Summary of Investigation:

1. On November 2, 2016, at approximately 0835 hours, I was present with ADA Vinocur at [redacted] for an interview with [redacted]. Mr. [redacted] started the interview by stating that he had suffered a stroke in April of this year and that the stroke had affected his memory and vision. Mr. [redacted] remembered a white male, approximately 6 to 7 years old, 4 feet tall, with blonde hair. The boy used to hang out with his mother in front [redacted] in Manhattan. He believed the mother was a thin white female in her thirties with dirty blonde hair. He was unsure of the exact year that he saw them at the location but believed it was 1977, 1978, or 1979. He stated that he saw them approximately five times and that once was during a Saturday block party. Mr. [redacted] believed he saw them between 1400 and 1600 hours when Mr. [redacted] would come home from school and then leave for work at a grocery store. Mr. [redacted] also remembered a male known as [redacted] from a pool hall next to the above address on 4th Street. He stated that kids were always in and out of the pool hall. Mr. [redacted] thought the above listed female and child were [redacted] wife and son. Mr. [redacted] remembered flyers of a missing boy being posted after he stopped seeing the above mentioned child. He thought the flyers may have been for that child.

[redacted] stated she did remember him as the superintendent of the building and that her sons and other kids in the building would visit "[redacted] (A.K.A [redacted]) at his apartment and play board games (Monopoly). [redacted] remembers "[redacted] (A.K.A [redacted]) to be very friendly and that he took a liking to her son [redacted]. An inquiry if "[redacted] (A.K.A [redacted]) ever visited her apartment [redacted] stated that he did and that he would have dinner with them. Mrs. [redacted] stated that detectives had previously spoken to her and she told them that she remember seeing a boy with "[redacted] (A.K.A [redacted]) in the building, with reddish hair. The reason she remembered the reddish hair was because at one occasion she observed the boy sitting alone and when she approached him to make sure he was okay, it looked like the boys hair was not his natural color, but dye red. [redacted] stated that she saw the boy a total of three (3) times and when she inquired with "[redacted] (A.K.A [redacted]) about the boy, he told her that his girlfriend was a baby sitter and was taken care of him. The one time she saw the boy with "[redacted] (A.K.A [redacted]) was in the afternoon at approximately 3 P.M, around the time her kids returned from school. An inquiry if she remembered seen the boy

before or after the incident of a resident "[redacted] who was a victim of a homicide in the area. [redacted] stated that she remembers seen the boy after that incident, but was not totally sure.

Summary of Investigation:
1. On May 11, 2017, at approximately 1330 hrs. contact was made with [redacted] via telephone. I spoke with Mr. [redacted] with regards to emails that he sent to [redacted]. I advised Mr. [redacted] that the [redacted] family does not want to be contacted by him at all. I further advised Mr. [redacted] that if he should continue to make contact with the [redacted] family legal action will be taken and or a restraining order will be issued. In further conversation with Mr. [redacted] he made admissions that the information he supplied was made up (created) and he was sorry, "only trying to help". I asked him where he obtained the mailings (Photocopies of USC) he sent to this office and he stated that he didn't know where he got them from and it was just something that he thought

up. When asked why would he do something like that, he responded "I just want to help". I asked him if he still lives at the same [redacted] address with his parents and he stated yes. Mr. [redacted] He also states that he still works in the mail room at the [redacted] building on [redacted] avenue.

2. I had a subsequent conversation with Mr. [redacted] about a text message, he continued to infer or imply he had some type of evidence, and reminded him that he had admitted to me that the proof was something he made up. Mr. [redacted] once again admits that what he did was wrong and was sorry.

3. I informed Mr. [redacted] that any future contact with the [redacted] family may lead to legal issues, and that he should refrain from continuing to put forth erroneous information. Mr. [redacted] agreed and apologized for creating any problems and stated he will not do it anymore. Mr. [redacted] asked me to extend his apologies to the [redacted] family and would not bother them anymore.
