Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Officers were dispatched to a shooting at the B&I with one victim shot in the legs, who was later transported to St. Joes with non like threatening injuries. The suspect was determined to be a black male who left with a white male and possibly white or Pacific Islander female in a white sedan with tinted windows. Another victim from the shooting showed up at Allenmore Hospital with non life threatening injuries. Video surveillance revealed that two groups of people came across each other in the hallway and a disturbance broke out that resulted in the black male pulling a gun out and shooting at the other group, striking one intended subject and another civilian nearby.

Narrative:

On 1/17/25, I was working uniformed patrol for the Lakewood Police Department. I was operating in a fully marked patrol vehicle equipped with both lights and sirens, readily identifying me as a patrol officer. This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events, please refer the reader to my ICV/body worn camera, as it was recorded for this incident.

At 1721 hours, I responded with numerous officers to the B&I (8012 S Tacoma Way) for a shooting of a female shot in the leg. While enroute, we were notified that there was a group of 7 males and all had fled northbound on South Tacoma Way. The shooter was described a, "7 SUBJS AT LOC .. B/M EARLY 20S 507/THIN BLK DREADS - WRG: RED SWTSHRT & RED SWTPNTS"

Upon arrival, I observed a female later identified as Alexandria S Oropreza (DOB 3/9/06) down on the ground in the hallway near an ATM. Alexandria was alert and conscious and Officer Pingul LK140 and Officer Topasna LK142 began providing medical aid and applying tourniquets to her legs.

It should be noted that this was a very dynamic scene, and I was moving around and talking to various people trying to get pertinent information on the suspect(s) and direction of travel they went in.

Sergeant Moody LK24 and I began speaking to bystanders about if they witnessed anything. I spoke with Ever Hurtado Tores (DOB 10/07/97). Ever informed me that two males one with a black hoodie and in red ran on foot out of the building north towards 72nd St S.

I then spoke with Juliet E Vasquez (DOB 12/22/05) who informed me that Alexandria was her friend, and they were at the ATM getting cash out to get food. Juliet said that she heard shots go by her and realized her friend had been shot. Investigator White LK131 later interviewed Juliet further. Please refer to his supplemental for more information.

I then spoke with security guard/ Ropati Maligi (DOB 1/25/01) who informed me that he was called down to the hallway for the incident and saw 4 subjects running. There was a white male standing next to Ropati that he later informed me that was involved with the group with the shooter. Ropati stated that he was able to stop this individual, but the others got away.

At this point, I notified Officer Topasna who was near me, and we detained the white male who was positively identified as/ Avrin K Lowery (DOB 8/21/06). After Avrin was detained, I had very minimal involvement in talking to him.

Avrin was later transported to Lakewood PD so Investigator White could interview him further.

While on scene, dispatch advised that Tacoma PD was responding to a walk in shooting victim at Allenmore Hospital (25-017-01740). The victim in that incident was identified as Dre- Shawn K Pona (DOB 8/9/05) and it was determined that Dre-Shawn was shot at the B&I during this incident. Detective Latimer

LK54 responded to Allenmore and spoke with Dre Shawn. Please refer to her supplemental report for further info.

I spoke with Gustavo Vival (DOB 10/13/70) who had a video clip from the incident. The video shows the 3 following males:

1. Light skinned black male, likely 16-20 years old wearing blue jeans, a black puffy jacket, black shoes and black dreadlock type hair.
2. Light skinned black male, likely 16-20 years old wearing with gray pants, gray hoodie, gray sneakers and a black backpack.
3. Light skinned black male, likely 16-20 years old wearing light blue jeans, gray hoodie, possibly blue Nike shoes with puffy black hair. This male was determined to be Dre Shawn

All the males are seen walking down the hallway, they then turn around and walk back towards the intersection of another hallway. Once in the intersection, the camera angle was slightly out of view, but I could see that an altercation broke out and the following new group of individuals emerge into the camera:

1. A heavy-set white male, likely 16-20 years old wearing a black hoodie, black sweatpants, black shoes and a black beanie.
2. A heavy-set white male, likely 16-20 years old wearing a black puffy northface jacket, black pants, black shoes and a black hat. This male was identified as Avrin who was already detained.
3. A thin black male with shoulder length dreadlocks, wearing a red hoodie, light blue/gray pants and red shoes. This male is seen pointing a firearm and stuffing it into his waistband and running
4. A white or possibly Pacific Islander female wearing a red crop top, black jeans or leggings and white shoes. She is the last one running behind them and is heard yelling, "I'm behind you!" numerous times.

I provided Gustavo an Axon link and he uploaded the video to evidence.com.

It appears that that the first listed group of individuals got in an altercation with the second group of individuals, which resulted in shots being fired and Alexandria getting hit while being in the background.

I then spoke with another B&I employee who was associated with the owner and stated he could get additional footage from the main office. Please refer to Officer Pettit's LK126 supplemental report for further information. Officer Pettit primarily spoke with the owner and obtained their contact information.

I then spoke with Odessa J Mendoza (DOB 9/12/95) who works at Top To Bottom who stated that the second group of 4 with the male in the red sweatshirt and the female were in his store prior to the shooting. He was able to obtain relatively good still photos of them. I provided Odessa an Axon Link and he uploaded the photos to evidence.com. Odessa witnessed the shooting, which was consistent with what the video revealed. Odessa closed his shop and I was unable to get a formal statement from him.

Officer Pettit came back from the main office and advised us that the suspect may have arrived and fled in a white sedan. Based on surveillance it appeared to possibly be a white Chrysler sedan.

At this point, Detective Martin arrived on scene and started processing it. Two shell casings were located which were later collected. Please refer to Detective Martin and Officer Pettit's supplemental report for further information on evidence collection and booking process.

Officer Pingul had a crime scene log but was relieved from the scene and handed it off to me around 1830 hours. I signed the log, and it was later turned into the SS911 box at the Lakewood Police Department. Officer Pingul responded to St Joe's Hospital to contact Alexandria. Please refer to his supplemental report for further information.

I relocated to the main office where Charles showed me more footage. The time stamp on the video surveillance was about 15 minutes ahead but at 1645 hours (correct time) a white Chrysler sedan is seen entering the parking lot at 80th St S/ South Tacoma Way and the vehicle came from the south. The group of individuals and the black male with the red hoodie and gun are seen exiting the vehicle.

Shortly after the shooting (I cannot recall exact time frame) the same group of individuals, excluding Avrin are seen entering the vehicle before fleeing the parking lot.

All video from the B&I main office is currently being downloaded and will be collected and booked into evidence likely tomorrow 1/18/24.

It was determined by detectives that the white vehicle was a white 2013 Chrysler Sebring (WA/CJM1363) was the vehicle involved. The vehicle is registered to a Cynthia A Zoller (DOB 8/29/61). Please refer to detectives' information regarding additional details involving the vehicle and its involvement.

I uploaded all video and digital images that I took to evidence.com.

This ends my involvement in this incident.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 1/17/2025, I was working uniformed patrol for the Lakewood Police Department in a fully marked patrol vehicle, readily identifying me as a patrol officer.

At approximately 1720 hours Dispatch advised that there was a shooting at the B & I shopping mall located at 8012 S Tacoma Way SW.

I responded along with other Officers. Officer J. Pingul and I entered through the food court entrance off of S Tacoma Way and observed the female victim laying on the floor with her upper body being held up by a bystander. The victim appeared to be in severe pain. One entry and exit bullet hole could be seen through her pants on the upper portion of each leg. Officer Pingul applied his issued Combat Application Tourniquet (CAT) to the upper portion of the victim's right leg. I applied my issued CAT to the upper portion of her left leg and applied pressure on her lower abdomen area where the upper portion of the femoral artery is in order to prevent further bleeding. Officer Pingul used his trauma sheers and cut off her pant legs exposing what appeared to entry and exit gunshot wounds to both legs caused by one bullet. West Pierce Fire and Rescue (WPFR) responded and transported the victim to Saint Joseph's medical center.

I contacted a male who had been detained by security personnel nearby. Security said that the male was involved in the incident. The male identified himself as Avrin Lowery. I placed Avrin in wrist restraints (double locked/gauged). I asked him to explain why he was detained. He said that he was with a friend named "Heaven" and another unidentified white male when he heard gun shots and began to run away but was detained by security. Avrin stated that he did not know the unidentified male's name but said his female friend's name was Heaven Sakellis.

Officer Cooper contacted security and obtained a still photo of the individuals involved. Avrin was in the photo alongside Heaven and an unidentified white male and a black male wearing a red jacket.

Investigator Cody stated that Avrin would need to be transported to the Lakewood Police Department where he would be interviewed. I escorted Avrin to my patrol car and searched him. I then placed him in the back seat of my patrol car and secured him with a lap/shoulder seat belt. I transported Avrin to the station and escorted him to a detention cell where removed the wrist restraints and placed his left hand in a hand cuff and secured the other end to the detention cell bar. I then logged Avrin into the detention cell logbook.

Investigator Cody arrived and I removed Avrin from the detention cell and escorted him to an interview room where he was interviewed by Investigator Cody.

I did not participate further in the investigation.

Nothing further.

Synopsis:	

Narrative:

On 01.17.2025 I was working uniformed patrol for the City of Tacoma as unit P241. I was operating a fully marked Tacoma Police vehicle.

At approximately 1808 hours I responded to Allenmore Hospital reference a shooting victim (that was later learned to have occurred at the B&I in Lakewood).

I arrived on scene and contacted PPO's WACKER and GENIS who were standing outside the room where the victim was being seen. I was also made aware that the victim's brothers were in the waiting area.

I later became aware, as the brothers were leaving the hospital, that they were responsible for bringing the victim (to the hospital).

I went out to contact the two brothers along with two additional females (that they were with). I learned that they brought the victim to the hospital in a vehicle, and I further learned that all witnessed the shooting. One of the brothers stated that they were at the B&I when some random subjects started arguing. One subject said something along the lines of "whats yo niggas looking at you got a problem" when the shots started (and the brother got shot).

The subjects walked me (from the Emergency room building to the Administrative building parking lot) to their vehicle which was identified as WA/CGZ1674 2019 SUBARU LEGACY. I examined the vehicle and observed a significant amount of blood on the front driver side floorboard and a backpack in the back.

I directed PPO WACKER to identify all the subjects and remain with them.

I remained with the vehicle. Lakewood PD Detective later arrived. The vehicle was released to the Detective.

I cleared.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:	This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On the listed time and date, I was working as a patrol police officer in a department issued uniform with clearly-visible police markings and department insignia on both shoulders. I was also driving in a fully marked patrol vehicle equipped with emergency lights and sirens. My unit number was "LK140".

On 1/17/2025 at 1720 hours, Officers responded to the B&I located at 8012 S Tacoma Way for a report of a shooting with a victim.

I arrived at 1724 hours from the east side of the business, where the food court is located. As I entered the business, I observed multiple people, just past the food court, who were hovering over someone. As I got closer, I observed a female victim, laying supine on the ground. She was later identified as Alexandria S Oropeza. I knelt beside her and asked her where she had been shot. She replied: "in my legs." Using my department issued tourniquet, I placed it high on her right leg, just below the groin. Officer Topasna arrived and placed a second tourniquet on her left leg, in the same location as the first. After the tourniquets were applied, I cut Alexandria's pant legs off using my trauma sheers. After cutting her pants off, I observed what appeared to be a through-and-though gunshot wound on her left thigh and a fully penetrating gunshot wound to her inner right thigh.

West Pierce Fire and Rescue arrived shortly after and placed Alexandria onto a gurney, where they transported her to St Joseph's medical center.

After Alexandra was transported, I assisted in placing crime scene tape up in the location of where the shooting had taken place.

I filled out a major crime scene log and ensured all Police personnel on scene signed it.

As detectives and investigators showed up, I left the scene to check on the status of Alexandria at the hospital.

When I arrived at the hospital, I contacted Alexandria in one of the ER rooms. The hospital staff advised me that Alexandria's injuries were non-life threatening and that she was going to be discharged shortly. They advised that the bullet was still lodged in her right leg, but they were going to schedule surgery for a later date.

I spoke to Alexandria and asked her about the incident. She reported that she and her friend went to the B&I to buy some fried rice from the food court. When she went to pay, the employee told her that they only accepted cash. They directed Alexandria and her friend past the food court, to where the ATM was located. As Alexandria was attempting to withdraw money from the ATM, she heard gunshots. As soon as she heard the gunshots, she felt pain in her legs and fell to the ground. She said that several minutes later, the Police arrived on scene.

After speaking with Alexandria, I gathered the clothing that she was wearing during the incident and brought it back to the Lakewood Police Department. The clothing was placed in paper bags and booked into evidence at the PD.

I had no further involvement in this case.

Nothing further at this time

Synopsis:	

Narrative:

On 1/17/2025 at approximately 1802 hours, I was dispatched to Allenmore Hospital for a report of a shooting victim who had arrived for treatment.

Upon arrival, I contacted hospital security, who informed me that an individual, later identified as V/PONA, stated he was shot during an incident that occurred in Lakewood. I informed dispatch of the connection to the existing Lakewood incident. I contacted V/PONA at the request of security who was become frustrated with being unable to speak with his brothers who had transported him to the hospital. I explained to V/PONA that hospital staff needed to finish treating his injury prior to allowing his family to visit him. V/PONA understood and agreed to allow hospital staff to continue with treating him. I did not speak with V/PONA regarding the events of the shooting due to a Lakewood detective being enroute to the hospital.

I contacted two men, W/BURNS and W/PIERCE, along with two females, O/SEELEY and O/TOVAR, in the parking lot of the hospital. W/BURNS and W/PIERCE identified themselves as brothers of V/PONA and stated they were present with V/PONA during the shooting. W/BURNS explained they were outside of B&I when they heard gunshots and realized V/PONA had been struck in the foot. The three men were then joined by O/SEELEY and O/TOVAR, who were at the location with them but not present for the shooting. The five individuals entered a vehicle and drove to Allenmore Hospital where they remained until contacted by law enforcement. All individuals stated they did not see the shooter and denied having any knowledge of why the shooting occurred.

I remained at the hospital with W/BURNS, W/PIERCE, O/SEELEY, and O/TOVAR until a detective with Lakewood PD had finished their interview with the group.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Detective response to Allenmore to contact victim Dre-Shawn Pona and friends.

Narrative:	On 1-17-25 at about 1725 hours, I was off duty at my residence and received notification from Lakewood Major Crimes Supervisor Sgt Suver of a shooting which had just occurred at the B&I with one victim having been shot in the leg. I responded to Lakewood and arrived at the B&I at about 1805 hours. Upon my arrival, I contacted Sgt Moody in the south east B&I parking lot. Sgt Moody advised me that a second gunshot wound victim had just arrived at Allenmore Hospital in Tacoma.

Sgt Moody showed me several still photos from his phone which had been made from B&I surveillance video. The photos were of two groups of subjects who had been involved in this incident and one of the males in the photos, later identified as Dre'Shawn Pona, was the Allenmore walk-in victim.

I did not enter the B&I or talk to anyone else at the scene. I drove to Allenmore Hospital, 1901 S Union St, Tacoma, and went into the Emergency Department. I learned from a security guard that Dre-Shawn Pona had been carried into the ER by his "brothers" who were now in a nearby building speaking with Tacoma PD officers. TPD Officers had responded to Allenmore Hosital on an OSA assist to Lakewood under incident #25-0170-1740 due to the circumstances.

I went into Pona's room, where he was being spoken to by hospital staff. Pona was fully awake and speaking clearly. Pona's right ankle was wrapped in bandages which had already soaked through with blood. One doctor advised me the gunshot was a through-and-through with one hole on the posterior side of Pona's ankle and the other on the medial side (back and inside). I took photographs of Pona's wrapped wound and later uploaded them to the Evidence.com server.

I asked Pona to sign a Release of Medical Information form, which he did. I later turned the completed form over to Detective Martin.

I asked Pona if I could audio and video record our conversation with my body worn camera but he told me he did not want our interview recorded. He was willing to talk to me but asked that I only take notes and he was more concerned with making phone calls and being released than in providing details about what had happened. I allowed Pona to use my department issued cell phone to call his grandparent and his mother. We then spoke about what happened at the B&I.

Pona told me he and his two brothers had gone to the B&I to get his cell phone fixed at the Fix It store. After dropping off his phone, someone pulled out a gun and started shooting. Pona said he had never seen the shooter before and that no one had said anything to him before the shooting. Pona denied seeing a gun and said he hadn't been looking at the shooter, he had just heard the shots and started running when he realized he was shot. Pona insisted that he must have been caught in a cross-fire. Pona was not interested in talking more to me at that time although he said he would be willing to meet with detectives again later to provide a better statement. Pona explained he was just anxious to talk to his brothers and to get out of the hospital.

Pona's mother, Alicia Hatch, arrived at the hospital and came into the room with us. Hatch had been at home in Olympia when she received a call and learned that Pona had been shot. Hatch was the owner of the Subjaru Legacy Pona and the others had been using to go to the B&I (and then Allenmore) from Olympia.

Pona's clothing had already been bagged by medical staff. I looked at his sweatshirt but there was only one small smear of blood on it so I photographed it but did not collect it. I collected Pona's jeans, shoes, and socks, which were very bloody. I later placed them in a secure locker in the LPD forensics bay drying room.

I met with a TPD officer outside the room and he walked me and Alicia Hatch out to my car, where I secured the bloody clothing in my trunk, and then over to the "B" building where the subjects who had brought Pona to the hospital were waiting with other Tacoma officers. The two males identified themselves to me as Keyondre Burns and Kenneth Pierce and the two females identified themselves at Ashonda Seeley and Amina Cruz. They explained that only Burns and Pierce had been inside the B&I with Dre-Shawn Pona while the two females waited in the car in the B&I parking lot. Keyondre Burns and Kenneth Pierce said although they called Dre-Shawn their "brother", he was not their actual brother. I activated my body worn camera with the consent of all 4 subjects and then took Keyondre Burns aside to interview him. This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

Keyondre Burns said he, Dre-Shawn Pona, and Kenneth Pierce went into the B&I to get Pona's phone fixed. They dropped the phone off at the We Fix It store and were told it would be 30 minutes until the phone was fixed. They walked around the B&I and went into the food court while waiting the 30 minutes. Burns notified the same males later involved in the shooting "chilling in the food court" but had no interactions with them then other than that they all stared at each other in acknowledgement. While returning to We Fix It to pick up the phone, Burns heard people arguing and heard somebody say, "What are you looking at?" He then heard "boom, boom, boom" and while they were running away, both Dre-Shawn and a lady wearing a black top and white pants were struck by gunfire. Burns did not see the shooter's face but described him as wearing a red hoodie, approximately 5'08" and skinny. Burns reiterated that he didn't know who was arguing and would not be able to identify the shooter.

After speaking with Burns, I pulled Kenneth Pierce aside and interviewed him.

Kenneth Pierce said they were walking through the B&I when somebody started "mean-mugging" them, so they said, "What's up?" Pierce said, "I'm not gonna lie, I started it. I threw a punch at him first. It was self-defense for him." Pierce went on to explain they dropped the phone off and had about 30 minutes to wait so they went to the food court where they saw a group of people including the male wearing a red hoodie sitting down. The male was "mean-mugging" them, although they did not talk to him. They walked back to the phone store and saw the group again. As the two groups passed each other, the male in the red sweatshirt said, "Yo, what's up". Pierce "felt like something was going to happen" because there was no reason for the male to speak to them so he (Pierce) threw a punch at the face of the male in the red sweatshirt, but did not actually make contact with him. The male in the red sweatshirt immediately started shooting 2 or 3 shots. Pierce described the shooter as African American and said the other 2 males with him were white. Pierce was hestitant in providing many details and told me he didn't want to be a snitch.

Following the interviews, I used my body worn camera to videotape the path of blood drops from the Allenmore parking lot into building B. Alicia Hatch and I then looked at her vehicle, a blue Subaru Legacy (WA license #CGZ1674) which was parked in the lot near the B building. With Hatch's permission, I opened the vehicle doors and photographed both the inside and the outside of the vehicle. There was a pool of blood on the driver's side front floorboards where Pona's ankle had obviously been resting as he drove to the hospital from the B&I. I later uploaded the photos to the Evidence.com server.

Once I was finished at Allenmore, I returned to Lakewood PD and began looking through license plate reading cameras in the area of the B&I. I had been told by Sgt Moody that the suspect vehicle was a white Chrysler sedan with tinted windows. I found a matching vehicle in the area of the B&I both before and after the shooting times on area license plate reader cameras. The vehicle, a white Chrysler with WA license #CJM1363. was owned by Cynthia Ann Zoller, 622 114th St S. I checked Zoller through WebRMS and discovered that her 18 year-old son, Seth Nadasky, lives with her. Recent booking photos of Nadasky matched one of the male subjects who had been inside the B&I with the shooting suspect. I provided this information to Detective Martin, who located the Chrysler parked at Zoller and Nadasky's residence. I also uploaded the photos from 6 license plate reading cameras to Evidence.com.

On the morning of 1-22-25, Detective Martin shared partial information he had discovered about the shooting suspect's identity. We were able to find a match on description, name, and age using WebRMS and subsequently confirmed the suspect as 17 year-old [redacted].

Additional investigation remains to be completed in this investigation.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Interview with AVRIN LOWERY and witness JULIET VASQUEZ.

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

I currently am an Investigator in the Major Crimes Unit (MCU) at the Lakewood Police Department. On 1/17/2025 around 1724 hours, I was asked by Sgt. Suver, who is the supervisor of the MCU, to respond and assist on a shooting that had occurred in Lakewood. I was working on an unrelated incident and was monitoring Lakewood dispatch when I heard the shooting being broadcasted over the radio. Dispatch advised there was at least one victim that had been shot at the B&I and was still at the business, which is located at 8012 S. Tacoma Way.

I left the incident I was on around 1740 hours and arrived at the shooting scene at 1748 hours. I first contacted Sgt. Moody who was the patrol swing shift supervisor and received a brief from him on what they knew up to this point. Sgt. Moody explained that there was a group of subjects that had been at the B&I inside and had been walking through the interior of the business. It was believed that near an intersection by the food court there was an altercation that took place, and a black male wearing a red sweatshirt, blue pants and red shoes was involved with this group. This subject had longer black dreadlock-style hair and was darker skinned. On the security video, he is seen shooting a semi-automatic style handgun north through the hallway towards the food court. Sgt. Moody advised that when they responded they were able to detain one male (identified as Avrin K. Lowery) initially who was associated with the suspect that fired the rounds. Sgt. Moody also advised that witnesses believed they heard three gunshots, but responding Officers were only able to locate two (2) fired cartridge casings (FCC).

Sgt. Moody then stated that there was a victim that had been shot in the leg (Alexandira Oropeza), and that she had been transported to St. Joseph's hospital for treatment. He also stated that a female (identified as Juliet E. Vasquez) witnessed the shooting and had arrived at the B&I with Alexandira. While waiting for additional investigators to respond to the scene, I first decided to interview Juliet about what she saw.

JULIET VELASQUEZ INTERVIEW

Juliet explained that her and Alexandira are from King County and came to the B&I to get food and do some shopping. She said that they had arrived within a few minutes before the shooting took place. They parked on the northeast side of the B&I and walked into the east side of the building to the food court. They initially went to a food stand to purchase food but realized that the business was cash only. In a hallway just on the west side of the food court was an ATM machine, so they went up to it to take cash out.

She explained that Alexandira went up to the Machine and was standing directly in front of it facing west. Juliet was standing on the north side of the ATM, placing the ATM machine between herself and the hallway intersection just south of them where the shooting took place. Juliet said that just as they had walked up to the machine, there was a group of four subjects that had been standing near there and walked south through the hallway. She described them as the following:

Subject #1: Black male around 19-22 years old, slim build, around 5'10" tall. He was wearing a red hooded jacket, darker jeans and red "laced up" style boots. He was darker skinned with thin long dreadlock style hair.

Subject #2: Mixed race female around 19-22 years old, shorter, dark hair that was in a bun. She also had what she thought was a red tattoo along her right jaw line.

Subject #3: White or Asian male with a black beanie and what she thought was a lighter colored shirt, dark colored zip up style jacket and baggy pants. Juliet wasn't positive, but thought he was wearing glasses.

Juliet said there was at least one, but possibly two, other people with this group. She distinctively remembered the female and the tall black male in the red hooded sweatshirt.

As they were standing at the ATM as described above, she looked down (south) the hallway and saw the black male in the red sweatshirt extend his arm out in their direction. She said she did not recall seeing a firearm, but at the same time heard a loud bang from a gun go off. Juliet said she immediately ducked down behind the ATM and heard two (2) more gunshots go off. Juliet said as she was crouched behind the ATM, she could hear the bullets passing by in front of her. As this was happening, she realized Alexandira had been shot and was on the ground.

Juliet said that this was when a black male around 19-22 years old grabbed Alexandria and pulled her east towards the food court. She described this male wearing a white shirt, black zip up, and darker pants. He had thicker dreadlock style hair as well. Juliet said that after pulling her a few feet, the male turned around and ran east through the food court towards the exit. She was unsure where he came from when explaining the incident to me. Juliet said that after he fled, citizens began helping Alexandria and tending to her injuries from being shot.

After interviewing Juliet, I met with Det. Martin and explained what he had told me. I also learned at this time that there was video footage of the black male with the red sweatshirt firing a handgun, and that Avrin had arrived with this subject at the B&I and was with him when the shooting took place. He asked that I return to Lakewood Police Department and interview Avrin who was in a holding cell. I responded to the Lakewood Police Department.

AVRIN LOWERY INTERVIEW:

I began interviewing Avrin just after 1900 hours at the Lakewood Police Department in interview room #3. I read Avrin his Miranda warning from a department issued card, which he verbally acknowledged he understood and waived these rights to speak with me. The following is merely a summary of the interview, and the reader should refer to the audio/video recorded interview for exact statements.

Avrin was at his residence located at 3306 240th ST CT E in Spanaway earlier in the day. He said that he resides there with his mother, stepfather, brother (Michael K. Lowery) and multiple other people who are not relatives but are close family friends. One of those friends is Heaven L. Sakellis, who Avrin confirmed was the female with him at the B&I. Avrin said that a friend named Seth (identified as Seth Nadasky) had arrived at his house sometime around 1400 hours. Seth had come to his house to give Heaven and him a ride to the B&I to shop for clothes. While there, Avrin claimed that "BJ" was also at the house and was visiting his older brother, Michael K. Lowery. "BJ" then asked if he could go with them to the B&I.

This was when Avrin, Seth, Heaven and "BJ" all went to the B&I in Seth's white 200 Chrysler with Seth driving. He believed they arrived sometime between 1400 and 1500 hours at the B&I, but he wasn't positive about the actual time they arrived. Avrin said they had been walking around the B&I for a while and that they did not have any issues with anyone initially at the B&I. Avrin said that they had been walking down the hallway towards the food court as a group when he was not paying much attention to the others (Seth, Heaven and "BJ"), but he was still with them. He recalled that there were three younger males (around 18-20 years old) that were near the food court intersection and described them as the following:

Subject #1: Black male wearing a grey or black hooded sweatshirt, grey Nike "Dunks", and jeans.

Subject #2: Light skinned black male with curlier dread lock style hair.

Subject #3: Black male that was taller with longer dreadlock.

Avrin explained that he did not get a great look at all three of them but was able to provide vague descriptions of each of them. He explained that he was looking down at his food when he heard a male voice say something to the effect of "he just punched you" but he was unsure who said this. Avrin said that he then heard three (3) gunshots go off and he immediately started running away. He said that he started to run away but was stopped by a B&I security guard, who then stopped him and told him he wasn't allowed to leave. Avrin said he knew he did nothing wrong, so he stayed with security until Lakewood Patrol Officers arrived on scene and detained him.

Avrin explained to me that he only knew the black male in the red hooded jacket with dreadlocks as "BJ", and that he had only seen him a few times previously. He said that he did not know "BJ's" age and guessed that he was around the same age as him (18 years old). He claimed that "BJ" was closer with his brother, Michael. He was unable to provide a phone number or social media profiles for "BJ" and said that Michael communicates more with him. He provided Michael's cellular phone number as 253-325-8318 directly from his phone. Avrin has a Wi-Fi-only cellular phone with a text now number of 253-251-4576. He said that "BJ" is not from Washington and believes that "BJ" said he was from Louisianna. He described "BJ" as being a black male, longer dreadlocks, thinner build and around six feet tall. Avrin also described him as having a southern accent as well. Avrin also told me that he did not see "BJ" with a firearm prior to the incident.

Avrin said that he did not know where "BJ" lives but could take investigators to an area where he had once picked up "BJ" at with his brother previously. The audio/video recorded interview concluded around 1947 hours.

Following the interview with Avrin, Det. Martin and I had Avrin get into my unmarked Lakewood Police vehicle and take us to the location where he had picked up "BJ" previously. He took us to 176th ST E. and 28th AVE E. in unincorporated Pierce County where a church was located on the southwest corner. Avrin said they were waiting in their vehicle when "BJ" came from the east side of 28th AVE E., which was why he believed that he may live in the area. Avrin confirmed he was not positive he lived there, but it was a place where they picked him up previously.

After this, Det. Martin and I dropped Avrin off back at his residence in Spanaway. We then went to 622 114th Street S. in Parkland to try and locate the believed suspect vehicle (WA/CJM1363), which was registered to this address. Around 2200 hours, Det. Martin and I located the vehicle parked in front of the residence and it was unoccupied. We briefly stayed around the residence to see if any of the suspects would enter the vehicle and leave, but the vehicle remained in front of the residence. This concludes my involvement in the investigation at this time.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:	This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident. On January 17, 2025, at approximately 1720hrs, I responded to a report of a Shooting at 8012 South Tacoma Way (B&I). Upon arrival I located the victim, in the food court area, being attended to by Officer Pingul and Officer Topasna. I assisted in removing the victim's pant leg to assess the extent of her injuries. I observed three holes in her leg from an apparennt gun shot. Two were located on the front of her upper-left thigh - consistent with an entry and exit wound. The victim had a further single hole on the inward side of her upper-right thigh - consistent with the trajectory of the entry/exit wound on her left leg. Once the victim's injuries had been triaged, I began to take photographs of the scene. The photos were later uploaded to Axon. I then departed the scene to join in the area search for a possible subject. The resulting search yielded no person fitting the description of the suspect. Nothing Further J Berglund LK174 (23268)

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:	This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident. On the listed date and time, I was working uniformed patrol for the City of Lakewood. I was assigned as the swing shift patrol supervisor and was driving a fully marked patrol vehicle.

I responded priority along with several other officers to the B&I (8012 S. Tacoma Way) after being advised of a shooting that occurred. The RP (later identified as Vasquez, Juliet E) advised dispatch that her friend (later identified as Oropeza, Alexandria S) had been shot in the leg. The suspect was described as a B/M with dreads wearing a red sweatshirt and red sweatpants. The shooting victim was said to be near the food court.

Upon arrival, I entered the listed location along the east side of the building near the food court. Once inside, I observed Oropeza laying on the floor with Officer Pingul and Officer Topasna who were applying tourniquets to both of her legs. Oropeza had what appeared to be gunshot wounds to her legs. Oropeza was later transported to St. Joe's for further medical treatment.

I began talking with Vasquez who advised me that she and Oropeza were at the ATM nearby when she was shot. Vasquez said she did not know the suspect and claimed they aren't from the area. Vasquez provided the same description of the suspect and described to me where the suspect was when he shot at them. Vasquez claimed she heard the rounds going by her and hid behind the ATM. Vasquez said an unknown subject drug Oropeza out of the way. Based on Vasquez's statement, the suspect appeared to be about 50' to the south near a 4 way intersection when the shooting occurred. I ended up walking down to the spot where Vasquez said the shooting occurred and (2) shell casings were located. I ended up marking the shell casings with business cards. Officers on scene were initially told that the suspect fled NB out of the listed location.

I ended up exiting the listed location and talked briefly with a subject (Hernandez, Antonio 080283) who claimed he had seen several subjects flee out of the east side of the listed location, get into a blue sedan and leave NB. Based on the investigation, it appears this could have been the group of subjects who had gotten into an altercation with the suspect prior to the shooting. It should be noted that after several minutes of being on scene, dispatch advised officers that a subject had arrived at Allenmore Hospital with an apparent gunshot wound. The subject ended up being involved in this incident and was contacted by Lakewood Detectives.

While on scene, a subject by the name of Lowery, Avrin K was detained after surveillance footage showed that he appeared to be associated with the suspect. I advised Lowery of his Miranda Warning (pre-printed card) which he stated he understood/waived. I asked Lowery about the suspect and he confirmed that he came to the listed location with him but said he didn't know him. Lowery said the suspect was a friend of his homie who he called "Left" (later identified as Nadasky, Seth M). Lowery confirmed he came to the listed location with Nadasky, the suspect and a female who he called "Heaven." Lowery said they came in Nadasky's white vehicle. Lowery claimed he had no phone number for Nadasky. Lowery claimed he had no idea that the suspect was armed or that he was going to shoot at anyone. Lowery was subsequently transported to the station for further questioning.

I remained on scene until detectives arrived and processed the scene for all forensic evidence. CDO Capt. Alwine was advised of the incident.

Nothing further

Sgt Moody LK24

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Contact made with Ryan Stevens at 3306 240th ST CT E in Spanaway and returned Avrin's WA STATE DL.

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

I currently am an Investigator in the Major Crimes Unit (MCU) at the Lakewood Police Department. On 1/23/2025 around 0951 hours, Det. Latimer and I went to 3306 240th ST CT E in unincorporated Pierce County. We were attempting to contact Briana K. Capps, who is the mother to Avrin. Det. Latimer and I were attempting to speak with her about the suspect in this case, as well as return Avrin's Washington State Driver's License that was mistakenly left at Lakewood Police Department on 1/17/2025. We made contact with Ryan P. Stevens, who is Briana's boyfriend and lives at the residence with them.

We explained that we were attempting to contact Briana and Ryan said that she was not home and was at work. Per Det. Martin's request, we had a photo of 08 08 from the night of the shooting who we believed was our suspect in this incident. Det. Martin asked that we show the Briana the photo and see if she could identify 08 as "08" who she knew, as he had been to her home previously because he is friends with her sons. We asked Ryan if he knew "08" and if he would be able to identify him from a photo. Ryan said that he was not positive if he could identify "08", as he had only met him one time.

Det. Latimer showed him a still photo from inside the B&I from the night of the shooting of the suspect. Ryan said he believed that was "08". We then showed a Facebook photo of 08 08 from 2022. Ryan said he wasn't positive if it was "08", and admitted that they did look similar. Ryan reiterated that he was not confident that he could identify "08". Because Briana and Avrin were not home, we left Avrin"s driver's license with Ryan. There is nothing further at this time.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:

I am a detective assigned to the Lakewood Police Department Major Crimes Unit and responsible for investigating violent crimes, missing persons and suspicious deaths.

The following denotes a timeline and activity as it relates to this investigation:

January 17, 2025:

5:30 pm: Advised of a shooting at the B&I. One victim hit (bystander) through-and-through the upper thigh. Suspects fled to the rear lot running northbound through the interior building.

5:55: Advised additional victim arrived at Allenmore Hospital with GSW to ankle - appears to be an unintended victim. Further advised a subject with the shooter during the incident attempted to flee but was apprehended by security. The subject was identified as nineteen-year-old, Avrin K. Lowery.

6:28 pm: Arrived on scene, contacted Sgt. Moody who provided an overall brief of information.

- One .9mm FCC to the south
- One .9mm FCC to the north
- Black hat dropped on ground
- Black shirt near the ATM where the victim was struck

6:50 pm: Studying still photos from B&I and reviewing surveillance footage, revealed suspect vehicle to be a white Chrysler passenger vehicle, possibly 200 or Sebring. Fled to 80th Street south, the southbound South Tacoma Way.

6:55 pm: Officer Pettit and I placarded the evidence, obtained photos and collected the evidentiary items.

7:05 - 7:20: Contacted landlord in the main office and downloaded video footage of the parking lot and interior. Due to the length of time, over 3 hours, arrangements were made to pick up the footage the following morning. Location footage was confirmed to be 15 minutes ahead of real time.

7:35 pm: Clear the scene

8:35 pm: Video surveillance identified the vehicle as 2013 Chy 200, WA/CJM1363, associated with Seth M. Nadaksy.

- Investigator White interviewed Avrin K. Lowery, who was detained and confirmed he had arrived at the B&I with the shooter, known to him as "BJ." Described a black male with long dreadlocks or braids from Louisiana who is close friends with his brother, Michael K. Lowery, provided his number as: (253-325-8318). Stated his brother met BJ about one year ago and routinely hangout at his residence in Spanaway. Stated he has seen BJ at his house many times and with his brother several times as well. Later, told detectives the white Chrysler belonged to his friend, Seth Nadasky, aka "Left" (622 114th Street South). Girl with the group was identified as Heaven Sakellis an 18 year old local stripper/friend of his brother Michael (Lowery).

- LOWERY agreed to accompany investigators to the area BJ resided. LOWERY directed Investigator White and I to the area of 176th Street East and 28th Ave East. LOWERY pointed out a neighborhood to the north of the intersection and indicated that BJ normally emerges from that area when he has picked him up or been in the car when he was picked up.

9:20 pm: Located the Chrysler parked in the driveway at 622 114th Street South. Placed undercover surveillance on the residence for several hours. No movement.

9:50 pm-00:30 am: Conducted research into all known subjects involved with the shooter "BJ."

January 18:

10:30 am: In previewing the exterior B&I video NADASKY is seen fleeing the parking lot in the Chrysler toward 80th Street South with SAKELLIS in the R/F passenger seat - vehicle turns southbound on South Tacoma Way leaving the area. Interior video shows BJ running out the west exit of the B&I and toward 80th Street South . "BJ" continues through the car lots and out of sight. NADASKY and SAKELLIS are seen driving southbound on South Tacoma Way in the opposite direction of "BJ."

Further, I coordinated with Officer Wabinga who conducted a cavass of the car dealerships north along South Tacoma Way to determine if any additional video footage was present. Specifically showing "BJ's" route and/or if the Chrysler returned to pick him up. After a thorough check, it appears the camera systems did not capture anything of evidentiary value.

11:00-12:45: I conducted extensive open-source social media research after locating the following Facebook accounts online:

- https://www.facebook.com/seth.nadasky.5 (Seth Nadasky)
- https://www.facebook.com/michael.lowery.716970 (Michael Lowery)
- https://www.facebook.com/profile.php?id=100088315836065 (Heavenly Sakellis)

I reviewed and cross-referenced friends lists in hopes of locating and or identifying "BJ" with no success.

January 19:

11:00 am: Placed a call at her request to Dre'Shawn Pona's mother (Alicia Hatch 253-227-6083). Message left.

11:20 am: Placed a call to victim Alexandria Oropeza (206-454-9924). Her status was described as sore and struggling to walk but will recover in time.

11:42 am: Placed a call to the LOWERY brothers' mother, Briana Capps 253-210-1926). CAPPS was pleasant and cooperative saying she was aware of the shooting and had seen media coverage. CAPPS acknowledged the shooter was known to her as, "BJ," and was at her house (3306 240TH ST CT E) for at least three days, off and on, before the shooting occurred. CAPPS said "BJ" was close friends with her son, Michael (Lowery) and the driver of the vehicle, (Seth) NADASKY, aka, "Left." CAPPS also stated "BJ" was at her house before the shooting and left with NADASKY, (Heavenly) SAKELLIS and her second son, (Avrin) Lowery. CAPPS described "BJ" as a black male, with dreadlocks, from the south and speaks with a southern accent. CAPPS said when the group left her house, "BJ" was wearing a red sweatshirt.

January 21:

Reviewed video surveillance footage of the incident and noted the following:

The group briefly comes together at the hallway intersection. Some posturing is seen from the victim group; however, no signs of weapons are noted. BJ produces a handgun at near pointblank ranges and fires one round, backpedals and fires a second round. BJ, NADASKY, LOWERY and SAKELLIS are seen running away from the shooting down the hallway. The group exits the west doors into the rear parking lot. NADASKY and SAKELLIS run to the Chrysler and flee southbound on South Tacoma Way with NADAKSY driving. BJ fled westbound along Durango St SW at first, then east along 80th Street South, then northbound into the parking lot of South Tacoma Auto and out of sight. BJ is wearing a solid red hoodie pullover, gray pants and solid red shoes. The handgun appeared to be desert tan with an extended magazine.

January 22:

7:22 am: Chrysler located at 622 114th Street South.

8:45 am: Investigator White and I made contact with a subject at the location referred to herein as "W," but whose full name and identity is known to me (BWC recorded). "W" acknowledged being present at

the B&I and indicated the entire incident evolved around the victim group aggressively staring in their direction. Eventually the groups came together and "W" heard the shooter, whom he identified as, "08" not "BJ," verbally challenge them. "W" said one of the subjects swung at "08" and was under the impression he was struck. "08" responded by producing a handgun and firing - "W" said he heard a male screaming and thought he was dead or dying. "W" said the group ran off, but "08" was purposefully left behind as they fled in the Chrysler. Initially, "W" provided minimal information regarding the identity of "08," but asked that we speak privately. At that point our BWCs were turned off. "W" provided a phone number for "08" as 206-391-6685 and said he called him a short time after the shooting to ask if he left something in the car. "W" also said "08's" first name was 08 and was originally from Louisianna. Lastly, "W" said his Facebook account was under his real name, which he thought was "08 Moore" or "08 08."

Once clearing the residence, we began researching the information obtained. Within minutes detectives identified the shooter as 08. 08 08, DOB/08, originally from Louisianna. Further, a check of the cellular phone provided by "W" showed a Verizon carrier with the owner listed as 08 08, 08, Baton Rouge, LA 70805.

Next, we located an open-source Facebook account: https://www.facebook.com/profile.php?id=100087906519014, showing a username of "08 08" and a 2022 profile photo that is a direct match to the B&I surveillance footage. I later contacted "W" who identified this photo with "110%" certainty as the person shooting at the B&I.

Detective Latimer located 08's grandmother's name, 08 08, whose address was listed as 08ast, Spanaway. Per Google Maps this location is 127 yards from where LOWERY escorted Investigator White and I on the night of the shooting.

Next, Detective Latimer began searching for 08's vehicle, eventually identified as a silver 2016 Dodge Journey, Washington license #CKP7855. Video surveillance showed the vehicle entering the SeaTac airport drive course on January 20th at 11:05:58 AM.

January 24:

I applied for and was granted a Superior Court search warrant for 08's historical Verizon call detail records (CDRs) for the time period of January 16 - January 24th, by Judge Scott Peters. The warrant was subsequently served to Verizon - results to follow.

January 28:

Investigator White and I researched 08's open-source Instagram profile https://www.instagram.com/__ghosthearted/ and noted two recently uploaded videos depicting himself. We compared the two videos to the B&I video surveillance footage and the still photos from his Facebook account, concluding it a certainty it was the same person. Both videos were copied and uploaded to Evidence.com.

January 29:

I received 08's historical Verizon call detail records (CDRs). The data package was immediately downloaded onto a USB without being opened and submitted into the LPD evidence system. The second copy was downloaded and placed in the master case file, and a third copy was retained as a working file.

In analyzing the data, the following was determined:

Subscriber:

According to the subscriber details, the account was resold through Comcast and activated on October10, 2024.

Call Log:

I concentrated on the timeframe around the shooting, specifically from 5:00 - 5:30 pm and found three calls of note:

- 5:10:25 pm: Incoming call from (504) 294-0084 lasting 31 seconds.
- 5:24:45 pm: Incoming call from (253) 200-8911 lasting 1 second.
- 5:25:57 pm: Outgoing call to (253) 200-8911 lasting 26 seconds.

All three of these calls were served on Verizon cell site 311480-0301407-036; Latitude: 47.194839 Longitude -122.484314; Azimuth 195 degrees. This cell site location and sector provides service to the B&I and is located approximately 660 meters to the northeast.

Detectives reviewed Channel 8 footage from within the B&I and observed 08 seated in the food court. At 5:25:20 PM (camera time), which corresponds to 5:10:25 PM in real time, 08 is seen lifting his cellphone to his ear and answering a call. The call lasted for roughly 31 seconds before ending, aligning perfectly with the call detail records generated from the cell site.

I then conducted research on the number 253-200-8911, which appeared within three minutes of the shooting. The number returned associated with 17-year-old 08 08, who was listed as a suspect in an armed robbery under case number 24-216-00055. Also listed in this report was a second unidentified suspect described as a black male with dreadlocks or braids, known only as, "08."

Next, I analyzed 08's call detail records with a wider timeframe for the purpose of determining the general area he went to after the shooting. I adjusted the review from 5:30 pm to 7:30 pm. I noted the device moving south from the B&I at 6:04:52 pm, eventually being serviced on the Verizon cell site 311480-0301486-026; latitude: 47.097071 -longitude: -122.364129, approximately 1.26 miles from 08's grandmother's residence at 08ast, Spanaway.

Lasty, 08's device travels from east Pierce County to the east hill of Renton between 7:43 pm - 8:30 pm, around SE Carr Rd and SE Petrovitsky RD. Conversely, Detective Latimer accessed video surveillance photos of 08's grandmother's vehicle, previously described herein as a silver 2016 Dodge Journey, Washington license #CKP7855. The footage captured her vehicle at SE Carr Road at 7:17 pm and in the 10800 block of Petrovitsky Road at 8:29 pm. Surveillance photos were added to Evidence .com.

08 08 08/Formal Charging:

In the afternoon hours of January 29, I coordinated with the prosecutor's office and provided probable cause details for the arrest of 08 on two counts of Assault 1st degree, with a firearm enhancement. Formal charges were filed and a warrant was subsequently issued for 08's arrest on January 31st.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	Dre-Shawn Pona's shoes, socks, and jeans were removed from the secure dying locker and booked into evidence at Lakewood PD.

Narrative:	On 2-4-25 at about 0900 hours, I cut the blue integrity lock on the drying locker where I had previously placed Dre-Shawn Pona's clothing and shoes to dry. I removed the now-dry bloodstained shoes, socks, and jeans and packaged them as evidence. I then booked them into evidence at LPD. This supplemental report will be forwarded to the Felony Prosecutor's Office.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Surveillance and arrest of 08 08 in King County on 02/04/2025.

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 02/03/2025, while working in an undercover capacity, I assisted Lakewood Special Operations with locating (SV) 08 08. Probable cause had been established to arrest 08 on two counts of Assault 1st Degree stemming from an incident that occurred on 01/17/2025. For this operation, I was driving an undercover vehicle and wearing undercover clothing. My role for this operation was to attempt to locate 08 at possible locations in the Pierce and King County area.

At approximately 1935 hours, 08 was located at an apartment complex in the 28700blk of 18th Ave S, in Federal Way WA. 08 was sitting in a silver/gray Dodge Journey bearing Washington State license plate CKP7855. The listed vehicle was backed into parking stall just to the north of the center entrance to the complex. The rear of the vehicle was facing west towards 18th Ave S and the front was facing east. Walking by the vehicle, I could see at least two people in the front but could not see if there were any other individuals in the back of the vehicle. Members of Lakewood Special Operations, one marked Lakewood Patrol Unit and I, set up in the area on the listed vehicle.

A short time later the listed vehicle drove away from the listed location followed by surveillance units. Surveillance units followed the listed vehicle as it traveled south on Pacific Hwy S until the fully marked Lakewood Patrol Unit could get behind it and initiate a traffic stop.

At approximately 2025 hours, a traffic stop was initiated on the listed vehicle at 316th and Pacific Ave Hwy S. The listed vehicle pulled into the gas station on the northwest corner of the intersection. At this time the Lakewood Patrol Unit was assisted by a Federal Way Police Department fully marked Police Unit. While the traffic stop was being conducted, I pulled in behind the gas station out of view of the stop and dawned my marked Lakewood Police vest. As I exited vehicle, I was saw the the listed vehicle that had initially stopped had fled from the stop and continued north through the lot and was now north of the gas station and other adjoining businesses.

After returning to my vehicle I continued north around the back side of the gas station in an attempt to catch up /find the listed vehicle. As I passed the back side of the complex, I observed the listed vehicle had been stopped by the Lakewood Patrol Unit. The listed vehicle was now facing westbound in my direction and a felony stop was in progress. It also appeared someone had run from north the vehicle and Officers were giving chase. Due to a felony being conducted in my direction, I moved behind the business for cover at this time.

A short time later, I was advised that more officers were needed at the stop location to assist with detaining occupants of the vehicle. When it was safe to so, I moved along the side of the building and back behind the patrol vehicles. I then assisted Officer Alexander was had detained 08. I was advised one gun had already been removed from 08 and I could see another gun still on his person. Officer Alexander was able to safely remove the second gun from 08's possession.

08 was stood up and I held on to him while Officer Alexander safely secured the two firearms. During this time, 08 advised there was another firearm belonging to him in the back seat. 08 advised me the female driver who was being detained at that time was his grandmother and that she was unaware that he had any firearms on him. 08 asked why they had been stopped, why they had been rammed and advised his grandmother was just looking for a place to park. I advised 08 I did not have any answers for him. 08 was placed into the back of a patrol unit ending my contact with him.

I did not have any contact with any other occupants of the listed vehicle. No further information at the time of the report.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:

[redacted] [redacted] Arrest/Vehicle Search Warrant:

Post charging, Superior Court approved trap/trace order was approved and began providing location data of [redacted]'s cellular phone every 15 minutes through Verizon. [redacted]'s cellular device consistently showed a circumference of 150 yards of his grandmother's residence at [redacted]ast, Spanaway - this was within 127 yards (per Google earth) of where LOWERY escorted investigators the night of the shooting.

On February 3rd, undercover surveillance officers with the Lakewood PD Special Operations Unit set up on the Spanaway residence and observed a vehicle known to be registered to [redacted]'s grandmother exit the garage and drive off. Seated in the passenger seat was a subject whose description matched that of [redacted] - in addition, his cellular device's location moved in concert with the vehicle; however, positive identification was not possible due to a hoodie pulled tight over the passenger's head.

At approximately 7:50 pm, Lakewood Special Operations officers located 08 in Federal Way. Officers noted 08 was a passenger in a vehicle driven by his grandmother, 08 08, along with his sister 08 08, his mother 08 08, and her boyfriend Brandon Brown.

At 8:22 pm, with assistance from Federal Way Police Department, officers attempted a traffic stop on 08's silver 2016 Dodge Journey, Washington license #CKP7855, leading to a brief vehicle pursuit that ended with a Pursuit Immobilization Technique (PIT). BROWN fled on foot but was apprehended after discarding a Smith & Wesson M&P Shield .9mm handgun. 08 was taken into custody without further incident, along with 08 (eluding) and 08 (on existing warrants). Upon arrest, 08 was found in possession of a stolen H&K .9mm handgun in his front jacket pocket and a Polymer 80 .9mm on the inside pocket of his jacket under his arm; a third firearm was visible inside the vehicle that appeared to be an AR-15 semi-automatic pistol. A cellular phone could be seen in plain view on the passenger seat. Using 08's known Verizon cellular number, 08, and the same one being tracked, Sergeant K. Clark placed a call and observed the device ringing. According to the Verizon call detail records obtained in this investigation, 08's phone is described as an Apple iPhone 14 Pro Max.

The Dodge Journey was impounded and secured at the Lakewood Police Department pend the approval of a search warrant.

08 was booked into the PCJ, BROWN and (08) 08 were booked into the King County Jail, (08) 08 was booked into the Nisqually Jail.

Search Warrant/Dodge Journey:

On February 4, I applied for and was granted a Superior Court search warrant for the silver 2013 Dodge Journey, Washington license #CKP7855, by Judge. McLeod at 11:24 am.

At approximately 11:38 am, Investigator White and I executed the warrant by first photographing the exterior and interior of the vehicle. Next, A diligent search was conducted resulting in the following evidentiary items. Note: All items were photographed prior to collection:

- Black Anderson AM-15 semi-automatic .223 caliber rifle with buttstock removed; loaded with one round in the chamber and 21 rounds in the magazine. Serial number 20231539, clear stolen not registered. (right rear floorboard/seat, behind driver) where 08 08 was seated.

- Black Springfield USP45, .45 caliber semi-automatic handgun; loaded with one round in the chamber and 29 rounds an extended magazine. Serial number US731448, under right front driver's seat. Reported stolen out of Slidell, Louisianna under case #19-22228.

- iPhone 14 Pro Max (08 08) on the front seat next to a charger. Investigator White called the number 08 which was displayed on the front screen, and photographed, when ringing.

All evidentiary items were processed, sealed and secured into the LPD evidence system. All photographs were uploaded to the Evidence.com System.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 2/3/24, I was working as a plain clothes member of the Lakewood Police Department's Special Operations Unit. The primary mission of this unit is to conduct vice related investigations including but not limited to prostitution, human trafficking, promoting prostitution, fugitive apprehension, and all levels of narcotics related cases.

On this date, Lakewood Special Ops was tasked with the apprehension of A1/[redacted]. [redacted] had a warrant out of Pierce County Superior Court for assault 1. Intel was given during the operation brief that [redacted] would likely flee on foot, that he was likely armed, and that he was possibly involved in other violent situations throughout Pierce County.

At approximately 2020 hours, Lakewood Special Ops located the vehicle associated with [redacted] and his grandmother, WA/CKP7855, and a traffic stop was conducted using a marked Lakewood Police Patrol vehicle being driven by Investigator Alexander. The vehicle stopped and pulled into a gas station in the 31600 block of Pacific Highway. I was in an unmarked Nissan Altima across the parking lot from the traffic stop. I could see the grandmother in the driver seat when the vehicle stopped. A felony stop was then conducted. After numerous seconds went by, the grandmother started to speed away from the traffic stop. I then activated my emergency lights and siren in my undercover vehicle. I could see the grandma look right at

my vehicle as she sped through the parking lot. Investigator Alexander initiated a pursuit through the parking lot. As the vehicle traveled Northbound through the lot, Investigator Alexander used a PIT maneuver to bring the vehicle to a stop.

As soon as the vehicle came to a stop, I saw a black male, fleeing Northbound from the passenger side of the vehicle. Believing that it was 08, Investigator Teclemariam and I gave chase on foot. The male was told to stop numerous times. As the male was running, I could see him holding his waistband. I know from my training and experience that criminals commonly carry firearms in their front waistband. I then heard investigator Teclemariam say over the radio that the male had a firearm.

We continue to chase the male North through the parking lot. At one point I lost sight of the male as we ran around opposite sides of a building. When I saw the male again I could see that he took his tan jacket off. Multiple Federal Way police Units arrived on scene and began chase the male in their patrol vehicles. Eventually, the male stopped running and surrendered. The male was taken into custody by myself and a Federal Way Police Officer. The male was later identified as Brandon Brown, who is a convicted felon. Investigator Teclemariam recovered the jacket that Brown had taken off, and located a pistol inside the pocket.

08, his grandmother, his sister, and mother were also taken into custody.

I later helped seal the vehicle for a search warrant.

I read Brown his Miranda Warning, which he waived. I also read 08 08 her Miranda Warning, which she waived. I spoke with 08 who told me that they told her mother to flee from the traffic stop because they were all scared.

I later assisted Investigator Teclemariam and Sgt. Clark with booking all evidence, the firearms, magazines, and ammunition into the Lakewood Police Department Evidence room.

I contacted SS911 Records who ran one of the firearms that 08 was found to be in possession of, a HEC P30 SK 9mm serial #214039437, which returned stolen out of Orting PD#2404900049. I provided SS911 Records with the recovery information.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 2/3/25, I was working as a plain clothes member of the Lakewood Police Department's Special Operations Unit. The primary mission of this unit is to conduct vice related investigations including but not limited to prostitution, human trafficking, promoting prostitution, fugitive apprehension, and all levels of narcotics related cases. 2016

On this particular date, Special Ops units were attempting to located 08 . 08 , whom there was probable cause to arrest for one count of assault 1st degree and one count of assault 2nd degree. We received information that 08 was traveling in a gray 2016 Dodge Journey, WA license plate CKP7855 and that it was in the Federal Way area. Units located the vehicle and began following it S/B on Pacific Highway and attempted a traffic stop on it at the AM/PM convenience store at 31857 Pacific Highway South. I activated my emergency lights and sirens on my fully marked Lakewood Police patrol vehicle, which has POLICE insignia written on each side of it and is easily identifiable as a police vehicle. The vehicle pulled into the lot and came to a complete stop. Because of the nature of the offenses, we attempted to perform a high risk stop and ordered the driver to turn the vehicle off. The driver, later identified as 08 08 , began to comply with our lawful orders and turned the vehicle off. Sgt. Clark then ordered 08 to throw the keys out of the partially opened window, but she refused to do so. The vehicle stopped for approximately 60 seconds before 08 started the car again and began to flee from us. I

immediately pursued the vehicle through the parking lot with my emergency lights and sirens activated. As the vehicle continued north through the lot, I performed a PIT maneuver to stop the vehicle from fleeing. The maneuver was successful, and the vehicle was brought to a stop.

When the vehicle came to a stop, a male later identified as Brandon BROWN fled from the vehicle on foot. Investigators Teclemariam and Moffitt gave chase and ultimately captured BROWN, see their reports for more information.

I stayed with the vehicle and immediately began telling 08 and the male passenger sitting in the seat directly behind the driver's seat, later identified as 08 to show us their hands. After multiple subjects exited the vehicle and were detained, 08, who I immediately recognized from prior photos, exited the vehicle from the rear passenger door. 08 was ordered to put his hands up, and was somewhat compliant, though continued to hold onto a cell phone and appeared to be recorded the incident with the phone directed at us. Ultimately, 08 was ordered to the ground, where he was taken into custody. Immediately after placing 08 in handcuffs, I began patting him down for weapons while he was still on the ground. As I was patting down his jacket's right pocket, I felt a hard object, about the size of a pistol. I unzipped the pocket and located a Sig Sauer pistol. I removed the pistol from the jacket pocket and handed it over to Sgt. Clark. As I removed the pistol, 08 stated, "And if you got in my jacket, I got another one." A second pistol was located under 08 'S jacket, tucked under his left armpit. This pistol appeared to be a Glock, with an extended magazine and a "Glock switch", which is a machine gun conversion device that makes the weapon operate in a fully automatic capacity. While I continued to search 08, he stated, "I got another weapon in that car." 08 told us a couple of times that there was another weapon in the vehicle, and he claimed that all of the weapons were his.

Both pistols were made safe and placed into a marked patrol vehicle. Once 08 was done being searched, he was placed in the back seat of a Federal Way patrol vehicle.

Based on 08 'S statements, we looked inside of the vehicle, and observed what appeared to be an AR-15 style rifle resting on the floorboard directly behind the driver's seat, and exactly where 08 was observed sitting inside the vehicle. The vehicle was later sealed and impounded back to secure storage at the LPD.

I later transported 08, as well as one of the female occupants of the vehicle to the Pierce County Jail. The female, 08 | 08 was found to have confirmed Lakewood warrants. Officer Topasna met me at the jail and took custody of 08 and transported her to the Nisqually Jail where she was booked on her warrants. 08 was then administratively booked into the Pierce County Jail and then transported and booked into Remann Hall on his warrant.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 2-3-25 at approximately1600 hours, the Lakewood Special Operations Unit to brief an operation to take (08) into custody for Assault 1 x2 and UPOF 2nd Degree. Investigator Teclemariam was approved for a trap and trace warrant on 08 's phone showing a GPS location. The GPS showed in Federal Way but after the GPS ping updated showed him moving south likely going to a known location in Spanaway located at 08 , which was 08 's Grandmother's house (08 08).

I am assigned to the Special Operations Unit. I was wearing plain clothes with an outer police vest marked with Police insignias. I was driving an unmarked vehicle. The Unit set up around the area of the Spanaway location. Investigator Moffitt observed a silver Dodge Journey (WA/CKP7855) arrive at the location. The Vehicle was known to belong to 08 as well and frequently transport 08 around. Moments later, Inv. Teclemariam received an updated ping which showed him in the area of the Spanaway address. After some time watching the house, Inv. Moffitt observed the Journey backing out of the garage and leaving the residence. Units were unable to keep up with the vehicle due to traffic and road conditions. A short time later Inv. Teclemariam received another update which showed the vehicle traveling northbound possible back into Federal Way. After several hours tracking the GPS ping, the Journey was located at the Village at Redondo Apartments (28300 18th Ave S Federal Way). Again, the Unit set up in the area. I observed the break lights turn on and the vehicle left the apartment complex. We followed the vehicle away. Inv. Alexander who was in a marked Police vehicle equipped with emergency lights and sirens, stopped the vehicle in the area of 320th St and Pacific Hwy.

At first the vehicle stopped but after approximately one minute but suddenly the vehicle sped off. Inv. Alexander was able to get the vehicle stopped after a short pursuit through the parking lot. I finally caught up with the vehicle and other units.

I exited my vehicle and began giving commands to two females, later identified as 08 08 and 08 08 , who exited the vehicle. 08 was not complying with orders and slowly

began walking away. A Federal Way Officer assisted with 08 and was able to get her in handcuffs. I then saw 08 get out of the vehicle. I ordered him and 08 to get on the ground. Both of them got onto the ground lying on their stomach. I took 08 into custody (handcuffs gauged and double locked) and Inv. Alexander and Sgt Clark took 08 into custody. I noticed that 08 was still not complying with the Federal Way Officer so I went to assist him. I grabbed her left arm and escorted her to the Lakewood Patrol Vehicle and attempted to place her in the backs seat but she was pushing off of the vehicle with her feet. We would turn her and get her into the seat and she would stand back up. Finally we were able to get her into the back seat and shut the door. There was still the driver inside the suspect vehicle who was identified as 08. Inv. Alexander moved the patrol vehicle which was pinning the drivers door shut. I had 08 step out of the vehicle and took her into custody (handcuffs gauged and double locked). I read 08 her Miranda Rights which she understood. I placed her into the back seat of a Federal Way patrol vehicle. 08 was placed in a separate Federal Way patrol vehicle. 08 was later released from the scene.

Sgt Clark stated that we were taking the vehicle for a search warrant. I contacted SS911 Records and requested a tow. Ready Set Tow later arrived to tow the vehicle. I also contacted SS911 Records to check Brandon Brown out of Louisiana. I was advised that he had two felony warrants out of Louisiana. I asked for SS911 Records to run a III. SS911 Records advised that Brown was convicted of two felonies (DV assault Strangulation, Manufacturing marijuana). I then followed the sealed vehicle to the Lakewood Police Department where it was stored in the secured lot. I maintained constant observation of the vehicle for the entirety of the tow.

Nothing further
B. Luttrull LK130

Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Warrant arrest.

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 1/29/24, I was working in a plain clothes capacity assigned to the Special Operations Unit (OPS). I was assigned with the apprehension of 08 08 (DOB/ 08). Lakewood Major Crimes had developed probable cause to arrest 08 for Assault first-degree X 2 for Lakewood case 25-017-01663.

After reviewing the case, I knew 08 had a tan Glock handgun. Previous reports showed 08 lived with his grandmother, 08 08 (DOB/ 08), at 08 , Spanaway, WA. 08 is the registered owner of a 2016 grey Dodge Journey, WA/CKP7855. An open-source check of 08 's Facebook revealed two friends, sister/ 08 08 (DOB/ 08) and sister's boyfriend/Brandon Brown (03-20-1992). On Brandon's Facebook, he had two pictures with a tan Glock handgun.

Through investigative means, I learned 08 's cell phone number was 08 . I applied for a trap/trace warrant to the Pierce County online portal for 08 's phone.

On 1/30/25, at 1346 hours, the Honorable Judge Karena Kirkendoll, with the Pierce County Superior Court, signed and approved the warrant. I then submitted it to Verizon. I received live location data for 08 's phone (commonly known as "pings") within Pierce and South King County.

On 2/3/25, around 1250 hours, I observed the Dodge Journey leave to the residence. In the passenger seat was a black male wearing a white sweatshirt that matched 08 's physical description. The pings also showed the phone was moving during that time.

At 1600 hours, I briefed OPS units at Lakewood PD.

At 1651 hours, OPS units conducted surveillance at 08 's residence. I was wearing my department-issued external carry vest, which had a body-worn camera (BWC) and police patches affixed to the front and back.

OPS units conducted rolling surveillance and tracked the cell phone pings and the vehicle to The Village at Redondo Apartments, located at 28300 18th Ave S, Federal Way, WA 98003. Several subjects were occupying the vehicle.

Around 2025 hours, we followed the vehicle away from the apartment, and a marked Lakewood patrol vehicle conducted a traffic stop at the Arco gas station, located at 31855 Pacific Hwy, S, Federal Way.

As I circled behind the building, I heard that the suspect vehicle had taken off and marked patrol units were in pursuit. The pursuit came to an end when the marked Lakewood unit successfully used a pursuit immobilization technique (PIT).

A black male, later identified as Brandon Brown, fled from the vehicle northbound through the parking lot. At that time, it was believed that the male who fled was 08.

I observed Brandon wearing a full-length tan coat and blue jeans. Brandon was running while attempting to secure something in his waistband. Based on training and experience as a police officer, I know subjects commonly carry unsecured firearms in their waistband. Inv. Moffitt and I pursued Brandon on foot. I gave Brandon several verbal commands to "get on the ground. You are under arrest!" Brandon continued to flee while attempting to remove/secure the firearm. I observed Brandon jump over a four-foot concrete wall, slightly crouching down. It appeared Brandon was moving his arms around his lower body, which was obstructed from my view. Brandon immediately started to look around in an attempt to locate us. I know these nonverbal furtive movements as fight indicators as Brandon was no longer fleeing and took a position of advantage behind a fortified position. I advised Brandon that he could get shot if he didn't comply by getting on the ground. Brandon looked directly at me as I attempted to flank his position. Brandon then fled northbound through the parking lot. I observed Brandon discarding his jacket on the sidewalk while running northbound on Pacific Hwy.

Inv. Moffitt continued to chase Brandon through the parking lot and eventually took him into custody with a Federal Way police officer.

I picked up Brandon's jacket and immediately felt a handgun in the pocket.

I put on gloves and removed the handgun (M&P Shield, 9mm, serial: JEL5392). It had an extended magazine with a round in the chamber. I ran the handgun through SS911 Records, which came back not registered.

I later walked the route that Brandon fled and found a black cell phone approximately 15 feet from where he had dropped his jacket.

Inv. Luttrull contacted SS911 Records, and they ran a triple-I on Brandon, which showed him as a convicted felon out of Louisiana.

Inv. Moffitt read Brandon his Miranda rights, which he acknowledged. I spoke with Brandon, who was in the backseat of a Federal Way patrol vehicle. Brandon said he ran because he was scared and didn't know what was happening. I explained to Brandon that he is a convicted felon and prohibited from possessing firearms. I told Brandon that I recovered the handgun from his jacket when he dropped it. I also told Brandon that I would place his cell phone in his property. Brandon denied owning the jacket and cell phone.

I placed all items into paper bags and turned them over to a Federal Way patrol officer.

I later learned that 08 08, 08 and 08 08s were taken into custody after the successful PIT.

Inv. Alexander transported 08 to the Pierce County Jail on his listed charges.

	Please see the supplemental reports for further details. Nothing further. Inv. Teclemariam LK127

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	Location and apprehension of 08 08 and the surrounding incident.

Narrative:	This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident. On 2/3/2025 I was working for the Lakewood Police Department assigned as the sergeant in charge of the Special Operations Unit. One of the missions of the unit is locating apprehending violent suspects that commit crimes in the City of Lakewood and around Pierce County. On this date, I was wearing plain clothes, my duty belt, and ballistic vest with my name tape and police markings on the front, and police markings on the back with a body worn camera, and operating a department issued vehicle.

Special Operations was assisting Det. Martin in locating and apprehending a subject (08 08 08) that had a Pierce County Superior Court warrant for Assault 1st x 2 that stemmed from a shooting that occurred on 1/17/2025 at the B&I shopping plaza.

On this date, Special Operations Unit members conducted a surveillance and apprehension brief at 1600 hours at Lakewood PD. We were made aware of an associated vehicle (WA lic: CKP7855) and multiple associated family members along with an address for 08 's grandmother, 08 08 , 08 08 , Spanaway. Once we concluded the brief, we moved out to set up surveillance at the Spanaway address.

We had real time intelligence related to a cell phone that belonged to 08 and were receiving periodic updates on the location of the cell phone. After several hours of surveillance, Det Hall located the listed vehicle (CKP7855) and observed multiple individuals around the vehicle. I contacted Federal Way PD and attempted to put an arrest plan together at the apartment complex (28600 block of 18th Ave S, Federal Way). While I was attempting to do this, multiple subjects loaded into the vehicle and left the location. It was determined while following the vehicle that 08 08 was driving and there were several other subjects in the vehicle with one subject that appeared to be 08 . Special Operations units were able to follow the vehicle until Inv. Alexander (who was in a marked Lakewood Police Department vehicle with lights and sirens) could conduct a traffic stop on the listed vehicle.

The traffic stop was initiated at around 2020 hours in the 31800 block of Pacific Hwy in Federal Way and communicated through SS911 dispatch via police radio. 2 Federal Way PD marked units arrived to assist with the traffic stop and I advised them there was an Assault 1st suspect in the vehicle. Orders were given to the driver (who's window was partially down) to turn the vehicle off and throw the keys out which were never complied with. There were additional orders provided by other officers on scene to do similar actions and the driver (08 08) never complied with. After approximately 1 minute after stopping at the Arco gas station, 08 fled through the parking lot and around several buildings with Inv. Alexander, Federal Way PD officers in marked vehicles and multiple other unmarked vehicles following the listed vehicle through the parking lot. Since my vehicle does not have emergency lights or sirens I was a distance behind the marked vehicles in the pursuit. After a short pursuit, Inv. Alexander conducted a pursuit intervention technique (PIT) and stopped the vehicle in the parking lot of the Amigos Restaurant. When I arrived at the location, it was apparent 1 person had fled from the vehicle (Inv. Moffitt and Teclemariam gave chase on foot & multiple other Federal Way officers assisted) and was later located and apprehended after discarding his jacket and a firearm. He was later identified as Brandon Brown. Two females had also exited the vehicle, later identified as 08 08 (08 's mother) and 08 08 . 08 and 08 were screaming and yelling asking why they got pulled over and generally failing to follow officers orders. A Federal Way PD officer eventually detained 08 in handcuffs. I observed a male exit the backseat of the vehicle in an orange jacket videoing us with a cellphone camera which I was able to visibly recognize as 08 08 . After several orders to get on the ground, both 08 and 08 omplied and laid flat down on their stomachs. 08 was still in the driver seat at this point. Inv. Aleander and I covered 08 while Inv. Luttrull detained 08 in handcuffs. I held cover on 08 and 08 while Inv. Alexander was able to place 08 under arrest. I advised 08 he was under arrest. I took possession of a white Iphone 08 had and later booked it into evidence at Lakewood PD.

Inv. Alexander advised while he was searching 08 that he had located a firearm in his front jacket pocket. The firearm's hammer was back. Inv. Alexander was able to successfully remove the firearm from 08 's jacket pocket but was unable to make it safe. Inv. Alexander handed me the firearm and I secured it as 08 had informed him that he had another firearm tucked under his arm beneath his jacket. 08 had also stated there was another firearm inside the backseat of the vehicle. I was able to observed what appeared to be an AR15 style pistol (with no butt stock and a magazine inserted into it) leaned against the backseat floorboard on the driver's side. Inv. Alexander was able to remove the other firearm. Inv. Alexander took control of both firearms and made both pistols safe and secured them into the marked Lakewood patrol vehicle. Inv. Alexander pulled his patrol vehicle back and allowed 08 to exit the driver's seat and Inv. Luttrull detained her in handcuffs. 08 , 08 , 08 , and 08 were placed in separate patrol vehicles. The listed vehicle was closed up, sealed and eventually towed back to Lakewood PD pending a search warrant application. I was able to make contact with Det. Martin who gave me the cell phone number we had been tracking. I utilized my department issued cell phone to call the number (08). I observed

from the exterior of the vehicle a cell phone on the front passenger seat and it appeared to ring (number streaming across the front and flashing light emitting from the back).

08 had attempted to elude police vehicles and eventually she was booked by Federal Way into King County Jail. Brandon Brown was determined to be a convicted felon after Inv. Luttrull ran his triple I through SS911 records and he was also eventually transported and booked into King County Jail by Federal Way PD for UPOF. It should be noted that Federal Way PD took custody of the firearm that had been discarded by Brandon Brown. 08 had a Lakewood Municipal Court warrant and 08 08 had the warrant for 2 counts of Assault 1st (and was in possession of 2 firearms - UPOF). 08 and 08 were transported to Pierce County Jail by Inv. Alexander. Officer Topasna responded to PCJ and took custody of 08 and transported her to Nisqually Jail on her LMC warrant. 08 was booked into PCJ and then transported to Remann hall since he was 17 years of age. 08 was released at the scene. The listed vehicle was followed back to LPD by Inv. Luttrull and secured in LPD's secure lot awaiting a search warrant application.

After returning to Lakewood PD, I packaged the white Iphone 08 had been recording with when he exited the vehicle and booked it into evidence.

Nothing further at this time.

Synopsis:	Assisted with search warrant at [redacted]08's residence.

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

I currently am an Investigator at the Lakewood Police Department in the Major Crimes Unit (MCU). On 2/6/2025 around 1130 hours, I attended a briefing at the Lakewood Police Department in regards to this case. Lakewood Investigators of the Special Operations Unit (SOU) at the MCU were going to be serving a search warrant at [redacted]08 in unincorporated Pierce County. My role in the search warrant was to assist with containment of the exterior of the residence while Investigators contacted the residents inside. At approximately 1218 hours, we made contact with the residents and they eventually exited the house.

Once the house was secured, I assisted with searching the interior of the house. I searched the master bedroom upstairs, middle bedroom upstairs and the hallway bathroom upstairs. I did not locate anything of evidentiary value during my search. This concludes my involvement in the investigation at this time.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Investigative Information

Means:		Motive:	
Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:

Search Warrant - [redacted]ast, Spanaway

On February 6, investigators reviewed [redacted]'s jail calls and noted on February 4 at 6:04 pm, [redacted] spoke to a female he refers to as, "momma" on cellular number 817-231-2929 identified as belonging to [redacted]. During call [redacted] stated, "Have you all went in my room and got the watch u call it?" Followed by, "Yeah, you just gotta go in there and look around, you'll know what I'm talking about." Investigators believe this is a reference to the handgun used in the shooting. Investigators researched [redacted]'s cellular number and located a police report from November 19, 2024, verifying her cellular number and address of [redacted]ast.

Based on the totality of this investigation, I applied for and was granted a search warrant for [redacted]ast for the following outstanding evidence:

- All firearms to include a desert tan colored Glock-style .9mm caliber handgun(s) or handgun accessories, such as magazines

- Live Ammunition, including .9mm caliber
- Fired cartridge casings (FCC), including .9mm caliber
- Red hoodie pullover sweatshirt
- Large figaro-type gold necklace
- Grey Pants

- Light blue underwear
- Solid red athletic shoes
- White-black colored lighter with retractable line and attachment clip

At approximately 12:20 pm, Special Operations Unit members conducted a surround and callout of all occupants of the residence. After a several minutes, five subjects (four female/one male) ranging from ten years old to 17 years old, emerged from the house. They were placed across the street with investigators while tactical members continued rendering the residence safe. In the process, we learned a sixth subject remained in the house not complying with orders. Eventually, after several more minutes, an adult who identified himself as "[redacted]'s husband," 'Jamaal' exited the garage.

Tactical members subsequently entered and cleared the residence without incident. During this time, a dark colored Dodge Charger arrived on scene. Tommy Brown, the individual arrested for possessing a handgun with [redacted] in Federal Way after fleeing on foot, exited the passenger seat. BROWN briefly spoke with Jamaal and ordered everyone in the car, then left the area.

Note: Prior to searching, FSM/Det. Sale obtained photographs of the exterior and interior of the residence.

Investigators entered the residence and noted the conditions to be filthy, extremely disorganized with piles of clothing everywhere. Dirty dishes, cooked food and soiled plates strewed the kitchen. The trap door leading to the crawl space was lifted, exposing the entrance as if recently accessed. Similar to the main floor, the upstairs bedrooms were cluttered with vast amounts of soiled clothing, including the hallway and bathroom; however, each one was diligently searched.

During the search, Investigator Teclemariam located a SCCY CTX2, .9mm semi-automatic handgun serial 553367 behind the wash machine and dryer in the second floor hallway. The handgun appeared to have been thrown or placed there haphazardly. Photos of the handgun were taken in place before being recovered by FSM/Det. Sale.

After the main search was completed, investigators entered the crawl space and conducted a secondary search in the confined location; however, no evidentiary items were located.

Once the entire search effort was completed, a copy of the warrant and inventory sheet was left on the kitchen table and photographed.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	Securing the residence for an evidentiary search warrant service

Narrative:

This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my ICV/body worn camera, as it was recording at the time of the incident.

On 2/6/2025 I was working for the Lakewood Police Department assigned as the sergeant of the Special Operations Unit. One of our missions is apprehending violent wanted subjects related to Lakewood PD cases.

On this date, Captain Gildehaus requested the unit assist with the service of a search warrant on the residence [redacted]08, Spanaway, in an attempt to locate some evidence related to the incident. Special Operations Unit members (Inv. Teclemariam, Moffitt, Alexander, & Luttrull) along with Det. Feldman and Inv. White from Major Crimes Unit were involved in a brief at Lakewood PD for the service of the search warrant. Det Martin provided me a copy of the warrant for the listed residence.

We moved to the location with Inv. Teclemariam in a marked Lakewood Police vehicle and all personnel were in ballistic vests with police markings on them along with duty weapons. We arrived at the listed location, surrounded the residence and provided numerous PA announcements. Multiple juvenile females and a younger male exited the residence and were passed off to CPT Gildehaus, Det. Martin, Det. Latimer, and SGT Suver. We were provided intelligence that there was another adult male inside name Jamal. We continued PA announcements for an extended period of time until Jamal exited and was also passed off to MCU detectives. We gave several final announcements and then moved to clear the structure.

We moved into the residence continuing to call out that we were the police with a search warrant. The entire structure was cleared and no personnel were located inside. The crawl space was located inside an interior closet and it was open with clothing items down inside the crawl space.

I requested K9 to clear it and K9 Officer Repp and his partner Hawk responded to clear the crawl space under the structure. After it was cleared, Det. Latimer and Feldman entered to search for evidence. No personnel or items of evidentiary value were located.

The search was completed and MCU detectives secured the residence and we all departed.

This concluded my involvement in the incident.

Nothing further.
SGT K. Clark #25

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Synopsis:	

Narrative:

25-017-01663

On 2/6/25 at about 1140 I received a call from Detective J. Martin who asked me to assist with the service of a search warrant at [redacted]08 in Tacoma.

A short time after that I met with Detective Martin and several other members of the Lakewood Police Department. Once the house was cleared I began taking overall photos. I started with the exterior of the residence to show the address and front of the home where entry was made. I took overall photos of the interior of the home as well. While taking photos of the interior I was advised that a pistol was located upstairs behind a dryer.

I took photos as I moved to the upstairs of the home and Investigator Teclemariam was up there as well and he pointed out where the pistol was located. I took photos of the pistol in place before I moved it. I removed the magazine from the pistol as well as the chambered round. The magazine was found to have five rounds of 9mm ammunition. The pistol was a SCCY CPX-2 9mm pistol with serial number 553367.

After the search was completed, I spoke with Detective Martin again and he advised that the pistol was the only item that was being taken from the home. I filled out a property sheet listing the pistol and a copy was left on the kitchen table along with a copy of the search warrant.

I cleared the residence and brought the pistol back to the PD and secured it in the FS Lab pending any processing that may be requested from Detective Martin. The photos taken were uploaded to evidence.com.

On 2-10-25 I was able to conduct an operability exam and test fire on the SCCY pistol. The pistol appeared to operate normally. I fired four rounds of 9mm ammunition from the pistol. All four FCCs (Fired Cartridge Cases) were collected. Three of the FCCs will be sent to the WSPCL for NIBIN entry and the remaining FCC was packaged with the pistol. This process was documented on the Firearms Examination / Test Fire Notes form that is attached and incorporated by reference.

The ammunition that was separated from the pistol will be booked in as a separate item.

End of Narrative

CCSI Detective D. Sale LK51

Vehicle Activity:		Direction Vehicle Traveling:	

Synopsis:	

Narrative:

25-017-01663

On 3-10-25, I began conducting operability exams and test fires on several pistols from the listed case. Item #1 was a Polymer 80 (P80) 9mm pistol without a serial number. This pistol had a switch installed which led me to believe this pistol would likely function as a fully automatic weapon. Item #4 was a HK P30sk 9mm pistol with serial number 214-039437. Item #27 was a Springfield Armory XD-45ACP (.45 caliber) pistol with serial number US731448.

While examining the Polymer 80 I noted the trigger was somewhat sticky but it did not seem as if it would be a safety issue or cause the pistol to not function. Both items #4 and #27 appeared to function normally.

Then I conducted the test fire portion of the exam. I began with the Polymer 80 that had the switch installed. The pistol fired multiple rounds of ammunition when I depressed the trigger one time. I fired four rounds of ammunition from this pistol. Then I fired four rounds of ammunition from both of the other pistols. All FCCs (Fired Cartridge Cases) were collected for each test fired pistol. Three of the FCCs will be sent to the WSPCL for NIBIN entry and the remaining FCC was later packaged with each respective pistol.

On 3-12-25, I checked out one remaining weapon (item #25) for the listed case. That item was an Anderson AM-15 multi-cal AR pistol with serial number 20231539. The pistol appeared to operate normally. On 3-19-25, I was able to conduct a test fire. I fired four rounds of .223 ammunition successfully and

collected all 4 FCCs. Three of those FCCs will be sent to the WSPCL for NIBIN entry and the remaining FCC will be packaged with the pistol.

The process was documented on the Firearm Examination / Test Fire Notes forms that are attached and incorporated by reference.

☐ Latent process requested ☒ Latent process not requested ☐ Latent process done

☐ Additional Forensic Processing: _____

Firearm Type: ~~Pistol~~ / **Rifle** **Make:** SCCY

Model: CPX-2 Other info: _____

S/N: 553367 Measurements: Barrel _____ Overall: _____

Ammunition Used for test: 9mm test **Cartridge Cases for NIBIN:** ☒ **Yes** ☐ **No**

Safety Type: ☐ cross bolt / button ☐ grip ☐ Mag ☐ Thumb ☒ No external safety

☐ Other _____ Working Safety: ☐Yes ☐No

Action: ☐ Double Action ☒ Striker Fired ☐ Single Action ☐ Trigger pull #_____

☐ Other _____

Safety check: (must be safety checked before test fire)

☒ **Barrel clear of obstructions**

☒ **Slide moves freely or cylinder rotates freely**

☒ **Trigger / Hammer move properly**

☒ **No obvious safety concerns**

Date of test fire: 2-10-25 Fired By: DS Number of test rounds fired: 4

☐ Magazine fed ☒ Packaged W/firearm ☐ From Reference Collection

☐ Direct chamber fed ☐ revolver **NOTES**

☒ **Fired / functioned normally**

☒ **Meets RCW 9.41.010 definition of "Firearm"**

☐ Did not test fire due to safety concerns

☐ Not operable in current condition
