FACTS: In regards to Shasta County Sheriff's Case #16-40875:

On Thursday, November 3rd, 2016, at 0700hrs, your affiant was briefed on Sherri Louise Papini who is reported as a missing person at risk. Your affiant learned the following information through conversations with other Detectives, from the Shasta County Sheriff's Office Major Crimes Unit, where your affiant is assigned.

On 11/02/16 at 1751 hours, Keith Papini reported his wife Sherri Papini may have been abducted from Sunrise Drive and Old Oregon Trail in Mountain Gate California, County Of Shasta. Keith Papini stated when he returned home, , from work, Sherri Papini and their two children were not home. It should be noted, Sherri's vehicle was located at their residence upon his arrival home.

Keith Papini later told Detectives he began looking for Sherri and their children, but he could not find them. At approximately 1745 hours, Keith Papini contacted his children's daycare provider and learned the children were not picked up yet. Keith Papini stated that Sherri never picks up their children late and the daycare closes at 1730 hours. Keith Papini told Detectives he used a phone app called "Find My iPhone" and began searching for her. Keith Papini later located Sherri Papini's cellphone near the cluster mailboxes at the corner of Sunrise Drive and Old Oregon Trail, approximately one mile away from their residence. Upon locating the phone he reported seeing several strands of hair in the attached "ear buds" (headphones). Keith Papini told detectives this area was a common area from Sherri Papini to run.

Your Affiant learned on 11-08-16 through conversations with Detectives that Sherri Papini had been communicating with Donovan Miske for several months using Pinterest, LinkedIn and her cellphone (. Your affiant learned through the use of LexisNexis Accurint and TLOxp that Donovan Miske's phone number is ( ). Your affiant learned though Investigator Brian Torum with the Redding Police Department and Detectives with the Shasta County Sheriff's Office Major Crimes Unit that Sherri Papini cellphone had the phone number in her contacts stored under the names of Christina Matty and Michelle Dominquez.

Your affiant believes through his training and experience that person(s) often use other person names to conceal the true identity of persons for reasons such as having a secret affair. Sherri Papini may be trying to conceal Donovan Miske's identity by using the names mentioned above.

Your affiant learned through conversations with other detectives and looking at Sherri Papini's cellphone download report compared to Sherri Papini's call detail records that Sherri Papini received a text message on 10-29-16 at 1030 hours from phone number which read, '**I'm at conference from 9-5, how far is the drive? Where would we meet.?** Sherri Papini's phone number 3 replied 3 minutes later stating, "**From SF? About 4 1/2, 5 hours**". The reply back from read **"Yikes".** These messages were recovered as deleted text messages. Your affiant learned through reviewing Sherri Papini's cellphone records provided by AT&T that Sherri's cellphone ( ) connected to cellphone (via SMST several times on November 1st 2016 the day before of Sherri Papini's disappearance. Through cellphone records, your affiant learned that Sherri Papini's cellphone had been connecting to (SMST since July 10th, 2016. These contacts were not located in the physical phone download.

Your affiant along with other detectives learned by searching the name Donovan Miske through Facebook that he posted on 10-30-16 that he was in San Francisco California attending a medical management conference. On 11-02-16, at 1121 hours, he posted to his Facebook page that he returned to Bishop International Airport in Flint, Michigan. This is approximately 7 hours after Sherri Papini was reported missing. Your affiant learned through Donovan Miske's Facebook profile that he lives in Flint, Michigan according to what was posted on his Facebook page.

At this time, two Shasta County Sheriff's Office Detectives are in Flint Michigan. The detectives are attempting to locate Donovan Miske, to determine the extent of his involvement in Sherri Papini's disappearance and whether Sherri Papini voluntarily left or was abducted.

On Thursday, November 10th, 2016, at 1032 hours, Detective Craig Tippings contacted **Cellco Partnership (DBA: Verizon Wireless)** and completed an Emergency Situation Disclosure request. Refer to their case # 160245976. Based on information provided by **Cellco Partnership (DBA: Verizon Wireless),** your affiant determined the phone/phone number [redacted] account belongs to Dr. Theodore Fellenbaum. Dr. Fellenbaum owns several OB/GYN/Vulvar Care clinics/practices in the greater area of Flint, Michigan.

Based on TLOxp reports, ran by your affiant, Flint OB/GYN is Donovan Miske's employer. According to Dr. Theodore Fellenbaum's Facebook page and the Flint OB/GYN website, all three practices belong to him. The practices are located in Flint, MI, Fenton, MI, and Lapeer, Mi. Based on your affiant's training and experience, I know that employers often provide their employees a cell phone to conduct business on and also use for personal matters. Your affiant knows that Donovan Miske communicated electronically with Sherri Papini, using this cell phone [redacted] no less than 300 times over the past six months. Donovan Miske used this cell phone ([redacted] to communicate electronically with Sherri Papini as recently as November 1st, 2016, while he was in San Francisco attending a medical conference.

Based upon your affiant's training, experience, and conversations that your affiant had with other Law Enforcement Officers and/or reports that your affiant has read, your affiant knows that persons who go missing can do it voluntarily or involuntary. Based on the facts of this case, it is unknown if Sherri Papini voluntarily left or she has been forcibly abducted. Your affiant knows based on his training, experience and conversations that your affiant had with other Law Enforcement Officers and/or reports that your affiant has read, victim's may be forced to access their cellphone and/or received a message or calls from person(s) responsible for their abduction. Cellphone records may also assist in this investigation if Sherri Papini has voluntarily or involuntarily went missing. Detectives with the Shasta County Sheriff's Office Major Crimes Unit continue to interview witnesses and search the area that Sherri Panini was last seen.

Your affiant knows based on his training and experience that cellphones can provide a time stamp on messages or calls received along with longitude and latitude locations. Your affiant knows through his training and experience that relatives or friends including husbands, may have conspired to the disappearance of persons related to them.

Because of the prevalence of cellular telephones in today's society, there is a strong likelihood that the suspect(s) may have contacted Sherri Papini on her cellular phone. These records could ultimately lead to a successful identification of possible suspect(s) or clues regarding the whereabouts of Sherri Papini.
