INVEST: MISSING PERSON, ETAN PATZ MW 6
SUBJECT: RE-INTERVIEW EMPLOYEES OF BODEGA, 448 WEST BROADWAY
CONTENT: CASE ACTIVE

1.) On July 6 1979, at 1200 hrs, I visited the Bodega at 448 West Broadway. I spoke to Juan Santana who is the manager of the Bodega and has worked there for 13 years. Mr Santana lives at 436 West Broadway and has a DOB of 4/8/46. Mr Santana states that he knows the Patz family because they are fegular customers at his store. He says that he did not see Etan Patz at all on May 25, 1979. Mr Santana however does recall seeing Etan on May 24 1979, at about 0800 hrs., and again at about 1600 hrs. Mr Santana says that Etan was waiting for the School bus with his older sister and other children and some of the children's parents. He recalls that shortly after the children boarded the bus a female known to him as a local resident (not known to him by name), brought in the lunch bag belonging to Etan. Mr Santana stored the lunch bag for safekeeping. Mr Santana says that Etan returned at about 1600 hrs to pick up his lunch bag. Mr Santana states that he does not recall seeing Etan at any time engaged in conversation with a stranger or an unsavory character.

2.) BCI check of Juan Santana, DOB 4/9/46, reveals no record.

3.) Also present at the Bodega on 5/25/79 were, Pedro Hernandez, 436 W Bway, DOB 2/13/61, and Rachael DaVilla, 161 PrinceSt, DOB 5/16/33. Neither Pedro nor Rachael saw Etan Patz on 5/25/79.

4.) BCI check on Pedro Hernandez and Rachael DaVilla reveal no record.

4.) Case Active.
