FACTS ESTABLISHING ELEMENTS OF CRIME AND IDENTIFICATION OF ARRESTEE:

On 10/14/26 at approximately 1325 hours, I was working patrol in a full Santa Ana Police Department uniform, operating a marked black-and-white patrol vehicle, in the City of Santa Ana, Orange County. I responded to the Santa Ana Police Station located at 60 Civic Center Plaza to assist Immigration and Customs Enforcement (ICE) agents in a call for service.

A vehicle, a black Ford Mustang SUV with California license # [redacted], was following the ICE agents as they were leaving their place of work located at 28 Civic Center Plaza. Two off-duty ICE agents noticed the vehicle running a red light and caught up to them. The vehicle pursued them from 28 Civic Center to 800 W 17th Street.

ICE agents pulled into the alley south of the address and then into a parking spot to confront the driver of the vehicle. The suspect vehicle parked behind the victim vehicle, to the point where the ICE agents could not drive away. One of the ICE agents got out of their vehicle, approached the suspect vehicle and one of the occupants, later positively identified by her California driver's license as Madison Skye Crabill, rolled down the window and held up a megaphone playing a loud song over the megaphone.

The driver of the suspect vehicle reversed, allowing the victim vehicle room to back out. The victims called police, and dispatch directed them to drive to the front of the Police Station. The suspects were detained by Santa Ana Police officers at this time. They were identified as Madison Crabill and Adilene Tinoco by their California driver's licenses.

The victims later stated that the vehicle and occupants had been following them since 1000 hours while they were working. While they and other agents in other ICE vehicles were conducting surveillance at [redacted] the suspect vehicle, along with several other vehicles, played a song over the megaphone while activating the siren function on the megaphone. This prevented ICE agents from conducting their surveillance operation.

The victims also stated that the same group, along with the same suspect, approached them and other ICE agents while they were conducting surveillance at [redacted] The suspect also held the megaphone out of the vehicle window with the siren playing and the same song playing, again interfering with a surveillance operation.
