happened, I mean there's nothing, there's nothing we can do we can't bring them back anyway you know we really can't, we can't bring your mom back but, we can, what we can do is that we can do the right thing, you can do the right thing you know. This is this is your best opportunity Ashley.

AR: Right

RG: Don't throw it, throw it to waste and say man I should of cuz like I told you before last day, last time we talked I told you, don't hold back Ashley you're holding back things alright, I knew you were holding back things cuz once we got back we started doing homework and guess what we found, alright.

AR: Right.

KB: And don't feel like you're ratting on people, that's not what you're doing, you're here to help the victims to help the people that got killed. You know and that's our ultimate goal.

AR: For the kids. You know I mean.

KB: Alright. So honestly Ashley what are they gonna do for you in five years? What will they be to you? Any of them, whoever's involved, what will they be to you?

AR: Nothing.

KB: Exactly. But who's still gonna be there?

AR: Me.

KB: You. So you need to feel better that these people aren't gonna harm anybody else.

RG: Come here; let's take these off, alright.

AR: Right.

RG: Better?'

AR: Yeah.

KB: Okay, ready to start?

AR: Yeah.

KB: Okay. So just keep in mind, more detail. Alright we know… said some more stuff came up.

AR: Okay.

KB: So and if there's anybody else involved in the distance tell us what your knowledge of that is too, because you know, we don't wanna find this stuff out and then like I said, alright. So uhm go ahead and start, just go slow through it and try and recall everything that you possibly can, don't leave any details out.

AR: Alright uhm that night Nick called me. It was about three in the morning.

KB: What night?

AR: Uhm I think it was Sunday night, Sunday morning.

KB: So Sunday morning?

AR: Yeah.
KB: So it was Father's Day?

AR: Father's Day exactly.

KB: Okay.

AR: Uhm he called me and he said he was gonna need a ride. And I said well just call me when you need a ride and he said okay. And uhm did I tell you about that noise that I heard?

RG: Yeah go ahead go on.

AR: Well when he, when I was talking to him something went off like music, I don't know if it was a cell phone or what it was, it wasn't his phone cuz he was talking to me, it had to be somebody else's.

KB: Somebody else's cell phone.

AR: Cell phone, something went off.

KB: Okay.

AR: And it stopped right away You know I mean I don't know if it was a text message, a phone call or what it was. I didn't hear nobody talking but, uhm he called me and said he was gonna need a ride. So I said well just call me when… you know I mean just call me when your ready, when your ready to get picked up or whatever. He said okay. About 3:30 3:45 he called me and he said he needed to get picked up and that he was by Steven's. And he said that he (UNINTELLIGIBLE) pick him up so I went over there to by Steven's house and I parked and that's when I saw Jessie or whoever it was, I don't know who it was that left in his truck, in that Dodge, I saw it leave and I called him, he didn't answer it, I called him again. He said I'm running across the river he's all come pick me up and he got in my… I went around, I drove around to the other side of the river, he jumped in my car, we turned around. He's all Jose punked out he's all Jose punked out I fucked up he's all I fucked up. And he was covered in blood, his pants were covered in blood and uhm I said what the fuck dude, what happened and he's like, he's like I just fucked up, I fucked up he said let's just go to my house. We went to my house and Jose was walking up the back road, up Olive Lane behind the house.

KB: Which one's Olive Lane?

AR: Mmm you know when you know on the top road where you go to get to my house?

KB: Uh huh.

AR: There's the bottom road…

KB: Oh, on the other side of the fence?

AR: …by the river.

KB: or down further?

AR: You know where the river is, Olive Lane comes up right behind my house.

KB: Okay I think I know where you're talking. So he was walking up there?

AR: Yeah, he was walking up Olive Lane. And uhm I said I told (UNINTELLIGIBLE) what's up what are you doing. He's like he's all nothing he's like did you do it he told Nick and he goes oh yeah and I said, did what and he's like he's all I fucked up, I fucked up bad and I didn't get the money and I was like, what the fuck are you guys, what did you guys do and he's like, don't worry about it and he said (UNINTELLIGIBLE) go take a shower. So he went upstairs to my to the upstairs bathroom and he took, he was taking a shower and I could hear him crying saying I fucked up, I fucked up. And uhm I knocked on the door and I told him, I said are you alright. He's all yeah, I just fucked up, I need to go home, I need to get the fuck out of here. And I said well get dressed, he's like I'm not gonna put this (UNINTELLIGIBLE) back on so I gave him clothes, I gave him sweats and a T-shirt. And he put that on, he put his clothes in a white bar and he left. We got in my car, Jose was at his door we reversed back, and you know how where we live right, you know how…

KB: Right.

AR: You know you know where my grandma lives.

KB: Right in the (UNINTELLIGIBLE) two-story?

AR: Yeah, and Jose lives next door.

KB: Right…

AR: in the trailer. Well when I reversed, I reversed and the back of my car is facing Louie's house.

KB: Who's Louie?

AR: My uncle, Jose's house.

KB: Jose's house, okay.

AR: Yeah and when I backed up I looked in the rear-view-mirror and Jose was standing in the doorway. All the lights were on in the house and he's standing in the doorway and I left. I went and I dropped him off at the car wash. He ran down to his house, he called me the next day. He's like I killed them, I fucken killed em and I didn't believe him, I really didn't because nothing had come out, nothing at all and nothing was on the news, nobody, no cops nothing in El Rancho. El Rancho's a small town (UNINTELLIGIBLE) first thing something happens you're gonna hear it and nothing, nothing. And then at 8:00 o'clock that night fucken cops everywhere. And I see (UNINTELLIGIBLE) he wasn't lying you know what I mean. Then when about twenty minutes later he called me he said, you fucken say anything, he's all I'm not even joking he's all you know I ain't playing, they don't call me dangerous for nothing. And I was like what, fuck you know what I mean? Then Jose that same night Jose called me, he called me it was probly about the same time between 3:30 and 3:45 Jose called me.

KB: That same day?

AR: That same day yeah. And he said he was walking and he needed a ride and I told him, well I'm picking up Nick and that's when you know what I mean I had pulled up and he was walking in the back.

KB: So you're saying he called you the same time Nick did during the middle of the night?

AR: He called me around the same… yeah around the same time after Nick did the second time he called me.

KB: So…

AR: When they told me to go pick em up.

KB: So are you at home at this time?

AR: I'm at home.
KB: So you're at home, Jose and Nick both call you?

AR: Yeah.

KB: Why'd they both call you?

AR: They said they needed a ride.

KB: Where was Jose calling you from, was he home?

AR: His cell phone.

KB: But was he home?

AR: No because when I pulled up he was walking up Olive Lane.

KB: How long, how long did you talk to Jose for on the phone?

AR: Maybe a minute, two minutes.

KB: Okay. And what did you figure was going on when they both called you?

AR: That they were up to no good. I thought they were just robbing people you know what I mean, cuz that's what they do. I thought they were just going and breaking into houses, I didn't think they were capable of something like that. I mean Jose, Nick does some fucked up shit, I've seen Nick do some crazy shit you know what I mean some weird twisted shit you know what I mean to animals, but I never thought he was capable of doing something like that. Jose on the other hand you know what I mean he's, he's fucked up. You know what I mean Jose's he's a fucked up kid, he's had a fucked up life you know what I mean? His parents are alcoholics, he's… he's probly an alcoholic himself and now he started using heroin and coke so…

KB: mmm hmm…

AR: you know what I mean.

KB: So when, when Nick went upstairs to take a shower in your house what did he do with his clothes when he was taking a shower?

AR: He must have had them in the bathroom.

KB: So he walked in your bathroom, you've seen him go to the bathroom fully clothed?

AR: Mmm hmm.

KB: Now did you see any blood on the floor after he left?

AR: Mm mmm.

KB: Have you cleaned the house since as far as like shampoo carpeting, is there carpeting there or what's in there?

AR: Well there's carpet and then underneath that is tile.
KB: So there's carpet on top of the tile?

AR: Mmm hmm.

KB: Okay.

AR: When I got there I didn't think that there was anything (UNINTELLIGIBLE)

KB: So what did, did Jose call you after that at all? Did you have any conversation with him at all?

AR: Uhm the following day I did.

KB: Okay.

AR: And he said that he was going to help Nick and he punked out he got scared, he got to the house and he turned around and started walking out.

KB: What do you mean he got to the house, did he ever tell you what he meant by that?

AR: That they got there to Dixie and Lloyd's (UNINTELLIGIBLE)

KB: Well cause getting to the house to me is walking up to the door. I mean did he get out, were they in a car, how'd they get there?

AR: (UNINTELLIGIBLE) we don't live too far from there you know what I mean, it's walking distance.
KB: So now where, where did he pick axe come from?

AR: (UNINTELLIGIBLE) I don't know. I know that when you guys showed a picture to my grandpa he said it was his.

KB: Did you ever see a pick axe laying around your grandpa's house?

AR: Mmm hmm there's a few of em.

KB: Are they still there?

AR: At my grandpa's?

KB: Mmm hmm.

AR: Mmm hmm.

KB: All of em?

AR: My grandpa has tools all over the yard.

KB: Does he? (PAPERWORK /TURNING PARES SOUNDS LOUD)

RG: Are you scared?

AR: Was I scared?

RG: Are you scared?

AR: Mmm hmm just for my grandparents.

RG: Okay, how about for you?

AR: Honestly I don't my whole life I've wanted to be (UNINTELLIGIBLE) cuz I've lost everybody. I'm not scared to die.

RG: No I'm not saying you're scared to die but I'm saying are you scared of the process that might end up happening, concerned about it Are you?

AR: Very and for my grandparents. I don't care about myself you know what I mean?

RG: You care for them.

AR: I don't want anything to happen to them. (UNINTELLIGIBLE)

RG: Do you think they might get hurt? That somebody might hurt em if they find out that you're talking to us?

AR: I know they will.

RG: Who might hurt em?
AR: I know Jose had a gun Dixie and Lloyds.

RG: He had a gun of Dixie and Lloyds?

AR: From a prior break it I guess.

RG: So they broke, so he broke into?

AR: I don't know if it was him or if it was Nick. I don't know who it was but I know Jose has a gun.

RG: How do you know it was Dixie's?

AR: (UNINTELLIGIBLE)

RG: Who told you that? What kind of gun was it?

AR: A .22 rifle.

RG: A 22 rifle?

AR: (UNINTELLIGIBLE)

RG: Do you remember the; do you remember seeing it?

AR: Mmm hmm.
RG: What did it look like?

AR: It was brown with a black or brown (UNINTELLIGIBLE) it's not the handle you know what I mean?

RG: Okay so brown and black?

AR: Mmm hmm.

RG: (UNINTELLIGIBLE) is it pretty new or old or?

AR: It was older.

RG: it was older?

AR: Mmm hmm.

RG: Where does Jose have that rifle?

AR: I know he got rid of it.

RG: He got rid of it, he sold it?

AR: I don't know.

RG: You don't know.
AR: (UNINTELLIGIBLE)

RG: So you think he might; he might use it to hurt your grandparents or use something like that to hurt your grandparents?

AR: He's hit me with a bat you know what I mean? I know like about two weeks after that he's all he was drunk he was drunk…

RG: (UNINTELLIGIBLE)

AR: (UNINTELLIGIBLE)

RG: Okay.

AR: He was drunk and he was standing on his porch and he was yelling anybody says anything he all I'm gonna fucken take everybody out.

RG: That's what he was saying? Who heard that?

AR: I'm sure his family heard him.

RG: What time was this around?

AR: Shh uhm like at 3:00

RG: (UNINTELLIGIBLE)

AR: In the morning.

RG: Oh it was already late.

AR: Mmm hmm. Yeah he had beat up his dad and I ran, I remember running over there he was just laying on the floor covered in blood.

RG: Who was?

AR: His dad he was laying on the floor covered in blood out cold and I just remember dragging me to my grandma's house. Cuz he was unconscious you know what I mean his head was split open. He's all your next he told me.

RG: Why would he say that?

AR: Cuz I'm the only one that can bring him down.

RG: Can you take him down (UNINTELLIGIBLE?)

AR: (UNINTELLIGIBLE) as far as I'm concerned like you know what I mean them two Are the only ones involved in that's what you know what I mean that I know. Them two are the only ones that… Nick said he did it that he killed them that he went in and he killed them.

KB: So he said I didn't get the money, what what's up with the money?

AR: He said he didn't get the money. He said he was he said he was gonna get twenty grand (UNINTELLIGIBLE)
KB: He wanted it for himself?

AR: UNKNOWN REPLY

KB: Afterwards did you see him with anything any new clothes…

AR: Well when I picked him up mm mmm, nothing.

KB: Even after?

AR: Even after.

KB: Cuz they called you for a ride later, right?

AR: Mmm hmm.

KB: A few days later, they burglarized the place?

AR: They about two months after that.

KB: Two months?

AR: Yeah, they called me and they robbed a cops house (UNINTELLIGIBLE)

KB: What other…
AR: (UNINTELLIGIBLE) they told them they thought it was Johnson's house. They thought I was contradicting myself (UNINTELLIGIBLE) you know what I mean I know there's (UNINTELLIGIBLE) a cop has been burglarized here. I know what they took I saw the guns that they got, I you know what I mean. It's not hard I can break into somebody's house and get a gun quick you know what I mean, that's how easy it is.

KB: Mmm hmm.

AR: I can get a gun for fifty bucks on the streets, that' how easy it is you know. What's to say Jose's not gonna find out, get out and fucken go kill my grandparents.

KB: Why then?

AR: He's capable of doing something like that.

KB: Well my thing is why your grandparents, what do they know?

AR: Mm mmm.

KB: Why would he do something to your grandparents? There's a lot of people there right?

AR: Cuz that's all I got left.

KB: For you?

AR: UNKNOWN REPLY
RG: So you think he might hurt your grandparents to hurt you at the same time, but not, not hurt you?

AR: No he'll get me if he can get me.

RG: 'til he gets the opportunity.

AR: Yeah if he could if he had a chance to get me he would get me you know what I mean if he knew I was talking to you guys and we were on the streets I'd of been dead since this weekend.

KB: So why Are you telling us?

AR: Because it's not right you know what I mean, (UNINTELLIGIBLE) good people, I grew up with Steven I went to school with him you know what I mean. He was at our house every day. Steven was there every day (UNINTELLIGIBLE) my Aunt Berna raised Steven from you know what I mean she took care of him.

KB: So ultimately you just wanna help for Dixie and Lloyd and Steven.

AR: My cousins married to Angela you know what I mean it's, it's not right.

KB: Your cousins married to who?

AR: Angela.

KB: Who's your cousin?

AR: Chris.

KB: How Are they related?

AR: My dads side of the family.

KB: When did you what about the times that you and Jose talked afterwards?

AR: Me and Jose were kind of distant after that.

KB: I'm saying like the day after, Monday.

AR: Monday.

KB: Okay.

AR: Well maybe Sunday.

KB: Well Sunday was the day of…

AR: the day, yeah well…

KB: technically I mean you said cuz it was…

AR: yeah…

KB: like 3:30 in the morning…

AR: yeah when I woke up…

KB: on Father's day…

AR: that same day I guess it'd be the same day.

KB: Okay, so you talked to him on the same day?

AR: Same day, yeah.

KB: Okay. Now Nick called you hear me out again, he called you in the afternoon…

AR: Father's Day.

KB: Father's Day and he said?

AR: That he killed them.

KB: Okay, what else did he say to you?

AR: He said that I better not fucken say anything or I was gonna get it.

KB: Or else who's gonna get it?
AR: I was gonna get it.

KB: Or else you were gonna get it. And what did he say… he had a nickname or something?

AR: That he's all they don't call me dangerous for nothing.

KB: Okay. Now…

AR: I said well what, why did you, what did you, why did you do it I told him and he's like I was just going in to get the money he's all and it got out of control. He's all Lloyd woke up, I got Lloyd first and then Steven and then Dixie. I said did you get the money, he's all no I didn't get nothing, you picked me up (UNINTELLIGIBLE)

KB: So now did he tell you anything else about the details of it, that only he would know? I mean think hard.

AR: Nothing that I haven't heard on the news.

KB: Well I don't, I don't want to know what's on the news, just keep aside news, keep… I just wanna know what he's told you as far as any detail that only he would know.

AR: Just that he has nightmare, he had a nightmare about it. He said he couldn't sleep.

KB: I mean did he say…

AR: Like when he kept saying that Lloyd like on the news it said that Lloyd had hair in his hand, I knew that was a lie you know what I mean… Nick said that he knew he's all I know I didn't leave nothing there…

KB: He told you that?

AR: But the only thing is I he's all I left the pick axe there.

KB: So he said he didn't leave anything there. How did he, did he say how he was gonna get away with it? Did he…

AR: Nobody knew. He's all, I'm gonna get away with it, nobody knows but you.

KB: Except who?

AR: like Jose.

KB: You and Jose?

AR: UNKNOWN REPLY

KB: Now when you talked to… speaking of people knowing, when you talked to Berna what did you tell her?

AR: I told her that I knew who did it, that I couldn't tell her who because I didn't want it to fall back on her, and she told me she's like for some reason I (UNINTELLIGIBLE) had a part of it and I didn't say anything.
KB: You didn't, you didn't nod your head, you didn't say anything to her to confirm it?

AR: I stayed quiet.

KB: Okay. Now be honest with me on something Ashley, you know like I said I'm not here to get you in trouble. I need to know how they got there. I need to know how they were dropped off. I need to know how that pick axe got there.

AR: I don't know about the axe.

KB: Well how did they get there then?

AR: I gave them a ride to the bridge.

KB: Okay. So you picked them up where ?

AR: They were at my house.

KB: They were both at your house, so why did they call you and say they needed a ride?

AR: They said they were gonna need… they called… okay Nick and then, Nick wasn't there, he showed up…

KB: Nick wasn't where?

AR: At my house.
KB: Okay.

AR: He showed up like around about 2:45 about, it was late already.

KB: Did he call you, just show up, how did he get there?

AR: I don't know how he got there, I really don't know and I don't know if Jose had picked him up or…

KB: Okay so what were you, what were you doing when Nick got there?

AR: I was in my room.

KB: Okay so you were in your room uhm were you awake?

AR: Mmm hmm.

KB: Okay, did you have any knowledge of it at that point?

AR: No.

KB: Okay go ahead.

AR: Nick called me, he said (UNINTELLIGIBLE) I need a ride.

KB: Okay and that was at what time?
AR: 2:45.

KB: Okay, okay so he calls you upset says I'm gonna need a ride. Did he tell you what he was gonna do at that time?

AR: He was gonna go hit a house.

KB: Okay. He told you that on the phone:

AR: No.

KB: When did he tell you that?

AR: In the car that they were gonna go hit a house.

KB: Okay. So I'm kinda confused here. He, did he call you and say I'm gonna need a ride?

AR: Mmm hmm…

KB: and then showed up at your house?...

AR: Mmm hmm.

KB: You didn't bring him to your house, so he shows up at your house?

AR: and I gave him a ride…

KB: by himself or with Jose?

AR: by himself (UNINTELLIGIBLE) well he went to Jose's and then they came to my house.

KB: So they both came to your house at the same time?

AR: Mmm hmm.

KB: Okay and they knocked, just let themselves in?

AR: they just walk in… (UNINTELLIGIBLE)

KB: Okay, so they walk in, and have they already called you at this point or no, to tell you that they need a ride?

AR: The first time?

KB: Right.

AR: Yeah.

KB: Okay. So they've already made the phone call, they get together and they come to your house and you're in your room downstairs?
AR: No, upstairs.

KB: So your room's upstairs?

AR: Mmm hmm…

KB: I thought you said it was downstairs?

AR: My room's, I have two rooms, I was upstairs.

KB: Okay. So you were upstairs in your bedroom?

AR: Yeah.

KB: Okay, what were you doing then, were you awake?

AR: Mmm hmm, watching TV.

KB: Did you go to sleep at all yet up until that point?

AR: Mm mmm.

KB: So you were just up all night 'til that time?

AR: Yeah.
KB: Did Jose call you before he got to your house?

AR: UNKNOWN REPLY

KB: So Nick called you from his phone or from whose phone?

AR: His.

KB: Okay and then they both come in the house and do you go down and meet em, do they come up to you?

AR: They come upstairs (UNINTELLIGIBLE)

KB: Okay so they come up to your room, uhm what's the conversation like? What are they telling you?

AR: He said they only had to get some money and they needed to go hit a house.

KB: Okay, what are they wearing, both of them?

AR: I don't, I can't remember what Jose was wearing, I remember what Nick was wearing.

KB: What was Nick wearing wearing?

AR: Short sleeve black shirt (UNINTELLIGIBLE) black Nikes.

KB: Did he have any logos on the shirt… nothing no numbers… nothing on the back, okay.

AR: UNKNOWN REPLY

KB: So who else is home at your house when they get there, who else is awake?

AR: Nobody.

KB: Nobody at all?

AR: (UNINTELLIGIBLE) might have been awake, but I don't think so.

KB: Was, was he home that night?

AR: Mmm hmm.

KB: In his room or… does he sleep with the door open, door closed?

AR: The door was closed.

KB: Okay, anybody else there besides you and your cousin, grandma grandpa anybody?

AR: My grandma and grandpa were upstairs (UNINTELLIGIBLE)

KB: Okay. So they were upstairs uhm door open, door closed did they see you?

AR: Closed, they were asleep.

KB: How do grandma and grandpa react when you leave at 3:00 o'clock in the morning, do they get up, is it normal?

AR: They probly didn't even hear me.

KB: Okay, so they didn't turn on a light, they didn't say hey Ashley what are you doing?

AR: UNKNOWN REPLY.

KB: Okay so what happens after they get up, up to your bedroom? What do they say to you?

AR: Nothing they needed a ride.

KB: Okay.

AR: I said where to, they go to the bridge.

KB: And what bridge are you talking?

AR: The bridge right there (UNINTELLIGIBLE)

KB: The, the one right there off of uhm the, the bridge that you cross to go pick em up, that bridge… mmm kay. So they said we need a ride…
AR: (UNINTELLIGIBLE) have anything (UNINTELLIGIBLE) I mean that's why I thought they were just going to hit the house. I don't know if they hid shit at the bridge or you know I mean I don't know.

RG: Ashley uh when they're there at your house before the ride Are they preparing themselves?

AR: They didn't have nothing …

RG: Nothing…

AR: nothing…

RG: you sure?

AR: Mmm hmm.

RG: So you can't think of anything that they picked up on the way home, on the way out. You can't think if they reached out and grabbed one of, one of your socks?

AR: It's possible, but I didn't see anything.

RG: Why is it possible, did you walk ahead of them or did they walk behind you?

AR: They were behind me.

RG: So you left, you left the room first.
AR: I walked out of my room yeah and they (UNINTELLIGIBLE) I mean it's possible they could of got you know what I mean, you know what I mean it's possible they took their socks off their feet you know what I mean I don't know.

KB: What about, I mean Jose…

AR: But I know when they got off the car they didn't have anything on them.

RG: Nothing, nothing…

AR: Nothing.

KB: Cuz they said they have plastic bars, did Jose have plastic bars too? What's, what's the…

AR: No when, when they got back in the car Nick had a plastic (UNINTELLIGIBLE)…

RG: That's when he got back in the car with when you went to pick him up…

AR: pick em up yeah.

KB: Okay, so you go drive, you drive from your house; do you go anywhere else other than straight to the bridge?

AR: No, to the bridge and then straight back to my house.

KB: Okay, so you drop em off at the bridge, did they have flashlights on them that they light up when you left?

AR: Their phones.

KB: That's all they had was their phones, they each have…

AR: I know they had their phone… each of the had their phone.

KB: Had one phone each that you know of… ok? So you, where did you go afterwards?

AR: To my house.

KB: Why would you go back home.

AR: That's where I live.

KB: I know but why wouldn't you just stick around?

AR: I, they just asked for a ride.

KB: Well okay, so they asked for a ride uhm you drop em off, and then how do you get contacted again to pick em up?

AR: They call me.

KB: Who called you?

AR: Nick called me. Jose called me first and he said that he was walking and I said well where' s Nick and he's all I don't know. He's all I don't know where Nick's at. And then Nick... my phone ringed and it was Nick and I said hold on and I went over to Nick. I said what's up, he's all I need you to come pick me up I'm by Steven's.

KB: So...

AR: But they didn't have nothing (UNINTELLIGIBLE)

KB: Jose, Jose called you and told you he's walking?

AR: Mmm hmm.

KB: Why did he tell you he was walking? Cuz I know he talked to you I have, I have it right here. I mean why did he talk to you?

AR: He said he was walking up to his house.

KB: Did he say he didn't do it?

AR: He didn't say nothing.

KB: He just said I'm on foot, I'm walking?

AR: (UNINTELLIGIBLE) walking back to the house. And I drove up and down the road and couldn't see him, the bottom by the river, I couldn't see him.

KB: Right.

AR: On the by my you know my house the top of it and there's the bottom not on the Dixie side but on the other side...

RG: the other side.

AR: Yeah.

KB: So at this point you knew what they were up to?

AR: No. (UNINTELLIGIBLE)

KB: When did you find out what they were doing?

AR: When (UNINTELLIGIBLE) Nick when he got in my car I knew he did something wrong.

KB: When he got in it?

AR: Mmm hmm he was covered in blood.
KB: Mmm hmm.

AR: And then we went back to my house, he showered, changed and I took him home and then…

KB: So it's just it's just the two of you in the car?

AR: Mmm hmm.

KB: And you drive from?

AR: This side…

KB: The other side of the river, the far side from?

AR: Yeah.

KB: M Kay…

AR: (UNINTELLIGIBLE)

KB: and then you go home and you said Jose is walking?

AR: Up Olive Lane.

KB: Okay, was he wearing dark clothes, light clothes?

AR: Mostly dark clothes um I you can't, I can't be…

KB: okay…

AR: I'm not sure.

KB: So you're not sure what he was wearing, but you seen him walking up the road, towards you…

AR: towards us…

KB: as you were going down it?

AR: No, well see my house, you know where my house is…

KB: Right.

AR: And right behind it is…

KB: and you go down the road…

AR: right behind my house, okay here's the fence and then right behind it there's a road that nobody uses.

KB: Does it go like the main road in goes this way, does it go across it or does it go the same, the same way?
AR: It's the same way.

KB: So it's on the other side of the fence.

AR: Mmm hmm

KB: Going down by the Zubia's live down there?

AR: The Zubia's live on this side.

KB: Okay, so it's on the other side…

AR: the other side of the Zubia's.

KB: Okay. So he's walking up that road. How did you see him from your place?

AR: He walked up right behind my house.

KB: Oh so he walked up through there.

AR: Yeah.

KB: So you kinda have to get off the road and go through the…

AR: He has to get in to go through the fence. I mean it's trail there's a trail that you know what I mean…
KB: Okay so he went through the trail to get there and he's getting there the same time you guys got there?

AR: About the same time. Yeah cuz I pulled up, I got off and we were sitting on the porch. I smoked a cigarette and Jose walked up.

KB: So he walked up after you got out of the vehicle, after Nick was already in the house showering?

AR: No, Nick was still on the porch.

KB: So he saw Nick.

AR: Yeah.

KB: Okay. So you guys pull up to the house uh you both get down, and then he's coming out. You stand on the porch and he comes up to you.

AR: Yeah.

KB: What did he say to you guys?

AR: Nothing, he asked Nick, did you do it and Nick said yeah.

KB: So by did you do it did, did he go there to kill em or did he go to burglarize em?

AR: He said, what he said is they went to go rob them. What I figure you know what I mean, I thought they were going to… that's what they said they were gonna go hit a house.

KB: Okay. Cuz that's big I mean we need to know what their intentions were going there.

AR: Yeah they said they were gonna go hit a house.

KB: You know but if you rob a house how often do you wear a trash bags on your shoes? Have you ever wore a trash bag on your shoes?

AR: UNKNOWN REPLY

KB: Does Jose?

AR: UNKNOWN REPLY

KB: You guys have burglarized together, I'm not, I'm not here to get you in trouble over it I just want to know how you how you guys do burglarys.

AR: Well he never has, no.

KB: Okay, what about Nick.

AR: I've never done a hit a burglary with him…

KB: You never…
AR: I've picked em up from one but…

KB: Well did he have bags on his shoes or anything like that, socks on his hands?

AR: UNKNOWN REPLY

KB: Why did he have em on him that night?

AR: UNKNOWN REPLY

KB: And did he say where he got those from, who's they were?

AR: UNKNOWN REPLY

KB: No? Okay so Jose comes up to you guys as your outside of your house, Nick's outside with you and you're outside smoking a cigarette…

AR: and I was freaking out and I told him just go take a shower dude, calm down. So he took a shower so I walked him upstairs, he went and took a shower and he was up there and he was crying.

KB: You walked, you took a shower too?

AR: No.

KB: Oh he did?
AR: I walked him upstairs to the shower so he could take a shower.

KB: Oh okay.

AR: And I told him just take a shower you know, calm down. I gave him a pair of sweats and a T-shirt.

KB: Have you gotten those sweats or T-shirt back?

AR: UNKNOWN REPLY

KB: He has em still?

AR: UNKNOWN REPLY

KB: Have you asked him for em?

AR: UNKNOWN REPLY

KB: Okay, so you gave him sweats and a T-shirt. Where were his clothes at?

AR: He put em in a bag.

KB: Did he get the bag at your house?

AR: Yeah I gave him the bag.
KB: Like what kind of bag, a trash bag uh…

AR: A trash bag.

KB: What color was it?

AR: White it was a trash bag.

RG: The Wal-Mart bags?

AR: No, no…

RG: No…

AR: A trash bag well garbage bag.

RG: Like a zip one… one of those Hefty bags.

AR: Mmm hmm.

RG: Okay.

KB: Kind of like one of those?

AR: Mmm hmm white.
KB: Was it clear like this or was it white?

AR: White.

KB: Okay. So you give him that, he puts the bloody clothes in there and what about shoes?

AR: He has em on.

KB: So he's wearing the same shoes?

AR: (UNINTELLIGIBLE)

KB: So you give him black sweats you said?

AR: Black sweats.

KB: And a white T-shirt and then where is Jose at this time?

AR: At his house.

KB: So he leaves, did he ever go in your house after?

AR: UNKNOWN RESPONSE

KB: How 'bout looking at his hands, looking at his feet, Jose. Did you see anything on em? Cuz you guys are standing out there… was there a porch light on when you were there?...

AR: Yes…

KB: I mean you could see his body, right?

AR: Yeah.

KB: Okay.

AR: (UNINTELLIGIBLE) his shoes…

KB: Did you look for it?

AR: Mm mmm.

KB: You didn't look to see if he had any blood on him?

AR: No.

KB: Okay. So when he goes home he just stands in the driveway… waits for you guys or in the…

AR: he's at his house…

KB: in the doorway…

AR: He's at his house, he's at his house and then when, when I left when I went to go take Nick home he opened his door and he was just standing there in the doorway. I left, I went and dropped of Nick and I came home. When I got there all the lights were off.

KB: At Jose's?

AR: Mmm hmm.

KB: Did you see him that day?

AR: That same day?

KB: Mmm hmm.

AR: After I woke up, yeah.

KB: When did, what… what?

AR: I woke up when Nick was calling me. He said that he killed them and like and I didn't believe him because you know what I mean…

KB: So why, why didn't Nick…

AR: I was you know what I mean three people will get killed you know what I mean and nobody knew about it.

KB: So how did Nick, why did Nick tell you that he killed them?

AR: I don't know, he trusted me.

KB: Did, did he trust you?

AR: He trusted me.

KB: What about Jose, does he trust you too?

AR: With their life.

KB: Has either of them, cuz you live right next to Jose…

AR: Mmm hmm.

KB: Has either of them mentioned it afterwards, I mean not even necessarily the same day but, couple weeks later, a month later, a year later?

AR: Jose said maybe cuz they stopped talking to Jose for a while it was… they stopped talking to him cuz he was fucking up bad.

KB: Was it because of, of this or what it was because of that they stopped talking?
AR: That, that and just other issues with the family and you know his parents and just we… it was better that way… (UNINTELLIGIBLE) just for a couple of months and that that was… I was working 72 hours a week you know what I mean…

KB: Mmm hmm.

AR: And I start, I barely started talking to Jose last week or the week before I got put in here. I barely started talking to him and, and he was saying something like he's all I'm not having fun now because I'm gonna do life in prison.

KB: What did he mean by that?

AR: And I looked at him and I said for what and he goes a that shit.

KB: Why would… why would he do life in prison what's, what else is there?

AR: I don't know.

KB: Do you think he stayed there?

AR: It's possible but he said, Nick said that he punked out with it Jose punked out again.

KB: Well I mean punking out you can take that many different ways.

AR: He said that they got there and Jose got punked out with it. He turned and left.

KB: Did they say whether they went around back to the front first?

AR: They didn't say.

KB: Nick didn't say, but he said that Lloyd…

AR: I think they said the back.

KB: And Lloyd said that… or he said that Lloyd…

AR: that he got Lloyd first. And I wanna say that he… I don't… but don't… I'm not a hundred percent on it you know what I mean, I could just be from I heard the news…

KB: On which part?

AR: You know what I mean that he got Lloyd at the back door.

KB: Okay.

AR: But I don't, you know what I mean I don't know…

KB: But he did tell you that he got Lloyd first?

AR: Yeah.

KB: Okay.

AR: And then Steven and then Dixie.

KB: Did he describe any of it?

AR: He said that they all fought back.

KB: What'd he mean they all fought back?

AR: He said that they all.. he just said that, he said they all fought back.

KB: All three of them?

AR: UNKNOWN REPLY

KB: Now when, when it comes to something like this do you get any gang recognition for anything like this?

AR: Me?

KB: No not you… like if, if Nick did this does he get anything for the gang, do you think that that's behind it, I mean do you think he was doing it for something else, somebody else? What…

AR: I don't think so.
KB: No.

AR: (UNINTELLIGIBLE)

KB: So gang, gangs don't respect that?

AR: I'm sure gangers get that a lot but you know what I mean buy I don't think that, that was the reason.

KB: Mmm hmm.

AR: (UNINTELLIGIBLE)

KB: What do you think the reason would be?

AR: I don't know, they said they were going to rob em.

KB: Mmm hmm. Go ahead.

RG: Ashley, listen Ashley uhm don't, don't you, you're just contradicting yourself okay, alright you are okay. I, I do this for a living, he does this for a living. This is what we do alright. Now how many break-ins have you had in your whole life, how many?...

AR: have I done?

RG: Yeah have you done?
AR: Three.

RG: Three alright. Now let me ask you this. Is it common for you to hit a house at 3:00 o'clock in the morning?

AR: Yeah.

RG: It is. Alright so you've done it in the past, right okay. But, when you do that most of the time you got your backup there right, cuz you know shit's gonna hit the fan…

AR: (UNINTELLIGIBLE)

RG: Right okay. Uhm so you know we wanna, we wanna try to you know make you be presentable over there with the DA so that way the DA can believe you and they can try to help you out somehow alright. But, the thing that you tell us does not match, it doesn't.

AR: (UNINTELLIGIBLE) I'm telling you everything I know about, how does it not match?

RG: It's not really matching Ashley.

AR: What you guys have?

RG: Alright, yeah.

AR: It's not matching what you guys have, then what you guys have is wrong, because what I know is true.

RG: Alright so, so let's back it up again Ashley okay. You're at your house, you get a call right?

AR: Mmm hmm.

RG: They tell you…

AR: We're gonna need a ride.

RG: We're gonna need a ride.

AR: Nick called, he said he was gonna need it.

RG: And Jose's already there.

AR: Jose's at his house.

RG: Okay then Jose shows up at your house…

AR: He and Nick show up there.

RG: Both together.

AR: Mmm hmm.

RG: Right okay so they get there and you're watching TV.

AR: Mmm hmm.

RG: Upstairs.

AR: Mmm hmm.

RG: You guys are getting ready, alright lets go. You take em… take em to the bridge. You're the backup right, right?

AR: well yes, yeah.

RG: You're the back up cuz you're gonna drop em off, you're gonna wait for them and pick em up and let's go.

AR: Yeah.

RG: Right, you never left.

AR: Yeah I did.

RG: You left?

AR: Mmm hmm.
RG: Alright. You left home without knowing where they were gonna go?

AR: Yeah.

RG: Is that common for you guys to do?

AR: It is.

RG: Alright so the backup won't know anything about where they're gonna go.

AR: (UNINTELLIGIBLE)

RG: No?

AR: Nothing. (UNINTELLIGIBLE) the house on Friday…

RG: Okay…

AR: I didn't know what they were gonna do. They, they went and hit a house and then came and picked me up.

RG: So that's common for, for…

AR: Mmm hmm…

RG: (UNINTELLIGIBLE)

AR: Yeah.

RG: Okay. So you get the call, right…

AR: Mmm hmm.

RG: Now come pick me up… you go pick em up…

AR: Pick up Nick.

RG: You pick up Nick.

AR: I went to look for Jose but I couldn't find him.

RG: But then again you hear of music, what appeared to be…

AR: That was the first time…

RG: yeah, what appeared to be a cell phone …

AR: That was the first time though.

RG: That was the first time…

AR: Before (UNINTELLIGIBLE)

RG: Before you gave them the ride, okay. So you get that call okay so he's still basically home basically, right? I would say…

AR: Right.

RG: I would assume right?

AR: Right.

RG: So then he gets there, whenever you guys go, you drop em off, you take off, you get that call from…

AR: Jose first and then…

RG: Jose first and then right away Nick.

AR: Nick yeah.

RG: But they're in separate ways. (LOUD SIGH)

AR: There's no way, I don't know… Jose was already walking up. By the time I picked up Nick and got back home, Jose was already walking up the road. And it's like maybe a twenty minute walk from there to, to our house you know what I mean?

RG: Okay. (LONG PAUSE) So now you're telling us the truth now?
AR: Mmm hmm.

RG: You sure about that?

AR: The dead are in truth.

KB: Why were you protecting Jose?

AR: Because Jose is crazy.

RG: Jose is crazy?

KB: They're both crazy. They call, he calls himself dangerous right or do they call him dangerous? So why protect Jose?

AR: (UNINTELLIGIBLE)

KB: You related to Nick?

AR: UNKNOWN RESPONSE (UNINTELLIGIBLE) closer to Nick than Jose… and I'm scared of Jose

KB: So well why, you're scared of him?

AR: Shh Jose's put me in the hospital I don't know how many times.

RG: Have you ever been in burglaries with Jose?

AR: Just this last one.

RG: Just this last one?

AR: But it was, I wasn't even with him, they picked me up after you know what I mean?

RG: After they did it?

AR: Mmm hmm.

RG: Alright, so you've never been in…

AR: And I got (UNINTELLIGIBLE)

RG: Who taught Jose, you did?

AR: Who taught Jose?

RG: How to do break-ins?

AR: No.

RG: No. You don't know who did?
AR: I never did a burglary ever.

RG: Okay…

AR: The first burglary I did I got busted at the house. I didn't even go in the house and I got… last year was the first burglary I did.

RG: So, so, so you don't have much experience.

AR: Mm mmm…

RG: You don't right?

AR: At all.

RG: Okay. But do you think it's, it's common for a burglar at 3:00 o'clock in the morning it a house?

AR: Yeah.

RG: Okay. And you think it's common for a person to hit the house and then kill the persons?

AR: I never you know what I mean I don't know, I've never done that so I don't… I guess, if it came down to it.

RG: Cuz it's better it's more important the burglars life than the victims life.
AR: I, yeah. Well yeah…

RG; So, so what do you guys, so what do you guys go into houses and do stuff like that just for fun, just to kill em?

AR: No.

RG: No right.

AR: No.

RG: Okay. So that's what I'm trying to explain to you that it just doesn't make any sense.

AR: Right.

RG: Alright. It, it just doesn't. Alright now you know what the whole reason we're doing all this all over again is because like we told you earlier, okay things just don't match.

AR: Well what you guys have (UNINTELLIGIBLE) cuz I know what's up you know what I mean? I may of not been there and seen what he did or what they did you know what I mean. I don't know if Jose went in the house, I don't know you know what I mean. But, I know you know what I mean, I picked up Nick that night. Nick called me the next, well the same day. He told me he killed them. I didn't believe him and then I seen all the cops later on that evening. So you guys can take it with a grain of salt or you can believe me you know what I mean.

RG: No we're the thing is that we wanna believe you, we really do.

AR: And I hope you guys do because I'm telling you the truth, I have no reason to lie to you guys. What am I gonna gain.

KB: We believe you Ashley, the only thing that is hard to believe and I'm not saying I don't believe you on it, but the fact that you know they would go to somebody's house at 3:00 o'clock in the morning, fine burglarize em but, you know Lloyd and Dixie's schedule. You know that they're gonna be home at 3:00 o'clock in the morning as well as I do.

AR: I didn't know they were hitting Dixie and Lloyd.

KB: No but just, just in general…

AR: I just thought they were gonna… who I really they were gonna hit was Frank Roboney's house.

RG: Frank who?

AR: Frank, they call him Frank Roboney.

RG: Who's that?

AR: He lives like three streets further down past Dixie… that's why…

KB: But even at that I mean you get, you get two older people…

AR: (UNINTELLIGIBLE) I would of chose to hit you know what I mean…

KB: Right but I'm just trying to, rationalize Lloyd and Dixie's house. You know there are a couple of elderly people. You know Steven's schedule, you know…

AR: Yeah…

KB: when he's out, you see him all the time, you know he's gonna go back home at night time. Why actually go into that house when they're there instead of during the day they're all gone, right?

AR: Right.

KB: Why would you not hit that house during the day? If they've got a lot of stuff that you wanna take, what would you do to that house? When would you hit it?

AR: In the day.

KB: Damn right. The brightest part of the day cuz you know they're all gone. So why did they go in there at 3:00 o'clock at night?

AR: (UNINTELLIGIBLE) But I know that they said that Nick had hit it before and Lloyd caught him.

KB: Right, so why would he go back at that time of night? You know that's what we're trying to figure out. Did they tell you they were going there to kill em, you know? Did, did they tell you that?

AR: No, I didn't even know that they were going to hit that house. I didn't know that they were gonna go hit Dixie and Lloyds house. I really thought that they were gonna hit Frank Roboney's house. That's why I thought they… cuz that's what… that weed, the coke, everything is you know what I mean? That's where you, you would of scored big there.

KB: Mmm hmm.

AR: You know what I mean?

RG: What would you of done if they would of told you we're hitting Lloyd's hosue?

AR: I would of told them not to.

RG: You would of told em not to? They would of listened to you then?

AR: Probably.

RG: Why is that?

AR: Well cuz they always listen to me.

RG: So, so are you like their little dealer?

AR: No, they just I don't know, they respect me you know what I mean…

RG: okay…

AR: because of what I've been through and…

RG: uh huh…
AR: like what I've lived you know.

KB: So we're not like I said we're not here to get you in trouble. Okay, if you knew prior to that they were going there to do that big deal, but we need to know. It's a big deal to us cuz we need to know you know we're not trying to get you in trouble for knowing that what they did…

AR: I know they… (UNINTELLIGIBLE)

KB: That night is what they went in for.

AR: (UNINTELLIGIBLE)

KB: They talked about it?

AR: They had talked about… not going in there and killing em.

RG: What did they say?

KB: They talked about what?

AR: They had talked about robbing their house.

KB: Robbing the Ortiz's.

AR: Mmm hmm;
RG: Who's they?

AR: Jose and Nick.

KB: Who seems to be more of the person that talks about it?

AR: Nick.

KB: Why does he wanna rob them?

AR: Cuz he said that they have a lot of money. He had hit em before, I'm telling you he had this jar, a jar like this big full of nothing but hundred dollar bill… one dollar bills rolls…

RG: It was a jar? Like a metal jar, plastic…

AR: No a glass jar.

RG: A glass jar. Was it like a special jar like some type of…

AR: He said that he just grabbed that one and said that there was a bunch more with some twenty dollar bills, rolls of twenty dollar bills, rolls of fifty dollar bills, rolls of hundred dollar bills.

KB: Okay.

AR: He said he grabbed that one and (UNINTELLIGIBLE) he even gave me a roll of dollar bills.
RG: He gave you a roll?

AR: Yeah, it was like $200.00 in one dollar bills.

KB: Okay I'm just gonna step out for a second and get some water. Are you okay on water, you need anything?

AR: No.

KB: Okay, I'll be back in just a second okay Ashley.

AR: (UNINTELLIGIBLE)

RG: Ashley this is the deal…

AR: I was there you know what I mean, I wasn't there you know what I mean, I didn't see who killed them.

RG: Ashley this is the deal alright. Go, go with…

KB: Come outside with me real quick.

RG: Go with (UNINTELLIGIBLE) go with Sarge. When you get back…

KB: I don't need the cuffs, I'm good.
RG: No go ahead.

BREAK – LEFT THE ROOM

RG: Come on in.

KB: Alright. Couple more minutes and will be done alright?

AR: Okay.

RG: Fell better?

AR: Yeah.

KB: Alright. A couple of things I just need to clarify uhm with, with everything that Nick had told you and everything that you saw and all that stuff. When you dropped him off, when you dropped Nick off at his house where did, where exactly did you drop him off at?

AR: At the car wash.

KB: At the car wash. Do you, do you remember…

AR: He ran down the hill…

KB: Do you remember where you parked the car, did you park in front of the stalls?
AR: By the vacuums.

KB: Back around the back side of it…

AR: Mmm hmm.

KB: Okay. And then he had your clothes on at that time?

AR: Mmm hmm.

KB: M kay…

AR: and his clothes in a bag.

KB: And his clothes in a bag. Did he tie the bag up do you know?

AR: It was in a knot.

KB: In a knot. Okay now the clothes that you gave him, what did the, what did the pants look like? Do you remember any specifics?

AR: They were just black sweats.

KB: Like…

AR: Just black seats. They might of been a little faded.

KB: Do you wear sweats a lot?

AR: Mmm hmm.

KB: So do you have a lot of them, do you have a specific brand that you wear?

AR: Hanes.

KB: So they were, were they Hanes ones?

AR: Mmm hmm. Yeah, that's all I wear is Hanes.

KB: Okay so they're Hanes, uhm what size were they?

AR: Those ones were probly large.

KB: A large.

AR: Extra large maybe.

KB: A large, were they hanging off of him? Were they kinda…

AR: no, they weren't hanging off of him.
KB: So were they women's or men's?

AR: Men's.

KB: Men's, okay so you buy men's sweats, okay. So men's large or extra large?

AR: Yeah.

KB: Okay. Do you remember uhm did they have elastic on em?

AR: On the bottom.

KB: So the bottoms had elastic, what about the waist?

AR: Yeah.

KB: Yeah…

AR: with a string.

KB: With a string?

AR: Yeah.

KB: Do you tie any knots in the string or anything like that?
AR: Yeah a bunch of knots.

KB: A bunch of em?

AR: Mmm hmm.

KB: Like how many?

AR: Like maybe four or five.

KB: So you just sit there and…

AR: and I just, well (UNINTELLIGIBLE) I just sit there (UNINTELLIGIBLE)

KB: Now the strings are they two separate strings or do they come together…

AR: it's just one big string…

KB: in a big loop.

AR: Yeah.

KB: So it looks like a loop whenever you pull it out?

AR: Yeah.
KB: So you just did a bunch of knots in it?

AR: Yeah, like right here, though, by the waist.

KB: M kay.

AR: And then it was like a string.

KB: So the string… so the string is long like this and there's a bunch of knots up here by the waist, so this whole thing is just one solid loop?

AR: yeah.

KB: There's no knots down here?

AR: No.

KB: Okay. (SCRAPING SOUND) What about the shirt that you…

AR: Just a white (UNINTELLIGIBLE) medium white shirt.

KB: Okay. Was it a V neck?

AR: No.

KB: Like the one you that you have there?

AR: No it was just a crew, crew is that what you call it?

RG: Crew neck?

AR: Yeah round.

RG: Round okay.

KB: Like a regular style T-shirt?

AR: Just a white T-shirt yeah and it was one of the it's like an under T-shirt. One it's a men's T-shirt, thin white.

KB: Okay, so what size was that one, do you remember?

AR: Medium.

KB: Is that the only size you wear?

AR: Mmm hmm oh no I wear uh (UNINTELLIGIBLE) but I gave him this a medium.

KB: So you looked at it and was like ahhh…

AR: I said this will fit him.

KB: Medium okay. Was there any stains on the shirt?

AR: Mm mmm.

KB: Perfectly clean?

AR: White yeah.

RG: How about any stains or any specific marks on your sweats?

AR: On the sweats my sweats were faded, they're black they were faded.

RG: Black faded. Old faded or just washed?

AR: Old faded.

RG: Old faded?

AR: Yeah.

KB: Like do you remember if they had any… how many, how many pairs of sweat pants do you have like that?

AR: A lot.

KG: So did you go through your room and was like yeah, I'm gonna give him some that I know I'm not gonna get back?

AR: Yeah, yeah.

RG: How about pockets?

AR: Yeah, they had pockets.

RG: Pockets.

AR: (UNINTELLIGIBLE)

RG: Front…

AR: Right in front.

RG: No back.

AR: No back.

KB: And when you went through and picked em out of your drawer do you remember there being anything that said I'll give him this pair?
AR: No. In my closet when I looked in my closet I said uhh I looked at them, I said oh these ones will fit him.

KB: Have you ever given him any of those two items in the past?

AR: No.

KB: Have you ever left any of those at his house?

AR: I've never been to his house.

KB: You've never been to his house, okay. Did you give him anything else, socks?

AR: Socks.

KB: You gave him socks?

AR: Yeah.

KB: Okay and what kind of socks did you give him?

AR: Ankle socks.

KB: Like the ones that go…

AR: White ankle socks.

KB: You wearing socks now?

AR: They were just ankle socks.

KB: Okay, like a crew cut, no show, I mean I don't know how specific.

AR: Like uhh…

KB: Did they go above the ankle bone?

AR: No.

KB: Do they stop up here or do they go underneath it?

AR: Underneath it.

KB: So if you're wearing shoes can you see the socks?

AR: No. Maybe just the top of it but…

KB: Okay and what color were those?

AR: White.
KB: White…

RG: Do you remember the brand, Hanes, Fruit of loom or?

AR: Well I have a bunch of socks…

RG: Okay so… you can't remember. How about any particular marks on em, like on the toe, soles or anything like that?

AR: No, no well it was sown on the top yeah, but…

RG: Was it a white sole?

AR: White sole yeah.

KB: So why did he need socks.

AR: I don't know.

KB: Did he ask you for em?

AR: Yeah. He asked for socks.

KB: So what did he ask you for? Like just in general cuz I, you never told me that?

AR: I just gave him a shirt and sweats.

KB: So you just did that…

AR: Yeah…

KB: seeing what the situation he was in?

AR: Yeah.

KB: Okay…

AR: And then he came out, when he came out of the shower he said, can I have some socks.

KB: Okay. Did you ask him why?

AR: UNKNOWN REPLY

KB: kay, how 'bout anything else. Did you give em…

RG: Did he take anything else from your room that you saw him and but you figured ehh maybe he needs it, a cap, a hoodie, a beanie or anything…

AR: UNKNOWN REPLY

RG: Nothing, nothing… okay. The shirt was a white crew neck shirt right. Did it have a pocket… no pocket.

AR: No it was an under T-shirt, you know what an under T-shirt…

RG: Yeah…

AR: You buy the package at Wal-Mart with three of em in it.

RG: Yeah alright but…

KB: Lots of em come in with pockets…

AR: yeah, it was… didn't have a pocket.

RG: Okay. How 'bout any stains on it… no clean…

AR: Clean, clean.

RG: Okay. Brand new or almost new?

AR: Almost new.

RG: Almost new.

KB: When you grabbed him uh the trash bag did it come from a box?

AR: Yeah.

KB: Like brand new right out of the box type of trash bag. Do you remember anything about it? Does it have drawstrings on it?

AR: It didn't have a drawstring.

KB: So it just… you have to actually tie the top if you wanted to tie it?

AR: Mmm hmm.

KB: Okay. And that one was white and you said you couldn't see through it?

Scott McFaul: Did it have the red handle?

AR: No.

SM: The red string, white string too on the trash bag?

AR: No, no it didn't have a string at all.

SM: Oh it didn't have the okay I'm sorry okay.

KB: So then when you give him the…

AR: It was exactly like that trash bag but white.

KB: Like this one here?

AR: Yeah.

KB: How big was it, would it fit in this trash can?

AR: Yeah.

KB: Would it fit a bigger one?

AR: Yeah.

KB: Like a what size, like a…

AR: Maybe 30 gallon maybe.

KB: Cuz like the kitchen ones?

AR: Yeah, it was, it was a kitchen trash bag (UNINTELLIGIBLE)

KB: Okay. Do you remember what brand it was? Do you guys use a certain brand of trash bag?
AR: Whatever she brings.

KB: Whatever's on sale, right?

AR: (UNINTELLIGIBLE)

KB: (CLEARS THROAT) and when you gave him the bag did you see him put the clothes in it?

AR: Well I saw him when (UNINTELLIGIBLE) dropped him off he (UNINTELLIGIBLE) he ran down the hill with it.

KB: So how far down did he knot it. I mean do you remember the…

AR: He knotted it…

KB: Like tight?

AR: yeah…

KB: Right next to the clothes or up towards the top?

AR: Yeah, next to the clothes.

KB: Okay. Could you see the clothes inside?

AR: UNKNOWN RESPONSE

RG: So he took the bag all the way with him?

AR: Mmm hmm.

RG: Home?

AR: Yeah.

KB: You saw him walk…

RG: you think so?

AR: Well when I dropped him off and he ran down the hill he had it.

KB: He had it with him?

AR: Mmm hmm.

RG: He didn't, he didn't dispose of it anywhere, where you can remember?

AR: No not… not, not from when… I saw… when I saw him run down the hill he had it in his hands still.

RG: Okay.
RG: Do you think he might have taken it home?

AR: Mmm hmm.

RG: You think so? You never seen him again?

AR: Mm mmm.

RG: How about your clothes... he never returned em, he kept them?

AR: UNKNOWN REPLY

RG: How long have you had your clothes for roughly?

AR: How long has he had em?

RG: No have you had em before you lend it to him?

AR: Maybe a year.

RG: A year or so kay.

AR: The shirt maybe four of five months.

KB: Still pretty new?
AR: Yeah, it was pretty new. (UNINTELLIGIBLE)

RG: And he took his shoes right?

AR: Yeah.

RG: You didn't lend him shoes.

AR: No.

KB: Do you have anything else?

RG: Uhh chew che chew cha chew... uhh... uhh

AR: He was telling me that you guys (UNINTELLIGIBLE)

KB: That Gallegos doesn't?

AR: Yeah.

KB: What do you mean?

AR: That's what he was saying.

KB: That they don't?
AR: (UNINTELLIGIBLE)

KB: They may have I haven't got that information cuz I'm doing other things. I, I left (UNINTELLIGIBLE)

AR: (UNINTELLIGIBLE) everything on it?

KB: Yeah, yeah we know where your car is, yeah. But, lot of times…

AR: They gave him the license plate and everything.

SM: Yeah we got, we got all that information from your vehicle (UNINTELLIGIBLE)…

KB: You know the, the biggest thing Ashley is you know we believe your story. We believe what you got going on. You know but we wanna find out if there's anything in any way shape or form because you know let's be honest… when, when anybody tells a story about anything that's going on, stuff gets forgotten…

AR: right…

KB: you know and it's not that you meant to leave it out, sometimes you just forget about it.

AR: (UNINTELLIGIBLE)

KB: So that's what we're trying to do and then the reason we came and got you today is to clarify some of the information you know and you know we really appreciate you coming in and talking to us you know you don't, you don't have to. You could of just said…
AR: right…

KB: I won't talk to you guys… you know but we, we really do appreciate this and like I said we're not gonna forget about you know. Uhm

AR: (UNINTELLIGIBLE)

RG: What was that?

AR: Just get me to a rehab…

RG: Ashley believe it or not that's what we wanna do alright, believe it or not you know.

AR: That's all I want I don't care, if I have to stay in jail I will, I don't care it's not a big deal I've done it, I can…

KB: Yeah but they're not gonna help you.

AR: That's not gonna happen.

RG: You know.

AR: I know that.

RG: And he's been working on it you know, he's I think he spoke to you about that on the way over here.
AR: A little bit.

RG: Yeah so you know they the unfortunately there's things that we have to go through you know, it's just not like we can say yes it's rehab and go get em and take em and drop em off over there…

AR: right I know…

RG: you know and like I…

AR: It's just like you know what and you guys it's not your fault you know... the sheriff's office is you know what I mean I gave em a lot. I gave em a lot you know what I mean.

KB: Well we can't unfortunately we can't speak for em you know and its…

AR: and I understand, it's not your fault you know and it's like you know they promised me this, this and this and I'm still sitting in jail.

KB: Well that's, that' another thing is we don't, we don't promise people anything cuz we don't wanna make it look like we're you know we want, we want it to be up to you.

AR: (UNINTELLIGIBLE) (BOTH TALKING AT THE SAME TIME)

RG: Ashley you have to understand one thing okay. Um…

AR: You told me you were gonna be there no longer than Tuesday and he's all we'll get you before the judge tomorrow, but that's only if you got issued a warrant.
RG: Who said that?

AR: (UNINTELLIGIBLE)

RG: Well we're not gonna bullshit you alright that's not what we're, we're not about that.

AR: Right.

RG: Alright if you guys are in trouble, we'll tell you guys, you guys are messed up already you guys are fucked up. Alright…

AR: I know you know I was fucked up you know…

RG: (UNINTELLIGIBLE)

AR: for eleven months I was fucked up.

RG: You guys are in a bad situation, we can't do nothing for you, you know but, you know we're, we're trying you know but, the thing is today like we told you, we needed to talk to you again because I told you last time something just doesn't make any sense. That's why you know we had to go back and get you Ashley alright.

AR: Mmm hmm.

RG: Okay, we really appreciate your help a lot alright, especially him. But uh you know things that we have to do and we have to go through and…
AR: And I don't have a problem with it, but you know what I mean, they shouldn't of done that to me.
KB: Well is you know and I'll be honest with you as far at the burglary stuff, I have my hands are tied with that stuff you know. It's not my case, I don't really know the details on that, that's why I haven't mentioned it.

AR: Right.

KB: You know as far as…

AR: and it's not even about that you know what I mean, I'll fight it, I'll go to court if I have to end up in jail again you know but I need a rehab right now. Jail isn't gonna help me. If I get out I'm gonna do it you know what I mean. If I get bonded, if my grandma bonds me out I'm gonna go back and do it a shot of heroin, I'm not gonna lie you know what I mean.

RG: Let me ask you this…

AR: I'm not gonna lie.

RG: Let me ask you this.

AR: I have two shots sitting in my purse at home. You know what I'm saying, I'm not gonna lie.

RG: I know. Uhm…

AR: I can turn myself in tomorrow that's what… you know what I mean?

RG: Last time we spoke you said that you're willing to testify. Are you still willing to do that?
AR: (UNINTELLIGIBLE) you guys can assure my grandparents safety or at least my grandparents I don't care about myself.

KB: And the thing you gotta realize is with that you know is if you don't testify if something comes up where we actually get paper on em you know filing charges, court date, if you chose not to testify their gonna be out there again. Jose and Nick are gonna be running the streets, that's a dangerous situation for everybody out there, including you and your grandparents. You know and we, we can't, we can't promise anybody's safety or anything like that but you have to be able to put them where they're the safest and the safest place they're gonna be is without Nick and Jose there you know.

AR: (UNINTELLIGIBLE)

KB: So that's, that's kind of the trade off of you helping your grandparents out as well as well as Lloyd, Dixie and Steven and you got five people that are counting on your counting on you being there to testify as well as us I mean there's numerous people out there. You k now I'll be honest with you, you're the only good person that's come forward and said anything on this case. That's why it's very important…

AR: Cuz nobody knows anything.

KB: Right. And if nobody can know anything it's gotta be somebody.

AR: I could you know what I mean… I could of just stayed quiet and I they could of got away with it.

KB: Oh we understand that and we appreciate that.

RG: They could of they could of but it takes a lot for a person to stop by and you know talk to us about that you know, it takes a lot and, and we're not taking you for granted, we're not. The thing is that we're making sure that the DA can see that even though we told you and we pressure you and everything like that you're still telling us the truth…
AR: Yeah, right…

RG: you know that's our job, that's our job we have to show they… it doesn't matter what you say, but everything you say it's the truth. You know it's easy for a person to come over here, sit down and say hey I wanna testify for that and then okay well go ahead tell me your story and it okay two days later they come over and they change it. So that's why we need it.

AR: Right…

RG: to do this alright.

AR: Mmm hmm.

RG: So you know if, if he can if he can for some reason gets stock and trying to help you out with the rehab you know I can step in too so they'll be two agents then the district attorney and…

SM: we can't make any promises…

RG: And I'm sure that Sergeant McFaul will do the same thing, but…

AR: But I didn't come you know what I mean…

SM: You didn't come jail for that.

AR: Right you know what I mean.

RG: No, these people…

AR: the sheriff's I gave em the you know what I mean… everything I told them they checked it out and it was they were all burglaries to those houses and you know what I mean, I told them everything that was taken and it all checked out and I'm still sitting in jail.

SM: Well we can't speak for…

AR: they made promises to me you know what I mean and then they told me well if you say this, you know this, this and this you're as good as gold.

SM: We're not gonna, we're not gonna make you promises but… you guys good?

KB: Yeah…

SM: (UNINTELLIGIBLE) lets go outside. I'm gonna get you some lunch okay since you've missed lunch.

AR: Thank you.

SM: You can relax sit at the table for a few minutes before you go back to your… what pod they got you in?

AR: Three hundred ekkk…

RG: no good?

SM: A bunch of rough ones in there or what?

AR: No it's not that, I get along with those girls but it's booking.

SM: Oh yeah.

AR: It's just cuz you get comfortable and then they're gonna move you.

KB: Mmm hmm

RG: How often do they move you?

AR: Well they keep you in… well they're only supposed to keep you in three hundred for a few days and then move you to a different….

TO BE PRINTED ON EACH SUBPOENA

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to

produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection

has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

TO BE PRINTED ON EACH SUBPOENA

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection

has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

TO BE PRINTED ON EACH SUBPOENA

1. A command to produce evidence or to permit inspection may be joined with a command to appear for a deposition or trial.

2. A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

3. If a person's attendance is commanded one full day's per diem must be tendered with the subpoena, unless the subpoena is issued on behalf of the state or an officer or agency thereof. Mileage must also be tendered at the time of service of the subpoena as provided by the Per Diem and Mileage Act. Payment of per diem and mileage for subpoenas issued by the state is made pursuant to regulations of the Administrative Office of the Courts.

4. To be completed only if the subpoena is commanding production of documents and things or inspection of premises before trial. If the subpoena is commanding production of documents and things or inspection of premises before trial, it must be served on each party in the manner provided by Rule 1-005. If service is by a party, an affidavit of service must be used instead of a certificate of service.

PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection

has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:
(1) fails to allow reasonable time for compliance;
(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
(4) subjects a person to undue burden.

If a subpoena:
(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

Dear Mr. Jimenez:

Thank you for your continued patience in getting the requested documents to you. I have enclosed copies of all of the documents that my client has concerning the subject vehicle, a 1997 Silver Saturn. I am also enclosing a written statement that David Luna gave to the New Mexico State Police concerning the same vehicle.

These are all of the documents that my client has concerning this vehicle. For completeness of my file, can you please provide me with a copy of the investigative complaint/request that initiated your office's interest in the subject vehicle?

If you have any additional questions or need my assistance, please contact me.

Sincerely,

Some time back in October 2011 Ashley Royal call and wanted to sale her 1997 saturn car silver in color I David Luna talked to her and asked her why she wanted to sale the car she said that she didn't need it anymore I Asked her if there was any problems with the car she said it pops out of 3rd gear I Also asked her if she had a title she said yes and that she would get it to me in a few days. when she initualy drove the car to the yard she had I Guess she said it was her sister with her. when i looked at the car it was very dirty in side and looked like she had been living in it for a wile. she was picked up by two older people in a Gold color mitsu Galant. After a few days Ashley dint retune with the title we send out notification to mvd

10-20

to find out "who" owns the car and come to find out she lied and didnt have a title she got a title loan on car so then we send out notification to the owner and lien holder with the number of days and clear the car. from then the car was pretty grose so ~~with~~ we send it out to Gallegos scrap metal.

Re: Estates of Lloyd and Dixie Ortiz
Consolidated case No. D-0101-PB-2011-00130

Dear Mr. Wheeler:

This will follow up on our discussion this morning, and the letter to you dated June 12, 2012 from Peter Wirth. At the time, Mr. Wirth represented Cherie Ortiz Rios and Angela Melissa Spinks. Ms. Rios and Ms. Spinks are the daughters of Mr. and Mrs. Ortiz, who were murdered in Pojoaque during the summer of 2011. Ms. Rios and Ms. Spinks were initially appointed as joint personal representatives of the two estates. The court recently removed the two sisters as personal representatives, and appointed me as the successor personal representative. A copy of the order is attached.

It is my understanding that in the course of their investigation, law enforcement officials impounded a number of items, including computers, cameras, and firearms. I am also advised that no inventory of the impounded items was provided, and that none of the impounded items has been returned to the family.

Please provide me with a complete inventory of all items impounded from the residence. If there has been a determination that any of those items is no longer needed in the investigation, please let me know when (and how) I can retrieve those items.

Finally, I spoke to the insurer this morning, and am advised that they will be calling your office concerning the propriety of releasing the insurance proceeds to me. Apparently, they want to be sure that I am not a suspect in the investigation. If you have any questions or comments, please let me know. Otherwise, please do not do anything that would interfere with my collection of the proceeds and my payment of the valid debts of the estate. Thank you for your attention.

Sincerely,

Cullen Hallmark

Affiant, Kraig Bobnock, is a full time salaried law enforcement officer who has been employed by the New Mexico State Police for a period of approximately four and one half years. Affiant has received specialized training in criminal investigations through the New Mexico Law Enforcement Academy, the New Mexico State Police Academy. Affiant has received training in the investigation of violent crimes including but not limited to homicide investigations. Affiant has received both classroom and on the job training concerning the investigation of the above offense(s). Affiant has conducted numerous criminal investigations that led to the arrest and conviction of persons in violation of New Mexico State Statutes.

On Sunday, June 19, 2011 at approximately 7:15 p.m., New Mexico State Police Uniform Bureau officers (Santa Fe) responded to a call at number 3B Coral Street in Santa Fe County New Mexico, for three individuals that had been shot in the head. New Mexico State Police Uniform Bureau officer Bert Lopez (Santa Fe) stated that Ms. Cherie Ortiz-Rios returned home to find her mother, father and brother deceased inside the residence and on the property. Upon discovering the bodies, she exited the residence and called 911. Officer Lopez stated that upon arrival at the scene, the residence was cleared for any possible suspects. While clearing the residence, Officer Lopez observed a female lying face down next to the right side of a bed inside a bedroom. He observed a male subject lying face down inside the main room of the residence. Outside to the rear of the residence was another male lying face down located near a tree. No weapons were visible around the subjects. All subjects appeared to suffer from head trauma.

On Monday, June 20, 2011, it was learned through the autopsy of Lloyd, Dixie and Steven Ortiz, that the manner of death was blunt force trauma caused by a mattock

pick axe tool. Agents returned to 3B Coral Street in reference to the updated information from the Office of the Medical Investigator. Agents located the pick axe used during the homicide in a field, adjacent to the residence. Also, while at the scene, New Mexico State Police Investigations Bureau Agent Mark Soriano received consent from Cherie Ortiz-Rios, executor of Lloyd, Dixie and Steven Ortiz to retrieve four thumb drives and one black in color, HP Pavilion Entertainment PC laptop, serial number CNF9161Y49. The thumb drives and laptop computer were entered as evidence into the New Mexico State Police Headquarters Evidence Vault.

Through an interview with Cherie Ortiz-Rios, Affiant learned that there was a new fence addition that was erected at the Ortiz residence within two weeks prior to the homicide. She provided Affiant with a receipt from Lowe's confirming that building material was purchased on June 10, 2011 to construct the fence. She advised Affiant that the fence was erected to keep the neighborhood kids out of the Ortiz's property. By searching the contents of the laptop computer, Affiant believes that there could be information such as receipts, plans, photos, etc. of the updated fence project completed by Lloyd Ortiz, Robert Rios, and Jesse Rios. Robert confirmed that he and his father, Jesse, assisted Lloyd with erecting the new fence additions on the property the weekend prior to the homicide.

Until this portion of the investigation, it was not pertinent to search the contents of the computer. With the updated information, Affiant believes that the laptop computer may contain information to assist with confirming the construction of the new portions of the fence, as well as any other documents, photos, e-mails, etc.

During the course of the investigation, Affiant learned through numerous interviews that there were constant family issues/problems involving but not limited to Lloyd Ortiz, Dixie Ortiz, Steven Ortiz, Cherie Ortiz-Rios and Jesse Rios. Numerous witness interviews with family members and the community have supported these allegations. These issues/problems may have been documented by means of an electronic diary stored either on the laptop computer or thumb drives, which could in turn support a motive. Also, a last will and testament had never been located and may be or stored on the computer or thumb drives.

Affiant believes that Lloyd or Dixie may have kept banking type documents or files on the laptop or thumb drives for business/personal purposes. These records are important to establish a base line for business/personal account spending and illustrate financial struggles and/or success. Also, it is important to document any large sum withdrawals or deposits involving their accounts. It is learned through the investigation that the estate of Lloyd is currently struggling and facing bankruptcy or foreclosure.

Affiant is aware that decedents may have information stored on such devices that may aid in the investigation to determine motive.

Affiant is aware through training and experience that before, during and/or after the commission crime(s) there is often transfer of evidence between suspect(s), victim(s), witness(es) and/or their environment. This evidence may not be visible to the naked eye. The evidence, if it exists, may assist in determining the identity of any person who may

have been present at the time of the incident.

Affiant is also aware that suspect(s), victim(s) and/or witness(es) may document information relating to the crime(s) on paper, on computers and/or on other forms of media. Such information, if it exists, may be material and relevant to this investigation. This warrant shall include the viewing, listening to, copying, transcribing, transferring and/or recording of data on the herein-described item, to be searched.

Therefore, Affiant respectfully requests that the Court issue a Warrant commanding the search the above-described laptop computer and thumb drives.

RE: Estates of Lloyd and Dixie Ortiz; Consolidated Case No. D-0101-PB-201100130

Dear Mr. Hallmark:

I am in receipt of your letter dated November 26, 2012, wherein you advise that you have been appointed as the successor personal representative for the Estates of Lloyd and Dixie Ortiz. Additionally, in this correspondence you have requested a list of items taken as evidence by the New Mexico State Police in the course of this homicide investigation.

Attached please find a list of items of tangible personal property that were removed from the scene by the New Mexico State Police in the course of the investigation. You will note that a number of items have been redacted from this list. I can assure you that the items redacted are in no way items of personal property, and possess no intrinsic value to the estate. I hope this documentation meets with your needs in regard to liquidating assets and generating income for the estate.

Further, you have indicated that the insurance company will be contacting the New Mexico State Police in order to ascertain if you are in fact a suspect in the homicide investigation. While I have not heard from the insurance company, nor am I aware that they have contacted

anyone within the New Mexico State Police, I am satisfied that you are not a suspect in this homicide investigation, and that your name has never been involved with this matter until you informed me of your appointment by the Court as the successor personal representative.

I hope you find this satisfactory, and if the need arises please do not hesitate to contact me again on this matter.

SINCERELY,

JOHN W. WHEELER, CHIEF COUNSEL
OFFICE OF LEGAL AFFAIRS

*This document is an attachment for the General Assessment Questionnaire regarding CHERIE RIOS
Written by: Angela Spinks

#13
Cherie lives with her husband Jesse Rios (not sure of age) and her two children Robert Rios 17, and Catalina Rios 15. Last time I knew, Cherie was also a part time caregiver for two of Jesse's young nieces.

#17
As an adult or youth, I don't believe Cherie has any criminal history on record, but I'm not positive.

#22
The relationship between Cherie and our parents was always dramatically changing. Cherie was close with our mother most of the time, but not so much with our father.

#24
Cherie has been close to just a few of our family members throughout our lives. It is difficult for me to describe the "quality" due to the fact that her relationships have always been on and off with mostly everyone. As far as the relationship her and I have at the moment, we are not speaking.

#26
Cherie and I have not always been the best of sisters/friends. Other than that, the majority of "conflict" was usually between Cherie, my father and brother. You should be able to find this in past police reports.

#27
As a child. I remember my dad abusing both drugs and alcohol, needless to say I remember the use begin to have an effect on our family, my mom then left my dad for a while, and in time I am proud to say that he became clean and sober.
As an adult, both my parents and brother smoked marijuana and had the occasional beer/wine.

#37
Yes. Cherie has recently donated a kidney to Jesse's nephew Jason Rios.

#39
Before the loss of our parents and brother, Cherie was seeing a doctor for depression and other issues that I am not aware of. She then told me the doctor refused to continue treating her after our family past away.

#41
Yes. Several years ago Cherie attempted suicide at her home. Her children were still very young. My mom told me this. In the middle of the night Jesse called and/or ran over to their house and said he needed help, my mom then ran to Cherie's and found that the house was a disaster, Cherie had been drinking and had a gun in her hand, she was threatening suicide. I do believe till this day, Cherie is still suicidal.

#43
Cherie does smoke cigarettes, and one of the last times we spoke, she stated that she was still using marijuana. For several years Cherie was indeed a very heavy drinker and would also abuse prescription pills along with using other drugs. At the moment Cherie and I are not speaking so I don't know if she continues to do these things.

#56
Before our parents and brother past away I don't believe the relationship she had with Jesse was all that important to her, it was clear to me that they had there share of problems. Now, maybe it is important to her? Cherie use to briefly share things with me about her and Jesse. She would mostly complain about him being lazy at home, not working, and secretly spending money. At times she would express feelings about how she wanted to leave him but was going to wait until their children reached an appropriate age. Other than that, she never went into much more detail with me.

#58
Cherie and I never talked about infidelity between her and Jesse.

#63
All three children belong to Cherie and Jesse.
Robert Lloyd Rios- bio, and yes custody.
Catalina Grace Rios- bio, and yes custody.
Jesus Miguel Rios- bio, deceased.

#65
Cherie has always had a lot of friends, I'm not sure who she communicates with now but before, her close friends were, Janene, Pablita, Vicky, Georgia, and Amy (not sure of last names)

#69
I think Cherie values her children the most, even though I don't always agree with some of the decisions she makes as a parent, she is a wonderful mother and will do anything for her kids.

#73
Cherie has always put effort in helping others, and fund raising for different causes, weather it be for school trips, a friend or family member in need, or just someone who lives in the community.
As far as spending money, Cherie enjoys hunting, fishing, yard sales, thrift stores and going to the local casinos.

#79
Cherie can be a kind hearted person in many ways, hard working, very social, never shy, great with children, helping people, always had friends, made people laugh, she loved to be involved in many different things, cooking and baking, she loves to host birthday parties and holidays at her house, she has always been very active with outdoor activities such as hunting, fishing and camping, she always involved her kids and our little brother, even got them to love these things as much as her.
On the negative side, she and I have not always got along, even when we did get along there was always tension between us. For a long period of Cherie's life, she was a heavy drinker, and if I was around her at these times, she would constantly talk mean about our parents, mostly about our dad, and she would also talk down to me, she would express jealousy toward me, and resentment toward our parents. She can be manipulative and she's not always an honest person.

#81
Marital, financial, occupational and death. The answer to this particular question pertains to both Cherie and Jesse. The loss of Cherie and Jesse's son Jesus had a big impact on our lives, Jesus was four months old when he died from sids. Cherie still suffers from this loss everyday. Recently along with the loss of our parents and brother, we also lost our grandmother and Cherie's brother in law.
First off, I did find it strange that an old friend of Cherie and Jesse's showed up at their home after years of them not speaking, this old friend is Joe Serna, he also invited some of his "biker friends" to hang around until all the services for my parents and brother were over. When I asked why they were here, Jesse, Cherie and Joe stated to me that it was for our protection.
Cherie and Jesse both assumed immediately that they would now "take care of me" It was a very strange comment that they would say to me over and over again, and it begin to bother me. Both Cherie and Jesse became closer in their relationship than I have seen in a long time. A couple weeks after our parents and brother passed, Cherie made a comment to me that they wanted to go to Montana and stay with one of Jesse's relatives for a while, they asked me and my family to join them, by this time I was beginning to feel offended and I disagreed.
I then started communicating with the police on a daily/weekly basis, after I expressed this to Cherie, I begin to notice that both Cherie and Jesse became extremely distant from me. At that point all the changes in her behavior were beginning to become more clear to me and other family members, both Cherie and Jesse started to be more involved in church, a different church and religion than they practiced before this. They were also going into my parents home and sheds all the time in addition to doing many other things-

behind my back, things such as talking to private investigators, hiring shady lawyers, remodeling my parents home without sharing any information about it with me, spending large amounts of my parents money, lying to me about strange things, and more. This list can go on and on.
This has all made me feel very uncomfortable towards my sister. The last time I spoke with Cherie was threw email. The last time I saw her was in Peter Wirth's office. Financially, with no doubt, Cherie and Jesse have always had money problems.

#82
I would have to say yes. When Cherie is not under any mediation, she looses control of her temper very easily.

#86
Cherie has suffered from depression for a long time, she takes medication for this illness. If she has not taken her medication when she is supposed to, her behavior tends to change very quickly. If she indeed has taken her medication, she is able remain calm.

#91
Yes, Cherie smokes cigarettes and she has abused prescription pills, marijuana and other heavy drugs, at one point she was also an alcoholic . However, I'm not sure if she still does these things.

#96
Cherie has always been a very bright person. After we lost our family she has said and done a lot of things that don't make sense to me and other family members, things such as her actions and behavior, her distance with me in this difficult time, the strange comments she makes when we have argued, hurtful emails, the way she feels about the police and the investigation, money spending, the entire estate issue and so much more.

#100
Cherie does not have good judgment, there are times that she will use people, she can be manipulative when she wants to be, and she's good at it. She tends to over exaggerate about a lot of things, she wont hesitate to tell a lie if it makes her look better, And depending on the situation, she can easily turn on you. Other than that, any additional information I have about her personality and behavior is stated above in my other answers.

*This document is an attachment for the General Assessment Questionnaire regarding JESSE RIOS
Written by: Angela Spinks

#33
After Cherie and I lost our parents and brother, indeed I noticed a quick change in Jesse's appearance. The entire time I have known Jesse, he has always worn a bandana on his head. He no longer does this.

#34
Yes. I believe Jesse begin to loose weight. I know he was seeing a doctor due to some other health issues as well. He also said he was no longer going to drink alcohol, use drugs or smoke marijuana.

#53
As long as I have known Jesse, he was not always a hard worker, and when he did in fact work, most of he time he was tardy. He usually found jobs threw friends or family.

#63
All three children belong to Cherie and Jesse.
Robert Lloyd Rios- bio, and yes custody
Catalina Grace Rios- bio, and yes custody
Jesus Miguel Rios- bio, deceased

#65
Jesse has always had a lot of friends. Some of his closest friends that I know of are, Danny Gomez, Joe Serna ,William Mee, also Abran, Mark, Alex and John (not sure of last names)

#81
Marital, financial, occupational and death. The answer to this particular question pertains to both Cherie and Jesse. After all the losses we have experienced in the past year and a half, I have never seen Jesse react to a loss as severe as he did when my parents and brother passed away. As calm of a person as Jesse has always been, I was a little surprised to see the many emotions running threw him. He expressed guilt, he said "he wished there was something he could have done." He expressed worry, he said "he believed this was meant to happen to his family."
Jesse was never very comfortable going to my parents house, but after this happened it didn't seem to bother him to go in and out of their home, sheds and vehicles. Along with my sister, Jesse's behavior was indeed strange to me, naturally he begin to be very protective of his family, he also became very close to an old friend of his, that to my knowledge, he hadn't seen in years, this friend is Joe Serna.
Many times, Jesse stated to me that he believed the police were going to try and pin the murder on him, he also told me that he felt the police would find his finger prints because he helped my father build a fence, and while helping with the fence, he said he used a pick axe?
When I begin to realize my sisters strange behavior, I did share this concern with Jesse in hopes that he would talk to her about it, he quickly acted like he knew nothing and gave me the impression that he didn't believe me.
Both Cherie and Jesse had quite an opinion on who the police were questioning and the quality of the investigation, when I begin to speak with the police on a daily/weekly basis, both Cherie and Jesse started to shut down when ever I would be around them. Jesse said to me at one time that a "lawyer" told them not to share anything with me anymore because I was talking with the police. Since then Jesse begin to work, and he wasn't around as much. The communication between Jesse and I has stopped completely, the last time I saw and spoke with Jesse was in Peter Wirth's office. Financially, with no doubt, Cherie and Jesse have always had money problems.

#86
In front of me, Jesse has always been a very quiet and clam person, however social as well. Yes I do believe he display's his emotions appropriate to the circumstances, but at this time in my life I don't know what to believe or who I can trust.

#87
Jesse would get angry when Cherie and my father would argue, to my knowledge he would never say anything directly to my father, but he wouldn't hesitate to give his opinion to me, Cherie, his children or friends. If anything was going on with his children, especially his daughter, he would quickly react in her defense, as he did the same with me when I was younger.

#91
Yes. Jesse smokes cigarettes, takes prescription pills, he used to use heavy drugs and smoke marijuana, also drink alcohol. After my parents and brother passed away, he expressed to me he was no longer going to drink or do anything else, however for Easter I was surprised to see him have a beer, but I'm not sure if he still does the other things.

#92
Not exactly sure. After the loss of my parents and brother, Jesse and Cherie exhausted the fact that "they both" decided to stop using all drugs and alcohol. But I have not seen either of them follow threw with everything.

79. In the past year I have seen Both extreams from Cherie. & from one moment to the next she Can Change her personality very easily. She Can be happy one moment then the next she is angry. Cherie is very Kind pierson but she can also be very manipulative.

81. I am not sure about marital Financial or occupational stressors but The one stressor I do know of was the Murders of her family. Cherie reacted to all of this very franicly and she was very emotional when I saw her.

82. A recent example was a day me and my wife went to her perents house with Peter Wirth and I had stated that a riding lawn mower still worked and saw Steven using it last summer and she yelled at me that he was dead last summer.

83. Cherie does show empathy for others. for example she has just donated a Kidney to one of her nephews.

86. with cherie it depends on the circumstances If the circumstance has to do with her or to benefit her or make her look good than yes she displays appropiate Behavior. But on the other hand if the circumstance has nothing to do with her she doesent Care.

91. In the past 6 years I have seen Cherie abuse Cigarettes, Alcohol, Cocaine, and perscription painkillers.

93. I personly have never caught cherie in a lie But I know she has lied to my wife and [redacted] her mother and father.

94. When we were around people that she was comfortable with she would act fine But on the other Hand if we were around people that we didn't know she acted totaly different.

95. I believe that cherie's verbal communication is appropriate to the setting. But it also has to do with the place she is in at that moment.

97. [redacted] I have seen Cherie take responsibility for her actions but on the other hand * I have seen her blame things on others.

99. Cherie's recent feeling twords law enforcement is that she does not care or like them because she believes that they are trying to blame the murders of her family on her and her husband.

KRAIG BOBNOCK: Alright okay today is Tuesday, July 9th, 2013, at 12:00 o'clock. I'm here with; what's your name sir?

NICOLAS ORTIZ: Nicolas Ortiz.

KB: Nicolas... you go by Nicolas or Nick what do you want me to call you?

NO: Nick.

KB: Nick oh okay. That's good cuz that's what I've been calling yah; and what's your date of birth; I know I've already been over all this stuff but just so I can get some of the formalities out of the way.

NO: It's ul[redacted]94.

KB: Just turned eighteen uh.

NO: Yeah.

KB: Do you know your social security number?

NO: I don't.

KB: No. And what's your current address?

NO: Uhm I think it's 30 Feather Catcher Road.

KB: Okay. Do you have a cell phone number?

NO: It's 913-0654.

KB: Okay, did you get a new one?

NO: Yeah.

KB: I know before it was some can't remember what it was it was like a 31 something...

NO: I don't know I've gone through so many cell phones.

KB: Have ya?

NO: Yeah.

KB: Lose them or what?
NO: Break em...

KB: (LAUGHS) alright man, just to let you know before we get things going here uh you know we obviously did bring you here and you are free to go whenever you want to. If you want to stop talking that's perfectly fine okay.

NO: Okay.

KB: Uhm and we'll give you a ride back up to your house; that's not an issue. So at any point during the interview you want to stop, leave, whatever it may be just let me know okay.

NO: Alright.

KB: Sound good?

NO: Sound good.

KB: Still wanna talk to me?

NO: Yeah.

KB: Alright, okay. So you just turned eighteen huh.

NO: Yes sir.

KB: Do anything good for your eighteenth birthday?

NO: Nothing- nothing special.

KB: No. 'kay when we met last time I think it was at Pojoaque PD...

NO: Yeah.

KB: I wanna say that's probly the only time that I ever met ya.

NO: Mmm hmm.

KB: So whatcha been up to since then?

NO: My what?

KB: Whatcha been up to since then?

NO: Nothing. I'm staying clean of the bud and all that, just hanging out with friends pretty much.

KB: Trying to keep your record clean huh?

NO: Yeah, I'm tired of being in trouble.

KB: I remember last time you uh you had a tattoo you were covering up, did you get that thing done- still halfway?

NO: Yeah, still halfway.

KB: I see you got some more ink though, where are you getting that stuff at?

NO: Uhm my friend Sam yeah.

KB: Good deal. What's that stand for anything or just looked cool?

NO: Yeah well I had found it on the internet and it was uh it had two roses right here and nothing back here but he changed it up for me so.

KB: That's cool, and did you have something on your other arm too?

NO: No, no just that.

KB: You got that South-Side halfway covered up though huh.

NO: Yeah. I gotta get if finished but it hurts.

KB: Does it?

NO: Yeah...

KB: So have you run into any of those guys since I talked to you last. Think- I think we had talked last- was it last May in Pojoaque so it's been a little bit over a year since I talked to ya.

NO: It's been a while.

KB: You been seeing any of those guys that...

NO: mm mmm...

KB: I know at some point you had...

NO: well uhm Eric and them I used to hang out with a little bit...

KB: Yeah Zubia or...

NO: Yeah.

KB: Or Aria...

NO: But not anymore.

KB: When was the last time you seen them?

NO: I'd say a good like five months.

KB: Okay. Who was all in that gang up there? I know there was you, cuz you got ranked in right?

NO: Yeah.

KB: Even though what was it thirteen seconds or something?

NO: It was me, Jose...

KB: Jose Roybal?

NO: Yeah.

KB: Okay.

NO: Jose Roybal, Eric and Mario that's all.

KB: And Eric and Mario were the brother's up there?

NO: Yeah.

KB: So there was just the four of you?

NO: Is there what?

KB: Just the four of you guys up there?

NO: Oh yeah just the four of us.

KB: When's it been- how long has it been since you seen the – the Zubia brothers?
NO: It's been a while, I'd say when my friend just had his baby so, I'd say like a good six months five – six months.

KB: So you've seen em since...

NO: Since – since that stuff happened.

KB: And when did you move to Feather Catcher let's...

NO: Mmm...

KB: See about that time...

NO: Honestly I don't remember.

KB: Cuz I know you guys had moved there around the time that we talked to you last May.

NO: Yeah we moved there like maybe a few months before you- you guys went and talked to us so we've lived there for a while.

KB: So you've seen the Zubia's since then?

NO: Yeah.

KB: And what about who's the other person Jose?

NO: Yeah.

KB: When's the last time you've seen him?

NO: Uhm I saw him at a gas station but I didn't talk to him.

KB: When was that?

NO: Like a month ago maybe around there.

KB: You guys don't get along anymore?

NO: No.

KB: Cuz I know there was some tension between the- getting ranked out and all that stuff last time we had talked to you I don't know if you got ranked out or not.

NO: No I didn't get ranked out but I just, I don't consider myself part of the gang anymore. I don't I don't like that life anymore it's not for me.

KB: Yeah, especially if you're trying to get a job.

NO: Yeah.

KB: Where have you been trying to get a job at?

NO: I've tried the sopapilla factory, the supermarket and the Buffalo Thunder.

KB: And nothing at all three huh? Do you know why?

NO: Uhm they say that just because uh I'm not fully Indian that I can't.

KB: Oh no kidding. So what purse are you... are you native at all?

NO: I'm half Mohawk from New York.

KB: And that's not enough for em huh?

NO: I guess not.

KB: They want more than half. And your dad he- he works over at Cities so he does he have to be native as well?

NO: He well he's been working at the Camel Rock since he was eighteen so he gets uh good recommendations from any casino.

KB: Oh so Camel Rock and Cities are they're kinda the same owned by the same company?

NO: Yeah.

KB: Okay.

NO: By the, by the pueblo.

KB: Okay.

NO: Yeah so.

KB: You should just get a job there; have your dad hook you up.

NO: I'd be nice...
KB: Make some money. Alright well Nick to be honest with you the reason that we're talking today is and you know I'm gonna be straight up with you. I was last time we talked in Pojoaque and that's – that's what I am. Uhm I'm gonna be straight up with you uhm, I respect you and I hope you give me the same so...

NO: yeah of course.

KB: So your name has come up quite a bit and we're – we're talking in reference to the Ortiz Homicide which happened a little over two years ago in 2011. And I know we had talked to you a few times about it and the reason for calling you in today to come talk to us is to try and clarify some of the things because I have bits and pieces, I didn't interview the- interview you the first time uhm and the last time was just to get a little bit of information from that we came across to see what you knew.

NO: Mmm hmm.

KB: You know so I'm hoping that you can run me by pretty much what happened and just in reading the reports, and like I said I haven't talked to you about it is, I know you were in their backyard of Lloyds and I don't know the time frame before it actually happened...

NO: Yeah...

KB: try to remember that whole instance if you can and give me as many details as you can, and I know you remember it because you talked to us about it...

NO: Yeah...

KB: you know so it's probly pretty fresh in your mind but I want you to be able to just try and give me as much detail as you can about what you can remember that day or that night or whatever you remember, you know what I mean...

NO: Okay, well I had been staying the a few nights house which lives just down the road uhm I don't know if you know her name Whitney...

KB: mmm hmm...

NO: but uhm her mom had came home so I couldn't be there so...

KB: So let's let me try and make sense of that a little bit. You said that you were staying there for a few days...

NO: Yeah...

KB: and her mom came home does- does she not stay there every night?
NO: Uhm well she (UNINTELLIGIBLE) at her boyfriends a few uh for a few nights.

KB: Okay.

NO: So I -- she usually calls me so I could go spend some time with them.

KB: Whitney does...

NO: Yeah.

KB: Okay.

NO: And uh -- uh her mom came home so they didn't want, she didn't want me to be caught there and I didn't wanna be either so...

KB: So you and her mom don't...

NO: We don't really get along.

KB: You don't get along, what happened what...

NO: Mmm at one point we had been getting along but young relationships, you break up every so often every now and then and with us it was quite a bit so uh she doesn't really like me for that reason...

KB: She didn't she didn't respect you pretty much?

NO: Not really.

KB: How'd that make you feel?

NO: Uhm I can understand I guess from her point of view, I can understand so I don't really blame her. But uh I had wrecked uh you guy's probly know this but I had wrecked a truck her boyfriend...

KB: mmm hmm...

NO: and since then she like completely hates me so I stay away from there as much as possible.

KB: So that was kind of the icing on the cake was wrecking the truck?

NO: Yeah.

KB: And that was before this time that you were actually staying at her house?
NO: Uh it was after...

KB: Truck or after?

NO: After.

KB: So you're staying at her house and you stay there for a few days...

NO: yeah...

KB: And then her mom came home from the boyfriends and how'd you know she was coming home?

NO: She called her; she told her that she was bringing dinner and stuff...

KB: Okay.

NO: So she told me that I had to leave.

KB: Who did Whitney or her mom?

NO: Yeah...

KB: What's her mom's name?

NO: Uhm Dianna I think her name is.

KB: Dianna what's her last name is it the same as Whitney's?

NO: Yeah Martinez.

KB: Dianna Martinez. Now where do they live at?

NO: Uhm they live just down the road from uh Robert and them.

KB: Okay. So driving past the dirt road that goes in front of Roberts like the main dirt road that goes through there and it kind of dead ends at the end and you have to turn around, does she live on that road?

NO: Yeah...

KB: Or do you have to turn again?

NO: No you just, you keep going uh when you- when you turn- take that right -- right where the bridge is...

KB: Yeah...

NO: you go straight down the road, you pass Roberts house...

KB: mmm hmm...

NO: pass like a couple more houses and off to the right is her house. There's a stop sign that's right next to it so...

KB: so she lives right there at the stop sign?

NO: Yeah.

KB: Is cuz there's a- there's a yard that's got a kind of a fenced in property I think it's on the left though, but you're talking on the other side on the right?

NO: Uhm yeah...

KB: Right next to the stop sign cuz this one's kind of further back.

NO: Uh uhh there's wooden posts with barbed wire going around it so...

KB: Okay...

NO: so that's where it's at.

KB: And that's where she lives at, does she live with her dad too?

NO: No, her dad passed away.

KB: So it's just her mom.

NO: Yeah her and her brother.

KB: Her, Whitney's brother?

NO: Yeah.

KB: How old is her brother?

NO: Mmm thirteen – fourteen I'm not too sure.
KB: And how old, how old is Whitney now?

NO: She's seventeen she's gonna be eighteen in October.

KB: And they're still there?

NO: Yeah.

KB: And you guys still together if you don't mind me asking – you are?

NO: Yeah.

KB: Okay. So to be honest how's it working out?

NO: The relationship?

KB: Mmm hmm with the mom and...

NO: Oh the mom she doesn't know, we're gonna tell her when she turns eighteen that way she doesn't try and make us stop seeing each other...

KB: Trying to keep it quiet.

NO: Yeah.

KB: So how do you guys see each other?

NO: Uhm we don't really. We I mean we meet at the Wellness Center every now and then so we go swimming and stuff but that's pretty much it.

KB: So you guys are just hanging out 'til she's eighteen?

NO: Yeah.

KB: Okay I get that. So you guys she calls uhm Whitney says hey I'm bringing home dinner, does she know that you're there, her mom?

NO: Her mom?

KB: yeah...

NO: No.

KB: No then what?
NO: And then well I left and I was walking uhm up towards my – Eric's house...

KB: Eric?

NO: Zubia...

KB: You were walking towards Eric's house?

NO: Yeah.

KB: Okay you were...

NO: well I was going to his house...

KB: oh you were going there, okay.

NO: Yeah, I was going to his house and I heard music coming from Robert's house. And uh I don't know if you guys know but, Steven used to have this uh this room just with drums and a big old sound system and all that. So I thought it was coming from his room; so I went back there, hopped the fence and uh well they came outside and I got scared so I hid and I guess they found me, that's pretty much it.

KB: So when you went over, were you walking down the main road?

NO: Yeah...

KB: that goes in back...

NO: Yeah.

KB: And then you thought you heard it, heard something come from Robert's room?

NO: Well I'm pretty sure it was coming from his house but I guess I was mistaken.

KB: Okay so as you walked closer to Roberts, how did you walk? Did you walk like through their yard, cuz there's a road that goes passed their house and goes all the way to the end...?

NO: Yeah, that's where I was walking.

KB: There's a guy that lives down there, so you walked down that main road?

NO: Yeah.

KB: (CLEARS THROAT) and then at what point did you turn towards Steven's drum room? I mean did you I guess I just don't know how you walked there is what I'm trying to figure out.

NO: Uhm well you know the - you know how you're going up the – up the road like if you're leaving El Rancho or leaving that main road and you know how you turn left to go into the property?

KB: Mmm hmm...

NO: and then there's that road that goes all the way down...

KB: Right...

NO: Well I was going all the way down that road and uhm well I didn't think they were home (UNINTELLIGIBLE) Steven's mom and dad...

KB: Mmm hmm...

NO: I didn't think they were home so I went all the way around the fence, hopped the fence...

KB: (CLEARING THROAT)

NO: where the drum room is and that's when they came out and found me.

KB: So when you – you said you walked all the way around the house did you walk past the house?

NO: Yeah.

KB: Like passed the camper, passed the garage- passed everything?

NO: Yeah and then I just went around.

KB: And then went around the back side?

NO: Yeah.

KB: So you never went – do you remember was that – cuz Lloyd had a gate there, he had a - I don't know if it green or whatever it was...

NO: yeah it was green gate...

KB: it was a (UNINTELLIGIBLE) was that thing closed?

NO: Yeah, it was closed.

KB: And then you didn't jump over that you went around?

NO: Yeah.

KB: So you get around the back side of the property and then which part of the fence did you go over cuz that thing, that place was like a compound there was fences everywhere which- which part of the fence did you go across?

NO: Well there's this uh there's a big wooden pen uh fence with posts all around it like half-half uh I guess you could say trees...

KB: Okay let me- let me draw a little map of the Ortiz property and just kinda show me where you - how you got over the fence; cuz their yard is pretty much like this, there's some garages and stuff over here and there's a bunch of sheds right here right?

NO: Mmm hmm...

KB: you know what I'm talking. This is that main road that you walked through...

NO: yeah...

KB: and then there's a kind of a fence right here. This is that green fence that I was telling you about – that gate. And then Steven's drum room is right here right?

NO: Yeah. The fe- the fence that I jumped is right next to the drum room, right next to it.

KB: Okay so there- there's fence literally that goes around the whole property, is that...

NO: yeah...

KB: my understanding...

NO: mmm hmm.

KB: So this is the fence here, what part of the fence did you go over?

NO: Like right here I'd say.

KB: So I'm gonna put an X where ever you jumped wherever you went over.

NO: Right- right next to (UNINTELLIGIBLE)

KB: And how did you get over the fence cuz there's nothing on the other side of that right or was there?

NO: Mmm not really...

KB: There's the cinderblocks and did you step on anything?

NO: There's just they have like a patio kind of over there.

KB: A patio back here?

NO: Yeah where the drum room is so- cuz they grew uhm they grew flowers and stuff I guess.

KB: So where's- what I'm saying is, you walked around like this right?

NO: Yeah I walked around...

KB: came around the back side...

NO: the whole property...

KB: and then you- you went up and over here.

NO: Hmm...

KB: What I'm asking is how did you get up on the fence?

NO: Just climbed it.

KB: Did you step on anything?

NO: No, I'm- I'm really good at climbing so I just grabbed on- jumped up- just hopped over.

KB: Mmm kay. So you didn't step on anything, you didn't do anything, did you break anything I man?

NO: I don't think so, not that I remember, I might of but not that I remember.

KB: Mmm 'kay and that you landed right here, right in front of the X obviously. Did you land on that patio you said?

NO: Yeah pretty much.

KB: And then I think, I can't remember exactly how Lloyd's um there's like a, well the house is here and there's like a porch, then there's a there's like a was there a gate right here but like a fence, cuz when I was there was like a little short fence that goes through the property right here.

NO: Yeah, yeah as a matter of fact there is.

KB: Do you remember were you on this side of the fence or that side?

NO: I was uh I was on this side like uhm there's a fence that goes that cut's the drum room and all of that off, cuz they had dogs...

KB: right...

NO: so they uh it cuts off that whole little part from the patio and all that- I mean from the from the porch and the (UNINTELLIGIBLE)

KB: So you were on this side, you had to go over that fence?

NO: No I didn't- I didn't have to go over the fence.

KB: You didn't? So you're back here and then at one point you said Lloyd...

NO: uhm well I heard them coming so I hid behind the one of the things where they grew the flowers and all that, I hid behind it; I was crouched out kind of like...

KB: like a flow- was it a pot or what was it?

NO: Uhm...not really I'd say it was like uh like from here probly a little bit more like there was like this all the way around.

KB: Okay was it this tall?

NO: No, it came off about this much to the ground and then they were growing, they had like three or four of them I think and they were growing flowers in em and I just hid behind one of em.

KB: Okay, what time was this at?

NO: Uhm it was already getting dark so I'd say around maybe six or seven, pretty late in the day.

KB: Do you remember what- do you remember what day it was?

NO: I don't.

KB: Time frame?

NO: I don't remember.

KB: Cuz we were called up to the house uhm June 19th, Sunday, Father's Day and obviously we know it was before that...

NO: mmm hmm...

KB: how long before that, do you remember?

NO: I'd say like a month.

KB: About a month.

NO: Yeah.

KB: (CLEARING THROAT) mmm 'kay. And see you're here and you hear who coming out of the house or on the side where?

NO: Well I, I just heard the sliding door open and I panicked.

KB: To this house?

NO: Yeah.

KB: Sliding door, okay. So you hear a sliding door open, you panic and then you hide behind one of the flower...

NO: one of the...

KB: flower boxes I guess we'll call it...

NO: Yeah.

KB: So you hide behind one of the flower boxes and then dose anybody come out of the house?

NO: Yeah, I heard Robert and his Grandpa come out of the house.

KB: Okay so Robert... who came out first?

NO: Uhm I don't- I didn't see, all I know is I popped up from behind the thing and they were both there.

KB: So you're hiding here and you hear em come out and then at what point do you side- decide you say you scared em?

NO: Yeah.

KB: What point did you decide to do that?

NO: Uhm well they were coming my- my way anyway and they were gonna find me so I just came out.

KB: Did you give it up?

NO: Yeah.

KB: So then what'd you do?

NO: Nothing they well they had their suspicions on what I was doing back there and I told then I thought I heard Steven's music and I was coming to hang out with him cuz I do that every now and then- well used to and they just yelled at me for a little bit and then everything cooled down, we went inside, we smoked some- some weed and then we went back to Robert's house.

KB: So what were they doing out there?

NO: Robert and them?

KB: Yeah I mean did they hear you or?

NO: Uhm yeah...

KB: why'd they come out?

NO: cuz their dog started barking a lot. They have like three- two or three dogs so they started barking as soon as I well jumped the- jumped the fence.

KB: Okay. Did you have anything with you?

NO: Just my phone I'd say.

KB: I mean you stayed at Whitney's for three- three days at that time, what did you have with you, what did you carry with you?
NO: Nothing just my phone.

KB: Okay so did you leave the stuff at her house that you packed or, I assume you brought stuff with you.

NO: I didn't pack anything.

KB: So you didn't have anything with you?

NO: No.

KB: Mmm kay. At any point going around this house did you try and look over the fence, look through the fence, try and verify the scene was in there, check if lights were on or anything?

NO: Mmm mm I mean I could still hear the music and I was- I was almost certain it was coming from his thing cuz I could still hear it pretty strong.

KB: So you didn't have to stand or anything to look over to verify, I mean stand on this gate over here...

NO: mmm mm...

KB: Nothing, okay. Alright so they catch you uhm you know you see them coming your direction, you give it up...

NO: yeah...

KB: And then they holler at you and then who did Lloyd or Robert or both?

NO: Lloyd- Lloyd.

KB: What did Robert say?

NO: Robert really didn't say anything he was already all high at the time so I don't think he...

KB: was he?

NO: Yeah.

KB: So then who invited you inside?

NO: Uh Lloyd.

KB: Lloyd.
NO: I just told him, I told him the truth that I thought I heard Steven's music playing and I was just coming to hang out with him and he kept asking what I was doing and that was my same answer every time. Then we went back inside and smoked a little bit and then me and Robert left to his house, that's pretty much it.

KB: Fair enough, did you guys do anything else at...

NO: Robert's?

KB: Lloyds yeah?

NO: Oh at Lloyds...

KB: Lloyds...

NO: Mm mmm...

KB: Where'd you guys smoke at?

NO: In the living room.

KB: On the couch?

NO: Yeah.

KB: Yeah- yeah. (CLEARS THROAT) alright and then Robert says hey let's go over to my house. What'd you guys do over there?

NO: Uh well we talked a little bit cuz I had just got ranked in around that same time...

KB: Mm 'kay...

NO: So we were talking about that and he was telling me how stupid it was and I was telling him no that they're my brothers and always have my back and stuff like that, just having our own little conversation...

KB: oh yeah...

NO: And then Robert's mom had made us dinner...

KB: okay...

NO: and we ate a little bit and I remember I was talking a little bit crap about uh you know Cata?
KB: Mmm hmm...

NO: Her boyfriend and he was in that same room and uh I guess I didn't- I didn't know he was in there so I was talking pretty loud and uh he came out and I guess I got a little scared so.

KB: And then you took off or where'd you go after that?

NO: Uhm we had finished dinner and all that and I talked to Robert a little bit more and then I went home.

KB: Remember what you ate?

NO: Uhm hot wings or something like that, bratwurst or hot wings. I'm not too sure exactly.

KB: Okay, have you been- have you been back to either of the houses since?

NO: No, they- they don't like me at all.

KB: Who doesn't?

NO: None of em.

KB: Like Lloyd and Dixie and Steven didn't like you?

NO: They had sent me a- Cata had sent me a couple texts after that day saying that she can't believe what I did and that they treated me like I was family and all that and I just, I didn't go back or talk to them ever since.

KB: So why'd they send you those texts and what...

NO: just...

KB: What didn't they like about you?

NO: They I guess they thought I was trying to steal from them cuz they- they grew pot plants in the back...

KB: Who did?

NO: Uh Lloyd and Dixie, they had a- they had a license to and uh I guess they thought I was trying to steal from em or something.

KB: Lloyd and Dixie uh did Lloyd ever disrespect you?

NO: No, not really.

KB: How 'bout Steven or Dixie?

NO: Mmm well Steven had his anger problems every now and then. I'd play jokes and he'd over-react but that's not his fault and Dixie no she was always nice to me, she was sweet.

KB: So that night that they caught you in the backyard Lloyd didn't disrespect you?

NO: Uh no he yelled at me for being back there and I don't blame him I mean it's his property and I had no business back there but, that's pretty much it.

KB: So you didn't have any...

NO: hard feelings...

KB: hard feelings after that?

NO: No, I could understand I mean if I found somebody in my backyard without my permission...

KB: oh yeah...

NO: (UNINTELLIGIBLE) I'd of done the same thing he did.

KB: So what about Cherie and Jessie why- why wouldn't they like you? Where did that- where did that come from that you were trying to steal I guess- I guess is my question?

NO: Uhm honestly I don't know I man I never stole from them I mean I'd take buds every now and then; just little buds that I'd take home and smoke for myself but, I never stole anything major from them like money or anything.

KB: From who did you take that stuff from?

NO: The weed?

KB: Mmm hmm.

NO: Uh from all of em actually.

KB: From Lloyd, Dixie, Steven uh Cherie, Jessie, Cata, Robert...

NO: yeah cuz they all- they all had weed, they grew it, all of them grew it so I'd just take a little, a little bit of bud every now and then not, not a lot but just like maybe a dub a gram...
KB: Mmm hmm... So that- they- when did they catch on to that I mean did they catch on?

NO: No, they never caught on.

KB: But they thought you were? Did they ever ask you about it?

NO: No, never.

KB: So how were you guys under the understanding that you were- that they didn't like you? Cuz it- it seems to me like cuz I remember you used to... Who'd you live with; you lived with Jessie and Cherie?

NO: Yeah I lived with them.

KB: At one point for a little while...

NO: a while yeah.

KB: You know it seems like you guys had a pretty good relationship uhm...

NO: We did.

KB: I remember reading that you know everybody would give you kinda money to go whatever you needed to do...

NO: mmm hmm... they helped me out.

KB: What was the turning point where...

NO: where everything went bad?

KB: Yeah, I mean what just what happened?

NO: When they caught me back there I guess I don't know they must have had a talk or something- Lloyd and Dixie had a talk with uh Cherie and Jessie and I guess it just escalated from there and they didn't want me there anymore.

KB: But you actually don't know the reason?

NO: Mm mmm I mean I'm almost certain that it's cuz I was back there without their permission and all that but...

KB: Yeah and I get that but...

NO: Yeah but other than that I have no idea.

KB: Okay. Just seemed kind of strange you know...

NO: yeah...

KB: that they wouldn't - that you guys are just understanding but, nobody actually said don't come back here. Cuz it seemed like afterwards...

NO: Well they did, they told me not to go back after that in one of those texts that Cata had sent me...

KB: mmm hmm...

NO: it said don't come back ever again, we don't want you here, we don't trust you.

KB: So did Robert tell Cherie and Jessie that they caught you guys back there, they caught you back there?

NO: Yeah I'm pretty sure they did.

KB: Okay...

NO: or he did.

KB: And then they just kind of lost respect for you?

NO: Yeah, I don't blame em really.

KB: Have you seen em since?

NO: I see em here and there like at the supermarket and all that, it's a small town so it's...

KB: oh yeah...

NO: you run into each other but I never talk to em or anything.

KB: What's that like? Do they look at you? Do they...

NO: yeah, they look at me and they whisper to each other and talk crap but I just ignore it.

KB: So what do you think of that? Do you agree with that I mean this town's so small you should be able to forget it, right?

NO: Mmm yeah uh I guess I don't know. I mean I really I don't blame em for uh for having their secrets and their hate towards me and all that so I just ignore it, brush it off my shoulders. And there's nothing I can- there's nothing I can do about it. If I go and try to talk to them their just gonna ignore me or who knows what so I don't even try.

KB: Mmm 'kay so now you can see why your name keeps coming...

NO: Yeah, I understand why my name keeps coming up, I really do but there's nothing I can tell you guys that I haven't before really.

KB: Mmm 'kay. So well actually you can cuz I didn't really talk to you on a lot of it so that's why I'm asking you some of the same stuff over and over is because uhm...

NO: just to clarify?

KB: Yeah and as you know I, I became the case agent on this case. The other uh agent that was here went to a different position with the, with the state so I took it over and I just wanted to do some of my own interviews.

NO: Oh okay.

KB: And you know catch up on some stuff with you. Uhm one of the other things I want you to run through is do you remember what you were doing uhm obviously you remember finding out about what happened to Lloyd, Dixie and Steven. Do you remember what you did the day before and the day of up until you found out? I mean what- what was your- what was your day like then?

NO: Uhm...

KB: I know it's a couple years ago and stuff but...

NO: The- the day it happened or the day before?

KB: Uhm well you tell me, whatever you know, whatever you can remember.

NO: Well the day before me and uh I wasn't really enemies with Jose and them so...

KB: You weren't enemies?

NO: no...

KB: and you are now?

NO: Yeah, we are now.
KB: You consider yourself enemies?

NO: Oh I know we're enemies.

KB: Yeah.

NO: Yeah.

KB: 'kay.

NO: But the- the day before it happened me and him were- just been hanging out just uh normal stuff- drinking a little bit, getting high- just stuff like that, hanging out at his house and the day after I- I'm pretty sure it was Father's Day, I'm not too sure exactly but uh we had a me and my family went up to my grandparents and we had a barbecue and just all that for my grandpa and my dad and my uncle and the day after went home from the barbecue and all that I got a- a ride to Whitney's and I spent the rest of the day over there.

KB: Okay. Where'd you get a ride from and to Whitney's?

NO: Uhm honestly I don't really remember. I think I had my parents drop me off in El Rancho and then I uh there's a shortcut you can take through the river that leads exactly to her house.

KB: mm 'kay...

NO: So I walked through there.

KB: So you walked from where to Whitney's?

NO: Uhm you know where uh Homerun Pizza is? It's right by the Cities of Gold by the Middle School?

KP: Okay...

NO: Right there, I walked along the- the back roads until I found that shortcut in the river and then I just walked through third.

KB: So you said your - your parents gave you a ride to El Rancho or from El Rancho?

NO: No - to...

KB: And then you walked from there to Whitney's?

NO: Yeah.

KB: Where does this Homerun Pizza come in?

NO: Uhm it's like right at the beginning of uh...

KB: No but I mean you walked from there to where your parents picked you up?

NO: No uhm I had em I had em drop me off at Homerun Pizza because that's like the very first part of El Rancho.

KB: Okay.

NO: And then...

KB: gotcha...

NO: from there I walked on the back roads all the way to the river and then I walked to her house.

KB: Okay so your parents actually brought you, okay I get that yeah. Uhm you said you- you hung out with Jose the day before...

NO: Cuz I remember uhm that uh I was hanging out with him and he was taking me home...

KB: mmm hmm...

NO: and on the highway we just seen like I can't even tell you how many cops passing by and I ambulances just driving to...

KB: when was that?

NO: Uhm like uh the day or what do you mean exactly?

KB: Well yeah when did you see the light- the cops and ambulance and stuff?

NO: Uhm I'm not too sure exactly what day but it was, it was getting pretty late it was like 9:00 nine or ten.

KB: But I mean is that the day that you were hanging out with Jose?

NO: Oh yeah, yeah it was the day I was hanging out with him.

KB: So the day you hung out with him I'm assuming is the day before so it'd be Saturday cuz Sunday was Father's Day uhm when did you go to the barbecue was that for father- on Father's Day...?
NO: Yeah, it was Father's Day...

KB: or the day before? So Father's Day you were, where did you... you said your grandma- grandparents?

NO: Yeah my grandparents...

KB: Where does your grandparents live at?

NO: In Santa Fe. You know where Wal-Mart is on Cerrillos Road?

KB: Yeah.

NO: Right there's like a there's a little neighborhood right across from Wal-Mart...

KB: Uh huh...

NO: And it's down there.

KB: Okay. So you were there uhm Sunday?

NO: Yeah.

KB: Do you remember, did you guys wake up and go right away?

NO: Yeah.

KB: 'kay...

NO: Cuz we had made plans like a couple days before cuz we knew Father's Day was coming up.

KB: Okay.

NO: So we all made plans to have a barbecue and stuff.

KB: So Sunday you guys get up uhm and you're living in- you're living behind- where were you living at that time?

NO: Uhm I don't remember exactly we were either living at uh you know where we used to live by the Car Wash?

KB: In Pojoaque?

NO: Yeah.

KB: Uh huh (UNINTELLIGIBLE) was 502?

NO: Huh?

KB: Was it 502 that road?

NO: Uhm I- I really don't know the road.

KB: Okay.

NO: I'm not too sure but it was...

KB: That's the one to Los Alamos right that road?

NO: Yeah- yeah that.

KB: Okay.

NO: It was either there or it was uhm mmm I'm not too sure. It was either there or let's see; where did we live before? Oh yeah uhm where I live now in Cuyamungue there's this house uh...

KB: Where we- where we picked you from up today?

NO: Not there, there's this house, you go uhm oh yeah around that neighborhood.

KB: Yeah.

NO: You cross the bridge and you- you turn slightly to the right and there's this little road that leads up to a house.

KB: Okay so you lived back there.

NO: We did yeah.

KB: Around the same time?

NO: Yeah.

KB: Okay so you were at the Car Wash first- behind the Car Wash excuse me, and then you went to the house you just explained and then you went to where you're at now?

NO: Yeah.

KB: So is that the order of em?

NO: Yeah.

KB: Okay. Uhm the day- the day of I- I get where you were you know you were at the barbecue and stuff. Now the day before that's when you were with Jose?

NO: Mmm hmm.

KB: When try and remember the time frames that you were with him.

NO: Mmm...

KB: Kind of that sort of thing.

NO: I know I was there pretty early cuz I had I went over to his house and I'd woken him up but, I don't remember the exact time but I remember it was around nine or ten cuz it was already pretty late...

KB: in the morning or at night?

NO: no at night. It was uh it was around nine or ten that night.

KB: Okay.

NO: And uh cuz I remember it was pretty dark and you could see the sirens from way down the highway.

KB: What- what were the lights and sirens going to do you know?

NO: (UNINTELLIGIBLE)

KB: You saw em?

NO: Yeah, they were coming up the highway.

KB: So let me just kind of skip around a little bit. The day that you went to the barbecue, when you came home did you do anything after that?

NO: Uhm I got I freshened up a little bit, changed my clothes and just went to Whitney's house.

KB: Okay. So now you didn't hang out with Jose...
NO: that day?

KB: On Sunday at all?

NO: No - not at all.

KB: Okay. Saturday you guys did?

NO: Yeah.

KB: What did you do in the morning?

NO: Nnn... on Saturday?

KB: Well you said you went to Jose's what at 9:00 10:00 o'clock at night?

NO: No, I came home around that time; he was giving me a ride home then.

KB: Okay, I'm kinda confused now. So Saturday...

NO: Saturday...

KB: Where were you guys at that during- during the day? You were- you were hanging out with him during the day?

NO: Yeah, I was hanging out with him pretty- pretty early cuz ...

KB: Like what's early?

NO: Mmm I'd say like 10:00 -- 11:00 in the morning.

KB: So Saturday at 10:00 – 11:00 in the morning until?

NO: Until 9:00 or 10:00 that night.

KB: You were with him the full twelve hours

NO: Yeah, all day.

KB: Okay, at that point uhm and I know everybody's got phones and stuff like that; did you call each other or text him or anything during that time?

NO: During that whole day?

KB: Well yeah, when you guys were together.

NO: Mmm no I just showed up over there.

KB: Okay showed up over where, at his house?

NO: At his house yeah.

KB: At- in the morning you said?

NO: Mmm hmm.

KB: Okay so from ten to ten you were with Jose and then what'd you do after that, after 10:00 p.m.?

NO: I just went home and watched a few movies and I know I had to wake up early for the for the barbecue so I just (UNINTELLIGIBLE)

KB: Mmm kay and what's what time was the barbecue at?

NO: Mmm I really don't remember. I'm guessing around 1:00.

KB: So what time do you have to wake up at?

NO: Like 10:00 o'clock.

KB: That's early?

NO: Well in my house it is.

KB: (LAUGHS) so 10:00 p.m. you leave Jose's?

NO: Yeah.

KB: How'd you leave Jose's did someone bring you somewhere, did you walk?

NO: Yeah well he owned a purple Honda so he gave me a ride.

KB: So Jose drove you to where?

NO: To my house.

KB: 'kay. Do you remember looking at a clock or anything when you got home? Was anybody home?
NO: Yeah, everybody was home.

KB: Everybody?

NO: My mom, my dad and my three sisters.

KB: 'kay. So you're home from 10:00 p.m. until what time you'd say you left (CLEARS THROAT?)

NO: Until the next day around uh 10:00 in the morning.

KB: Mm 'kay (CLEARS THROAT) so you didn't do anything with Jose that night?

NO: Mmm mm not really.

KB: What do you mean not really? Cuz I know you guys were together that night.

NO: Yeah we were together that night but we had just been...

KB: After 10:00 p.m. you guys were together.

NO: Oh no...

KB: Cuz I'll be honest with you dude we've already talked to Jose.

NO: Mmm hmm.

KB: I know what you guys did that night, I know what you guys did when you left Jose's house so in talking with you man I want honesty.

NO: Yeah I'm- I'm being completely...

KB: I wanna be able to- to have somebody look at your statements -- say oh this guys' not full of crap...

NO: mmm hmm...

KB: Verses well he's not telling the truth on that, he's not the truth on anything why are we gonna believe this kid.

NO: Yeah.

KB: You know and that's what I'm trying to do for you is clear your name up to what you did cuz I know, I have other statements about different things that you guys did that night, and I have people that saw it, uhm I have phone records that prove that you were at a certain place after 10:00 p.m. and it wasn't home so I'm gonna give you the respect...

NO: yeah...

KB: right now to go through and back up and tell me your entire day and don't want anything left out.

NO: Oh I understand that but honestly what I'm telling you is what I remember. I don't it was so long ago I don't remember (UNINTELLIGIBLE)...

KB: well you're remembering 10:00 p.m. you're remembering 10:00 a.m. uh you're remembering that you didn't use your phone during that time frame. We have a lot of stuff on this case you know. We've been looking into tons of records, tons of documents, I've talked to Jose recently and -- I know what went on you know. Uhm and I know what you guys were together after 10:00 p.m., I know he didn't drive you home at that time and if he did, you guys left again later. You know, I know you guys were together after that and I don't want any BS from you man it's...

NO: yeah, I understand...

KB: and I didn't bring... I didn't bring you from Pojoaque for you to come here and lie to me.

NO: yeah...

KB: I did it so you could tell the truth.

NO: Yeah, I understand.

KB: You know I, I have so much respect for someone that comes in here and tells me you know this is the truth what I did that day I don't care how much trouble I'm in, I don't care anything like that, I wanna let you know what I did that's honesty. That's what I value.

NO: Okay.

KB: I look at that person and I give them the utmost respect and whatever comes out of that situation I can look and say look, this guy was totally honest with me. He didn't BS me but, I have evidence that shows that you're lying to me.

NO: Well...

KB: and I don't want that...

NO: yeah...
KB: I don't what that dude you don't- you don't need that- I don't need...

NO: (UNINTELLIGIBLE)

KB: to call you a liar. I can get anybody else to look at this and say you know - Nick's a liar...

NO: yeah...

KB: you know I don't need that and don't need that.

NO: Yeah.

KB: I don't care if whatever- whatever you did if it's illegal, whatever it may be but, you're statement and the other people's statement that we've talked to- they need to match.

NO: Okay well...

KB: and they- right now I'm gonna give you the opportunity to go back and tell me everything, cuz I know you remember a lot more from that night.

NO: Honestly what I'm- what I'm telling you is what I remember. I don't I don't remember doing anything after that. I mean I don't even know if it was that time certainly all I know is that it was because it was already dark, pretty dark.

KB: Okay.

NO: By the time I got home everybody was already pretty much passed out. So I don't - what I'm telling you is what I remember. I'm not- I'm not saying what he was telling you is a lie, I'm not saying that at all.

KB: Well I believe what he said. I believe a hundred ten- 110 percent what he says, I don't believe you that's the problem.

NO: Okay, yeah.

KB: Uhm it's not that I don't respect what you're saying to me it I just- I just want the truth.

NO: Yeah well what I'm telling you is it may not be the truth but...

KB: Well its part of what you guys probly did, you hung out I know that...

NO: yeah we hung out. We'd been, we were drinking a little bit that day, we were smoking doing just the normal crap but, anything after what I told you I really don't remember. It was already so long ago that I don't remember what we were doing.
KB: Well people have been able to recall exactly what you guys did that night. So I know you have a pretty- pretty good understanding of what happened. Uhm and Like I said this is- this is just your opportunity to- to tell it to me. I know you guys did some- some stuff after that you know and...

NO: Uhm could you maybe- I know you guys aren't supposed to do this but could you maybe give me an idea or something, maybe I can clarify- I don't know. Cuz really what I'm telling you I don't remember.

KB: There's- there's – there's some phone calls that were placed in the area. Uhm we did some tower research and it shows active numbers that are in the community at that time actively talking on the phone, actively texting...

NO: mmm hmm...

KB: back and forth and it shows all these uhm numbers and it'll even give us a area here that phone is being used at.

NO: Where it was placed?

KB: Right.

NO: Mm 'kay.

KB: So that's- that's what I'm asking you to clarify is why you were talking to a certain individuals that night and by certain individuals I'll tell you who they are...

NO: okay...

KB: Uhm your phone was very active after 10:00 p.m.

NO: yeah...

KB: not by your house. Uhm Jose's phone was very active around their house.

NO: Around that time?

KB: And there's- there's one other phone (UNINTELLIGIBLE) uhm you know what dude I'm gonna – I'm gonna let you think about this for a minute and I'm gonna take a break and hopefully you'll be able to remember some stuff.

NO: Uhm well to be honest with you man there's I don't remember anything else after that night.

KB: Okay. Alright well I'm gonna take a break and we'll see uhm we'll come back and go through your day and see if you can remember anything else alright.

NO: Okay.

KB: Fair enough?

NO: Yeah.

KB: Do you want any water or anything man?

NO: Uhm sure.

KB: Alright.

NO: Thanks...

KB: Yeah...

RAFAEL GOMEZ: You need to use the restroom?

NO: Uh no, I'm good.

RG: Alright be right back okay.

NO: Alright.

RG: Just think about the day.

NO: Okay.

RG: Try to...

NO: remember...

RG: puzzle everything together.

NO: okay...

RG: alrighty, work hard on it dude.

NO: I will.

RG: Alright.
NO: (COUGHS)

RG: You need to use the restroom man?

NO: No, I'm good.

RG: Alright.

NO: Thank you though.

(BREAK)

KB: Alright... you doing okay man?

NO: Yeah...

KB: Alright....

NO: I uh I think I remember what you're talking about.

KB: Okay.

NO: Does it uh around that time does it involve uh Terese... uh not Teresa Steven's house?

KB: You tell me.

NO: I'm gonna be honest with you and this is... this is really the only thing I can remember.

KB: Okay.

NO: Uhm if it- if I don't know exactly if it was that day, it was around that time though.

KB: mm 'kay...

NO: But uhm we had uh broken into their house...

KB: mmm hmm...

NO: Is that it?

KB: well...

NO: we had uh...

KB: what else?

NO: broken into their house and uh took uh stole a gun.

KB: Okay.

NO: And that's really- honestly that's the only thing I can remember that- that might have happened around there that time. Anything else...

KB: So is that the gun that... who- who took the gun after that- let me ask you that?

NO: Who kept the gun after...

KB: yeah...

NO: after we took it, he did.

KB: Okay. And you guys sell it- did he sell it, what happened to the gun?

NO: Mmm we had it for a little while cuz I remember like a couple months or not a couple of months a couple days after that we had a little party at his house- him and his grandparents' house and uh this guy Lenny had stolen money from Ashley and he wanted to take it and go over to Lenny's house and get the money back.

KB: So he was gonna us the gun against Lenny?

NO: Yeah.

KB: Okay.

NO: And then after that I don't know what happened to the gun. I never took it home but...

KB: What kind of gun was it?

NO: It was a 22 a rifle.

KB: 22 rifle okay. Anybody ever talk to you about that?

NO: Mm mmm

KB: No. How'd you guys get into uhm you said this was at Steven's house right?

NO: Yeah.

KB: How'd you guys get into the house?

NO: There was a bathroom window that was open, climbed in through there.

KB: You went in. What time was that at? Dark-light?

NO: Yeah it was...

KB: daytime...

NO: it was... no it was late- everybody was passed out that night.

KB: Was anybody there?

NO: Yeah, they were there.

KB: Yeah, they were- the Ortiz' were there?

NO: Mmm hmm.

KB: So how'd you guys get away with the gun?

NO: Very-very-very quiet and careful.

KB: So you walked into the house, who went into the house first of all?

NO: Me.

KB: Just you?

NO: Mmm hmm.

KB: Okay. So you got into the house uh through the bathroom window...

NO: mmm hmm...

KB: which was open?

NO: Yeah- it was- it was open about that much and I just slid it open and popped out the screen.

KB: Okay and then you went in the house by yourself uhm to get the gun...

NO: mmm hmm...
KB: Who woke up?

NO: No one- I don't think- I think if anyone would of woken up they would of caught me.

KB: So where was the gun at?

NO: In Steven's room in a gun safe.

KB: 'kay. Do you remember time frame- was everybody sleeping?

NO: Yeah, everybody's asleep.

KB: What's their usual pattern, what do you know about their when they go to sleep?

NO: Uhm I know Steven goes to sleep pretty early. He goes to sleep when it's still a little bit light out but Cherie- I mean uh Lloyd and Dixie they stay up for- for a good while.

KB: Okay. So how did you know the gun was in there?

NO: I had, I had been in Steven's room so many times before I just I knew it was there.

KB: Okay. So let's how did you guys get there. Let's just talk about- let's just talk about the whole scenario. How'd you guys get to the house?

NO: Uhm someone drove us there, I don't remember exactly, I think it was in a truck cuz I remember riding in the back of the truck after we had left.

KB: From who's house?

NO: From Lloyd and Dixie's.

KB: No I mean before that, how'd you guys get to Lloyd and Dixie's?

NO: We- we came from Jose's house if I don't recall- if I recall.

KB: Okay. (CLEARS THROAT) and how'd you get to Lloyd and Dixie's?

NO: Uh they dropped me off at the- they didn't drive into the yard at all- they dropped me off at the entrance where you turn into Robert's house.

KB: Who's they?

NO: Uh Jose and uh Brianna.

KB: Brianna?

NO: Roybal, his cousin.

KB: Okay.

NO: And I just I walked to their house from there and hopped over the green gate, hopped over the- the next wooden (UNINTELLIGIBLE) fence right there.

KB: So okay so you hopped over the green gate...

NO: mmm hmm...

KB: and then the wooden fence...

NO: You keep to your- you keep to your right and it's- it's right alongside of uh Cherie's and Roberts house...

KB: Okay...

NO: and there's a little wooden fence just right there so the dogs don't get out...

KB: right...

NO: and uh I hopped over that and then the bathroom window was right there and I - I checked and it was opened.

KB: Mm 'kay and nobody woke up that night?

NO: Mmm hmm.

KB: Do you remember I know you said you don't remember exactly what it was but do you remember if it was before or after uhm you thought you heard Steven playing in the drum room?

NO: It was- it was before that I mean we were still good friends.

KB: So it was months before June.

NO: Uhm I'm not- I'm not exactly sure but all I know is we were still- we were- we were good friends.

KB: You and who?

NO: Every- all of em. Me Robert, Cherie all of em were still good friends at that time.

KB: 'kay. Well that's- that's kind of what I'm talking about is I just you want you to be honest.

NO: Yeah.

KB: Uhm now I know there's another time when you guys were hanging out and this is the particular day I'm asking of and you know I asked you to think about it before we left, this is Saturday. So I know- I know you guys went in and took the gun and Jose and them getting rid of it and all sorts of good stuff and the day before uhm on the Saturday...

NO: mmm hmm...

KB: (CLEARS THROAT) run me through everything that you can remember. Okay we're gonna- I- I just wanna get this one more time and don't leave anything out cuz I know there's some more stuff that went on that day into that night, into the following morning even that you were hanging out with some other people and I don't want you to leave that stuff out.

NO: Yeah.

KB: And the fact that you guys stole the gun, I'm not here to jam you up on that...

NO: yeah...

KB: It's - its honesty is what you're doing for me...

NO: mmm hmm...

KB: It's not you know what Nick told me this, I'm gonna go hammer him on this, that's not what I, that's not what I'm here for okay and respect you for telling me the truth on it.

NO: Mm 'kay.

KB: Which is hopefully the same respect that you give me...

NO: yeah...

KB: On Saturday. So why don't we go through Saturday again uhm and like I said try and elaborate on some de- uh details – give me more information, whatever you can remember you know, cuz I know there's a lot more stuff and the thing is Nick, I don't wanna have to help you out. I don't wanna have to help you telling me what you did that night.

NO: Yeah.

KB: Cuz I know what you guys did, I know who you were with, I know when you used your cell phone, I know where your cell phone was used. I don't wanna have to look at this and say look, I had to tell him everything that he did that night and he has absolutely no memory cuz that doesn't get you anywhere, that doesn't get you anywhere with uhm respect for one or from anybody. They're just gonna look at em and say...

NO: (UNINTELLIGIBLE)

KB: Yeah he's not telling the truth why am I gonna believe this other stuff. Why do I believe that he went and took the 22 when he's lying about something else?

NO: Mmm hmm...

KB: You know so complete honesty on Saturday, that's what I really want. Saturday into Sunday cuz I know you were out pretty late Sunday morning so I- I want the whole thing.

NO: Well...

KB: Fair enough?

NO: Yeah fair enough.

KB: Alright.

NO: Well Saturday morning I, I didn't call him or nothing I just uh I went over there, I showed up. I talked to uh Pam Jose's mom for a little bit, she said that Jose was still sleeping. So I went in his room, I woked him up... I woke him up and uh we went and got some – some beer from uh the Nambe Station that's right there by the Buffalo Thunder.

KB: Okay.

NO: And we came back and we started drinking for a little while, we were smoking getting high. I think we even did a little bit of coke and uh just hung out for the entire day really at his house. We didn't really do anything after that just – just party a little bit. And then late that night honestly – honest late that night all I remember is him taking me home. I really don't I don't remember anything after that.

RG: Why do you think you don't remember?

NO: I it was just it was so long ago I mean I don't remember. It was years ago and...

RG: Could it be cuz you were so drunk?

NO: Uhm I wasn't – I wasn't that drunk I wasn't that bad it was, I mean I was buzzed but I wasn't to the point to where I couldn't remember nothing, I couldn't control myself.

RG: High...

NO: NO I was, I was as they say "on my level" which is just like to the point to where you're about to black out but I wasn't quite there yet...

RG: okay...

NO: I was – I was still in control of myself.

RG: Right, how about coked?

NO: Uhm we didn't have that much we only had a dub which is maybe that much so it lasted us about an hour so by the time...

RG: it was split between both of you?

NO: Yeah by the by the time we went, by the time he took me home it was already gone.

RG: So – so you guys hang out throughout the day drink pretty much, anybody else with you guys?

NO: Uhm I know Pam was there, Louie was there, uhm his – his cousin Ashley I don't know if you guys know Ashley she might of been there. Remember she – she popped up a couple of times through the day but... I remember her - if she stayed there the whole day or not.

RG: Okay. So obviously you were with him that day right?

NO: Yeah I was with him that day.

RG: And this is basically your routine.

NO: Uhm yeah kinda I mean we don't we didn't drink that much.

RG: Back in the day?

NO: Yeah we didn't drink that much but we got high pretty much every day.

RG: How would you guys get the alcohol?

NO: His mom would buy it for us.

RG: His mom, nobody else?

NO: No, well I mean uhm his mom, his dad that's – that's really it nobody else would really pull out for us.

RG: So you guys didn't have any issues finding pullers?

NO: No, not really as long as uh his parents got a little bit of it they – they didn't care.

RG: Alright. So do you guys have like a habit of sending jokes to each other while you guys are together texting - phone calls?

NO: I don't think so.

RG: No. If you guys are together you would just say the joke or talk or whatever?

NO: Yeah.

RG: But not through a phone right?

NO: NO not I mean unless it was uh a joke about his family or something that we didn't want them to hear then we'd text it to each other.

RG: And was that common?

NO: Uh not really not that much.

RG: Very unusual right?

NO: Yeah (UNINTELLIGIBLE) other than that we would just joke between us joke amongst everybody.

RG: Or say whatever...

KB: (CLEARING THROAT)

RG: (UNINTELLIGIBLE) in front of anybody.

NO: Everybody had a pretty good sense of humor so we didn't we didn't really care to hide it.

RG: No conversations that you guys wanted to hide between you two and nobody else?

NO: Nnn I mean unless we uh we were planning to go steal some money or like that gun that we took, that was just between me him and Brianna.
RG: And was that done through a cell phone, text or...

NO: The about breaking into the house?

RG: Mmm hmm...

NO: No we just went into his room and locked the door and talked about it.

RG: Oh I 'kay. So you guys planned it you know just speaking.

NO: Yeah.

RG: Okay.

KB: How often do you talk to Jose like on the phone – texts?

NO: Now a days?

KB: Nuh back when this happened a couple years ago?

NO: Uhm...

KB: When you guys were...

NO: I would only call and talk to him whenever we were gonna meet up.

KB: Okay, so you barely ever talked to him?

NO: Hardly yeah... on the phone yeah.

KB: What about uh Zubia what's your...

NO: Eric Zubia?

KB: Yeah.

NO: Uhm me and me and him actually talked quite a bit we were really- really good friends.

KB: Oh yeah.

NO: Yeah.

KB: Or how 'bout Ashley Roybal, how often did you talk to her?

NO: Well she kind of had a crush on me and it was kind of mutual.

KB: Okay.

NO: So whenever I had problems or when I was sad or anything I would call her to talk to her.

KB: When did you usually talk to her like what – what hours I mean would it be normal for you to call her...

NO: mmm there – it would be pretty normal I mean I talked to her quite a bit.

KB: Like when, what's – what's a good time?

NO: All hours of the day just whenever I needed to talk to her, whenever she needed to talk to me.

KB: What about night time?

NO: Night time?

KB: You guys ever talk 3-4-5-6 in the morning?

NO: Oh no not that unless we were partying yeah- yeah.

KB: Okay. Well how 'bout you - you and Jose... I'll be straight up with you dude I got...

NO: yeah...

KB: On Saturday...

NO: mmm hmm...

KB: Was Jose on his phone a lot when you guys were together during 10 to 10?

NO: I – I don't remember.

KB: You don't remember? Is he always – is he always picking up his phone texting and stuff?

NO: Yeah he – he talks to a lot of people so he was always on his phone a lot.

KB: Okay

NO: (COUGHS)

KB: Cuz I'll be honest with you – you guys didn't - you didn't text, you didn't call each other on Saturday from 10:00 a.m. until 9:31 p.m.

RG: Do you remember where you were at that time?

NO: 9:30 around then...

KB: now...

NO: for sure I was at home.

KB: Okay.

NO: If not I was with Jose.

KB: Well if you were with him you guys wouldn't of texted right?

NO: Yeah.

KB: (CLEARS THROAT) Cuz on that day...

NO: mmm hmm...

KB: you texted quite a bit. You made a couple of calls in there too.

NO: Well like I said it was - it was a long time ago. I mean I'm not -- I'm not uh...

KB: Oh I think you remember the day a little bit better than better than you think you do.

NO: Honestly I -- I don't.

KB: Cuz you guys...

NO: I'm not saying – I'm not saying that it didn't happen...

KB: yeah...

NO: I'm saying I don't remember it.

KB: Okay.

NO: I mean obviously if you have the evidence right there then it happened, I'm just saying I don't remember it.

RG: So was it very common for you guys to do something like that?

NO: Like what?

RG: Like hang out most of the day at night, end up going home and you start texting him, he starts answering you back.

NO: Uhm we would only do that if uh if he got some alcohol or he got some really good weed or something that he wanted me to try...

RG: okay...

NO: or if he needed a place to stay or I needed a place to stay here, a ride or anything, that's the only reason at that time.

RG: (UNINTELLIGIBLE)

NO: Like I said uhm I'm not denying what you're saying I'm just I don't – I don't remember.

KB: Well you know it's fine that you guys talk or text whatever it may be but the fact that you now you guys don't talk from 10:00 a.m. to 9:30 p.m. I get that cuz your with each other.

NO: Yeah.

KB: After that you guys text each other you're probly together...

NO: mmm hmm...

KB: and I'm just gonna show you dude these – these are your texts between you and Jose. You're – you're the orange and he's the white. That's how much you guys texted on Saturday night into Sunday morning, is it surprising?

NO: Uhm not re- I mean I guess a little bit but...

KB: Well why does it surprise you?

NO: Just cuz we hardly ever talk that much.

KB: Right well that's – that' what I'm getting at.

NO: Yeah.

RG: (CLEARS THROAT)

KB: Uhm and I'm gonna be straight up with you Jose told us what – what went on that night. Uhm and for him to remember something that went on that you guys obviously had some text conversation...

NO: mmm hmm...

KB: and for you not to remember anything is you know obviously it's something that you – you probly can't even explain but, what's really concerning is the fact... you know Ashley Roybal right?

NO: Ashley?

KB: yeah...

NO: Yeah.

KB: Mm 'kay the thing that really – really stands out between both yours and Jose's phone...

NO: mmm hmm...

KB: (UNINTELLIGIBLE) is you called her at 2:08 in the morning, 2:09 in the morning, 2:12, 2:17, 2:18 and 2:19.

NO: And these were all separate calls or they were...

KB: mmm hmm...

NO: okay.

KB: I – I shouldn't say that those six calls that I just gave you the times...

NO: yeah...

KB: those are both ways. Some are from you to her and some are from her to you.

NO: Okay.

KB: We know what was said during those conversations.

NO: 'kay.

KB: it's where you need to start being honest with us. I don't – this - this is out of the ordinary for your phone.

NO: mmm hmm...

KB: You know – we know who you hang out with, we know your buddy Troy, we know what he drives, we know your – your buddy in the Expedition. We know all these people; we know a lot of stuff about you.

NO: Okay.

KB: Okay we've been following you around quite a bit. We know what your normal day is; we know the shit that you get into...

NO: yeah...

KB: the houses that you go, what you do at those houses, what you do in their driveways... we know all this stuff alright. We're not following you around because we want to okay, this stuff isn't making sense and...

NO: okay...

KB: people are coming forward with this information and the people we've talked to are very they're very credible because they're telling us the truth.

NO: mmm hmm...

KB: and as much as you hate to say it Jose's one of them.

NO: Yeah.

KB: Jose's one of the people that's being completely honest with what happened.

NO: Okay.

KB: You know but when you wanna sit there and tell me that this is- this kind of normal it's not. This isn't normal for you guys to talk...

NO: yeah...

KB: It's not normal for you to call Ashley at 2:08 in the morning. It's not normal for her to call you back. The reason I know is because I have the records, they're sitting in front of me.

NO: Yeah I believe you.

KB: It's not normal for you to text Jose...

NO: Yeah I'm not – I'm not uh...

KB: And then you guys not text, which you told me that you don't text, is generally when you're together...

NO: yeah...

KB: there's a time frame that you guys aren't texting.

NO: Yeah I'm not... I'm not denying...

KB: You know at – at – at 12:30 in the morning on Sunday you guys stopped texting and then at 4:24 you sent him a text in the morning.

NO: 'kay.

KB: What – what for man?

NO: I don't know, I don't remember.

KB: I know you remember.

NO: I don't.

KB: Cuz he remembers and Jose tell tells me as messed up as you guys got with the dope and the beer and everything that day, he still remembers and he gets messed up. When that dude drinks he gets – he gets jacked up – he gets violent, he gets you know he gets something that you don't ever wanna see and he remembers all this stuff but, one of the other things is when during this time frame when you aren't texting Jose you you're phone shows up somewhere other than your house.

NO: 'kay.

KB: Uhm this is a location of around the area of where your phone was...

NO: located?

KB: Yeah it picked up by the Towers but, this was during this time frame when you guys aren't texting which is you know, it doesn't say the exact time on here, it's around 1:00 – 1:30 in the morning I think is when this came out when you guys are what, you're together. Do you know how I know you're together, cuz your phone and his phone...?

NO: they're in the same area.

KB: they're in the same damn place.

NO: Yeah.

KB: I showed - I showed Jose these, he explained why you guys were there.

NO: 'kay...

KB: but yours showed up at the same place his does. Do you wanna know where that place is at?

NO: Where?

KB: Would it help you remember if I told you?

NO: Maybe.

KB: Here come here... that's the Ortiz residence right?

NO: Yeah.

KB: That's the bridge...

NO: mmm hmm...

KB: that's where your phone came up.

NO: At the bridge?

KB: mmm hmm... well it- it - it's not exact I mean its – it's within a ballpark but you were there that night.

NO: Okay.

KB: And I'm not talking 6:00 o'clock in the afternoon. This is some pretty late hours.

NO: Okay.

KB: This is the night that the Ortiz's actually died.

NO: Okay.

KB: So why was your phone there?

NO: I don't know, maybe I was with Jose and them I don't – I don't know.

KB: May – well the thing is Nick after this you and Jose barely spoke.

NO: Yeah.

KB: The reason after this day I know that you guys barely spoke because like I say I have the records.

NO: Yeah.

KB: I highlighted your number Nick. I literally didn't have to use the highlighter much after this date; it was an occasional text with the exception of... Sunday night.

NO: Yeah.

KB: Which is when the cops were in the area; this is when the cops got called to the Ortiz residence. That's you and Jose.

NO: Okay.

KB: See what I'm getting at? This is when the lights and sirens were in your area at this time.

NO: Alright.

KB: After they drove passed your house, the cops- lights and sirens. So all I'm saying Nick is I just want your honesty.

NO: I'm honestly...

KB: Cuz I know you know what you were doing there it's- it's hard to forget going there. I mean you remember going to Lloyd and Dixie's to steal the gun, I get that – that- that's something that you're gonna remember.

NO: Yeah.

KB: You know it's not normal for you to be in El Rancho at these – these - this time of the morning with Nick or with Jose... sorry.

NO: That's fine.

KB: But we need to know what you guys were up to.

NO: I don't even- I was with him and Ashley I...
KB: Well I know you were with them.

NO: Yeah.

KB: Because you wanna know something that's really interesting? Her phone shows the same spot.

NO: On the bridge?

KB: Well it's near the bridge hers is a little bit further away...

NO: Oh okay...

KB: But it's at the same time... and like I said they give, the don't give an exact location they do it within you know a couple hundred yards...

NO: yeah...

KB: but hers is right there at the same time.

NO: 'kay.

KB: So I know your phone passed through there pretty late. And the reason that this is alarming is because you guys are the only ones on that Saturday night or Sunday morning that were communicating. And there's phone calls that were actually from your phone right near that residence, right near the Ortiz'... why?

NO: I don't know.

RG: Do you lend your phone to people?

NO: Well yeah of course I lend my phone to people.

RG: And they take it with them?

NO: What person doesn't sometimes? Yeah I mean I've lent my phone to Troy at one time and he kept it for a whole like two days.

RG: Okay. So that day do you remember lending your phone to someone?

NO: I... I don't know probably I mean I don't remember but I... I don't know if I did or not.

RG: Do you think the possibilities of you lending your phone to someone are high or low?

NO: I honesty I don't know. I'm – I'm not gonna sit here and lie to you guys and tell you hi or tell you low I'm just gonna tell you I don't – I don't know.

RG: So – So after – after Jose dropped you off at your house, what happened then?

NO: Mmm I watched a few movies, I woke my dad up around 12:00 1:00 in the morning and tell him Happy Father's Day.

RG: Okay.

NO: After that I went to sleep.

RG: Alright you never went back out of the house again?

NO: Nnn I don't think so.

RG: You don't think so or you're – you're for sure that you didn't go?

NO: I didn't I don't know, I don't think so.

RG: You don't think so. So there is a possibility that you left your house again, is there?

NO: No, I didn't leave.

RG: Oh so you stayed home?

NO: Yes.

RG: Okay alright. Nick, you ever been in trouble before?

NO: Yes, I've been I've been in trouble a lot in the past.

RG: And it's ugly right?

NO: Yes it's ugly.

RG: Right. How did Jose treat you when you with him?

NO: What do you mean?

RG: Yeah when you guys were hanging out together how did he treat you?

NO: He treated me well.

RG: Well?

NO: I guess yeah.

RG: Okay. So what brought this rivalry – rival – rivalry against both of you?

NO: I was dating his cousin at the time Amber...

RG: Amber okay...

NO: and uh and she started all – well all of em – they all started smoking crack and getting into heroin and I just didn't wanna get into that life so I – I just cut off all connections. I blocked my number from them and I moved, I stopped talking to them, I stopped talking to Eric, all of them and they didn't like that.

RG: Was Eric in heroin too?

NO: No.

RG: getting into heroin, no so why did you drop him?

NO: Uhm cuz he was uh he was pretty good friends with Jose and them and I just I didn't want to talk to any of them at the time.

RG: But Eric was better of a friend with you then with him.

NO: At the time not really because uh I had messed up with some money with them cuz he had started selling weed and I spent the money and uh and he got mad at that. And we kinda...

RG: Broke it – broke everything up.

NO: Yeah.

RG: 'kay. Well those times that you've been in trouble suck right?

NO: Yeah.

RG: Ever been in jail before?

NO: No.

RG: No, okay. Jose has right?

NO: Mmm hmm.
RG: So Jose knows how you know things turn out to be when you get into jail, right?

NO: Mmm hmm...

RG: So what I want you to understand is that you know we I mean we have a lot right, we spoke to a lot of people, a lot – you have no idea how many people we spoke to.

NO: Well I believe you.

RG: Alright so we've done a lot of legwork on this case.

NO: mmm hmm...

RG: Alright and it's kinda frustrating it is. When you come up with these individuals that you know start lying to you it is...

NO: yeah...

RG: you know...

NO: I can understand that.

RG: And you know they have all the right to do so, we don't care alright we don't care at all. Cuz we have everything we need however; you know sometimes when they start doing that like Agent Bobnock told you earlier is that it starts marking you down...

NO: mmm hmm...

RG: Right so know you've got the district attorney looking at the report and he's marking you down. It starts moving further down the road...

NO: yeah...

RG: and people start marking you down as a liar.

NO: yeah.

RG: Alright I think it's best for you - you know to be honest alright. Be honest; be completely truthful about everything alright. There's something that your just not telling us and – and listen we respect that – that's your decision not ours alright. We did our work, we did our homework, we did everything we could. So the thing that we want from you is to be completely honest with us.

NO: And – and I have been I mean overall these years I've given you guys everything you want. I've given you fingerprints, I've given you pictures of my shoes, I've given you DNA swabs, I 've given you statements after statements after statements. I've come in – I've come in with you guys every single time you've asked me – no questions asked, no arguments. I've never his from you guys, I've never ran I mean I don't know what else I can do. I'm being completely honest – I have been all these years.

RG: Okay.

NO: I just I knew – I mean I want this to be over as much as you guys do. Believe me I do, I'm tired of having to look over my shoulder, I'm tired of...

RG: Why are you looking over your shoulder?

NO: Because I'm – I'm – I know you guys follow me I'm not dumb. I see you guys ever now and then I do, I we go long distance trips like when we go to get bud and stuff and the same vehicles follow us the whole entire way. I've – I've seen you guys I'm not dumb and I'm just I'm – I'm tired of it I just want it to be over.

RG: So you got your – you got the message from your mom...

NO: What message?

RG: Did you get the message when we went looking for you the other day?

NO: Yeah, I was at the hospital when my nephew was being born.

RG: Alright and if you wanna get done with it so fast I mean over with and forget about it...

NO: mmm hmm...

RG: Why is it that you didn't even bother contacting Agent Bobnock?

NO: I didn't know how to contact you guys.

RG: Yet he – your mom didn't give you the phone number?

NO: no she didn't give me any number.

RG: No, okay.

NO: and then like I said I'm I didn't run, I didn't try and hide from you guys, I – I knew you guys were coming to – to talk to me. I didn't try and hide, I didn't try and go stay anywhere , I went to my house and like you guys came to my house this morning you knocked, you asked for me. I told you I'd go put on some shoes and stuff and I came out with you guys no questions asked, no argument nothing. I didn't try and run, I came out with you guys.

RG: See and that's what I want I mean...

NO: yeah...

RG: that's what we want. We want you to just get it over with, done and forget about it.

NO: That's – that's what I want as well.

RG: Okay so you know for some reason like I said which I respect you know that's your decision not mine right. It's real easy for us to push the paper and show it to the DA and let them make the decision.

NO: Mmm hmm...

RG: That's real ease however; I think you know for your for your own...

NO: sake...

RG: sake and your for helping yourself you know all we want is the truth that's it, alright. Jose and like he said we're not gonna we're not gonna bullshit you, we're not here to do that...

NO: yeah...

RG: Alright. Jose told us something completely different than what you told us.

NO: Okay.

RG: Alright now that's one.

NO: Mmm hmm.

RG: Alright then we get another individual alright which also told us something completely different than what you told us alright so now we got two...

NO: 'kay...

RG: Alright, later we keep on talking and guess what, we find a third one alright. So we got three individuals saying something completely different than what you're saying. Alright now these three individuals that I just mentioned 'kay their statements match. So why is it that they're saying something different that you are and their statements are matching? Do you think that they're sitting down making sure that all their statements are gonna be matching?
NO: I doubt it but I don't know, it's a possibility you never know I mean...

RG: Do you think they might be doing something like that to hurt you?

NO: You – it's do you have any idea how much these people hate me?

RG: Why is that?

NO: Because I completely cut off everything between me and them, I screwed up things, they hate me.

RG: They hate your for...

NO: at one point they wanted to beat the crap out of me 'til I was almost dead?

RG: They did?

NO: Yeah they did...

RG: they did beat you up?

NO: No – no they wanted to.

RG: Okay, how do you know that?

NO: Because they've threatened me before.

RG: How?

NO: Uh Jose and all his... they – they have these two guys uh Joe... what's his name Joe I don't remember the other ones name but, those guys they – they completely hate me. They – they've told me that if I were to ever mess up with Amber or with their family or with anything that I'd pay for it. That I'd get my ass kicked, and I've seen them do it to other people before so I believe them.

RG: Okay and these are related to Jose?

NO: Uh I don't know if they're related to them but, they're – they're well involved with each other.

RG: So that's why you're kind of scared?

NO: Of course I mean I, I don't go near El Rancho or anything anymore and if I see Jose or I see any of those people at all I mind my business and I completely get away from them as fast as I can. I don't go near them at all. I don't go into contact or nothing.

RG: And that's just for your own safety?

NO: Yeah and plus for my families safety. These – these people go after I don't know if they would but I'm pretty sure that if they had to they would that they'd go after my family and I don't want my family mixed up in crap like that because of my past. My sis – my little sisters and all that they go their friends and all this and I don't want them seeing them one day and telling them that they're gonna find me or that they – they're giving them a message or something and they hit em or something like that. I don't want that to happen so I just avoid all con – all contact everything with them... In other words yeah, I hide from them.

RG: Okay.

NO: I'm terrified of these people, you have no idea. I've seen them do things that – that shouldn't be done.

RG: Beatings or anything like that.

NO: Beatings, I've seen them threaten people and I just I don't I don't wanna be a part of that I don't want that to happen to me. I don't want that to happen to my family.

RG: So do you think I should believe Jose's statement?

NO: Uhm it's that's up to you guys I – I... like you guys said you have three people that – that all their statements match so you have reason to believe them over me and I'm not – I'm not gonna argue with you guys or nothing I'm just telling you that what I'm telling you is what I remember.

RG: What...

KB: Some of these people that we talked to put themselves with you so they're not they're not trying to get you in trouble. They put themselves with you that night you know so we have reason to believe their statements.

NO: mmm hmm...

KB: cuz they put themselves getting in trouble...

NO: okay...

KB: we know what they did; they told us what they did you know. We're not her to judge but we wanna know what else you did that night. And these people come up and say I was here, I was with Nick. Somebody actually said that and I'll be honest with you, it's Jose.

NO: Okay.

KB: I'm not here to throw him under the bus I'm here to be straight up with you.

NO: Yeah.

KB: You deserve to know what's being said out there...

NO: yeah...

KB: I know you guys were together, very early into Sunday morning and you know and- and- and if you wanna deny it that's...

NO: I'm -- I'm not denying it...

KB: it's up to you...

NO: I'm not denying it at all. I'm – I'm giving you guys...

KB: So you're saying you were with him?

NO: No.

KB: You either were or you weren't.

NO: I wasn't.

KB: So if you say you're not and we know you were through the cell phone, through Jose's statement, through another person's statement that as there, then you're not telling the truth.

NO: I used to have him give me rides to Whitney's all the time that could of been another thing.

KB: No, he didn't drive.

NO: Yeah, he drove all the time.

KB: Not that night.

NO: Oh well I don't know.
KB: But I know you know who drove cuz we know who drove. We've talked to all these people Nick. We've done so much work it's been two years.

NO: Yeah.

KB: These people have finally decided to say you know what I don't wanna lie to you guys anymore this is what happened. This is what we did that night, this is where we went, this is what we were going there for and this is what happened after – after we went there. And I'll be honest with you where they went is down Coral Street, down by the Ortiz' house. So why are these people putting themselves at or around the Ortiz residence and saying they were with you? Why – why would they throw themselves under the bus?

NO: I don't know.

KB: That's what we're saying I mean these -- these people are being and I have so much respect for that. I have a lot of respect for these people telling us the truth. But when somebody and I'll be honest with you, your story doesn't make sense. Everything that happened that night doesn't make sense. Some of it's true you know you're being honest on some of it but, some of it you're not and that's what we're here to do is we're here trying to get the truth out of you.

NO: And I – I've been giving you the truth....

KB: Well you've been...

NO: all these years...

KB: You've given, you've given us the truth but you've also chose not to tell us some things and by doing that you're not telling us the truth.

NO: Well I don't' know... I don't know what to tell you.

KB: Cuz everybody knows that you remember more that night.

NO: I don't.

KB: Cuz this is -- this doesn't look good for you Nick I'm gonna be honest with you. With you telling us that you don't remember or you don't remember more but I tried to help you remember the best that I could. You know and if – if you don't wanna remember that's -- that's not something we can actually say that you were being truthful. You know we've done a lot of research on this investigation it's not something that we just picked up overnight and hey we're here to day and yesterday it happened...

NO: mmm hmm...

KB: and we don't have anything. We have tons of stuff, we don't – we're not following you around because we like to follow you.

NO: Yeah.

KB: You know we know what's up we know these text messages that were sent that night, we know about everything.

NO: Well with all – all due respect to you guys and all that I'd really like to just stop talking and go home now.

KB: Okay.

NO: I have given you everything you guys have asked for and I'm just done I'd like to go home.

KB: Well that's your choice unfortunately you didn't tell us the whole truth and that's – that's up to you whether or not you wanna talk to us.

NO: You guys have a card or anything I could call you?

KB: Yeah I gave your mom a card with my cell phone number on it too but I'll give you another one.

NO: Can you give me it cuz she's not gonna give it to me.

KB: Yeah, yeah I'll give you one it's not an issue.

RG: Before you leave too I want you to think about this real good alright. There's people out there that we know...

NO: mmm hmm...

RG: alright that know what happened that night.

NO: Okay.

RG: Alright. Those people are taking advantage of you; alright the way that they're taking advantage of you is that they're coming forward before you are...

NO: mmm hmm...

RG: alright they're telling us things before you're before you can tell us about those incidents or that incident alright. And this game here is gonna basically work like this; whoever comes first and just says straight up you know what I'm done, I wanna tell the truth that's the person that's gonna end up winning alright, not the other ones, the other ones are gonna be lost alright. Because this is just like a like a football game – Do you watch football?

NO: Mmm hardly...

RG: Hardly – baseball?

NO: I don't really watch any sports.

RG: No sports at all... alright that person whenever he gets to homerun...

KB: Alright Nick alright I'm gonna give you a card and that's it... if you wanna talk that's up to you uhm and I'll leave it at that okay?

NO: Okay.

KB: Fair enough?

NO: Fair enough.

KB: Okay I'm gonna write my cell phone number on here – you can get a hold of me.

NO: Alright and you'll be available anytime of the day?

KB: Absolutely. If you call me I'll answer.

NO: Thank you.

KB: Appreciate you coming in and we'll get you a ride back home. Fair enough?

NO: Fair enough.

KB: Alright. This concludes the interview at 1:31.

END OF INTERVIEW

KRAIG BOBNOCK: Alright okay today is Tuesday, July 9th, 2013, at 12:00 o'clock. I'm here with; what's your name sir?

NICOLAS ORTIZ: Nicolas Ortiz.

KB: Nicolas... you go by Nicolas or Nick what do you want me to call you?

NO: Nick.

KB: Nick oh okay. That's good cuz that's what I've been calling yah; and what's your date of birth; I know I've already been over all this stuff but just so I can get some of the formalities out of the way.

NO: It's uh 11-01-94.

KB: Just turned eighteen uh.

NO: Yeah.

KB: Do you know your social security number?

NO: I don't.

KB: No. And what's your current address?

NO: Uhm I think it's 30 Feather Catcher Road.

KB: Okay. Do you have a cell phone number?

NO: It's 913-0654.

KB: Okay, did you get a new one?

NO: Yeah.

KB: I know before it was some can't remember what it was it was like a 31 something...

NO: I don't know I've gone through so many cell phones.

KB: Have ya?

NO: Yeah.

KB: Lose them or what?
NO: Break em...

KB: (LAUGHS) alright man, just to let you know before we get things going here uh you know we obviously did bring you here and you are free to go whenever you want to. If you want to stop talking that's perfectly fine okay.

NO: Okay.

KB: Uhm and we'll give you a ride back up to your house; that's not an issue. So at any point during the interview you want to stop, leave, whatever it may be just let me know okay.

NO: Alright.

KB: Sound good?

NO: Sound good.

KB: Still wanna talk to me?

NO: Yeah.

KB: Alright, okay. So you just turned eighteen huh.

NO: Yes sir.

KB: Do anything good for your eighteenth birthday?

NO: Nothing- nothing special.

KB: No. 'kay when we met last time I think it was at Pojoaque PD...

NO: Yeah.

KB: I wanna say that's probly the only time that I ever met ya.

NO: Mmm hmm.

KB: So whatcha been up to since then?

NO: My what?

KB: Whatcha been up to since then?

NO: Nothing. I'm staying clean of the bud and all that, just hanging out with friends pretty much.

KB: Trying to keep your record clean huh?

NO: Yeah, I'm tired of being in trouble.

KB: I remember last time you uh you had a tattoo you were covering up, did you get that thing done- still halfway?

NO: Yeah, still halfway.

KB: I see you got some more ink though, where are you getting that stuff at?

NO: Uhm my friend Sam yeah.

KB: Good deal. What's that stand for anything or just looked cool?

NO: Yeah well I had found it on the internet and it was uh it had two roses right here and nothing back here but he changed it up for me so.

KB: That's cool, and did you have something on your other arm too?

NO: No, no just that.

KB: You got that South-Side halfway covered up though huh.

NO: Yeah. I gotta get if finished but it hurts.

KB: Does it?

NO: Yeah...

KB: So have you run into any of those guys since I talked to you last. Think- I think we had talked last- was it last May in Pojoaque so it's been a little bit over a year since I talked to ya.

NO: It's been a while.

KB: You been seeing any of those guys that...

NO: mm mmm...

KB: I know at some point you had...

NO: well uhm Eric and them I used to hang out with a little bit...

KB: Yeah Zubia or...

NO: Yeah.

KB: Or Aria...

NO: But not anymore.

KB: When was the last time you seen them?

NO: I'd say a good like five months.

KB: Okay. Who was all in that gang up there? I know there was you, cuz you got ranked in right?

NO: Yeah.

KB: Even though what was it thirteen seconds or something?

NO: It was me, Jose...

KB: Jose Roybal?

NO: Yeah.

KB: Okay.

NO: Jose Roybal, Eric and Mario that's all.

KB: And Eric and Mario were the brother's up there?

NO: Yeah.

KB: So there was just the four of you?

NO: Is there what?

KB: Just the four of you guys up there?

NO: Oh yeah just the four of us.

KB: When's it been- how long has it been since you seen the – the Zubia brothers?
NO: It's been a while, I'd say when my friend just had his baby so, I'd say like a good six months five – six months.

KB: So you've seen em since...

NO: Since – since that stuff happened.

KB: And when did you move to Feather Catcher let's...

NO: Mmm...

KB: See about that time...

NO: Honestly I don't remember.

KB: Cuz I know you guys had moved there around the time that we talked to you last May.

NO: Yeah we moved there like maybe a few months before you- you guys went and talked to us so we've lived there for a while.

KB: So you've seen the Zubia's since then?

NO: Yeah.

KB: And what about who's the other person Jose?

NO: Yeah.

KB: When's the last time you've seen him?

NO: Uhm I saw him at a gas station but I didn't talk to him.

KB: When was that?

NO: Like a month ago maybe around there.

KB: You guys don't get along anymore?

NO: No.

KB: Cuz I know there was some tension between the- getting ranked out and all that stuff last time we had talked to you I don't know if you got ranked out or not.

NO: No I didn't get ranked out but I just, I don't consider myself part of the gang anymore. I don't I don't like that life anymore it's not for me.

KB: Yeah, especially if you're trying to get a job.

NO: Yeah.

KB: Where have you been trying to get a job at?

NO: I've tried the sopapilla factory, the supermarket and the Buffalo Thunder.

KB: And nothing at all three huh? Do you know why?

NO: Uhm they say that just because uh I'm not fully Indian that I can't.

KB: Oh no kidding. So what purse are you... are you native at all?

NO: I'm half Mohawk from New York.

KB: And that's not enough for em huh?

NO: I guess not.

KB: They want more than half. And your dad he- he works over at Cities so he does he have to be native as well?

NO: He well he's been working at the Camel Rock since he was eighteen so he gets uh good recommendations from any casino.

KB: Oh so Camel Rock and Cities are they're kinda the same owned by the same company?

NO: Yeah.

KB: Okay.

NO: By the, by the pueblo.

KB: Okay.

NO: Yeah so.

KB: You should just get a job there; have your dad hook you up.

NO: I'd be nice...
KB: Make some money. Alright well Nick to be honest with you the reason that we're talking today is and you know I'm gonna be straight up with you. I was last time we talked in Pojoaque and that's – that's what I am. Uhm I'm gonna be straight up with you uhm, I respect you and I hope you give me the same so...

NO: yeah of course.

KB: So your name has come up quite a bit and we're -- we're talking in reference to the Ortiz Homicide which happened a little over two years ago in 2011. And I know we had talked to you a few times about it and the reason for calling you in today to come talk to us is to try and clarify

some of the things because I have bits and pieces, I didn't interview the- interview you the first time uhm and the last time was just to get a little bit of information from that we came across to see what you knew.

NO: Mmm hmm.

KB: You know so I'm hoping that you can run me by pretty much what happened and just in reading the reports, and like I said I haven't talked to you about it is, I know you were in their backyard of Lloyds and I don't know the time frame before it actually happened...

NO: Yeah...

KB: try to remember that whole instance if you can and give me as many details as you can, and I know you remember it because you talked to us about it...

NO: Yeah...

KB: you know so it's probly pretty fresh in your mind but I want you to be able to just try and give me as much detail as you can about what you can remember that day or that night or whatever you remember, you know what I mean...

NO: Okay, well I had been staying the a few nights house which lives just down the road uhm I don't know if you know her name Whitney...

KB: mmm hmm...

NO: but uhm her mom had came home so I couldn't be there so...

KB: So let's let me try and make sense of that a little bit. You said that you were staying there for a few days...

NO: Yeah...

KB: and her mom came home does- does she not stay there every night?
NO: Uhm well she (UNINTELLIGIBLE) at her boyfriends a few uh for a few nights.

KB: Okay.

NO: So I – she usually calls me so I could go spend some time with them.

KB: Whitney does...

NO: Yeah.

KB: Okay.

NO: And uh – uh her mom came home so they didn't want, she didn't want me to be caught there and I didn't wanna be either so...

KB: So you and her mom don't...

NO: We don't really get along.

KB: You don't get along, what happened what...

NO: Mmm at one point we had been getting along but young relationships, you break up every so often every now and then and with us it was quite a bit so uh she doesn't really like me for that reason...

KB: She didn't she didn't respect you pretty much?

NO: Not really.

KB: How'd that make you feel?

NO: Uhm I can understand I guess from her point of view, I can understand so I don't really blame her. But uh I had wrecked uh you guy's probly know this but I had wrecked a truck her boyfriend...

KB: mmm hmm...

NO: and since then she like completely hates me so I stay away from there as much as possible.

KB: So that was kind of the icing on the cake was wrecking the truck?

NO: Yeah.

KB: And that was before this time that you were actually staying at her house?
NO: Uh it was after...

KB: Truck or after?

NO: After.

KB: So you're staying at her house and you stay there for a few days...

NO: yeah...

KB: And then her mom came home from the boyfriends and how'd you know she was coming home?

NO: She called her; she told her that she was bringing dinner and stuff...

KB: Okay.

NO: So she told me that I had to leave.

KB: Who did Whitney or her mom?

NO: Yeah...

KB: What's her mom's name?

NO: Uhm Dianna I think her name is.

KB: Dianna what's her last name is it the same as Whitney's?

NO: Yeah Martinez.

KB: Dianna Martinez. Now where do they live at?

NO: Uhm they live just down the road from uh Robert and them.

KB: Okay. So driving past the dirt road that goes in front of Roberts like the main dirt road that goes through there and it kind of dead ends at the end and you have to turn around, does she live on that road?

NO: Yeah...

KB: Or do you have to turn again?

NO: No you just, you keep going uh when you- when you turn- take that right -- right where the bridge is...

KB: Yeah...

NO: you go straight down the road, you pass Roberts house...

KB: mmm hmm...

NO: pass like a couple more houses and off to the right is her house. There's a stop sign that's right next to it so...

KB: so she lives right there at the stop sign?

NO: Yeah.

KB: Is cuz there's a- there's a yard that's got a kind of a fenced in property I think it's on the left though, but you're talking on the other side on the right?

NO: Uhm yeah...

KB: Right next to the stop sign cuz this one's kind of further back.

NO: Uh uhh there's wooden posts with barbed wire going around it so...

KB: Okay...

NO: so that's where it's at.

KB: And that's where she lives at, does she live with her dad too?

NO: No, her dad passed away.

KB: So it's just her mom.

NO: Yeah her and her brother.

KB: Her, Whitney's brother?

NO: Yeah.

KB: How old is her brother?

NO: Mmm thirteen – fourteen I'm not too sure.
KB: And how old, how old is Whitney now?

NO: She's seventeen she's gonna be eighteen in October.

KB: And they're still there?

NO: Yeah.

KB: And you guys still together if you don't mind me asking – you are?

NO: Yeah.

KB: Okay. So to be honest how's it working out?

NO: The relationship?

KB: Mmm hmm with the mom and...

NO: Oh the mom she doesn't know, we're gonna tell her when she turns eighteen that way she doesn't try and make us stop seeing each other...

KB: Trying to keep it quiet.

NO: Yeah.

KB: So how do you guys see each other?

NO: Uhm we don't really. We I mean we meet at the Wellness Center every now and then so we go swimming and stuff but that's pretty much it.

KB: So you guys are just hanging out 'til she's eighteen?

NO: Yeah.

KB: Okay I get that. So you guys she calls uhm Whitney says hey I'm bringing home dinner, does she know that you're there, her mom?

NO: Her mom?

KB: yeah...

NO: No.

KB: No then what?
NO: And then well I left and I was walking uhm up towards my – Eric's house...

KB: Eric?

NO: Zubia...

KB: You were walking towards Eric's house?

NO: Yeah.

KB: Okay you were...

NO: well I was going to his house...

KB: oh you were going there, okay.

NO: Yeah, I was going to his house and I heard music coming from Robert's house. And uh I don't know if you guys know but, Steven used to have this uh this room just with drums and a big old sound system and all that. So I thought it was coming from his room; so I went back there, hopped the fence and uh well they came outside and I got scared so I hid and I guess they found me, that's pretty much it.

KB: So when you went over, were you walking down the main road?

NO: Yeah...

KB: that goes in back...

NO: Yeah.

KB: And then you thought you heard it, heard something come from Robert's room?

NO: Well I'm pretty sure it was coming from his house but I guess I was mistaken.

KB: Okay so as you walked closer to Roberts, how did you walk? Did you walk like through their yard, cuz there's a road that goes passed their house and goes all the way to the end...?

NO: Yeah, that's where I was walking.

KB: There's a guy that lives down there, so you walked down that main road?

NO: Yeah.

KB: (CLEARS THROAT) and then at what point did you turn towards Steven's drum room? I mean did you I guess I just don't know how you walked there is what I'm trying to figure out.

NO: Uhm well you know the - you know how you're going up the – up the road like if you're leaving El Rancho or leaving that main road and you know how you turn left to go into the property?

KB: Mmm hmm...

NO: and then there's that road that goes all the way down...

KB: Right...

NO: Well I was going all the way down that road and uhm well I didn't think they were home (UNINTELLIGIBLE) Steven's mom and dad...

KB: Mmm hmm...

NO: I didn't think they were home so I went all the way around the fence, hopped the fence...

KB: (CLEARING THROAT)

NO: where the drum room is and that's when they came out and found me.

KB: So when you – you said you walked all the way around the house did you walk past the house?

NO: Yeah.

KB: Like passed the camper, passed the garage- passed everything?

NO: Yeah and then I just went around.

KB: And then went around the back side?

NO: Yeah.

KB: So you never went – do you remember was that – cuz Lloyd had a gate there, he had a - I don't know if it green or whatever it was...

NO: yeah it was green gate...

KB: it was a (UNINTELLIGIBLE) was that thing closed?

NO: Yeah, it was closed.

KB: And then you didn't jump over that you went around?

NO: Yeah.

KB: So you get around the back side of the property and then which part of the fence did you go over cuz that thing, that place was like a compound there was fences everywhere which- which part of the fence did you go across?

NO: Well there's this uh there's a big wooden pen uh fence with posts all around it like half-half uh I guess you could say trees...

KB: Okay let me- let me draw a little map of the Ortiz property and just kinda show me where you - how you got over the fence; cuz their yard is pretty much like this, there's some garages and stuff over here and there's a bunch of sheds right here right?

NO: Mmm hmm...

KB: you know what I'm talking. This is that main road that you walked through...

NO: yeah...

KB: and then there's a kind of a fence right here. This is that green fence that I was telling you about – that gate. And then Steven's drum room is right here right?

NO: Yeah. The fe- the fence that I jumped is right next to the drum room, right next to it.

KB: Okay so there- there's fence literally that goes around the whole property, is that...

NO: yeah...

KB: my understanding...

NO: mmm hmm.

KB: So this is the fence here, what part of the fence did you go over?

NO: Like right here I'd say.

KB: So I'm gonna put an X where ever you jumped wherever you went over.

NO: Right- right next to (UNINTELLIGIBLE)

KB: And how did you get over the fence cuz there's nothing on the other side of that right or was there?

NO: Mmm not really...

KB: There's the cinderblocks and did you step on anything?

NO: There's just they have like a patio kind of over there.

KB: A patio back here?

NO: Yeah where the drum room is so- cuz they grew uhm they grew flowers and stuff I guess.

KB: So where's- what I'm saying is, you walked around like this right?

NO: Yeah I walked around...

KB: came around the back side...

NO: the whole property...

KB: and then you- you went up and over here.

NO: Hmm...

KB: What I'm asking is how did you get up on the fence?

NO: Just climbed it.

KB: Did you step on anything?

NO: No, I'm- I'm really good at climbing so I just grabbed on- jumped up- just hopped over.

KB: Mmm kay. So you didn't step on anything, you didn't do anything, did you break anything I man?

NO: I don't think so, not that I remember, I might of but not that I remember.

KB: Mmm 'kay and that you landed right here, right in front of the X obviously. Did you land on that patio you said?

NO: Yeah pretty much.

KB: And then I think, I can't remember exactly how Lloyd's um there's like a, well the house is here and there's like a porch, then there's a there's like a was there a gate right here but like a fence, cuz when I was there was like a little short fence that goes through the property right here.

NO: Yeah, yeah as a matter of fact there is.

KB: Do you remember were you on this side of the fence or that side?

NO: I was uh I was on this side like uhm there's a fence that goes that cut's the drum room and all of that off, cuz they had dogs...

KB: right...

NO: so they uh it cuts off that whole little part from the patio and all that- I mean from the from the porch and the (UNINTELLIGIBLE)

KB: So you were on this side, you had to go over that fence?

NO: No I didn't- I didn't have to go over the fence.

KB: You didn't? So you're back here and then at one point you said Lloyd...

NO: uhm well I heard them coming so I hid behind the one of the things where they grew the flowers and all that, I hid behind it; I was crouched out kind of like...

KB: like a flow- was it a pot or what was it?

NO: Uhm...not really I'd say it was like uh like from here probly a little bit more like there was like this all the way around.

KB: Okay was it this tall?

NO: No, it came off about this much to the ground and then they were growing, they had like three or four of them I think and they were growing flowers in em and I just hid behind one of em.

KB: Okay, what time was this at?

NO: Uhm it was already getting dark so I'd say around maybe six or seven, pretty late in the day.

KB: Do you remember what- do you remember what day it was?

NO: I don't.

KB: Time frame?

NO: I don't remember.

KB: Cuz we were called up to the house uhm June 19th, Sunday, Father's Day and obviously we know it was before that...

NO: mmm hmm...

KB: how long before that, do you remember?

NO: I'd say like a month.

KB: About a month.

NO: Yeah.

KB: (CLEARING THROAT) mmm 'kay. And see you're here and you hear who coming out of the house or on the side where?

NO: Well I, I just heard the sliding door open and I panicked.

KB: To this house?

NO: Yeah.

KB: Sliding door, okay. So you hear a sliding door open, you panic and then you hide behind one of the flower...

NO: one of the...

KB: flower boxes I guess we'll call it...

NO: Yeah.

KB: So you hide behind one of the flower boxes and then dose anybody come out of the house?

NO: Yeah, I heard Robert and his Grandpa come out of the house.

KB: Okay so Robert... who came out first?

NO: Uhm I don't- I didn't see, all I know is I popped up from behind the thing and they were both there.

KB: So you're hiding here and you hear em come out and then at what point do you side- decide you say you scared em?

NO: Yeah.

KB: What point did you decide to do that?

NO: Uhm well they were coming my- my way anyway and they were gonna find me so I just came out.

KB: Did you give it up?

NO: Yeah.

KB: So then what'd you do?

NO: Nothing they well they had their suspicions on what I was doing back there and I told then I thought I heard Steven's music and I was coming to hang out with him cuz I do that every now and then- well used to and they just yelled at me for a little bit and then everything cooled down, we went inside, we smoked some- some weed and then we went back to Robert's house.

KB: So what were they doing out there?

NO: Robert and them?

KB: Yeah I mean did they hear you or?

NO: Uhm yeah...

KB: why'd they come out?

NO: cuz their dog started barking a lot. They have like three- two or three dogs so they started barking as soon as I well jumped the- jumped the fence.

KB: Okay. Did you have anything with you?

NO: Just my phone I'd say.

KB: I mean you stayed at Whitney's for three- three days at that time, what did you have with you, what did you carry with you?
NO: Nothing just my phone.

KB: Okay so did you leave the stuff at her house that you packed or, I assume you brought stuff with you.

NO: I didn't pack anything.

KB: So you didn't have anything with you?

NO: No.

KB: Mmm kay. At any point going around this house did you try and look over the fence, look through the fence, try and verify the scene was in there, check if lights were on or anything?

NO: Mmm mm I mean I could still hear the music and I was- I was almost certain it was coming from his thing cuz I could still hear it pretty strong.

KB: So you didn't have to stand or anything to look over to verify, I mean stand on this gate over here...

NO: mmm mm...

KB: Nothing, okay. Alright so they catch you uhm you know you see them coming your direction, you give it up...

NO: yeah...

KB: And then they holler at you and then who did Lloyd or Robert or both?

NO: Lloyd- Lloyd.

KB: What did Robert say?

NO: Robert really didn't say anything he was already all high at the time so I don't think he...

KB: was he?

NO: Yeah.

KB: So then who invited you inside?

NO: Uh Lloyd.

KB: Lloyd.
NO: I just told him, I told him the truth that I thought I heard Steven's music playing and I was just coming to hang out with him and he kept asking what I was doing and that was my same answer every time. Then we went back inside and smoked a little bit and then me and Robert left to his house, that's pretty much it.

KB: Fair enough, did you guys do anything else at...

NO: Robert's?

KB: Lloyds yeah?

NO: Oh at Lloyds...

KB: Lloyds...

NO: Mm mmm...

KB: Where'd you guys smoke at?

NO: In the living room.

KB: On the couch?

NO: Yeah.

KB: Yeah- yeah. (CLEARS THROAT) alright and then Robert says hey let's go over to my house. What'd you guys do over there?

NO: Uh well we talked a little bit cuz I had just got ranked in around that same time...

KB: Mm 'kay...

NO: So we were talking about that and he was telling me how stupid it was and I was telling him no that they're my brothers and always have my back and stuff like that, just having our own little conversation...

KB: oh yeah...

NO: And then Robert's mom had made us dinner...

KB: okay...

NO: and we ate a little bit and I remember I was talking a little bit crap about uh you know Cata?
KB: Mmm hmm...

NO: Her boyfriend and he was in that same room and uh I guess I didn't- I didn't know he was in there so I was talking pretty loud and uh he came out and I guess I got a little scared so.

KB: And then you took off or where'd you go after that?

NO: Uhm we had finished dinner and all that and I talked to Robert a little bit more and then I went home.

KB: Remember what you ate?

NO: Uhm hot wings or something like that, bratwurst or hot wings. I'm not too sure exactly.

KB: Okay, have you been- have you been back to either of the houses since?

NO: No, they- they don't like me at all.

KB: Who doesn't?

NO: None of em.

KB: Like Lloyd and Dixie and Steven didn't like you?

NO: They had sent me a- Cata had sent me a couple texts after that day saying that she can't believe what I did and that they treated me like I was family and all that and I just, I didn't go back or talk to them ever since.

KB: So why'd they send you those texts and what...

NO: just...

KB: What didn't they like about you?

NO: They I guess they thought I was trying to steal from them cuz they- they grew pot plants in the back...

KB: Who did?

NO: Uh Lloyd and Dixie, they had a- they had a license to and uh I guess they thought I was trying to steal from em or something.

KB: Lloyd and Dixie uh did Lloyd ever disrespect you?

NO: No, not really.

KB: How 'bout Steven or Dixie?

NO: Mmm well Steven had his anger problems every now and then. I'd play jokes and he'd over-react but that's not his fault and Dixie no she was always nice to me, she was sweet.

KB: So that night that they caught you in the backyard Lloyd didn't disrespect you?

NO: Uh no he yelled at me for being back there and I don't blame him I mean it's his property and I had no business back there but, that's pretty much it.

KB: So you didn't have any...

NO: hard feelings...

KB: hard feelings after that?

NO: No, I could understand I mean if I found somebody in my backyard without my permission...

KB: oh yeah...

NO: (UNINTELLIGIBLE) I'd of done the same thing he did.

KB: So what about Cherie and Jessie why- why wouldn't they like you? Where did that- where did that come from that you were trying to steal I guess- I guess is my question?

NO: Uhm honestly I don't know I man I never stole from them I mean I'd take buds every now and then; just little buds that I'd take home and smoke for myself but, I never stole anything major from them like money or anything.

KB: From who did you take that stuff from?

NO: The weed?

KB: Mmm hmm.

NO: Uh from all of em actually.

KB: From Lloyd, Dixie, Steven uh Cherie, Jessie, Cata, Robert...

NO: yeah cuz they all- they all had weed, they grew it, all of them grew it so I'd just take a little, a little bit of bud every now and then not, not a lot but just like maybe a dub a gram...
KB: Mmm hmm... So that- they- when did they catch on to that I mean did they catch on?

NO: No, they never caught on.

KB: But they thought you were? Did they ever ask you about it?

NO: No, never.

KB: So how were you guys under the understanding that you were- that they didn't like you? Cuz it- it seems to me like cuz I remember you used to... Who'd you live with; you lived with Jessie and Cherie?

NO: Yeah I lived with them.

KB: At one point for a little while...

NO: a while yeah.

KB: You know it seems like you guys had a pretty good relationship uhm...

NO: We did.

KB: I remember reading that you know everybody would give you kinda money to go whatever you needed to do...

NO: mmm hmm... they helped me out.

KB: What was the turning point where...

NO: where everything went bad?

KB: Yeah, I mean what just what happened?

NO: When they caught me back there I guess I don't know they must have had a talk or something- Lloyd and Dixie had a talk with uh Cherie and Jessie and I guess it just escalated from there and they didn't want me there anymore.

KB: But you actually don't know the reason?

NO: Mm mmm I mean I'm almost certain that it's cuz I was back there without their permission and all that but...

KB: Yeah and I get that but...

NO: Yeah but other than that I have no idea.

KB: Okay. Just seemed kind of strange you know...

NO: yeah...

KB: that they wouldn't - that you guys are just understanding but, nobody actually said don't come back here. Cuz it seemed like afterwards...

NO: Well they did, they told me not to go back after that in one of those texts that Cata had sent me...

KB: mmm hmm...

NO: it said don't come back ever again, we don't want you here, we don't trust you.

KB: So did Robert tell Cherie and Jessie that they caught you guys back there, they caught you back there?

NO: Yeah I'm pretty sure they did.

KB: Okay...

NO: or he did.

KB: And then they just kind of lost respect for you?

NO: Yeah, I don't blame em really.

KB: Have you seen em since?

NO: I see em here and there like at the supermarket and all that, it's a small town so it's...

KB: oh yeah...

NO: you run into each other but I never talk to em or anything.

KB: What's that like? Do they look at you? Do they...

NO: yeah, they look at me and they whisper to each other and talk crap but I just ignore it.

KB: So what do you think of that? Do you agree with that I mean this town's so small you should be able to forget it, right?

NO: Mmm yeah uh I guess I don't know. I mean I really I don't blame em for uh for having their secrets and their hate towards me and all that so I just ignore it, brush it off my shoulders. And there's nothing I can- there's nothing I can do about it. If I go and try to talk to them their just gonna ignore me or who knows what so I don't even try.

KB: Mmm 'kay so now you can see why your name keeps coming...

NO: Yeah, I understand why my name keeps coming up, I really do but there's nothing I can tell you guys that I haven't before really.

KB: Mmm 'kay. So well actually you can cuz I didn't really talk to you on a lot of it so that's why I'm asking you some of the same stuff over and over is because uhm...

NO: just to clarify?

KB: Yeah and as you know I, I became the case agent on this case. The other uh agent that was here went to a different position with the, with the state so I took it over and I just wanted to do some of my own interviews.

NO: Oh okay.

KB: And you know catch up on some stuff with you. Uhm one of the other things I want you to run through is do you remember what you were doing uhm obviously you remember finding out about what happened to Lloyd, Dixie and Steven. Do you remember what you did the day before and the day of up until you found out? I mean what- what was your- what was your day like then?

NO: Uhm...

KB: I know it's a couple years ago and stuff but...

NO: The- the day it happened or the day before?

KB: Uhm well you tell me, whatever you know, whatever you can remember.

NO: Well the day before me and uh I wasn't really enemies with Jose and them so...

KB: You weren't enemies?

NO: no...

KB: and you are now?

NO: Yeah, we are now.
KB: You consider yourself enemies?

NO: Oh I know we're enemies.

KB: Yeah.

NO: Yeah.

KB: 'kay.

NO: But the- the day before it happened me and him were- just been hanging out just uh normal stuff- drinking a little bit, getting high- just stuff like that, hanging out at his house and the day after I- I'm pretty sure it was Father's Day, I'm not too sure exactly but uh we had a me and my family went up to my grandparents and we had a barbecue and just all that for my grandpa and my dad and my uncle and the day after went home from the barbecue and all that I got a- a ride to Whitney's and I spent the rest of the day over there.

KB: Okay. Where'd you get a ride from and to Whitney's?

NO: Uhm honestly I don't really remember. I think I had my parents drop me off in El Rancho and then I uh there's a shortcut you can take through the river that leads exactly to her house.

KB: mm 'kay...

NO: So I walked through there.

KB: So you walked from where to Whitney's?

NO: Uhm you know where uh Homerun Pizza is? It's right by the Cities of Gold by the Middle School?

KP: Okay...

NO: Right there, I walked along the- the back roads until I found that shortcut in the river and then I just walked through third.

KB: So you said your - your parents gave you a ride to El Rancho or from El Rancho?

NO: No - to...

KB: And then you walked from there to Whitney's?

NO: Yeah.

KB: Where does this Homerun Pizza come in?

NO: Uhm it's like right at the beginning of uh...

KB: No but I mean you walked from there to where your parents picked you up?

NO: No uhm I had em I had em drop me off at Homerun Pizza because that's like the very first part of El Rancho.

KB: Okay.

NO: And then...

KB: gotcha...

NO: from there I walked on the back roads all the way to the river and then I walked to her house.

KB: Okay so your parents actually brought you, okay I get that yeah. Uhm you said you- you hung out with Jose the day before...

NO: Cuz I remember uhm that uh I was hanging out with him and he was taking me home...

KB: mmm hmm...

NO: and on the highway we just seen like I can't even tell you how many cops passing by and I ambulances just driving to...

KB: when was that?

NO: Uhm like uh the day or what do you mean exactly?

KB: Well yeah when did you see the light- the cops and ambulance and stuff?

NO: Uhm I'm not too sure exactly what day but it was, it was getting pretty late it was like 9:00 nine or ten.

KB: But I mean is that the day that you were hanging out with Jose?

NO: Oh yeah, yeah it was the day I was hanging out with him.

KB: So the day you hung out with him I'm assuming is the day before so it'd be Saturday cuz Sunday was Father's Day uhm when did you go to the barbecue was that for father- on Father's Day...?
NO: Yeah, it was Father's Day...

KB: or the day before? So Father's Day you were, where did you... you said your grandma- grandparents?

NO: Yeah my grandparents...

KB: Where does your grandparents live at?

NO: In Santa Fe. You know where Wal-Mart is on Cerrillos Road?

KB: Yeah.

NO: Right there's like a there's a little neighborhood right across from Wal-Mart...

KB: Uh huh...

NO: And it's down there.

KB: Okay. So you were there uhm Sunday?

NO: Yeah.

KB: Do you remember, did you guys wake up and go right away?

NO: Yeah.

KB: 'kay...

NO: Cuz we had made plans like a couple days before cuz we knew Father's Day was coming up.

KB: Okay.

NO: So we all made plans to have a barbecue and stuff.

KB: So Sunday you guys get up uhm and you're living in- you're living behind- where were you living at that time?

NO: Uhm I don't remember exactly we were either living at uh you know where we used to live by the Car Wash?

KB: In Pojoaque?

NO: Yeah.

KB: Uh huh (UNINTELLIGIBLE) was 502?

NO: Huh?

KB: Was it 502 that road?

NO: Uhm I- I really don't know the road.

KB: Okay.

NO: I'm not too sure but it was...

KB: That's the one to Los Alamos right that road?

NO: Yeah- yeah that.

KB: Okay.

NO: It was either there or it was uhm mmm I'm not too sure. It was either there or let's see; where did we live before? Oh yeah uhm where I live now in Cuyamungue there's this house uh...

KB: Where we- where we picked you from up today?

NO: Not there, there's this house, you go uhm oh yeah around that neighborhood.

KB: Yeah.

NO: You cross the bridge and you- you turn slightly to the right and there's this little road that leads up to a house.

KB: Okay so you lived back there.

NO: We did yeah.

KB: Around the same time?

NO: Yeah.

KB: Okay so you were at the Car Wash first- behind the Car Wash excuse me, and then you went to the house you just explained and then you went to where you're at now?

NO: Yeah.

KB: So is that the order of em?

NO: Yeah.

KB: Okay. Uhm the day- the day of I- I get where you were you know you were at the barbecue and stuff. Now the day before that's when you were with Jose?

NO: Mmm hmm.

KB: When try and remember the time frames that you were with him.

NO: Mmm...

KB: Kind of that sort of thing.

NO: I know I was there pretty early cuz I had I went over to his house and I'd woken him up but, I don't remember the exact time but I remember it was around nine or ten cuz it was already pretty late...

KB: in the morning or at night?

NO: no at night. It was uh it was around nine or ten that night.

KB: Okay.

NO: And uh cuz I remember it was pretty dark and you could see the sirens from way down the highway.

KB: What- what were the lights and sirens going to do you know?

NO: (UNINTELLIGIBLE)

KB: You saw em?

NO: Yeah, they were coming up the highway.

KB: So let me just kind of skip around a little bit. The day that you went to the barbecue, when you came home did you do anything after that?

NO: Uhm I got I freshened up a little bit, changed my clothes and just went to Whitney's house.

KB: Okay. So now you didn't hang out with Jose...
NO: that day?

KB: On Sunday at all?

NO: No - not at all.

KB: Okay. Saturday you guys did?

NO: Yeah.

KB: What did you do in the morning?

NO: Nnn... on Saturday?

KB: Well you said you went to Jose's what at 9:00 10:00 o'clock at night?

NO: No, I came home around that time; he was giving me a ride home then.

KB: Okay, I'm kinda confused now. So Saturday...

NO: Saturday...

KB: Where were you guys at that during- during the day? You were- you were hanging out with him during the day?

NO: Yeah, I was hanging out with him pretty- pretty early cuz ...

KB: Like what's early?

NO: Mmm I'd say like 10:00 – 11:00 in the morning.

KB: So Saturday at 10:00 – 11:00 in the morning until?

NO: Until 9:00 or 10:00 that night.

KB: You were with him the full twelve hours

NO: Yeah, all day.

KB: Okay, at that point uhm and I know everybody's got phones and stuff like that; did you call each other or text him or anything during that time?

NO: During that whole day?

KB: Well yeah, when you guys were together.

NO: Mmm no I just showed up over there.

KB: Okay showed up over where, at his house?

NO: At his house yeah.

KB: At- in the morning you said?

NO: Mmm hmm.

KB: Okay so from ten to ten you were with Jose and then what'd you do after that, after 10:00 p.m.?

NO: I just went home and watched a few movies and I know I had to wake up early for the for the barbecue so I just (UNINTELLIGIBLE)

KB: Mmm kay and what's what time was the barbecue at?

NO: Mmm I really don't remember. I'm guessing around 1:00.

KB: So what time do you have to wake up at?

NO: Like 10:00 o'clock.

KB: That's early?

NO: Well in my house it is.

KB: (LAUGHS) so 10:00 p.m. you leave Jose's?

NO: Yeah.

KB: How'd you leave Jose's did someone bring you somewhere, did you walk?

NO: Yeah well he owned a purple Honda so he gave me a ride.

KB: So Jose drove you to where?

NO: To my house.

KB: 'kay. Do you remember looking at a clock or anything when you got home? Was anybody home?
NO: Yeah, everybody was home.

KB: Everybody?

NO: My mom, my dad and my three sisters.

KB: 'kay. So you're home from 10:00 p.m. until what time you'd say you left (CLEARS THROAT?)

NO: Until the next day around uh 10:00 in the morning.

KB: Mm 'kay (CLEARS THROAT) so you didn't do anything with Jose that night?

NO: Mmm mm not really.

KB: What do you mean not really? Cuz I know you guys were together that night.

NO: Yeah we were together that night but we had just been...

KB: After 10:00 p.m. you guys were together.

NO: Oh no...

KB: Cuz I'll be honest with you dude we've already talked to Jose.

NO: Mmm hmm.

KB: I know what you guys did that night, I know what you guys did when you left Jose's house so in talking with you man I want honesty.

NO: Yeah I'm- I'm being completely...

KB: I wanna be able to- to have somebody look at your statements – say oh this guys' not full of crap...

NO: mmm hmm...

KB: Verses well he's not telling the truth on that, he's not the truth on anything why are we gonna believe this kid.

NO: Yeah.

KB: You know and that's what I'm trying to do for you is clear your name up to what you did cuz I know, I have other statements about different things that you guys did that night, and I have people that saw it, uhm I have phone records that prove that you were at a certain place after 10:00 p.m. and it wasn't home so I'm gonna give you the respect...

NO: yeah...

KB: right now to go through and back up and tell me your entire day and don't want anything left out.

NO: Oh I understand that but honestly what I'm telling you is what I remember. I don't it was so long ago I don't remember (UNINTELLIGIBLE)...

KB: well you're remembering 10:00 p.m. you're remembering 10:00 a.m. uh you're remembering that you didn't use your phone during that time frame. We have a lot of stuff on this case you know. We've been looking into tons of records, tons of documents, I've talked to Jose recently and – I know what went on you know. Uhm and I know what you guys were together after 10:00 p.m., I know he didn't drive you home at that time and if he did, you guys left again later. You know, I know you guys were together after that and I don't want any BS from you man it's...

NO: yeah, I understand...

KB: and I didn't bring... I didn't bring you from Pojoaque for you to come here and lie to me.

NO: yeah...

KB: I did it so you could tell the truth.

NO: Yeah, I understand.

KB: You know I, I have so much respect for someone that comes in here and tells me you know this is the truth what I did that day I don't care how much trouble I'm in, I don't care anything like that, I wanna let you know what I did that's honesty. That's what I value.

NO: Okay.

KB: I look at that person and I give them the utmost respect and whatever comes out of that situation I can look and say look, this guy was totally honest with me. He didn't BS me but, I have evidence that shows that you're lying to me.

NO: Well...

KB: and I don't want that...

NO: yeah...
KB: I don't what that dude you don't- you don't need that- I don't need...

NO: (UNINTELLIGIBLE)

KB: to call you a liar. I can get anybody else to look at this and say you know - Nick's a liar...

NO: yeah...

KB: you know I don't need that and don't need that.

NO: Yeah.

KB: I don't care if whatever- whatever you did if it's illegal, whatever it may be but, you're statement and the other people's statement that we've talked to- they need to match.

NO: Okay well...

KB: and they- right now I'm gonna give you the opportunity to go back and tell me everything, cuz I know you remember a lot more from that night.

NO: Honestly what I'm- what I'm telling you is what I remember. I don't I don't remember doing anything after that. I mean I don't even know if it was that time certainly all I know is that it was because it was already dark, pretty dark.

KB: Okay.

NO: By the time I got home everybody was already pretty much passed out. So I don't - what I'm telling you is what I remember. I'm not- I'm not saying what he was telling you is a lie, I'm not saying that at all.

KB: Well I believe what he said. I believe a hundred ten- 110 percent what he says, I don't believe you that's the problem.

NO: Okay, yeah.

KB: Uhm it's not that I don't respect what you're saying to me it I just- I just want the truth.

NO: Yeah well what I'm telling you is it may not be the truth but...

KB: Well its part of what you guys probly did, you hung out I know that...

NO: yeah we hung out. We'd been, we were drinking a little bit that day, we were smoking doing just the normal crap but, anything after what I told you I really don't remember. It was already so long ago that I don't remember what we were doing.
KB: Well people have been able to recall exactly what you guys did that night. So I know you have a pretty- pretty good understanding of what happened. Uhm and Like I said this is- this is just your opportunity to- to tell it to me. I know you guys did some- some stuff after that you know and...

NO: Uhm could you maybe- I know you guys aren't supposed to do this but could you maybe give me an idea or something, maybe I can clarify- I don't know. Cuz really what I'm telling you I don't remember.

KB: There's- there's -- there's some phone calls that were placed in the area. Uhm we did some tower research and it shows active numbers that are in the community at that time actively talking on the phone, actively texting...

NO: mmm hmm...

KB: back and forth and it shows all these uhm numbers and it'll even give us a area here that phone is being used at.

NO: Where it was placed?

KB: Right.

NO: Mm 'kay.

KB: So that's- that's what I'm asking you to clarify is why you were talking to a certain individuals that night and by certain individuals I'll tell you who they are...

NO: okay...

KB: Uhm your phone was very active after 10:00 p.m.

NO: yeah...

KB: not by your house. Uhm Jose's phone was very active around their house.

NO: Around that time?

KB: And there's- there's one other phone (UNINTELLIGIBLE) uhm you know what dude I'm gonna -- I'm gonna let you think about this for a minute and I'm gonna take a break and hopefully you'll be able to remember some stuff.

NO: Uhm well to be honest with you man there's I don't remember anything else after that night.

KB: Okay. Alright well I'm gonna take a break and we'll see uhm we'll come back and go through your day and see if you can remember anything else alright.

NO: Okay.

KB: Fair enough?

NO: Yeah.

KB: Do you want any water or anything man?

NO: Uhm sure.

KB: Alright.

NO: Thanks...

KB: Yeah...

RAFAEL GOMEZ: You need to use the restroom?

NO: Uh no, I'm good.

RG: Alright be right back okay.

NO: Alright.

RG: Just think about the day.

NO: Okay.

RG: Try to...

NO: remember...

RG: puzzle everything together.

NO: okay...

RG: alrighty, work hard on it dude.

NO: I will.

RG: Alright.
NO: (COUGHS)

RG: You need to use the restroom man?

NO: No, I'm good.

RG: Alright.

NO: Thank you though.

(BREAK)

KB: Alright... you doing okay man?

NO: Yeah...

KB: Alright....

NO: I uh I think I remember what you're talking about.

KB: Okay.

NO: Does it uh around that time does it involve uh Terese... uh not Teresa Steven's house?

KB: You tell me.

NO: I'm gonna be honest with you and this is... this is really the only thing I can remember.

KB: Okay.

NO: Uhm if it- if I don't know exactly if it was that day, it was around that time though.

KB: mm 'kay...

NO: But uhm we had uh broken into their house...

KB: mmm hmm...

NO: Is that it?

KB: well...

NO: we had uh...

KB: what else?

NO: broken into their house and uh took uh stole a gun.

KB: Okay.

NO: And that's really- honestly that's the only thing I can remember that- that might have happened around there that time. Anything else...

KB: So is that the gun that... who- who took the gun after that- let me ask you that?

NO: Who kept the gun after...

KB: yeah...

NO: after we took it, he did.

KB: Okay. And you guys sell it- did he sell it, what happened to the gun?

NO: Mmm we had it for a little while cuz I remember like a couple months or not a couple of months a couple days after that we had a little party at his house- him and his grandparents' house and uh this guy Lenny had stolen money from Ashley and he wanted to take it and go over to Lenny's house and get the money back.

KB: So he was gonna us the gun against Lenny?

NO: Yeah.

KB: Okay.

NO: And then after that I don't know what happened to the gun. I never took it home but...

KB: What kind of gun was it?

NO: It was a 22 a rifle.

KB: 22 rifle okay. Anybody ever talk to you about that?

NO: Mm mmm

KB: No. How'd you guys get into uhm you said this was at Steven's house right?

NO: Yeah.

KB: How'd you guys get into the house?

NO: There was a bathroom window that was open, climbed in through there.

KB: You went in. What time was that at? Dark-light?

NO: Yeah it was...

KB: daytime...

NO: it was... no it was late- everybody was passed out that night.

KB: Was anybody there?

NO: Yeah, they were there.

KB: Yeah, they were- the Ortiz' were there?

NO: Mmm hmm.

KB: So how'd you guys get away with the gun?

NO: Very-very-very quiet and careful.

KB: So you walked into the house, who went into the house first of all?

NO: Me.

KB: Just you?

NO: Mmm hmm.

KB: Okay. So you got into the house uh through the bathroom window...

NO: mmm hmm...

KB: which was open?

NO: Yeah- it was- it was open about that much and I just slid it open and popped out the screen.

KB: Okay and then you went in the house by yourself uhm to get the gun...

NO: mmm hmm...
KB: Who woke up?

NO: No one- I don't think- I think if anyone would of woken up they would of caught me.

KB: So where was the gun at?

NO: In Steven's room in a gun safe.

KB: 'kay. Do you remember time frame- was everybody sleeping?

NO: Yeah, everybody's asleep.

KB: What's their usual pattern, what do you know about their when they go to sleep?

NO: Uhm I know Steven goes to sleep pretty early. He goes to sleep when it's still a little bit light out but Cherie- I mean uh Lloyd and Dixie they stay up for- for a good while.

KB: Okay. So how did you know the gun was in there?

NO: I had, I had been in Steven's room so many times before I just I knew it was there.

KB: Okay. So let's how did you guys get there. Let's just talk about- let's just talk about the whole scenario. How'd you guys get to the house?

NO: Uhm someone drove us there, I don't remember exactly, I think it was in a truck cuz I remember riding in the back of the truck after we had left.

KB: From who's house?

NO: From Lloyd and Dixie's.

KB: No I mean before that, how'd you guys get to Lloyd and Dixie's?

NO: We- we came from Jose's house if I don't recall- if I recall.

KB: Okay. (CLEARS THROAT) and how'd you get to Lloyd and Dixie's?

NO: Uh they dropped me off at the- they didn't drive into the yard at all- they dropped me off at the entrance where you turn into Robert's house.

KB: Who's they?

NO: Uh Jose and uh Brianna.

KB: Brianna?

NO: Roybal, his cousin.

KB: Okay.

NO: And I just I walked to their house from there and hopped over the green gate, hopped over the- the next wooden (UNINTELLIGIBLE) fence right there.

KB: So okay so you hopped over the green gate...

NO: mmm hmm...

KB: and then the wooden fence...

NO: You keep to your- you keep to your right and it's- it's right alongside of uh Cherie's and Roberts house...

KB: Okay...

NO: and there's a little wooden fence just right there so the dogs don't get out...

KB: right...

NO: and uh I hopped over that and then the bathroom window was right there and I - I checked and it was opened.

KB: Mm 'kay and nobody woke up that night?

NO: Mmm hmm.

KB: Do you remember I know you said you don't remember exactly what it was but do you remember if it was before or after uhm you thought you heard Steven playing in the drum room?

NO: It was- it was before that I mean we were still good friends.

KB: So it was months before June.

NO: Uhm I'm not- I'm not exactly sure but all I know is we were still- we were- we were good friends.

KB: You and who?

NO: Every- all of em. Me Robert, Cherie all of em were still good friends at that time.

KB: 'kay. Well that's- that's kind of what I'm talking about is I just you want you to be honest.

NO: Yeah.

KB: Uhm now I know there's another time when you guys were hanging out and this is the particular day I'm asking of and you know I asked you to think about it before we left, this is Saturday. So I know- I know you guys went in and took the gun and Jose and them getting rid of it and all sorts of good stuff and the day before uhm on the Saturday...

NO: mmm hmm...

KB: (CLEARS THROAT) run me through everything that you can remember. Okay we're gonna- I- I just wanna get this one more time and don't leave anything out cuz I know there's some more stuff that went on that day into that night, into the following morning even that you were hanging out with some other people and I don't want you to leave that stuff out.

NO: Yeah.

KB: And the fact that you guys stole the gun, I'm not here to jam you up on that...

NO: yeah...

KB: It's - its honesty is what you're doing for me...

NO: mmm hmm...

KB: It's not you know what Nick told me this, I'm gonna go hammer him on this, that's not what I, that's not what I'm here for okay and respect you for telling me the truth on it.

NO: Mm 'kay.

KB: Which is hopefully the same respect that you give me...

NO: yeah...

KB: On Saturday. So why don't we go through Saturday again uhm and like I said try and elaborate on some de- uh details – give me more information, whatever you can remember you know, cuz I know there's a lot more stuff and the thing is Nick, I don't wanna have to help you out. I don't wanna have to help you telling me what you did that night.

NO: Yeah.

KB: Cuz I know what you guys did, I know who you were with, I know when you used your cell phone, I know where your cell phone was used. I don't wanna have to look at this and say look, I had to tell him everything that he did that night and he has absolutely no memory cuz that doesn't get you anywhere, that doesn't get you anywhere with uhm respect for one or from anybody. They're just gonna look at em and say...

NO: (UNINTELLIGIBLE)

KB: Yeah he's not telling the truth why am I gonna believe this other stuff. Why do I believe that he went and took the 22 when he's lying about something else?

NO: Mmm hmm...

KB: You know so complete honesty on Saturday, that's what I really want. Saturday into Sunday cuz I know you were out pretty late Sunday morning so I- I want the whole thing.

NO: Well...

KB: Fair enough?

NO: Yeah fair enough.

KB: Alright.

NO: Well Saturday morning I, I didn't call him or nothing I just uh I went over there, I showed up. I talked to uh Pam Jose's mom for a little bit, she said that Jose was still sleeping. So I went in his room, I woked him up... I woke him up and uh we went and got some – some beer from uh the Nambe Station that's right there by the Buffalo Thunder.

KB: Okay.

NO: And we came back and we started drinking for a little while, we were smoking getting high. I think we even did a little bit of coke and uh just hung out for the entire day really at his house. We didn't really do anything after that just – just party a little bit. And then late that night honestly – honest late that night all I remember is him taking me home. I really don't I don't remember anything after that.

RG: Why do you think you don't remember?

NO: I it was just it was so long ago I mean I don't remember. It was years ago and...

RG: Could it be cuz you were so drunk?

NO: Uhm I wasn't – I wasn't that drunk I wasn't that bad it was, I mean I was buzzed but I wasn't to the point to where I couldn't remember nothing, I couldn't control myself.

RG: High...

NO: NO I was, I was as they say "on my level" which is just like to the point to where you're about to black out but I wasn't quite there yet...

RG: okay...

NO: I was – I was still in control of myself.

RG: Right, how about coked?

NO: Uhm we didn't have that much we only had a dub which is maybe that much so it lasted us about an hour so by the time...

RG: it was split between both of you?

NO: Yeah by the by the time we went, by the time he took me home it was already gone.

RG: So – so you guys hang out throughout the day drink pretty much, anybody else with you guys?

NO: Uhm I know Pam was there, Louie was there, uhm his – his cousin Ashley I don't know if you guys know Ashley she might of been there. Remember she – she popped up a couple of times through the day but... I remember her - if she stayed there the whole day or not.

RG: Okay. So obviously you were with him that day right?

NO: Yeah I was with him that day.

RG: And this is basically your routine.

NO: Uhm yeah kinda I mean we don't we didn't drink that much.

RG: Back in the day?

NO: Yeah we didn't drink that much but we got high pretty much every day.

RG: How would you guys get the alcohol?

NO: His mom would buy it for us.

RG: His mom, nobody else?

NO: No, well I mean uhm his mom, his dad that's – that's really it nobody else would really pull out for us.

RG: So you guys didn't have any issues finding pullers?

NO: No, not really as long as uh his parents got a little bit of it they – they didn't care.

RG: Alright. So do you guys have like a habit of sending jokes to each other while you guys are together texting - phone calls?

NO: I don't think so.

RG: No. If you guys are together you would just say the joke or talk or whatever?

NO: Yeah.

RG: But not through a phone right?

NO: NO not I mean unless it was uh a joke about his family or something that we didn't want them to hear then we'd text it to each other.

RG: And was that common?

NO: Uh not really not that much.

RG: Very unusual right?

NO: Yeah (UNINTELLIGIBLE) other than that we would just joke between us joke amongst everybody.

RG: Or say whatever...

KB: (CLEARING THROAT)

RG: (UNINTELLIGIBLE) in front of anybody.

NO: Everybody had a pretty good sense of humor so we didn't we didn't really care to hide it.

RG: No conversations that you guys wanted to hide between you two and nobody else?

NO: Nnn I mean unless we uh we were planning to go steal some money or like that gun that we took, that was just between me him and Brianna.
RG: And was that done through a cell phone, text or...

NO: The about breaking into the house?

RG: Mmm hmm...

NO: No we just went into his room and locked the door and talked about it.

RG: Oh I 'kay. So you guys planned it you know just speaking.

NO: Yeah.

RG: Okay.

KB: How often do you talk to Jose like on the phone – texts?

NO: Now a days?

KB: Nuh back when this happened a couple years ago?

NO: Uhm...

KB: When you guys were...

NO: I would only call and talk to him whenever we were gonna meet up.

KB: Okay, so you barely ever talked to him?

NO: Hardly yeah... on the phone yeah.

KB: What about uh Zubia what's your...

NO: Eric Zubia?

KB: Yeah.

NO: Uhm me and me and him actually talked quite a bit we were really- really good friends.

KB: Oh yeah.

NO: Yeah.

KB: Or how 'bout Ashley Roybal, how often did you talk to her?

NO: Well she kind of had a crush on me and it was kind of mutual.

KB: Okay.

NO: So whenever I had problems or when I was sad or anything I would call her to talk to her.

KB: When did you usually talk to her like what – what hours I mean would it be normal for you to call her...

NO: mmm there – it would be pretty normal I mean I talked to her quite a bit.

KB: Like when, what's – what's a good time?

NO: All hours of the day just whenever I needed to talk to her, whenever she needed to talk to me.

KB: What about night time?

NO: Night time?

KB: You guys ever talk 3-4-5-6 in the morning?

NO: Oh no not that unless we were partying yeah- yeah.

KB: Okay. Well how 'bout you - you and Jose... I'll be straight up with you dude I got...

NO: yeah...

KB: On Saturday...

NO: mmm hmm...

KB: Was Jose on his phone a lot when you guys were together during 10 to 10?

NO: I – I don't remember.

KB: You don't remember? Is he always – is he always picking up his phone texting and stuff?

NO: Yeah he – he talks to a lot of people so he was always on his phone a lot.

KB: Okay

NO: (COUGHS)

KB: Cuz I'll be honest with you – you guys didn't - you didn't text, you didn't call each other on Saturday from 10:00 a.m. until 9:31 p.m.

RG: Do you remember where you were at that time?

NO: 9:30 around then...

KB: now...

NO: for sure I was at home.

KB: Okay.

NO: If not I was with Jose.

KB: Well if you were with him you guys wouldn't of texted right?

NO: Yeah.

KB: (CLEARS THROAT) Cuz on that day...

NO: mmm hmm...

KB: you texted quite a bit. You made a couple of calls in there too.

NO: Well like I said it was - it was a long time ago. I mean I'm not -- I'm not uh...

KB: Oh I think you remember the day a little bit better than better than you think you do.

NO: Honestly I – I don't.

KB: Cuz you guys...

NO: I'm not saying -- I'm not saying that it didn't happen...

KB: yeah...

NO: I'm saying I don't remember it.

KB: Okay.

NO: I mean obviously if you have the evidence right there then it happened, I'm just saying I don't remember it.

RG: So was it very common for you guys to do something like that?

NO: Like what?

RG: Like hang out most of the day at night, end up going home and you start texting him, he starts answering you back.

NO: Uhm we would only do that if uh if he got some alcohol or he got some really good weed or something that he wanted me to try...

RG: okay...

NO: or if he needed a place to stay or I needed a place to stay here, a ride or anything, that's the only reason at that time.

RG: (UNINTELLIGIBLE)

NO: Like I said uhm I'm not denying what you're saying I'm just I don't -- I don't remember.

KB: Well you know it's fine that you guys talk or text whatever it may be but the fact that you now you guys don't talk from 10:00 a.m. to 9:30 p.m. I get that cuz your with each other.

NO: Yeah.

KB: After that you guys text each other you're probly together...

NO: mmm hmm...

KB: and I'm just gonna show you dude these – these are your texts between you and Jose. You're – you're the orange and he's the white. That's how much you guys texted on Saturday night into Sunday morning, is it surprising?

NO: Uhm not re- I mean I guess a little bit but...

KB: Well why does it surprise you?

NO: Just cuz we hardly ever talk that much.

KB: Right well that's -- that' what I'm getting at.

NO: Yeah.

RG: (CLEARS THROAT)

KB: Uhm and I'm gonna be straight up with you Jose told us what – what went on that night. Uhm and for him to remember something that went on that you guys obviously had some text conversation...

NO: mmm hmm...

KB: and for you not to remember anything is you know obviously it's something that you – you probly can't even explain but, what's really concerning is the fact... you know Ashley Roybal right?

NO: Ashley?

KB: yeah...

NO: Yeah.

KB: Mm 'kay the thing that really – really stands out between both yours and Jose's phone...

NO: mmm hmm...

KB: (UNINTELLIGIBLE) is you called her at 2:08 in the morning, 2:09 in the morning, 2:12, 2:17, 2:18 and 2:19.

NO: And these were all separate calls or they were...

KB: mmm hmm...

NO: okay.

KB: I – I shouldn't say that those six calls that I just gave you the times...

NO: yeah...

KB: those are both ways. Some are from you to her and some are from her to you.

NO: Okay.

KB: We know what was said during those conversations.

NO: 'kay.

KB: it's where you need to start being honest with us. I don't – this - this is out of the ordinary for your phone.

NO: mmm hmm...

KB: You know – we know who you hang out with, we know your buddy Troy, we know what he drives, we know your – your buddy in the Expedition. We know all these people; we know a lot of stuff about you.

NO: Okay.

KB: Okay we've been following you around quite a bit. We know what your normal day is; we know the shit that you get into...

NO: yeah...

KB: the houses that you go, what you do at those houses, what you do in their driveways... we know all this stuff alright. We're not following you around because we want to okay, this stuff isn't making sense and...

NO: okay...

KB: people are coming forward with this information and the people we've talked to are very they're very credible because they're telling us the truth.

NO: mmm hmm...

KB: and as much as you hate to say it Jose's one of them.

NO: Yeah.

KB: Jose's one of the people that's being completely honest with what happened.

NO: Okay.

KB: You know but when you wanna sit there and tell me that this is- this kind of normal it's not. This isn't normal for you guys to talk...

NO: yeah...

KB: It's not normal for you to call Ashley at 2:08 in the morning. It's not normal for her to call you back. The reason I know is because I have the records, they're sitting in front of me.

NO: Yeah I believe you.

KB: It's not normal for you to text Jose...

NO: Yeah I'm not – I'm not uh...

KB: And then you guys not text, which you told me that you don't text, is generally when you're together...

NO: yeah...

KB: there's a time frame that you guys aren't texting.

NO: Yeah I'm not... I'm not denying...

KB: You know at – at – at 12:30 in the morning on Sunday you guys stopped texting and then at 4:24 you sent him a text in the morning.

NO: 'kay.

KB: What – what for man?

NO: I don't know, I don't remember.

KB: I know you remember.

NO: I don't.

KB: Cuz he remembers and Jose tell tells me as messed up as you guys got with the dope and the beer and everything that day, he still remembers and he gets messed up. When that dude drinks he gets – he gets jacked up – he gets violent, he gets you know he gets something that you don't ever wanna see and he remembers all this stuff but, one of the other things is when during this time frame when you aren't texting Jose you you're phone shows up somewhere other than your house.

NO: 'kay.

KB: Uhm this is a location of around the area of where your phone was...

NO: located?

KB: Yeah it picked up by the Towers but, this was during this time frame when you guys aren't texting which is you know, it doesn't say the exact time on here, it's around 1:00 – 1:30 in the morning I think is when this came out when you guys are what, you're together. Do you know how I know you're together, cuz your phone and his phone...?

NO: they're in the same area.

KB: they're in the same damn place.

NO: Yeah.

KB: I showed - I showed Jose these, he explained why you guys were there.

NO: 'kay...

KB: but yours showed up at the same place his does. Do you wanna know where that place is at?

NO: Where?

KB: Would it help you remember if I told you?

NO: Maybe.

KB: Here come here... that's the Ortiz residence right?

NO: Yeah.

KB: That's the bridge...

NO: mmm hmm...

KB: that's where your phone came up.

NO: At the bridge?

KB: mmm hmm... well it- it - it's not exact I mean its – it's within a ballpark but you were there that night.

NO: Okay.

KB: And I'm not talking 6:00 o'clock in the afternoon. This is some pretty late hours.

NO: Okay.

KB: This is the night that the Ortiz's actually died.

NO: Okay.

KB: So why was your phone there?

NO: I don't know, maybe I was with Jose and them I don't – I don't know.

KB: May – well the thing is Nick after this you and Jose barely spoke.

NO: Yeah.

KB: The reason after this day I know that you guys barely spoke because like I say I have the records.

NO: Yeah.

KB: I highlighted your number Nick. I literally didn't have to use the highlighter much after this date; it was an occasional text with the exception of... Sunday night.

NO: Yeah.

KB: Which is when the cops were in the area; this is when the cops got called to the Ortiz residence. That's you and Jose.

NO: Okay.

KB: See what I'm getting at? This is when the lights and sirens were in your area at this time.

NO: Alright.

KB: After they drove passed your house, the cops- lights and sirens. So all I'm saying Nick is I just want your honesty.

NO: I'm honestly...

KB: Cuz I know you know what you were doing there it's- it's hard to forget going there. I mean you remember going to Lloyd and Dixie's to steal the gun, I get that – that- that's something that you're gonna remember.

NO: Yeah.

KB: You know it's not normal for you to be in El Rancho at these – these - this time of the morning with Nick or with Jose... sorry.

NO: That's fine.

KB: But we need to know what you guys were up to.

NO: I don't even- I was with him and Ashley I...
KB: Well I know you were with them.

NO: Yeah.

KB: Because you wanna know something that's really interesting? Her phone shows the same spot.

NO: On the bridge?

KB: Well it's near the bridge hers is a little bit further away...

NO: Oh okay...

KB: But it's at the same time... and like I said they give, the don't give an exact location they do it within you know a couple hundred yards...

NO: yeah...

KB: but hers is right there at the same time.

NO: 'kay.

KB: So I know your phone passed through there pretty late. And the reason that this is alarming is because you guys are the only ones on that Saturday night or Sunday morning that were communicating. And there's phone calls that were actually from your phone right near that residence, right near the Ortiz'... why?

NO: I don't know.

RG: Do you lend your phone to people?

NO: Well yeah of course I lend my phone to people.

RG: And they take it with them?

NO: What person doesn't sometimes? Yeah I mean I've lent my phone to Troy at one time and he kept it for a whole like two days.

RG: Okay. So that day do you remember lending your phone to someone?

NO: I... I don't know probably I mean I don't remember but I... I don't know if I did or not.

RG: Do you think the possibilities of you lending your phone to someone are high or low?

NO: I honesty I don't know. I'm – I'm not gonna sit here and lie to you guys and tell you hi or tell you low I'm just gonna tell you I don't – I don't know.

RG: So – So after – after Jose dropped you off at your house, what happened then?

NO: Mmm I watched a few movies, I woke my dad up around 12:00 1:00 in the morning and tell him Happy Father's Day.

RG: Okay.

NO: After that I went to sleep.

RG: Alright you never went back out of the house again?

NO: Nnn I don't think so.

RG: You don't think so or you're – you're for sure that you didn't go?

NO: I didn't I don't know, I don't think so.

RG: You don't think so. So there is a possibility that you left your house again, is there?

NO: No, I didn't leave.

RG: Oh so you stayed home?

NO: Yes.

RG: Okay alright. Nick, you ever been in trouble before?

NO: Yes, I've been I've been in trouble a lot in the past.

RG: And it's ugly right?

NO: Yes it's ugly.

RG: Right. How did Jose treat you when you with him?

NO: What do you mean?

RG: Yeah when you guys were hanging out together how did he treat you?

NO: He treated me well.

RG: Well?

NO: I guess yeah.

RG: Okay. So what brought this rivalry – rival – rivalry against both of you?

NO: I was dating his cousin at the time Amber...

RG: Amber okay...

NO: and uh and she started all – well all of em – they all started smoking crack and getting into heroin and I just didn't wanna get into that life so I – I just cut off all connections. I blocked my number from them and I moved, I stopped talking to them, I stopped talking to Eric, all of them and they didn't like that.

RG: Was Eric in heroin too?

NO: No.

RG: getting into heroin, no so why did you drop him?

NO: Uhm cuz he was uh he was pretty good friends with Jose and them and I just I didn't want to talk to any of them at the time.

RG: But Eric was better of a friend with you then with him.

NO: At the time not really because uh I had messed up with some money with them cuz he had started selling weed and I spent the money and uh and he got mad at that. And we kinda...

RG: Broke it – broke everything up.

NO: Yeah.

RG: 'kay. Well those times that you've been in trouble suck right?

NO: Yeah.

RG: Ever been in jail before?

NO: No.

RG: No, okay. Jose has right?

NO: Mmm hmm.
RG: So Jose knows how you know things turn out to be when you get into jail, right?

NO: Mmm hmm...

RG: So what I want you to understand is that you know we I mean we have a lot right, we spoke to a lot of people, a lot – you have no idea how many people we spoke to.

NO: Well I believe you.

RG: Alright so we've done a lot of legwork on this case.

NO: mmm hmm...

RG: Alright and it's kinda frustrating it is. When you come up with these individuals that you know start lying to you it is...

NO: yeah...

RG: you know...

NO: I can understand that.

RG: And you know they have all the right to do so, we don't care alright we don't care at all. Cuz we have everything we need however; you know sometimes when they start doing that like Agent Bobnock told you earlier is that it starts marking you down...

NO: mmm hmm...

RG: Right so know you've got the district attorney looking at the report and he's marking you down. It starts moving further down the road...

NO: yeah...

RG: and people start marking you down as a liar.

NO: yeah.

RG: Alright I think it's best for you - you know to be honest alright. Be honest; be completely truthful about everything alright. There's something that your just not telling us and – and listen we respect that – that's your decision not ours alright. We did our work, we did our homework, we did everything we could. So the thing that we want from you is to be completely honest with us.

NO: And – and I have been I mean overall these years I've given you guys everything you want. I've given you fingerprints, I've given you pictures of my shoes, I've given you DNA swabs, I 've given you statements after statements after statements. I've come in – I've come in with you guys every single time you've asked me – no questions asked, no arguments. I've never his from you guys, I've never ran I mean I don't know what else I can do. I'm being completely honest – I have been all these years.

RG: Okay.

NO: I just I knew – I mean I want this to be over as much as you guys do. Believe me I do, I'm tired of having to look over my shoulder, I'm tired of...

RG: Why are you looking over your shoulder?

NO: Because I'm – I'm – I know you guys follow me I'm not dumb. I see you guys ever now and then I do, I we go long distance trips like when we go to get bud and stuff and the same vehicles follow us the whole entire way. I've – I've seen you guys I'm not dumb and I'm just I'm – I'm tired of it I just want it to be over.

RG: So you got your – you got the message from your mom...

NO: What message?

RG: Did you get the message when we went looking for you the other day?

NO: Yeah, I was at the hospital when my nephew was being born.

RG: Alright and if you wanna get done with it so fast I mean over with and forget about it...

NO: mmm hmm...

RG: Why is it that you didn't even bother contacting Agent Bobnock?

NO: I didn't know how to contact you guys.

RG: Yet he – your mom didn't give you the phone number?

NO: no she didn't give me any number.

RG: No, okay.

NO: and then like I said I'm I didn't run, I didn't try and hide from you guys, I – I knew you guys were coming to – to talk to me. I didn't try and hide, I didn't try and go stay anywhere , I went to my house and like you guys came to my house this morning you knocked, you asked for me. I told you I'd go put on some shoes and stuff and I came out with you guys no questions asked, no argument nothing. I didn't try and run, I came out with you guys.

RG: See and that's what I want I mean...

NO: yeah...

RG: that's what we want. We want you to just get it over with, done and forget about it.

NO: That's – that's what I want as well.

RG: Okay so you know for some reason like I said which I respect you know that's your decision not mine right. It's real easy for us to push the paper and show it to the DA and let them make the decision.

NO: Mmm hmm...

RG: That's real ease however; I think you know for your for your own...

NO: sake...

RG: sake and your for helping yourself you know all we want is the truth that's it, alright. Jose and like he said we're not gonna we're not gonna bullshit you, we're not here to do that...

NO: yeah...

RG: Alright. Jose told us something completely different than what you told us.

NO: Okay.

RG: Alright now that's one.

NO: Mmm hmm.

RG: Alright then we get another individual alright which also told us something completely different than what you told us alright so now we got two...

NO: 'kay...

RG: Alright, later we keep on talking and guess what, we find a third one alright. So we got three individuals saying something completely different than what you're saying. Alright now these three individuals that I just mentioned 'kay their statements match. So why is it that they're saying something different that you are and their statements are matching? Do you think that they're sitting down making sure that all their statements are gonna be matching?
NO: I doubt it but I don't know, it's a possibility you never know I mean...

RG: Do you think they might be doing something like that to hurt you?

NO: You – it's do you have any idea how much these people hate me?

RG: Why is that?

NO: Because I completely cut off everything between me and them, I screwed up things, they hate me.

RG: They hate your for...

NO: at one point they wanted to beat the crap out of me 'til I was almost dead?

RG: They did?

NO: Yeah they did...

RG: they did beat you up?

NO: No – no they wanted to.

RG: Okay, how do you know that?

NO: Because they've threatened me before.

RG: How?

NO: Uh Jose and all his... they – they have these two guys uh Joe... what's his name Joe I don't remember the other ones name but, those guys they – they completely hate me. They – they've told me that if I were to ever mess up with Amber or with their family or with anything that I'd pay for it. That I'd get my ass kicked, and I've seen them do it to other people before so I believe them.

RG: Okay and these are related to Jose?

NO: Uh I don't know if they're related to them but, they're – they're well involved with each other.

RG: So that's why you're kind of scared?

NO: Of course I mean I, I don't go near El Rancho or anything anymore and if I see Jose or I see any of those people at all I mind my business and I completely get away from them as fast as I can. I don't go near them at all. I don't go into contact or nothing.

RG: And that's just for your own safety?

NO: Yeah and plus for my families safety. These – these people go after I don't know if they would but I'm pretty sure that if they had to they would that they'd go after my family and I don't want my family mixed up in crap like that because of my past. My sis – my little sisters and all that they go their friends and all this and I don't want them seeing them one day and telling them that they're gonna find me or that they – they're giving them a message or something and they hit em or something like that. I don't want that to happen so I just avoid all con – all contact everything with them... In other words yeah, I hide from them.

RG: Okay.

NO: I'm terrified of these people, you have no idea. I've seen them do things that – that shouldn't be done.

RG: Beatings or anything like that.

NO: Beatings, I've seen them threaten people and I just I don't I don't wanna be a part of that I don't want that to happen to me. I don't want that to happen to my family.

RG: So do you think I should believe Jose's statement?

NO: Uhm it's that's up to you guys I – I... like you guys said you have three people that – that all their statements match so you have reason to believe them over me and I'm not – I'm not gonna argue with you guys or nothing I'm just telling you that what I'm telling you is what I remember.

RG: What...

KB: Some of these people that we talked to put themselves with you so they're not they're not trying to get you in trouble. They put themselves with you that night you know so we have reason to believe their statements.

NO: mmm hmm...

KB: cuz they put themselves getting in trouble...

NO: okay...

KB: we know what they did; they told us what they did you know. We're not her to judge but we wanna know what else you did that night. And these people come up and say I was here, I was with Nick. Somebody actually said that and I'll be honest with you, it's Jose.

NO: Okay.

KB: I'm not here to throw him under the bus I'm here to be straight up with you.

NO: Yeah.

KB: You deserve to know what's being said out there...

NO: yeah...

KB: I know you guys were together, very early into Sunday morning and you know and- and- and if you wanna deny it that's...

NO: I'm – I'm not denying it...

KB: it's up to you...

NO: I'm not denying it at all. I'm – I'm giving you guys...

KB: So you're saying you were with him?

NO: No.

KB: You either were or you weren't.

NO: I wasn't.

KB: So if you say you're not and we know you were through the cell phone, through Jose's statement, through another person's statement that as there, then you're not telling the truth.

NO: I used to have him give me rides to Whitney's all the time that could of been another thing.

KB: No, he didn't drive.

NO: Yeah, he drove all the time.

KB: Not that night.

NO: Oh well I don't know.
KB: But I know you know who drove cuz we know who drove. We've talked to all these people Nick. We've done so much work it's been two years.

NO: Yeah.

KB: These people have finally decided to say you know what I don't wanna lie to you guys anymore this is what happened. This is what we did that night, this is where we went, this is what we were going there for and this is what happened after – after we went there. And I'll be honest with you where they went is down Coral Street, down by the Ortiz' house. So why are these people putting themselves at or around the Ortiz residence and saying they were with you? Why – why would they throw themselves under the bus?

NO: I don't know.

KB: That's what we're saying I mean these – these people are being and I have so much respect for that. I have a lot of respect for these people telling us the truth. But when somebody and I'll be honest with you, your story doesn't make sense. Everything that happened that night doesn't make sense. Some of it's true you know you're being honest on some of it but, some of it you're not and that's what we're here to do is we're here trying to get the truth out of you.

NO: And I – I've been giving you the truth....

KB: Well you've been...

NO: all these years...

KB: You've given, you've given us the truth but you've also chose not to tell us some things and by doing that you're not telling us the truth.

NO: Well I don't' know... I don't know what to tell you.

KB: Cuz everybody knows that you remember more that night.

NO: I don't.

KB: Cuz this is – this doesn't look good for you Nick I'm gonna be honest with you. With you telling us that you don't remember or you don't remember more but I tried to help you remember the best that I could. You know and if – if you don't wanna remember that's – that's not something we can actually say that you were being truthful. You know we've done a lot of research on this investigation it's not something that we just picked up overnight and hey we're here to day and yesterday it happened...

NO: mmm hmm...

KB: and we don't have anything. We have tons of stuff, we don't – we're not following you around because we like to follow you.

NO: Yeah.

KB: You know we know what's up we know these text messages that were sent that night, we know about everything.

NO: Well with all – all due respect to you guys and all that I'd really like to just stop talking and go home now.

KB: Okay.

NO: I have given you everything you guys have asked for and I'm just done I'd like to go home.

KB: Well that's your choice unfortunately you didn't tell us the whole truth and that's – that's up to you whether or not you wanna talk to us.

NO: You guys have a card or anything I could call you?

KB: Yeah I gave your mom a card with my cell phone number on it too but I'll give you another one.

NO: Can you give me it cuz she's not gonna give it to me.

KB: Yeah, yeah I'll give you one it's not an issue.

RG: Before you leave too I want you to think about this real good alright. There's people out there that we know...

NO: mmm hmm...

RG: alright that know what happened that night.

NO: Okay.

RG: Alright. Those people are taking advantage of you; alright the way that they're taking advantage of you is that they're coming forward before you are...

NO: mmm hmm...

RG: alright they're telling us things before you're before you can tell us about those incidents or that incident alright. And this game here is gonna basically work like this; whoever comes first and just says straight up you know what I'm done, I wanna tell the truth that's the person that's gonna end up winning alright, not the other ones, the other ones are gonna be lost alright. Because this is just like a like a football game – Do you watch football?

NO: Mmm hardly...

RG: Hardly – baseball?

NO: I don't really watch any sports.

RG: No sports at all... alright that person whenever he gets to homerun...

KB: Alright Nick alright I'm gonna give you a card and that's it... if you wanna talk that's up to you uhm and I'll leave it at that okay?

NO: Okay.

KB: Fair enough?

NO: Fair enough.

KB: Okay I'm gonna write my cell phone number on here – you can get a hold of me.

NO: Alright and you'll be available anytime of the day?

KB: Absolutely. If you call me I'll answer.

NO: Thank you.

KB: Appreciate you coming in and we'll get you a ride back home. Fair enough?

NO: Fair enough.

KB: Alright. This concludes the interview at 1:31.

CONFIRMATION OF TEXT MESSAGE PRESERVATION

Please fax back the completed form to formalize preservation of your content.

18 U.S.C 2703(f)(1) requires that upon request from a government entity that the provider of wire or electronic communications take all necessary steps "to preserve records and other evidence in its possession pending the issuance of a court order or other process". 18 U.S.C. 2703(a) requires that disclosure of electronic communication content to a law enforcement agency be made pursuant to a SEARCH WARRANT.

Please note that a preservation request can only direct us to preserve content already in existence. Pursuant to 18 U.S.C 2703(f), preservation requests cannot demand continuing preservation for content not in existence at the time of the request. **Verizon Wireless will only process a subsequent preservation request on a telephone number after receiving a search warrant for content preserved pursuant to the first preservation request on the same telephone number.**

Acknowledgement of Preservation:

We are only able to retrieve information approximately **3-5 days** back from the current date. Due to system limitations, only terminating content may be available. Additionally, system outages and upgrades may result in Verizon Wireless not capturing content.

The current charge for the preservation of text message content is billed, per number, at ($50) fifty dollars per five (5) day increment with a minimum of fifty dollars for **each** request.

SYNOPSIS
This report documents the ongoing investigation of the homicide of Lloyd, Dixie and Steven Ortiz, as well as a wire intercept operation on the telephone lines of Nicholas Ortiz and Jose Roybal. Refer to the narrative portion of this report for details.

NARRATIVE

On Friday, August 15, 2014, I, Sergeant Kraig Bobnock, New Mexico State Police Investigations Bureau, went with First Judicial District Attorney Angela Pacheco, to First Judicial District Judge Glenn T. Ellington with one motion to seal pen register and trap and trace device, one order on motion to seal pen register and trap and trace device and one order authorizing the installation and use of a pen register and trap and trace device for telephone number 505-490-5934, which belonged to Verizon Wireless and one of each of the above mentioned documents for the telephone number 505-501-3093, which belonged to Sprint. Judge Ellington reviewed the documents, approved of them and signed them. After I received the signed documents from Judge Ellington, I went to the First Judicial District Court clerk's office and sealed the above mentioned documents and filed them with the Court. Refer to attachment 1 for a copy of the above mentioned documents.

After I received the above signed documents, I scanned and e-mailed them to Department of Homeland Security Analyst Ernie Leggett so he could forward these documents to the correct cellular telephone provider. The Department of Homeland Security was asked to assist the New Mexico State Police with this investigation because they have the facilities to monitor a wire interception operation.
On Tuesday, September 2, 2014, I met with First Judicial District Court Judge Glenn T. Ellington and presented him with the Affidavit in support of application for the interception of wire and electronic communications, the order to both wire service providers, the motion to seal the interception of wire and electronic communications and the motion to seal the interception of wire and electronic communications. Present with me was First Judicial District Attorney Pacheco and Department of Homeland Security Special Agent Dariush Vollenweider. Judge Ellington approved the above mentioned documents and authorized that these documents be sealed by the Court. Refer to attachment 2 for a copy of the above mentioned documents signed on September 2nd. These documents allowed the New Mexico State Police and The Department of Homeland Security to intercept wire and electronic communications occurring over the cellular telephones currently assigned telephone numbers 505-501-3093 and 505-490-5934.

SATURDAY, SEPTEMBER 5, 2014

On Friday, September 5, 2014 at 9:00 a.m., all NMSP personnel, HSI personnel and wire room monitors that would be allowed to enter the wire room during any operation hours, were present for a minimization meeting, which was directed by First Judicial District Attorney Angela Pacheco. During the minimization meeting, I provided everyone with a detailed briefing of the information gathered during the investigation of the murders of Lloyd, Dixie and Steven Ortiz. All personnel signed a minimization sheet acknowledging they understood the instructions set forth by the Affidavit. After the minimization meeting, the interception of both telephone numbers was activated at approximately 10:00 a.m.

For the purpose of this operation, Nicholas Ortiz was identified as Target 1 and Jose Roybal Jr. was identified as Target 2. Agent Rafael Gomez will be documenting surveillance notes and wire interception information regarding target 2 for this investigation. For details, refer to his supplemental report.

The following information was provided from the wire room at HSI office in Albuquerque. This information was obtained on Friday, September 5, 2014. During the day shift, no pertinent calls or texts were intercepted on either telephone line. Surveillance observing Target 2 was able to identify Jose's primary residence to be 6 Lil Lous

INTERVIEW JOSE ROYBAL 9-7-14

During the course of this investigation, I was informed that Jose worked at the Wal-Mart store in Espanola, New Mexico. I went to Wal-Mart with Lieutenant Jesse Williams and

Special Agent Dariush Vollenweider to speak with him. Jose was outside of the store smoking a cigarette when Agent Vollenweider and Lt. Williams approached him and spoke to him. During their conversation, Jose told Lt. Williams and Special Agent Vollenweider that he had some information he needed to tell us regarding this investigation. I waited in a nearby unmarked State Police unit while they spoke with him. Minutes later, Jose approached the unit and got in and agreed to voluntarily provide us with a statement of the events which led to the death of Lloyd, Dixie and Steven Ortiz.

Jose said they went to the Ortiz's when it was dark and had to be after 10:00 p.m. Jose began the conversation by saying that he was told that Nicholas did it. He said that night Nicholas told Jose he was going to go kill the Ortiz's. Jose said he got scared and ran away because he didn't want anything to do with it. Jose said the way he understood it, Nicholas went to their house with the intention of robbing them and thought they would be camping and wouldn't be home. Jose said it was Nicholas's idea to go rob their residence since he had robbed them before and knew the layout of their residence and where everything was located. Nicholas wanted to rob them for their marijuana plants they had at their residence. Nicholas said they wouldn't be home but when he got there, he saw their truck and decided to go and rob their residence anyways. Jose said the lights were on at Cherie's house. When Nicholas went to the residence, Jose said he ran home, went to sleep and didn't talk to anyone. I asked him who he spoke with at his residence that evening and he said Ashley. After Nicholas and Jose were supposed to rob them, Ashley was supposed to pick them up and bring them back to her house in her gray two-door Saturn. While Jose walked home, he said he called Ashley to see where they were at. Jose said when he met up with Ashley and Nicholas again, it looked like Nicholas had just seen a ghost. Nicholas went inside of Luciano's residence and took a shower. He said there wasn't any blood on Nicholas's clothing when he saw him. He thought Nicholas might have been wearing jeans and a black shirt but didn't know.

Jose said he and Nicholas didn't use gloves or masks or anything. He said Nicholas told him he was a "pussy" when he backed out.

Jose said after everything was done, Nicholas never brought it up to him again. Jose said Nicholas looked like a different person after he saw him. After that incident, Jose said Nicholas disappeared and he hadn't seen him after that.

Jose said he had more information and continued giving more details. He said Nicholas wanted him (Jose) to go to the Ortiz's and kill them. When they showed up to their residence, Nicholas and Jose argued for a bit and Jose turned towards his residence and ran. He said Nicholas described to him what he did to the Ortiz's. He said he knocked on the back door to their residence to get Lloyd outside. He said Nicholas hit Lloyd with the axe. Nicholas went into the mom's room and killed her right away. After he killed Dixie, he thought he made a noise because Steven got up. He said Steven fought back so he kept hitting him repeatedly. He said someone scratched Nicholas on the back of his neck. This concluded the interview with Jose. For exact wording and details, refer to the attached audio file.

Chris then told Nicholas that today the cops brought him (Chris) in and questioned Chris about Nicholas. Nicholas asked what they (cops) had asked. Chris said they (cops) wanted to know what the conversation had been about but Chris honestly didn?t remember anything. Nicholas said it was all good, it was just that time of year again and they (cops) were just doing follow ups and picking up people again. Chris said he (Chris) knew this and was not worried about it. Nicholas said all right, cool.

Chris then said one of the guys (cops) had said he was part of Homeland Security and that he (Homeland Security Agent) was now part of the investigations. Nicholas said that was fucking crazy. Parties then said they would be in touch and ended call.

Night shift supervisor Lieutenant Troy Weisler noted the following information:
At 8:51 p.m., session 2261, Nicholas called Dominic (a.k.a. Bob) and the following is a summary of the pertinent aspects of the conversation:

Dominic asked if the cops were there and watching. Nicholas said he did not know and did not care, because they were not doing anything wrong. Dominic said they were watching him now. Nicholas said they had no reason to watch him (Dominic). Dominic said they told him they were. Nicholas said when he talked with them (law enforcement) tomorrow he would tell them to fuck off, because they were invading his privacy. Nicholas said they were going to talk with people he knew for no reason.

Dominic asked if Nicholas remembered Dominic told him about the messenger app. Nicholas said yeah. Dominic said that was how they figured it out. Nicholas said he knew and saw that on Facebook. Dominic said they connected Dominic to Nicholas on Facebook. Nicholas said it did not matter because they were not doing anything. Dominic said he did not know why they were talking to Dominic and blaming Nicholas. Nicholas said they were just gathering information on Nicholas from everyone Nicholas knew. Nicholas said

Dominic was good and not to worry about it. Dominic said he knew because he did not do anything. Nicholas told Dominic to call when he was almost there. Dominic said alright.

During the evening, surveillance noted a red and black Ford Mustang displaying New Mexico registration MLF309, registered to Jorge Mendez. The Mustang was later identified as a friend of Nicholas's younger sister Gabriella Ortiz.

At approximately 5:35 p.m., I approached Nicholas Ortiz as he was standing outside of the Wal-Mart at 3251 Cerrillos Road, Santa Fe, New Mexico. As I approached Nicholas, I observed him talking on a black in color flip phone. As I approached him, he appeared to be caught off guard and hung up the phone immediately as he saw me. I spoke with Nicholas momentarily and asked him if he had any new information regarding the Ortiz homicide investigation. He said he hasn't heard anything new. I asked Nicholas if he still had the same telephone number so I could contact him and he provided me with 505-501-3093. I dialed that telephone number and let it ring so he would have my number. Nicholas reached into his pocket and pulled out a smart phone with a touch screen display, which was much larger than the telephone that he was on when I approached him.

Lieutenant McFaul approached us at that time and asked Nicholas if he would show us his tattoos. Nicholas lifted up his shirt and showed us his tattoos. He said a friend of his, who dated his aunt, worked at 505 Tattoos in Santa Fe did it for him. Nicholas asked what they had said. UF said they had some questions about him. Nicholas said they had been doing that to everybody lately. UF said they had gone over and her dad told her that Officer Armijo was there. Nicholas said yeah. UF said he (officer) wanted her to give him a call and if not then he would go back. Nicholas said they would just ask her questions about him (Nicholas). UF asked why they thought he (Nicholas) did it. Nicholas said because he used to live with them and then he would hang out with some really bad people that probably had something to do with it. UF asked if Nicholas used to live with the people that got murdered. Nicholas said pretty much, yeah. Nicholas said he lived with Robert and them but they lived right next door to them. UF said she was trying to figure out how. Nicholas said it was just because he knew them real good. UF said okay. Nicholas said they were pretty much family to him. UF asked why they thought he did it. Nicholas said he honestly did not know but for whatever reason they were pretty set on thinking it was him.

UF asked what they told Nicholas. Nicholas said nothing, they just asked him a bunch of questions about where he was the day it happened and all of that stuff, just normal stuff. Nicholas said

because they thought he did it. Jonah asked why they thought he did it. Nicholas said because he used to hang out with the people that were killed. Jonah said he had gone to Dom's this morning to get his pants. Nicholas said he went to talk to them (cops) today and that everything was cool now.

Jonah asked if Nicholas wanted to hang out and Nicholas said yes. Jonah asked where Nicholas was and he said he was at his house. Nicholas asked where Jonah was. Jonah said he was walking to (U/I). Nicholas said he might try to get a ride. Jonah told Nicholas to tell his mom that he would go to his house. Nicholas said everyone was there. Jonah said oh. Conversation about Nicholas having eaten dinner already.

Nicholas asked what Jonah was doing in the morning. Jonah said he was going to work at around 11:00. Nicholas asked if Jonah wanted to do something on Friday. Jonah talked about going to a party at his friend's Jacob's. Nicholas told Jonah to let him know. Jonah asked if Nicholas didn't want to kick it tonight and asked if Nicholas didn't have any bud . Nicholas said fuck no. Jonah told Nicholas to call Dominic. Nicholas said he would call him now. Jonah asked if he might be asleep. Nicholas said he didn't think so because he didn't work tomorrow. At 3:24 p.m., session 2899, Nicholas called Suzette Baros.

Suzette had social conversation with Nicholas about his parents being at work. Suzette told Nicholas that some investigators wanted to talk to her. Nicholas said they were going around to everyone that knows him and told her not to worry about it. Suzette said they [law enforcement] had told her that her name came up in the investigation back then and they were just doing follow ups, she figured it was because

he had gone to live with her. Nicholas told her that was why and told her not to worry as she wasn't in trouble. Nicholas said they were going to everyone including people he just started talking to. Suzette said they went looking for her at grandma's house and Raymond called her and gave her their number. Suzette elaborated she had just gotten to work, called them and was told they wanted to speak with her in person and not over the phone. Nicholas told her they were just going to ask her question about him. Suzette acknowledged and referred to Nicholas as "Coach".

Social conversation was had about Nicholas doing his application last night. Parties said good bye.
No pertinent information was gathered from night shift supervisor Lieutenant Isaac Valerio.

End of surveillance from September 9, 2014

She said that was the first time she had heard his name come up as a person of interest in this investigation. This concluded the interview with Suzette. This conversation was audio recorded. For details regarding this conversation, refer to Lt. Williams' audio file.

WEDNESDAY, SEPTEMBER 10, 2014

At 12:59 p.m., session 3050, Desiree called Nicholas's telephone and said:
Desiree said dad spoke to a lawyer and he said to just tell Nicholas to not talk to them (possibly law Enforcement) at all. Desiree said if they (possibly LE) say anything, they (Desiree and others) are supposed to tell them (possibly LE) that unless they (possibly LE) have a warrant Nicholas will not talk to them (possibly LE) at all because at this point they (Nicholas and others) feel it's just harassment and they (Nicholas and others) were now seeking legal counsel, Nicholas acknowledged.

Desiree said she now had to call where they (Desiree and others) are from, the tribe over there, and see if they (the tribe) can help with any fees or anything at all because it (possibly the attorney) was going to be expensive. Desiree said they (possibly attorney) definitely wants the case because they (possibly attorney) said that it was definitely harassment and that they (possibly LE) were doing a lot of shit that's wrong and everything. Nicholas said okay.

(Background: male tells Desiree that there were overdraft charges. Desiree said she

didn't believe that to be true.)

Desiree continued to say that she was told to tell Nicholas not to go anywhere or talk to them (possibly LE) at all. Nicholas said all right. Desiree said she would call these other people and see what they (the other people) say. Nicholas said okay.

No other pertinent information was intercepted on September 10.

INTERVIEW WITH ASHLEY ROYBAL

On Wednesday, September 10, 2014 at 11:14 a.m., I held a voluntary interview with Ashley Roybal at the First Judicial District Attorney's office in Santa Fe, New Mexico. Present during the interview was Lieutenant Williams and First Judicial District Attorney Angela Pacheco. I explained to Ashley that this interview was completely voluntary and she could terminate the interview at any time if she wanted to. I told her that I wanted to hold another interview with her to see if she remembered any more information regarding this investigation.

Ashley started the interview by saying she stayed with her grandparents, Luciano and Bernie Roybal at 6 Lil Lous Avenue in El Rancho during the murder of the Ortiz family. I told Ashley that I was going to leave the conversation up to her to tell me the story of the information she had regarding the murders.

Ashley started the interview by saying she was at home and it was after midnight on Sunday morning, June 19, 2011. She said she was there with Jose Roybal smoking weed. While they were there, she said Nicholas called her at around 2:00 or 2:15 a.m. and asked them to pick him up at his house, which was near the carwash in Pojoaque, New Mexico. After she picked him up, they all went back to her house and smoked more weed. She said Nicholas and Jose talked about needing money to purchase drugs. Nicholas mentioned to them that he had robbed the Ortiz's residence in the past and stole money from them. She said Nicholas and Jose decided they were going to go rob their residence. She said she took them and dropped them off at the bridge at around 1:00 a.m. and went back to her house. She said about 30-45 minutes later, Nicholas called her and told her he was near Steven's and needed a ride. She said she parked on the side of the road and Nicholas wasn't there. She said she called him and asked him where he was at. He told her he was on the other side of the river. She drove around to the other side of the river and picked him up. When she picked him up, he had blood on his pants and had a white trash bag tied around his right foot. He kept telling her that he messed up and that he killed them. She drove him back to her house and that is when he told her that he killed Steven, Dixie and Lloyd. He told her threw the pick axe by the fence. When they arrived at her house, she said she saw Jose walking up the back road to her residence. He told her he got scared, punked out and didn't go inside of the house. He told her he couldn't do it.

Ashley told Nicholas to calm down and go upstairs and take a shower. When Nicholas was in the shower, he kept saying he messed up and that he killed them. He went upstairs, showered, and she gave him some clothes to wear home. He put all of his clothes except his shoes in a garbage bag that she got for him out of the kitchen. She said they smoked another bowl of Marijuana and then she took him home. Ashley said she dropped Nicholas off at the carwash in Pojoaque and he ran down the hill towards his residence.

NOTE: At approximately 9:16 into the interview, Ashley requested to stop being interviewed momentarily to go outside and get some fresh air and smoke a cigarette. The interview continued at approximately 11:55 a.m.

Ashley picked up the conversation by saying that Nicholas told her that all of the three victims fought back. He told her that he got Lloyd first, Steven second and then he went and got Dixie. She thought he called her the next day to tell her that information. He called her the next day and told her he couldn't sleep because he had nightmares about killing the Ortiz's. He told her that if she ever said anything, she would end up just like them. She said that was all she could remember from that evening.

I asked Ashley some clarifying questions. I reminded her that in the beginning of the interview, she said she went and gave Nicholas a ride from his house to hers. I asked her who was with her when she went to go pick him up and she said Jose was. Ashley told me she was driving a 1997 silver Saturn two door passenger vehicle on that evening. She told me Jose sat in front and Nicholas sat in back during the ride to Ashley's. She said she picked up Nicholas and went back to her house and got high with him. I asked her to explain to me how high she was using a one to ten scale, one not being high and ten being very high. She said she was approximately a six and could still function and operate a motor vehicle. She said Nicholas and Jose were fine and could function as if they were not high or under the influence of drugs. I asked her who was at her residence on that evening. She said both of her grandparents and uncle Moises were at her residence but they were sleeping. Other than the three of them, Ashley, Nicholas and Jose were there. I asked Ashley whose decision it was to go and rob the Ortiz's residence. She said it was Nicholas's idea because he needed money and had robbed their house in the past. She said the last time he robbed them, he got a five gallon water jug filled with cash. She said it was full of one dollar bills that were rolled up. She said he gave her one of the rolls of money that was approximately one hundred and fifty to two hundred dollars. She said she knew he stole a gun from the Ortiz's and described it as a black and wood colored .22 caliber with an eighteen round magazine.

I asked Ashley what the conversation was surrounding the incident of robbing them on June 19, 2011. Nicholas said it would be quick and they would be in and out of their residence. Jose said "let's do it." Ashley said the three of them got into the car and didn't bring anything with them. She said Nicholas was wearing black windbreaker pants and a black shirt. She thought Jose was wearing black pants but couldn't remember anything else. Neither Nicholas nor Jose brought any weapons with them. She remembered that when Nicholas got back into her car near the river, he was wearing socks on his hands. She dropped them off at the bridge near the Ortiz residence on Evergreen Lane. She said when she brought them to the bridge, Nicholas sat in the front seat and Jose sat in the back seat. When they got to the bridge, Nicholas told her they would get out there and got exited the vehicle and didn't have any weapons with them, nor did they open the trunk of the vehicle. Ashley said after she dropped them off, she went back to her house and did not go any closer to the Ortiz residence. When Nicholas called her for a ride, she parked near Jesse and Cherie's house, outside of the fence. When she got there, she didn't see Nicholas, so she called his cellular telephone approximately three times before she was able to talk to him. She said her phone number was 505-412-9513 during that time. She said when she was waiting for Nicholas, she saw Jesse Rios's gold Dodge pickup truck leave his residence, turn right and drive in the opposite direction as Evergreen Lane. She drove to the other side of the river and picked Nicholas up after 2:00 a.m. She thought between thirty and forty-five minutes went by

from the time she dropped them off until she picked up Nicholas. She said Nicholas was alone when she picked him up. He got in the passenger seat of her vehicle and threw the plastic bag out the window. She said he had a white sock on one of his hands and saw red blood splattered up the sock. She also saw blood on his pants when the interior light turned on as he got in the vehicle. Ashley asked him what he got from the house, he told her he didn't get anything and that he killed them. She said Jose didn't want to participate in the burglary because the Ortiz's were there. Nicholas was freaking out when they got back to Ashley's residence. She told him to go upstairs and take a shower. She heard him saying that he killed them and that he messed up, while he took a shower. While he was in the shower, she got him a pair of black sweatpants and a white t-shirt and socks to wear home. He wore his black and white Nike high tops home. They were at Ashley's for approximately twenty to thirty minutes. She dropped Nicholas off at the carwash in Pojoaque at around 4:00 a.m. After she dropped him off, she went back to her residence. Later that day, around 5:00 p.m., he called her and told her that he couldn't sleep because he had nightmares. He told her during that conversation that all three victims fought back. Nicholas told her that if she said anything, the same thing would happen to her. She heard the pick axe was taken from her grandfather's residence.

Ashley said she sold her gray Saturn to Ace's Towing for two hundred dollars because she had a title loan on it and she couldn't afford to make payments on it. She said all of the windows were broke out as well. She heard Jose was responsible for breaking the windows while she was in jail. Ashley said the last time she spoke to Jose was February or March of 2014. I asked her how many times she spoke to Nicholas on the telephone that particular evening when the Ortiz's were murdered. She said it was a lot, between ten and fifteen times.

This concluded the interview with Ashley Roybal. This interview was audio and video recorded. For exact wording and details, refer to the attached audio file.

END OF INTERVIEW

THURSDAY, SEPTEMBER 11, 2014

The following information was provided from the wire room on Thursday, September 11, 2014. Day shift supervisor Sergeant Jeff Smith documented the following pertinent information:
At 1:54 p.m., session 3187, Nicholas texted unknown1265 (UNK1265) and said: "So I'm just gonna explain everything to you on text since I can't seem to get away from my house without being followed."

At 1:56 p.m., session 3188, UNK1265 texted Nicholas and said: "Then you know what screw whoever is watching you I will go to your house today once I get out of school so we can talk Nick I'm serious."
Several text conversations continued regarding meeting later at Nicholas's residence.

At 3:30 p.m., session 3217, Nicholas called UF3217.
Nicholas said to unknown female that he was pretty sure they (LE) were going to start to bother Ashley. Unknown female asked why and Nicholas told her because she (Ashley) had been trying to talk to Nicholas a lot on Facebook, messaging and calling. Nicholas said he could guarantee that they (possibly LE) were going to go pick up Ashley and mess with her so he told her to come over later so he could talk to her about it. Unknown female said to Nicholas who knows what the hell she (Ashley) was going to tell them (possibly

LE).

Night shift supervisor Lieutenant Isaac Valerio documented the following pertinent information:

At 6:05 p.m., session 3243, Ashley (Sena) texted Nicholas and said: "I'm leaving school now"

At 6:05 p.m., session 3243, Nicholas texted Ashley and said: "Tell me when you get into Pojo"

At 6:11 p.m., Ashley called Nicholas.
Ashley said she was there in Pojoaque. Nicholas asked if Ashley remembered where his old house was when they went for a walk in the river that time. Ashley said not really. Nicholas asked if Ashley remembered where the bridge was, the bridge one had to cross to get to the house, the bridge that goes over the river. Ashley said yeah. Nicholas told Ashley to go to that bridge. Nicholas said he would walk over to meet her but his dogs had tore up the trash and he had to stay there to make sure they didn't spread it everywhere. Ashley said that was fine. Nicholas said it took Ashley longer than expected. [ASIDE: Nicholas yelled leave it alone.] Ashley said she knew. [ASIDE: Nicholas cursed and said to put it down.]

Nicholas asked if Ashley was there and Ashley said almost. [PAUSE]. [ASIDE: Nicholas continues to yell.] Conversation about Johnny and Gabby buying trash bags because they were out.
Ashley said she was passing the bridge. Nicholas told Ashley to turn left when she got to the stop sign and to go up a little bit. Nicholas said Ashley would then see a paved road that goes up on her [Ashley] right. Nicholas told Ashley to take that one. Ashley said the bridge was closed and they were doing road work or something. Nicholas cursed and asked Ashley if she knew Gabby and Johnny's number. Ashley said Gabby would probably not answer her call. Nicholas said he would call her [Gabby] and then have her call Ashley. Nicholas told Ashley to follow her [Gabby] all the way around. Ashley said okay. Nicholas said alright.

No other pertinent information was intercepted on September 11, 2014.

On Thursday, September 11, I went to Amber Trujillo's residence with Lieutenant McFaul and Agent Gomez. Amber agreed to speak to us and she said she dated Nicholas for approximately six months. She said they dated close to the time of the homicide but it was after they already happened. She said on one occasion he told her he killed someone but did not elaborate who it was or how many people he had killed. The conversation between Nicholas and her happened in the kitchen at her residence. This concluded the interview with Amber. For exact wording and details, refer to the attached audio file.

FRIDAY, SEPTEMBER 12, 2014

Both day shift supervisor, Sergeant Matthew Pilon and night shift supervisor, Lieutenant Troy Weisler did not document any pertinent information in relation to Nicholas.

EX PARTE APPLICATION

COMES NOW, Agent Kraig Bobnock of the New Mexico State Police, before the 1st Judicial District Court by and through District Attorney Angela Pacheco of the 1st Judicial District Attorney's Office, and submits this application requesting an Order authorizing the installation and use of a PEN Register and a Trap and Trace Device on the following cellular telephone:

a) 505-501-3093 (the "Target Telephone")

b) Affiant states that he has probable cause to believe that the Target Telephone and the information likely to be obtained by such installation and use is relevant to an on-going criminal investigation into **Murder** in connection of possible violations of **NMSA 30-2-1.**

THE AFFIANT CERTIFIES that he believes that probable cause exists that those named in this Application and the accompanying statement of probable cause are involved in the commission of NMSA 30-2-1 and/or using the Target Telephone in furtherance of the commission of NMSA 30-2-1 and the numbers dialed or pulsed from

the Target Telephone are relevant to an ongoing criminal investigation of the specified offenses.

THE AFFIANT CERTIFIES that the New Mexico State Police working jointly with Homeland Security Investigations (the "Investigative Agencies") are conducting an ongoing criminal investigation of Nicholas Ortiz, Jose Roybal Jr., and others both known and as yet unknown, in connection with possible violations of NMSA 30-2-1, Homicide. It is believed that one or more subjects of the investigation are using the Target Telephone. Moreover, Affiant offers the following specific and articulable facts, which show that there are reasonable grounds to believe that the information sought is relevant and material to this ongoing criminal investigation. The investigation has revealed that the subjects were on the decedent's property during the approximate time the homicide occurred. Affiant has determined that the subject, Nicholas Ortiz is using the Target Telephone to contact other conspirators. Affiant believes that Nicholas Ortiz uses the Target Telephone to discuss details of the homicide. Standard investigation and surveillance practices have been unable to identify all the conspirators. Affiant believes that the information sought is likely to yield evidence of the commission of the subject offense, will help identify other persons acting in criminal concert with the named subject(s), and will assist law enforcement agents in further evidence collection. Cell site information will help the Affiant to corroborate information provided by other sources in building a strong case against the target.

IT IS REQUESTED, that the Court order the telephone service provider listed to allow agents of New Mexico State Police, Homeland Security Investigations and/or any other law enforcement agency to install and use the PEN register to register numbers

dialed or pulsed from the Target Telephone to record the date and time of such dialing or pulsing and to record the length of time the telephone receiver in question is off the hook for incoming and outgoing calls without geographical limitations to include the entire United States, for a period of 60 days, and; that Agents or authorized civilian of the New Mexico State Police, Homeland Security Investigations and/or any other law enforcement agency be allowed to install and use a trap and trace device on the Target Telephone to record the telephone numbers calling or being called by the Target Telephone, and all other functions and capabilities of the target device including but not limited to all wireless digital functions and automatic mode switching functions if available without geographical limits to include the entire Untied States.

IT IS REQUESTED the Court order, Sprint Corporation and any and all telecommunications providers subject to regulation by the federal Communications Commission that provide telecommunications services within the United States of America, as listed on an ongoing basis on FCC Form 499-A (hereinafter referred to as "Telecommunication Companies"), or Internet Service Providers (hereinafter referred to as ISP), Voice-Over-Internet Protocol Providers (hereinafter referred to as VOIP Provider) and any other service providers to furnish information facilities, and technical assistance 24 hours a day, 7 days a week, necessary to accomplish the installation and operation of the devices unobtrusively and with a minimum disruption of normal telephone service.

IT IS REQUESTED that the Court order, Sprint Corporation to activate and provide caller ID information, and any calling features such as call forwarding and speed dialing currently assigned to the phone number, if available.

IT IS REQUESTED that the Court order, Sprint Corporation and any other Telecommunications Company, ISP, and/or VOIP Provider to provide cell site data and/or GPS location information including, but not limited to, cell site location (physical address) of call initiation, call termination and call progress locations (Automated Message Accounting Data) connected to the use of each target number without geographical limitations, pursuant to Title 18 USC Section 2703(D). Such service provider, should be ordered to initiate a signal to determine the location of the subject's mobile device on the service provider's network or with such other reference points as may be reasonably available and at such intervals and times as directed by the law enforcement Agent serving the requested order.

IT IS REQUESTED that the Court order, Sprint Corporation and any other Telecommunications Company, ISP, and/or VOIP Provider to provide toll information, Call Detail Records (CDR's) including any and all historical data for a period of 60 days prior to the date of the requested order and/or for the duration of that order, originating and terminating call detail, ESN or other equipment identifying information, buddy lists and cell site location information from any and all telephones called or being called by each target number, any numbers discovered through the investigation and the target number if available and shall provide this information within 48 hours of request from Law Enforcement.

IT IS REQUESTED that the Court order, Sprint Corporation and any other affected telephone companies and long-distance carriers to be compensated by the New Mexico State Police or Homeland Security Investigations for reasonable expenses incurred complying with the court order.

IT IS REQUESTED that the Court order, Sprint Corporation and any other affected telephone companies and long-distance carriers, ISP, VOIP Providers and any other service provider to supply any and all information in their files with respect to persons called by the Target Telephone, the current Target Telephone, for persons calling the Target Telephone, and any other number that is identified through this investigation whether published or non-published, including but not limited to subscriber names, addresses, driver's license numbers, Social Security numbers, application information, credit information and billing information and any other phones, calling plans, start and stop dates, ESN, IMSI, IMEI, SIM numbers and buddy lists subscribed by the requested subscriber upon oral or written demand of agents of the New Mexico State Police, Homeland Security Investigations; and that the service providers ordered should provide that information within 48 hours of request from Law Enforcement.

IT IS REQUESTED that the Court order, that this Order and the Application be sealed until otherwise ordered by the Court and that Sprint Corporation and any other affected telecommunications companies, ISP, VOIP Provider and any other service providers shall not disclose the existence of the PEN register, the trap and trace device or the existence of this investigation to the listed subscriber or to any other person, unless or until otherwise ordered by the Court.

I declare under penalty of perjury, to the best of my knowledge and belief, the foregoing is true and correct.

1st JUDICIAL DISTRICT
STATE OF NEW MEXICO
COUNTY OF SANTA FE

IN THE MATTER OF THE APPLICATION OF THE STATE OF NEW MEXICO FOR AN ORDER AUTHORIZING THE INTERCEPTION OF WIRE AND ELECTRONIC COMMUNICATIONS OCCURRING OVER THE CELLULAR TELEPHONES WITH CURRENTLY ASSIGNED TELEPHONE NUMBERS 505-501-3093 AND 505-490-5934	) **FILED UNDER SEAL**

AFFIDAVIT IN SUPPORT OF APPLICATION

I, Kraig Bobnock, being duly sworn, depose and state as follows:

INTRODUCTION

1. I am an Agent with the New Mexico State Police ("NMSP"), and have been so employed since June, 2008. I am currently assigned to The Investigations Bureau. My duties include the investigation of homicides, death investigations, officer involved shootings, violent felonies, drug related offenses, violent sex crimes, and white collar crimes.

2. Prior to my current assignment, I attended the New Mexico State Police Law Enforcement Academy in Santa Fe, New Mexico, and graduated in June of 2008. The academy was 20 weeks in duration and encompassed a comprehensive overview in law enforcement techniques. Affiant has also received formal advanced training in homicide investigations including a "Conducting Death and Homicide Investigations" training, a "Death Investigator School" training and also a "Crime Scene Reconstruction I" training

as well as continual on the job training in conducting actual homicide investigations. My experience as an Agent is, but is not limited to, conducting physical surveillance, interviewing witnesses, writing affidavits for and executing search warrants, working with undercover Law Enforcement officers/ agents and informants.

3. During my career in law enforcement, I have investigated violations of state statutes concerning homicide and related violations. I have had formal training and have participated in homicide and death investigations. Based upon my training, experience, and participation homicide and death investigations, I know and have observed the following:

- I have extensive experience conducting surveillance of individuals engaged in drug related offenses. I have participated in the execution of numerous search warrants where narcotics, stolen property were recovered and seized.
- I know that individuals involved in criminal activities often use wire and electronic communications facilities, including hard-line telephones, cellular telephones, push-to-talk two-way radios (PTT), public telephones, and other electronic devices to communicate operational directives and information concerning the elements of the crime. During the course of these wire and electronic communications, conspirators routinely utilize coded references concerning their illegal activities in an effort to avoid detection by law enforcement;
- I will be working with The Department of Homeland Security Investigations who has been assigned court authorized wiretaps in the past and has been trained to operate the equipment utilized to conduct such operations;
- I am familiar with the language utilized over the telephone to discuss criminal activity, and know that the language is often limited, guarded, and coded;
- I know that criminal enterprises routinely use prepaid telephones requiring no subscriber information, and often use fictitious names or the names of other individuals to register telephones, vehicles, real property, and utility services in order to avoid detection by law enforcement.
- I know that individuals involved in a complex criminal organization use the proceeds obtained from their crimes to purchase assets such as vehicles,

property, and jewelry. I also know that these criminals often use nominees to purchase and/or title these assets in order to avoid scrutiny from law enforcement.

4. I certify that the New Mexico State Police along with The Department of Homeland Security Investigations are conducting an ongoing criminal investigation of Nicholas Ortiz and Jose Roybal Jr. in connection with violation of murder in the first degree by killing three human beings without lawful justification, and conspiracy in violation of New Mexico state statutes 30-2-1 and 30-28-2, (NMSA 1978). This case is being investigated by the New Mexico State Police and other federal, state, and local law enforcement officers. Information contained within this affidavit is based upon my personal knowledge and participation in this investigation, and upon information I believe to be reliable from the following sources:

a. Oral and written reports and documents about this and other investigations that I have received from members of NMSP, HSI and other federal, state, and local law enforcement agencies;

b. Physical surveillance conducted by NMSP and other federal, state, and local law enforcement agencies that has been reported to me either directly or indirectly;

c. Source of Information (SOI);

d. Public records; and

e. A review of call detail records, telephone toll records, caller identification (ID) information and subscriber information.

5. Because this Affidavit is being submitted for the sole purpose of securing authorization for the interception and recording of wire and electronic communications, Affiant has not included each and every fact known to me concerning the underlying investigation. Affiant has set forth only the facts that he believes are essential to establish the required foundation for an order authorizing the interception and recording of the

wire and electronic communications to include MMS and SMS (text messages and picture messages) as described in this Affidavit. Facts not set forth herein are not being relied upon in reaching his conclusion that an Order should be issued. Nor does he request that this Court rely upon any facts not set forth herein in reviewing this Affidavit or the accompanying Application for the interception and recording of wire and electronic communications.

6. This Affidavit is submitted in support of an application for an order authorizing the interception of wire and electronic communications to and from the cellular telephones (505) 501-3093 ("TARGET TELEPHONE") and 505-490-5934 ("TARGET TELEPHONE 2")

7. According to the information obtained through a NMSP analyst, the TARGET TELEPHONE'S current service provider, Sprint, is utilized by Nicholas Ortiz. Based on Affiants knowledge derived from the investigation referenced below, it is believed the TARGET TELEPHONE is in the possession of, or under the dominion and control of Nicholas Ortiz.

8. According to the information obtained through a NMSP analyst, TARGET TELEPHONE 2's current service provider, Verizon, is utilized by Jose Roybal Jr. Based on Affiants knowledge derived from the investigation referenced below, it is believed the TARGED TELEPHONE 2 is in possession of, or under the dominion control of Jose Roybal Jr.

SUBJECTS AND OFFENSES

1. Since June 19, 2011, Affiant has participated in the investigation of the deaths of Lloyd Ortiz (12-10-1952), Dixie Ortiz (09/24/1957) and Steven Ortiz (10-28-1989). As a

result of Affiant's personal participation in the investigation, review of reports of other law enforcement personnel and confidential sources, and on the basis of other information Affiant has reviewed and deems reliable, there is probable cause to believe that the SUBJECTS have committed, and are in violation of the following criminal offenses:

1. Murder, 30-2-1 NMSA (1978 Comp.)
2. Conspiracy, 30-28-2 NMSA (1978 Comp.)

2. There is probable cause to believe that the SUBJECTS and others yet unknown will be using the TARGET TELEPHONE and TARGET TELEPHONE 2 during the period of interception sought in furtherance of, in connection with, to facilitate, and to commit the above offenses.

INVESTIGATIVE OBJECTIVES

1. There is probable cause to believe that particular wire and electronic communications of the SUBJECTS and others yet unknown concerning the above offenses will be obtained through the interception of wire and electronic communications for which authorization is herein sought. In particular, there is probable cause to believe that these wire and electronic communications will concern the specifics of the above offenses, including:

- The nature, extent, and methods of operation of the homicide and conspiracy, of the SUBJECTS and others yet unknown;
- The dates, times, places, and manner in which the murders occurred by the SUBJECTS and others yet unknown;

- The locations where the murder weapon was located, stored or disposed;

- The identities of co-conspirators, accomplices, aiders and abettors, and other participants operating in concert with the SUBJECTS and their respective roles and participation in the above-mentioned offenses;

In addition, these wire and electronic communications are expected to constitute admissible evidence of the commission of the above-described offenses. It is further expected that interception of wire and electronic communications, if authorized, will provide evidence against the perpetrators of the above-described offenses that cannot reasonably be obtained by other means.

2. The nature of this investigation is such that there is probable cause to believe that additional communications of the same type will continue to occur after the described type of communications have first been obtained.

PERSONS EXPECTED TO BE INTERCEPTED

1. Nicholas Ortiz: (DOB: 11-1-1994). As detailed below Nicholas Ortiz is one of the main suspects regarding the murders of Lloyd, Dixie and Steven Ortiz. Based on information from precision location data obtained from search warrants, and surveillance, it is believed that Nicholas resides at 30 Feather Catcher Road, Santa Fe, New Mexico. Nicholas has no known violent criminal history.

2. Jose Roybal Jr.: (DOB: 01-31-1996). As detailed below Jose Roybal Jr. is one of the main suspects regarding the murders of Lloyd, Dixie and Steven Ortiz. Based on information from precision location data obtained from search warrants, and surveillance,

it is believed that Jose resides on Little Lous Avenue, El Rancho, New Mexico. Jose has previously been detained and incarcerated at the Juvenile Detention Center in Santa Fe for narcotics violations and battery charges

SOURCE OF INFORMATION QUALIFICATION

1. The Source of Information (SOI) discussed below has assisted in this investigation and provided information set forth in this Affidavit. The SOI's information is based on his/her own independent personal knowledge and observations.

- Source of Information -1 Ashley Roybal. Ashley had contact with law enforcement regarding the murder of Lloyd, Dixie and Steven Ortiz and has provided information, however, is not a paid informant. On October 17, 2012, Law Enforcement debriefed Ashley, regarding her knowledge and involvement in the murder of the Ortiz family. A significant amount of the information provided by Ashley has been corroborated by other information and none of Ashley's information has proven false. Therefore, Affiant believes this information from Ashley to be reliable.

FACTS AND CIRCUMSTANCES

Background of Investigation

1. The New Mexico State Police and HSI have been actively investigating the murder of the Ortiz family at 3A Coral Street, El Rancho, New Mexico. Lloyd, Dixie and Steven live on the same property as their (Lloyd and Dixie)'s daughter and son-in-law, Cherie Ortiz Rios and Jesse Rios. The property is divided and both residences are situated on same property in El Rancho. June 19, 2011, Cherie Ortiz-Rios found three of her family members deceased at her parent's residence. Lloyd was located in the back

yard, Dixie in the master bedroom and Steven in kitchen. Autopsy revealed severe head trauma caused by an instrument later identified and collected by NMSP Agents as a pick axe tool. According to OMI, Lloyd was struck 7 times with pick axe. Dixie was struck 2 times with pick axe and Steven was struck 17 times with pick axe. Seventeen Marijuana plants were located in the back yard during the execution of the search warrant for crime scene processing.

2. Nicholas Ortiz's name was brought up several times during interviews and labeled as a person of interest. Nicholas identified himself to me as a ranked in member of the Southside Gang. When Nicholas was interviewed, he placed himself in the Ortiz's backyard weeks prior to the murders. He said he was near the Ortiz residence at his girlfriend's house when her mother came home and he had to leave. While he was walking home, he heard Steven in his drum room (in back yard) playing music. He said he jumped over the fence and was in the back yard when Lloyd and Robert (Lloyd's grandson-Cherie's son) came out of the house and into the back yard. When they got near Nicholas, he jumped up and roared at them since he had been caught in the yard. According to Nicholas, Lloyd yelled at him and then invited him back inside of the residence (Ortiz's) to smoke Marijuana with them. Nicholas made a comment during an interview that if someone disrespected him, he would do the same thing back to them and that he didn't put up with that kind of stuff. Nicholas said he would yell at the teachers in school that would make fun of him. Another comment Nicholas made during an interview was that if someone messed with his girlfriend, he would find out who it was and they wouldn't be living after. Nick also identified during an interview that he once broke into Lloyd, Dixie and Steven's residence while they were inside sleeping, and stole

a firearm from their residence without them waking up.

I asked Nicholas if he would text Jose while they were hanging out together or if they would mainly text each other when they were apart. He said if he made a joke about his family, he would text it to him, otherwise they would just text each other when they were not near each other.

3. Conversation with Erik Zubia-Talavera: Erik stated twice to NMSP that on the morning of June 19, 2011, Nicholas called him on his cellular telephone and relayed to him that he killed them, referring to the Ortiz family.

4. Ashley Roybal: October 17, 2012- interview with Ashley. Ashley contacted Law Enforcement with information pertaining to this investigation. She didn't want any compensation for the information, but rather she just wanted to get the information off of her conscience and relayed to the appropriate authorities. During my introduction to her, she interrupted me by stating "I know who did it" two times. She said that on June 19, 2011 at around 3:00 a.m., both Nicholas and Jose called her and told her they were going to need a ride but provided no further details. They went to Ashley's house and asked her for a ride to the bridge on County Road 101E (Evergreen Lane), which was near the Ortiz's residence. She then returned to her residence. At around 3:45 a.m., Jose called her and told her he was walking and didn't know where Nicholas was. While she was on the phone with him, Nicholas called her so she switched telephone lines to speak with him. He told her he was in front of Steven's house and needed her to pick him up there. She parked near a tree by Jesse and Cherie's residence and called Nicholas on his cellular telephone since she did not see him. He told her he was running across the river and told her to pick him up there. She drove past Jesse and Cherie's residence, on County Road

84A, turned right onto County Road 101E and then turned right, onto County Road 84D, after she crossed the bridge. When she picked him up, he had a plastic bag around one of his feet and his clothes were saturated in what she said was blood. When she saw Nick get into her car, she remembered he was wearing a black short sleeved t-shirt, black jogging style pants with a thin white line down the outside seam, and black and white Nike shoes, similar to Air Jordan's (black shoes with white soles). He told her he lost the other bag that was around his foot in the river. He told her he had socks on each of his hands during the murders and threw them away before she picked him up. She told Affiant that in between his shoes and the plastic bags, he put tissue. As they drove away from the river, he threw the plastic bag from his foot out the window. She drove Nicholas to her grandparent's residence at 7 Little Lous Avenue, El Rancho, so he could take a shower. While he was in the shower, she said he was crying and told her that "I fucked up, I fucked up." Nicholas put his bloody clothes in a trash bag Ashley provided him with and she gave him a pair of black sweatpants, a white t shirt and a pair of socks. At around 5:00 a.m., she then drove him to his residence off of State Road 502, behind the car wash in Pojoaque, New Mexico, which he cried the entire way there. He called her the next day and told her that he killed them with a pick axe but didn't tell her where he got the pick from. He wasn't specific who "them" were but kept saying "I killed them." He also told her "not to fuckin say anything." Ashley thought he would kill her if she said anything. He told her he initially intended to rob the Ortiz's for $20,000 which he knew was in a safe in the closet.

She said when she was near the Ortiz's picking up Nicholas, she saw Jesse Rios's Dodge truck leave his residence and she knew he saw her car, which she described as a

gray two door Saturn passenger car. Nicholas told her that all three of them fought back and Lloyd was first, Steven was second in the kitchen and Dixie was third in the bedroom. She said Jose Roybal Jr. was supposed to help Nicholas, but according to Nicholas, he "punked out." Nicholas told Ashley that Jose walked up to the Ortiz's house with him, got scared and went back to his house on foot. Nicholas went inside of the house and did it himself.

Ashley clarified and said that as she was on her way back to her house with Nicholas, she saw Jose walking up Olive lane, which was behind her house. Jose turned to Nicholas while they were outside of Ashley's house and asked Nicholas, "did you do it?"

Nicholas replied to Jose, "yea and I fucked up. I didn't get the money." Ashley said she talked to Nicholas on the phone a total of approximately four different times that evening. During the next morning, Nicholas called Ashley and said "I killed them, I fuckin killed them." He called her again about twenty minutes after the police responded to the Ortiz's residence and said "you fuckin say anything, I'm not even joking, you know I ain't playing, they don't call me dangerous for nothing." He told her that he went into their house to get the money and things got out of control.

5. Jose Roybal interview: Jose identified himself as a ranked in member of the Southside Gang. During an interview with Jose, he told me that he and Nicholas went to Jesse and Cherie's house on the evening of the homicide to buy Marijuana from them. He said he stayed on the main road and Nicholas approached the door and knocked on it. Once nobody answered, Jose said he turned around and walked home without Nicholas. He said he thought Nicholas may have gone to Herbert's house to find dope since Jesse

and Cherie didn't answer their door. Jose denied any involvement in the murders.

6. Jaiven Baros interview: Jaiven was the girlfriend of Jose during the homicide. During an interview with her, she said she talked to Jose on the phone during the evening of the homicide. She said he told her they were going to rob the Ortiz's residence. She said she thought they were walking to the Ortiz's while she was on the phone with him because the background noise made it sound like they were walking.

NEED FOR INTERCEPTION

1. Affiant is aware that a number of normal and routine investigative techniques are available for the investigation of felony offenses. These techniques are used in conjunction with one another and include: physical surveillance, the use of confidential informants and cooperating sources, the introduction of undercover officers into the organization, the execution of search warrants, the use of grand jury or administrative subpoenas to – or interviews of – subjects and potential witnesses, and the analysis of pen register and trap and trace data and toll records.

2. Based upon Affiants training and experience, and based upon all the facts set forth herein, Affiant believes that the interception of wire and electronic communications is the only available technique that has reasonable likelihood of achieving all the objectives of this investigation and securing the evidence necessary to prove beyond a reasonable doubt that the SUBJECTS and the others as yet unknown are engaged in the above-described offenses. The following investigative techniques, which are usually employed in the investigation of this type of criminal case, have been tried and have failed, reasonably appear to be unlikely to succeed if they are tried, or are too dangerous to

employ, as detailed in the paragraphs below.

ALTERNATIVE INVESTIGATIVE TECHNIQUES

Physical Surveillance

1. Physical surveillance has been attempted on numerous occasions during this investigation, as described below. Although it is has proven valuable in identifying some activities and associates of the SUBJECTS, physical surveillance, if not used in conjunction with other techniques, including electronic surveillance, is of limited value and is unlikely to achieve fully the stated objectives of this investigation. Physical surveillance is unlikely to provide who the suspects of the murders are or link their connection to this crime. This is consistent with Affiants experience that physical surveillance, even if highly successful, has not succeeded in gathering sufficient evidence of the criminal activity under investigation. It is an investigative technique used to confirm meetings between alleged conspirators and usually only leads investigators to speculate as to the purpose of the meetings. When physical surveillance is used in conjunction with electronic surveillance, the purpose of the meetings takes on a new significance and may constitute admissible evidence, especially if it concerned an intercepted conversation of criminal activity. Otherwise, physical surveillance is generally only effective to corroborate other indicators of illegal conduct or provide leads to further the investigation.

2. In this investigation, agents have on occasion followed certain SUBJECTS in an effort to identify their criminal associates and times and places of meetings, but those efforts have been mostly unsuccessful. The SUBJECTS have been observed meeting

with individuals and entering businesses and residences, but there has been no overt activity observed that suggested criminal activity was occurring. However, based on Affiant's training and experience, Affiant is not surprised that agents have been unable to observe any criminal activity. Most sophisticated and significant criminals conduct their illegal activities in a secretive manner, often operating within residences or businesses where their actions cannot be seen. Therefore, surveillance in conjunction with the interception of wire and electronic communications is likely to enable Agents to identify the targets to be observed, to verify some of the illegal activities they have engaged or are engaging in, and to aid in the achievement of the objectives of the investigation.

3. In this case, physical surveillance of the conspirators has not established, and is not likely to establish, conclusively all the elements of the violations and has not and most likely will not establish conclusively the identities of all the significant conspirators. In addition, continued surveillance is not expected to enlarge substantially upon information now available; rather, such prolonged or regular surveillance of the movements of the suspects would most likely be noticed, causing them to become more cautious in their illegal activities, to flee to avoid further investigation and prosecution, to cause a real threat to the safety of the informants, or to otherwise compromise the investigation.

4. Physical surveillance is also unlikely to establish conclusively the roles of the known conspirators, to identify additional conspirators, or otherwise to provide admissible evidence in regard to this investigation because:

5. Although Agents have been able to identify an address, 30 Feather Catcher Road, associated with Nicholas Ortiz, Agents cannot successfully conduct surveillance on the

address because it is at the dead end of a street. It is known that Nicholas Ortiz does not have any vehicles, and changes phones constantly; therefore surveillance on these SUBJECTS is difficult since Agents would have to observe them meeting other SUBJECTS at other residences or other known locations and attempt to follow them until at some point they appeared to have returned to their own residences. This would be a highly speculative endeavor and would most likely cause them to notice surveillance and change their activities.

6. The nature of some of the neighborhoods where the SUBJECTS possibly live and conduct business also limits physical surveillance. For example, the residence located at 30 Feather Catcher Road, utilized by Nicholas Ortiz is located in the end of a dead end private driveway. The roads within this community are narrow and the homes are in close proximity to one another. These reasons contribute to the difficulty of maintaining stationary surveillance of the residence. Affiant states that any vehicles that do not frequent the neighborhood are highly suspect and watched carefully by neighbors.

7. Even when physical surveillance is undetected, it is not possible to determine the full nature and scope of the criminal activity by the use of physical surveillance alone. It should be noted during the surveillance Nicholas Ortiz, he displayed counter surveillance behaviors. For example, Nicholas was observed inside of a vehicle that our uniform bureau was going to perform a traffic stop on. As the officer turned around to stop the vehicle, Nicholas fled from the vehicle prior to the traffic stop. Affiant states that he has been present on the surveillance follows of numerous criminal investigations and he knows that this specific behavior is consistent with that of subjects who are currently partaking in criminal acts.

8. Further surveillance of the targets would most likely be noticed, causing them to become more cautious in their illegal activities, to flee to avoid further investigation and prosecution, or otherwise to compromise the investigation. Performing surveillance on Nicholas Ortiz, Jose Roybal Jr. and their co-conspirators has proved difficult due to the fact that they have mentioned that they have observed surveillance being conducted on them.

Electronic Surveillance

1. On August 14, 2014, State of New Mexico, Santa Fe County District Court authorized the analyzing of and the ability to obtain location data (also known as GPS location data), and subscriber information on TARGET TELEPHONE and TARGET TELEPHONE 2.

2. The service provider for TARGET TELEPHONE is Sprint and TARGET TELEPHONE 2 is Verizon. After speaking with a representative regarding the location data provided by Sprint and Verizon, I know a satellite to handset signal that provides the precision location of the handset at that particular time is sent at certain intervals (15 minutes at a time). This information is sent to Agents in the form of latitude and longitude coordinates. In addition to latitude and longitude coordinates, the accuracy of each specific coordinate is given by the radial distance (in meters) in which the device could be located. For example, if the radial distance for a particular coordinate is listed at five meters, it means the device is located within five meters of the coordinate.

Undercover Agents, Confidential Informants and Cooperating Sources

1. Undercover Agents with NMSP and HSI are currently being utilized in the

investigation and will be helpful in meeting the goals of this investigation. However, it has been my experience that individuals involved in a complex and organized criminal syndicate are careful about introducing outsiders to other members of the organization. Even more important, they are careful to limit and compartmentalize the knowledge that each member, especially new members, of the organization has. This prevents members from having enough information to do substantial harm to the organization in the event that they decide to cooperate with law enforcement.

2. As stated in the attached affidavit, Ashley Roybal was only able to provide a limited amount of information regarding the murders. For example, Ashley was able to provide details regarding the murder but did not have information about the murder weapon, nor was she present during the murders.

3. The technique of using cooperative sources often is very productive in an investigation. Reliable cooperating sources have been developed and used on a limited bases, and will continue to be developed and used, in regard to this investigation should they become available to Agents. However, for the reasons set forth below, Affiant believes that, at this stage of the investigation, the use of confidential informants/cooperating sources is unlikely to achieve the objectives of the investigation.

Grand Jury or Administrative Subpoenas or Interviews of Subjects

1. Based on Affiant's experience and conversations with Assistant District Attorneys and other senior law enforcement Agents who have experience prosecuting violations of criminal law and the crimes set forth in this Affidavit, Affiant believes that subpoenaing persons believed to be involved in this conspiracy or their known associates before a grand jury, or attempting to interview them outside the grand jury process, would not be

completely successful in achieving the stated goals of this investigation. If any of the principals of this conspiracy, their co-conspirators, associates, or other participants were called to testify before the grand jury or asked to provide interviews; they would most likely invoke their Fifth Amendment privilege not to testify. It would be unwise to seek any kind of immunity for those persons, because the granting of such immunity might foreclose prosecution of the most culpable members of this conspiracy and could not ensure that such immunized witnesses would provide truthful testimony. This technique was tried as mentioned above and been proven ineffective.

2. Agents have not yet identified any other individuals, other than Ashley Roybal who are likely to provide information about the SUBJECTS and their criminal activities without revealing the investigation to them and their criminal associates.

3. Affiant believes that the service of grand jury subpoenas on the principals of the conspiracy or their co-conspirators, or requesting that they submit to interviews by law enforcement agents, would only alert them to the existence of this investigation, causing them to become more cautious in their activities, to flee to avoid further investigation or prosecution, to threaten the life of confidential sources or informants or undercover agents, or otherwise compromise the investigation. Moreover, a grand jury investigation, or interviews of the target SUBJECTS or their associates, would not be successful in exposing the full nature and scope of the criminal activity, or the identities of all participants. It is reasonable to expect that any physical evidence, such as bloody clothing, plastic bags, or socks would be destroyed or hidden upon learning that the grand jury or law enforcement officers were seeking information. Additionally, the potential for violence associated with criminal entities associated with SUSPECTS also acts as a

significant deterrent in securing, not only testimony, but truthful testimony, from any potential grand jury witness or interview participant.

Examination of Discarded Trash

1. An investigative technique that sometimes provides valuable evidence is a "trash pull," or the collection and examination of discarded trash at a subject's residence. Trash pulls have been considered in this investigation however, due to New Mexico State Law identifying discarded trash as private property and the requirement of a search warrant to pull the trash agents have decided against trash pulls at this time. As stated above in the search warrants section Affiant believes that the execution of a search warrant for the trash and the need to leave a return of service would more than likely compromise the investigation by alerting the principals to the investigation and allowing other unidentified members of the conspiracy to insulate them further from successful detection.

1. However, even if Agents were successful in collecting trash frequently from the SUBJECTS' known residences and/or businesses, it is not likely that a criminal case could be made against the SUBJECTS based on the evidence alone. While such information would be of some value, it certainly would not provide the evidence needed to identify and convict the SUSPECTS of this investigation.

CONCLUSION

1. Based upon the foregoing, Affiant believes that the interception and recording of wire and electronic communications to and from TAGET TELEPHONE and TARGET TELEPHONE 2 are an essential investigative means in obtaining evidence of the offenses in which the SUBJECTS and others yet unknown are involved.

2. Affiant further believe that the facts stated herein establish that the SUBJECTS and others yet unknown were engaged in the murders and that the evidence sought will be intercepted on a continuing basis following the first receipt of the particular communications that are the object of this request. Therefore, Affiant requests that the Court order that the interception need not terminate when the communications described herein are first intercepted, but may continue until the full scope of the enterprise is developed, including the identities of all participants, their level of involvement and the various activities in which they were engaged in furtherance of the murders, or for a period of thirty days from the earlier of the day on which law enforcement officers first begin to conduct the interception or ten days from the date the requested Order is entered.

3. The contents of any communication will be recorded on digital media or any comparable recording device. The recordings will be protected from editing or any other alterations. One copy will be delivered to the court at the conclusion of the wiretap period authorized by this court and sealed. One copy is to be maintained by the New Mexico State Police evidence custodian and one copy is to be maintained by the investigative team of the New Mexico State Police as a working copy to further aid in this investigation. All recordings will be maintained for not less than ten years.

4. The information gained through the use of such equipment materially assists the New Mexico State Police and Homeland Security Investigations, thereafter the prosecuting agencies, in obtaining the necessary criminal evidence to document the SUBJECTS illegal activity in this investigation. Based upon the foregoing, it is Affiants belief that the interception of electronic communications is an essential investigative means in obtaining evidence of the totality of the offenses in which the SUBJECTS are

involved.

MINIMIZATION

1. Interception will also be suspended when it is determined through voice identification, physical surveillance, or otherwise, that none of the SUBJECTS or any of their confederates, when identified, are participants in the conversation, unless it is determined during the portion of the conversation already overheard that the nature of the conversation is criminal, to include but not limited to: gang related activity, crimes related to drugs, crimes associated with violence, firearms and/or death. If a conversation is minimized, the monitoring personnel will be instructed to spot check to ensure that the conversation has not returned to criminal matters. To avoid interception of privileged communications, the monitoring personnel will be instructed to minimize privileged communications between husbands and wives, between physicians and patients, between clergy and penitents, or between those named SUBJECTS and legal counsel that pertain to strategy or conduct of any trial or otherwise privileged communications. If a privileged communication is intercepted, such interception will be minimized and the monitoring personnel will be instructed to enter into logs kept pursuant to the monitoring a notation that the communication was minimized and the supervising attorney will be immediately notified of the interception.

2. The investigation has revealed that the SUBJECTS may sometimes communicate in coded language. It is anticipated that mostly English/Spanish speaking persons will be assigned to monitor communications during this investigations. However, in the event that an intercepted communication is in code or another foreign language, and an expert in that code or foreign language is not reasonably available during the interception

period, Affiant requests authority for monitoring personnel to intercept the entire communication, with minimization to be accomplished as soon as practicable after the interception.

SEALED

1. Affiant further requests that due to the sensitive nature of this investigation this Affidavit and subsequent Application and Order be sealed by the court, and all communications service providers, their agents and employees shall not reveal to the subscriber nor to any other person the existence of this investigation or the devices used to accomplish the aforementioned monitoring unless and until ordered by this court.

EX PARTE APPLICATION

COMES NOW, Sergeant Kraig Bobnock of the New Mexico State Police, before the 1st Judicial District Court by and through District Attorney Angela Pacheco of the 1st Judicial District Attorney's Office, and submits this application requesting an Order authorizing the installation and use of a PEN Register and a Trap and Trace Device on the following cellular telephone:

a) 505-221-0857 (the "Target Telephone")

b) Affiant states that he has probable cause to believe that the Target Telephone and the information likely to be obtained by such installation and use is relevant to an on-going criminal investigation into **Murder** in connection of possible violations of **NMSA 30-2-1.**

THE AFFIANT CERTIFIES that he believes that probable cause exists that those named in this Application and the accompanying statement of probable cause are involved in the commission of NMSA 30-2-1 and/or using the Target Telephone in furtherance of the commission of NMSA 30-2-1 and the numbers dialed or pulsed from

the Target Telephone are relevant to an ongoing criminal investigation of the specified offenses.

THE AFFIANT CERTIFIES that the New Mexico State Police working jointly with Homeland Security Investigations (the "Investigative Agencies") are conducting an ongoing criminal investigation of Nicholas Ortiz, Jose Roybal Jr., and others both known and as yet unknown, in connection with possible violations of NMSA 30-2-1, Homicide. It is believed that one or more subjects of the investigation are using the Target Telephone. Moreover, Affiant offers the following specific and articulable facts, which show that there are reasonable grounds to believe that the information sought is relevant and material to this ongoing criminal investigation. The investigation has revealed that the subjects were on the decedent's property during the approximate time the homicide occurred. Affiant has determined that the subject, Jose Roybal Jr. is using the Target Telephone to contact other conspirators. Affiant verified Jose is using this telephone number as his primary line of communication through text message conversations with him. Affiant texted this telephone number and observed Jose receive the message and reply with another text to my cellular telephone. Affiant believes that Jose Roybal Jr. uses the Target Telephone to discuss details of the homicide. Standard investigation and surveillance practices have been unable to identify all the conspirators. Affiant believes that the information sought is likely to yield evidence of the commission of the subject offense, will help identify other persons acting in criminal concert with the named subject(s), and will assist law enforcement agents in further evidence collection. Cell site information will help the Affiant to corroborate information provided by other sources in building a strong case against the target.

IT IS REQUESTED, that the Court order the telephone service provider listed to allow agents of New Mexico State Police, Homeland Security Investigations and/or any other law enforcement agency to install and use the PEN register to register numbers dialed or pulsed from the Target Telephone to record the date and time of such dialing or pulsing and to record the length of time the telephone receiver in question is off the hook for incoming and outgoing calls without geographical limitations to include the entire United States, for a period of 60 days, and; that Agents or authorized civilian of the New Mexico State Police, Homeland Security Investigations and/or any other law enforcement agency be allowed to install and use a trap and trace device on the Target Telephone to record the telephone numbers calling or being called by the Target Telephone, and all other functions and capabilities of the target device including but not limited to all wireless digital functions and automatic mode switching functions if available without geographical limits to include the entire Untied States.

IT IS REQUESTED the Court order, Verizon Wireless and any and all telecommunications providers subject to regulation by the federal Communications Commission that provide telecommunications services within the United States of America, as listed on an ongoing basis on FCC Form 499-A (hereinafter referred to as "Telecommunication Companies"), or Internet Service Providers (hereinafter referred to as ISP), Voice-Over-Internet Protocol Providers (hereinafter referred to as VOIP Provider) and any other service providers to furnish information facilities, and technical assistance 24 hours a day, 7 days a week, necessary to accomplish the installation and operation of the devices unobtrusively and with a minimum disruption of normal telephone service.

IT IS REQUESTED that the Court order, Verizon Wireless to activate and provide caller ID information, and any calling features such as call forwarding and speed dialing currently assigned to the phone number, if available.

IT IS REQUESTED that the Court order, Verizon Wireless and any other Telecommunications Company, ISP, and/or VOIP Provider to provide cell site data and/or GPS location information including, but not limited to, cell site location (physical address) of call initiation, call termination and call progress locations (Automated Message Accounting Data) connected to the use of each target number without geographical limitations, pursuant to Title 18 USC Section 2703(D). Such service provider, should be ordered to initiate a signal to determine the location of the subject's mobile device on the service provider's network or with such other reference points as may be reasonably available and at such intervals and times as directed by the law enforcement Agent serving the requested order.

IT IS REQUESTED that the Court order, Verizon Wireless and any other Telecommunications Company, ISP, and/or VOIP Provider to provide toll information, Call Detail Records (CDR's) including any and all historical data for a period of 60 days prior to the date of the requested order and/or for the duration of that order, originating and terminating call detail, ESN or other equipment identifying information, buddy lists and cell site location information from any and all telephones called or being called by each target number, any numbers discovered through the investigation and the target number if available and shall provide this information within 48 hours of request from Law Enforcement.

IT IS REQUESTED that the Court order, Verizon Wireless and any other affected telephone companies and long-distance carriers to be compensated by the New Mexico State Police or Homeland Security Investigations for reasonable expenses incurred complying with the court order.

IT IS REQUESTED that the Court order, Verizon Wireless and any other affected telephone companies and long-distance carriers, ISP, VOIP Providers and any other service provider to supply any and all information in their files with respect to persons called by the Target Telephone, the current Target Telephone, for persons calling the Target Telephone, and any other number that is identified through this investigation whether published or non-published, including but not limited to subscriber names, addresses, driver's license numbers, Social Security numbers, application information, credit information and billing information and any other phones, calling plans, start and stop dates, ESN, IMSI, IMEI, SIM numbers and buddy lists subscribed by the requested subscriber upon oral or written demand of agents of the New Mexico State Police, Homeland Security Investigations; and that the service providers ordered should provide that information within 48 hours of request from Law Enforcement.

IT IS REQUESTED that the Court order, that this Order and the Application be sealed until otherwise ordered by the Court and that Verizon Wireless and any other affected telecommunications companies, ISP, VOIP Provider and any other service providers shall not disclose the existence of the PEN register, the trap and trace device or the existence of this investigation to the listed subscriber or to any other person, unless or until otherwise ordered by the Court.

I declare under penalty of perjury, to the best of my knowledge and belief, the foregoing is true and correct.

AFFIDAVIT IN SUPPORT OF APPLICATION

I, Kraig Bobnock, being duly sworn, depose and state as follows:

INTRODUCTION

1. I am a Sergeant with the New Mexico State Police ("NMSP"), and have been so employed since June, 2008. I am currently assigned to The Investigations Bureau. My duties include the investigation of homicides, death investigations, officer involved shootings, violent felonies, drug related offenses, violent sex crimes, and white collar crimes.

2. Prior to my current assignment, I attended the New Mexico State Police Law Enforcement Academy in Santa Fe, New Mexico, and graduated in June of 2008. The academy was 20 weeks in duration and encompassed a comprehensive overview in law enforcement techniques. Affiant has also received formal advanced training in homicide investigations including a "Conducting Death and Homicide Investigations" training, a "Death Investigator School" training and also a "Crime Scene Reconstruction I" training as well as continual on the job training in conducting actual homicide investigations. My

experience as an Agent is, but is not limited to, conducting physical surveillance, interviewing witnesses, writing affidavits for and executing search warrants, working with undercover Law Enforcement officers/ agents and informants.

3. During my career in law enforcement, I have investigated violations of state statutes concerning homicide and related violations. I have had formal training and have participated in homicide and death investigations. Based upon my training, experience, and participation homicide and death investigations, I know and have observed the following:

- I have extensive experience conducting surveillance of individuals engaged in drug related offenses. I have participated in the execution of numerous search warrants where narcotics, stolen property were recovered and seized.
- I know that individuals involved in criminal activities often use wire and electronic communications facilities, including hard-line telephones, cellular telephones, push-to-talk two-way radios (PTT), public telephones, and other electronic devices to communicate operational directives and information concerning the elements of the crime. During the course of these wire and electronic communications, conspirators routinely utilize coded references concerning their illegal activities in an effort to avoid detection by law enforcement;
- I will be working with The Department of Homeland Security Investigations who has been assigned court authorized wiretaps in the past and has been trained to operate the equipment utilized to conduct such operations;
- I am familiar with the language utilized over the telephone to discuss criminal activity, and know that the language is often limited, guarded, and coded;
- I know that criminal enterprises routinely use prepaid telephones requiring no subscriber information, and often use fictitious names or the names of other individuals to register telephones, vehicles, real property, and utility services in order to avoid detection by law enforcement.
- I know that individuals involved in a complex criminal organization use the proceeds obtained from their crimes to purchase assets such as vehicles, property, and jewelry. I also know that these criminals often use nominees to purchase and/or title these assets in order to avoid scrutiny from law

enforcement.

4. I certify that the New Mexico State Police along with The Department of Homeland Security Investigations are conducting an ongoing criminal investigation of Nicholas Ortiz and Jose Roybal Jr. in connection with violation of murder in the first degree by killing three human beings without lawful justification, and conspiracy in violation of New Mexico state statutes 30-2-1 and 30-28-2, (NMSA 1978). This case is being investigated by the New Mexico State Police and other federal, state, and local law enforcement officers. Information contained within this affidavit is based upon my personal knowledge and participation in this investigation, and upon information I believe to be reliable from the following sources:

a. Oral and written reports and documents about this and other investigations that I have received from members of NMSP, HSI and other federal, state, and local law enforcement agencies;

b. Physical surveillance conducted by NMSP and other federal, state, and local law enforcement agencies that has been reported to me either directly or indirectly;

c. Source of Information (SOI);

d. Public records; and

e. A review of call detail records, telephone toll records, caller identification (ID) information and subscriber information.

5. Because this Affidavit is being submitted for the sole purpose of securing authorization for the interception and recording of wire and electronic communications, Affiant has not included each and every fact known to me concerning the underlying investigation. Affiant has set forth only the facts that he believes are essential to establish the required foundation for an order authorizing the interception and recording of the wire and electronic communications to include MMS and SMS (text messages and

picture messages) as described in this Affidavit. Facts not set forth herein are not being relied upon in reaching his conclusion that an Order should be issued. Nor does he request that this Court rely upon any facts not set forth herein in reviewing this Affidavit or the accompanying Application for the interception and recording of wire and electronic communications.

6. This Affidavit is submitted in support of an application for an order authorizing the interception of wire and electronic communications to and from the cellular telephone (505) 221-0857 ("TARGET TELEPHONE").

7. According to the information obtained through a NMSP analyst, the TARGET TELEPHONE'S current service provider, Verizon Wireless, is utilized by Jose Roybal Jr. Based on Affiants knowledge derived from the investigation referenced below, it is believed the TARGET TELEPHONE is in the possession of, or under the dominion and control of.

SUBJECTS AND OFFENSES

1. Since June 19, 2011, Affiant has participated in the investigation of the deaths of Lloyd Ortiz (12-10-1952), Dixie Ortiz (09/24/1957) and Steven Ortiz (10-28-1989). As a result of Affiant's personal participation in the investigation, review of reports of other law enforcement personnel and confidential sources, and on the basis of other information Affiant has reviewed and deems reliable, there is probable cause to believe that the SUBJECTS have committed, and are in violation of the following criminal offenses:

1. Murder, 30-2-1 NMSA (1978 Comp.)

2. Conspiracy, 30-28-2 NMSA (1978 Comp.)

2. There is probable cause to believe that the SUBJECT and others yet unknown will be using the TARGET TELEPHONE during the period of interception sought in furtherance of, in connection with, to facilitate, and to commit the above offenses.

INVESTIGATIVE OBJECTIVES

1. There is probable cause to believe that particular wire and electronic communications of the SUBJECT and others yet unknown concerning the above offenses will be obtained through the interception of wire and electronic communications for which authorization is herein sought. In particular, there is probable cause to believe that these wire and electronic communications will concern the specifics of the above offenses, including:

- The nature, extent, and methods of operation of the homicide and conspiracy, of the SUBJECT and others yet unknown;
- The dates, times, places, and manner in which the murders occurred by the SUBJECT and others yet unknown;
- The locations where the murder weapon was located, stored or disposed;
- The identities of co-conspirators, accomplices, aiders and abettors, and other participants operating in concert with the SUBJECT and their respective roles and participation in the above-mentioned offenses;

In addition, these wire and electronic communications are expected to constitute admissible evidence of the commission of the above-described offenses. It is further expected that interception of wire and electronic communications, if authorized, will

provide evidence against the perpetrators of the above-described offenses that cannot reasonably be obtained by other means.

2. The nature of this investigation is such that there is probable cause to believe that additional communications of the same type will continue to occur after the described type of communications have first been obtained.

PERSONS EXPECTED TO BE INTERCEPTED

1. Jose Roybal Jr.: (DOB: 01-31-1996). As detailed below Jose Roybal Jr. is one of the main suspects regarding the murders of Lloyd, Dixie and Steven Ortiz. Based on information from precision location data obtained from search warrants, and surveillance, it is believed that Jose resides at 6 Little Lous Avenue, El Rancho, New Mexico. Jose has previously been detained and incarcerated at the Juvenile Detention Center in Santa Fe for narcotics violations and battery charges

SOURCE OF INFORMATION QUALIFICATION

1. The Source of Information (SOI) discussed below has assisted in this investigation and provided information set forth in this Affidavit. The SOI's information is based on his/her own independent personal knowledge and observations.

- Source of Information -1 Ashley Roybal. Ashley had contact with law enforcement regarding the murder of Lloyd, Dixie and Steven Ortiz and has provided information, however, is not a paid informant. On October 17, 2012, Law Enforcement debriefed Ashley, regarding her knowledge and involvement in the murder of the Ortiz family. A significant amount of the information provided by Ashley has been corroborated by other information and none of Ashley's information has proven false. Therefore, Affiant believes this information from

Ashley to be reliable.

FACTS AND CIRCUMSTANCES

Background of Investigation

1. The New Mexico State Police and HSI have been actively investigating the murder of the Ortiz family at 3A Coral Street, El Rancho, New Mexico. Lloyd, Dixie and Steven live on the same property as their (Lloyd and Dixie)'s daughter and son-in-law, Cherie Ortiz Rios and Jesse Rios. The property is divided and both residences are situated on same property in El Rancho. June 19, 2011, Cherie Ortiz-Rios found three of her family members deceased at her parent's residence. Lloyd was located in the back yard, Dixie in the master bedroom and Steven in kitchen. Autopsy revealed severe head trauma caused by an instrument later identified and collected by NMSP Agents as a pick axe tool. According to OMI, Lloyd was struck 7 times with pick axe. Dixie was struck 2 times with pick axe and Steven was struck 17 times with pick axe. Seventeen Marijuana plants were located in the back yard during the execution of the search warrant for crime scene processing.

2. Nicholas Ortiz's name was brought up several times during interviews and labeled as a person of interest. Nicholas identified himself to me as a ranked in member of the Southside Gang. When Nicholas was interviewed, he placed himself in the Ortiz's backyard weeks prior to the murders. He said he was near the Ortiz residence at his girlfriend's house when her mother came home and he had to leave. While he was walking home, he heard Steven in his drum room (in back yard) playing music. He said he jumped over the fence and was in the back yard when Lloyd and Robert (Lloyd's grandson-Cherie's son) came out of the house and into the back yard. When they got near

Nicholas, he jumped up and roared at them since he had been caught in the yard. According to Nicholas, Lloyd yelled at him and then invited him back inside of the residence (Ortiz's) to smoke Marijuana with them. Nicholas made a comment during an interview that if someone disrespected him, he would do the same thing back to them and that he didn't put up with that kind of stuff. Nicholas said he would yell at the teachers in school that would make fun of him. Another comment Nicholas made during an interview was that if someone messed with his girlfriend, he would find out who it was and they wouldn't be living after. Nick also identified during an interview that he once broke into Lloyd, Dixie and Steven's residence while they were inside sleeping, and stole a firearm from their residence without them waking up.

I asked Nicholas if he would text Jose while they were hanging out together or if they would mainly text each other when they were apart. He said if he made a joke about his family, he would text it to him, otherwise they would just text each other when they were not near each other.

3. Conversation with Erik Zubia-Talavera: Erik stated twice to NMSP that on the morning of June 19, 2011, Nicholas called him on his cellular telephone and relayed to him that he killed them, referring to the Ortiz family.

4. Ashley Roybal: October 17, 2012- interview with Ashley. Ashley contacted Law Enforcement with information pertaining to this investigation. She didn't want any compensation for the information, but rather she just wanted to get the information off of her conscience and relayed to the appropriate authorities. During my introduction to her, she interrupted me by stating "I know who did it" two times. She said that on June 19, 2011 at around 3:00 a.m., both Nicholas and Jose called her and told her they were going

to need a ride but provided no further details. They went to Ashley's house and asked her for a ride to the bridge on County Road 101E (Evergreen Lane), which was near the Ortiz's residence. She then returned to her residence. At around 3:45 a.m., Jose called her and told her he was walking and didn't know where Nicholas was. While she was on the phone with him, Nicholas called her so she switched telephone lines to speak with him. He told her he was in front of Steven's house and needed her to pick him up there. She parked near a tree by Jesse and Cherie's residence and called Nicholas on his cellular telephone since she did not see him. He told her he was running across the river and told her to pick him up there. She drove past Jesse and Cherie's residence, on County Road 84A, turned right onto County Road 101E and then turned right, onto County Road 84D, after she crossed the bridge. When she picked him up, he had a plastic bag around one of his feet and his clothes were saturated in what she said was blood. When she saw Nick get into her car, she remembered he was wearing a black short sleeved t-shirt, black jogging style pants with a thin white line down the outside seam, and black and white Nike shoes, similar to Air Jordan's (black shoes with white soles). He told her he lost the other bag that was around his foot in the river. He told her he had socks on each of his hands during the murders and threw them away before she picked him up. She told Affiant that in between his shoes and the plastic bags, he put tissue. As they drove away from the river, he threw the plastic bag from his foot out the window. She drove Nicholas to her grandparent's residence at 7 Little Lous Avenue, El Rancho, so he could take a shower. While he was in the shower, she said he was crying and told her that "I fucked up, I fucked up." Nicholas put his bloody clothes in a trash bag Ashley provided him with and she gave him a pair of black sweatpants, a white t shirt and a pair of socks.

At around 5:00 a.m., she then drove him to his residence off of State Road 502, behind the car wash in Pojoaque, New Mexico, which he cried the entire way there. He called her the next day and told her that he killed them with a pick axe but didn't tell her where he got the pick from. He wasn't specific who "them" were but kept saying "I killed them." He also told her "not to fuckin say anything." Ashley thought he would kill her if she said anything. He told her he initially intended to rob the Ortiz's for $20,000 which he knew was in a safe in the closet.

She said when she was near the Ortiz's picking up Nicholas, she saw Jesse Rios's Dodge truck leave his residence and she knew he saw her car, which she described as a gray two door Saturn passenger car. Nicholas told her that all three of them fought back and Lloyd was first, Steven was second in the kitchen and Dixie was third in the bedroom. She said Jose Roybal Jr. was supposed to help Nicholas, but according to Nicholas, he "punked out." Nicholas told Ashley that Jose walked up to the Ortiz's house with him, got scared and went back to his house on foot. Nicholas went inside of the house and did it himself.

Ashley clarified and said that as she was on her way back to her house with Nicholas, she saw Jose walking up Olive lane, which was behind her house. Jose turned to Nicholas while they were outside of Ashley's house and asked Nicholas, "did you do it?"

Nicholas replied to Jose, "yea and I fucked up. I didn't get the money." Ashley said she talked to Nicholas on the phone a total of approximately four different times that evening. During the next morning, Nicholas called Ashley and said "I killed them, I fuckin killed them." He called her again about twenty minutes after the police responded

to the Ortiz's residence and said "you fuckin say anything, I'm not even joking, you know I ain't playing, they don't call me dangerous for nothing." He told her that he went into their house to get the money and things got out of control.

5. Jose Roybal interview: Jose identified himself as a ranked in member of the Southside Gang. During an interview with Jose, he told me that he and Nicholas went to Jesse and Cherie's house on the evening of the homicide to buy Marijuana from them. He said he stayed on the main road and Nicholas approached the door and knocked on it. Once nobody answered, Jose said he turned around and walked home without Nicholas. He said he thought Nicholas may have gone to Herbert's house to find dope since Jesse and Cherie didn't answer their door. Jose denied any involvement in the murders.

6. Jaiven Baros interview: Jaiven was the girlfriend of Jose during the homicide. During an interview with her, she said she talked to Jose on the phone during the evening of the homicide. She said he told her they were going to rob the Ortiz's residence. She said she thought they were walking to the Ortiz's while she was on the phone with him because the background noise made it sound like they were walking.

NEED FOR INTERCEPTION

1. Affiant is aware that a number of normal and routine investigative techniques are available for the investigation of felony offenses. These techniques are used in conjunction with one another and include: physical surveillance, the use of confidential informants and cooperating sources, the introduction of undercover officers into the organization, the execution of search warrants, the use of grand jury or administrative subpoenas to – or interviews of – subjects and potential witnesses, and the analysis of pen

register and trap and trace data and toll records.

2. Based upon Affiants training and experience, and based upon all the facts set forth herein, Affiant believes that the interception of wire and electronic communications is the only available technique that has reasonable likelihood of achieving all the objectives of this investigation and securing the evidence necessary to prove beyond a reasonable doubt that the SUBJECTS and the others as yet unknown are engaged in the above-described offenses. The following investigative techniques, which are usually employed in the investigation of this type of criminal case, have been tried and have failed, reasonably appear to be unlikely to succeed if they are tried, or are too dangerous to employ, as detailed in the paragraphs below.

ALTERNATIVE INVESTIGATIVE TECHNIQUES

Physical Surveillance

1. Physical surveillance has been attempted on numerous occasions during this investigation, as described below. Although it is has proven valuable in identifying some activities and associates of the SUBJECTS, physical surveillance, if not used in conjunction with other techniques, including electronic surveillance, is of limited value and is unlikely to achieve fully the stated objectives of this investigation. Physical surveillance is unlikely to provide who the suspects of the murders are or link their connection to this crime. This is consistent with Affiants experience that physical surveillance, even if highly successful, has not succeeded in gathering sufficient evidence of the criminal activity under investigation. It is an investigative technique used to confirm meetings between alleged conspirators and usually only leads investigators to

speculate as to the purpose of the meetings. When physical surveillance is used in conjunction with electronic surveillance, the purpose of the meetings takes on a new significance and may constitute admissible evidence, especially if it concerned an intercepted conversation of criminal activity. Otherwise, physical surveillance is generally only effective to corroborate other indicators of illegal conduct or provide leads to further the investigation.

2. In this investigation, agents have on occasion followed certain SUBJECTS in an effort to identify their criminal associates and times and places of meetings, but those efforts have been mostly unsuccessful. The SUBJECTS have been observed meeting with individuals and entering businesses and residences, but there has been no overt activity observed that suggested criminal activity was occurring. However, based on Affiant's training and experience, Affiant is not surprised that agents have been unable to observe any criminal activity. Most sophisticated and significant criminals conduct their illegal activities in a secretive manner, often operating within residences or businesses where their actions cannot be seen. Therefore, surveillance in conjunction with the interception of wire and electronic communications is likely to enable Agents to identify the targets to be observed, to verify some of the illegal activities they have engaged or are engaging in, and to aid in the achievement of the objectives of the investigation.

3. In this case, physical surveillance of the conspirators has not established, and is not likely to establish, conclusively all the elements of the violations and has not and most likely will not establish conclusively the identities of all the significant conspirators. In addition, continued surveillance is not expected to enlarge substantially upon information now available; rather, such prolonged or regular surveillance of the

movements of the suspects would most likely be noticed, causing them to become more cautious in their illegal activities, to flee to avoid further investigation and prosecution, to cause a real threat to the safety of the informants, or to otherwise compromise the investigation.

4. Physical surveillance is also unlikely to establish conclusively the roles of the known conspirators, to identify additional conspirators, or otherwise to provide admissible evidence in regard to this investigation because:

5. Although Agents have been able to identify an address, 30 Feather Catcher Road, associated with Nicholas Ortiz, Agents cannot successfully conduct surveillance on the address because it is at the dead end of a street. It is known that Nicholas Ortiz does not have any vehicles, and changes phones constantly; therefore surveillance on these SUBJECTS is difficult since Agents would have to observe them meeting other SUBJECTS at other residences or other known locations and attempt to follow them until at some point they appeared to have returned to their own residences. This would be a highly speculative endeavor and would most likely cause them to notice surveillance and change their activities.

6. The nature of some of the neighborhoods where the SUBJECTS possibly live and conduct business also limits physical surveillance. For example, the residence located at 30 Feather Catcher Road, utilized by Nicholas Ortiz is located in the end of a dead end private driveway. The roads within this community are narrow and the homes are in close proximity to one another. These reasons contribute to the difficulty of maintaining stationary surveillance of the residence. Affiant states that any vehicles that do not frequent the neighborhood are highly suspect and watched carefully by neighbors.

7. Even when physical surveillance is undetected, it is not possible to determine the full nature and scope of the criminal activity by the use of physical surveillance alone. It should be noted during the surveillance Nicholas Ortiz, he displayed counter surveillance behaviors. For example, Nicholas was observed inside of a vehicle that our uniform bureau was going to perform a traffic stop on. As the officer turned around to stop the vehicle, Nicholas fled from the vehicle prior to the traffic stop. Affiant states that he has been present on the surveillance follows of numerous criminal investigations and he knows that this specific behavior is consistent with that of subjects who are currently partaking in criminal acts.

8. Further surveillance of the targets would most likely be noticed, causing them to become more cautious in their illegal activities, to flee to avoid further investigation and prosecution, or otherwise to compromise the investigation. Performing surveillance on Nicholas Ortiz, Jose Roybal Jr. and their co-conspirators has proved difficult due to the fact that they have mentioned that they have observed surveillance being conducted on them.

Electronic Surveillance

1. On August 14, 2014, State of New Mexico, Santa Fe County District Court authorized the analyzing of and the ability to obtain location data (also known as GPS location data), and subscriber information on TARGET TELEPHONE.

2. The service provider for TARGET TELEPHONE is Verizon Wireless. After speaking with a representative regarding the location data provided by Sprint and Verizon, I know a satellite to handset signal that provides the precision location of the

handset at that particular time is sent at certain intervals (15 minutes at a time). This information is sent to Agents in the form of latitude and longitude coordinates. In addition to latitude and longitude coordinates, the accuracy of each specific coordinate is given by the radial distance (in meters) in which the device could be located. For example, if the radial distance for a particular coordinate is listed at five meters, it means the device is located within five meters of the coordinate.

Undercover Agents, Confidential Informants and Cooperating Sources

1. Undercover Agents with NMSP and HSI are currently being utilized in the investigation and will be helpful in meeting the goals of this investigation. However, it has been my experience that individuals involved in a complex and organized criminal syndicate are careful about introducing outsiders to other members of the organization. Even more important, they are careful to limit and compartmentalize the knowledge that each member, especially new members, of the organization has. This prevents members from having enough information to do substantial harm to the organization in the event that they decide to cooperate with law enforcement.

2. As stated in the attached affidavit, Ashley Roybal was only able to provide a limited amount of information regarding the murders. For example, Ashley was able to provide details regarding the murder but did not have information about the murder weapon, nor was she present during the murders.

3. The technique of using cooperative sources often is very productive in an investigation. Reliable cooperating sources have been developed and used on a limited bases, and will continue to be developed and used, in regard to this investigation should they become available to Agents. However, for the reasons set forth below, Affiant

believes that, at this stage of the investigation, the use of confidential informants/cooperating sources is unlikely to achieve the objectives of the investigation.

Grand Jury or Administrative Subpoenas or Interviews of Subjects

1. Based on Affiant's experience and conversations with Assistant District Attorneys and other senior law enforcement Agents who have experience prosecuting violations of criminal law and the crimes set forth in this Affidavit, Affiant believes that subpoenaing persons believed to be involved in this conspiracy or their known associates before a grand jury, or attempting to interview them outside the grand jury process, would not be completely successful in achieving the stated goals of this investigation. If any of the principals of this conspiracy, their co-conspirators, associates, or other participants were called to testify before the grand jury or asked to provide interviews; they would most likely invoke their Fifth Amendment privilege not to testify. It would be unwise to seek any kind of immunity for those persons, because the granting of such immunity might foreclose prosecution of the most culpable members of this conspiracy and could not ensure that such immunized witnesses would provide truthful testimony. This technique was tried as mentioned above and been proven ineffective.

2. Agents have not yet identified any other individuals, other than Ashley Roybal who are likely to provide information about the SUBJECTS and their criminal activities without revealing the investigation to them and their criminal associates.

3. Affiant believes that the service of grand jury subpoenas on the principals of the conspiracy or their co-conspirators, or requesting that they submit to interviews by law enforcement agents, would only alert them to the existence of this investigation, causing them to become more cautious in their activities, to flee to avoid further investigation or

prosecution, to threaten the life of confidential sources or informants or undercover agents, or otherwise compromise the investigation. Moreover, a grand jury investigation, or interviews of the target SUBJECTS or their associates, would not be successful in exposing the full nature and scope of the criminal activity, or the identities of all participants. It is reasonable to expect that any physical evidence, such as bloody clothing, plastic bags, or socks would be destroyed or hidden upon learning that the grand jury or law enforcement officers were seeking information. Additionally, the potential for violence associated with criminal entities associated with SUSPECTS also acts as a significant deterrent in securing, not only testimony, but truthful testimony, from any potential grand jury witness or interview participant.

Examination of Discarded Trash

1. An investigative technique that sometimes provides valuable evidence is a "trash pull," or the collection and examination of discarded trash at a subject's residence. Trash pulls have been considered in this investigation however, due to New Mexico State Law identifying discarded trash as private property and the requirement of a search warrant to pull the trash agents have decided against trash pulls at this time. As stated above in the search warrants section Affiant believes that the execution of a search warrant for the trash and the need to leave a return of service would more than likely compromise the investigation by alerting the principals to the investigation and allowing other unidentified members of the conspiracy to insulate them further from successful detection.

1. However, even if Agents were successful in collecting trash frequently from the SUBJECTS' known residences and/or businesses, it is not likely that a criminal case

could be made against the SUBJECTS based on the evidence alone. While such information would be of some value, it certainly would not provide the evidence needed to identify and convict the SUSPECTS of this investigation.

CONCLUSION

1. Based upon the foregoing, Affiant believes that the interception and recording of wire and electronic communications to and from TAGET TELEPHONE is an essential investigative means in obtaining evidence of the offenses in which the SUBJECTS and others yet unknown are involved.

2. Affiant further believe that the facts stated herein establish that the SUBJECTS and others yet unknown were engaged in the murders and that the evidence sought will be intercepted on a continuing basis following the first receipt of the particular communications that are the object of this request. Therefore, Affiant requests that the Court order that the interception need not terminate when the communications described herein are first intercepted, but may continue until the full scope of the enterprise is developed, including the identities of all participants, their level of involvement and the various activities in which they were engaged in furtherance of the murders, or for a period of thirty days from the earlier of the day on which law enforcement officers first begin to conduct the interception or ten days from the date the requested Order is entered.

3. The contents of any communication will be recorded on digital media or any comparable recording device. The recordings will be protected from editing or any other alterations. One copy will be delivered to the court at the conclusion of the wiretap period authorized by this court and sealed. One copy is to be maintained by the New Mexico State Police evidence custodian and one copy is to be maintained by the

investigative team of the New Mexico State Police as a working copy to further aid in this investigation. All recordings will be maintained for not less than ten years.

4. The information gained through the use of such equipment materially assists the New Mexico State Police and Homeland Security Investigations, thereafter the prosecuting agencies, in obtaining the necessary criminal evidence to document the SUBJECTS illegal activity in this investigation. Based upon the foregoing, it is Affiants belief that the interception of electronic communications is an essential investigative means in obtaining evidence of the totality of the offenses in which the SUBJECTS are involved.

5. The Agents with the New Mexico State Police and The Department of Homeland Security ordered Verizon Wireless to allow the interception on telephone number 505-490-5934 on September 5, 2014. After several days of monitoring this telephone number, Agents met with Jose Roybal Jr. at Wal-mart in Espanola and had an interview with him. During the interview, Jose Roybal Jr. provided Affiant with a new telephone number he was using. Affiant has been in contact with Jose Roybal Jr. through means of text messaging with this specific telephone number of 505-221-0857. Therefore, Agents do not believe Jose Roybal is using 505-490-5934 as his primary line of wire communications. Instead, Agents confirmed by numerous text messages that Jose Roybal Jr. is utilizing 505-221-0857 as his primary line of communication. Affiant has texted Jose Roybal Jr. several times and observed him open the device and respond with a text, verifying it was him sending the messages. Jose Roybal Jr. confirmed to Affiant that his girlfriend, Jasmin Reynosa is using telephone number 505-490-5934 as her primary means of communication. Affiant is requesting the Court issue an updated wire

communication Affidavit to allow Agents to monitor Jose Roybal Jr's updated cellular telephone.

MINIMIZATION

1. Interception will also be suspended when it is determined through voice identification, physical surveillance, or otherwise, that none of the SUBJECTS or any of their confederates, when identified, are participants in the conversation, unless it is determined during the portion of the conversation already overheard that the nature of the conversation is criminal, to include but not limited to: gang related activity, crimes related to drugs, crimes associated with violence, firearms and/or death. If a conversation is minimized, the monitoring personnel will be instructed to spot check to ensure that the conversation has not returned to criminal matters. To avoid interception of privileged communications, the monitoring personnel will be instructed to minimize privileged communications between husbands and wives, between physicians and patients, between clergy and penitents, or between those named SUBJECTS and legal counsel that pertain to strategy or conduct of any trial or otherwise privileged communications. If a privileged communication is intercepted, such interception will be minimized and the monitoring personnel will be instructed to enter into logs kept pursuant to the monitoring a notation that the communication was minimized and the supervising attorney will be immediately notified of the interception.

2. The investigation has revealed that the SUBJECTS may sometimes communicate in coded language. It is anticipated that mostly English/Spanish speaking persons will be assigned to monitor communications during this investigations. However, in the event that an intercepted communication is in code or another foreign language, and an expert

in that code or foreign language is not reasonably available during the interception period, Affiant requests authority for monitoring personnel to intercept the entire communication, with minimization to be accomplished as soon as practicable after the interception.

SEALED

1. Affiant further requests that due to the sensitive nature of this investigation this Affidavit and subsequent Application and Order be sealed by the court, and all communications service providers, their agents and employees shall not reveal to the subscriber nor to any other person the existence of this investigation or the devices used to accomplish the aforementioned monitoring unless and until ordered by this court.

REF: JOSE ROYBAL POLYGRAPH EXAMINATION

Sergeant Bobnock,

On Monday, September 15, 2014, Jose Roybal voluntarily submitted to a polygraph examination in Santa Fe, New Mexico. It was my understanding that the primary purpose of the examination was to determine if Mr. Roybal's statements to Agents regarding NMSP IB Case #11-23-1-0065, were truthful.

Before the polygraph examination you provided me with some background information relating to the case. After discussing the facts of the case and the information obtained during your investigation, it was determined that the polygraph would focus on if Mr. Roybal was being truthful about statements he made to Agents regarding if he caused the death of the Ortiz family and if he was on the Ortiz property at the time of the incident.

Prior to the polygraph examination, Mr. Roybal read and signed a "Polygraph Examination Release of Liability Form," assuring that the examination was being taken on a voluntarily basis.

The equipment utilized in the examination is recorded on a moving chart, which indicates strength and magnitude of heart rate, breathing pattern, and psychogalvanic reflex.

The following relevant questions were among those asked during the overall examination:

R32: Regarding the death of the Ortiz family, do you know for sure who caused their death?
Answer: Yes.

R33: Regarding the Ortiz family, did you cause their death?
Answer: No.

R34: Regarding the Ortiz family, did you enter their property on the night of their death?
Answer: No.

After careful analysis of all of Mr. Roybal's polygraph charts, the scoring showed **DECEPTION INDICATED** when answering questions R33 and R34.

A secondary test was then ran and the following relevant questions were asked:

R35: On the night of their death, did you enter the Ortiz property?
Answer: No.

R33: Did you enter the Ortiz property on the night of their death?
Answer: No.

After careful analysis of all of Mr. Roybal's polygraph charts, the scoring showed **DECEPTION INDICATED** when answering questions R35 and R33.

If you have any further questions regarding the polygraph examination or if I could be of any further assistance, please do not hesitate to call me anytime at (575) 835-8116.

PERSONNEL INVOLVED

(Sergeant Alvino Vigil, Agent Eric Armijo)

On 09-05-14, I was assigned to perform surveillance during court authorized court order????????. My surveillance shift was from 0800 hours to 1600 hours. My duties and responsibilities as part of the surveillance team were to gather intelligence regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Jose Roybal Jr.

Session 1

At approximately 9:33 a.m., Sergeant Vigil and I arrived at the target address located at 6 Lil Lou's Avenue in El Rancho, New Mexico. As we arrived, I observed a white Nissan pickup driven by an individual later identified as Luciano Roybal Jr. Sitting in the passenger seat was a young Hispanic male possibly matching the description of Jose Roybal Jr.

Sergeant Vigil and I followed the vehicle towards Pojoaque, New Mexico. At approximately 9:50 a.m., we observed the vehicle parked in front of the Phillips 66 gas station located at 67 Ogo Wii in Pojoaque, New Mexico. I started taking photographs of the parked Nissan pickup, and its driver, Luciano Roybal Jr. At approximately 9:53 a.m., I photographed the male passenger walking out of the gas station along with an older female Hispanic woman, later identified as Pamela Salazar. It appeared Pamela was an employee at the gas station. I took ten photographs of in all. At approximately 9:55 a.m., Luciano Roybal Jr. and Jose Roybal Jr. left the gas station in the Nissan pickup traveling north on US 84/285. Shortly thereafter we lost visual of the Nissan.

We drove back towards the residence but failed to locate the Nissan. After driving around the area, we parked at the intersection of Evergreen Lane and County Road 84D. At approximately 11:11 a.m., we observed the same Nissan pickup driving north on Evergreen Lane, passing our direction. We were able to follow the vehicle to the target residence. I observed the driver to be Luciano Roybal Jr. No one else was observed inside.

At approximately 2:20 p.m., we observed the Nissan drive past our location at Evergreen Lane and County Road 84D, traveling south. Luciano Roybal Jr. was the only occupant. We followed the vehicle to the same gas station in Pojoaque. There we observed Luciano pick up Pamela Salazar. They left the gas station and drove across the street to the Pojoaque Market. At approximately 3:12 p.m., they left and drove north on the frontage road where they stopped at the Kokoman Liquor Store in Pojoaque. They left at 3:14 p.m. and drove home, arriving at approximately 3:28 p.m.

This concluded our activity for the day.

Shift: Day Shift

On the above date, starting at 0800 hours, we were assigned to monitor the residence at #30 Feather Catcher Road in Pojoaque, New Mexico from the Buffalo Thunder Casino parking lot.

We observed a darker colored sedan (estimated to be grey or blue), drive up the driveway and park on the southeast corner of the residence, just in sight of our surveillance at approximately 1300 hours. The two individuals were seen outside the vehicle, walking around and on the porch (south side of the residence) and walking into and out of the residence.

AT approximately 1430 p.m., the vehicle was moved and no longer visible. A dark colored SUV was then located on the west end of the porch. Two subjects were observed on and around the porch area throughout the surveillance until a red Ford Mustang was observed.

At approximately 1600 hours, a red and black sports car, later identified as a Ford Mustang, was observed leaving the residence along with a dark colored sedan. The surveillance team lost sight of the vehicles.

Information was received from Lieutenant Isaac Valerio at 1620 hours indicating the target subject, Nicholas Ortiz, was believed to be at the Cities of Gold Casino. We observed the red and black sports car along with a female and male subject. The Ford Mustang is described as follows:

> 1999 Ford Mustang bearing New Mexico MLF309 and Vehicle Identification Number 1FAFP42X4Xf186252 registered to Jose A Mendez (DOB: 11/02/1958) with an address of HCR 64 Box 21-7 in Santa Cruz, New Mexico 87567.

The vehicle was observed leaving the Cities of Gold Casino and traveling back to the residence at 30 Feather Catcher Road at approximately 1645 hours. The vehicle parked at the residence. Several photographs were taken of the residence during the surveillance. This concluded our involvement in the surveillance.

NARRATIVE

On September 5, 2014, I was assigned to conduct surveillance on Nicholas (Nick) Ortiz. Nick is known to reside at 30 Feather Cather Road. I established visual surveillance on the residence at 1600 hours and relieved the day shift Agents. At 1605 hours, a dark gray car and a red Ford Mustang left the residence. Neither vehicle was picked up by surveillance units when the vehicles left the house. The red Ford Mustang was located at the Cities of Gold Casino by Agent Vaughn. According to personnel in the wire room, Nick was at Cities of Gold to pick up his girlfriend who was supposedly in a white Lexus. The Lexus was not located at the Cities of Gold Casino. The red Ford Mustang was bearing New Mexico license plate MLF309. The vehicle's registration comes back to Jose Mendez. The address listed for the vehicle is HCR 64 Box 21-7, Santa Cruz, NM.

The mustang left the Cities of Gold Casino at 1646 hours and went back to 30 Feather Catcher Road. At 1719 hours, the red Mustang left the residence and traveled to the Pojaque Supermarket. At the supermarket I observed an unidentified male and female exit the vehicle and enter the supermarket. The male occupant did resemble Nick. The male and female exited the store at 1843 hours and met with a gray Ford Mustang for several minutes. The license plate on the Ford was 270RZK. NARRATIVE

PERSONNEL INVOLVED

(Agent Paul Vaughan and Agent Charles A. Boylston)

On 9-6-14, I was assigned to assist with the surveillance of Jose Roybal Jr. My surveillance shift was from 1600 hours to 0000 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Jose.

While traveling to 6 Lil Lou's Avenue Santa Fe, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Jose work at the Walmart located at 1610 North Riverside Drive Espanola, NM 87532. Agent Vaughan and I traveled towards their location.

Upon our arrival we spoke with Agent Thorsted and we were as to the occurrence of events for the day. We were then giving a hand held radio and camera. After speaking with Agent Thorsted, Agent Vaughan and I then traveled into the Walmart parking and started our surveillance shift.

At 1641 we found a position in the parking lot which allowed us to observe both exits of the store.

At approximately 2103 we observed Jose with who we believed to be his parents. We observed them get into a white Nissan pickup displaying New Mexico MXK888. We then observed them leave the parking until they turned off at the Santa Claran Hotel and Casino at 2112. They parked in front of the smoke shop until 2114. We then followed them out of the casino parking lot until they stopped at the Kokoman liquor store at 2130. At 2134 we observed them leave and traveled towards the Cities of Gold Casino. While traveling through the parking lot we lost visual of the white Nissan pickup truck. Agent Vaughan and I then traveled to the residence located at 6 Lil Lou's Avenue Santa Fe. Upon our arrival at 2148 we drove down towards the house and observed the white pickup truck at the residence. We left area and parked a short way from the residence.

At 2345 we made contact with Santa Fe County Sheriff's Deputy Tony Romero. He informed us that the family he spoke with at the above mentioned address stated, that they were being followed since Thursday. Deputy Romero mentioned that there was also a fourteen year old male in the house and that the oldest son was at his girlfriend's house.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

PERSONNEL INVOLVED

(Special Agent (SA) Jeremy Stricklin, SA George Nassour)

On 6 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1600 hours 6 Sep 2014 to 0100 hours on 7 Sep 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

The surveillance team took over watch on the subject's house at approximately 1605 hours on 6 Sep 2014. Various locations were scouted for best view points and departure routes were traveled and familiarized. At approximately 1900 hours, Lt. Troy WEISLER notified that an individual named BOB (NFI) would be visiting subject shortly. The black GMC Envoy departed subject's house at approximately 1906 hours. I deployed with SA NASSOUR to find the vehicle at approximately 1907 hours. The vehicle was confirmed not present at the residence. After a few passes the GMC Envoy was again witnessed exiting the subject's house at approximately 1932 hours. We followed the vehicle to I-25 where it headed south. We identified a male driver and female passenger who were most likely the subject's parents. We witnessed the vehicle exit at the Camel Rock Casino and head toward the parking area.

At approximately 1947 hours, I returned with SA NASSOUR to continue watching the house. A light turned on at the subject's house at approximately 1954 hours. We were notified the subject's location was most likely at the residence. We were notified that the black GMC Envoy was still at the Camel Rock Casino parking area at approximately 1958 hours. At 2004 hours, an individual could be seen in the southeast window of the residence. The house went dark at approximately 2010 hours. The lights continued to go on and off with movement in the house with what appeared to be a bedroom light being operated the most. At approximately 2135, an individual who was shirtless was witnessed through a southwest window in an area which appeared to be a kitchen. The black GMC Envoy arrived back at the residence at approximately 2141 hours. Another vehicle, sedan with xenon headlights, drove up the residence driveway at approximately 2151 hours. Lights continued to be operated throughout the house with most of the attention at the southeast side of the house which appeared to be a bedroom. The last light was turned off at the residence at approximately 0025 hours on 7 Sep 2014. The sedan that drove up was identified as a red, older-style Ford Mustang with NM license plates and had lettering of MLP309 or NLP309 at approximately 0100 hours. No other activity was noted upon departure and surveillance was discontinued.

NARRATIVE

PERSONNEL INVOLVED

(Agents Paul Vaughan and Charles Boylston)

On September 7, 2014, Agent Charles Boylston and I were directed to conduct surveillance on Jose Roybal. Our shift was from 1600 hours to 0100 hours. We relieved the previous surveillance shift at approximately 1640 hours at Mr. Roybal's residence located at 6 Lil Lou's Santa Fe, NM. The following is a synopsis of what took place during our shift and the corresponding times.

1640 hours: Agent Boylston and I arrive at the area of 6 Lil Lou's and relieve Agents Blankenship and Thorstead

1648 hours: Mr. Roybal drives to our location in the white Nissan pickup with two dogs following him. He turns around right in front of us and drives back to his house

1655 hours: Grey Honda Accord with no hood comes back to the residence, occupied by young female driver and two male passengers

1700 hours: White Honda (Accord?) bearing NM MYZ755 drives in front of us occupied by five subjects. All subjects were watching us closely as they passed

1734 hours: Grey Honda Accord with no hood and young female driver leaves

1754 hours: Luciano Roybal walks up to our vehicle and begins to speak with us. He is obviously intoxicated as we notices watery eyes, slurred speech, and a slight odor. He asks us what we are doing there and why he is being watched and followed. Says he has noticed he has been followed since the previous Thursday and gives accurate descriptions of surveillance vehicles. Tells us his wife dared him to come speak to us and said he is recording our conversation. I begin recording the conversations as well on my cell phone. He says State Police agents went to his house today and spoke with his wife and son. He was taking a nap at the time. Mr. Roybal begins to tell us he thinks Jesse Rios committed the murders of the Ortiz family. He said Rios is the next door neighbor of Ortiz's and the two familys had disagreements and fought regularly. Says he grew up with Rios and knew him well. Mr. Roybal said he thought Rios had acted differently since the time of the homicide. He said Rios would not speak to him anymore and seemed to be stressed all the time. Mr. Roybal did not know of anything specific linking Rios to the murders, but said it was just a feeling he had and the changes he had seen in him. Also said his son Jose used to be good friends with Rios's son, Robert. They don't hang out anymore either. Said Ortiz's were involved in drugs (marijuana). Mr. Roybal said it was his 46th birthday today and said family had been coming over (explains the traffic previous shift had told us about). Told us his son Jose was currently at work at Walmart. Mr. Roybal spoke to us for over an hour.

1908 hours: We left the area just after Mr. Roybal was picked up by the Honda with no hood, young female and young male in the car.

(Special Agent (SA) Jeremy Stricklin, SA George Nassour)

On 7 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1600 hours 7 Sep 2014 to 0035 hours on 8 Sep 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

Session 2148

The surveillance team took over watch on the subject's house at approximately 1600 hours on 7 Sep 2014. We were notified by Agent Bernadette JARAMILLO that a blue sedan Chevrolet four door vehicle had been in Santa Fe with subject but the location was lost. Various locations were scouted for best view points and departure routes were again traveled and familiarized. At approximately 1637 hours, the blue Chevrolet four door sedan returned to subject's house and left approximately two minutes later. We were notified by Lt. Troy Weisler that subject was back at home at approximately 1652. The red Mustang with license plate MLF309 arrived at the residence at approximately 1726. A white two door convertible with black top arrived at approximately 1737 and subject left residence and spoke with driver at the driver's door. At approximately 1748, the white care exited the premise and subject re-entered the house. At approximately 1822, the red Mustang with male driver and female passenger left the residence and headed north. We followed them to the Dairy Queen on I-25 in Pojaque and entered the restaurant. We returned to the residence at approximately 1835. Subject was witnessed with two females on the porch of the residence at approximately 1840. He was wearing the white tank top and black pants; the same outfit worn when seen headed to Santa Fe. A vehicle was seen turning around with lights on in the back of the house at approximately 1957. The vehicle then disappeared from sight. At the same time, SA STRICKLIN witnessed subject in his room move some clothes and leave the bedroom with a female. At

approximately 2003 a dark green SUV, possibly an older model Isuzu Trooper, was seen driving in front of the house. It slowed, turned off its lights for a second, turned them back on, and continued down the road southbound. It went up another driveway to the west, turned around and then went northbound from its initial point of origin. At approximately 2030, SA STRICKLIN went up a back road to the west of the residence and found another egress point where the dark green SUV possibly had been traveling and it is assumed the vehicle that was turning around in the yard behind residence was the SUV.

Session 2269

We were notified that Dominick HOLMES was going to arrive to pick up subject at approximately 2054. A gray Nissan arrived at the residence at approximately 2110 and parked for about 20 minutes. The gray Nissan exited the residence at approximately 2132 and headed north. We followed it north bound and saw it exit off of State Rd. 502. The gray Nissan was witnessed at 1736 State Rd. 502 lot 36 at approximately 2150. SA STRICKLIN witnessed a light on in the main door of the trailer and the gray Nissan was empty of all occupants. SA STRICKLIN headed back to the residence at approximately 2250. At approximately 2255, eyes on the residence and the porch light was on. The red mustang had left the residence while we were following the Nissan. The porch light went off at the residence at approximately 2314. The hall light came on and the television was on seen through the front door. I drove back by the gray Nissan again at approximately 2345 and no light were on at the residence. The last light of the subject's home went out at approximately 2355. I headed back to the subject's home and arrived at approximately 2356. No further movement or activities were noted. We left the residence at approximately 0035 hours on 8 Sep 2014 and surveillance was discontinued.

PERSONNEL INVOLVED

(Special Agent (SA) Jeremy Stricklin, SA George Nassour)

On 8 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1545 hours 8 Sep 2014 to 0030 hours on 9 Sep 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

Session 2523

While enroute to 30 Feather Catcher I received a phone call from Agent Bernadette JARAMILLO stating that she was informed by the wire room that Nicholas ORTIZ was at the Wendy's near St. Michaels and Cerrillos roads in Santa Fe, NM. I advised I would go to the location and meet her there to get the surveillance equipment. When I arrived at the Wendy's at 1545 hours I observed ORTIZ wearing a black tank top shirt with black and gray camouflage pants, outside in the parking lot getting out a white Honda NM Lice plate 590SJH. Also with him was a female wearing a red shirt and blue jeans believed to be his girlfriend. Agent JARAMILLO arrived and gave me the equipment. While ORTIZ was in the parking lot I observed him talking on a cell phone at 1550 hours to 1553 hours, I had Agent JARAMILLO notify the wire room. At 1559 hours ORTIZ and the female got into the white Honda and left northbound on Cerrillos Rd. At Cerrillos and second street he turned into the Indian complex and then went through the parking lot and exited southbound on Cerrillos. He then turned left on ST. Michaels from Cerrillo's Rd where we lost site of him due to traffic. When he was at the light at St. Michaels and Cerrillos I pulled up next to him and observed him talking on two cell phones. At 1713 hrs the wire room notified me that he was at the Walmart at 3200 Cerrillos, S.A Stricklin, S.A. Campanella and I went there and located the white Honda in the parking lot with the female sitting in it. We observed ORTIZ at the front door of the Walmart pacing back and forth talking and texting on a cell phone. (1730 -1733 hours) At 1748 hours he left

the Walmart in the white Honda with another male driving the vehicle and the female in the backseat. The wire room informed me that it was a male named FERNANDO. The proceeded to the Pojoaque wellness center where they dropped the male off. ORTIZ and the female then left with ORTIZ driving. They went to a house off of private road 1339, the first house north of 399 at 1845 hours. At 1848 hours they left and drove to # 9 private road 1136 where they stopped there at 1856 hours. There was an approximately 40 white female 5,05 125 lbs blond hair in the driveway speaking to them. Also in the driveway were a white truck NM License plate 644RYL and a white car NM license plate 141RBZ. **Refer to Session 2530**

While there S.A. Stricklin drove down the private road, when a approximately 40 yr Hispanic male stood in front of his car andcar and asked S.A. Stricklin what was he doing on the road. He then told S.A. Stricklin that it was a private road and to leave the area.

Session 2548

We observed ORTIZ leaving in the white Honda at the same time the wire room advised that he was most likely going to pick up FERNANDO at the wellness center. We did follow him to the wellness center where he picked up FERNANDO then left the wellness center at 2018 hours. They then went to ORTIZ's house, arriving at 2031 hours. FERNANDO left in the white Honda at 2034 hours and went to his house at what appeared to be 101A Feather Catcher. At 2041 hours the red mustang arrived at ORTIZ's house. At 2051 hours the red mustang left the house with a male and female inside and went to the dairy queen. The red mustang returned at 2120 hours, unknown occupants. No further movement or activities were noted. We left the residence at approximately 0030 hours on 8 Sep 2014 and surveillance was discontinued.

NARRATIVE

PERSONNEL INVOLVED

(Agent Paul Vaughan and Agent Charles A. Boylston)

On 9-8-14, I was assigned to assist with the surveillance of Jose Roybal Jr. My surveillance shift was from 1600 hours to 0000 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Jose.

At the beginning of shift, I was notified by surveillance team #1 Agent Thorsted they were following a white Nissan pickup. He mentioned the father, mother and son Jose Roybal Jr. were in the vehicle. We met up with surveillance team #1 at the discount liquor in Pojoaque at approximately 1624.

We then spoke with Agent Thorsted and we were briefed as to the occurrence of events for the day. We were then giving a hand held radio and camera. After speaking with Agent Thorsted, Agent Vaughan and I then followed the Nissian from the liquor store at 1629 to a carwash on 502. The pickup then left the carwash at 1636 and traveled back to the residence on Lil Lou's Avenue.

We then found a position on the roadway near the residence and continued our surveillance of the residence.

At approximately 1709 we were approached by a state police uniform Officer Jake Maggard. He said that he made contact with a male subject at 47 Evergreen Lane. He said the man did not want to be named. Patrolman Maggard said the man told him he knew a female named Berna Lujan who resides on Lil Lou's Avenue. He then said that Ms. Lujan was the first house on the right side of Lil Lou's Avenue.

Patrolman Maggard went on to say that the man said that Ms. Lujan's son used to hang out with the Ortiz's son. He then said Ms. Lujan had a lot of information about the case and that her son works at Smith's in Los Alamos.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

SUZETTE said they [law enforcement] had told her that her name came up in the investigation back then and they were just doing follow ups, she figured it was because he had gone to live with her. NICHOLAS told her that was why and told her not to worry as she wasn't in trouble. NICHOLAS said they were going to everyone including people he just started talking to. SUZETTE said they went looking for her at grandma's house and Raymond called her and gave her their number. SUZETTE elaborated she had just gotten to work, called them and was told they wanted to speak with her in person and not over the phone. NICHOLAS told her they were just going to ask her question about him. SUZETTE acknowledged and referred to NICHOLAS as "Coach".

NARRATIVE

On September 9, 2014, I was assigned to conduct surveillance on Nicholas (Nick) Ortiz. Nick is known to reside at 30 Feather Cather Road. I established visual surveillance on the residence at 1600 hours and relieved the day shift Agents. As I began surveillance on the residence, there were two vehicles present at the house. There was a black SUV and a red and black Ford Mustang parked outside of the house.

At 1643 hours, a man wearing black shorts and a white shirt began to walk his dogs outside of his house. The man walked to the end of the roadway and back to his house. At 1849 hours the black SUV left the residence for a short period of time. I was unable to maintain visual on the vehicle as it left the residence, however I located the vehicle traveling North on the frontage road as it returned home. I was able to identify the driver as Leonard Ortiz and the passenger was a young unidentified female. Mr. Ortiz returned to his house at 1904 hours.

At 1915 hours the red and black mustang left the residence. I followed the mustang to the parking lot near QB's Bar and Grill. I observed the driver who appeared to be Nicholas Ortiz exit the red mustang and walk toward a gray mustang. Due to the dim lighting that was available I cannot confirm that Nicholas Ortiz was the driver. I was unable to see an occupant in or around the vehicle at the time of the meet. The red mustang left from that location and parked in front of a Laundromat for several minutes. The red mustang began to move again and was followed to the Pojaque Supermarket where a male and female exited the vehicle and walked inside the store. The male and female left the store shortly after they arrived with bags of groceries in their hands. The red Mustang left the store and proceeded to travel back to 30 Feather Catcher Road. The vehicle returned home at 1954 hours.

There was no other activity at the residence until 2137 hours, when all the lights in the house were turned off. I continued surveillance on the residence until 0100 hours. There was no other activity to report at the residence.

Desiree (possibly Nick's Mother or sister) from 505-913-1382.

Desiree said dad spoke to a lawyer and he said to just tell Nicholas to not talk to them (possibly law Enforcement) at all. Desiree said if they (possibly LE) say anything, they (Desiree and others) are supposed to tell them (possibly LE) that unless they (possibly LE) have a warrant Nicholas will not talk to them (possibly LE) at all because at this point they (Nicholas and others) feel it's just harassment and they (Nicholas and others) were now seeking legal counsel, Nicholas acknowledged.

Desiree said she now had to call where they (Desiree and others) are from, the tribe over there, and see if they (the tribe) can help with any fees or anything at all because it (possibly the attorney) was going to be expensive. Desiree said they (possibly attorney) definitely wants the case because they (possibly attorney) said that it was definitely harassment and that they (possibly LE) were doing a lot of shit that's wrong and everything. Nicholas said okay.

(Background: male tells Desiree that there were overdraft charges. Desiree said she didn't believe that to be true.)

Desiree continued to say that she was told to tell Nicholas not to go anywhere or talk to them (possibly LE) at all. Nicholas said all right. Desiree said she would call these other people and see what they (the other people) say. Nicholas said okay.

Agent Eric Armijo

Session

I, Agent Nicholas Levine with the New Mexico State Police Investigations Bureau (Santa Fe) arrived on location at Jose Roybals residence at around 9:00 a.m. Between the hours of 9:00 a.m. and 11:45 no movement noticed leaving from or arriving at the residence. At around 11:45 to 12:20 I was off location at the Chevron gas station in Pojoaque, NM.

Upon arriving back at Jose Roybal's residence Agent Eric Armijo with the NMSP-IB (Santa Fe) drove by the residence and we noticed a white in color Toyota Avalon displaying NM/plates 539SPN. The vehicle was identified as belonging to Jaiven Baros a female and friend of Jose Roybal. At approximately 12:55 p.m. the vehicle left the residence and was followed by us. Inside the vehicle Agent Armijo and myself recognized Jose Roybal sitting inside the vehicle in the front passenger seat. The vehicle arrived at the Pojoaque Chevron gas station at approximately 12:58 p.m and left at around 1:00 p.m. The vehicle was then followed by us back to Jose's residence and arrived at around 1:11 p.m.

From around 1:11 p.m. to 3:30 p.m. no vehicles were observed by us leaving or arriving at the residence.

At around 3:39 p.m. a white in color Nissan Frontier pickup displaying NM/plates MXR888 was observed leaving the residence. The vehicle was followed by Agent Armijo and me. Inside the vehicle we observed Jose sitting in the back left (behind the driver). He was observed wearing a white in color T-shirt. The pickup arrived at the Pojoaque Kicks 66 gas station at around 3:56 p.m. The vehicle was observed by a gas station fueling up. The vehicle then left at around 4:02 p.m. and was followed by us. The vehicle arrived at Jose residence ar around 4:15 p.m.

From around 4:15 p.m. to around 4:55 p.m. no vehicles left the residence or arrived at the residence as observed by us. At around 5:00 p.m. Agent Jessie Whittaker and Billy Terrazas both with the NMSP_IB (Espanola) arrived at our location and were briefed of the days activities and, relieved us. After speaking with Officer Clark he did not pursue further enforcement action on the vehicle for having an improperly marked vehicle load.

After the traffic stop ended Jose and his father drove to their residence and arrived at around 10:54 a.m.

At around 11:30 a.m. a green in color Cheverolet bearing NM/plates LNF445 turned down the road to Jose Roybals residence. An older Hispanic male with a short trimmed beard was driving and a younger Hispanic male was in the passenger seat. The younger Hispanic male was wearing a red in color hat and T-shirt. At around 11:40 the vehicle left the residence with both males in the vehicle.

At around 11:42 Jose left his residence with his father driving the Nissan pickup. The vehicle arrived at the Pojoaque Phillips 66 at around 12:00 p.m. The vehicle then drove from the gas station after picking up his Jose's mother to the Pojoaque Supermarket at around 12:46 p.m. At 12:51 p.m. the vehicle left the Kokoman supermarket and arrived home at 1:03 p.m.

At around 2:17 I was back at Jose's residence conducting surveillance.

Jose left his residence at around 3:44 p.m. with his parents driving the Nissan pickup. They drove to the Triple S gas station in Espanola, NM arriving at around 4:10 p.m. They then drove to Jose's girlfriends house located at the corner of Calle Lopez in Espanola, NM which is across from the Triple S gas station.

At around 4:38 p.m. Agents Alex Rodrigues and Jessie Whittaker relieved me of my surveillance duties. I informed them that Jose would be spending the night at his girlfriend's house as reported to me by Agent Kraig Bobnock of the NMSP-IB (Santa Fe).

This concludes my surveillance report.

Session

The surveillance team took over watch at approximately 1651 hours. We met the Day shift team at Calle Lopez in Espanola, NM . Target # 2 was at that location. At approximately 1700 hours a red Pontiac Areo (lic # 782RRK) arrived at the house a H/M approximately 25 yrs of age was driving and exited the vehicle and a H/F approximately 20 yrs of age exited the vehicle, both went into the house.

At 1722 hours a white Nissan pick up, lic # MXK888 arrived, target # 2 got into the vehicle with the male and female subject, who we were told by day shift that was his parents and the vehicle left. At 1755 hours the vehicle arrived at the house on Lil Lous.

Session 00450

At 1928 hours we were notified by Lt. Weisler that target # 2 indicated that he was in the parking lot of a football game. We had seen a gray vehicle leave the street next to Lil Lous, but did not see the subject in the vehicle. The football field was just down the road approximately 5 minutes from our

location, so we went there to attempt to locate the vehicle in the parking lot. At 1937 hours we arrived at the football field.

Session 00464

At 2103 hours we were notified by Lt. Weisler that target # 2 indicated that he was going to Buffalo Wild Wings. We then drove to Santa Fe. While on the way we were notified that he had changed the location and was going to Applebee's. At 2145 hours we arrived at Applebee's. Due to the large crowd we could not locate target # 2. I did go to Buffalo Wild Wings since I heard several people talking about going back and forth between the two locations.
At 2313hours I saw a subject matching the description of target # 2 getting into a white Lexus IS250 lic # 4587UNM . I followed the vehicle, it went down to the plaza area then back up to Jaguar and Cerrillos, then back to the plaza area by vehicle, then went to 1084 Village Way, I could not access this area due to it was a gated community. I went in on foot to verify the address. When I had returned to my car the white Lexus had left in an unknown direction.

At 00054 hours Agent Stricklin went back to Lil Lous to check on the residence the white Nissan was at the residence and all the light s were out. He did observed a black Dodge pick up arrive and turn around in front of the residence, this vehicle might have dropped off someone at the residence. The license plate to the Dodge is MDK504.

No further movement or activities were noted. Agent Stricklin left the residence at approximately 0058 hours on 13 Sep 2014 and surveillance was discontinued.

NARRATIVE

PERSONNEL INVOLVED

(Agent Jon Butler and Agent Charles A. Boylston)

On 9-12-14, I was assigned to assist with the surveillance of Nicholas Ortiz. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Nicholas.

At the beginning of shift, I was notified by surveillance team #1 Agent Blankenship they were on the frontage road across from Buffalo Thunder.

We then spoke with Agent Blankenship and Agent Flores and we were briefed as to the occurrence of events for the day. We were then giving a hand held radio and camera. After speaking with Agent Blankenship, Agent Butler and I then set up our observation on the frontage road.

At approximately 1854 we were notified by Lieutenant Troy Weisler to travel towards Albuquerque, NM. He mentioned that Nicholas's phone pinged near Copper Pointe Church at an address of 10500 Copper NE Albuquerque, NM. Upon our arrival at the location at 2052 we were unable to make a visual with Nicholas.

At 2248 we were then contacted by Lieutenant Weilser to leave and travel back north towards Santa Fe. Lieutenant Weisler said the signal of the phone was on Interstate 25 and San Mateo.

At 0027 we arrived back to our previous location and observed a vehicle leaving from the target residence. We were able to contact with the vehicle on the frontage road and continued to follow the vehicle north. The license plate was NM GTX475 and the description of the vehicle was a black Suzuki XL7. The vehicle continued north until the vehicle exited onto the 502 west towards Los Alamos, NM. We continued to follow the vehicle when it turned onto El Rancho and then turned onto Evergreen Lane. A short time later the vehicle turned onto Lil Lou's Avenue. We notified Lieutenant Weisler of the occurrence of events. He then asked us to go to Jose's house on Lil Lou's and check to make sure everything was well. After driving down Lil Lou's Avenue we didn't see the black Suzuki at Jose's house. We did observe it a couple of houses down parked. We then notified Lieutenant Weisler and he then advised us to end our shift.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

PERSONNEL INVOLVED

Special Agent (SA) Jeremy Stricklin, SA George Nassour

SA STRICKLIN took over from previous team at approximately 1701 hours on 13 Sept 2014 at the Walmart. SA NASSOUR arrived at approximately 1730 hours. We made entry into Walmart at approximately 1755 to get a view of TARGET. TARGET was found at approximately 1830 hours stocking and straightening food in the frozen food section. SA NASSOUR approached and asked where slices of cheesecake could be found. TARGET showed us to the next aisle over where we found the cheesecake slices. TARGET was again witnessed approximately five minutes later at the deli handing over a frozen pizza that was not supposed to be in the freezers in his area. We then left the store. At approximately 1853 hours, target was witnessed leaving the southernmost doors on the east side of the building. TARGET got into a dark gray Honda Accord with blue New Mexico license plates NMX 397 at approximately 1854 hours. SA NASSOUR followed the TARGET. TARGET was lost going southbound on Highway 285 when hood popped open for the second time at approximately 1912 hours. TARGET and gray Honda Accord were again spotted at TARGET's residence at approximately 1936 hours. The gray Honda Accord left TARGET's residence at approximately 2107 hours. SA STRICKLIN followed the vehicle. Only one occupant was witnessed inside but there was a bulk of some sort in the front passenger seat. The windows were getting pretty foggy so it was likely that more than one occupant was inside. Vehicle traveled east on Highway 502 and then north on Highway 84. The vehicle was lost from sight just past the Wal-Mart in Espanola at approximately 2136 hours.

Session 505

A message stating TARGET was planning to meet at the IHOP in Santa Fe with friends was relayed to us at approximately 2138 hours. We head to the IHOP and set up to await TARGET's arrival. We arrived at 2237 hours. TARGET did not show up. TARGET stated he was eating with his friends at the IHOP but was confirmed not present. TARGET is providing message to placate parents. TARGET may be providing false messages to keep parents from getting upset. Surveillance was ended at approximately 0055 hours 14 Sep 2014.

NARRATIVE

PERSONNEL INVOLVED

(Agent Jon Butler and Agent Charles A. Boylston)

On 9-13-14, I was assigned to assist with the surveillance of Nicholas Ortiz. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Nicholas.

At the beginning of shift, I was notified by surveillance team #1 Agent Blankenship they were on the frontage road across from Buffalo Thunder.

We then spoke with Agent Blankenship and Agent Flores and we were briefed as to the occurrence of events for the day. We were then giving a hand held radio and camera. After speaking with Agent Blankenship, Agent Butler and I then set up our observation on the frontage road.

At approximately 1737 we observed a orange mustang with black hood leaving the residence. We were unable to determine who was in the vehicle.

At 2106 we observed a vehicle approached the residence and parked in front of the house.

At 2200 the vehicle was still at the residence and no further movement from anyone at the residence.

At 0028 all of the residence lights were turned off and the orange mustang remained at the residence.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

PERSONNEL INVOLVED

(Agent Martin Thorsted and Agent Moises Mascorro)

On 9-18-14, I was assigned as surveillance team #2 during court authorized court order 14-MR288JP. My surveillance shift was from 0900 hours to 1700 hours. My duties and responsibilities as surveillance team #2 were to gather photos and travel patterns to link the target to a cell phone by way of ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) On this date, the aforementioned personnel were assigned to conduct ground surveillance on Jose ROYBAL Jr.

At approximately 0842 hours we observed no vehicles at 6 Lil Lou's Avenue. We informed Sergeant Bobnock and were advised to stay at the residence until more information as to Jose ROYBAL's location.

At approximately 1126 hours we were informed by the wire room Jose ROYBAL Jr. was at Walmart working. We discontinued surveillance at the residence and drove to the Walmart in Espanola. At approximately 1150 hours we arrived at our surveillance position in the Walmart parking lot. I entered the Walmart to visually confirm Jose ROYBAL Jr. was physically in the store. After obtaining confirmation I exited the Walmart and returned to the surveillance vehicle. I informed the wire room of the visual confirmation. Jose ROYBAL Jr. was wearing dark blue pants, dark blue short sleeve t-shirt and a dark blue vest with a yellow Walmart flower logo on the back.

At approximately 1257 hours we observed the white Nissan truck bearing NM MYK888 driven by an older Hispanic male with two passengers enter the Walmart parking lot. The two passengers were a young teenage female and a young teenage male. The Nissan parked and all three occupants entered the Walmart.

At approximately 1315 hours Jose ROYBAL Jr and the three occupants of the Nissan exited Walmart and returned to the Nissan. We observed the hood of the Nissan go up and go down a few minutes later. The Nissan exited the Walmart parking lot. We followed the Nissan to the Walgreens south of the Walmart. Jose ROYBAL Jr and the three occupants entered the store.

At approximately 1340 hours all returned to the Nissan and left the Walgreens parking lot. We followed the Nissan to the El Centro Family Health building. At approximately 1352 hours Jose ROYBAL Jr exited the Nissan and entered the building alone. The Nissan with the three original occupants exited the parking lot and drove out of site.

At approximately 1420 hours Jose ROYBAL Jr exited the building with two young teenage females. At approximately 1426 the Nissan entered the parking lot with older male driving and older female (mother) in front passenger seat. The young male and female were in the back seat. The older female exited the truck and Jose ROYBAL Jr entered the truck back seat area. The older female re-entered the Nissan and the truck exited the parking lot. The two females left the area on foot. We followed the Nissan to the residence at 6 Lil Lou's Road. We continued surveillance from a vantage point up the street.

(Special Agent, SA George Nassour,(SA) Jeremy Stricklin,)

On 19 Sep 2014, I was assigned to conduct surveillance during court authorized court order 14-MR288JP. My surveillance shift was from 1630 hours 19 Sep 2014 to 1253 hours on 19 Sep 2014. My duties and responsibilities were to gather notes and reports with the aforementioned Special Investigations Division Agent regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) I participated in the ground surveillance conducted. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nicholas ORTIZ.

Session N/A

The surveillance team took over watch on the subject's house at approximately 1630 hours on 19 Sep 2014. Various locations were scouted for best view points and departure routes were traveled and familiarized. While conducting surveillance at 1658 hours, we observed a white four door vehicle at Nicholas Ortiz's residence, we could not see the license plate on the vehicle, the best guess was it was a Sion. An older female exited the residence and got into the front passenger seat of the vehicle and the vehicle then left the residence at 1700 hours.

!756 hours, a male subject which appeared to be Nicholas Ortiz's father got into the black Envoy, and a female approximately 20 years old got into the passenger seat and the vehicle left the residence. At 1850 hours the black Envoy returned and, occupied by only the male subject. He exited the vehicle and entered the house.

2101 hours, the red Ford mustang license plate MLP309 arrived at the residence. Due to the darkness we could not see who exited the vehicle.

No other activity was noted upon departure and surveillance was discontinued at 1253 hours.

PERSONNEL INVOLVED

(Agent Paul Vaughan and Agent Charles A. Boylston)

On 9-19-14, I was assigned to assist with the surveillance of Jose ROYBAL Jr. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Jose.

Prior to starting shift, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Jose at his residence. Agent Vaughan and I then traveled towards their location.

Upon our arrival we spoke with Agent Thorsted and we were briefed as to the occurrence of events for the day. We were then giving a hand held radio and camera. After speaking with Agent Thorsted, Agent Vaughan took up our observation position.

During our shift we observed multiple vehicles travel down Lil Lou's Avenue. We were unable to determine who was driving the vehicle due to it being dark.

We did not observe anything that involved Jose during our shift.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

(Sergeant Matthew Martinez, Agent Eric Armijo)

On 09-23-14, I was assigned to perform surveillance during court authorized court order????????. My surveillance shift was from 0900 hours to 1700 hour but was extended until 2000 hours because the night shift agents were working on a search warrant. My duties and responsibilities as part of the surveillance team were to gather intelligence regarding ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators. On this date, the aforementioned personnel were assigned to conduct ground surveillance on Jose Roybal Jr.

Day Session, Sept. 23rd, 2014

At approximately 9:31 a.m., Sergeant Martinez and I arrived at the target address located at 6 Lil Lou's Avenue in El Rancho, New Mexico. As we arrived, I observed a white Nissan pickup parked in front of the residence with the hood up. I did not observed anyone around. Sgt. Martinez and I left the residence and drove around El Rancho.

At approximately 10:45 a.m., we arrived back at the residence where we observed the same vehicle in the same position. Again we did not observed Jose ROYBAL nor anyone else. We left the area at approximately 11:07 a.m. to check if the mother was working at Subway.

At approximately 11:18 a.m., I walked into Subway in Pojoaque, N.M. and confirmed the mother was at work. We then drove back to the residence.

At approximately 1:44 p.m., we observed the white Nissan pickup leave the residence. I only observed Jose ROYBAL's father driving. There were no other occupants inside the vehicle.

At approximately 2:38 p.m., the Nissan returned to the residence. Inside the vehicle I observed the father driving. The mother was sitting in the right front seat. Sgt. Martinez observed the younger son sitting behind the driver. We did not observed Jose ROYBAL.

At approximately 2:57 p.m., the same three occupants left the residence. There was a couch loaded in the bed of the Nissan. Because we did not observed Jose ROYBAL in the vehicle, we did not follow it.

The Nissan returned home at approximately 3:36 p.m. with the father, mother, and younger son. We did not observe Jose Roybal. At approximately 3:40 p.m., the same individuals left the residence in the Nissan.

As of 6:38 p.m., neither the vehicle nor the family had returned home. No other activity was observed at the residence.

On Tuesday, September 23, 2014, Agent Gabriel Trujillo and I, Agent Christopher Rodriguez were assigned as surveillance team for Target #1, Nick Ortiz. On Arrival to the location, I was briefed by Agent Lopez. They advised they believed the target was at home.

Visual surveillance was set on Target #1's home. At approximately 17:15 hours Agent Trujillo located a red mustang hardtop at the residence. At approximately 19:07 a black in color SUV arrived at the house and parked under the carport located on the south west side of the home. As the SUV was parking I observed the red in color Ford Mustang leaving the residence with no headlights on. At this time the sun was setting and visual was becoming dark. No other vehicles were observed leaving the home or going to the home. At approximately 01:00 hours the operation was terminated.

(Agent Martin Thorsted and Agent Paul Flores)

On 9-24-14, I was assigned as surveillance team #2 during court authorized court order 14-MR288JP. My surveillance shift was from 0900 hours to 1700 hours. My duties and responsibilities as surveillance team #2 were to gather photos and travel patterns to link the target to a cell phone by way of ground surveillance on person(s), vehicle(s) and locations as directed by the wire room investigators/(or case agent.) On this date, the aforementioned personnel were assigned to conduct ground surveillance on Nick ORTIZ.

At approximately 0847 we set up surveillance at the residence. The wire room informed us Nick ORTIZ's father may be having a medical procedure today but nothing further.

At approximately 1720 hours we were relieved by Agents Boylston at the residence. We briefed him on the day's events and handed over the radio and camera. We returned to Roswell for end of shift.

PERSONNEL INVOLVED

(Agent Agent Charles A. Boylston)

On 9-24-14, I was assigned to assist with the surveillance of Nick ORTIZ. My surveillance shift was from 1700 hours to 0100 hours. My duties and responsibilities of the surveillance were to take notes and report the actions of Nick.

Prior to starting shift, I was contacted by Agent Martin Thorsted with the first surveillance team. He advised they were observing Nick at his residence. I then traveled towards their location.

Upon our arrival we spoke with Agent Thorsted and I was briefed as to the occurrence of events for the day. I was then giving a hand held radio and camera. After speaking with Agent Thorsted, I took up my observation position.

At 1816 a blue mustang picks up Nick at his residence. We were unable to determine who was driving the vehicle. We then followed the vehicle to McDonald's and observed both Nick and the drive exit and go inside.

At 1855 both Nick and the driver leave McDonald's and travel back to Nick's residence.

At 1905 they arrive at the residence and Nick exits the vehicle and goes inside. The blue mustang then leaves.

We did not observe anything that involved Nick during the rest of our shift.

At 0100 we left the area and traveled back to our designated area to turn over equipment and information.

This concludes today's surveillance operation. Nothing further to report.

I, Agent Nicholas Levine with the New Mexico State Police Investigations Bureau (Santa Fe) along with Sergeant Alvino Vigil NMSP-IB (Santa Fe) arrived in the Pojoaque area at around 9:00. I was informed that we would be conducting area surveillance of Jose Roybal and were to just be in the area and not actively following him. Between the hours of 9:00 a.m. and 5:00 p.m. I remained in the area of Pojoaque, NM and was to remain mobile in the event that I was needed to attempt to locate Jose Roybal. During that timeframe I never visually identified him nor was contacted by Captain Wagoner that I was to attempt to locate him.

While conducting surveillance at 1656 hours, we observed the Envoy leave the residence with a female driver, resembling the mother. At 1722 hours a blue Ford Mustang arrived at the house, unknown license plate. At 1758 the envoy returned with two females inside of it. At 1812 hrs another blue Ford Mustang arrived, this was driven by " Javi". At 19103 hours the red Mustang left the residence. At 1936 the red mustang along with another blue mustang arrived at the residence. At 2035 hours all three blue mustangs left the residence at once turning northbound out of the driveway and then turning onto the frontage road. At the frontage road Javi turned southbound and the other two mustangs turned northbound. I made a traffic stop on the 2007 ford Mustang license plate 270 RZK for having a defective brake lamp. The driver was identified as Adrian Vasquez, DOB 05/13/94, NMDL 509501947. He would not speak to me about anything concerning being at Nicholas Ortiz's residence. I issued a warning citation and released him Agent Stricklin returned to the residence to conduct surveillance. I also returned to the residence at 2050 hours.

SYNOPSIS
This supplemental report is to document information regarding my investigation on the homicide of the Ortiz family. Refer to the narrative portion of this report for information on my investigation.

NARRATIVE

On Friday 28, 2012 at approximately 4:00 pm, New Mexico State Police Investigations Bureau Sergeant Scott McFaul, Agent Kraig Bobnock and I met with a concerned citizen from El Rancho, who wanted to remain anonymous. The reason for the meeting was because the concerned citizen had information regarding the Ortiz homicide. The concerned citizen advised us about a recording that could possibly be related to the Ortiz homicide and the voice was of Jose Roybal. The recording took place while Jose Roybal was intoxicated. During this time Jose started to act very weird and speaking possibly about the Ortiz homicide.

The concerned citizen wanted to remain anonymous because the information (recording) could bring harm to his person. He was advised that we could not promise anything and we were not going to tell anyone else who was not involved in the investigation. We found out that the recording was done through a cell phone and it all started by text messaging. The following is a synopsis of the voice recordings.

SYNOPSIS OF VOICE RECORDINGS:

There were three recordings which were very short. In the first recording, Jose was asked which murder cases and Jose answered that he talked about it and started to speak about his god and the recording stopped.

During the second recording, Jose stated he was told they had nine people and they had documents. He then stated "ay te wacho" which translated to English means "I will see you later" and told someone to go with them. Jose then changed his conversation and stated that there were two people dead and thanks to him the devil got their souls and now owns them.

In the third recording, Jose started talking about a bracelet and that he had souls on his bracelet. He also mentioned about the time he was in juvenile detention center and when he asked Lucifer to help him out.

This concluded the synopsis of the recordings. During the recordings Jose Roybal appeared to be intoxicated and at moments it was hard to understand words due to the slurred speech.

The concerned citizen also read to us the text messages he received.

The voice recording was sent to sergeant McFaul's cellphone and then he recorded them to an audio CD the following day. The audio CD was created as an original.

Agent Bobnock took pictures of the messages with his departmental issued digital camera. Refer to his report for information regarding the pictures taken.

A New Mexico State Police evidence control form (SP-205) was filled out for the audio CD and the CD provided by Agent Bobnock which contained the text messages pictures. Both CD's were secured in the New Mexico State Police evidence vault.

On Monday, July 1, 2013 at approximately 9:00 a.m. Agent Bobnock and Sergeant McFaul advised me that they were going to El Rancho and attempt to speak with Jose Roybal regarding new information discovered by Agent Bobnock during his investigation. I agreed to go with both and attempt to contact Jose Roybal. On the way to El Rancho Agent Bobnock briefed me about his new findings regarding the Ortiz family incident.

Agent Bobnock stated that he had reviewed the cell phone records of Jose Roybal. He discovered that Jose was in very little communication with Nicholas Ortiz and other individuals prior to the Ortiz incident. The night of the Ortiz incident there was a large amount of communication between Jose Roybal, Nicholas Ortiz and the other individuals. On Sunday after the Ortiz incident the communication started to become less between all and on Monday (two days after the incident) there was even less communication between them. This concluded the briefing of Agent Bobnock.

Agent Bobnock made contact with Jose's mother Pamela Sanchez and spoke with her regarding the interview. Monday July 1, 2013 at approximately 10:50 a.m. we met with Jose and Pamela at the Pojoaque Police Department parking lot. Jose and Pamela agreed to come with us to the New Mexico State Police Investigations Bureau Office in Santa Fe. On the way to Santa Fe Agent Bobnock sat in the back with Jose and Pamela and spoke with them. Jose stated that he was attending drug court and was also on probation but he was staying out of trouble. He advised us that drug court was difficult but was helping him turn his life around. Pamela also agreed with Jose. I assisted Agent Bobnock with Jose Roybal's interview. Refer to Agent Bobnock's report for information regarding the interview.

On Tuesday, July 9, 2013 at approximately 12:00 pm, I assisted Agent Kraig Bobnock interviewing Nicholas Ortiz. Refer to Agent Bobnock's report regarding the interview.

On Thursday, July 11, 2013 at approximately 2:40 pm I assisted Agent Bobnock interviewing Whitney Martinez. Refer to Agent Bobnock's report regarding the interview.

This concludes my involvement in this investigation any new information that becomes available will be documented in a new supplemental report.

SYNOPSIS
This supplemental report is to document information regarding my investigation on the homicide of the Ortiz family. Refer to the narrative portion of this report for information on my investigation.

NARRATIVE

On Friday 28, 2012 at approximately 4:00 pm, New Mexico State Police Investigations Bureau Sergeant Scott McFaul, Agent Kraig Bobnock and I met with a concerned citizen from El Rancho, who wanted to remain anonymous. The reason for the meeting was because the concerned citizen had information regarding the Ortiz homicide. The concerned citizen advised us about a recording that could possibly be related to the Ortiz homicide and the voice was of Jose Roybal. The recording took place while Jose Roybal was intoxicated. During this time Jose started to act very weird and speaking possibly about the Ortiz homicide.

The concerned citizen wanted to remain anonymous because the information (recording) could bring harm to his person. He was advised that we could not promise anything and we were not going to tell anyone else who was not involved in the investigation. We found out that the recording was done through a cell phone and it all started by text messaging. The following is a synopsis of the voice recordings.

SYNOPSIS OF VOICE RECORDINGS:

There were three recordings which were very short. In the first recording, Jose was asked which murder cases and Jose answered that he talked about it and started to speak about his god and the recording stopped.

During the second recording, Jose stated he was told they had nine people and they had documents. He then stated "ay te wacho" which translated to English means "I will see you later" and told someone to go with them. Jose then changed his conversation and stated that there were two people dead and thanks to him the devil got their souls and now owns them.

In the third recording, Jose started talking about a bracelet and that he had souls on his bracelet. He also mentioned about the time he was in juvenile detention center and when he asked Lucifer to help him out.

This concluded the synopsis of the recordings. During the recordings Jose Roybal appeared to be intoxicated and at moments it was hard to understand words due to the slurred speech.

The concerned citizen also read to us the text messages he received.

The voice recording was sent to sergeant McFaul's cellphone and then he recorded them to an audio CD the following day. The audio CD was created as an original.

Agent Bobnock took pictures of the messages with his departmental issued digital camera. Refer to his report for information regarding the pictures taken.

A New Mexico State Police evidence control form (SP-205) was filled out for the audio CD and the CD provided by Agent Bobnock which contained the text messages pictures. Both CD's were secured in the New Mexico State Police evidence vault.

On Monday, July 1, 2013 at approximately 9:00 a.m. Agent Bobnock and Sergeant McFaul advised me that they were going to El Rancho and attempt to speak with Jose Roybal regarding new information discovered by Agent Bobnock during his investigation. I agreed to go with both and attempt to contact Jose Roybal. On the way to El Rancho Agent Bobnock briefed me about his new findings regarding the Ortiz family incident.

Agent Bobnock stated that he had reviewed the cell phone records of Jose Roybal. He discovered that Jose was in very little communication with Nicholas Ortiz and other individuals prior to the Ortiz incident. The night of the Ortiz incident there was a large amount of communication between Jose Roybal, Nicholas Ortiz and the other individuals. On Sunday after the Ortiz incident the communication started to become less between all and on Monday (two days after the incident) there was even less communication between them. This concluded the briefing of Agent Bobnock.

Agent Bobnock made contact with Jose's mother Pamela Sanchez and spoke with her regarding the interview. Monday July 1, 2013 at approximately 10:50 a.m. we met with Jose and Pamela at the Pojoaque Police Department parking lot. Jose and Pamela agreed to come with us to the New Mexico State Police Investigations Bureau Office in Santa Fe. On the way to Santa Fe Agent Bobnock sat in the back with Jose and Pamela and spoke with them. Jose stated that he was attending drug court and was also on probation but he was staying out of trouble. He advised us that drug court was difficult but was helping him turn his life around. Pamela also agreed with Jose. I assisted Agent Bobnock with Jose Roybal's interview. Refer to Agent Bobnock's report for information regarding the interview.

On Tuesday, July 9, 2013 at approximately 12:00 pm, I assisted Agent Kraig Bobnock interviewing Nicholas Ortiz. Refer to Agent Bobnock's report regarding the interview.

On Thursday, July 11, 2013 at approximately 2:40 pm I assisted Agent Bobnock interviewing Whitney Martinez. Refer to Agent Bobnock's report regarding the interview.

This concludes my involvement in this investigation any new information that becomes available will be documented in a new supplemental report.

NARRATIVE

INTERVIEW WITH JOSE ROYBAL

On Friday, September 12, 2014, I held a voluntary interview with Jose Roybal at the New Mexico State Police Investigations Bureau office in Santa Fe. Lieutenant Scott McFaul was present in the interview with me. Before I asked Jose any questions regarding the homicide, Lt. McFaul reminded him that the interview was completely voluntary and he could stop talking to me at any point he wanted to. I also reminded Jose that I only wanted facts and honesty and did not want him to lie to me about anything he was about to tell me. I told him I wanted all of the information he had regarding the homicide of Lloyd, Dixie and Steven Ortiz. I reminded him that Sunday, June 19, 2011 was Father's Day and was on Sunday that particular year. I also reminded him that law enforcement was called to the residence around 7:00 p.m. on Sunday, just to give him a refresher of the time frame of the homicide.

Jose started the interview by saying that he, Ashley Roybal and Nicholas Ortiz were standing outside, after dark, around 9:00-10:00 p.m., on June 18, figuring out how they could get high because they were broke and didn't have any money. He said they came up with the idea to go and rob the Ortiz residence for their marijuana plants. Nicholas told Jose that he had been in the Ortiz's previously and knew the ins and outs of their residence and not to worry because he knew where everything was at inside of the house. Jose said the three of them got into Ashley's car and drove over to the Ortiz's. He said Ashley dropped him and Nicholas off so they could go rob the house and she left. Jose said he and Nicholas stood near a fence on the main dirt road that passed by the Ortiz residence (County Road 84A). He said specifically they were two driveway entrances away from the entrance to the Ortiz's, and stood near a horse corral. Jose said they saw the lights were on at Jesse Rios's residence. Jose said that Nicholas wanted him to go in the Ortiz's residence with him and kill them, referring to Lloyd, Dixie and Steven. Nicholas told Jose that he would go in and kill them and Jose would go in after and rob their residence. Jose told Nicholas that he would wait for him. He said Nicholas took a piss (used the restroom) next to a pole they stood by. After that, he swung the pickaxe into the dirt a few times and walked towards the house, through the field behind their house. Jose said he ran to the river, down the river, under the bridge, straight down the dirt road and up Olive Lane to his residence.

When he got to his house, Ashley was not there, but arrived approximately thirty minutes later. He said he texted them to see where they were at and what had happened. He said Ashley and Nicholas showed up later and Nicholas was scared. He described Nicholas as white as a ghost. Jose knew at that point that Nicholas did it. Nicholas told him that he had done it. Jose said it appeared that Nicholas was in shock and Ashley put a rag on top of his head to calm him down. He said Ashley checked him over to see if he got scratched and according to Jose, Nicholas had a scratch on the back of his neck. Nicholas told Jose how everything happened. Nicholas told them that he knocked on the back door to the Ortiz's and got Lloyd outside. He said when Lloyd came outside, he hit him. After that, he said Nicholas went inside the residence and killed Dixie in her bed. When he got up to go out of the room, he said Steven was up and heard him inside of the house. Nicholas told them that he tried to kill Steven but he fought back by hitting Nicholas. Jose said that Steven saw Nicholas's face and saw who was in their house. Nicholas kept swinging at him and after he killed them, he panicked and ran. He went outside and looked for Jose but he was gone. Nicholas called Ashley to pick him up from their residence.

Lt. McFaul asked Jose what Nicholas killed them with and he responded by saying his grandfather's pickaxe. Jose said Nicholas had the pickaxe with him before they left

Ashley's house (Jose's grandparents). Jose said when they initially intended to go rob them for the marijuana plants, Nicholas took the pickaxe with him so he could dig up the plants because he knew the Ortiz's grew marijuana and had been in their residence before. After he killed the Ortiz's, Nicholas told Jose and Ashley that he hid the pickaxe by throwing it.

Lt. McFaul asked Jose what he thought Nicholas would tell us if we went and talked to him about it. He said Nicholas would admit to killing the Ortiz's. Lt. McFaul asked Jose if he, Nicholas or Ashley were followed by anyone that night. Jose said Jesse Rios followed Ashley and Nicholas that night. Ashley told Jose she was parked on the opposite side of the river and Jesse drove out of the entrance. Jose said he didn't know what Nicholas did with the clothes he wore that night. He remembered that Nicholas went inside of his grandparent's residence, took a shower there and spent the night at Ashley's.

Lt. McFaul asked Jose if Nicholas had robbed the Ortiz's residence previously to that evening. Jose said a week prior to the homicide, Nicholas told Jose he could get money from the Ortiz's residence. Jose said he was in his mother's black truck and his mother was in the passenger seat when they dropped Nicholas off at the Ortiz residence. Nicholas went to the house by himself since they knew nobody would be there. Jose said he backed the truck up to the residence and Nicholas came out of the house with a five gallon plastic water container full of rolled up dollar bills and loose change. Jose said there was approximately three thousand dollars inside of the water container.

I asked Jose if they wore gloves or anything on the night of the murders and he said no. Jose said he and Nicholas stood near the horse corral and argued for approximately ten minutes about Jose not wanting to go to the Ortiz's because he was scared. He said Nicholas told him that he would do everything and Jose just had to help him rob the place after they were dead. Jose said he told Nicholas that they should just leave and not do it approximately three times. I asked Jose if he went any closer to the residence that evening than the main road he stood on arguing with Nicholas and he replied that he did not. I asked Jose if he went up to the fence that surrounded the Ortiz's residence and he replied that he did not.

I asked Jose how the conversation changed from robbing the Ortiz's to killing them. He said the conversation happened in the car on the way to their residence. Jose said that Ashley said "Why don't you guys just kill them?" I asked him why Ashley wanted them dead and he said she didn't want them dead, she just wanted the money and the marijuana plants. Jose knew the Ortiz's were there when they were going to their house. Jose said from the time they left his grandparent's house, Nick had intentions on killing the family and knew they would be there. I asked Jose to explain what the conversation was like at the house prior to going to the Ortiz's. He said after Nick decided he was going to kill them, Nick and Ashley tried to convince Jose to go into the house and rob it after they were dead. Jose said he told them he didn't want to and they told him not to be a "pussy" and all he had to do was get the stuff. He told Nicholas he wanted to go home and not to worry. Nicholas told Jose to wait for him until after he killed them. Jose said when he ran from the road, he heard dogs barking and the owls were going crazy.

Lt. McFaul asked Jose to go over some of his past with us and help us understand how he couldn't be involved more than he said he was. Jose said he was not a violent person when he didn't drink and he said he didn't have any alcohol that evening while the

homicide occurred. Jose said he would get rowdy when he drank. He said he had problems at home and got into physical altercations when he and his parents drank.

He said Ashley drove a two-door gray Saturn car at the time of the homicide. He said when they went to the Ortiz's, Nicholas held onto the pick axe in the front seat. When they were at Jose's grandparent's residence, Nicholas told Jose and Ashley to grab him something to kill the Ortiz's with and that is when Jose said Ashley grabbed the pick axe and handed it to him (Nicholas). Jose said it was initially Nicholas's idea to go rob the Ortiz's but he agreed to do it with him. They talked about it and said they would wait until Father's Day to rob them since they would be gone. Ashley mentioned that they shouldn't wait until they were gone and to just go now and kill them while they were home. Jose said he and Nicholas wanted to just rob them for money at the house but it was Ashley's idea to kill them. Jose said the pick axe was a random weapon. While they were at the house, Nicholas swung the pick axe a couple of times into the dirt. Jose later clarified that he and Nicholas were going to go to the house to kill them.

Lt. McFaul asked Jose historically how he would rob houses and what his protocol was. He said he would knock on the door and if nobody answered, he would kick the door in and go inside and steal what he could in no longer than five minutes. The plan to kill the Ortiz's was as follows: Nicholas told Jose to go in the house with him and he would tell him what to do while they were in there. Jose said he wasn't prepared to do something like that so he backed out. I asked Jose if his DNA would be on the pick axe and he said he didn't think so but it was his grandfather's pick axe so it could be on there. I asked him if he held it that night and he replied that he didn't think so. I reminded him that I needed to know if he held it before I have evidence that he in fact held it or not. He said he held it while Nicholas went to the bathroom. Jose said he had never been inside of the Ortiz's residence or the small building that Steven had a drum set in.

I asked Jose to go into more detail about the conversation that was held outside of his grandfather's residence after Ashley picked Nicholas up from the Ortiz's. He said Nicholas told them what he did and other than that there was silence. He said Nicholas was "tripping" and looked "terrified." He said they were sober that night and had not smoked marijuana. He said when he tried to talk to Ashley about the incident at a later date, she told him to shut up. Lt. McFaul asked Jose if he and Nicholas talked about the murders after they happened. He said Nicholas stopped hanging out with him after that night. He said it was gradual but ultimately they ended up not hanging out anymore. He said Nicholas started hanging out with Amber Trujillo at that time and he (Jose) didn't want to hang out with Nicholas anymore after that. Jose said he didn't talk to us about it because he was afraid of getting in trouble.

I asked Jose how he knew Nicholas went through with killing the Ortiz's. He said he knew because of the way Nicholas's face looked afterwards. Jose said he has never seen anyone look that way in his entire life. He said Nicholas was pale white and Ashley had a wet towel over Nicholas's head trying to cool him down. He said that is when Ashley noticed that Nicholas had a scratch on the back of his neck.

We asked Jose if he was willing to take a polygraph examination regarding the information he provided to us. He said he was willing to take the test today. At this point during the interview, Jose requested to go outside and smoke a cigarette. He was afforded the opportunity to do this.

After we came back into the interview room, Lt. McFaul asked Jose what Nicholas could say to disprove his (Jose's) statement. Jose said the three of them (Nicholas, Jose and Ashley) were at Jose's grandparent's house talking about going to rob the Ortiz's. He said somehow Nicholas knew that the Ortiz's were home and were supposed to go camping. At that time, Nicholas was not allowed at the Ortiz's house because he had previously been kicked out. Jose remembered that he may have held the pick axe as Nicholas got into Ashley's car prior to going to the Ortiz's residence. He was asked to describe the pick axe to us. He said it was his grandpa's, with a wooden handle and the top of the pick was rusted. He said the handle was really old and described it as being "messed up." Jose said the pick was inside his grandpa's house, behind the door and Ashley went and got it and handed it to Nicholas.

Lt. McFaul asked Jose to go through the details that Nicholas provided to him (Jose) and Ashley after they all returned to his grandparent's house. He said Nicholas knocked on the back door to the Ortiz residence and waited for Lloyd to come outside. When Lloyd went outside, Nicholas killed him. Nicholas then went inside into the room where Dixie was at and killed her in bed. After that, Nicholas told him that Steven was awake and in the kitchen when he (Nicholas) walked out of Dixie's bedroom. Nicholas said that Steven saw his face and stared directly at him. Steven tried hitting him at that time. According to Jose, Nicholas said when Steven looked at him, it was the hardest part. After Nicholas killed the three of them, he texted Jose after that and tried to tell him to go back to the house. Jose thought that Nicholas tried to steal a vehicle or four-wheeler from the Ortiz residence so he could rob the residence.

Jose said he wore his blue and white in color Cortez's that evening. He said the bottoms of them had a zig zag pattern with lines going across. Jose also told us that he still had the shoes as of the day of the interview.

This concluded the interview with Jose. For exact wording and details, refer to the attached audio file. Jose was fed at that time and polygraphed shortly after regarding his involvement in the homicide of the Ortiz family. Due to complications with the polygraph setup, the polygraph was postponed until Monday, September 15, 2014. Refer to attachment 3 for a copy of the polygraph results.

INTERVIEW WITH DANIEL ROYBAL

On Thursday, September 25, 2014, I held a voluntary interview with Daniel Roybal outside of his residence. Daniel didn't provide any pertinent information during this interview, however, he told us that he had information to relay to us away from his residence so people don't see him talking to law enforcement. Daniel agreed to meet with us away from his residence at a later time to discuss details of this investigation.

Daniel called me later that evening and asked us if we could meet him at the Pojoaque school in the parking lot. As we talked in the parking lot, Daniel informed me about information that Alyssa Roybal had regarding a conversation with Jose Roybal. One night when Alyssa and Jose were drinking, he broke down to her and started crying. He brought up the whole incident to her and said that he and Ashley went over to the Ortiz's and as he referred to it, whatever happened, happened. According to Daniel, Alyssa recorded the interaction between her and Jose. He said he heard that Steven had molested Jose's sister Elisa. Daniel said he got this information from a friend of Alyssa's, but would not provide me with her name or contact information. Daniel told me he would contact the source of the information and see if this person will speak to me regarding this information. I have tried to contact Daniel to follow up on this information and he does not answer his telephone nor does he have a voicemail box that is set up to receive messages. If Daniel contacts me, I will document the information in a supplemental report. This concludes the interview with Daniel. For exact wording and details, refer to the attached audio file.

SUNDAY, SEPTEMBER 28, 2014

Both day shift supervisor, Captain Dale Wagoner and night shift supervisor, Sergeant Thomas Christian did not document any pertinent information in relation to Nicholas.

MONDAY, SEPTEMBER 29, 2014

Both day shift supervisor, Sergeant Matthew Pilon and night shift supervisor, Sergeant Thomas Christian did not document any pertinent information in relation to Nicholas.

On Monday, September 29, 2014 at around 3:30 p.m., I went with Lt. McFaul and Agent Gomez to the Genoveva Chavez Community Center and met Nicholas and Fernando Cruz in the parking lot. I told Nicholas I had some questions I wanted to ask him and asked him if he would go back to the office with me for an interview. He complied and said he would. I began the voluntary interview with Nicholas at the NMSP Headquarters office at around 3:54 p.m.

I told Nicholas that I wanted to talk about the reasons his cellular telephone was near the crime scene on the evening the Ortiz's were killed. He said "Ok." I told him that I needed to know what happened that night and why his telephone was there. I reminded him for timeline purposes what time law enforcement was called to the Ortiz residence and that Sunday was June 19, 2011, which was Father's Day on that particular year. I asked him if he remembered what he was doing that evening. He said it was just a normal day and that it was so long ago that he didn't remember. He said he had people to point out that he was home that evening. I told him that he had people that wouldn't back up the information that he was home that evening and he replied by saying "Yeah I can understand that." He also said "It's their word against mine."

Nicholas said he had ideas of people who could have killed the Ortiz family. He said Chris and Jason Halvorson have been caught stealing from the Ortiz's in the past. He also heard stories that the police thought it was Jesse Rios that killed them. He said he also heard that Jesse and Cherie paid him and Jose and some other people to do it but that was not true according to Nicholas. I told Nicholas that I had a lot of evidence on this case and it looks bad for him right now and he replied by saying, "Yea, I can

understand that." I asked Nicholas why he thought law enforcement had been following him and he said "apparently cause you guys have stuff and I'm not arguing that you don't, I'm not saying that it's a bunch of bullcrap that you guys are just trying to sweat me out or anything, if you guys have stuff, then you guys have stuff." He also said he was not there that night and had nothing to do with it. I told Nicholas that there was anger between him and the family. He said yea there was anger but nothing bad enough to want to kill people. He said they got into a little verbal argument. I told him that Lloyd disrespected him that night and he said yea he did. Nicholas said he was caught in the back yard that evening and that was his fault so he could understand why Lloyd got angry.

I asked Nicholas what he thought the reason could be that someone could kill a family of three people. He said a lot of times it's because of money and anger. Agent Gomez asked Nicholas to go over the incident when he was caught in the back yard by Lloyd and Robert. He gave the same story as the last time and added that it was maybe a month prior to the homicide. While Agent Gomez talked to Nicholas, Nicholas told him that he had a bad past and used to hang out with some bad people who were bad influences.

I asked Nicholas how old he was when the homicide happened. He said he was around sixteen years old and was in the Southside Gang. I asked Nicholas what his experience was with the juvenile justice system. He said nothing ever happened to juveniles when they got in trouble and they would only get slapped on the wrist. I also told him that if juveniles were responsible for the death of the Ortiz's, the justice system would treat them as juveniles and not be as severe of a sentence as if they were adults. When I told Nicholas this information, he appeared very interested in how the justice system works for juveniles. I told him it was not nearly as serious as if an adult were to commit the crime. Nicholas kept asking me questions about prison sentencing and juvenile court.
Lt. McFaul entered the interview room and started talking to Nicholas about his telephone records on that evening. Lt. McFaul asked him why his cellular telephone was near the Ortiz's on the evening of the homicide. He said he didn't know. Nicholas became very uncomfortable and asked to stop talking to us and wanted to go home. NOTE: This is the second interview that Nicholas wanted to stop talking to us once we presented him with the cellular telephone evidence. The interview was terminated and Nicholas was provided with a ride to meet his friend Fernando Cruz. This concluded the interview with Nicholas. For exact wording and details, refer to the attached audio file.

SYNOPSIS

This supplemental report documents my assistance in this case investigation. Refer to the narrative portion of the report for details.

NARRATIVE

On Friday, February 13, 2015 at approximately 1:45 p.m. New Mexico State Police Investigations Bureau Lieutenant Scott McFaul and I were assigned to attempt to make contact with Nicolas Ortiz at his residence, in reference to serving valid warrants on his person. Upon arriving at his residence Lieutenant McFaul knocked on the front door and made contact with Nicolas Ortiz's father and asked to speak to Nicolas. Nicolas came outside and he was informed that his fingerprints were required to continue the our ongoing investigation and he was asked if we could transport him the Pojoaque Police Department. Nicolas agreed and was voluntarily transported to the Pojoaque Police Department. On the way to the police department Nicolas was informed that we had a search warrant for his fingerprints. After arriving at the police department New Mexico State Police Uniform Bureau, Sergeant Kraig Bobnock met with Nicolas and advised him of the search warrant for his fingerprints and an arrest warrant for his person. Nicolas was taken in to custody without incident. He was handcuffed behind his back and was transported to the New Mexico State Police Investigations Bureau Office in Santa Fe where he was processed and interviewed. Refer to Sergeant Bobnock's report for details and information regarding his contact with Nicolas Ortiz.

Monday, February 16, 2015 at approximately 1:30 p.m. New Mexico State Police Investigations Bureau Lieutenant Scott McFaul and I were assigned to make contact with Jose Roybal at his residence. Jose was advised that the First Judicial District Attorney, Angela Pacheco, wanted to speak with him and he would have legal representation present at the meeting for him. Jose agreed and was voluntarily transported to the District Attorney's office located in Santa Fe New Mexico where he met with the District Attorney. Jose was later transported back to his residence without incident.

This concluded my involvement in this portion of the investigation. If any more assistance is required it will be documented in a new supplemental report.

SYNOPSIS
This supplemental report documents my involvement in this investigation. Refer to the narrative portion for further information.

NARRATIVE

In mid-January 2015, I reviewed the lab reports in this case to determine which evidence had been submitted for lab analysis previously. During this review, I noted that the swabs taken from Steven Ortiz's hands were never submitted for comparison against DNA standards which were submitted. I also spoke with a representative from the lab who informed me that there were portions of the pick axe which were not swabbed for DNA. Because of these findings, I submitted the swabs from Steven Ortiz's hands and the pick axe for DNA analysis on Wednesday, January 28, 2015. Attachment #1 contains a copy of the lab receipt documenting the submission of evidence.

On Friday, February 13, 2015, Nicholas Ortiz was arrested for and charged with the murders of Lloyd, Dixie and Steven Ortiz. He was informed of his Fifth Amendment rights and then transported to the New Mexico State Police Investigations Bureau office in Santa Fe, NM. At this time he was also served with a search warrant to obtain his major case prints. After these prints were obtained, Lieutenant Scott McFaul and Sergeant Kraig Bobnock began interviewing Mr. Ortiz. Shortly after the interview began, Mr. Ortiz stated that he wanted to have an attorney present. At this point the questioning ceased.

Approximately 30 minutes later, I entered the interview room where Mr. Ortiz was waiting and spoke with him briefly. I told him that I knew he had asked for an attorney and thus would not ask him any questions concerning the charges brought against him. However, I told him a few things for his consideration after asking for an attorney. I informed him that attorneys generally tell their clients not to say anything, which can actually be to their clients' detriment. I also told him to consider these things and let his attorney know if he could speak to us after he had retained one.

I then asked Mr. Ortiz if he had any questions regarding the paperwork he was provided (i.e., the search and arrest warrants) and if he had had a chance to read it. He responded: "Um, for the most part I read it. I mean, there's two charges down here that I don't totally agree with, but...you know, tampering with evidence and bribery or intimidation of a witness. I mean, you know, I can say that I didn't do that, but, you know, that will be handled down the road."

After a few more exchanges regarding the process moving forward, our interaction ended.

On Thursday, April 16, 2015, I received a report from the DPS Northern Forensic Laboratory dated April 8, 2015. This report detailed the findings of the evidence submitted on January 28, 2015. In summary, the findings indicated that blood was present on the swabs from Steven Ortiz's hands, but no DNA was detected. The swabs from the pointed end of the pick axe obtained a DNA mixture of three or more individuals. Steven Ortiz was identified as the source of the major DNA profile, and Lloyd and Dixie Ortiz cannot be eliminated as other contributors. Attachment #2 contains a copy of the laboratory report.

On Tuesday, April 21, 2015, I obtained the evidence from the laboratory and returned it to the New Mexico State Police Headquarters evidence vault. Attachment #3 contains copies of the chains of custody for this evidence.

This concludes my involvement in this investigation.

SYNOPSIS
This report documents the arrest of Nicholas Ortiz for the homicide of Lloyd, Dixie and Steven Ortiz. Refer to the narrative portion of this report for details.

NARRATIVE

On Thursday, February 12, 2015, at around 11:00, I met with First Judicial District Judge Mary Marlowe-Sommer requesting the authorization of an arrest warrant for Nicholas Ortiz for the murders of Lloyd, Dixie and Steven Ortiz, along with the charges of tampering with evidence and bribery or intimidation of a witness. I also brought her a search warrant to be signed for NMSP to obtain major case prints from Nicholas. Refer to attachment 1 for a copy of the signed and served arrest warrant and attachment 2 for a copy of the signed, served and filed search warrant and return and inventory.

At around 3:00 p.m., I held a briefing at the NMSP IB offices regarding the impact operation to arrest Nicholas on February 13, 2015. Refer to attachment 3 for a copy of the impact operation form. Present during the briefing were: NMSP Lieutenant Jesse Williams, Lieutenant Scott McFaul, Sergeant Paul Chavez, Sergeant Alvino Vigil, Agent Rafael Gomez, Agent Ryan Kuehl and myself. Also present for the briefing were Homeland Security Investigations Agents Dariush Vollenweider and Scott Pharis. The impact operation was scheduled to begin at 6:00 a.m. on February 13th. All personnel were assigned to conduct surveillance on Nicholas's residence at 30 Feather Catcher Road. The plan was to arrest Mr. Ortiz on a traffic stop after he left the home. If Nicholas had not left the residence by approximately 2:00 p.m., personnel would approach the residence and request to speak to him regarding the search warrant for major case prints. Upon contact with Nicholas, he would be arrested and served with the arrest warrant.

At around 1:50 p.m., Lieutenant McFaul and Agent Gomez went to Nicholas's residence and knocked on the door. Leonard Ortiz, Nicholas's father, answered the door and allowed NMSP personnel to speak with Nicholas. Nicholas was informed of the search warrant for major case prints and was asked to sit in the front passenger seat of Lt. McFaul's patrol unit, not handcuffed. I met with them at the Pojoaque Police Department and advised Nicholas I had an arrest warrant for him and placed him under arrest. The handcuffs were double locked and he was read his Miranda Rights. Nicholas agreed to speak to me. He was placed in the right rear seat of my patrol unit and secured with a seatbelt during transport. The entire interaction with Nicholas was recorded by the Coban in-car recording system. On the way to the office, Nicholas was asked if he wanted anything to eat or drink and he said he did not.

Immediately after Nicholas was arrested, NMSP Sergeant Alvino Vigil and Agent Ryan Kuehl went to the First Judicial District Court clerk's office and filed the search warrant prior to being executed at the NMSP Investigations Bureau office.

Once we arrived at the office, NMSP Crime Scene Team Sergeant Paul Chavez executed the search warrant for major case prints. After the search warrant was executed, Nicholas was brought into the interview room where he was not restrained by handcuffs. At around 3:17 p.m., Lt. McFaul and I started the interview with Nicholas. Lt. McFaul began the interview and told Nicholas we were going to give him a chance to tell us what happened during the evening that the Ortiz family was murdered. We told Nicholas this was his time to clear up the story of what happened on that evening. Nicholas said "The only thing I have to say right now is you guys have your evidence to back up, like you said, whatever you heard, whatever you think, so you know, no matter what I say, circumstances aren't going to change. I'm still going to jail, I'm still going to be booked. I already know that obviously I'm going to be doing prison time." Nicholas said that no matter what he said, the circumstances would not change and that he would still be going to go to jail. He said "obviously I'm going to be doing prison time." We asked Nicholas to tell us the details of that evening. We told Nicholas that we knew there were other

people involved and he nodded his head and mumbled "uh huh." Lt. McFaul told Nicholas we wanted to know the full truth about what happened that evening. Nicholas did not deny having any involvement in the murders during this interview. He asked us if he had the right to have a lawyer present with him before he said anything and I told him that he absolutely did. We stopped questioning him at that point. He then said, "No matter what I say, it's going to go down, ya know" I'm going to jail. I just want to get it over with. I want to go get processed. I just want to start my time already." We ended the interview at that time and exited the interview room. Shortly after, I returned to the room and provided Nicholas with his cellular telephone to make as many phone calls as he wanted to, while I completed the arrest related paperwork and I also provided him with a copy of the arrest warrant and search warrant, which were both executed on that day.

While Nicholas was in the interview room, he used his cellular telephone to complete numerous telephone calls and appeared to send and receive numerous text messages, because he appeared to be typing with his fingers on the phone surface. The first call he completed was to his sister, Gabby Ortiz. He told her to let him talk to his dad, Leonard Ortiz. When Leonard got on the phone, Nicholas told him that "They arrested me for it." Leonard told him something about getting an attorney and Nicholas told him to use his card to use as much money as they needed to use. Lieutenant Williams went into the interview room with Nicholas for a few minutes to speak with him regarding any questions he had for us regarding the process. Refer to his supplemental report for details.

At approximately 48:15 into the video interview, Nicholas said to an unknown person he was conversing with, "Don't worry about it, ok? Yea, it's not fair, but ya know, it's life. I ran with the wrong people."

Nicholas switched phone lines and said to another person he referred to as "Trav," that "I'm in some trouble man. They came and got me for that stuff today." He then said "Just for those people in El Rancho."

Nicholas then held a conversation with his mother, Desiree Ortiz. During that conversation, he told her "I ran with the wrong people ya know, I got mixed up in some bad stuff. I have to deal with it now."

During the time I was finishing the arrest paperwork, Nicholas requested to use the restroom, which we allowed him to do.

At approximately 2:07 into the video, Nicholas called someone, who appeared to be one of his sisters and told her to do good out there and to stay in school and not do bad because he told her he didn't want her to end up like him.

This concluded the interaction with Nicholas at the NMSP IB office. I placed Nicholas in handcuffs behind his back and double locked the handcuffs. I requested that he turn his phone off so the battery would not die while it was in his property at the jail. I asked him if he needed the restroom before we left for the detention center and he said he did not need to. He was then transported to the Santa Fe County Adult Detention Facility where he was held without bond. I left his copy of the search warrant, the arrest warrant and his cellular telephone with his property at the detention center.

Agent Ryan Kuehl filed both the search warrant and arrest warrant on February 16, 2015

at the First Judicial District Court clerk's office.

The original DVD of the video interview and all other video and audio interactions with Nicholas on February 13th will be placed in the NMSP Headquarters Evidence Vault. Copies of the criminal complaint and booking sheet are listed as attachment 4.

This report will be forwarded to the First Judicial District Attorney's office for review.

Case status is ACTIVE. Any additional information will be documented in a supplemental report.

AFFIDAVIT FOR ARREST WARRANT

The undersigned, being duly sworn, on his oath, states that he has reason to believe that on or about the 19th day of June, 2011, in the County of Santa Fe, State of New Mexico, the above-named defendant(s) did commit the crime of:

Count I: Murder (30-2-1A(1))
Count II: Murder (30-2-1A(1))
Count III: Murder (30-2-1A(1))
Count IV: Tampering With Evidence (30-22-5(AB(1)))
Count V: Bribery or Intimidation of a Witness (30-24-3(A(3)))

The undersigned further states the following facts on oath to establish probable cause to believe that the above-named defendant(s) committed the crime charged:

Affiant, Kraig Bobnock, is a full time salaried law enforcement officer who has been employed by the New Mexico State Police for a period of approximately six years. Affiant has received specialized training in criminal investigations through the New Mexico Law Enforcement Academy, the New Mexico State Police Academy. Affiant has received training in the investigation of violent crimes including but not limited to homicide investigations. Affiant has received both classroom and on the job training concerning the investigation of the above offense(s). Affiant has conducted numerous criminal investigations that led to the arrest and conviction of persons in violation of New Mexico, State Statutes.

On Sunday, June 19, 2011, at around 7:15 p.m., New Mexico State Police Uniform Bureau officers responded to a call at 3 Coral Street in Santa Fe County, New Mexico, in reference to three individuals who were shot in the head. New Mexico State Police Uniform Bureau, Officer Bert Lopez said Cherie Ortiz returned home to find her mother (Dixie Ortiz D.O.B. 9-24-1957), father (Lloyd Ortiz D.O.B. 12-10-1955) and brother (Steven Ortiz D.O.B. 10-28-1989) deceased inside the residence at the above-mentioned property. Upon discovering the bodies, she exited the residence and called 911. While clearing the residence, Officer Lopez observed a female lying face down next to the right

side of a bed inside a bedroom. He observed a male lying face down inside the main room of the residence. Outside to the rear of the residence was another male lying face down near a tree. No weapons were visible around any of the subjects. All subjects appeared to have suffered from head trauma. Dixie's brother, Richard Watson, provided information that there was a marijuana grow somewhere inside the residence but did not provide a specific location.

The crime scene was processed for evidence, photographs were taken, and numerous blood swabs were taken from the residence. It did not appear that anything had been taken from the residence as the entire house was well maintained and everything was meticulously placed. Nothing, with the exception of a table in the kitchen, appeared to be out of place. The table appeared to have been shifted a couple of inches. After the scene was released, it was confirmed through autopsy at the Office of the Medical Investigator that all three victims were killed as a result of massive head trauma caused by some type of blunt instrument, and not a firearm. NMSP Agents returned to 3 Coral Street and located a mattock style pick axe lying on the ground near the Ortiz residence. The pick axe matched the description of the tool that OMI believed was used to kill the Ortiz family. The pick axe was located in an open field on the other side of the fence from the decedents' property. The pick axe was submitted it to the Department of Public Safety Northern Forensic Laboratory in Santa Fe to be processed for DNA and fingerprint evidence. After the pick axe was processed, the forensic scientists informed me that all three victims' blood was located on different portions of the pick axe. Based on evidence located at the scene as well as the victims' blood on the pick axe, it was determined that Lloyd was killed first in the back yard, Dixie was killed next in the master bedroom, while still lying in bed, and lastly, Steven was killed in the kitchen. According to the autopsy report from the Office of the Medical Investigator, Lloyd was struck seven times about the shoulder, neck and head area. Dixie sustained two injuries to the right side of her head and Steven sustained seventeen defects caused by a blunt force weapon.

When NMSP Agents processed the scene, they located and seized seventeen marijuana plants growing in the back yard as evidence, which did not appear to have been disturbed.

On June 21, 2011, NMSP Agents spoke with Erik Zubia, resident of El Rancho. Erik told the Agents that Nicholas Ortiz called him at approximately 10:00 a.m. on June 19th and told him that he killed "them" but did not specify to whom he was referring. Erik did not know who Nick Ortiz was talking about until the police were called to El Rancho to investigate the homicide of the Ortiz family. On June 5, 2014, this statement was confirmed once again through a voluntary interview with Erik. Erik provided Affiant with the same information. He reiterated that Nicholas told him that he was responsible for killing the Ortiz family and he sounded serious when he told him this information.

During an interview with Jesse Rios, Cherie's husband, he informed Affiant that on Sunday morning, June 19, 2011, at around 1:30 a.m., he and Cherie were awake while she was working on schoolwork in their bedroom. Cherie, Jesse and their two children, Robert and Catalina Rios lived on the same property as Lloyd, Dixie and Steven, which

was separated by a wooden picket fence. Jesse heard their dogs barking, so he got out of bed and looked out the window. He saw a gray passenger vehicle parked to the left of their residence. The vehicle was parked on County Road 84A, facing his right. He got dressed and armed himself with his .38 caliber revolver and went outside to see what the vehicle was doing. The vehicle then drove towards the dead end of County Road 84A, which was to his right. He got into his tan Dodge Ram pickup truck and drove towards the vehicle. At this time, the vehicle had turned around and parked near a tree, facing the opposite direction, towards County Road 101E (Evergreen Lane). As he drove towards the vehicle, he said the vehicle started driving in his direction and passed his truck. He said after the car passed him, he turned around in an attempt to follow the vehicle. The vehicle continued on County Road 84A to the intersection of County Road 101E. When the vehicle reached the stop sign, it turned right onto County Road 101E and then turned right again onto County Road 84D. Jesse said he turned left onto County Road 101E in case they came back towards his direction. He said he didn't see the vehicle again for the rest of that evening.

On October 17, 2012, Affiant held a voluntary interview with Ashley Roybal. Ashley lived in the community of El Rancho during the time the Ortiz's were murdered. Ashley contacted Affiant and wanted to provide him with information she had regarding the murders of the Ortiz family. She was incarcerated when Affiant was contacted and she said she just wanted to provide this information to Affiant and didn't request anything in return for the information she was about to provide. The following information was gathered during the interview with Ashley:

During Affiant's introduction to her, she interrupted him twice by saying "I know who did it." She followed up by saying that on June 19, 2011 at around 3:00 a.m., both Nicholas Ortiz [redacted]994) and Jose Royba[redacted]996) called her and told her they were going to need a ride but provided her with no further details. They went to Ashley's house (7 Little Lou's Avenue) and asked her for a ride to the bridge on County Road 101E (Evergreen Lane), which was near the Ortiz's residence. The vehicle Ashley brought them to the bridge in was a gray 1997 Saturn two-door passenger car, VIN 1G8ZE128XVZ160143, After she dropped them off, she returned to her residence by herself. At around 3:45 a.m., Jose called her and told her he was walking and didn't know where Nicholas was. While she was on the phone with him, Nicholas called her so she switched the call to speak with him. He told her he was in front of Steven's (Ortiz's) house and needed her to pick him up there. She drove near the Ortiz's and parked near a tree by Jesse and Cherie's residence and called Nicholas on his cellular telephone since she did not see him. He told her he was running across the river and told her to pick him up there. She drove past Jesse and Cherie's residence, on County Road 84A, turned right onto County Road 101E and then turned right, onto County Road 84D, after she crossed the bridge. She said he had a plastic bag around one of his feet and his clothes were saturated in what she said was blood. When Nicholas got into her car, she said he was wearing a black short sleeved t-shirt, black jogging style pants with a thin white line down the outside seam, and black and white Nike shoes, similar to Air Jordan's (black shoes with white soles). He told her he lost the other bag that was around his foot in the river. He told her he had socks on each of his hands during the murders and threw them

away before she picked him up. She told Affiant that in between his shoes and the plastic bags, he put tissue. As they drove away from the river, he threw the plastic bag from his foot out the window. She drove Nicholas to her grandparent's residence at 7 Little Lou's Avenue so he could take a shower. While he was in the shower, she said he was crying and told her that "I fucked up, I fucked up." Nicholas put his bloody clothes in a trash bag Ashley provided him with and she gave him a pair of black sweatpants, a white t shirt and a pair of socks to wear home. At around 5:00 a.m., she drove him to his residence off of State Road 502, behind the car wash in Pojoaque, New Mexico. During the ride home, Ashley recalled that Nick cried the entire way . He called her the next day and told her he killed them with a pick axe but didn't tell her where he got the pick from. He wasn't specific who "they" were but kept saying "I killed them." He also told her "not to fuckin say anything." Ashley thought he would kill her if she said anything. He told her he initially intended to rob the Ortiz's for $20,000 which he knew was in a safe in the closet.

She said when she was near the Ortiz's picking up Nicholas, she saw Jesse Rios's Dodge truck leave his residence and she knew he saw her car, which she described as a gray two door Saturn passenger car. Nicholas told her all three of them fought back and Lloyd was first, Steven was second in the kitchen and Dixie was third in the bedroom. She said Jose Roybal was supposed to help Nicholas, but according to Nicholas, he "punked out." Nicholas told Ashley that Jose walked up to the Ortiz's house with him, got scared and went back to his house on foot. Nicholas went inside of the house and did it himself.

Ashley clarified and said that as she was on her way back to her house with Nicholas, she saw Jose walking up Olive Lane, which was behind her house. Jose turned to Nicholas while they were outside of Ashley's house and asked Nicholas, "Did you do it?"

Nicholas replied to Jose, "yea and I fucked up. I didn't get the money." Ashley said she talked to Nicholas on the phone a total of approximately four different times that evening. During the next morning, Nicholas called Ashley and said "I killed them, I fuckin killed them." He called her again about twenty minutes after the police responded to the Ortiz's residence and said "you fuckin say anything, I'm not even joking, you know I ain't playing, they don't call me dangerous for nothing." He told her that he went into their house to get the money and things got out of control.

Affiant asked Ashley where the Saturn was at and she said she sold it to Ace's Towing in Pojoaque because all of the windows had been smashed out when she went to jail in Santa Fe. Affiant contacted Ace's Towing and they told him that they remembered her bringing the vehicle to them and they brought it to Gallegos's Scrap Metal in Espanola, New Mexico but could not find any paperwork on the vehicle. Affiant went to Gallegos's Scrap Metal and they were unable to provide any documentation that the vehicle was brought to them. Affiant was never able to locate the vehicle or any paperwork tracking the vehicle to its location.

On July 9, 2013, Affiant held a voluntary interview with Jaiven Baros, ex-girlfriend of Jose Roybal. She told Affiant she dated Jose during the time of the homicide of the Ortiz

family. She said after the Ortiz family was killed, Jose turned into a different person and they broke up. She told me that on the evening of the homicide, around midnight or 1:00 a.m., she spoke with him on the telephone and told her that he and Nicholas were going to Cherie or Steven's residence to burglarize it and take their marijuana. She said she could hear them walking during their conversation. According to Jaiven, Jose changed into a different person after that evening. Jaiven said he hung up on her while he was walking to the Ortiz's. She tried calling him back approximately three or four times but he didn't answer. She said she texted him and he finally told her that he was busy. This is all of the pertinent information obtained from Jaiven.

On September 10, 2014, Affiant held another voluntary interview with Ashley Roybal at the First Judicial District Attorney's office. During the interview, she provided the same statement as previously documented in different interviews.

On September 12, 2014, Affiant held a voluntary interview with Jose Roybal at the NMSP Investigations Bureau office in Santa Fe. Jose started the interview by saying that Nicholas Ortiz, Ashley Roybal, and he were standing outside of his grandparent's residence in El Rancho trying to figure out how they could get high, since they did not have any money. This conversation happened on June 18th, 2011, between 9:00 and 10:00 p.m. Jose said Nicholas came up with the idea to rob the Ortiz residence for their marijuana plants. Nicholas told Jose that he had been at the Ortiz residence previously and knew the ins and outs of their residence and not to worry because he knew where everything was at inside of the house (earlier investigation determined that Nick Ortiz was in fact very familiar with the residence and had stayed with the victims on previous occasions). Initially, they were going to wait until Father's Day to rob their residence because they knew the Ortiz's would not be home. At that time, Ashley mentioned that they should just go to their house and kill them and take everything in the house. Jose said they knew the Ortiz's would be at their residence on that evening. Nicholas told Ashley to find him a weapon, so she went and got a pick axe from her grandfather's house and handed it to Nicholas. Jose said the pickaxe had a wooden handle and the top of the pick was rusted. He said the handle was really old and described it as being "messed up." Nicholas swung the pick axe into the ground a few times before the three of them got into Ashley's gray 1997 Saturn passenger car. Jose sat in the back seat and Nicholas sat in the front passenger seat, holding the pick axe. Ashley drove them to County Road 84A, near the Ortiz's residence and dropped both Nicholas and Jose off. He said she turned her vehicle around and went to her residence and waited for them to call her for a ride.

Jose said Ashley dropped them off near a ditch control system on County Road 84A. Jose and Nicholas stood in that spot for a short time because Jose said he didn't want to kill the Ortiz's and Nicholas was trying to talk him into doing it. Nicholas told him to wait there for him and he would go kill them by himself. After Nicholas killed them, Jose was supposed to go in the house and help burglarize it. Jose said Nicholas had to go pee, so he (Jose) held the pick axe while Nicholas peed near a telephone pole on the side of the road. Jose handed the pick axe back to Nicholas and he took a few swings with the pick axe into the dirt. Jose said Nicholas walked towards the Ortiz residence, through the

field and towards the back of their property. Jose said he heard dogs barking and owls going crazy as Nicholas approached their residence. Jose said he stood there for approximately five minutes and got scared. He said he ran across County Road 84A and ran towards Evergreen Lane, through the arroyo to Olive Lane. Once he got to Olive Lane, he walked up to the back of his residence and went inside. He said when he got to his house, Ashley's vehicle was not in the driveway. Approximately thirty minutes later, Ashley drove up to her house with Nicholas. He described to Affiant that Nicholas was as white as a ghost and at that point, he knew Nicholas had killed the Ortiz's. Jose said it appeared that Nicholas was in shock and Ashley put a wet towel on top of his head to cool him down. Ashley checked Nicholas for any cuts or scratches and found a scratch on the back of his neck. Nicholas then told Jose and Ashley he killed them. He said he walked up to the back door to the Ortiz's and knocked on it. He said Lloyd came outside into the backyard and Nicholas hit him with the pick axe, killing him. Nicholas then went inside of the residence and killed Dixie while she was lying in her bed. He said after he killed Dixie and walked out of the room, he said Steven was awake and had heard Nicholas inside of the house. Nicholas told them that when he tried killing Steven, he fought back by hitting him. Jose said that Steven saw Nicholas's face and saw who was in their house, and that appeared to have bothered Nicholas. According to Jose, Nicholas said when Steven looked at him, it was the hardest part. Nicholas kept swinging at him and after he killed them, he panicked and ran out of the house. Nicholas said he threw the pick axe but did not specify where. Nicholas went outside of the house to find Jose, but he was gone. Nicholas then called Ashley to pick him up from the Ortiz residence.

Affiant subpoenaed cellular telephone records for Jose Roybal, telephone, 505-501-5544, from June 15, 2011 until June 25, 2011 to establish a timeline of call frequency between Nicholas Ortiz, 505-629-3405, Jose Roybal and Ashley Roybal 505-412-9513. Jose rarely communicated with Ashley and Nicholas from June 15th until the evening of June 18th, 2011. On June 18th, at 21:31, Nicholas sent the first text of that evening to Jose. They texted each other several times and then Ashley called Jose at 21:53 and spoke for thirty-five seconds. Ashley called Jose again at 21:55 and spoke for thirty-three seconds. Nicholas and Jose texted each other approximately fifty times until 00:31. Ashley and Jose texted each other seven times between 1:10 and 2:47. At 3:22, Jose called Ashley and their phone lines were active for twenty-four seconds. Between 4:24 and 4:33, Nicholas and Jose texted each other another four times. On June 19, from 11:17 to 11:23, Nicholas and Jose texted each other seven times. On June 19, from 20:00 to 20:20, they texted each other nineteen times. This is the time that law enforcement was at the Ortiz residence responding to the 911 telephone call regarding the homicide. Affiant noticed after these previously mentioned contacts between Nicholas and Jose, they did not communicate much until June 25, which is the end of the subpoenaed records. On this date, from 22:07 to 22:10, they texted each other another three times. On June 20, Nicholas called Jose and their phone lines were actively communicating for seven seconds. Between 18:24 and 18:35, they exchanged ten texts. On June 21, they exchanged five texts between 16:50 and 17:36. On June 21, from 21:23 to 21:23, they exchanged three texts. On June 22, at 16:53, Jose's telephone contacted Nicholas's phone and their lines were communicating for thirty-two seconds. On June 22, at 17:13,

Jose's telephone contacted Nicholas's phone and their lines were communicating for forty-two seconds. The last time they communicated for the telephone records Affiant had was on June 23, at 17:42, a call was placed from Jose's telephone to Nicholas's phone and those lines were active and communicating for two hundred and fifteen seconds.

Affiant was only able to retrieve telephone call records from Nicholas's telephone on the date of June 19, 2011. On June 19, Nicholas's phone communicated with Ashely's telephone at 2:08 a.m. and communicated for one minute. Ashley's telephone contacted his telephone at 2:09 a.m. and their lines communicated for two minutes. At 2:12 a.m., Nicholas's telephone communicated with Ashley's telephone for five minutes. At 2:17 a.m., Ashley's telephone contacted Nicholas's telephone and communicated for one minute. At 2:18 a.m., Ashley's telephone contacted Nicholas's telephone and communicated for one minute. At 2:19 a.m., Nicholas's telephone contacted Ashley's telephone and communicated for one minute. At 2:46 a.m., Nicholas's telephone contacted Erik Zubia's telephone, 505-913-9157, and their lines communicated with each other for one minute. At 9:53 a.m., Nicholas's telephone contacted Erik Zubia's telephone and their lines communicated for five minutes. At 5:26 p.m., Erik Zubia's telephone contacted Nicholas's telephone and their telephone lines communicated for one minute. This is the end of pertinent telephone calls and texts captured between Nicholas Ortiz, Jose Roybal, Ashley Roybal and Erik Zubia.

Jose said Ashley and Nicholas were followed by Jesse Rios that evening. Ashley told Jose that Jesse drove out of the entrance of his residence while she was parked there waiting for Nicholas. Jose added that Nicholas took a shower at Ashley's residence and stayed there until morning. Affiant asked Jose how he knew Nicholas killed the Ortiz's that evening and he said that he could tell by the look on his face that night. He had never seen anyone look that way in his entire life.

Based on the aforementioned facts, Affiant has reason to believe and does believe that probable cause exists, and prays this Honorable Court for the issuance of a Warrant authorizing the arrest of the above-named Defendant for each of the above-named crimes.

IN THE MATTER OF THE ISSUING A SEARCH WARRANT ON THE 12 DAY OF February, 2015.

AFFIDAVIT FOR SEARCH WARRANT

Affiant, being duly sworn, upon his oath, states and I have reason to believe that on the following described person of:

1. Nicholas Ortiz, date of birth [redacted]994, social security number unknown, height 5'07", weight145 pounds, address of 30 Feather Catcher Road, Santa Fe, New Mexico, 87506.

In the city or county designated above there is now being concealed:

1. Major Case Prints from Nicholas Ortiz, date of birth November 1, 1994, sufficient for laboratory examination.

and the facts tending to establish the foregoing grounds for issuance of a Search Warrant are as follows:

Affiant, Kraig Bobnock, is a full time salaried law enforcement officer who has been employed by the New Mexico State Police for a period of approximately six years. Affiant has received specialized training in criminal investigations through the New Mexico Law Enforcement Academy, the New Mexico State Police Academy. Affiant has received training in the investigation of violent crimes including but not limited to homicide/death investigations. Affiant has received both classroom and on the job training concerning the investigation of the above offense(s). Affiant has conducted numerous criminal investigations that led to the arrest and conviction of persons in violation of New Mexico State Statutes.

On Sunday, June 19, 2011, at around 7:15 p.m., New Mexico State Police Uniform Bureau officers responded to a call at 3 Coral Street in Santa Fe County, New Mexico, in reference to three individuals who were shot in the head. New Mexico State Police Uniform Bureau, Officer Bert Lopez said Cherie Ortiz returned home to find her mother (Dixie Ortiz D.O.B. 9-24-1957), father (Lloyd Ortiz D.O.B. 12-10-1955) and brother (Steven Ortiz D.O.B. 10-28-1989) deceased inside the residence at the above-mentioned property. Upon discovering the bodies, she exited the residence and called 911. While clearing the residence, Officer Lopez observed a female lying face down next to the right side of a bed inside a bedroom. He observed a male lying face down inside the main room of the residence. Outside to the rear of the residence was another male lying face down near a tree. No weapons were visible around any of the subjects. All subjects appeared to have suffered from head trauma. Dixie's brother, Richard Watson, provided information that there was a marijuana grow somewhere inside the residence but did not

provide a specific location.

The crime scene was processed for evidence, photographs were taken, and numerous blood swabs were taken from the residence. It did not appear that anything had been taken from the residence as the entire house was well maintained and everything was meticulously placed. Nothing, with the exception of a table in the kitchen, appeared to be out of place. The table appeared to have been shifted a couple of inches. After the scene was released, it was confirmed through autopsy at the Office of the Medical Investigator that all three victims were killed as a result of massive head trauma caused by some type of blunt instrument, and not a firearm. NMSP Agents returned to 3 Coral Street and located a mattock style pick axe lying on the ground near the Ortiz residence. The pick axe matched the description of the tool that OMI believed was used to kill the Ortiz family. The pick axe was located in an open field on the other side of the fence from the decedents' property. The pick axe was submitted it to the Department of Public Safety Northern Forensic Laboratory in Santa Fe to be processed for DNA and fingerprint evidence. After the pick axe was processed, the forensic scientists informed me that all three victims' blood was located on different portions of the pick axe. Based on evidence located at the scene as well as the victims' blood on the pick axe, it was determined that Lloyd was killed first in the back yard, Dixie was killed next in the master bedroom, while still lying in bed, and lastly, Steven was killed in the kitchen. According to the autopsy report from the Office of the Medical Investigator, Lloyd was struck seven times about the shoulder, neck and head area. Dixie sustained two injuries to the right side of her head and Steven sustained seventeen defects caused by a blunt force weapon.

When NMSP Agents processed the scene, they located and seized seventeen marijuana plants growing in the back yard as evidence, which did not appear to have been disturbed.

On June 21, 2011, NMSP Agents spoke with Erik Zubia, resident of El Rancho. Erik told the Agents that Nicholas Ortiz called him at approximately 10:00 a.m. on June 19th and told him that he killed "them" but did not specify to whom he was referring. Erik did not know who Nick Ortiz was talking about until the police were called to El Rancho to investigate the homicide of the Ortiz family. On June 5, 2014, this statement was confirmed once again through a voluntary interview with Erik. Erik provided Affiant with the same information. He reiterated that Nicholas told him that he was responsible for killing the Ortiz family and he sounded serious when he told him this information.

During an interview with Jesse Rios, Cherie's husband, he informed Affiant that on Sunday morning, June 19, 2011, at around 1:30 a.m., he and Cherie were awake while she was working on schoolwork in their bedroom. Cherie, Jesse and their two children, Robert and Catalina Rios lived on the same property as Lloyd, Dixie and Steven, which was separated by a wooden picket fence. Jesse heard their dogs barking, so he got out of bed and looked out the window. He saw a gray passenger vehicle parked to the left of their residence. The vehicle was parked on County Road 84A, facing his right. He got dressed and armed himself with his .38 caliber revolver and went outside to see what the vehicle was doing. The vehicle then drove towards the dead end of County Road 84A, which was to his right. He got into his tan Dodge Ram pickup truck and drove towards the vehicle. At this time, the vehicle had turned around and parked near a tree, facing the

opposite direction, towards County Road 101E (Evergreen Lane). As he drove towards the vehicle, he said the vehicle started driving in his direction and passed his truck. He said after the car passed him, he turned around in an attempt to follow the vehicle. The vehicle continued on County Road 84A to the intersection of County Road 101E. When the vehicle reached the stop sign, it turned right onto County Road 101E and then turned right again onto County Road 84D. Jesse said he turned left onto County Road 101E in case they came back towards his direction. He said he didn't see the vehicle again for the rest of that evening.

On October 17, 2012, Affiant held a voluntary interview with Ashley Roybal. Ashley lived in the community of El Rancho during the time the Ortiz's were murdered. Ashley contacted Affiant and wanted to provide him with information she had regarding the murders of the Ortiz family. She was incarcerated when Affiant was contacted and she said she just wanted to provide this information to Affiant and didn't request anything in return for the information she was about to provide. The following information was gathered during the interview with Ashley:

During Affiant's introduction to her, she interrupted him twice by saying "I know who did it." She followed up by saying that on June 19, 2011 at around 3:00 a.m., both Nicholas Ortiz [redacted]1994) and Jose Roybal [redacted]996) called her and told her they were going to need a ride but provided her with no further details. They went to Ashley's house (7 Little Lou's Avenue) and asked her for a ride to the bridge on County Road 101E (Evergreen Lane), which was near the Ortiz's residence. The vehicle Ashley brought them to the bridge in was a gray 1997 Saturn two-door passenger car, VIN 1G8ZE128XVZ160143, After she dropped them off, she returned to her residence by herself. At around 3:45 a.m., Jose called her and told her he was walking and didn't know where Nicholas was. While she was on the phone with him, Nicholas called her so she switched the call to speak with him. He told her he was in front of Steven's (Ortiz's) house and needed her to pick him up there. She drove near the Ortiz's and parked near a tree by Jesse and Cherie's residence and called Nicholas on his cellular telephone since she did not see him. He told her he was running across the river and told her to pick him up there. She drove past Jesse and Cherie's residence, on County Road 84A, turned right onto County Road 101E and then turned right, onto County Road 84D, after she crossed the bridge. She said he had a plastic bag around one of his feet and his clothes were saturated in what she said was blood. When Nicholas got into her car, she said he was wearing a black short sleeved t-shirt, black jogging style pants with a thin white line down the outside seam, and black and white Nike shoes, similar to Air Jordan's (black shoes with white soles). He told her he lost the other bag that was around his foot in the river. He told her he had socks on each of his hands during the murders and threw them away before she picked him up. She told Affiant that in between his shoes and the plastic bags, he put tissue. As they drove away from the river, he threw the plastic bag from his foot out the window. She drove Nicholas to her grandparent's residence at 7 Little Lou's Avenue so he could take a shower. While he was in the shower, she said he was crying and told her that "I fucked up, I fucked up." Nicholas put his bloody clothes in a trash bag Ashley provided him with and she gave him a pair of black sweatpants, a white t shirt and a pair of socks to wear home. At around 5:00 a.m., she drove him to his residence off of State Road 502, behind the car wash in Pojoaque, New Mexico. During the ride home, Ashley recalled that Nick cried the entire way . He called her the next day and told her he

killed them with a pick axe but didn't tell her where he got the pick from. He wasn't specific who "they" were but kept saying "I killed them." He also told her "not to fuckin say anything." Ashley thought he would kill her if she said anything. He told her he initially intended to rob the Ortiz's for $20,000 which he knew was in a safe in the closet.

She said when she was near the Ortiz's picking up Nicholas, she saw Jesse Rios's Dodge truck leave his residence and she knew he saw her car, which she described as a gray two door Saturn passenger car. Nicholas told her all three of them fought back and Lloyd was first, Steven was second in the kitchen and Dixie was third in the bedroom. She said Jose Roybal was supposed to help Nicholas, but according to Nicholas, he "punked out." Nicholas told Ashley that Jose walked up to the Ortiz's house with him, got scared and went back to his house on foot. Nicholas went inside of the house and did it himself.

Ashley clarified and said that as she was on her way back to her house with Nicholas, she saw Jose walking up Olive Lane, which was behind her house. Jose turned to Nicholas while they were outside of Ashley's house and asked Nicholas, "Did you do it?"

Nicholas replied to Jose, "yea and I fucked up. I didn't get the money." Ashley said she talked to Nicholas on the phone a total of approximately four different times that evening. During the next morning, Nicholas called Ashley and said "I killed them, I fuckin killed them." He called her again about twenty minutes after the police responded to the Ortiz's residence and said "you fuckin say anything, I'm not even joking, you know I ain't playing, they don't call me dangerous for nothing." He told her that he went into their house to get the money and things got out of control.

Affiant asked Ashley where the Saturn was at and she said she sold it to Ace's Towing in Pojoaque because all of the windows had been smashed out when she went to jail in Santa Fe. Affiant contacted Ace's Towing and they told him that they remembered her bringing the vehicle to them and they brought it to Gallegos's Scrap Metal in Espanola, New Mexico but could not find any paperwork on the vehicle. Affiant went to Gallegos's Scrap Metal and they were unable to provide any documentation that the vehicle was brought to them. Affiant was never able to locate the vehicle or any paperwork tracking the vehicle to its location.

On July 9, 2013, Affiant held a voluntary interview with Jaiven Baros, ex-girlfriend of Jose Roybal. She told Affiant she dated Jose during the time of the homicide of the Ortiz family. She said after the Ortiz family was killed, Jose turned into a different person and they broke up. She told me that on the evening of the homicide, around midnight or 1:00 a.m., she spoke with him on the telephone and told her that he and Nicholas were going to Cherie or Steven's residence to burglarize it and take their marijuana. She said she could hear them walking during their conversation. According to Jaiven, Jose changed into a different person after that evening. Jaiven said he hung up on her while he was walking to the Ortiz's. She tried calling him back approximately three or four times but he didn't answer. She said she texted him and he finally told her that he was busy. This is all of the pertinent information obtained from Jaiven.

On September 10, 2014, Affiant held another voluntary interview with Ashley Roybal at the First Judicial District Attorney's office. During the interview, she provided the same

statement as previously documented in different interviews.

On September 12, 2014, Affiant held a voluntary interview with Jose Roybal at the NMSP Investigations Bureau office in Santa Fe. Jose started the interview by saying that Nicholas Ortiz, Ashley Roybal, and he were standing outside of his grandparent's residence in El Rancho trying to figure out how they could get high, since they did not have any money. This conversation happened on June 18th, 2011, between 9:00 and 10:00 p.m. Jose said Nicholas came up with the idea to rob the Ortiz residence for their marijuana plants. Nicholas told Jose that he had been at the Ortiz residence previously and knew the ins and outs of their residence and not to worry because he knew where everything was at inside of the house (earlier investigation determined that Nick Ortiz was in fact very familiar with the residence and had stayed with the victims on previous occasions). Initially, they were going to wait until Father's Day to rob their residence because they knew the Ortiz's would not be home. At that time, Ashley mentioned that they should just go to their house and kill them and take everything in the house. Jose said they knew the Ortiz's would be at their residence on that evening. Nicholas told Ashley to find him a weapon, so she went and got a pick axe from her grandfather's house and handed it to Nicholas. Jose said the pickaxe had a wooden handle and the top of the pick was rusted. He said the handle was really old and described it as being "messed up." Nicholas swung the pick axe into the ground a few times before the three of them got into Ashley's gray 1997 Saturn passenger car. Jose sat in the back seat and Nicholas sat in the front passenger seat, holding the pick axe. Ashley drove them to County Road 84A, near the Ortiz's residence and dropped both Nicholas and Jose off. He said she turned her vehicle around and went to her residence and waited for them to call her for a ride.

Jose said Ashley dropped them off near a ditch control system on County Road 84A. Jose and Nicholas stood in that spot for a short time because Jose said he didn't want to kill the Ortiz's and Nicholas was trying to talk him into doing it. Nicholas told him to wait there for him and he would go kill them by himself. After Nicholas killed them, Jose was supposed to go in the house and help burglarize it. Jose said Nicholas had to go pee, so he (Jose) held the pick axe while Nicholas peed near a telephone pole on the side of the road. Jose handed the pick axe back to Nicholas and he took a few swings with the pick axe into the dirt. Jose said Nicholas walked towards the Ortiz residence, through the field and towards the back of their property. Jose said he heard dogs barking and owls going crazy as Nicholas approached their residence. Jose said he stood there for approximately five minutes and got scared. He said he ran across County Road 84A and ran towards Evergreen Lane, through the arroyo to Olive Lane. Once he got to Olive Lane, he walked up to the back of his residence and went inside. He said when he got to his house, Ashley's vehicle was not in the driveway. Approximately thirty minutes later, Ashley drove up to her house with Nicholas. He described to Affiant that Nicholas was as white as a ghost and at that point, he knew Nicholas had killed the Ortiz's. Jose said it appeared that Nicholas was in shock and Ashley put a wet towel on top of his head to cool him down. Ashley checked Nicholas for any cuts or scratches and found a scratch on the back of his neck. Nicholas then told Jose and Ashley he killed them. He said he walked up to the back door to the Ortiz's and knocked on it. He said Lloyd came outside into the backyard and Nicholas hit him with the pick axe, killing him. Nicholas then went inside of the residence and killed Dixie while she was lying in her bed. He said after he

killed Dixie and walked out of the room, he said Steven was awake and had heard Nicholas inside of the house. Nicholas told them that when he tried killing Steven, he fought back by hitting him. Jose said that Steven saw Nicholas's face and saw who was in their house, and that appeared to have bothered Nicholas. According to Jose, Nicholas said when Steven looked at him, it was the hardest part. Nicholas kept swinging at him and after he killed them, he panicked and ran out of the house. Nicholas said he threw the pick axe but did not specify where. Nicholas went outside of the house to find Jose, but he was gone. Nicholas then called Ashley to pick him up from the Ortiz residence.

Affiant subpoenaed cellular telephone records for Jose Roybal, telephone, 505-501-5544, from June 15, 2011 until June 25, 2011 to establish a timeline of call frequency between Nicholas Ortiz, 505-629-3405, Jose Roybal and Ashley Roybal 505-412-9513. Jose rarely communicated with Ashley and Nicholas from June 15th until the evening of June 18th, 2011. On June 18th, at 21:31, Nicholas sent the first text of that evening to Jose. They texted each other several times and then Ashley called Jose at 21:53 and spoke for thirty-five seconds. Ashley called Jose again at 21:55 and spoke for thirty-three seconds. Nicholas and Jose texted each other approximately fifty times until 00:31. Ashley and Jose texted each other seven times between 1:10 and 2:47. At 3:22, Jose called Ashley and their phone lines were active for twenty-four seconds. Between 4:24 and 4:33, Nicholas and Jose texted each other another four times. On June 19, from 11:17 to 11:23, Nicholas and Jose texted each other seven times. On June 19, from 20:00 to 20:20, they texted each other nineteen times. This is the time that law enforcement was at the Ortiz residence responding to the 911 telephone call regarding the homicide. Affiant noticed after these previously mentioned contacts between Nicholas and Jose, they did not communicate much until June 25, which is the end of the subpoenaed records. On this date, from 22:07 to 22:10, they texted each other another three times. On June 20, Nicholas called Jose and their phone lines were actively communicating for seven seconds. Between 18:24 and 18:35, they exchanged ten texts. On June 21, they exchanged five texts between 16:50 and 17:36. On June 21, from 21:23 to 21:23, they exchanged three texts. On June 22, at 16:53, Jose's telephone contacted Nicholas's phone and their lines were communicating for thirty-two seconds. On June 22, at 17:13, Jose's telephone contacted Nicholas's phone and their lines were communicating for forty-two seconds. The last time they communicated for the telephone records Affiant had was on June 23, at 17:42, a call was placed from Jose's telephone to Nicholas's phone and those lines were active and communicating for two hundred and fifteen seconds.

Affiant was only able to retrieve telephone call records from Nicholas's telephone on the date of June 19, 2011. On June 19, Nicholas's phone communicated with Ashely's telephone at 2:08 a.m. and communicated for one minute. Ashley's telephone contacted his telephone at 2:09 a.m. and their lines communicated for two minutes. At 2:12 a.m., Nicholas's telephone communicated with Ashley's telephone for five minutes. At 2:17 a.m., Ashley's telephone contacted Nicholas's telephone and communicated for one minute. At 2:18 a.m., Ashley's telephone contacted Nicholas's telephone and communicated for one minute. At 2:19 a.m., Nicholas's telephone contacted Ashley's telephone and communicated for one minute. At 2:46 a.m., Nicholas's telephone contacted Erik Zubia's telephone, 505-913-9157, and their lines communicated with each other for one minute. At 9:53 a.m., Nicholas's telephone contacted Erik Zubia's

telephone and their lines communicated for five minutes. At 5:26 p.m., Erik Zubia's telephone contacted Nicholas's telephone and their telephone lines communicated for one minute. This is the end of pertinent telephone calls and texts captured between Nicholas Ortiz, Jose Roybal, Ashley Roybal and Erik Zubia.

Jose said Ashley and Nicholas were followed by Jesse Rios that evening. Ashley told Jose that Jesse drove out of the entrance of his residence while she was parked there waiting for Nicholas. Jose added that Nicholas took a shower at Ashley's residence and stayed there until morning. Affiant asked Jose how he knew Nicholas killed the Ortiz's that evening and he said that he could tell by the look on his face that night. He had never seen anyone look that way in his entire life.

Crime scene processing revealed the presence of two unknown latent prints. The first was taken from the island in the kitchen and the second from an exterior door. Though standards from different individuals were taken and compared to these prints, the standards were insufficient for comparison to the prints taken from the scene. For this reason, major case prints taken from (Nicholas Ortiz) are needed to provide a sufficient standard against which the prints from the scene may be compared.

Affiant is aware through training and experience that before, during and/or after the commission crime(s) there is often transfer of evidence between the suspect, victim(s), witness(es) and/or their environment. This evidence may not be visible to the naked eye. The evidence, if it exists, may assist in determining the identity of any person who may have been present at the time of the incident.

Therefore, Affiant respectfully requests that the Court issue a Warrant commanding the search the above-described person.

At approximately 1:30 p.m. on February 13, 2015 Sergeant Bobnock and NMSP Lieutenant Scott McFaul served the arrest warrant on Nicholas. Sergeant Bobnock transported Nicholas to the NMSP Investigation Bureau (IB) office in Santa Fe, New Mexico.

NARRATIVE

On February 13, 2015 I, Agent Ryan Kuehl, was assigned to assist New Mexico State Police (NMSP) Sergeant Kraig Bobnock in serving an Arrest Warrant for Nicholas Ortiz (DOB 11/01/1994). At approximately 1:30 p.m. on February 13, 2015 Sergeant Bobnock and NMSP Lieutenant Scott McFaul served the arrest warrant on Nicholas. Sergeant Bobnock transported Nicholas to the NMSP Investigation Bureau (IB) office in Santa Fe, New Mexico.

Sergeant Bobnock placed Nicholas inside an interview room that was video and audio recorded. I obtained a copy of the interview room video and audio for review. At approximately 3:18 p.m. Sergeant Bobnock and Lieutenant McFaul attempted to interview Nicholas. When Lieutenant McFaul asked Nicholas to explain his side of the story Nicholas replied that he was going to be booked no matter what and wanted a lawyer present for the interview. Sergeant Bobnock and Lieutenant McFaul walked outside of the interview room and left Nicholas inside, unhandcuffed, with his cellular phone. Nicholas was given the opportunity to make phone calls using his cellular phone.

At approximately 3:33 p.m. Nicholas made a phone call to an unknown person. The phone call went to voice mail and Nicholas attempted to call another unknown number. The phone call went to voice mail again and Nicholas attempted to call another unknown number. Nicholas answered the phone to a female identified to be Gabby. Nicholas asked Gabby to speak to his father. When Nicholas's father answered the phone Nicholas replied "They arrested me for it, they arrested me I am going to jail tonight." Nicholas hung up the cellular phone after a short conversation.

At approximately 3:40 p.m. Nicholas attempted to call an unknown number. An unknown female answered the cellular phone with the phone on speaker. While Nicholas was speaking to the female he appeared to be sending text messages an unknown person. At approximately 3:42 p.m. Nicholas started talking to his mother and stated to her "They arrested me for it." Nicholas took the cellular phone off speaker and stopped texting.

At approximately 3:52 p.m. Nicholas made a phone call to another unknown number. An unknown person, possibly identified as Kim, answered the cellular phone and Nicholas stated "They came and got me for it this morning." At 4:06 p.m. Nicholas answered another phone call from an unknown male, who was referred as "Trav." Nicholas stated to the male "They came and got me for that stuff today for those people in El Rancho." Nicholas's cellular phone was submitted to the Santa Fe County Detention Center personnel as part of Nicholas's property.

On February 16, 2015 I completed a Search Warrant for Nicholas's black and blue Samsung Galaxy S4 cellular phone. The search warrant was approved by a 1st Judicial District Attorney and Judge. Please refer to Attachment RK-1 for a copy of the Cellular Search Warrant.

At approximately 5:30 p.m. I arrived at the Santa Fe Adult Detention Center where Nicholas was incarcerated. I made contact with a booking officer and requested to speak to Nicholas to serve the search warrant. The booking officer provided me with Nicholas's property that contained his Samsung Galaxy S4 cellular phone as described in the search warrant. I served Nicholas a copy of the search warrant. I completed a return and inventory documenting the Samsung Galaxy S4 cellular phone was taken pursuant to the warrant. Nicholas signed the return and inventory form as the owner of the property. Please refer to Attachment RK-2 for a copy of the return and inventory.

I transported the Samsung Galaxy cellular phone to the NMSP IB office in Santa Fe, New Mexico. The cellular phone was placed into the evidence storage locker. On February 18, 2015 the Samsung cellular phone was transferred to NMSP Agent Joseph Casarez who completed an analysis on the cellular phone. The data stored within the cellular phone as described in the search warrant was transferred to a DVD-R. The cellular phone was placed back into evidence at the Santa Fe NMSP evidence vault. Please refer to Attachment RK-3 for copy of the evidence control forms.

During my review of Nicholas's text messages on February 13, 2015 from 3:18 p.m. to 5:47 p.m. I did not observe any significant details about the criminal charges against Nicholas.
